Are you searching for a new career path or looking for that perfect job?

You can use the information in this flyer to help you plan and make informed decisions based on your interests and lifestyle. This overview provides information based on wages and projected demand for occupations within the next 10 years, along with the level of education or training needed for entry-level employment in these fields.

Training Programs

The Colorado Department of Labor & Employment (CDLE) collaborates with local workforce centers to offer free or supplemental support training and educational opportunities through grants and federal funding.

Some of the Training Programs offered include:

Further education and training may be a great benefit to your career. Typically, more education results in higher weekly earnings and lower unemployment rates.

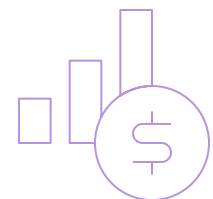

- Apprenticeships
- Educational Programs
- Pell Grant
- Trade Adjustment Assistance (TAA)
- Workforce Innovation Opportunity Act (WIOA)

To learn more about the current training opportunities being offered and how to apply, contact your local workforce center: cdle.colorado.gov/wfc

Colorado Labor Market Information
