Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The State of Colorado receives annual grants from the Department of Housing and Urban Development (HUD). In order to receive those funds, the State is required to prepare and submit a 5-Year Consolidated Plan with Annual Action Plans. The Consolidated Plan covers the period from April 1, 2015 through March 31, 2020. This Annual Action Plan covers the second program year of the 2015-2020 Consolidated Plan. By submitting this Plan the State is applying for formula grants from four programs: the Community Development Block Program (CDBG), the HOME Investment Partnership program (HOME), the Emergency Solutions Grant program (ESG), and the Housing Opportunities for Persons with AIDS program (HOPWA).

The State's Department of Local Affairs (DOLA) is the lead agency in administering these funds, and will use them to further its mission of strengthening Colorado communities in ways that are consistent with the intent of the programs and that comply with the laws and regulations that govern them. The State of Colorado is committed to providing equal housing opportunity to all of its residents.

Within DOLA, the Division of Local Government (DLG) is the lead agency for administering CDBG funds. The Division of Housing (DOH) is the lead agency for the HOME, ESG and HOPWA programs.

The State of Colorado has also received and is overseeing the use of CDBG Disaster Recovery funds (CDBG-DR) to assist with the recovery of communities that were damaged or destroyed by the floods that occurred in September of 2013, and the wildfires.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Three of our Plan goals address the objective of providing decent affordable housing: increasing the supply of affordable housing, preserving the supply of affordable housing, and improving the capacity of

non-profit housing organizations. All three of these work to improve availability and accessibility of decent affordable housing through construction, acquisition or renovation of physical housing units. An overall increase in the supply of affordable housing benefits all residents of the state including the homeless and people with special needs.

One plan goal, improving the affordability of housing includes activities such as down payment assistance and rental assistance in which the residents of the housing receive a subsidy to make existing housing affordable to them.

Five goals lead to improved sustainability of communities through the creation of suitable living environments – disaster recovery/urgent need, improving public infrastructure, community development and capital improvement, improving local government capacity, and homelessness prevention and alleviation. All of these enable communities to remain vibrant and livable.

An eighth goal, small business development, addresses the sustainability of communities through economic development, the lifeblood of any healthy community.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

For the current 2015-2016 program year, we are on track to reach the proposed goals for the year despite not receiving an anticipated additional \$3,400,000 in funding. Previous Action Plans, Consolidated Plans, and Consolidated Annual Performance Evaluations have shown our performance successes in greater detail. Utilizing data from past performances, we are able to more accurately choose our goals and projects based on funding allocation amounts as well as needs and priorities. Furthermore, every year we analyze the history for each project type, applications received, number of units produced, and the cost of each unit type. Additionally, we consider the most recent available data on housing inventory and markets, the survey results, and the best use of funding to provide the greatest long-term benefit to those most in need.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

We created an updated Citizen Participation Plan for more effective outreach and response opportunities. In addition, we increased our contact list for distribution of flyers announcing the availability of the draft Annual Action Plan online and holding of the public hearing.

Our improved contact list allowed for us to receive more than ten times the number of responses we have had in the past. This substantial increase provided us with more information from various types of agencies and produced a more effective consultation component to our plan.

In addition, the revised Citizen Participation Plan used the increased contact list to reach more citizens around the state requesting participation in reviewing our draft Annual Action Plan.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

There were no public comments despite improvements to our outreach; including: an increased email list, updated flyer, and more convenient public meeting time.

6. Summary of comments or views not accepted and the reasons for not accepting them

N/A

7. Summary

PR-05 Lead & Responsible Agencies - 91.300(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

The following are the agencies/entities responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
Lead Agency	COLORADO	
CDBG Administrator	COLORADO	Department of Local Affairs/Div of Local Gov't
HOPWA Administrator	COLORADO	Department of Local Affairs/Div of Housing
HOME Administrator	COLORADO	Department of Local Affairs/Div of Housing
ESG Administrator	COLORADO	Department of Local Affairs/Div of Housing
HOPWA-C Administrator		

Table 1 – Responsible Agencies

Narrative

The Department of Local Affairs (DOLA) is the lead agency for the application. Two Divisions of DOLA administer the HUD formula programs, coordinate administration and provide reporting for these HUD funds under the authority of the Executive Director. The lead agency for the CDBG program is the Division of Local Government (DLG), while the Division of Housing (DOH) is the lead agency for the HOME, ESG and HOPWA programs.

AP-10 Consultation - 91.110, 91.300(b); 91.315(l)

1. Introduction

DOLA took advantage of three ongoing consultation processes to develop major elements of the Consolidated Plan. The first and largest consultation process involved development of the Disaster Recovery Action Plan for use of CDBG-DR funds . Another consultation process that occurred was done in conjunction with development of the PHA Agency Plan and involved public housing authorities and other organizations that receive housing choice vouchers from the State. These include a number of organizations that serve people with disabilities and those who would otherwise be homeless. The Division of Housing's Homeless Programs team consults with all three Continua of Care in Colorado to coordinate the use of Emergency Solutions Grant and Continuum of Care funds. Additionally, for the consultation of this year's Annual Action Plan, we expanded our contacts list and were able to obtain substantially more responses than previous years.

Provide a concise summary of the state's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies

DOH facilitates interagency coordination of housing, health and social service activities of various public and private agencies by participating in the following efforts:

- Established an internal Homeless Programs Team to focus on homeless issues.
- The DOH Homeless Programs Team now administers the "State Housing Voucher Program," partnering with the Colorado Department of Human Services and statewide community mental health centers to administer 125 state-funded housing vouchers annually with supportive services for participants with mental health disorders experiencing homelessness.
- Established a "Housing Initiatives" program to coordinate and collaborate with multiple agencies across additional program areas, including Veterans' Housing, Renewable Energy, and other areas of interest.
- DOH leads the Second Chance Housing and Reentry Program (C-SCHARP) Core Team meetings monthly; an interagency group including the Colorado Department of Corrections and community mental health centers working to address the needs of adult ex-offenders with co-occurring mental health and substance abuse disorders.
- Intradepartmental CDBG Coordinating Group. DOLA created a cross-divisional work group to coordinate and integrate its use of CDBG funds.

- The Housing “Pipeline” which includes development staff from DOH, the Colorado Housing and Finance Authority (CHFA), USDA Rural Development, US Department of Housing and Urban Development (HUD) and Community Development Financial Institutions (CDFIs).
- Pathways Home Colorado Advisory Board is a State coordinating organization appointed by the Governor to direct the implementation of the state plan to end homelessness.
- Participation in Colorado’s three Continua of Care: Metropolitan Denver Homeless Initiative, Homeward Pikes Peak and the The Colorado Balance of State.
- Housing Colorado, Inc. is a 501(c)(3) membership organization that facilitates workshops, meetings and educational opportunities for housing organizations.
- Colorado Chapter, National Association of Housing Redevelopment Organizations (NAHRO) is a state trade association for housing authorities and redevelopment agencies.
- As part of the Homeless Programs Team, the Office of Homeless Youth Services, a program within the Division of Housing, will meet on a regular basis with statewide agencies to establish goals, objectives and to seek funding.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness

In all three CoCs across Colorado, the Homeless Programs Team (HPT) plays an active role to coordinate the CoC stakeholders across the state and to assist in strategies towards addressing the needs of homeless persons throughout each CoC. Specifically, the HPT staff members hold seats on CoC boards or committees, and provide technical assistance as needed to ensure full understanding of local, state and federal policies and best practices. The HPT acts as a leader in centralizing statewide goals, data and progress.

Describe consultation with the Continuum(s) of Care that serves the State in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

In response to the changes made to HUD’s Homeless Assistance Programs by the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act, and the ESG Interim Rule that followed, Colorado has greatly increased collaboration with its three Continua of Care (CoCs) in designing its ESG program and HMIS. In 2012, representatives of the CoCs met with DOH staff to draft an allocation plan and host initial discussions for performance standards, evaluating outcomes, projects, policies and

procedures for activities assisted by ESG funds, and developing funding, policies and procedures for the administration and operation of HMIS. Since 2012, DOH's allocation of ESG funds for Homeless Prevention and Rapid Rehousing (HP/RR) activities are now allocated to each CoC for recommendations and selection of applicants within their continuum. This new process for allocating ESG funds has increased regional collaboration and has led CoCs in Colorado to begin work towards a coordinated intake and assessment process to allocate their HP/RR funding to those in their communities with the highest level of need. Currently, the Denver Metro area CoC has the most advanced coordinated assessment system and anticipates incorporating HP/RR resources into the system in the coming year.

Coordination to assist the homeless and prevent homelessness will be led by Colorado's CoCs. Active engagement and membership in the CoC is required to receive funding. The CoCs will further engage and coordinate resources to improve current programs and funding strategies; and provide ongoing training as procedures are refined.

2. Agencies, groups, organizations and others who participated in the process and consultations

Table 2 – Agencies, groups, organizations who participated

1	Agency/Group/Organization	Colorado Recovery Office
	Agency/Group/Organization Type	Disaster Recovery
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Market Analysis Economic Development Disaster Recovery
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Ongoing meetings to create a disaster recovery action plan.
2	Agency/Group/Organization	FAMILY TREE INC.
	Agency/Group/Organization Type	Services - Housing Services-Victims of Domestic Violence Services-homeless Services - Victims
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Homeless Needs - Chronically homeless Homeless Needs - Families with children
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Contacted via survey. Information was provided on the needs and priorities of this organization leading to an anticipated outcome of a better understanding of how funds can best be used to help the organization and the clients it serves.
3	Agency/Group/Organization	Colorado PHA CO911
	Agency/Group/Organization Type	PHA
	What section of the Plan was addressed by Consultation?	Public Housing Needs

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Consulted via email to complete the PHA and special needs population portion. Expected outcome is improved coordination of housing choice voucher use.
4	Agency/Group/Organization	Small Business Development Centers
	Agency/Group/Organization Type	Statewide Economic Development NPO
	What section of the Plan was addressed by Consultation?	Economic Development
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Consulted via meetings to develop and carry out disaster recovery action plan.
5	Agency/Group/Organization	Colorado Dept. of Public Safety and Emergency Management
	Agency/Group/Organization Type	Other government - State
	What section of the Plan was addressed by Consultation?	Disaster Recovery
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Consulted via meetings to develop and carry out disaster recovery action plan.
6	Agency/Group/Organization	Colorado Department of Agriculture
	Agency/Group/Organization Type	Other government - State
	What section of the Plan was addressed by Consultation?	Economic Development Disaster Recovery
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Consulted via meetings to develop and carry out disaster recovery action plan.
7	Agency/Group/Organization	Federal Emergency Management Agency
	Agency/Group/Organization Type	Other government - Federal

	What section of the Plan was addressed by Consultation?	Housing Need Assessment Market Analysis Economic Development Disaster Recovery
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Consulted via meetings to develop and carry out disaster recovery action plan.
8	Agency/Group/Organization	Arapahoe House, Inc.
	Agency/Group/Organization Type	Housing Services-Health
	What section of the Plan was addressed by Consultation?	Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Participated in consultation for the PHA plan.
9	Agency/Group/Organization	ARAPAHOE DOUGLAS MENTAL HEALTH NETWORK
	Agency/Group/Organization Type	Housing Services-Health
	What section of the Plan was addressed by Consultation?	Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Participated in consultation for the PHA plan.
10	Agency/Group/Organization	ATLANTIS COMMUNITY
	Agency/Group/Organization Type	Housing Services-Persons with Disabilities
	What section of the Plan was addressed by Consultation?	Public Housing Needs

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Participated in consultation for the PHA plan.
11	Agency/Group/Organization	AURORA MENTAL HEALTH CENTER
	Agency/Group/Organization Type	Services-Health
	What section of the Plan was addressed by Consultation?	Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Participated in consultation for the PHA plan.
12	Agency/Group/Organization	CENTER FOR DISABILITIES, INC.
	Agency/Group/Organization Type	Housing Services-Persons with Disabilities
	What section of the Plan was addressed by Consultation?	Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Participated in consultation for the PHA plan.
13	Agency/Group/Organization	Monte Vista Community Center Housing Authority
	Agency/Group/Organization Type	Housing
	What section of the Plan was addressed by Consultation?	Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Participated in consultation for the PHA plan.

14	Agency/Group/Organization	Colorado Coalition for The Homeless
	Agency/Group/Organization Type	Housing Services - Housing
	What section of the Plan was addressed by Consultation?	Public Housing Needs Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Veterans Homelessness Needs - Unaccompanied youth Homelessness Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Participated in PHA Plan consultation; consults with Homeless Programs team as lead agency for the Balance of State and Metropolitan Denver Housing Initiative Continua of Care.
15	Agency/Group/Organization	COLORADO HEALTH NETWORK DBA COLORADO AIDS PROJECT
	Agency/Group/Organization Type	Housing Services-Persons with HIV/AIDS
	What section of the Plan was addressed by Consultation?	Public Housing Needs Non-Homeless Special Needs HOPWA Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	PHA Plan consultation
16	Agency/Group/Organization	Community Reach Center, Inc.
	Agency/Group/Organization Type	PHA Services-Health

	What section of the Plan was addressed by Consultation?	Public Housing Needs Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	PHA Plan consultation
17	Agency/Group/Organization	CONNECTIONS FOR INDEPENDENT LIVING
	Agency/Group/Organization Type	Services-Elderly Persons Services-Persons with Disabilities
	What section of the Plan was addressed by Consultation?	Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	PHA Plan consultation
18	Agency/Group/Organization	DEVELOPMENTAL DISABILITIES CENTER
	Agency/Group/Organization Type	Services-Persons with Disabilities
	What section of the Plan was addressed by Consultation?	Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	PHA Plan consultation
19	Agency/Group/Organization	DEVELOPMENTAL PATHWAYS
	Agency/Group/Organization Type	Services-Persons with Disabilities
	What section of the Plan was addressed by Consultation?	Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	PHA Plan consultation

20	Agency/Group/Organization	Disabled Resource Services
	Agency/Group/Organization Type	Services-Persons with Disabilities
	What section of the Plan was addressed by Consultation?	Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	PHA Plan consultation
21	Agency/Group/Organization	Englewood Housing Authority
	Agency/Group/Organization Type	Housing PHA
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	PHA Plan consultation
22	Agency/Group/Organization	Garfield County Housing Authority
	Agency/Group/Organization Type	PHA
	What section of the Plan was addressed by Consultation?	Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	PHA Plan consultation
23	Agency/Group/Organization	A Woman's Place
	Agency/Group/Organization Type	Services - Housing Services-Victims of Domestic Violence Services-homeless

	What section of the Plan was addressed by Consultation?	Housing Need Assessment Public Housing Needs Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Unaccompanied youth Homelessness Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Consulted via survey. Outcome of consultation will provide a better understanding of needs and priorities for organizations providing services for domestic violence and homelessness.
24	Agency/Group/Organization	EAGLE COUNTY
	Agency/Group/Organization Type	PHA Other government - County
	What section of the Plan was addressed by Consultation?	Housing Need Assessment
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Consulted via survey. Improved coordination with local governments across the state.
25	Agency/Group/Organization	SAGUACHE COUNTY
	Agency/Group/Organization Type	PHA
	What section of the Plan was addressed by Consultation?	Housing Need Assessment
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Survey. Improved coordination with local governments and housing authorities across the state.

Other local/regional/state/federal planning efforts considered when preparing the Plan

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care	Colorado Coalition for the Homeless	One of our highest priority goals is eliminating homelessness through coordination with our continua of care.
Colorado Division of Housing 1-Year Plan	Colorado Division of Housing PHA CO911	The goals in the PHA plan primarily addresses housing Colorado's most vulnerable citizens, which very closely mirror the goals in our Strategic Plan.
Colorado Disaster Recovery Action Plan	Colorado Dept of Local Affairs/Colorado Recovery Office	The disaster recovery plan overlaps the Consolidated Plan in the areas of housing stock, economic development and public facilities, all of which were depleted by the floods of Sept. 2013 and by major wildfires.
Colorado Housing and Finance Authority	LIHTC Qualified Allocation Plan	The QAP overlaps with the Consolidated Plan in the area of affordable housing.
Colorado Division of Housing 5-Year Plan	Colorado Division of Housing PHA CO911	The goals in the PHA plan primarily addresses housing Colorado's most vulnerable citizens, which very closely mirror the goals in our Strategic Plan.

Table 3 - Other local / regional / federal planning efforts

Narrative

Our consultation process and increased outreach lead to a significant increase in the number of agencies we reported for this year's plan.

AP-12 Participation - 91.115, 91.300(c)

**1. Summary of citizen participation process/Efforts made to broaden citizen participation
Summarize citizen participation process and how it impacted goal-setting**

DOLA revised the Citizen Participation Plan to include better outreach practices and encourage greater citizen participation. Notice of the draft being available for comment for 30 days and notice of the public hearing were sent via email to our extended contact list from the survey section of the plan. Additionally, the notice and draft were posted on our website. Contact information was provided via a flyer encouraging citizen participation comments by phone, email, or in person. Our goal for outreach is to provide information to as many organizations and individuals in the most effective ways in order to target all necessary populations.

Expected Resources

AP-15 Expected Resources – 91.320(c)(1,2)

Introduction

DOLA receives a variety of Federal and State resources, including the HUD formula amounts shown below that help meet the State’s housing, community and economic development needs. DOLA links these resources together and combines them with funding from local jurisdictions and private sources to maximize cost efficiency and stretch the public dollar.

Other	public - state	Public Improvements Public Services Other	100,000,000	0	0	100,000,000	300,000,000	Energy and Mineral Impact Assistance Program: This competitive grant program assists communities affected by the growth and decline of energy and mineral industries in the state. Funds come from the state severance tax on energy and mineral production and from a portion of the state's share of royalties paid to the federal government for mining and drilling of minerals and mineral fuels on federally owned land
Other	public - state	Rental Assistance	23,000,000	0	0	23,000,000	69,000,000	State Housing Choice Vouchers: Funds provided by the state for housing choice vouchers

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The Division of Housing matches HOME funds with state loan funds spent on HOME eligible activities, local funding used in HOME projects, foundation funds used in HOME projects, and other HOME-eligible match sources. The state loan funds include: Colorado Housing Investment Funds (CHIF), Housing Development Grants (HDG) and Housing Development Loan Funds (HDLF).

ESG applicants must make matching contributions in an amount that equals the amount of ESG funds awarded by DOH. The matching contributions must meet all requirements that apply to the ESG funds provided by HUD. In the event that a subrecipient is unable to meet its matching requirements due to a financial hardship, it may request, in writing, an exception to this rule, with explanation of amount, nature and cause of the hardship. DOH shall consider such requests on a case by case basis.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

DOLA is not aware of any publically owned land or property that could be used to address needs identified in the plan.

Discussion

Private Activity Bonds are not funds to be awarded, but tax-exempt bonds that can be issued for specific purposes. The federal government grants annual allocations of this bonding authority to states.

DOH coordinates the use of LIHTC funds awarded by the Colorado Housing and Finance Authority (CHFA) through pipeline meetings and throughout the grant underwriting process for each proposed project. Because DOH accepts applications for the types of projects that are LIHTC eligible we are able to accomodate CHFA's funding cycle. The "pipeline" meetings include members of development staff from DOH, the Colorado Housing and Finance authority (CHFA), Mercy Housing Southwest, the USDA Rural Development, and Department of Housing and Urban Development (HUD).

During the past program year, DOH combined its funds with Low-Income Housing Tax Credits on four projects utilizing three federal funding programs, helping to create 296 housing units.

Annual Goals and Objectives

Table 6 – Goals Summary

Goal Descriptions

1	Goal Name	Increase Supply of Affordable Housing
	Goal Description	The Division of Housing (DOH) will help to increase the affordable housing supply by providing funding for construction of both rental and ownership housing that is designated to be affordable to households and individuals whose income falls below 80% of the area median. DOH will maximize funding for housing affordable to families/households at the extremely-low and very-low income levels as much as possible and still make individual projects financially sustainable. Funding will come primarily from HOME Investment Partnership funds, but CDBG funds may be used to acquire property or to cover soft costs. Other primary funding resources will include the state Housing Development Grant fund and Housing Development Loan fund, as well as the Colorado Housing Investment Fund.
2	Goal Name	Disaster Recovery
	Goal Description	This funding from the additional CDBG Disaster Recovery grants would be used to provide housing to Coloradans displaced from their homes by disasters that occurred during the 2013 flood. Disaster recovery grants will also help provide funding to meet non-housing needs created by the floods such as repair or replacement of damaged infrastructure and assistance to impacted businesses. No specific set aside has been made from our regular CDBG allocation for this purpose, but it is high on the list of priorities for this year because it is urgent and expected to occupy significant staff time and effort.
3	Goal Name	Homelessness Prevention and Alleviation
	Goal Description	One of the primary goals in the coming year is to focus on increasing access to housing units (particularly for the chronically homeless, veterans, persons with disabilities, and youth) through the continuum of housing. The Homeless Programs Team (HPT) will work towards the production of new permanent supportive housing units by providing leadership and technical assistance to local partners on the housing development process and resources. In 2014, the HPT partnered with the Colorado Housing and Finance Authority and Enterprise Community Partners to launch the “Pathways Home Supportive Housing Toolkit,” in which six communities participated in a permanent supportive housing capacity building workshop. Due to a number of interested partners statewide, the HPT will be continuing these toolkits. Not only will this work shorten the period of time that individuals and families experience homelessness, the HPT will also facilitate increased access to affordable housing units.

4	Goal Name	Preserve Existing Affordable Housing
	Goal Description	The Division of Housing (DOH) will provide funding for the acquisition and rehabilitation of affordable rental housing, especially to preserve existing affordable units as affordable, and to improve the condition of existing affordable housing stock. DOH will also fund single-family rehabilitation programs that provide low-cost loans to low/moderate income homeowners to keep their homes habitable.
5	Goal Name	Improve Public Infrastructure
	Goal Description	Help communities with the installation of public infrastructure items such as water system, sanitary sewer system and/or storm drainage system improvements that will either: 1.) remedy problems from the existing system(s) being under-sized, leaky, out of regulatory compliance or obsolete, benefiting over 51% low to moderate income persons living in the entire community or in the specific area where the improvements are made; or 2.) benefit start-up and/or expanding businesses in a community that create or retain jobs, at least 51% of which will be filled by persons of low to moderate income.
6	Goal Name	Improve Housing Affordability
	Goal Description	Activities associated with this goal reduce the cost of housing by rental assistance, down payment assistance or contributions to development costs that will ultimately reduce the cost to the consumer, such as subsidies for Habitat for Humanity housing or land trust housing.
7	Goal Name	Community Development and Capital Improvement
	Goal Description	Provide financial assistance to rural communities to implement community development and capital improvement activities. Includes acquisition of property (to be used for public facilities), and construction or reconstruction of public facilities that primarily benefit low/moderate income persons.
8	Goal Name	Support Small Business Development
	Goal Description	Provide assistance to small businesses to start or expand their operations, and partner with local banks to fill gaps in financing packages so that 51% of jobs created or retained are filled by persons of low to moderate income.

9	Goal Name	Affirmatively Further Fair Housing
	Goal Description	The Department of Local Affairs will affirmatively further fair housing in the current year by continuing the Fair Housing Training Series presented last year. This year we will continue our efforts by presenting a series of fair housing workshops around the state intended to educate property managers, PHA staff and others on disability-related fair housing requirements. In addition, DOLA will improve its outreach to Limited English Proficiency (LEP) Spanish speakers, and continuing to integrate fair housing considerations into its grant and award processes. Members of the disabilities community, Black/African American racial group, Hispanic/Latino ethnic group, female-headed households, are disproportionately represented among the low to extremely low income population, and therefore most at risk for high cost burden, low quality housing, and even homelessness. Consequently, they have the greatest needs for decent, affordable, and accessible housing.
10	Goal Name	Build Housing Non-Profit Capacity
	Goal Description	This goal includes CHDO operating funding for pre-development and capacity building, resulting in the production of housing units, down payment assistance loans or rehabilitation loans within two years.
11	Goal Name	Build Local Government Capacity
	Goal Description	Increase the capacity of local governments to administer federal grants that facilitate the development of sustainable communities through training classes offered by the Department of Local Affairs, Division of Local Government. Accomplishments will be measured by the number of local governments which participate in the training.

Table 7 – Goal Descriptions

AP-25 Allocation Priorities – 91.320(d)

Introduction

The table below represents an estimate of the percentage of each type of funding DOLA anticipates using for each of our goals. Actual awards and expenditures may differ from this since the methods of allocation for CDBG and HOME are based on competitive processes.

Funding Allocation Priorities

	Increase Supply of Affordable Housing (%)	Disaster Recovery (%)	Homelessness Prevention and Alleviation (%)	Preserve Existing Affordable Housing (%)	Improve Public Infrastructure (%)	Improve Housing Affordability (%)	Community Development and Capital Improvement (%)	Support Small Business Development (%)	Affirmatively Further Fair Housing (%)	Build Housing Non-Profit Capacity (%)	Build Local Government Capacity (%)
CDBG	15	0	0	10	23	12	17	23	0	0	0
HOME	45	0	0	40	0	10	0	0	0	5	0
HOPWA	100	0	0	0	0	0	0	0	0	0	0
ESG	0	0	100	0	0	0	0	0	0	0	0
Continuum of Care	0	0	100	0	0	0	0	0	0	0	0
General Fund	50	0	0	50	0	0	0	0	0	0	0
Section 811	0	0	0	0	0	100	0	0	0	0	0
Supportive Housing Program	0	0	0	0	0	100	0	0	0	0	0
Other CDBG-DR	0	100	0	0	0	0	0	0	0	0	0

Other Colorado Housing Investment Fund	0	0	0	100	0	0	0	0	0	0	0
Other Energy and Mineral Impact Assistance Program	0	0	0	0	100	0	0	0	0	0	0
Other HCV Program	0	0	0	0	0	100	0	0	0	0	0
Other Limited Gaming Impact Program	0	0	0	0	50	0	50	0	0	0	0
Other NSP-1 Program Income	50	0	0	50	0	0	0	0	0	0	0
Other Private Activity Bond Allocation	75	0	0	25	0	0	0	0	0	0	0
Other State Housing Choice Vouchers	0	0	0	0	0	100	0	0	0	0	0

Table 8 – Funding Allocation Priorities

Reason for Allocation Priorities

Some allocations above are clear - for example, Emergency Solutions Grant funding is specifically for preventing homelessness and assisting and rehousing the homeless. The exact allocation priorities of the other resources is very difficult to determine. It will depend on the types of projects for which DOLA receives applications and the specific features of a project will determine which funding source is most suitable

How will the proposed distribution of funds will address the priority needs and specific objectives described in the Consolidated Plan?

Funding will be directed toward the projects that best fit each program's statutory and regulatory requirements and meet the needs of local communities for economic development, public infrastructure, facilities and services, and housing for those least able to afford it. One of the ways in which the funding allocation will address priority needs is demonstrated by funding for Preventing and Eliminating Homelessness. This need will receive all of the resources from the ESG Program, the Continuum of Care funding, and the state Homelessness Prevention Activities fund; 25% each of HOME funding and State HDG funding. In addition, some of the Permanent Supportive Housing will be designated for the homeless, chronically homeless, and homeless veterans.

AP-30 Methods of Distribution – 91.320(d)&(k)

Introduction

Within the Colorado Department of Local Affairs, the Division of Housing administers the State of Colorado's allocation of HOME Investment Partnership (HOME), Emergency Solutions Grants (ESG) and Housing Opportunities for Persons with AIDS (HOPWA) funds, while the Division of Local Government is the lead agency administering Community Development Block Grant (CDBG) funds.

The Department of Local Affairs splits its annual allocation of Non-Entitlement CDBG funds into 3 equal portions once funds are taken out for administration. Each portions represents Housing, Public Facilities or Economic Development. The Division of Housing administers CDBG Housing funds, the Division of Local Government administers CDBG Public Facility Funds and the Governor's Office of Economic Development and International Trade administers Economic Development CDBG Funds. Generally, if there are available funds in any one portion after a reasonable length of time, and there is a high demand in another area, these funds may be re-assigned in order to address the demands of the local communities. DOLA will distribute CDBG resources through a competitive process to eligible non-entitlement local governments through the divisions who administer these programs.

Distribution Methods

Table 9 - Distribution Methods by State Program

1	State Program Name:	Community Housing Development Organization Operating Grants
	Funding Sources:	HOME
	Describe the state program addressed by the Method of Distribution.	Certified Community Housing Development Organizations (CHDOs) apply to the Division of Housing (DOH) once a year on September 1st for operating funds. Applications for pre-development loans are taken anytime during the year. Colorado DOH Development Specialists review the requests and simultaneously review documentation submitted to re-certify the agency as a CHDO.

<p>Describe all of the criteria that will be used to select applications and the relative importance of these criteria.</p>	<p>Agencies provide copies of their articles, bylaws, Board of Directors names and sector representing, staff bios, business plan, financial stats, letters of local funding match (for entitlement areas), and memorandum of understanding with DOH to begin construction on new development within 24 months. Developers also review CHDO's progress on previously identified projects.</p>
<p>If only summary criteria were described, how can potential applicants access application manuals or other state publications describing the application criteria? (CDBG only)</p>	<p>N/A</p>
<p>Describe the process for awarding funds to state recipients and how the state will make its allocation available to units of general local government, and non-profit organizations, including community and faith-based organizations. (ESG only)</p>	<p>N/A</p>

<p>Identify the method of selecting project sponsors (including providing full access to grassroots faith-based and other community-based organizations). (HOPWA only)</p>	<p>N/A</p>
<p>Describe how resources will be allocated among funding categories.</p>	<p>CHDO operating funds are generally awarded to all agencies meeting the threshold requirements and demonstrating capacity to complete projects identified in their business plan. Agencies in rural areas without local contribution are prioritized based on staff review of need for funding.</p>
<p>Describe threshold factors and grant size limits.</p>	<p>Successful completion of previously identified projects is required. A business plan identifying new development or acquisition activities is required. Because of the number of CHDOs requesting operating funds, grants are generally \$20,000-\$50,000 per agency.</p>

	<p>What are the outcome measures expected as a result of the method of distribution?</p>	<p>DOH expects all CHDOs receiving operating funds to increase the number of affordable housing units through acquisition of existing market rate housing and restricting them to low/moderate income households or in creating new affordable units.</p>
2	<p>State Program Name:</p>	<p>Economic Development</p>
	<p>Funding Sources:</p>	<p>CDBG</p>
	<p>Describe the state program addressed by the Method of Distribution.</p>	<p>The economic development use of CDBG funds is administered by the Governor's Office of Economic Development and International Trade (OEDIT), and receives a one-third share of Colorado's annual non-entitlement CDBG allocation. OEDIT will accept and consider business development proposals that involve providing financial assistance to private for-profit and non-profit businesses (except for financing for community development proposals) on a continuous basis. Such proposals include those that would provide funding through local or regional loan funds, infrastructure to benefit specific businesses, and feasibility/planning studies to benefit specific businesses.</p>

Describe all of the criteria that will be used to select applications and the relative importance of these criteria.

Final funding decisions are made by the Governor's Financial Review Committee and applications are considered on a continual basis until all funds are awarded. Because housing, public facility and economic development projects are administered by separate divisions, the application review and award process is different for all. However, all CDBG applications are reviewed for the following: Applicant Eligibility, Eligible Activity, National Objective Eligibility, Priority within the Consolidated Plan, the project's benefit to low and moderate income persons or households, Demonstrated Need, Project Implementation and Sustainability, number and economic status of individuals affected by the need, Level of Urgency, project's Readiness to Go, and Management Capacity.

Other review criteria include:

- Consistency with local development strategies and coordination with other activities;
- Public and Private Commitments; value and the viability of those commitments; Level of local commitment; communities are strongly encouraged to take primary responsibility for resolving their public facilities problems. In specific projects, this may involve making financial commitments; adjusting development regulations, user rates and fees, and capital construction and maintenance programs; creating improvement districts; establishing development and redevelopment authorities; and generally sharing in or leveraging funds and management for development and redevelopment
- Management Capability - the ability of the local government submitting the proposal to administer the project as described either through their own staff or contractors.
- Budget - DOLA staff will compare administrative and other costs with those of other similar proposals. Are the proposed administration and overall project budgets adequate, reasonable and realistic given the project work plan?
- Statutory and Regulatory Compliance - Does the proposed project involve or result in residential displacement? Is there a plan to replace all low/moderate income housing demolished or converted, and to assist persons being relocated? Does the proposed project involve real property acquisition or relocation of any persons or businesses? Does it trigger Uniform Relocation Act requirements? Are cost and time requirement estimates reasonable? Are estimated labor wage costs reasonable? Is the project subject to Davis-Bacon prevailing wage requirements? Is the proposed project in a floodplain or geological hazard area, or does it affect cultural or historic resources? Are there other environmental considerations?

For economic development projects that involve grants or business loan funds or loan guarantees:

<p>If only summary criteria were described, how can potential applicants access application manuals or other state publications describing the application criteria? (CDBG only)</p>	<p>Additional information can be accessed through the website and Colorado's CDBG Guidebook also posted on the web.</p>
<p>Describe the process for awarding funds to state recipients and how the state will make its allocation available to units of general local government, and non-profit organizations, including community and faith-based organizations. (ESG only)</p>	<p>N/A</p>
<p>Identify the method of selecting project sponsors (including providing full access to grassroots faith-based and other community-based organizations). (HOPWA only)</p>	<p>N/A</p>

	<p>Describe how resources will be allocated among funding categories.</p>	<p>Colorado Governor's Office of Economic Development and International Trade (OEDIT) will accept and consider business development proposals that involve providing financial assistance to private for-profit and non-profit businesses (except for financing for community development proposals) on a continuous basis. Such proposals include those that would provide:</p> <ul style="list-style-type: none"> • Funding through local or regional loan funds • Infrastructure to benefit specific businesses and Feasibility/planning studies to benefit specific businesses.
	<p>Describe threshold factors and grant size limits.</p>	<p>There are no minimum or maximum grant size limits for economic development.</p>
	<p>What are the outcome measures expected as a result of the method of distribution?</p>	<p>To the extent that CDBG funds are allocated and available, Colorado's rural local government priorities will be addressed, particularly those with low to moderate income populations. This method of distribution will provide economic opportunity to help create sustainable communities.</p>
<p>3</p>	<p>State Program Name:</p>	<p>Emergency Solutions Grants</p>

Funding Sources:	ESG
Describe the state program addressed by the Method of Distribution.	Emergency Solutions Grants (ESG) funds provide grants by formula to States, metropolitan cities, urban counties and U.S. territories for eligible activities. The funds can be used to provide a wide range of services and supports under the five program components: street outreach, emergency shelter, rapid rehousing, homelessness prevention, and HMIS.
Describe all of the criteria that will be used to select applications and the relative importance of these criteria.	The criteria used to select applications and the relative importance of these criteria can be found on the scoring sheets used as our method of distribution for this program. The questions listed on the scoring sheet include, but are not limited to: location, match requirement, existing agency's reporting history, application content, agency capacity, and HUD performance standards and outcomes.
If only summary criteria were described, how can potential applicants access application manuals or other state publications describing the application criteria? (CDBG only)	N/A

<p>Describe the process for awarding funds to state recipients and how the state will make its allocation available to units of general local government, and non-profit organizations, including community and faith-based organizations. (ESG only)</p>	<p>The request for proposal is completed once per year and is listed in the <i>Denver Post</i> as well as the Division of Housing website to make its allocation available to the various agencies. Funds are awarded to state recipients using the scoring sheet system described above, followed by a review and recommendation of the Asset Manager, Deputy Director/Housing Programs Manager, and Director. Many of the applicants are continuing programs and agencies who Division of Housing has worked with in previous years.</p>
<p>Identify the method of selecting project sponsors (including providing full access to grassroots faith-based and other community-based organizations). (HOPWA only)</p>	<p>N/A</p>
<p>Describe how resources will be allocated among funding categories.</p>	<p>The five funding categories used to allocate resources are street outreach, emergency shelter, rapid rehousing, homelessness prevention, and HMIS. Each of the five categories have corresponding ESG activities and eligible costs provided by U.S. Department of Housing and Urban Development. Resources are allocated among funding categories using the ESG program regulations, eligible costs, and program requirements.</p>

	<p>Describe threshold factors and grant size limits.</p>	<p>The exact funding amount provided fir ESG varies each year. Once an amount is allocated to Division of Housing, the number and amount of grants to be awarded is determined. There is not a grant size limit, however our average grant size is approximately \$15,000 per grantee. Because many of our applicants are continuing programs from agencies we have worked with previously, most of the applications request the same or similar amounts as the years prior. We are able to adjust the threshold factors and grant size limits based on the number of returning and new applications we get each year compared to the funding provided.</p>
	<p>What are the outcome measures expected as a result of the method of distribution?</p>	<p>Emergency Solutions Grant funds used to support emergency shelters create available suitable living environments for the homeless; those used for homelessness prevention help to provide affordability for decent affordable housing; funds used for rapid re-housing make decent affordable housing available or accessible.</p>
4	<p>State Program Name:</p>	<p>Homeownership Down Payment Assistance/Equity Sharing</p>
	<p>Funding Sources:</p>	<p>CDBG HOME</p>

<p>Describe the state program addressed by the Method of Distribution.</p>	<p>Funded with HOME or CDBG, Division of Housing (DOH) provides grant funds to regional housing organizations to provide down payment assistance loans to low and moderate-income families. These loans are set at a low interest rate and can be amortized or deferred depending upon the need of the family. When loan repayment is received, the housing agency places the payment into a revolving loan fund. The primary goals of the down payment assistance program are to:</p> <ul style="list-style-type: none"> • Provide opportunities for low and moderate-income Coloradans to purchase their own homes; • Increase the number of homeowners in the regional housing organization's service area; • Create and maintain a regional revolving loan fund to assist future families with Down Payment Assistance; • Enhance neighborhoods and communities; and, • Provide stability for families and achieve lower foreclosure rates by requiring pre-homeownership counseling. <p>Annual follow-up with families is highly recommended, as well as foreclosure prevention through pre-homeownership counseling.</p>
---	---

<p>Describe all of the criteria that will be used to select applications and the relative importance of these criteria.</p>	<p>Applications are accepted once per year. Review criteria may include, but are not limited to the following:</p> <ul style="list-style-type: none"> • The need for the program; • Program sustainability; • Financial, administrative, and management capacity of the applicant; • Geographic coverage; • Applicant's past performance as a grantee of the state; • Application thresholds; • Administrative fees; • Cost effectiveness; • Cost containment guidance; • Cost ranges. <p>Regional field and program staff review each application and reach a consensus on a recommended level of funding based on underwriting. The Housing Development Specialist is responsible for underwriting the program to assess the need for funding. The Development Specialist prepares a Pro/Con document for each submitted application. The Pro/Con is designed to provide information in an objective format to assist staff and the State Housing Board in making a funding recommendation. The staff forwards the results of its review to the Executive Director of the Department of Local Affairs, who may consult with the State Housing Board or other advisory groups on the proposal. DOH accepts applications once a year for the competitive application cycle that allows for the direct comparison of programs to ensure funding goes to the applications with the best merits.</p>
--	---

<p>If only summary criteria were described, how can potential applicants access application manuals or other state publications describing the application criteria? (CDBG only)</p>	<p>All potential applicants are able to access application instructions, CDBG guidebook, Revolving Loan Fund Program Guidelines, and other state publications describing the application criteria on the Division of Housing website: https://www.colorado.gov/dola</p>
<p>Describe the process for awarding funds to state recipients and how the state will make its allocation available to units of general local government, and non-profit organizations, including community and faith-based organizations. (ESG only)</p>	<p>N/A</p>
<p>Identify the method of selecting project sponsors (including providing full access to grassroots faith-based and other community-based organizations). (HOPWA only)</p>	<p>N/A</p>

<p>Describe how resources will be allocated among funding categories.</p>	<p>Revolving Loan Fund or recycled HOME program income Homeownership Programs for single-family owner-occupied homes loan funds to the homeowner for down payment assistance. The funds are retained by the local agency operating the program and are re-lent to new homebuyers. Additional information can be found in the Revolving Loan Fund Program Guidelines.</p> <p>Recommendations on resource allocation among funding categories are determined following the application criteria reviews described above. An underwriting process reviews whether the program is feasible and necessary based on the type, location, and ability of the agency to carry out its proposal. Recommendations range from full funding, low to high partial funding, or no funding based on underwriting. Division of Housing determines which funding will be utilized for each project and program by following HUD and funding source regulations, and by availability of funds.</p>
<p>Describe threshold factors and grant size limits.</p>	<p>Each proposed RLF or recycled HOME program income program is evaluated using the Division of Housing evaluation criteria which are detailed in its application instructions.</p> <p>There are no grant size limits for Homeownership DPA. However, in 2014 our average DPA award was \$200,000 with a total of \$2,000,000. Our awarded amounts ranged from \$32,000 to \$343,000. In 2015, our average award was \$150,000 with a total in federal funds awarded to DPA programs of \$730,000. Our award amounts ranged from \$24,000 to \$432,000.</p>
<p>What are the outcome measures expected as a result of the method of distribution?</p>	<p>The outcome measures expected for this RLF program are improved affordability of decent housing.</p>

5	State Program Name:	Housing Opportunities for Persons with AIDS (HOPWA)
	Funding Sources:	HOPWA
	Describe the state program addressed by the Method of Distribution.	The resources of the HOPWA program are granted to Colorado AIDS Project (CAP), an umbrella organization that serves the balance of state outside the Denver Metro Area. CAP distributes funds through its regional offices: Southern Colorado AIDS Project, Western Colorado AIDS Project and Northern Colorado AIDS Project. CAP also enters into a memorandum of understanding with Boulder County AIDS Project to provide tenant-based rental assistance and supportive services in Boulder County. Funds are allocation on the basis of the number of people living with HIV/AIDS in each catchment area as well as the ability to use the funds timely.
	Describe all of the criteria that will be used to select applications and the relative importance of these criteria.	The critical criterion is the ability of the organization to effectively fund and provide services to people living with HIV/AIDS throughout the balance of state. Only one organization, Colorado AIDS Project, has this capacity.
	If only summary criteria were described, how can potential applicants access application manuals or other state publications describing the application criteria? (CDBG only)	N/A

<p>Describe the process for awarding funds to state recipients and how the state will make its allocation available to units of general local government, and non-profit organizations, including community and faith-based organizations. (ESG only)</p>	<p>N/A</p>
<p>Identify the method of selecting project sponsors (including providing full access to grassroots faith-based and other community-based organizations). (HOPWA only)</p>	<p>The Balance of State HOPWA program was designed in partnership with Colorado AIDS project, and there are no other organizations in the state capable of providing the same level of specialized services for people living with HIV/AIDS. CAP is a grassroots, community-based organization for serving people living with HIV/AIDS that existed prior to the creation of the HOPWA program. It is not, however, faith based.</p>
<p>Describe how resources will be allocated among funding categories.</p>	<p>As required by 24 CFR 574.300, 3% of the grant is allocated to the State's administrative costs; the remaining funds are granted to Colorado AIDS project. Under the regulations they may use up to 7% of the amount they receive for administrative costs. Remaining funds are distributed between rental assistance and supportive services and each regional office receives an amount consistent with the number of people living with HIV/AIDS in their service area with consideration to their ability to use the funds in a timely manner.</p>

	<p>Describe threshold factors and grant size limits.</p>	<p>The grant size is limited by the amount of funding available under each annual HOPWA allocation.</p>
	<p>What are the outcome measures expected as a result of the method of distribution?</p>	<p>Decent affordable housing and supportive housing services will be made available/accessible to low-income persons living with HIV/AIDs in the State of Colorado outside of the Denver Metro Eligible Metropolitan Statistical Area (EMSA).</p>
6	<p>State Program Name:</p>	<p>Public Facilities</p>
	<p>Funding Sources:</p>	<p>CDBG</p>
	<p>Describe the state program addressed by the Method of Distribution.</p>	<p>This state program funds improvements in public infrastructure, such as water and sewer or drainage systems, and public facilities like day care centers or hospitals.</p>

<p>Describe all of the criteria that will be used to select applications and the relative importance of these criteria.</p>	<p>Final funding decisions are made by the Executive Director of the Colorado Department of Local Affairs with input from Division of Local Government Management and Regional staff. All CDBG applications are reviewed for the following: Applicant Eligibility, Eligible Activity, National Objective, Priority within the Consolidated Plan, the project's benefit to low and moderate income persons or households, Demonstrated Need, Project Implementation and Sustainability, number and economic status of individuals affected by the need, Level of Urgency, Project's Readiness to Go, and Management Capacity.</p> <p>Other review criteria include:</p> <ul style="list-style-type: none"> • Consistency with local development strategies and coordination with other activities; • Public and Private Commitments; value and the viability of those commitments; Level of local commitment; communities are strongly encouraged to take primary responsibility for resolving their public facilities problems. In specific projects, this may involve making financial commitments; adjusting development regulations, user rates and fees, and capital construction and maintenance programs; creating improvement districts; establishing development and redevelopment authorities; and generally sharing in or leveraging funds and management for development and redevelopment • Management Capability - the ability of the local government submitting the proposal to administer the project as described either through their own staff or contractors. • Budget - DOLA staff will compare administrative and other costs with those of other similar proposals. Are the proposed administration and overall project budgets adequate, reasonable and realistic given the project work plan? <p>Statutory and Regulatory Compliance - Does the proposed project involve or result in residential displacement? Is there a plan to replace all low/moderate income housing demolished or converted, and to assist persons being relocated? Does the proposed project involve real property acquisition or relocation of any persons or businesses? Does it trigger Uniform Relocation Act requirements? Are cost and time requirement estimates reasonable? Are estimated labor wage costs reasonable? Is the project subject to Davis-Bacon prevailing wage requirements? Is the proposed project in a floodplain or geological hazard area, or does it affect cultural or historic resources? Are there other environmental considerations?</p>
--	--

<p>If only summary criteria were described, how can potential applicants access application manuals or other state publications describing the application criteria? (CDBG only)</p>	<p>The State will continue a coordinated technical assistance program to assist communities with CDBG project management and project formulation and planning, particularly in coordination with State programs such as Impact grants, housing grants and loans, and economic development funds. The State will target special project management technical assistance to communities that have never administered a CDBG grant, and to those that have experienced or are experiencing difficulty in administering a CDBG grant. Project formulation and planning assistance will be targeted to communities that need more long-term technical assistance to prepare for CDBG or other State funding in the future, and that have committed to undertake overall development and maintenance planning and budgeting efforts.</p> <p>To provide consistent guidance to CDBG recipients, the Department of Local Affairs will have a CDBG staff specialist. State technical assistance may be in the form of personal contact with local government officials and staff, workshops, brokering assistance from private or local public sources, and documents and materials. Staff members have prepared a CDBG Guidebook that is available online at: www.dola.state.co.us/LGS/FA/cdbg.htm.</p> <p>The Guidebook contains information on Project Start-up, Financial Management, Reporting, Environmental Review, Civil Rights, Acquisition, Relocation, Labor and Construction, Project Close-Out, and Monitoring. All sections are available in PDF or Word format. DOLA also gives this Guidebook to grantees in hard copy at the time of award.</p>
---	---

<p>Describe the process for awarding funds to state recipients and how the state will make its allocation available to units of general local government, and non-profit organizations, including community and faith-based organizations. (ESG only)</p>	<p>N/A</p>
<p>Identify the method of selecting project sponsors (including providing full access to grassroots faith-based and other community-based organizations). (HOPWA only)</p>	<p>N/A</p>
<p>Describe how resources will be allocated among funding categories.</p>	<p>For public facilities or community development projects, there is no breakdown among funding categories. Funding is subject to local government’s applications and eligibility requirements.</p>

	<p>Describe threshold factors and grant size limits.</p>	<p>The department suggests that \$600,000 be considered the maximum grant guideline for public facility or community development projects, however, if a local government demonstrates a significant health and/or safety need and is unable to find other funding, the department may consider increasing this maximum. Applications are reviewed through funding cycles that are announced on the web and made known through state associations. Typically, only one cycle is held per year. Additional cycles may be announced if sufficient funds remain.</p>
	<p>What are the outcome measures expected as a result of the method of distribution?</p>	<p>To the extent that CDBG funds are allocated and available, Colorado's rural local government priorities will be addressed, particularly those with low to moderate income populations.</p>
7	<p>State Program Name:</p>	<p>Single-Family Owner-Occupied Rehabilitation/Home Modification</p>
	<p>Funding Sources:</p>	<p>CDBG HOME</p>

<p>Describe the state program addressed by the Method of Distribution.</p>	<p>Single-Family Owner-Occupied Rehabilitation (SFOO): Division of Housing (DOH) provides grant funds to regional housing organizations throughout the state to provide SFOO Housing Rehabilitation or emergency repair loans to low and moderate-income families. Similar to the Down Payment Assistance Program, these loans are set at a low interest rate and can be amortized or deferred depending upon the need of the family. When loan repayment is received, the housing agency places the payment into a revolving loan fund. These funds are then recycled back into the community to provide additional housing rehabilitation. The primary goals of the SFOO Rehab program are to:</p> <ul style="list-style-type: none"> • Preserve, enhance, and maintain affordable housing stock through repair and renovation within the community; • Protect the health and safety of the occupants through the correction of housing hazards; • Assist homeowners in improving the condition of their homes; • Allow homeowners to stay in their homes and not be forced to move due to a lack of accessibility; • Assist homeowners to improve their home’s energy efficiency; • Create and maintain regional revolving loan funds to assist with future housing rehabilitation projects; and • Develop and sustain a network of local contractors to complete housing repairs and renovations.
---	--

<p>Describe all of the criteria that will be used to select applications and the relative importance of these criteria.</p>	<p>Applications are accepted once per year. Review criteria may include, but are not limited to, the following:</p> <ul style="list-style-type: none"> • The need for the program; • Program sustainability; • Financial, administrative, and management capacity of the applicant; • Geographic coverage; • Applicant's past performance as a grantee of the state; • Application thresholds; • Administrative fees; • Cost effectiveness; • Cost containment guidance; • Cost ranges. <p>Regional field and program staff review each application and reach a consensus on a recommended level of funding based on underwriting. The Housing Development Specialist is responsible for underwriting the program to assess the need for funding. The Development Specialist prepares a Pro/Con document for each submitted application. The Pro/Con is designed to provide information in an objective format to assist staff and the State Housing Board in making a funding recommendation. The staff forwards the results of its review to the Executive Director of the Department of Local Affairs, who may consult with the State Housing Board or other advisory groups on the proposal. The Division of Housing accepts applications once a year for the competitive application cycle that allows for the direct comparison of programs to ensure funding goes to the projects with the best merits.</p>
--	--

<p>If only summary criteria were described, how can potential applicants access application manuals or other state publications describing the application criteria? (CDBG only)</p>	<p>All potential applicants are able to access application instructions, CDBG guidebook, and other state publications describing the application criteria on the Division of Housing website: www.Colorado.gov/DOLA.</p>
<p>Describe the process for awarding funds to state recipients and how the state will make its allocation available to units of general local government, and non-profit organizations, including community and faith-based organizations. (ESG only)</p>	<p>N/A</p>
<p>Identify the method of selecting project sponsors (including providing full access to grassroots faith-based and other community-based organizations). (HOPWA only)</p>	<p>N/A</p>

<p>Describe how resources will be allocated among funding categories.</p>	<p>Recommendations on how resources will be allocated among funding categories are determined following the application reviews described above. An underwriting process reviews whether the program is feasible and necessary based on the type, location, and ability of the agency to carryout its proposal. Recommendations range from full funding, low to high partial funding, or no funding based on underwriting. Division of Housing determines which funding will be used for each project and program by following HUD and funding source regulations, and by availability of funds.</p>
<p>Describe threshold factors and grant size limits.</p>	<p>Each proposed rehab program is evaluated using the Division of Housing evaluation criteria which are detailed in its application instructions.</p> <p>We do not have a threshold factors or grant size limits for SFOO. In 2014, our average awarded amount was \$226,689 with a range of \$39,000 and \$509,000. We awarded a total amount for SFOO of \$1,586,825. In 2015, our average awarded amount was \$273,000 with a range of \$93,000 to \$534,000. Our total amount awarded was \$2,000,000.</p>
<p>What are the outcome measures expected as a result of the method of distribution?</p>	<p>The outcome of these rehab programs is expected to be improved availability/accessibility of decent affordable housing that meets the needs of its occupants.</p>
<p>8 State Program Name:</p>	<p>Tenant Based Rental Assistance</p>

Funding Sources:	HOME
Describe the state program addressed by the Method of Distribution.	<p>Tenant Based Rental Assistance (TBRA) is a HOME program supporting two Division of Housing (DOH) programs to assist:</p> <ol style="list-style-type: none"> 1. Homeless families in need of housing; and, 2. Assist households moving from institutions. <p>This program current assists homeless families identified by the Department of Education and individuals being released from institutions by:</p> <ul style="list-style-type: none"> • Providing temporary housing assistance that allows participants to stabilize their lives; • Providing case management to assist participants in obtaining long term housing; • Stabilizing participants and helping them move past multiple issues in their lives including limited job skills and/or lack of problem solving ability, evictions and poor credit; and, • Providing opportunities with responsibility to participate <p>Participants are expected to apply for Section 8 (rental assistance, or obtain an affordable unit, e.g. Low-Incomes Housing Tax Credit, other subsidized unit or other housing assistance);</p> <p>Participants are expected to work with a case manager and complete case management goals to secure long term housing.</p>

<p>Describe all of the criteria that will be used to select applications and the relative importance of these criteria.</p>	<p>Applications are accepted by the first of every month throughout the year. Review criteria may include but are not limited to the following:</p> <ul style="list-style-type: none"> • Project need; • Project sustainability; • Financial, administrative, and management capacity of the applicant; • Geographic coverage; • Applicant's past performance as a grantee of the state; • Cost effectiveness; and, • Cost containment guidance. <p>Regional field and program staff review each application and reach a consensus on a recommended level of funding based on underwriting. The Housing Development Specialist is responsible for underwriting the program to assess the need for funding. The Development Specialist prepares a Pro/Con document for each submitted application. The Pro/Con is designed to provide information in an objective format to assist staff and the State Housing Board in making a funding recommendation. The staff forwards the results of its review to the Executive Director of the Department of Local Affairs, who may consult with the State Housing Board or other advisory groups on the proposal. The Division of Housing accepts applications monthly for this.</p>
<p>If only summary criteria were described, how can potential applicants access application manuals or other state publications describing the application criteria? (CDBG only)</p>	<p>N/A</p>

<p>Describe the process for awarding funds to state recipients and how the state will make its allocation available to units of general local government, and non-profit organizations, including community and faith-based organizations. (ESG only)</p>	<p>N/A</p>
<p>Identify the method of selecting project sponsors (including providing full access to grassroots faith-based and other community-based organizations). (HOPWA only)</p>	<p>N/A</p>
<p>Describe how resources will be allocated among funding categories.</p>	<p>Recommendations on how resources will be allocated among funding categories are determined following the application reviews described above. An underwriting process reviews whether the program is feasible and necessary based on the type, location, and ability of the agency to carryout its proposal. Recommendations range from full funding, low to high partial funding, or no funding based on underwriting. Division of Housing determines which funding will be used for each project and program by following HUD and funding source regulations, and by availability of funds.</p>

<p>Describe threshold factors and grant size limits.</p>	<p>The working policy has always been a program size of no more than 30 families for TBRA grants. This translates into different funding amounts because each market has different rent characteristics. With the current RFA, CDOH has capped total funding available for TBRA programs to \$1MM in the first 12 months of a contract.</p>
<p>What are the outcome measures expected as a result of the method of distribution?</p>	<p>The outcome of these programs is expected to be improved affordability of decent housing.</p>

Discussion

All methods of distribution are designed to meet specific program requirements and to ensure the most effective use of the funds by incorporating competitive processes in the HOME, CDBG, HOPWA, and ESG distribution.

AP-35 Projects – (Optional)

Introduction

These are the projects that will be used to carry out the Annual Action Plan for 2016-2017, consistent with the needs and goals established in the 5-year Consolidated Plan. They will be used to meet the needs addressed in this plan through the goals spelled out in part AP-20. Each project may be applicable to more than one goal and help to meet more than one priority need.

#	Project Name
1	Rental New Construction
2	Permanent Supportive Housing
3	Tenant -Based Rental Assistance for People with Special Needs
4	Homeowner-Single-Family Owner-Occupied Rehab
5	Rental Rehabilitation
6	Homeownership New Development
7	Rental Acquisition and Rehabilitation
8	Homeownership Assistance
9	Ownership Housing-Land Trusts
10	CHDO Operating

Table 10 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Rental New Construction is the top priority due to the increasing cost of rent in the most populous parts of Colorado. Permanent Supportive Housing is a sub-category of additional affordable housing designed to meet the needs of a population that is highly vulnerable to homelessness. Single-family owner-occupied rehab, rental rehabilitation and rental acquisition and rehabilitation all support the need to preserve existing affordable housing. Tenant based rental assistance and homeownership assistance are both programs for making existing housing more affordable to individual households.

AP-38 Project Summary

Project Summary Information

Table 11 – Project Summary

1	Project Name	Rental New Construction
	Target Area	State of Colorado
	Goals Supported	Increase Supply of Affordable Housing
	Needs Addressed	Additional Affordable Housing
	Funding	:
	Description	This project will fund activities that create new affordable rental housing that is not specific to the homeless or special needs populations.
	Target Date	3/31/2020
	Estimate the number and type of families that will benefit from the proposed activities	Low and moderate income families.
	Location Description	Statewide based on competitive application process
	Planned Activities	Rental new construction
2	Project Name	Permanent Supportive Housing
	Target Area	State of Colorado
	Goals Supported	Increase Supply of Affordable Housing Homelessness Prevention and Alleviation Affirmatively Further Fair Housing

	Needs Addressed	Additional Affordable Housing Housing and Assistance for the Homeless Affirmatively Further Fair Housing
	Funding	:
	Description	This project will fund activities that we build or rehabilitate housing to be used as permanent supportive housing for the homeless or for people with special needs. It is an integral part of the goal of increasing the amount of affordable housing.
	Target Date	3/31/2020
	Estimate the number and type of families that will benefit from the proposed activities	
	Location Description	Statewide based on competitive application process
	Planned Activities	Permanent supportive housing
3	Project Name	Tenant -Based Rental Assistance for People with Special Needs
	Target Area	State of Colorado
	Goals Supported	Improve Housing Affordability
	Needs Addressed	Housing and Assistance for the Homeless
	Funding	:
	Description	Provide rental assistance for people with disabilities, the elderly, homeless families with school-aged children, and ex-offenders released as homeless.
	Target Date	3/31/2020
	Estimate the number and type of families that will benefit from the proposed activities	

	Location Description	
	Planned Activities	
4	Project Name	Homeowner-Single-Family Owner-Occupied Rehab
	Target Area	State of Colorado
	Goals Supported	Preserve Existing Affordable Housing
	Needs Addressed	Acquire and Preserve Affordable Housing Stock.
	Funding	:
	Description	Provide funding to allow local governments and 105(a)(15) entities to make low-interest loans to low and moderate income households for necessary repairs and rehabilitation to their homes.
	Target Date	3/31/2020
	Estimate the number and type of families that will benefit from the proposed activities	120 low/moderate income families of all types
	Location Description	Statewide
	Planned Activities	
5	Project Name	Rental Rehabilitation
	Target Area	State of Colorado
	Goals Supported	Preserve Existing Affordable Housing
	Needs Addressed	Acquire and Preserve Affordable Housing Stock.
	Funding	:
	Description	Preserve the supply of affordable rental housing through rehabilitation needed for health or safety and to keep the properties marketable.

	Target Date	3/31/2020
	Estimate the number and type of families that will benefit from the proposed activities	400
	Location Description	Statewide based on competitive application process
	Planned Activities	
6	Project Name	Homeownership New Development
	Target Area	State of Colorado
	Goals Supported	Increase Supply of Affordable Housing
	Needs Addressed	Additional Affordable Housing
	Funding	:
	Description	This project will fund activities that help create new affordable single-family homes.
	Target Date	3/31/2020
	Estimate the number and type of families that will benefit from the proposed activities	60 families at or below 60% AMI
	Location Description	Statewide
	Planned Activities	
7	Project Name	Rental Acquisition and Rehabilitation
	Target Area	State of Colorado
	Goals Supported	Increase Supply of Affordable Housing Preserve Existing Affordable Housing

	Needs Addressed	Additional Affordable Housing Acquire and Preserve Affordable Housing Stock.
	Funding	:
	Description	This project will fund activities that acquire properties for use as affordable rental housing and which may also need to be rehabilitated.
	Target Date	3/31/2020
	Estimate the number and type of families that will benefit from the proposed activities	
	Location Description	State of Colorado
	Planned Activities	
8	Project Name	Homeownership Assistance
	Target Area	State of Colorado
	Goals Supported	Improve Housing Affordability
	Needs Addressed	Additional Affordable Housing
	Funding	:
	Description	Provide low-cost down payment assistance loans to low and moderate income households, thus improving affordability of homeownership.
	Target Date	3/31/2020
	Estimate the number and type of families that will benefit from the proposed activities	90
	Location Description	State of Colorado

	Planned Activities	
9	Project Name	Ownership Housing-Land Trusts
	Target Area	State of Colorado
	Goals Supported	Increase Supply of Affordable Housing Improve Housing Affordability
	Needs Addressed	Additional Affordable Housing
	Funding	:
	Description	Provide funding for ownership housing created through the land trust model by contributing funds for acquisition of land or existing housing through non-profit housing providers. Reduces the cost of housing for the homebuyer.
	Target Date	3/31/2020
	Estimate the number and type of families that will benefit from the proposed activities	
	Location Description	State of Colorado
	Planned Activities	
10	Project Name	CHDO Operating
	Target Area	State of Colorado
	Goals Supported	Build Housing Non-Profit Capacity
	Needs Addressed	Housing Non-Profit Capacity Building
	Funding	:
	Description	Improve non-profit capacity by funding operating costs of qualified Community Housing Development Organizations related to the production of new affordable housing.

	Target Date	
	Estimate the number and type of families that will benefit from the proposed activities	
	Location Description	State of Colorado
	Planned Activities	

AP-40 Section 108 Loan Guarantee – 91.320(k)(1)(ii)

Will the state help non-entitlement units of general local government to apply for Section 108 loan funds?

No

Available Grant Amounts

N/A

Acceptance process of applications

N/A

AP-45 Community Revitalization Strategies – 91.320(k)(1)(ii)

Will the state allow units of general local government to carry out community revitalization strategies?

Yes

State’s Process and Criteria for approving local government revitalization strategies

The State does not approve revitalization strategies for local governments. However, the State through DOLA, operates the Colorado Main Street program which works with communities throughout Colorado to revitalize their historic commercial districts. The Main Street approach is a nationally recognized, successful program in which communities apply a comprehensive approach to improving their districts, creating jobs, and building a stronger economic base, all while preserving the character of the community.

AP-50 Geographic Distribution – 91.320(f)

Description of the geographic areas of the state (including areas of low-income and minority concentration) where assistance will be directed

The Department of Local Affairs distributes its funding using competitive applications processes for all funding other than HOPWA. This means that geographic distribution cannot be predicted, and will often be determined by the capacity of local governments and non-profits to carry out projects successfully and in compliance with program regulations. This may result in geographic distribution that is not consistent with geographic need.

In September 2013, Colorado suffered catastrophic flooding as a result of unprecedented rainfall across twenty-four counties in the State, of which 18 were Presidentially Declared Disaster Areas[1]. The floods impacted the entire social fabric of the State, causing major destruction to housing, businesses, and infrastructure. The Department of Local Affairs includes prioritization of these flood impacted areas in the use of all funding programs other than HOPWA, without exclusion of any projects on the basis of their location.

Geographic Distribution

Target Area	Percentage of Funds
State of Colorado	100
Flood Disaster Recovery Area	

Table 12 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The Flood Disaster Recovery area will receive all of the CDBG-DR funding that has been awarded to the State. All other funding from the annual allocations of CDBG, HOME, HOPWA and ESG will be used throughout the rest of the state.

Discussion

Affordable Housing

Rental Assistance	1,225
The Production of New Units	500
Rehab of Existing Units	200
Acquisition of Existing Units	200
Total	2,125

Table 14 - One Year Goals for Affordable Housing by Support Type

Discussion

AP-60 Public Housing - 24 CFR 91.320(j)

Introduction

Housing assistance provided by the Division of Housing (DOH) is funded by HUD. These federal funds are used in the administration of the Housing Choice Voucher program. DOH has jurisdiction to serve all 64 counties within the state.

The current rental assistance programs retain the number of vouchers formerly targeted to persons with special needs including those with developmental, mental health, substance abuse and/or physical disabilities. DOH partners with thousands of private landlords and approximately 50 community-based service providers across the State to combine housing assistance with supportive services. These providers include: mental health centers, centers for independent living, community center boards, and homeless service providers. The four-way partnership between DOH, the service agency, the property owner and the participant ensures an effective and efficient approach to providing housing and supportive services to some of Colorado's most vulnerable citizens.

Other Housing Choice Vouchers are also targeted to people most in need; however preferences are provided to a wide array of individuals including the homeless, victims of domestic violence, and other disenfranchised populations. DOH primarily partners with local housing authorities, many in rural areas, to administer these vouchers.

Actions planned during the next year to address the needs to public housing

The State of Colorado Department of Local Affairs does not own or manage any public housing.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The State does not operate public housing and therefore does not plan resident initiatives. However, the State does encourage its partner organizations in their efforts to provide resident initiatives in their public housing properties.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

The Division of Housing PHA is not designated as troubled.

Discussion

The Division of Housing (DOH), like all HUD-funded public housing authorities, is required to follow the Department of Housing and Urban Developments (HUD) program regulations. HUD clearly outlines

participant obligations, program administration regulations, and required statutes for public housing authorities to follow. However, DOH has designed an approach to administering the very regulation-intensive Housing Choice Voucher (HCV) Program that complies with HUD regulations while keeping the unique needs and successes of its participants as the primary goal.

DOH contracts/partners with 66 nonprofit disability providers, homeless providers and housing authorities across Colorado in addition to other community housing partners. Partnerships include 15 of Colorado's Community Mental Health Centers, all but two of the State's Community Center Boards, and many of the Independent Living Centers. Through these partnerships, each HCV participant is assigned an agency residential coordinator with whom they work directly to complete the required housing processes. In addition, most participants also have access to case management services to assist in other aspects of their lives. Most residential coordinators have experience and training working with persons with disabilities and/or special needs. This training brings a level of support that is unmatched at most public housing agencies. If a participant does not complete the necessary paperwork, or does not attend a scheduled meeting, the participant is not terminated but rather the residential coordinator reaches out to the participant, visiting their home if necessary.

DOH has also implemented alternatives to termination by considering all circumstances including an individual's disability and the role the disability may have played in the program violation. DOH only proceeds to immediate termination in the most extreme cases. In all other circumstances, DOH implements its termination process that involves conferences with program participants where the program violations are discussed and alternatives to termination are developed. The close relationship with DOH's agency partners often facilitates successful resolutions by bringing all interested parties to participate in a dialogue.

Additionally, DOH provides statewide training opportunities designed to assist both the public and private sector housing providers in working with persons with disabilities and other special needs populations. The trainings cover topics such as Fair Housing and are designed to educate the housing community on housing persons with disabilities.

AP-65 Homeless and Other Special Needs Activities – 91.320(h)

Introduction

In 2012, DOH created the Homeless Programs Team (HPT) in partnership with the Governor's Office made up of key personnel from DOH. The HPT provides expertise on housing and services for people experiencing homelessness or at risk of homelessness. Specifically, the HPT works towards solutions for all Coloradans unstably housed or homeless, including families with children, senior citizens, veterans, persons with disabilities, those who experience chronic homelessness and, through the Office of Homeless Youth Services, youth. The HPT focuses exclusively on ending and preventing homelessness for Colorado's most vulnerable citizens. Activities carried out by the HPT include the facilitation of partnerships to create more permanent supportive housing, management of Federal Supportive Housing Programs serving those with special needs and advising the Emergency Solutions Grant (ESG) allocation. The HPT advises other DOH staff members and the DOH Director on the regional needs to address homelessness, makes funding recommendations for programs statewide and researches, analyzes and sets policies to address homelessness statewide.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The HPT will continue to work closely with the Governor's office and other state agencies to continue to use data from the Vulnerability Index assessment tool in communities around the state to identify the most vulnerable individuals experiencing homelessness. With the information gleaned from the Vulnerability Index along with the annual HUD Point-in-Time survey data, the HPT makes funding and policy recommendations for new supportive housing and programmatic partnerships. An example of this in the coming year is increased community-based efforts for coordinated assessment and housing placement efforts for homeless Veterans in multiple communities throughout each CoC.

DOH works with community partners to assess the individual needs of program participants and works to fund housing placement services and a continuum of service-enriched housing from very intensive services, serving chronically homeless individuals for example, to less intensive "step up" supportive housing models with case management services available as needed.

Addressing the emergency shelter and transitional housing needs of homeless persons

While the HPT prioritizes permanent supportive housing, DOH also works to address emergency shelter and transitional housing needs of homeless persons. Each community's needs for emergency and transitional housing are determined by the population that they serve, mainly through the survey data collected statewide. Many communities are in need of additional emergency shelters and transitional

housing units. The HPT will recommend funding, specifically through the ESG program, to shelters and transitional housing programs which aim to connect individuals experiencing homelessness to permanent housing as quickly as possible. During 2014-2015, DOH funded sixty-four programs statewide providing emergency shelter and other homeless prevention activities to address the needs of those experiencing homelessness in Colorado communities. DOH will continue awarding ESG funding to local HUD Continuum of Care organizations in order to give local organizations a greater ability to prioritize programs based upon their unique needs. Additionally, the HPT advises DOH staff and Housing Development Specialists on emergency shelter and transitional housing projects that are appropriate for and in need of federal CDBG or HOME funds in order to serve homeless individuals and families.

Additionally, DOH has led a pilot project which converted a recently closed state prison, the Fort Lyon facility in Bent County, CO, into transitional housing. Specifically, the Fort Lyon Supportive Residential Community (Fort Lyon) combines many state, local, federal, and private resources (including mortgage settlement funds awarded to Colorado) to provide a place for chronically homeless individuals and veterans to transition from homelessness to permanent housing. For the past two years, Fort Lyon has provided stabilization and connection to recovery-oriented and health services for those experiencing chronic homelessness through intensive services and access to permanent housing upon exit.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

One of the primary goals in the coming year for the HPT is to continue to focus on increasing access to housing units (particularly for the chronically homeless, veterans, persons with disabilities, and youth) through the continuum of housing. This calls for collaboration and capacity building at the local level to help communities identify their service gaps and most vulnerable populations with the longest histories of homelessness. Also, the HPT will work towards the production of new permanent supportive housing units by providing leadership and technical assistance to local partners on the housing development process and resources. Not only will this work shorten the period of time that individuals and families experience homelessness; the HPT will also facilitate increased access to affordable housing units. The team will accomplish this by working with new and existing projects to promote unit set-asides for targeted populations (e.g. chronically homeless, veterans, persons with disabilities, or youth) and recommend incentives for this such as project-based voucher allocations for projects dedicating units to priority populations.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities,

foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

DOH will continue to provide temporary homelessness prevention services and funding through the ESG grant. The HPT is collaborating with numerous other agencies as part of the Pathways Home Colorado initiative to prevent homelessness by increasing the supply of affordable housing, improving access to mainstream benefits, improving access to education and employment opportunities, improving access to the supportive services needed by some populations to maintain housing. A copy of the Pathways Home Colorado document is attached to this AAP.

Discussion

DOH is pleased to report the progress of the HPT and our efforts as a State towards preventing and ending homelessness. We hope that our model of establishing the HPT to provide leadership and focus specifically on housing for special needs populations is one that can be successfully replicated in other States and Regions.

The HPT has made significant progress since its inception; this past year the team has continued the “Permanent Supportive Housing Toolkit,” which led to the creation of 282 permanent supportive housing units in 2015 and anticipates at least 150 additional units created in the coming year. In addition, the HPT has administered over 100 new state-funded housing vouchers for Colorado’s most vulnerable citizens experiencing homelessness and aims to expand to at least 35 homeless youth in the coming year. The HPT also supported the work of DOH in the groundbreaking launch of the Fort Lyon Supportive Residential Community, as mentioned above. As the HPT continues to expand its programs, there will be a continued focus on creating more supportive housing opportunities for those most in need by maximizing federal, state, regional and local resources.

AP-70 HOPWA Goals – 91.320(k)(4)

One year goals for the number of households to be provided housing through the use of HOPWA for:	
Short-term rent, mortgage, and utility assistance to prevent homelessness of the individual or family	0
Tenant-based rental assistance	50
Units provided in permanent housing facilities developed, leased, or operated with HOPWA funds	0
Units provided in transitional short-term housing facilities developed, leased, or operated with HOPWA funds	0
Total	50

AP-75 Barriers to affordable housing – 91.320(i)

Introduction

The State's rapid development from the early 1990s to early 2000s made growth management issues a concern for State and local elected officials in Colorado and caused many communities to adopt policies that growth should "pay its own way." This resulted in sometimes complex impact fee structures. These growth-control policies and fees remain in place and continue to work against development of affordable housing.

Growth control policies can serve either as management tools controlling and directing appropriate development – or as regulatory barriers to prevent additional development. This is most apparent in housing development, which is affected by every tool a community might use to control growth. Tools include annexation and zoning policies, both in terms of the amount of land available for residential development and its density; subdivision design and engineering standards; impact fees for infrastructure and other public facilities; building codes; limits on the number of building permits allowed each year; and regulations to protect environmental and cultural resources.

The Division defines "regulatory barriers" as either deliberate or de facto actions that prohibit or discourage construction of affordable housing without reasons directly related to public health and safety. Additionally, a regulatory barrier can be a Federal, State, or local statute, ordinance, policy, custom, practice, or procedure that excessively increases the cost of new or rehabilitated housing, either by improperly restricting the location of housing, or by imposing unjustified restrictions on housing development with little or no demonstrated compensating assistance.

The problems created by regulatory barriers are compounded by the "not in my backyard" syndrome. The problem of finding suitable sites for affordable housing or community development projects continues to be a problem in Colorado. Many neighborhoods are unwilling to have mixed income rental units, housing for persons with special needs or senior housing. This lack of understanding and fear of affordable housing residents also hampers efforts to expand Colorado's affordable housing inventory.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

DOLA staff works with local governments and housing providers to increase their capacity to design, locate and provide infrastructure, economic development and new affordable housing projects. The Department supplements technical assistance with statewide training including capacity building activities for local governments, technical assistance to nonprofit organizations and classes such as the Developer's Toolkit, Hammering out the Deal, and application workshops for housing.

DOH provides technical assistance to local governments that want to modify land use regulations in order to encourage affordable housing development. During our application review process, the Division makes it a priority to assess a local government's financial contribution compared to the impact its regulations and policies have on the total project cost.

The primary way the Division will provide technical assistance is through its ongoing discussions with local governments during project funding. The Division will also provide workshops for local government officials about regulatory barriers as requested.

Discussion

Barriers to affordable housing are also barriers to fair housing in most instances. Specifically, since members of racial and ethnic minorities, women, and people with disabilities, protected under Fair Housing law, are disproportionately low-income, lack of affordable housing places greater burdens on them. Overcoming barriers to affordable housing is essential to providing fair housing opportunity for all.

AP-85 Other Actions – 91.320(j)

Introduction

Actions planned to address obstacles to meeting underserved needs

Within the Division of Local Government, general areas of assistance to the underserved include, but are not limited to: budgeting, finance, general government administration, special district administration and elections, and water and wastewater management. In addition, technical assistance staff processes and assists with a number of required local government filings that are received by the Department of Local Affairs, and perform research functions for the state, local governments, and other interested individuals.

Technical Assistance Services include administrative, financial, and other assistance to local officials, staff, and citizens in the day-to-day operation of a local government. The Technical Assistance section delivers assistance through workshops, publications, individual consultations and on-line resources.

The Division of Local Government provides professional assistance to local governments in many areas of financial management, including investment and cash management strategies, short and long term capital financing options, revenue development, expenditure control, and banking. Staff is available to provide financial trend analyses, a valuable tool in predicting future outcomes. The Division of Local Government offers an annual series of workshops usually at six to nine locations around the state on topics of current financial management interest.

Supplying safe drinking water and treating wastewater are two of the basic services local governments provide. Department staff can assist communities in addressing the range of water and wastewater problems they often face, from deteriorating distribution lines to inadequate budgeting and accounting practices. Department staff are available to analyze needs and develop goals, develop a capital improvement program, analyze rate structures for user and tap fees, coordinate with the Colorado Department of Public Health and Environment and other state and federal agencies, explore funding alternatives and identify plant operator training programs.

DOLA, through OEDIT, serves all rural counties with its Business Loan Funds. The Department reaches out to businesses by annually participating in at least five regional business finance forums throughout the state. The State advertises its infrastructure grants to municipal, county and economic development officials.

Actions planned to foster and maintain affordable housing

DOLA, through the Division of Housing, plans to take the following actions to foster and maintain affordable housing:

(1) promote the development of low-income units by providing HOME and/or CDBG resources to fill gaps on the housing development side of a project, while using project-based Section 8 Housing Choice Vouchers to create revenue after completion;

(2) using Veterans Administration Supportive Housing vouchers (VASH) to assist veterans experiencing homelessness;

(3) creating an initiative that ensures linkage between housing and Medicaid, SAMHSA, TANF and other mainstream human service assistance;

(4) Working with key stakeholder groups to make progress toward recognizing and treating the long-term effects of addiction and alcoholism as a disabling condition;

(5) coordinating HEARTH ACT services with Continua of Care and local jurisdictions to ensure that it funds projects and programs to meet the greatest homeless needs.

When State revenues are sufficient DOH may receive Housing Development Grant funds. When available, these State funds are the most flexible of the Division's resources, and allow tailored community solutions to help ensure that the poorest families in Colorado have an increasing supply of rental units affordable to them. DOH expects to receive \$8,200,000 in Housing Development Grant funds for the State Fiscal Year that runs from July 1, 2016 through June 30, 2017. Additional funding that is used for affordable housing has become available over the past few years, such as the Colorado Housing Investment Fund (CHIF), which originated with mortgage settlement funds. DOH receives CHIF funding as custodial funds through the Attorney General's office to be used for homeowner relief, foreclosure prevention, and affordable housing.

The primary housing assistance program is the Housing Choice Voucher program (HCV). These funds are used in the administration of both the Housing Choice Voucher and Shelter Plus Care programs through DOH.

DOH will continue to coordinate its funding efforts with those of the Colorado Housing and Finance Authority (CHFA) and other funding agencies often coordinate their efforts to make affordable housing projects successful.

Actions planned to reduce lead-based paint hazards

DOH works closely with subgrantees, contract agencies, and the Colorado Department of Public Health and Environment (CDPHE) to assure that the State's housing programs and projects comply with current requirements of Title X of the Community Development Act of 1992. Approximately 431,736 (+/-10%) homes in Colorado may contain lead based paint. DOH staff reviews each proposed housing project to ensure compliance Title X, based on the type of project, the type, amount, and duration of financial assistance, and the age of the property. In addition, DOH makes training and technical resources available to local housing providers and developers. DOH is implementing the following activities during the period of 2015–2020 to ensure statewide compliance with applicable lead-based paint regulations.

1. Enhance Existing Partnerships

DOH will assist public and private efforts to reduce lead-based paint hazards across the State through involvement in the Colorado Lead Coalition interagency work group, which develops and implements strategies for statewide lead hazard reduction and education efforts. The Coalition includes the U.S. Environmental Protection Agency, Denver Health, the U.S. Department of Housing and Urban Development, the Colorado Department of Health and Environment and other agencies.

DOH also provides technical assistance and support integration of the various services offered to lower-income households, including participation in current healthy home projects in the state. This includes the Colorado Healthy Homes Coalition (CHHC) that promotes the provision of comprehensive housing rehabilitation and household services to lower-income households. The CHHC works to maximize the interventions for each household in regard to their overall well-being by linking housing rehabilitation and weatherization services with medical care and hazard mitigation programs. DOH will continue to participate in the CHHC. DOH also supports the HUD Safe and Healthy Homes Investment Partnership certification program as a tool for program integration.

2. Provide Lead Hazard Information to Housing Providers, Local Officials and Assisted Households

DOH provides all sub-grantees, contractors and local housing and service providers with the most current required publications for distribution to occupants of housing units assisted with Division funds. The DOH staff has a working knowledge of the Environmental Protection Agency (EPA) Renovation, Repair, and Painting Rule (RRP) that requires all rehabilitation contractors to be certified in lead-based paint procedures. DOH has processes in place to confirm that contractors compensated through DOH funded activities are properly RRP certified.

3. Enhance Existing Delivery System and Technical Capacity

DOH has increased its involvement in Colorado Department of Public Health and Environment's lead-based paint education activities and sponsored additional lead-safe work practice trainings around the State. DOH will continue to provide technical assistance about Title X requirements through web-based training, on-site visits, project underwriting and the distribution of best practice methods. DOH continues to search for funding opportunities to provide additional resources concerning lead-based

paint and other home hazards, including funds from HUD's Office of Healthy Homes and Lead Hazard Control grants. DOH will coordinate applications for funding under the Lead Hazard Reduction Program – Healthy Homes Initiative on behalf of the entire State.

Actions planned to reduce the number of poverty-level families

Employment:

The fundamental “antipoverty strategy” is a good job. Thus, the key element for lifting people out of poverty is creating and retaining jobs, helping people acquire the right skills to fill those jobs, and connecting the unemployed to jobs.

The Office of Economic Development and International Trade (OEDIT) focuses on using CDBG funds for job creation. By helping provide businesses and local governments with the funding and infrastructure they need, OEDIT enables businesses to create and retain jobs.

HUD's formula grants to DOLA also contribute to creating and retaining jobs in Colorado, although that is not their primary purpose. The Divisions of Housing and Local Government are working to strengthen Section 3 performance in their use of federal funds to better create and retain jobs through their public facilities and housing projects.

Housing and Supportive Services:

The Division of Housing works to lift people out of poverty by combining housing opportunities with the supportive services needed to achieve self-sufficiency. The Division funds transitional and permanent supportive housing development for people with special needs as well as the homeless and chronically homeless. Programs operated by our Public Housing Authority section include the Family Self-Sufficiency and Family Unification programs, Housing Choice Voucher special needs programs for people with disabilities, Homeless with Substance Abuse initiatives, Housing Choice Voucher Welfare-to-Work program, Project Access vouchers to assist younger persons with disabilities in moving from institutions into the community and Veterans Administration Supportive Housing vouchers that provide permanent housing to homeless veterans.

Actions planned to develop institutional structure

The Department of Local Affairs works with local governments, private industry, and nonprofit organizations to tackle issues involved in providing affordable housing, and community and economic development. The primary gaps remaining in the institutional structure in Colorado are:

Governmental Coordination:

Problem: Gaps in communications can affect the decision-making of an entire region and lead to inefficient land use or excessive burden on one locale.

Solution: The Department of Local Affairs (DOLA) is the one agency in Colorado that deals almost exclusively with local governments on all levels of its mission. DOH continues to increase the coordination and involvement of State and Federal agencies, public and private nonprofits and others in the leveraging of funding sources, the planning and delivery of housing-related services, and the development of special initiatives to increase and preserve affordable housing.

The State's "Interagency Housing Pipeline" is composed of key agencies that include the DOH, Colorado Housing and Finance Authority, U.S. Department of Housing and Urban Development and U.S. Department of Agriculture, Rural Development. These bi-monthly meetings provide coordination around multiple agency rules, various funding sources and an annual targeting of specific priority areas of the State in order to address immediate housing needs. Colorado also consults and collaborates with its CoCs.

Capacity of Local Nonprofit Organizations and Housing Authorities:

Problem: Many nonprofits lack not only the funding to meet their community's housing demands, but also the staff expertise to expand or diversify existing services.

Solution: DOLA works with the Department of Human Services and special-needs providers to encourage partnerships between service providers and housing development agencies. These alliances are essential to increasing the supply of affordable, accessible housing for persons with special needs.

DOLA works to improve agency capacity through technical assistance, workshops, training and monitoring. These efforts encourage retention of existing housing and new production of housing units and the creation and expansion of projects and programs that meet community needs.

Actions planned to enhance coordination between public and private housing and social service agencies

The Division of Housing takes the following actions and collaborates with the following organizations to enhance coordination between public and private housing and social service agencies:

- Established a "Housing Initiatives" program to coordinate and collaborate with multiple agencies across additional program areas, including Veterans' Housing, Renewable Energy, and other areas of interest.
- Second Chance Housing and Prisoner Reentry Program (C-SCHARP) Task Force
- Intradepartmental CDBG Coordinating Group. DOLA created a cross-divisional work group to coordinate and integrate its use of CDBG funds.
- The Interagency Housing Pipeline which includes development staff from DOH, the Colorado Housing

and Finance Authority (CHFA), the USDA Rural Development, US Department of Housing and Urban Development (HUD), and several Community Development Financial Institutions (CDFIs).

- Colorado and Community Interagency Council on Homelessness, a State coordinating organization appointed by the Governor to develop a strategic plan to end homelessness.
- Participates in Colorado's three Continua of Care (CoC): Metropolitan Denver Homeless Initiative; Homeward Pikes Peak and the Balance of State.
- Housing Colorado, Inc., a 501(c)(3) membership organization that facilitates workshops, meetings and educational opportunities, as well as an annual conference for housing organizations and industry professionals.
- Colorado Chapter, National Association of Housing Redevelopment Organizations (NAHRO), a state trade association for housing authorities and redevelopment agencies.
- Colorado Foreclosure Task Force, a public-private task force in which the Division of Housing participates as an active member.
- Supportive Housing Program, a statewide housing authority whose oversight transferred to the Division of Housing as of July 1, 2011. DOH has established and will maintain Housing Advisory Housing Board.
- Examines linkages between HOME, CDBG and the HUD Section 8 Housing Choice Voucher Program. The purpose of the examination is to increase the supply of affordable housing for persons of limited income.
- DOH's internal Homeless Programs Team will focus on homeless issues.
- Office of Homeless Youth, a program within the Division of Housing, will meet on a regular basis with statewide agencies to establish goals, objectives and to seek funding.

Discussion

Actions Planned to Affirmatively Further Fair Housing: DOH will continue to take opportunities to educate housing providers across the state on fair housing whenever possible. DOH will propose sessions at both the National Association of Housing and Redevelopment Officials Conference and also with Housing Colorado Annual Conference. In addition, the Division has contracted with the Denver Metro Fair Housing Center to test for housing discrimination in the Disaster Recovery area and for discrimination against people with disabilities and people with children in the Denver Metro Area.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.320(k)(1,2,3)

Introduction

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.320(k)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	70.00%

HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.320(k)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

HOME funding is not being used for any form of investment other than those identified in Section 92.205.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

The State reviews applications for homeownership projects and programs to determine whether resale or recapture restrictions are best suited to each proposal. Generally, recapture is preferred, unless the applicant can demonstrate that they will be able to assist homebuyers with meeting resale requirements during the HOME affordability period. The state does not allow subrecipients to choose, but instead the state will favor recapture unless there is an ongoing relationship (e.g. or land trust model). Agencies must ensure ongoing compliance by using either a “Recapture” or “Resale” model. DOH and the agency must agree on which model to use before the program begins, and that choice must be reflected in the contract between DOH and the agency. Neither option prevents clients from selling their home, although Resale does restrict the sales price. Only DPA and For-Sale loans (not Rehab) have to be protected for the affordability period by a recorded “enforceable instrument.” Programs using the Resale model must use a Beneficiary and Use Covenant. Programs using the Recapture model may use a Beneficiary and Use Covenant, or they may instead incorporate it into their loan documents – but only if the client is not allowed to fully pay off the loan before the affordability period expires. The agency must incorporate the following agreements into their loan agreements (Deed of Trust, Promissory Note or other documents):

- Key terms of the mortgage note
- Length of the affordability period
- Principle residency is required of the client throughout the affordability period. If a client fails to use the home as a principle residence, the remaining balance of their loan becomes due and payable.
- Loan payoff does not end the affordability period, but selling the home or losing it to foreclosure does end it, and releases any use covenant.
- DOH recommends that the agency seek legal advice about incorporating these provisions into their loan documents.

Subrecipient resale/recapture provisions are the same. Subrecipients are expected to demonstrate how they are able to assist homebuyers in meeting the resale requirements during the time DOH and the agency agree on which model will be used before the program begins and be reflected in the contract. Following the detailed requirements in the RLF guidelines and application will outline

their ability to meet resale requirements as detailed in the resale guidelines below. DOH staff provides on-going technical assistance to agencies to maximize the use of the new grant and program income funds used in revolving loan fund programs. DOH will monitor all agencies for compliance with these policies, as well as federal requirements, at least bi-annually. This review will include an evaluation of the agency's performance in meeting service provision goals, and compliance with local lending guidelines. Any changes to the resale/recapture requirements will include an amendment to the Annual Action Plan.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

Recapture the HOME Investment and Create another Affordable Unit: HOME funds subject to recapture include any development subsidy or direct assistance to the homebuyer that reduced the purchase price from fair market value to an affordable price, or any down payment or subordinate financing provided on behalf of the low income purchaser.

- The property may be sold during the affordability period with full or partial repayment of the HOME assistance. Recaptured funds must be used for more HOME-eligible activities.
- Full Recapture, subject to net proceeds – the agency (or subgrantee) will recapture 100% of the funds if the client sells their home before the end of the affordability period, unless the client can demonstrate that the sale was an arms-length transaction and that net proceeds are not adequate to pay off 100% of the loan.
- Net proceeds = Sales price – Senior debt repayment – Closing costs. Any excess net proceeds, after repayment of the DPA loan to the agency, may be kept by the client, unless their loan is structured with an equity ratio instead of an amortizing interest rate (for Shared Equity Programs).

Resale of the Existing Property to another Low-income Buyer:

- The subsequent purchaser must be a low-income family (80% or less of area median income) that will use the property as its principal residence.
- The sale of the property to the new low-income family must be at a price that allows for "fair return on investment, including any improvements" to the seller (the former homebuyer).
- The former homebuyer's investment is defined as their down payment plus the value of any improvements they made to the house. For example, the homebuyer made a \$1,000 down payment to purchase an existing home. They also invested in a new kitchen that added \$5,000 to the value of the home. Their investment equals \$6,000. "Fair return" is defined as the percentage change in the value of the home, based on the percentage change in median home prices and documented by appraisals from the former homebuyer's purchase and the subsequent (new) homebuyer's purchase.
- For example, the median sales price for the home's unit type (single family vs. condo; existing vs. new construction) and market area, according to the local Multiple Listing Service, was \$200,000 when the homebuyer purchased it. When they decide to sell, the same measure of median sales price indicates an increase of 2.5% to \$205,000. The seller must be allowed to sell the home for

enough to recoup both their original investment (\$6,000) and a 2.5% fair return on that investment ($\$6,000 \times 2.5\% = \150), a total of \$6,150.

- NOTE: if median sales prices actually decline between sales, the seller may not receive a return on their investment.

AND ALSO,

- The property must be sold at a price that is affordable to a household at 75% to 80% of area median income that will pay not more than 30% of their income for principal and interest.
- If the affordable sales price is not enough to allow the seller to realize a fair return on their investment, the State may provide HOME funding to help a qualified buyer afford a sales price that does ensure a fair return. The new HOME funding would be provided through an existing State subgrantee.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

The Division of Housing may use HOME funds to refinance existing debt on an eligible single-family, owner-occupied property when it uses HOME funds to rehabilitate the unit, if the refinancing will reduce overall housing costs for the owner and make the housing more affordable.

The Division may also use HOME funds to refinance existing debt on multifamily rehabilitation, or new construction projects if refinancing is necessary for continued long-term affordability and is consistent with State-established guidelines. To qualify, the proposed project must meet one of the following criteria:

- Rehabilitation is the primary eligible activity. This means that the amount of HOME funds for rehabilitation must equal or exceed the amount of HOME funds used to refinance existing debt on the property. The minimum ratio of rehabilitation costs to refinancing costs must be 1 to 1, or a minimum rehabilitation cost of \$5,000 per unit; or
- A review of management practices should demonstrate that disinvestment in the property has not occurred, that the long-term needs of the project can be met, and that it is feasible to serve the targeted population over the proposed affordability period; or
- The application must state whether the new investment is being made to maintain current affordable units, create additional affordable units, or both; or
- The required period of affordability will be a minimum of 30 years; or
- The State will accept applications for refinancing statewide; and, or
- The State will not use HOME funds to refinance multifamily loans made or insured by any Federal program, including CDBG, unless additional affordable units will be income-restricted to low-income households or the affordability period is extended.

Emergency Solutions Grant (ESG)
Reference 24 CFR 91.320(k)(3)

1. Include written standards for providing ESG assistance (may include as attachment)

Please see attached ESG Standards and ESG Policies and Procedures for clarification.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

Each of the three Continua of Care is at a different stage in the development of its coordinated assessment system, but each is working towards the development and implementation of a centralized system. The most robust and established system falls under the Denver Metro area Continuum of Care. That system currently serves chronically homeless individuals, veterans and youth, matching them to permanent supportive housing resources. In the coming year, the continuum aims to incorporate homeless families and rapid rehousing resources as well.

The El Paso County Continuum of Care system serves veterans, but aims to incorporate chronically homeless individuals in the coming year. The Balance of State Continuum of Care has begun piloting coordinated entry through two pilot programs in at least six communities. The Balance of State is receiving technical assistance from HUD and the DOH. DOH is intricately involved in the strategy, planning and implementation of each continuum's efforts.

The El Paso County Continuum of Care system serves veterans, but aims to incorporate chronically homeless individuals in the coming year. The Balance of State Continuum of Care has begun piloting coordinated entry through two pilot programs in at least six communities. The Balance of State is receiving technical assistance from HUD and the DOH. DOH is intricately involved in the strategy, planning and implementation of each continuum's efforts.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

ESG Housing Assistance applications will be submitted to the Division of Housing whose internal staff will screen applications for threshold criteria and forward eligible applications to a scoring committee. The Program Manager will present funding recommendations to the Division Director, DOLA's Executive Director. DOLA's Executive Director will make the final funding decision.

THRESHOLD CRITERIA

- 501(c)(3) status or unit of general local government

- · Compliance with HMIS Participation
- · Dollar for dollar match requirement
- · Ability to meet certification of insurance requirement SCORING CRITERIA
- · Years of experience in serving special needs population
- · Staff capacity and track record for serving special needs population
- · Staff capacity and track record
- · Identify and document NEED for shelter and/or services
- · Financial capacity
- · Policies and procedures for assessing client needs
- · Ability to conduct income determinations
- · Ability to comply with grant requirements

SCORING CRITERIA

- Years of experience in serving special needs population
 - Staff capacity and track record for serving special needs population
 - Staff capacity and track record
 - Identify and document NEED for shelter and/or services
 - Financial capacity
 - Policies and procedures for assessing client needs
 - Ability to conduct income determinations
4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The ESG application scoring committee includes a homeless or formerly homeless individual among its seven members.

5. Describe performance standards for evaluating ESG.

Currently, the Division of Housing is relying on quarterly esnaps reports that capture unduplicated numbers of persons or households served as well as onsite monitoring performed by DOH staff members. In partnership with the Continua of Care, new written performance standards will be developed using the Consolidated plan, quarterly enaps report, Annual Action Plan and CAPER, as a guide to which performance standards will be recorded, tracked and produced in monthly or quarterly reports. General performance standards such as the unduplicated number of persons or households prevented from becoming homeless and the unduplicated number of persons or households assisted from emergency shelters/streets into permanent housing will be reported.

Housing Opportunities for Persons with AIDS

The State's method of selecting a sponsor is based on the sponsor's ability to provide comprehensive services to persons with HIV/AIDS statewide. The Balance of State HOPWA program was designed in partnership with Colorado AIDS project, and there are no other organizations in the state capable of providing the same level of specialized services for people living with HIV/AIDS.

CAP distributes funds through its regional organizations, Southern Colorado AIDS Project, Western Colorado AIDS Project and Northern Colorado AIDS Project and enters into a memorandum of understanding with Boulder County AIDS Project to provide tenant-based rental assistance and supportive services in Boulder County. Funds are allocated on the basis of the number of people living with HIV/AIDS in each catchment area, as well as the ability to use the funds timely.

HOPWA funding will help clients access housing and related supportive services. Funds will enable low-income Coloradans living with HIV/AIDS and their families to achieve housing stability and gain access to health-care and related supportive services.

The 2016-2017 goal is to assist 50 households with both rental assistance and supportive services. The State will retain 3% of its HOPWA grant for administration, the remainder will be granted to Colorado AIDS Project which will use 7% for Admin and the remaining funds for rental assistance and supportive services.

Larimer County Home Homeownership Value Limits

In accordance with the procedures established at § 92.254(a)(2)(iii), Larimer County has determined 95 percent of the median area purchase price for single family housing. We are submitting these calculations as part of our 2016-2017 Annual Action Plan.

The procedures established at § 92.254(a)(2)(iii) were met in the following ways:

(A) The 95 percent of median area purchase price must be established in accordance with a market analysis that ensured that a sufficient number of recent housing sales are included in the survey.

- Average sales per month were 34 with an average sales amount of \$13,920,285.31

(B) Sales must cover the requisite number of months based on volume: For 500 or more sales per month, a one-month reporting period; for 250 through 499 sales per month, a 2-month reporting period; for less than 250 sales per month, at least a 3-month reporting period. The data must be listed in ascending order of sales price.

- The number of homes included in the data is 540 covering a time period of Jan. 2015 to April 2016.

- Data is listed in ascending order of sales prices.

(C) The address of the listed properties must include the location within the participating jurisdiction. Lot, square, and subdivision data may be substituted for the street address.

- Addresses are provided in the data for the jurisdiction we are seeking to increase the limit in.

(D) The housing sales data must reflect all, or nearly all, of the one- family house sales in the entire participating jurisdiction.

- The data provided was taken from the Larimer County website which includes all sales of single family residents during the time period listed above. Link to data source attached ([http://www.co.larimer.co.us/assessor/residential_sales.cfm.](http://www.co.larimer.co.us/assessor/residential_sales.cfm))

(E) To determine the median, take the middle sale on the list if an odd number of sales, and if an even number, take the higher of the middle numbers and consider it the median. After identifying the median sales price, the amount should be multiplied by 0.95 to determine the 95 percent of the median area purchase price.

- The median income calculation was done with an excel formula within the spreadsheet, which came up to \$316,000 including all cities within the jurisdiction. 95% of that would be \$300,200.00 this would be our requested median sales price.

Discussion

Grantee Unique Appendices

DOLA/Division of Housing Performance Measures/Indicators

- Average cost per person receiving ESG assistance.
- Recipient expended all ESG funds within the established grant timeframe.
- Recipient met the deadline for submitting their signed grant agreement.
- Recipient met the deadline for submitting evidentiary documents.
- Recipient met the deadline for submitting performance reports.
- Recipient meets required standards for documentation of homelessness.
- Recipient complies with required record keeping methods.
- Recipient complies with the due process of terminating ESG funded assistance of participant.
- Amount of money leveraged.
- Does recipient have findings from previous compliance reviews?

HUD PERFORMANCE STANDARDS

- Reduce the number of people who become homeless for the first time:
- Reduce the number of people who return to homelessness:
- Reduce the length of time of homelessness:

- Increase employment and income
- Thoroughness of the recipients in the geographic area in reaching homeless families and individuals.

**All ESG Grantee must comply with both CDOH Performance
Measurements and HUD Performance Standards**

ESG Minimum Standards for Emergency Shelters

Instructions: Place a check mark in the correct column to indicate whether the property is approved or deficient with respect to each standard. A copy of this checklist should be placed in the shelter's files.

Approved	Deficient	Standard (24 CFR part 576.403(b))
		<p>1. <i>Structure and materials:</i></p> <p>a. The shelter building is structurally sound to protect the residents from the elements and not pose any threat to the health and safety of the residents.</p> <p>b. Any renovation (including major rehabilitation and conversion) carried out with ESG assistance uses Energy Star and Water Sense products and appliances.</p>
		<p>2. <i>Access.</i> Where applicable, the shelter is accessible in accordance with:</p> <p>a. Section 504 of the Rehabilitation Act (29 U.S.C. 794) and implementing regulations at 24 CFR part 8;</p> <p>b. The Fair Housing Act (42 U.S.C. 3601 et seq.) and implementing regulations at 24 CFR part 100; and</p> <p>c. Title II of the Americans with Disabilities Act (42 U.S.C. 12131 et seq.) and 28 CFR part 35.</p>
		<p>3. <i>Space and security:</i> Except where the shelter is intended for day use only, the shelter provides each program participant in the shelter with an acceptable place to sleep and adequate space and security for themselves and their belongings.</p>
		<p>4. <i>Interior air quality:</i> Each room or space within the shelter has a natural or mechanical means of ventilation. The interior air is free of pollutants at a level that might threaten or harm the health of residents.</p>
		<p>5. <i>Water Supply:</i> The shelter's water supply is free of contamination.</p>
		<p>6. <i>Sanitary Facilities:</i> Each program participant in the shelter has access to sanitary facilities that are in proper operating condition, are private, and are adequate for personal cleanliness and the disposal of human waste.</p>
		<p>7. <i>Thermal environment:</i> The shelter has any necessary heating/cooling facilities in proper operating condition.</p>
		<p>8. <i>Illumination and electricity:</i></p> <p>a. The shelter has adequate natural or artificial illumination to permit normal indoor activities and support health and safety.</p> <p>b. There are sufficient electrical sources to permit the safe use of electrical appliances in the shelter.</p>
		<p>9. <i>Food preparation:</i> Food preparation areas, if any, contain suitable space and equipment to store, prepare, and serve food in a safe and sanitary manner.</p>
		<p>10. <i>Sanitary conditions:</i> The shelter is maintained in a sanitary condition.</p>

		<p>11. <i>Fire safety:</i></p> <p>a. There is at least one working smoke detector in each occupied unit of the shelter. Where possible, smoke detectors are located near sleeping areas.</p> <p>b. All public areas of the shelter have at least one working smoke detector.</p> <p>c. The fire alarm system is designed for hearing-impaired residents.</p> <p>d. There is a second means of exiting the building in the event of fire or other emergency.</p>
		<p>12. If ESG funds were used for renovation or conversion, the shelter meets state or local government safety and sanitation standards, as applicable.</p>
		<p>13. Meets additional recipient/subrecipient standards (if any).</p>

Grantee SF-424's and Certification(s)

STATE CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the State certifies that:

Affirmatively Further Fair Housing -- The State will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the state, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential anti-displacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Anti-Lobbying -- To the best of the State's knowledge and belief:

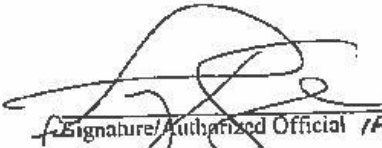

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraphs 1 and 2 of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts

under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of State -- The submission of the consolidated plan is authorized under State law and the State possesses the legal authority to carry out the programs under the consolidated plan for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

Specific CDBG Certifications

The State certifies that:

Citizen Participation –It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR §91.115 and each unit of general local government that receives assistance from the State is or will be following a detailed citizen participation plan that satisfies the requirements of 24 CFR §570.486.

Consultation with Local Governments –It has or will comply with the following:

- 1 It has consulted with affected units of local government in the nonentitlement area of the State in determining the method of distribution of funding;
- 2 It engages in or will engage in planning for community development activities;
- 3 It provides or will provide technical assistance to units of local government in connection with community development programs; and
- 4 It will not refuse to distribute funds to any unit of general local government on the basis of the particular eligible activity selected by the unit of general local government to meet its community development needs, except that a State is not prevented from establishing priorities in distributing funding on the basis of the activities selected.

Local Needs Identification --It will require each unit of general local government to be funded to identify its community development and housing needs, including the needs of low-income and moderate-income families, and the activities to be undertaken to meet these needs.

Community Development Plan –Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objectives of Title I of the Housing and Community Development Act of 1974, as amended. (See 24 CFR 570.2 and 24 CFR part 570)

Use of Funds --It has complied with the following criteria:

- 1 **Maximum Feasible Priority.** With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
- 2 **Overall Benefit.** The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2016, 2017, and 2018 shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
- 3 **Special Assessments.** The state will require units of general local government that receive CDBG funds to certify to the following:

It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force --It will require units of general local government that receive CDBG funds to certify that they have adopted and are enforcing:

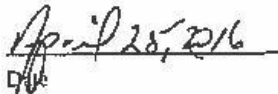

- 1 A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
- 2 A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

Compliance With Anti-discrimination laws --The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Compliance with Laws --It will comply with applicable laws.

Specific HOME Certifications

The State certifies that:

Tenant Based Rental Assistance -- If it intends to provide tenant-based rental assistance:

The use of HOME funds for tenant-based rental assistance is an essential element of the State's consolidated plan.

Eligible Activities and Costs -- It is using and will use HOME funds for eligible activities and costs, as described in 24 CFR § 92.205 through §92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214.

Appropriate Financial Assistance -- Before committing any funds to a project, the State or its recipients will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

ESG Certifications

Each State that seeks funding under the Emergency Solutions Grants Program must provide the following certifications:

Matching Funds – The State will obtain any matching amounts required under 24 CFR 576.201 in a manner so that its subrecipients that are least capable of providing matching amounts receive the benefit of the exception under 24 CFR 576.201(a)(2).

Discharge Policy – The State will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

Confidentiality – The State will develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

The State will ensure that its subrecipients comply with the following criteria:

Major rehabilitation/conversion – If an emergency shelter's rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the building will be maintained as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation. If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the building will be maintained as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion. In all other cases where ESG funds are used for renovation, the building will be maintained as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

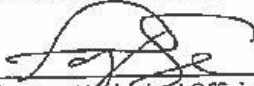

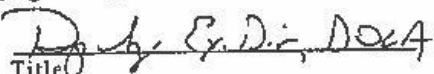

Essential Services and Operating Costs – If ESG funds are used for shelter operations or essential services related to street outreach or emergency shelter, the subrecipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the applicant serves the same type of persons (e.g., families with children, unaccompanied youth, veterans, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The subrecipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, counseling, supervision, and other services essential for achieving independent living), and other Federal State, local, and private assistance available for such individuals.

Homeless Persons Involvement – To the maximum extent practicable, the subrecipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted ESG.

Consolidated Plan – All activities the subrecipient undertakes with assistance under ESG are consistent with the State's current HUD-approved consolidated plan.

HOPWA Certifications

The State HOPWA grantee certifies that:

Activities – Activities funded under the program will meet urgent needs that are not being met by available public and private sources.

Building – Any building or structure assisted under the program shall be operated for the purpose specified in the plan:

1. For at least 10 years in the case of any building or structure purchased, leased, rehabilitated, renovated, or converted with HOPWA assistance,
2. For at least 3 years in the case of assistance involving non-substantial rehabilitation or repair of a building or structure.

APPENDIX TO CERTIFICATIONS

INSTRUCTIONS CONCERNING LOBBYING REQUIREMENTS:

A. Lobbying Certification

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.
