

COLORADO CAREER OUTLOOK

ON-THE-JOB TRAINING Colorado Springs

Based on Occupational projections through 2030

In this overview, you'll find information on careers that are expected to be the fastest growing occupations within the next 10 years, along with the level of education or training needed for entry-level employment in these fields, and wage ranges for each. Wage information comes directly from Colorado businesses statewide.

If you are trying to decide on the type of job or career you would like to pursue, are considering a change in your current career path, or are interested in exploring further education or training, this information can help you plan and make informed decisions based on your lifestyle.

Training Programs

The Colorado Department of Labor & Employment (CDLE) collaborates with local workforce centers to offer free or supplemental support training and educational opportunities through grants and federal funding.

Some of the Training Programs offered include:

- Apprenticeships
- Educational Programs
- Pell Grant
- Trade Adjustment Assistance (TAA)
- Workforce Innovation Opportunity Act (WIOA)

To learn more about the current training opportunities being offered and how to apply, contact your local workforce center: cdle.colorado.gov/wfc.

Colorado Labor Market Information

The Office of Labor Market Information (LMI) within the Colorado Department of Labor and Employment collects and analyzes information about labor market trends throughout Colorado. Data are presented in a variety of ways: industry and occupational employment and wages, current and projected industry and occupation levels, occupation wages, and labor force statistics. LMI conducts various research projects and assists workforce centers and others with information requests.
