Mary E. Huddleston
Property Tax Administrator

April 15, 1991

The Honorable Roy Romer
Governor of Colorado
and
The General Assembly of the
State of Colorado

Governor Romer and Members of the General Assembly:

We are submitting the Twentieth Annual Report. In addition to providing listings of assessed values in the counties and property tax revenues of the local taxing jurisdictions, the report contains statistical and summary information.

The Property Tax Administrator submits this in compliance with 39-2-119, C.R.S., as amended.

Respectfully submitted,

Mary E. Huddleston
Property Tax Administrator

Administration

COLORADO PROPERTY TAXES

OVERVIEW

The Colorado property tax system provides revenue exclusively for local government services. The state does not impose a levy, although by Constitution it could do so. The largest share of property tax revenue (58.4%) goes to support the state's public schools. County governments claim the next largest share (24.9%), followed by special districts (11.5%), and municipal governments (5.2%).

The authority for property taxation is both constitutional and statutory. Article X of the Colorado Constitution provides that all property is taxable unless declared exempt by the Constitution; and that actual value of taxable property shall be determined under the general laws to secure just and equalized valuations. The specific statutes pertaining to property taxation are found in Title 39, Articles 1 through 13, Colorado Revised Statutes.

Under the general laws of Colorado, county assessors are required to value all taxable property within their territorial jurisdictions. The State Board of Equalization has supervision over the administration of all laws concerning the valuation and assessment of taxable property and the levying of property taxes. The Division of Property Taxation, under the leadership of the Property Tax Administrator, coordinates and administers the implementation of property tax law throughout the sixty-three counties.

RESIDENTIAL ASSESSMENT RATE

As part of an effort to head off a tax shift to residential improved property, a 1982 amendment to the Colorado Constitution provides for an adjustment in the residential assessment rate. The General Assembly is required to adjust the rate should the proportion of statewide residential value change due to a reappraisal. All other taxable property is valued for assessment at 29 percent of its actual value, except producing mines and oil and gas leaseholds and lands.

In 1987, the General Assembly acted on reappraisal assessed value projections for the 1985 level of value and reduced the residential assessment rate from 21 percent to 18 percent of actual value.

In 1988 the General Assembly acted on actual 1987 valuations and further reduced the residential assessment rate from 18 percent to 16 percent of actual value.

In 1989 the General Assembly acted on reappraisal assessed value estimates developed by the Division of Property Taxation for the 1988 level of value and reduced the residential assessment rate from 16 percent to 15 percent. Actual assessed values reported by the counties later in 1989 substantiated the 15 percent residential assessment rate for 1989 and 1990.

Table 1 indicates the percentage changes in the assessed values of each property class between the 1989 and 1990 property tax years.

Table 1

<u>Class</u>	<u>Percent Change 1989-1990</u>
Vacant Land	-6.5%
Residential	+1.1%
Commercial	-1.2%
Industrial	+ .6%
Agricultural	+1.5%
Natural Resources	-4.0%
Producing Mines	-.3%
Oil & Gas	+8.7%
State Assessed	<u>-2.3%</u>
Total	-.2%

Vacant land declined 6.4% primarily due to full implementation of subdivision discounting procedures. Residential increased 1.1% and industrial increased .6% due to new construction. Commercial declined 1.2%, natural resources declined 4.0%, and producing mines declined .3% primarily due to adjustment of personal property values for inflation after June 30, 1988. Oil and gas increased 8.7% due to increased production and higher prices. State assessed decreased 2.3 percent due to adjustment of these values for inflation after June 30, 1988.

In 1988 the General Assembly enacted SB 88-184, which requires the Property Tax Administrator to perform a documented residential assessment rate study for each change in level of value, the next change being in 1991.

Three steps are required to perform this study. First, new target percentages were established for residential real property and all other property. These target percentages were based on the 1989 target percentages of 44.51% and 55.49% for residential real property and all other property respectively. To the assessed values which these percentages represent were added 1989 and 1990 net new construction and the net change in production volumes of natural resources, producing mines, and oil and gas properties between 1988 and 1990. Once these values had been added to residential real or all other property, as appropriate, new target percentages were calculated. The 1991 target percentages are 44.57% and 55.43% for residential real property and all other property respectively.

Second, 1991 assessed values were estimated using market sales data collected from 1989 and the first half of 1990. Certain classes of property were not estimated using market sales, but other estimation techniques were used for these classes. Once assessed values had been estimated for residential real property, the actual value of this property was calculated by dividing the assessed value by the then current residential assessment rate of 15%.

Third, a proportion problem was created whereby 1991 residential real property's estimated actual value, multiplied by an unknown residential assessment rate, divided by all other estimated assessed value was set equal to 44.57% divided by 55.43%. Solving for the unknown residential real property assessment rate yielded an estimated residential assessment rate of .1434 or 14% rounded.

TAXING ENTITIES

Because of provisions in the State School Finance Act, those school districts with greater assessed value per pupil receive less state aid. The local property tax burden in those districts increases to fill the gap.

In 1990 the General Assembly, in an effort to stabilize this tax burden shift, continued to increase the state's contribution to K-12 educational programs. The statewide contribution percentage in 1990 was 47.7%.

Table 2 indicates the percentage changes in property tax revenue by taxing entity type between 1989 and 1990 levies.

STATE BOARD OF EQUALIZATION

Membership

The State Board of Equalization (state board) consists of the Governor or his designee, the President of the Senate or his designee, the Speaker of the House of

Representatives or his designee, and two members appointed by the governor with consent of the Senate. Each appointed member must be a qualified appraiser, a former assessor, or a person who has knowledge and experience in property taxation. In 1990, state board members included Donald C. Eberle, Chairman and appointee of Governor Roy Romer; Lyle C. Kyle, Vice-Chairman and designee of Senate President Ted L. Strickland; Carl B. Bledsoe, Speaker of the House of Representatives; Kenneth L. Salazar, designee of Governor Roy Romer; and Larry Kallenberger, appointee of Governor Roy Romer.

Duties and Responsibilities

The state board has various duties concerning the administration of property tax laws and equalization of the value of classes and subclasses of taxable property. Duties of the state board are found primarily in Article X, Sections 2 and 15 of the Colorado Constitution and in Title 39, Article 9, Colorado Revised Statutes.

Among its duties, the state board reviews the findings and conclusions of the annual study and orders reappraisals in counties found not in compliance. The annual study was initiated by the 1982 amendment to the constitution, and is conducted by the Director of Research of Legislative Council pursuant to 39-1-104(16), C.R.S. The study and the resulting orders of reappraisal are the primary means of achieving statewide equalization. The state board also reviews county Abstracts of Assessment, decisions of county boards of equalization, and the policies and recommendations of the Property Tax Administrator.

1990 Enforcement and Repayment Actions

On October 22 and 23, 1990, the state board met in the Old Supreme Court Chambers, State Capital, to review the findings and conclusions of Thimgan & Associates, auditing contractor for Legislative Council.

After considering all of the evidence and testimony, the state board concluded that one county was not in compliance with Colorado assessment law. The county assessor subsequently received orders to reappraise the following classes and subclasses of property.

1990 Enforcement Actions

The reappraisal orders in 1990 consisted of the following.

<u>County</u>	<u>Property Classes</u>	<u>Ordered</u>
Pitkin	Vacant Land Residential single family and condominiums	

On November 19, 1990 the state board met to consider and approve Pitkin County's plan for reappraisal.

As part of the 1982 amendment to the constitution, all counties that are ordered to reappraise will be required to reimburse the state for excess state equalization payments made to school districts. Excess state aid to schools occurs when counties are undervalued. The counties may be required to reimburse the costs of supervision, as well.

1990 Repayment Actions for 1989 Orders

On October 22 and 23, 1990, the state board ordered repayments of 1990 excess state aid to schools in the following amounts. The amounts do not include statutory interest payments.

<u>County</u>	<u>State Aid</u>
Cheyenne	\$ 3,490
Fremont	441,481
Grand	119
Otero	<u>21,185</u>
Total	\$466,275

<u>County</u>	<u>Supervision</u>
Cheyenne	\$20,119
Fremont	36,406
Grand	4,126
Otero	<u>6,486</u>
Total	\$67,137

The state board allowed each county an alternative to direct repayment of the costs of supervision. This alternative enabled each county to reinvest the costs of supervision within the assessor's office as a means to enhance the operational effectiveness of the office. No mill levy increases were allowed to fund this alternative. Funding of the alternative was to occur from existing county revenue sources. All counties chose this alternative.

1989 Enforcement Actions

On October 23, 1989, the state board, after considering all testimony, concluded that four counties were not in compliance with Colorado assessment law. Each county assessor subsequently received orders to reappraise the following classes and subclasses of property.

Reappraisal orders in 1989 consisted of the following.

<u>County</u>	<u>Property Classes Ordered</u>
Cheyenne	Vacant Land Residential
Fremont	Vacant Land Residential Commercial
Grand Otero	Vacant Land Irrigated land

On November 17 and December 1 (Grand County), 1989 the state board met to consider county plans for reappraisal. All plans were accepted with the exceptions that Cheyenne and Otero Counties were to increase the level of state supervision contained in their plans.

On October 25, 1989 the state board overruled county board of equalization decisions made in Archuleta, Dolores, and Park Counties. These decisions increased the assessed values in each of the three counties by the following amounts.

<u>County</u>	<u>Class of Property</u>	<u>Amount</u>
Archuleta	Comm Pers	\$66,380
Dolores	Vacant Land	306,400
	Residential	84,950
	Commercial	24,930
Park	Unpatented mining claims	<u>247,890</u>
Total		\$730,550

Status of 1989 Repayment Actions for 1988 Orders

On October 24 and 26, 1989, the state board heard testimony concerning the payback of excess state equalization payments and supervision costs resulting from their 1988 reappraisal orders.

Reappraisal orders in 1988 consisted of the following.

<u>County</u>	<u>Property Classes Ordered</u>
Las Animas	Commercial
Otero	Residential

The state board initially ordered that the Otero County reappraisal be conducted using county personnel, under the supervision of the state board through the Property Tax Administrator, and that the county reimburse the state for the cost of supervising the reappraisal. The Las Animas County reappraisal was ordered to be conducted by the county with the assistance of, rather than supervision through, the Property Tax Administrator. The state board directed Otero County to present a plan of reappraisal to the state board for consideration on October 20, 1988, which was approved.

On October 24 and 26, 1989, the state board ordered repayments of 1989 excess state aid to schools and supervision costs in the following amounts. The amounts for

excess state aid to schools do not include interest at seven percent.

<u>County</u>	<u>State Aid</u>
Las Animas	\$23,823
Otero	<u>73,044</u>
Total	\$96,867
	<u>Supervision</u>
Las Animas	\$ 0
Otero	<u>30,000</u>
Total	\$30,000

The state board allowed Otero County an alternative to direct repayment of the costs of supervision. This alternative enabled Otero County to reinvest the costs of supervision within the assessor's office as a means to enhance the operational effectiveness of the office. No mill levy increases were allowed to fund this alternative. Funding of the alternative was to occur from existing county revenue sources. Otero County chose this alternative.

On October 23 and 24, 1990, the state board determined that all ordered excess state aid to schools payments had been made by Las Animas and Otero Counties and that Otero County had expended \$37,903 to enhance the operation of the county assessor's office.

1987 Enforcement Actions

On October 25, 1989, the state board heard testimony concerning the payback of state supervision costs resulting from their 1987 reappraisal orders.

Reappraisal orders in 1987 consisted of the following.

<u>County</u>	<u>Property Classes Ordered</u>
Archuleta	Residential and Commercial/Industrial
Baca	Commercial/Industrial
Bent	Ag outbuildings

<u>County</u>	<u>Property Classes Ordered</u>
Conejos	Residential, Ag outbuildings, Vacant Land, non-producing patented mining claims
Costilla	Residential
Custer	Commercial/Industrial
Delta	Ag meadow hay land
Gilpin	Commercial/Industrial
Gunnison	Ag meadow hay land
Kit Carson	Residential land, residential-single family earth and stone land
Lake	Commercial/Industrial
Las Animas	Vacant Land, Residential, Ag improvements earth and stone land
Logan	Residential-rural
Mineral	Commercial/Industrial
Montrose	Ag irrigated and meadow hay land
Park	Earth and stone land
Rio Blanco	Commercial/Industrial
Saguache	Vacant Land, Residential, Ag irrigated and meadow hay land
San Juan	Vacant Land, Residential-single family
San Miguel	Rural properties
Sedgwick	Commercial/Industrial
Washington	Ag dry land
Yuma	Vacant Land, Residential, Commercial/Industrial, Ag improvements

Status of 1988 Repayment Actions for 1987 Orders

The state board found, in 1988, after review of the ordered reappraisal results, that the reappraisals in Custer and Park Counties resulted in lower values and, therefore, no excess state aid to schools occurred and supervision costs would not have to be repaid.

The state board also determined that the reappraisal order for San Miguel County was not justified and, therefore, San Miguel County was not required to repay supervision costs. For various other reasons, the state board determined that the supervision costs associated with Logan, Mineral, Rio Blanco, and Sedgwick Counties would not have to be repaid.

On October 25, 1989 the state board determined that all ordered excess state equalization repayments had been made.

The state board allowed all of the remaining sixteen counties, which were ordered to reappraise classes of property in 1987 an alternative to direct repayment of the costs for their supervision. This alternative enabled the counties to reinvest the costs of supervision within their respective assessors' offices as a means to enhance the operational effectiveness of those offices. No mill levy increases were allowed to fund this alternative. Funding of the alternative was to occur from existing county revenue sources. All of the sixteen counties chose this alternative and were found by the state board to be in compliance with the requirements of the alternative on October 24, 1990.

DIVISION OF PROPERTY TAXATION

Under the general laws of Colorado, the Division of Property Taxation is headed by the Property Tax Administrator. The Administrator is appointed by the State Board of Equalization to serve for a five-year term and until a successor is appointed and qualified.

The primary responsibility of the Division of Property Taxation (division) is to administer the implementation of property tax law throughout the sixty-three counties so that valuations are fair, uniform, and defensible; and, thereby, that each property class contributes a fair share, no more and no less, to total property tax revenue. In other words, the division's goal is equalization of valuation and proper distribution of property taxes throughout the state.

The division is composed of five sections: Appraisal Standards, Assessment Administration, Central Resources, State Assessed Properties, and Exempt Properties.

Appraisal Standards staff conduct all appraisal courses and develop appraisal procedures for residential, commercial and industrial properties, agricultural land, natural resource, and recreational

properties. They provide workshops in specialized areas of valuation; conduct schools dealing with the cost, market, and income approaches to value; and research, write, and publish manuals dealing with appraisal. Consultation and assistance is provided to county staffs with appraisal problems.

Assessment Administration staff conduct all courses dealing with the administration of an assessor's office; and research and develop manuals on assessment procedures and legal references. They provide workshops in specialized areas of assessment administration such as certification of values and levies, title conveyance, and parcel mapping. The section serves as primary liaison to the sixty-three counties in determining existing and future needs for assistance from the division in any area.

Central Resources coordinates and edits division publications, conducts research projects for the division and the General Assembly, processes abatement petitions, publishes the mobile equipment manual for county clerks and recorders, and provides data processing coordination. The section provides administrative services for the division, the State Board of Equalization, and the Statutory Advisory Committee to the Property Tax Administrator. In addition, the section deals with taxpayer complaints and serves as a liaison and coordinator with a variety of agencies with an interest in property taxation.

Pursuant to the reporting requirements for county treasurers enacted in by SB 88-184, Table 3 lists the abatements, refunds, and cancellations of uncollectable taxes granted by each county during 1988, 1989, and 1990.

State Assessed Properties values all public utility and transportation properties in the state.

Exempt Properties examines all applications for exemption from property taxation for property claimed to be owned and used solely and exclusively for

religious worship, private schools; or strictly charitable purposes, and makes determinations on these cases. Annual reports of exempt properties are reviewed to determine continuations of the exemptions.

The exempt properties section completed the process of promulgating rules and regulations as required by SB 89-237.

1990 PROPERTY TAX LEGISLATION

SB 90-34 Real estate appraisers - regulation of - appropriation. Declares the intent of the general assembly to require the licensure or certification of real estate appraisers in order to comply with the minimum requirements of the federal "Real Estate Appraisal Reform Amendments", title XI of the federal "Financial Institutions Reform, Recovery, and Enforcement Act of 1989".

Creates the board of real estate appraisers in the division of real estate in the department of regulatory agencies. Specifies that the board will consist of seven members appointed by the governor with the consent of the senate. Establishes certain qualifications for board membership. Enumerates the powers and duties of the board including the licensure, certification, and discipline of real estate appraisers. Provides for judicial review of final actions and orders of the board.

Establishes the requirements for an appraiser's license and for an appraiser's certification including criteria for initial and continuing education and appraisal experience. States the expiration terms of a license or certificate and sets forth the procedure for renewal or reinstatement. Allows reciprocity of licensure or certification between Colorado and other states. Empowers the board to deny the issuance or renewal of a license or certificate.

Lists prohibited activities of real estate appraisers and empowers the board to take disciplinary action for such conduct.

Creates administrative and criminal penalties for violations of the provisions of the act.

Delays the date for compliance with the licensure or certification requirements for certain public employees from July 1, 1990, until July 1, 1992.

Requires that all fees, fines, and penalties collected pursuant to the act be credited to the division of real estate cash fund.

Terminates the board of real estate appraisers on July 1, 1999. Provides for review by the sunrise and sunset review committee prior to said termination date.

Appropriates \$109,652 and 1.5 FTE from the division of real estate cash fund to the board of real estate appraisers for the implementation of the act. Out of such moneys, appropriates \$22,278 and 0.3 FTE to the department of law and \$5,484 and 0.1 FTE to the division of administrative hearings for the implementation of the act. Appropriates \$38,375 out of the division of real estate cash fund to the board of real estate appraisers to be transmitted to the federal financial institutions examinations council as required by federal law.

SB 90-118 New or expanded business facilities - counties, municipalities, and school districts - incentive payments. Authorizes counties, municipalities, and school districts to negotiate agreements regarding incentive payments with taxpayers who establish new business facilities or who expand existing business facilities in such counties, municipalities, or school districts. Establishes limitations on the term of such agreements and the amount of such incentive payments. Prohibits counties, municipalities, and school districts to enter into any new agreements on or after January 1, 1995. These payments are made directly to the taxpayer rather than being handled as abatements. Requires counties, municipalities, and school districts to give notice of agreements negotiated by such governmental entity to other appropriate governmental entities. Prohibits school districts from negotiating agreements with any taxpayer until so notified of agreements negotiated with such taxpayer by the county and municipality in which such new business facility would be located or such expanded business facility is located. Makes adjustments in the formula for state aid to school districts to take into account an incentive payment made to a taxpayer, and requires any agreement for an incentive payment between a school district and a taxpayer to be approved by the state board of education.

 SB 90-186 Insolvent taxing districts - filing of bankruptcy petitions. Grants authority to any insolvent taxing district to file a bankruptcy petition authorized by federal law and to take any and all action necessary or proper to carry out the plan required by federal law for the adjustment of the debtor's debts. Defines "insolvent taxing district " as any special district organized or operating under the provision of the state "Special District Act" which is able to show that it has been unsuccessful at alternatives to bankruptcy and that it would be unable to discharge its obligations as they become due without imposing a mill levy of 100 mills or more. Validates any filing of a petition or plan or any approval of a plan which occurred prior to the effective date of the act, May 24, 1990. Repeals the provisions concerning special district bankruptcies on July 1, 1993.

Prohibits an insolvent taxing district which has increased its mill levy for certain specified purposes from receiving any larger proportion of the specific ownership taxes of the county as a result of such mill levy increase and directs that any dollar amounts resulting from the levying of ad valorem taxes by an insolvent district for such purposes be excluded from the calculation of the percentages used to apportion specific ownership tax revenues.

SB 90-211 Property tax - change in date for payment of final installment of taxes - additional payments of tax revenues to school districts - study of tax collection and distribution procedures. In order to implement the change in the school district fiscal year, effective July 1, 1992, and to transfer property tax revenues to school districts prior to the end of the fiscal year, changes the date for paying the second installment of property taxes from July 31 to June 15. Makes such change effective

January 1, 1992, and requires county treasurers to inform taxpayers of such change. On and after January 1, 1992, in addition to the normal payment of property tax revenues to school districts on the tenth of each month, requires county treasurers to make three additional payments during the months of March, May and June.

Requires the Colorado county treasurers' association, in consultation with the Colorado department of education and the legislative council, to conduct a study to determine the most efficient method for collecting and distributing property tax revenues. Provides for the results of such study to be submitted to the general assembly, along with any recommendations concerning statutory changes, by January 2, 1991.

HB 90-1018 Property tax - vacant land - assessment calendar - protests and appeals - abatements and refunds - omitted oil and gas leaseholds and lands - agricultural land - state board of equalization - nonexempt use of health care facilities. Requires an application for certificate of title for a manufactured home to specify the new or resale price of such manufactured home, whichever is applicable, paid by such applicant. In the valuation of vacant land, changes the maximum time period for anticipated market absorption rates from 10 years to 30 years. For property tax year 1991 and thereafter, requires assessors to send

subdivision questionnaires to obtain information regarding the value of vacant land in subdivisions. Changes the date by which notices of valuation for real property are required to be mailed from May 15 to May 1. Modifies the dates by which taxpayers must give notice of real property protest to assessors by mail from June 10 to May 27 and in person from June 15 to June 1. Requires the assessor to give a taxpayer an explanation of the reasons why the actual value of property in an intervening year has increased by more than 75% from the previous year.

Changes the date by which assessors shall file public notice concerning the commencement of hearings of real property protests from May 15 to May 1. Modifies the date by which assessors shall conclude such hearings from June 15 to June 1. Specifies that certain statements do not satisfy the requirement that assessors must give a written statement setting forth the reasons why any protest is denied. In any protest hearing, requires assessors to consider taxpayers' evidence regarding the value of property. Changes the date by which assessors must report the valuation for assessment of real property and the protests of such valuations to county boards of equalization from the date of the first meeting of the board to the second Monday in July. Modifies the date by which taxpayers are required to file petitions for hearing with county boards of equalization from July 10 for real property and July 15 for personal property to July 15 for both real and personal property.

Allows taxpayers to appeal abatement and refund decisions. Specifies procedures for such appeals. Increases the fee collected by county treasurers for advertising delinquent personal property taxes from \$1 to \$10. Clarifies that agricultural land can be located in an incorporated or unincorporated area and that land can be classified as agricultural regardless of the uses for which such land is zoned. Imposes an additional requirement in order to be classified as agricultural land that at least 1/3 of the total gross income

resulting from all uses of the land be from the use as a farm or ranch. Specifies that the use of agricultural land for hunting, fishing, or other wildlife purposes shall not affect such agricultural classification.

Requires assessors to consider the actual value of taxable property for the first year of the reassessment cycle, as may have been adjusted prior to the next assessment date, to be the actual value for the second year of the reassessment cycle unless there is evidence showing that any of the three approaches to appraisal requires modification of such actual value. Requires any taxpayer which has taken a county board of equalization decision to arbitration to produce information supporting his or her position in addition to requiring the assessor to produce information supporting the assessor's valuation. Mandates that the arbitrator shall consider the information presented by both sides. Clarifies that the one-year redemption period for mobile homes is applicable to the redemption of any mobile home which is located on property which was previously owned by the owner of the mobile home but, through foreclosure, which is currently owned by another person.

Eliminates the duty of the advisory committee to the property tax administrator to approve or disapprove property tax manuals, appraisal procedures, and instructions. Imposes the additional duty upon the advisory committee to make recommendations regarding such manuals, procedures, and instructions to the state board of equalization. Requires the state board of equalization to approve or disapprove all property tax manuals, appraisal procedures, and instructions; however, if the state board fails to act within 30 days, such manuals, procedures, or instructions are automatically approved.

Requires assessors, upon request, to release to taxpayers any confidential data which can be presented in a manner that does not reveal the source of such data and to release to the taxpayer all data supporting the assessor's valuation two

working days prior to any county board of equalization hearing. At such hearing, requires the assessor to produce information supporting his or her valuation but prohibits the reliance on any confidential data which cannot be presented to the taxpayer without revealing its source. Requires county boards of equalization to hear and consider all testimony and exhibits presented in such hearings. In any appeal of valuation decisions of county boards of equalization or in any appeal of abatement or refund decisions by boards of county commissioners, prohibits increasing the valuation established by such board except for specified reasons; specifies that the valuation of similar property similarly situated is credible evidence; prohibits the respondent from relying on confidential data which cannot be released to the taxpayer without revealing its source; and requires assessors, upon request, to release to the taxpayer all data supporting the assessor's valuation two working days prior to any appeals hearing.

Specifies that once property is classified for property tax purposes, it shall remain so classified until the actual use changes or the assessor discovers that the classification was erroneous. Requires taxpayers to endeavor to comply with reasonable requests of assessors for information which cannot be obtained independently and which is necessary to determine the actual use of the property. Prohibits the failure to supply such information from being the sole reason for reclassifying such property.

Allows the nonexempt use of any property of a health care facility which is otherwise exempt from property tax if the nonexempt use does not result in gross income from an unrelated trade or business which exceeds 15% of the total gross revenues from all uses of such property. Specifies that, when an abatement or refund is granted prior to the certification of the mill levy, the board of county commissioners may determine when such abatement or refund shall be paid; however, such payment shall be no later than upon the

payment of property taxes for the property tax year in which such abatement or refund was granted. Prohibits any abatement or refund from being granted on the ground of errors in valuation if the valuation has been protested or appealed and the protest or appeal is pending or upon which a final order or judgment has been issued. Clarifies, for purposes of qualifying as a ranch, that livestock includes domestic animals used for food for human or animal consumption or for breeding.

Increases the amount of any abatement or refund which must be reviewed by the property tax administrator from \$500 to \$1,000. Specifies that taxes paid on oil and gas leaseholds and lands which were previously omitted from the assessment roll due to underreporting of the selling price or the quantity of oil or gas sold therefrom are not included as revenues received as taxes paid on omitted taxable property for purposes of calculating the revenue limitation of local governments. Requires such taxes paid to be escrowed until the subsequent year and allows the collection costs of the treasurer and assessor to be subtracted from such taxes prior to apportionment and distribution to taxing entities.

HB 90-1164 Lease-purchase agreements - personal property acquired by state agencies - real and personal property acquired by local governments.

Establishes limitations on the authority of state and local governmental agencies to enter into lease-purchase agreements. Prohibits the expenditure of moneys subject to legislative appropriation for lease-purchase or installment purchase agreements for the acquisition of personal property by state agencies, unless expressly appropriated by the general assembly for such purpose or otherwise permitted by the annual long appropriations bill. Requires legislative authorization of any lease-purchase or installment purchase agreement for the purchase of personal property by a state agency, if the total of all payments required over the term of the agreement exceeds \$50,000.

Requires local governments, including home rule cities and counties, special districts, school districts, and junior college districts, to set forth separately in their budgets each of the following: The total amount to be expended during the ensuing fiscal year for payment obligations under all lease-purchase agreements involving real property; the total maximum payment liability of the local government under all lease-purchase agreements involving real property over the entire terms of such agreements, including all optional renewal terms; the total amount to be expended during the ensuing fiscal year for payment obligations under all lease-purchase agreements other than those involving real property; and the total maximum payment liability of the local government under all lease-purchase agreements other than those involving real property over the entire terms of such agreements, including all optional renewal terms.

Prohibits local governments from entering into any lease-purchase agreement whose duration, including all optional renewal terms, exceeds the weighted average useful life of the assets being financed. In the case of a lease-purchase agreement involving both real property and other

property, requires that the lease-purchase agreement shall provide that the real property involved shall be amortized over a period not to exceed its weighted average useful life and that the other property shall be separately amortized over a period not to exceed its weighted average useful life.

HB 90-1176 Interest rate - state taxes - prime rate as base. Changes the rate of interest permitted to be charged in connection with the underpayment, nonpayment, extension of time for payment, or overpayment of state taxes from the discount rate to the prime rate as reported by the Wall Street Journal plus 3 points. Requires that such rate be established initially on July 2, 1990, and thereafter annually on July 1, or the next succeeding business day. Allows the executive director to waive the imposition of 3 points in excess of the prime rate if payment is made within 30 days of notice, unless there has been a willful neglect or failure to pay such tax. This is the rate used to calculate interest on excess state aid to schools payments.

HB 90-1229 Property tax - classification of certain forest lands as agricultural land. For purposes of property taxation, modifies the definition of "agricultural land" to include a parcel of at least 40 acres which is forest land, which is used to produce tangible wood products for the primary purpose of making a profit, which is subject to a forest management plan, and which is not a farm or ranch.

Requires the Colorado state forest service to annually inspect forest land subject to a forest management plan to determine if such forest land is eligible to be classified as agricultural land. Provides for the Colorado state forest service to annually report to county assessors any forest land

which is eligible to be classified as agricultural land and any forest land which no longer qualifies for such classification. Specifies certain information to be included in such report. Authorizes the Colorado state forest service to charge fees to owners of forest land being inspected to cover the reasonable costs incurred in making such inspections.

Applies to property tax years beginning on or after January 1, 1991.

APPROVED by Governor April 16
EFFECTIVE April 16

HB 90-1300 Special improvement districts - administrative and collection of special assessments. Requires certain resolutions adopted by boards of county commissioners relating to local improvement districts and certain ordinances adopted by governing bodies of municipalities relating to special improvement districts to be filed with specified county officers and the division of local government in the department of local affairs. Requires a good faith effort for such filings, but provides that failure to comply will not affect or impair the execution of the improvement. Establishes an additional reason for which a board of county commissioners or a governing body of a municipality may make a new assessment for such improvement district subsequent to making a final assessment. Authorizes county assessors to create separate schedules for assessing land pursuant to a final resolution of the county or pursuant to a final ordinance of the municipality.

Specifies that installment payments of special assessments which are collected by county treasurers shall be made at the same time that installment payments of property taxes are made. Authorizes county treasurers to adopt policies and procedures for the administration and collection of special assessments. Establishes requirements which must be met prior to adoption of such policies and procedures.

Effective July 1, 1990, allows municipalities other than the municipality creating a special improvement district to be included in such special improvement district as long as such municipalities are located in the same county as the municipality creating such special improvement district. Requires municipal consent by ordinance before another municipality may be included in such special improvement district. Eliminates the discount for the timely payment of special assessments.

Defines the terms "costs" and "property" for purposes of foreclosure proceedings conducted as a result of delinquent assessments for special assessment districts which exist on or are created on or after July 1, 1990.

HB 90-1302 Board of assessment appeals - appointment of additional members - appropriation. Increases the number of additional members which may be appointed to the board of assessment appeals from two to six as a result of an extraordinary work load of said board regarding property tax appeals.

Appropriates \$322,400 and 5.0 FTE out of the general fund to the department of local affairs for allocation to the board of assessment appeals for the implementation of the act and appropriates \$37,200 to 0.6 FTE from cash funds of the board of assessment appeals to the department of law for the provision of legal services to the department of local affairs for the purposes of the act.

APPROVED by Governor May 22
EFFECTIVE May 22

HB 90-1322 Property tax - exemptions - educational or charitable purposes - "Colorado benefit test". For property which is otherwise exempt from property taxation because it is owned and used for schools or for charitable purposes, prohibits the imposition of a requirement that the use of

such property benefit the people of Colorado in order to qualify for such exemption. Provides that nonresidential property owned and used exclusively by a qualified amateur sports organization shall be presumed to be owned and used for charitable purposes. Makes said prohibition applicable for property tax years commencing on and after January 1, 1990.

STATE BOARD OF EQUALIZATION COURT CASE ABSTRACTS

The following court case abstracts are presented to document the judicial review history of State Board of Equalization (SBOE) decisions since January 1, 1983.

Douglas County v. SBOE
Denver District Court
83CV9452
June 5, 1984

The issue in this case was whether or not 1982 Constitutional Amendment 1 repealed the classification and valuation of land as "open space land."

The Court found that the special statutory provisions concerning the valuation of "open space land" were repealed by implication upon passage of 1982 Constitutional Amendment #1. The Court ruled, however, that the appointment of Senator Callihan to the SBOE was unconstitutional due to the prohibition against senators and representatives, while serving as such, also serving in State civil offices. The Court therefore reversed the SBOE's decision regarding "open space land" and remanded the decision to the SBOE for further action consistent with the Court's order.

Arapahoe & Jefferson County v. SBOE
Denver District Court
83CV011197
July 18, 1984

This case concerned the SBOE's authority to order a reappraisal in the face of lack of sufficient data, as admitted by the assessment auditor, but the case was withdrawn.

Centex Homes Corp. v. SBOE, et. al.
Denver District Court
84CV634
November 20, 1984

Decision of State Board Of Equalization appealed which overturned Arapahoe County Board of Equalization's decision to give residential assessment rate to vacant land.

The Court found that the SBOE acted as provided in the Constitution to order Arapahoe County to reassess 163 parcels of vacant residential land at 29% rather than the residential assessment rate of 21% applied to land with residential dwellings located thereon. The SBOE acted in a procedurally correct manner to give notice of the meeting at which the decision was made, acted correctly to review the county Abstracts of Assessment, to accept jurisdiction over the 163 parcel "subclass" created by Arapahoe County, and to order the change in assessment percentage. Even though the SBOE was not properly constituted at the time, Senator Callihan being both a senator and a member of the SBOE, the court found that the 5-0 decision was not unduly affected by Senator Callihan and should, therefore, remain undisturbed.

Douglas County v. SBOE
Denver District Court
83CV9452
February 26, 1985

The issue in this case was whether or not 1982 Constitutional Amendment 1 repealed the classification and valuation of land as "open space land," after remanding

the case to the SBOE to vote on the matter without Senator Calahan.

The Court ordered that, after the SBOE reached the same conclusion after the remand, this case be dismissed with prejudice.

Gold Star Sausage Co. Inc. v. SBOE, et. al.
Denver District Court
83CV002591
September 1985

This case concerned depreciation of personal property beyond the current level of value, but the case was withdrawn.

Timothy Brant, et. al. v. SBOE, et. al.
Prowers County District Court
85CV89
March 19, 1986

This case concerned the appeal of values established as a result of a SBOE ordered reappraisal in Prowers County. The case was dismissed as a result of the plaintiffs not having exhausted their statutory administrative remedies.

Efren Romero, et. al. v. SBOE, et. al.
Denver District Court
84CV11491
May 7, 1986

This case concerned the reappraisal of property in Conejos County ordered by the SBOE and the plaintiffs' contention that the resulting notices of increased values were defective due to a lack of inclusion of Spanish language translations in the notices.

The parties to this case stipulated that beginning in 1986 (or when supplies of all old forms were exhausted, whichever was later), all notices of value sent in counties covered by the Voting Rights Act of 1965, as amended in 1982, would include Spanish language translations.

Adams County v. SBOE
Denver District Court
85CV16003
October 28, 1986

In this case, the plaintiffs contended that repayment of excess state aid to schools required as a result of a SBOE ordered reappraisal was inappropriate.

The Court found that Adams County's three arguments against the repayment of excess State aid to schools following the completion of a reappraisal were without merit. The Court found that, contrary to the County's opinion, "such excess" was calculable and, therefore, not vague; that there is no foundation for arguing that constitutional guidelines are unconstitutionally vague, the guidelines being free of ambiguities that would preclude uniform valuation; and, that without ambiguities, the adoption of rules and regulations is unnecessary.

Writer Corp. v. SBOE, et. al.
Denver District Court
87CV21800
July 6, 1988

This case concerned the assessment of land at 29%, when the land was subdivided residential vacant lots, rather than the then current residential assessment rate.

The Court found that the SBOE acted as provided in the Constitution to order Arapahoe County to reassess vacant lots, within improved and subdivided residential parcels of land, at 29% rather than the residential assessment rate applied to land with residential dwellings located thereon. The SBOE acted in a procedurally correct manner to give notice of the meeting at which the decision was made, acted correctly to review the county Abstracts of Assessment, to accept jurisdiction over the "subclass" created by Arapahoe County, and to order the change in assessment percentage.

Centex Homes Corp. v. SBOE, et. al.
 Colorado Court of Appeals
 87CA0887
 November 17, 1988

This case concerned the assessment of land at 29%, when only improvements other than a residence existed, rather than the then current residential assessment rate.

The Court affirmed the Denver District Court's decision affirming the SBOE's jurisdiction and order that property with improvements but no residential dwelling unit be assessed at the same rate as all other (SIC) non-agricultural property.

Writer Corp. v. SBOE, et. al.
 Colorado Court of Appeals
 88CA1144
 August 10, 1989

The Court affirmed the Denver District Court's decision affirming the SBOE's jurisdiction and order that property with improvements but no residential dwelling unit be assessed at 29%.

Telluride Regional Airport Auth. v. SBOE
 Colorado Court of Appeals
 87CV18262
 August 17, 1989

The plaintiff in this case contended that the SBOE's order to San Miguel County, which required removal of exempt status for certain privately owned property within the boundaries of the airport authority, exceeded the SBOE's authority to act.

The Court ruled that the SBOE did not have the authority to rule on issues, contained in a district court case, regarding a piece of private property qualifying for exemption from property taxation. The Court further ruled that this matter was rightfully decided by the county board of commissioners and rightfully appealed to district court which overturned the commissioner's ruling and allowed exemption of the property.

Guest Mansions, Inc. V. SBOE, et. al.
 Colorado Court of Appeals
 89CA2023
 January 24, 1991

The plaintiff in this case contended that the SBOE's order to Arapahoe County, which required removal of exempt status for certain privately owned property within the boundaries of the airport authority, exceeded the SBOE's authority to act.

The Court ruled that the SBOE did not have the authority to rule on the exemption of a private possessory interest in property owned by the airport authority. The Court further ruled that this matter was rightfully decided by the county board of commissioners in favor of the plaintiff.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent data collection procedures and the use of advanced analytical techniques to derive meaningful insights from the data.

3. The third part of the document focuses on the role of technology in data management and analysis. It discusses how modern software solutions can streamline data collection, storage, and processing, thereby improving efficiency and accuracy.

4. The fourth part of the document addresses the challenges associated with data management, such as data quality, security, and privacy. It provides strategies to mitigate these risks and ensure that the data remains reliable and secure throughout its lifecycle.

5. The fifth part of the document concludes by summarizing the key findings and recommendations. It stresses the importance of continuous monitoring and evaluation of the data management process to ensure it remains effective and aligned with the organization's goals.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. This section also touches upon the legal implications of failing to maintain such records, which can lead to severe consequences for individuals and organizations alike.

2. The second part of the document delves into the specific requirements for record-keeping, including the types of documents that must be retained and the duration for which they should be kept. It provides a detailed overview of the various categories of records, such as financial statements, contracts, and correspondence, and outlines the best practices for organizing and storing these documents to ensure they are easily accessible and secure.

3. The third part of the document addresses the challenges associated with record-keeping, such as the volume of data generated and the risk of data loss or corruption. It offers practical solutions and strategies to overcome these challenges, including the use of digital storage solutions and the implementation of robust backup and recovery procedures. This section also discusses the importance of regular audits and reviews to ensure the integrity and accuracy of the records.

4. The fourth part of the document focuses on the role of record-keeping in compliance with various regulations and standards. It highlights the specific requirements imposed by different regulatory bodies and provides guidance on how to ensure that all records are maintained in accordance with these requirements. This section also discusses the importance of staying up-to-date with changes in regulations and standards to avoid non-compliance and associated penalties.

5. The fifth and final part of the document summarizes the key points discussed throughout the document and emphasizes the overall importance of record-keeping in ensuring the success and sustainability of any organization. It encourages individuals and organizations to take a proactive approach to record-keeping and to view it as a critical component of their overall business strategy.

(1) Averages will not add to the Total Average County Levy because denominators (Assessed Valuation) are not common to all.

(2) Municipal Revenues are divided by the sum of Municipal Assessed Valuation.

(3) Special District Revenues are divided by the sum of all Special District Assessed Valuation.

* These figures include tax increment valuation, and all tax revenues attributable to the increment are allocated to the increment financing authority only.
