Preface

This publication was prepared by the Labor Market Information Section of the Colorado Department of Labor and Employment in cooperation with the Employment and Training Administration, U.S. Department of Labor. The **Labor Market Information Directory** is designed to assist professionals, counselors, job seekers, public officials and students in their search for information on the state of the economy, labor force and employment, occupational outlook, and other areas of interest.

For the reader's convenience the **Labor Market Information Directory** is organized by source with the contact for ordering the product listed either at the bottom of the page or with each entry as indicated. The information in this directory is as complete and accurate as possible as of November 2002. Prices and availability are subject to change; we advise our readers to confirm these entries before prepaying or if working on a deadline.

Comments, suggestions and questions regarding the content and format are welcome and may be addressed to:
