Dear Manager/Administrator:

The Colorado Division of Housing is surveying municipalities and counties regarding the content of their comprehensive plans and local policies regarding the development of affordable housing. The State Legislature has required us to provide this information, and it will help us benchmark the inclusion of affordable housing in comprehensive plans. Also, it will assist us in working with communities in preparation of new or revising existing plans.

Thank you for taking a minute to complete this survey. If you have any questions, please contact me at (303) 866-2046. Please either mail the survey to the Division of Housing at the address below or the survey may be faxed to (303) 866-4077.

Sincerely,

Lynn Shine
