 Reports were received to date for the 2022-2023 school year.

273

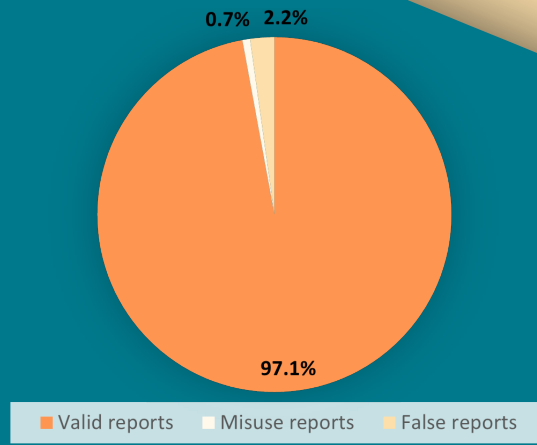

Duplicate reports

Duplicate reports are those regarding a concern or event that has already been reported, and they indicate a healthy culture of reporting safety concerns in a community. 360 duplicate reports have been reported during the current school year; 273 duplicates were reported in September alone—a 214% increase compared to August.

Top reporting categories in September	Number of reports
Suicide Threats	250
Bullying	177
School Complaint	150

97.1% Valid reports

97.1% of reports received during the 2022-2023 school year, which began August 1, 2022, were determined to be valid. Valid reports are those requiring a response, and that are those made with the intent to protect, prevent harm, or help.

Sample reports

Correct use of Safe2Tell

A person reported that a student expressed thoughts of hurting themselves. Local teams contacted the parent and conducted a welfare check and the student was transported to the hospital.

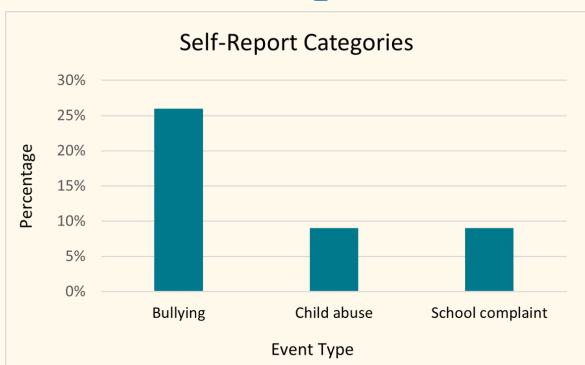

Correct use of Safe2Tell

A person reported that a student had possession of a firearm and that the student was going to attack the school. Local teams contacted the parent, conducted a home visit, and confiscated a weapon. School disciplinary action was taken and a restorative conversation was facilitated with the student.

Misuse of Safe2Tell

A parent reported that their child's school grounds were being used as a dog park outside of school hours. This person's concerns were forwarded to the appropriate personnel, and they were encouraged to go directly to their school or school district in the future.

136 Self-reports

Self-reports are made by people who are sharing a concern about themselves.
