241

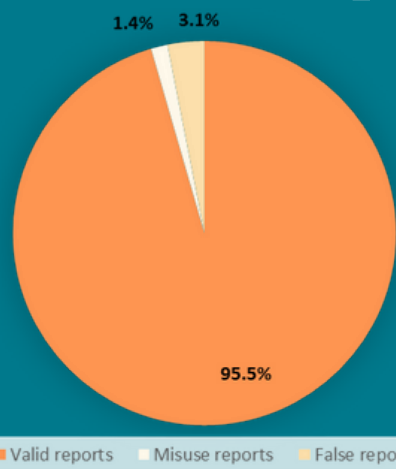

Duplicate reports

Duplicate reports are those regarding a concern or event that has already been reported, and they indicate a healthy culture of reporting safety concerns in a community. 572 duplicate reports have been reported during the current school year; 241 duplicates were reported in October alone—a 9% increase compared to September.

Top reporting categories in October	Number of reports
Bullying	297
Suicide	277
School Complaint	267

95.5% Valid reports

95.5% of reports received during the 2023-2024 school year, which began August 1, 2023, were determined to be valid. Valid reports are those requiring a response, and that are made with the intent to protect, prevent harm, or help.

Sample reports

Correct use of Safe2Tell A person reported concerns about a student who may attempt suicide. Local teams conducted a welfare check and spoke with the student and their parents. The student expressed not feeling suicidal but depressed. School teams are aware, and the school counselor will check in with the student.

Correct use of Safe2Tell A person reported a student was sharing explicit photos of another student with their peers. School teams investigated and spoke with the student, which resulted in their phone being factory reset. The student's parents were notified, and the student was referred to a sexting prevention education course in their county.
