Quarterly Results for Administrative Reviews
Administrative Review Division
7/1/2012 - 6/30/2013

This report presents data collected by the Administrative Review Division (ARD) through the Out-of-Home Review process. The results are grouped by CFSR Outcome and Item.

There are several key components to fully understanding the report. First, any item which is Compliance related will have the question number displayed in **BOLD** font, while those that are Data oriented (i.e., collected in order to gather more systemic information) will be displayed in normal font.

Also, as the compliance level for achieving Substantial Conformity during the CFSR is now set at 95%, any item falling below this level will be highlighted by the following symbol:

After the end of each quarter, a new report containing the most recent quarter's data will be made available for all stakeholders on the Colorado Department of Human Services Portal.

First Quarter = July - September
Second Quarter = October - December
Third Quarter = January - March
Fourth Quarter = April - June
