[^1]
[^0]:    ${ }^{1}$ The total licenses reported are representative of 116 individual lenders - some with multiple locations licensed.
    ${ }_{3}^{2}$ Maximum amount financed and finance charge permitted by law.
    ${ }^{3}$ The average was derived from averaging the totals submitted by each lender (arithmetic mean) rather than each lender's reported average because some lenders reported estimates instead of actual averages.
    ${ }^{4}$ This does not include loans originated on the same day following a pay-off of a previous loan.

[^1]:    ${ }^{5}$ The numbers overstate the total to the extent that consumers have loans from more than one lender.
