

October 2022 data report

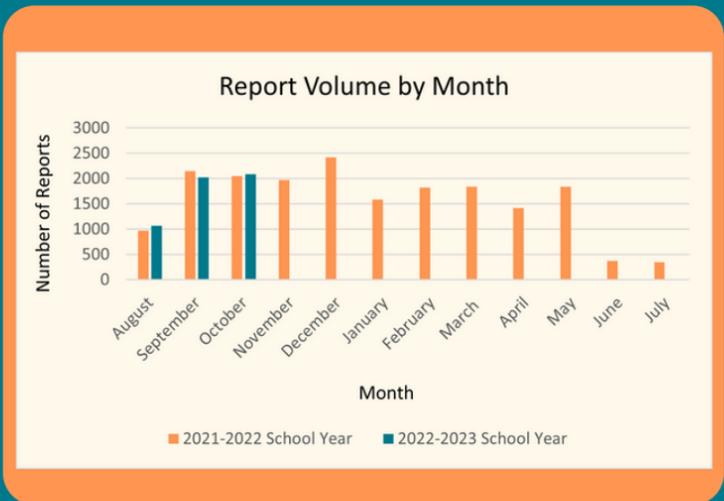

2,084

Reports received in October 2022. This is a 3% increase in report volume compared to September 2022.

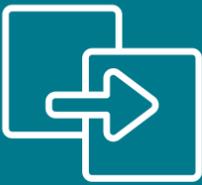

5,180

Reports were received to date for the 2022-2023 school year.

245

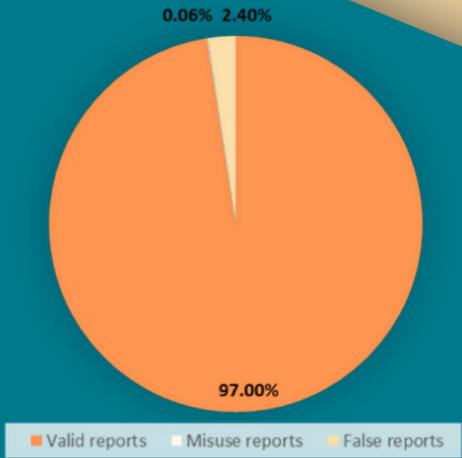

Duplicate reports

Duplicate reports are those regarding a concern or event that has already been reported, and they indicate a healthy culture of reporting safety concerns in a community. 605 duplicate reports have been reported during the current school year; 245 duplicates were reported in October alone—a 10% decrease compared to September.

Top reporting categories in October	Number of reports
Suicide Threats	265
School Complaint	178
Bullying	171

97% Valid reports

97% of reports received during the 2022-2023 school year, which began August 1, 2022, were determined to be valid. Valid reports are those requiring a response, and that are those made with the intent to protect, prevent harm, or help.

Sample reports

Correct use of Safe2Tell

A person reported that a student was sharing pictures of a gun on social media and threatening to harm other students. Local teams investigated and took the student into custody.

Correct use of Safe2Tell

A person reported that a student was depressed, experiencing thoughts of suicide, and that the student was going to run away. Local teams conducted a welfare check and transported the student to the hospital.

Misuse of Safe2Tell

A person reported that an individual who appeared to be on drugs was walking outdoors and screaming. This concern was forwarded to the appropriate personnel, and the reporting party was encouraged to contact their local law enforcement in the future.

144

Self-reports

Self-reports are made by people who are sharing a concern about themselves.
