Beware of these common January scams

Those (not really) IRS calls

They're at it again...tax scammers scheming new ways to steal personal information and money.

Work-From-Home Scams

Despite exciting promises, work at home offers are notorious for leaving potential workers high and dry.

Pop-Up Ads For Online Loans

Pop-up ads for payday loans may be tempting to click on, but you could be putting your personal and financial information at risk.

Take time to report fraud or suspicious activity

Every report we receive gives us insights into problems that people are experiencing in the marketplace and helps us to identify and prioritize problems for potential action. The result: better outcomes for consumers, businesses, and a better marketplace for Coloradans.
