*County option that can be extended to families as a plan to mitigate the "cliff effect" as families become ineligible for care - For families who become ineligible because their income exceeds the gross monthly income as set by the county, but who meet the guidelines as outlined in Section 3.904.1H, and whose household income does not exceed 85% of the State median income;

- The fee for the first child in care is within the range of 12% to 25% of the household income.
- The fee will be increased by \$40 for each additional child in care
- The fees shall be increased incrementally as outlined by the individual family transition plan up to the six-month limit.
