Duplicate reports

Duplicate reports are those regarding a concern or event that has already been reported, and they indicate a healthy culture of reporting safety concerns in a community. 830 duplicate reports have been reported during the current school year; 258 duplicates were reported in November alone—a 7% increase compared to October.

| Top reporting categories in November | Number of reports |
|--------------------------------------|-------------------|
| Suicide | 336 |
| Bullying | 307 |
| School Complaint | 252 |

95.3% Valid reports

95.3% of reports received during the 2023-2024 school year, which began August 1, 2023, were determined to be valid. Valid reports are those requiring a response, and that are made with the intent to protect, prevent harm, or help.

Sample reports

Correct use of Safe2Tell

A person reported a student was feeling depressed and struggling with taking their medication. School teams investigated and the school psychologist spoke with the student, who expressed feeling safe but made a plan to utilize their resources to feel better. The school contacted the parent and are monitoring the student.

Correct use of Safe2Tell

A person reported a social post from a peer regarding suicidal ideation. Local law enforcement conducted a welfare check and found the student attempting suicide. Parents were notified and the student was transported to the hospital and placed on a hold.
