ANNUAL REPORT
OF THE
Colorado Soldiers' and Sailors' Home
1899

Colorado Soldiers' and Sailors' Home,
Monte Vista, December 15, 1899.

HIS EXCELLENCY,

CHARLES S. THOMAS,

Governor of the State of Colorado, Denver,
Colorado.

Dear Sir—I have the honor to submit the annual report of the Colorado Soldiers' and Sailors' Home for the fiscal year ending November 30, 1899, as required by the statute.

The membership of the commission has changed since my last report through the expiration of the terms of service of J. D. Lewis and A. M. Sawyer, and by the retirement of W. T. S. May, ex-officio commissioner, and by the appointment by your Excellency of M. J. Hogarty and H. V. Smith as commissioners; Andrew Royal, being elected department commander, G. A. R., received his commission as ex-officio commissioner.

At the meeting of the commission, May 17, 1899, it was organized as follows:

T. C. Graden, president, Durango.

Andrew Royal, vice-president, Pueblo.

H. V. Smith, secretary, Monte Vista.

M. J. Hogarty, treasurer, Greeley.

Color. Soldiers' & Sailors' Home

At the same meeting the officers of the home were elected as follows:

John H. Shaw, commander.

Samuel West, adjutant and bookkeeper.

G. S. Hazen, quartermaster.

Dr. W. M. Parrish, surgeon.

Owing to the deficiency of the state revenues, this has been a year of great anxiety in regard to the finances of the institution in our care. For a time it seemed as though nothing could prevent the necessity of closing the home for lack of funds to sustain it.

To avoid such a calamity the commission memorialized the boards of commissioners of the counties from which members were admitted to the home, asking them to aid us to the extent of \$8.33 per month per man. This action was taken in June last. Thirty-nine counties were appealed to; thirty of them responded heartily to our call for aid. They are enumerated in our report of the receipts for the year, appended hereto. There has been received from that source \$3,524.52, and there is still due under their pledges \$205.32. Four counties formally refused to assist us, to-wit: Huerfano, Logan, San Juan and Prowers. Five counties failed to reply to our requests in any manner, to-wit: Gilpin, Las Animas, Kiowa, Pitkin and Rio Blanco. The total amount lost to us by the counties refusing or failing to give aid has been \$435.06.

The amount received, as above set forth, with the usual aid from the general government of \$25.00 per quarter per man, tided us over the months of June, July, August, September and October.

We received, early in October, your Excellency's executive order, authorizing us to incur, if necessary, an emergency indebtedness of \$20,000 for the period ending with the fiscal year of 1900, accompanied by a letter that funds to that amount had been secured for our use to draw upon; and the said fund has been drawn upon for the payment of the indebtedness incurred in November.

I take pleasure, in this connection, in presenting to your notice a resolution passed at the last session of the commission, held in Denver, November 11, 1899, expressive of our appreciation of your hearty interest and earnest efforts in behalf of the Soldiers' and Sailors' Home. It is as follows:

"WHEREAS, His Excellency, Charles S. Thomas, has issued an executive order, as Governor of the State of Colorado, authorizing the contraction of an indebtedness for the period ending with the fiscal year of 1900, not to exceed the sum of \$20,000, for the maintenance and support of the Soldiers' and Sailors' Home, and has assured the management of said home that he has secured the amount of funds for said purpose; therefore be it

"Resolved, by the Board of Commissioners of said Soldiers' and Sailors' Home, at a regular meeting held in the Capitol Building, Denver, on the 10th day of November, 1899, that on behalf of the old veterans, now comfortably cared for in said Soldiers' and Sailors' Home, the thanks of this board are extended to His Excellency, the Governor, Charles S. Thomas, for the interest he has taken in the welfare, and the vigorous efforts he has made on behalf of said home, in authorizing the said indebtedness by executive order, and in securing the necessary funds for maintaining the home until the next general assembly meets, thereby relieving the counties from further contributions after October first."

The only permanent improvement undertaken during the year has been a partly completed construction of a dike on which to convey water to a portion of the land heretofore unavailable for agriculture on account of being above the water grade. The expense of the same has been very light, the work having been done almost entirely by the members of the home.

The average membership present has increased ten per cent. over last year, demonstrating that additional accommodations must be provided soon, as our facilities are now utilized to their full extent consistent with proper comfort and sanitary conditions.

It is unnecessary for me to go into details, as the appended reports of the executive officers of the home contain the required information.

Very respectfully,

T. C. GRADEN,
President of the Commission.

REPORT OF THE COMMANDER.

Soldiers' and Sailors' Home,
Monte Vista, Colorado, December 15, 1899.

HON. T. C. GRADEN,

President Soldiers' and Sailors' Home Commission.

Dear Sir—The annual report of the affairs of the home required by the statute, would, so far as my administration is concerned, cover a period of five months and eleven days.

My written reports heretofore submitted to you nearly cover that period. I will, therefore, refer you to the complete and exhaustive reports of the adjutant and quartermaster, herewith submitted, from which to make up the annual report for the fiscal year ending November 30, 1899.

Upon the adjutant and quartermaster falls the duty of performing most of the clerical work of this institution. An examination of their reports will convince you that they are competent for the work, as well as conscientious and painstaking in its performance.

The physician's report should be as flattering to himself as satisfactory to the board; for while the adjutant's report shows an increase in membership, the physician's report shows a decrease, not only in mortality, but in numbers and cases treated, both in the hospital and wards. The management of the hospital by Dr. Parrish has been successful and satisfactory.

The legislature, for whose acts no party is responsible, failed to provide means whereby the annual appropriation for the support of the home could be made available, left us to fight our way as best we could for a mere existence. Many much-needed repairs and improvements have had to be delayed or left undone, although, as shown by my former reports, over \$400.00 worth of improvements have been made by voluntary labor of the members of the home.

An appeal to the several counties of the state for assistance, made in early July, brought forth ready responses from all but nine. These advanced for our support \$8.33 per month per capita, until October 1, when, through the personal efforts of His Excellency, Governor Charles S. Thomas, the sum of \$20,000 was raised, which, by the very closest economy, will tide us over until the next meeting of the legislature, which, in all justice, can not fail to reimburse all moneys advanced for the maintenance of this institution. I desire, through you, not only for myself, but for all the members of the home, to extend our sincere thanks not only to the several counties which came so nobly to our assistance, but especially to Governor Thomas, through whose persistent and untiring efforts we have been able to keep a home still running for over 150 of the worthy veterans of the war of the rebellion.

Very respectfully,

JOHN H. SHAW,
Commander.

REPORT OF THE SURGEON.

Soldiers' and Sailors' Home,
Monte Vista, Colo., Nov. 15, 1899.

HON. T. C. GRADEN,

President Soldiers' and Sailors' Home Commission.

Dear Sir—I take pleasure in presenting herewith my first annual report as surgeon of the home. It will of necessity be short, as I have had control of the hospital only since the 3d of June last up to the close of the fiscal year ending November 30, 1899.

The adjutant's report shows that there were eight deaths during the period of said year previous to my taking charge. Since I took charge there have been six deaths, enumerated as follows:

On June 13, 1899, Eli Irvin dropped dead, in quarters, not having been a patient in hospital; cause, heart failure; age, 59 years.

Virgil Helms died suddenly, in quarters, of hemorrhage of lungs, on July 24, 1899; aged 59. He had not been a patient in the hospital.

George S. Hill was admitted to the hospital July 18 on account of age and feebleness. He died of an overdose of morphine, administered by himself, July 19, 1899; aged 74 years.

Robert B. Nelson, who was in the hospital when I took charge, with pulmonary tuberculosis and chronic ulcer of stomach, died August 18, 1899, aged 57 years.

Charles O. Brown, in hospital when I took charge, with consumption, died August 27, 1899, aged 67 years.

David Morrell, in hospital when I took charge, with paralysis, died of the same September 16, 1899, aged 82 years.

Total number of treatments or prescriptions since June 3	399
Number of members treated in hospital since June 3.....	41	
Number of members treated at sick call, counting a man only once, since June 3.....	84	
Total.....	125
<hr/>		
Number of deaths during said period.....		6
Average age at death, years		63.66
Impaired cerebration, not classed as insane		5
Totally blind.....		2
Partially blind.....		2

I have pleasure in reporting the health of the home good and the hygiene excellent.

I gladly acknowledge the constant and hearty support of Commander Shaw and his staff of officers in all my endeavors for the health and welfare of the hospital and home.

There are some greatly needed improvements I should much like to urge in a very positive manner, but deem it as useless to do so under our present financial strain.

Heartily thanking the board for the courtesies shown me during my term of management thus far, I am,

Very respectfully yours,

W. M. PARRISH,
Surgeon in Charge.

ANNUAL REPORT

OF

THOMAS C. GRADEN, PRESIDENT

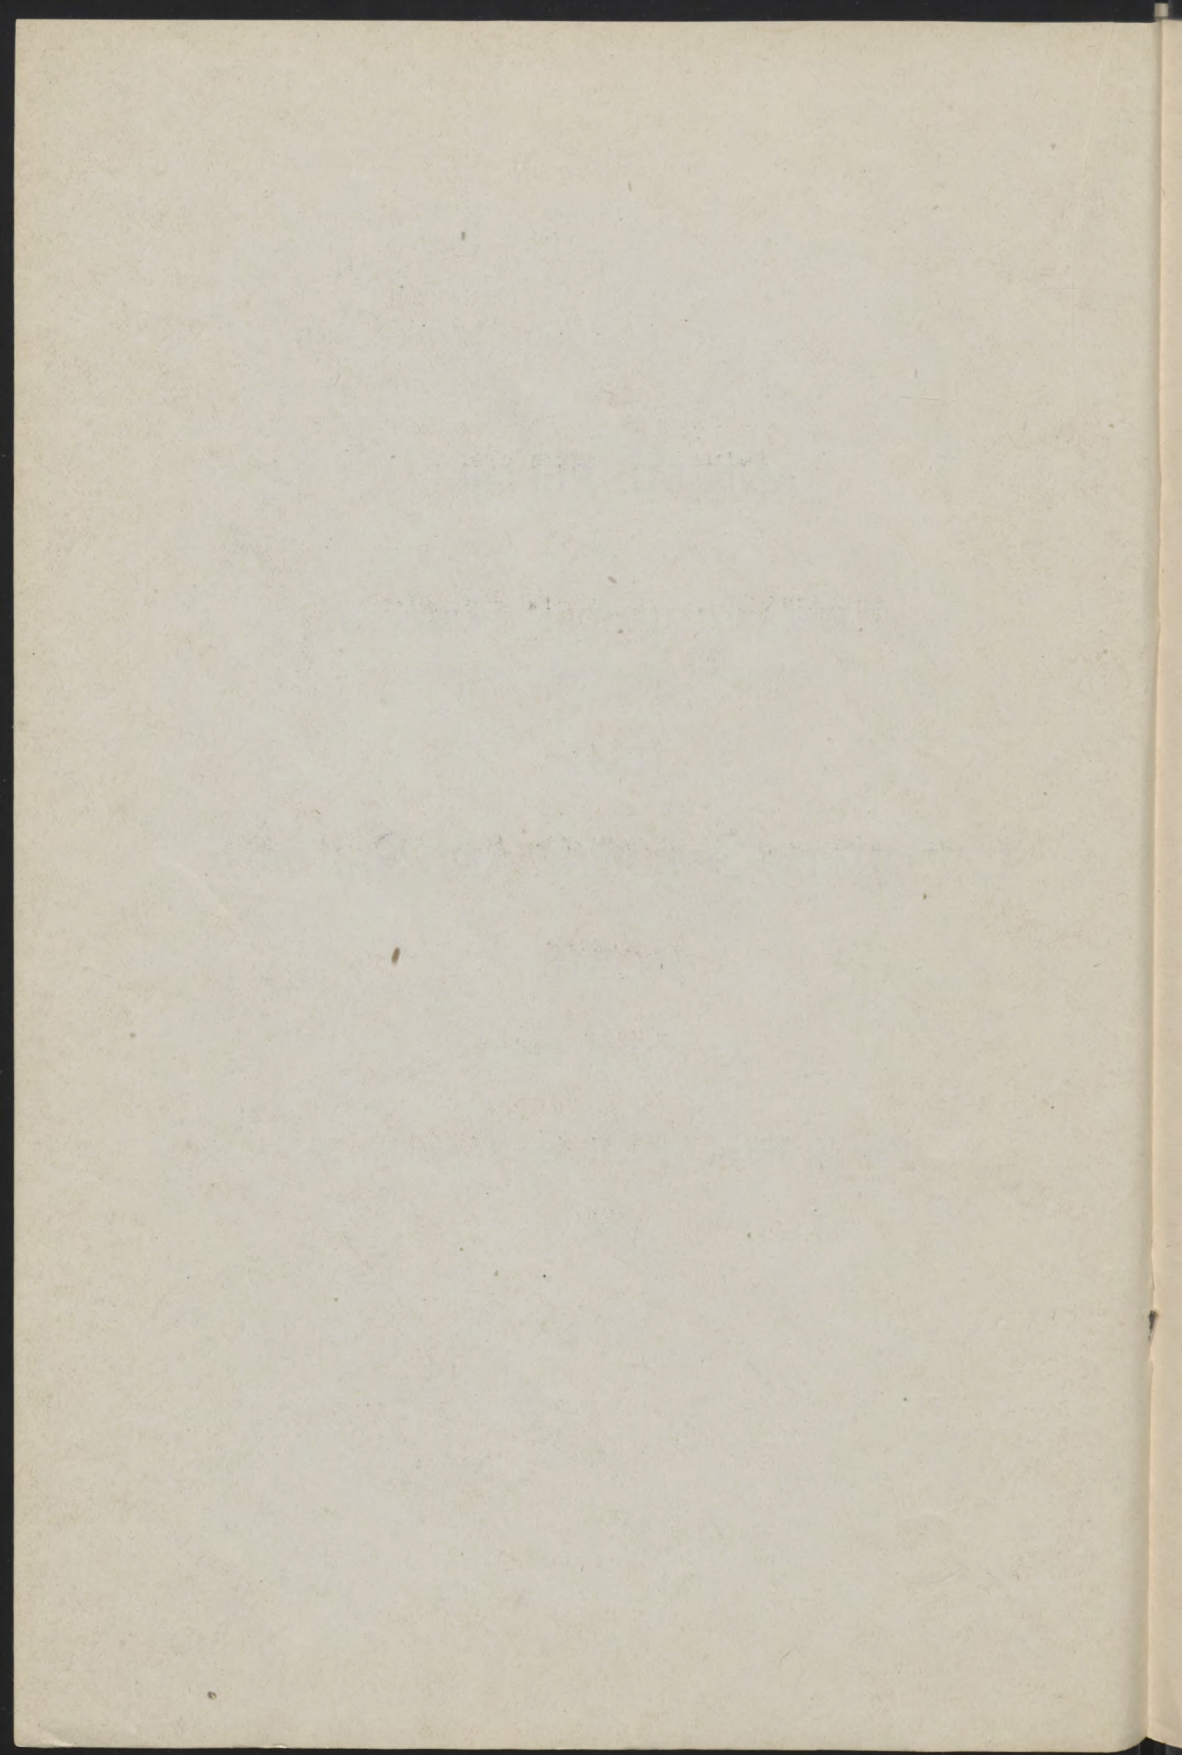

Soldiers' and Sailors' Home Commission

THE
COLORADO SOLDIERS' AND SAILORS'
HOME

AT MONTE VISTA

For the Fiscal Year Ending November 30

1900

ANNUAL REPORT
Of the
COLORADO SOLDIERS' AND SAILORS' HOME
1900

Colorado Soldiers' and Sailors' Home,
Monte Vista, Colo., December 15, 1900.

HIS EXCELLENCY, CHARLES S. THOMAS,
Governor of the State of Colorado, Denver, Colo.:

Dear Sir—I have the honor to submit the annual report of the Soldiers' and Sailor's Home for the fiscal year ending November 30, 1900, as required by the statutes.

The only change in the membership of the commission since my last report, dated November 30, 1899, is in the retirement of Andrew Royal, late department commander, G. A. R., and the introduction to the board of his successor, the new department commander, Harper M. Orahood.

At a meeting of the board, held at the home, May 31, 1900, the commission organized as follows:

T. C. Graden, of Durango, President.

H. M. Orahood, of Denver, Vice President.

H. V. Smith, of Monte Vista, Secretary and Treasurer.

By resolution, the election of the officers of the home was deferred to a later date and up to this date the former officers are retained, to wit: John H. Shaw, commander; Samuel West, adjutant and bookkeeper; H. W. Green, quartermaster and commissary, and W. M. Parrish, M. D., surgeon.

In my last annual report I referred with gratitude to your excellency's executive order, of October 6, 1899, au-

thorizing an emergency indebtedness of \$20,000.00 by this institution, for the fiscal year of 1900, and also to your personal efforts in securing the funds to that amount for us.

The vouchers for October, 1899, were drawn against this fund and we entered this fiscal year with a credit balance of \$17,049.01 in said fund and \$201.19 in our United States cash fund. During the year this institution has received aid from the general government to the amount of \$14,066.78, and from counties interested \$105.57; making a total of cash assets of \$31,422.55. The expenditures for the year amount to \$31,415.36, leaving an unexpended balance of \$7.19.

We are stocked with supplies of clothing, provisions, coal, etc., sufficient to last us for two months.

I greatly desire to call your attention to the need of an appropriation of at least \$5,000.00 for the enlargement and improvement of hospital facilities. The increasing age and infirmities of the members will, ere long, result in the need of hospital care for all.

The only permanent improvements undertaken during the year have been the completion of a dike ditch to carry water to a higher level, and the construction of a root cellar, the work on which has been done almost entirely by the members of the home.

The reports of the commander and of the other officers are appended hereto and set forth the conditions of the home, its affairs and finances, in detail.

The population is steadily increasing from year to year and our roll shows a gain over last year of nearly six per cent.

I have the honor to be,

Your most obedient servant,

T. C. GRADEN,
President.

REPORT OF THE COMMANDER.

Soldiers' and Sailors' Home,
Monte Vista, Colo., December 12, 1900.

HON. T. C. GRADEN,

President Board of Commissioners.

Dear Sir—I beg leave to submit the following report, including a partial summary of the work and improvements carried into effect during my administration of the affairs of the Home.

During the first six months of my command the work was not satisfactory to myself and probably less so to the board.

This institution is a peculiar one to manage, and which, to manage successfully, one must not only become acquainted with the details of the work, but with the different dispositions and temperaments of those with whom he has to deal, as well.

The action of the board in relieving the adjutant of the detail work has operated successfully, as it not only places the responsibility where it belongs, but also relieves one of the busiest officers of the Home of much labor and worry.

I am pleased to be able to report that for the last six months the behavior has been almost universally good; no carousing, boisterous drunkenness for the last three pension days, while a very general good feeling seems to prevail in the camp. I attribute this to the very zealous co-operation of all the subordinate officers.

The adjutant is painstaking and pleasant with the men and efficient in his office work. The quartermaster is obliging, systematic and economical in the administration of the affairs of his department. I reappointed the old steward, Putnam, increasing his wages to \$30.00 and his work has

been exceedingly satisfactory; I would recommend the increase to be made permanent. The orderly sergeant is active and prompt in the discharge of his duties. His wages should be raised to \$15.00 per month, which he richly earns. I could not recommend any change in these officers that I think would be beneficial to the Home.

Where possible, expenses have been cut down, but in the hospital they have been increased necessarily, because of the increase of the helpless among our invalids.

The new physician has not been long enough installed for me to make an intelligent report of his work or efficiency.

Outside of the ordinary expenses of the Home, we have, within the last year, paid bills as follows:

For insurance.....	\$ 693 75
For land.....	175 00
For material for extra work (estimated).....	200 00
For incubator and brooder.....	35 00
For new machinery, yet on hand.....	117 00
Total.....	\$ 1,220 75

All supplies have advanced materially, yet, as will be seen by our quartermaster's report, our expense per capita has been reduced.

Total\$ 1,521.85

Former yearly credits to the farm have averaged about.....400.00
