The actual funding is provided from the operation of unassigned vending. Unassigned vending is vending revenue generated from a machine that is not operated by a Blind Operator. The machines that generate this revenue are operated under a third party contract.
- Leasehold Improvements: The funds for Leasehold Improvements are used for necessary remodeling and equipment purchases to prepare a location for operation.
- Initial merchandise and supplies inventory.

INDEPENDENT LIVING CENTERS AND STATE INDEPENDENT LIVING COUNCIL

The purpose of the Independent Living Program is to promote a philosophy of independent living (IL), including consumer control, peer support, self-help, self-determination, equal access, and individual and system advocacy; to maximize the leadership, empowerment, independence, and productivity of individuals with significant disabilities; and to promote and maximize the integration and full inclusion of individuals with significant disabilities into the mainstream of American society.

The Independent Living Program and State Independent Living Council are mandated by Title VII of the Rehabilitation Act of 1973, as amended and authorized by Title 8, Article 85, of the Colorado Revised Statutes. The Division of Vocational Rehabilitation (DVR) contracts with independent living centers on a statewide basis to provide independent living services to individuals with significant disabilities.

The Independent Living Centers may also provide other services for minorities and individuals with significant disabilities who have traditionally not been served or underserved by programs under the Rehabilitation Act of 1973, as amended, and children and youth. Such services include counseling, housing (including accommodations and modifications), rehabilitation technology, mobility training, interpreter and reader services, personal assistance services, community resource guides and directories, transportation, and consumer information programs. Services may include supported living and other services that may be necessary to improve the

ability of an individual with a significant disability to function, continue functioning, or move toward functioning independently in the family or community or to continue in employment, and that are not inconsistent with any other provisions of the Rehabilitation Act of 1973, as amended.
