## How to transfer money from your EIP debit card to your bank account

Here are some tips from the FTC on how to do exactly that.

Activate your card by calling 1.800.240.8100 (TTY: 1.800.241.9100). Remember, you'll have to give your Social Security, or Individual Taxpayer Identification Number.

Then, go to [EIPCard.com](http://EIPCard.com) to register for online access. (Or you can download the Money Network Mobile App and register for mobile app access.) From either place, click on "Register" and then follow the steps to create your User ID and Password. You'll need your routing and bank account number on hand to link your card to your bank account. The easiest way to find those numbers is by calling your bank, or visiting your bank's website. If you happen to have an actual checkbook, find the first nine numbers at the bottom of one of your checks. This is your routing number. The ten to 12 numbers after that are your bank account number.

Once your card and bank are linked, choose "Move Money Out" and follow the steps to set up an ACH transfer. Transfers should post to your bank account in 1-2 business days.

## Did an ID thief steal your stimulus payment?

Do you think your economic impact payment has landed in the hands of an identity thief? You can report it to the FTC and the IRS at the same time.

Visit [IdentityTheft.gov](http://IdentityTheft.gov), the government's one-stop resource for people to report identity theft and get a personal recovery plan. Click "Get started." The next page asks, "Which statement best describes our situation?" Click the line that says, "Someone filed a Federal tax return – or claimed an economic stimulus payment – using my information." You're on your way.

## Stay Informed

For the most up-to-date information about the Coronavirus, visit the websites of the:

- [Colorado Department of Public Health and Environment](#)
- [Centers for Disease Control and Prevention \(CDC\)](#)
- [World Health Organization \(WHO\)](#)

## Insulin Pricing Report Survey: We Want to Hear From You

The Colorado Department of Law has launched an Insulin Pricing Report Survey to assist in our investigation of the rising price of prescription insulin drugs.

The survey is now available in both [English](#) and [Spanish](#). Please take a moment to complete and share with your network, along with the [message from Attorney General Phil Weiser](#).

Your responses will provide critical insights that will inform our analysis. We want to hear from you about the most pressing challenges you have experienced with obtaining prescription insulin drugs. Your story will help shape our recommendations about how to improve accessibility to insulin for all Coloradans.

This survey is anonymous, the Department of Law does not intend to receive any personal identifying information via this survey, Google Forms will not send Department of Law personal identifying information unless you include this information in your responses. The Department of Law will keep all information submitted confidential.

## Take time to report fraud or suspicious activity

By learning how to avoid scams related to Coronavirus, we can work together to ensure no one in our state is taken in by these malicious attempts to defraud Colorado consumers during this public health emergency.

If you notice any scams, fraud, price gouging, or other attempts to take advantage of Coloradans during this public health emergency, contact Stop Fraud Colorado at 800-222-4444 or [www.StopFraudColorado.gov](http://www.StopFraudColorado.gov).
