

STATE OF COLORADO

2020

**FIFTIETH
ANNUAL
REPORT**

**TO THE
GOVERNOR AND THE GENERAL ASSEMBLY**

Department of Local Affairs
Division of Property Taxation

COLORADO
Department of Local Affairs
Division of Property Taxation

May 17, 2021

The Honorable Jared Polis
Governor of Colorado
and
The General Assembly of the
State of Colorado
200 E. Colfax Avenue
Denver, CO 80203

Governor Polis and Members of the General Assembly:

We are submitting the Fiftieth Annual Report in compliance with 39-2-119, C.R.S. In addition to providing listings of assessed values in the counties and property tax revenues of the local taxing jurisdictions, the report contains statistical and summary information.

Respectfully submitted,

JoAnn Groff

JAG:jr

REQUEST FOR ADDITIONAL COPIES OF 2020 ANNUAL REPORT

State of Colorado
Division of Property Taxation
1313 Sherman St., #419
Denver, CO 80203

Date _____
Department of Local Affairs
(303) 864-7777

One copy of the 2020 Annual Report is provided free to your company or organization. Each additional copy is \$10.00. Make checks payable to State of Colorado, Department of Local Affairs.

Section II

Administration

COLORADO PROPERTY TAX

OVERVIEW

In Colorado, the authority for property taxation is both constitutional and statutory. Article X of the Colorado Constitution provides that all property is taxable unless declared exempt by the Constitution, and that the actual value of taxable property shall be determined under the general laws to secure just and equalized valuations. The specific statutes pertaining to property taxation are found in articles 1 through 14 of title 39 of the Colorado Revised Statutes.

Under the general laws of Colorado, county assessors are required to discover, list, classify, and value all taxable property within their county boundaries except for those properties that are state assessed. The State Board of Equalization (Board) has supervision over the administration of all laws concerning the valuation and assessment of taxable property and the levying of property taxes. The Division of Property Taxation (Division), under direction of the Property Tax Administrator (Administrator), coordinates the implementation of property tax law throughout Colorado’s sixty-four (64) counties.

The Colorado property tax system provides revenue exclusively for local government services. The largest share of property tax revenue for the year 2020 (51.22 percent) goes to support the state’s public schools. County governments claim the next largest share (22.91 percent), followed by special districts (19.98 percent), municipal governments (4.72 percent), and local district colleges (1.19 percent).

TABLE 1 lists the percentage change in property tax revenue between taxes payable in 2020 and in 2021 for the types of taxing entities in Colorado.

TABLE 1

REVENUE CHANGE BY ENTITY TYPE FOR TAX YEARS 2019-2020	
Taxing Entity	% Change
School Districts	2.6%
Local District Colleges	-3.6%
Counties	3.5%
Municipalities	0.5%
Special Districts	2.2%
Combined Change:	26.8%

STATE BOARD OF EQUALIZATION

The State Board of Equalization consists of the Governor, the President of the Senate, the Speaker of the House of Representatives, or their designees, and two members appointed by the Governor with consent of the Senate. Each appointed member must be a qualified appraiser, a former assessor, or a person who has knowledge and experience in property taxation.

There were membership changes on the Board for 2020. The Board met four times in 2020, and at the first meeting in January, the board was made up of the following individuals:

- Dickey Lee Hullinghorst, designee of Governor Jared Polis, elected by her fellow board members as chairwoman;
- Barbara Brewer, a hold over appointment of Governor Hickenlooper, and was elected as vice-chairwoman;
- Marty Flaum, the second appointee of Governor Jared Polis;
- Representative Cathy Kipp, designee of the Speaker of the House, KC Becker; and
- Senator Pete Lee, designee of the President of the Senate, Leroy M. Garcia.

For the Board's second meeting in April of 2020, Senator Nancy Todd replaced Senator Pete Lee, as the designee of the President of the Senate, Leroy M. Garcia. Senator Nancy Todd was subsequently replaced by Senator Chris Hansen for the Board's meeting in November as the designee of Senate President Garcia.

Duties and Responsibilities

The Board supervises the administration of property tax laws and the equalization of the values of all the classes and subclasses of taxable property across the state. Duties of the Board are found primarily in sections 3 and 15 of article X of the Colorado Constitution, and articles 1 and 9 of title 39 of the Colorado Revised Statutes.

The Board reviews the findings and conclusions of the annual study contractor and orders reappraisals in counties found to be not in compliance. The study was initiated by a 1982 amendment to the Colorado Constitution to ensure all assessors value property at the same level of value using standardized procedures and statistical measurements. The study is conducted by an independent auditing firm contracted by the Director of Research for the Office of Colorado Legislative Council, § 39-1-104(16), C.R.S. The study and the resulting orders of reappraisal are the primary means of achieving statewide equalization. Each year, the auditor performs both a ratio study and a market trend analysis. The auditor also reviews both sold and unsold properties in addition to agricultural residences and any other areas as directed by the Office of Colorado Legislative Council.

The following companies were contracted for the annual study since 1982:

- 1983-1986 – Max Arnold and Assoc.
- 1987 – Hoover and Assoc.
- 1988 – Hoover, Thimigan and Assoc.
- 1989-1992 – Thimigan and Assoc.
- 1993-2002 – Thos Y. (T.Y.) Pickett and Co. Inc.
- 2003-2008 – Rocky Mountain Valuation Specialists, LLC
- 2009-2020 – Wildrose Appraisal, Inc., Audit Division

The importance of the Board's equalization function is due, in part, to the relationship that exists between assessed values and state aid to schools. Generally, if the property in a school district is undervalued, it is likely the district will receive more state revenue than it is entitled. When the results of a reappraisal order indicate the affected school district(s) received too much state revenue, the Board will order the county (not the school district) to pay back the excess funding. During the 1980s

and early 1990s, this occasionally required the repayment of substantial revenue to the state. In years that are more recent however, significant improvements in the quality of county assessments have resulted in far fewer reappraisal orders and smaller repayments of excess state aid to schools.

The Board also reviews county Abstracts of Assessment, decisions of county boards of equalization (county boards), and the policies and recommendations of the Property Tax Administrator and any changes to the three volumes of the Assessors' Reference Library published by the Administrator.

STATE BOARD OF EQUALIZATION ACTIVITY

The following is a brief history of recent actions by the State Board of Equalization over the most recent five-year period, from 2020 back to 2016.

2020 Action and Enforcement

In 2020, the Board held three special meetings and one regular meeting which is customarily in October. The meetings were dated January 10, April 9, August 4, and November 17.

The Board held its first special meeting on January 10, 2020. At the meeting, the Board first reviewed the minutes from the last meeting which took place on October 8, 2019. The minutes were approved and then the Board moved on to the topic of requests from exempt property owners to waive the filing deadline of annual reports. Stan Gueldenzopf, manager of the Exemptions Section, noted that twenty-eight new petitions had been submitted since the Board last met.

The filing deadline was extended to February 24, 2020 for all waivers being considered both on the consent agenda and those highlighted for discussion. The list of properties on the consent agenda were approved for a waiver and the motion passed unanimously. The Board then listened to the request that was highlighted for discussion regarding the property owned by House of Worship United Pentecostal. The board approved the waiver for this organization going back to 2015, and also made the entity accountable for all fees and interest incurred. After passing the motion unanimously, the board adjourned the meeting.

The Board met again on April 9, 2020. This meeting was held via remote access only to comply with Governor Jared Polis' Executive Order D 2020 017 Ordering Coloradans to Stay at Home Due to the Presence of COVID-19 in the State, and the Third Updated Public Health Order 20-24, Implementing Stay at Home Requirements. The Board heard Property Tax Administrator JoAnn Groff explained the purpose of the meeting was for proposed emergency rule making related directly to Executive Order D 2020 022, ordering the Temporary Suspension of Statutes Concerning Taxpayer Filing Requirements for Certain Taxable Property due to the Presence of COVID-19 in the state. The emergency rules considered supervision of the administration of the property tax laws.

Ms. Groff noted that the rules, if adopted by the board, would go into effect immediately and would be forwarded to the attorney general's office requesting opinion on their legality. Chairwoman Hullinghorst then convened the board in an executive session for the purpose of receiving legal advice from the board's attorney, Heather Flannery.

The Board delayed considering a question from Mesa County about expanding the median sales ratio requirement upon advice from counsel. Ms. Groff then continued to explain how the purpose of the emergency rules related directly to Executive Order D 2020 022, ordering the Temporary Suspension of Certain Statutes Concerning Taxpayer Filing Requirements for Certain Taxable Property due to the Presence of COVID-19 in the state. The Board reviewed a table format that outlined the relevant statutes, current deadlines and new deadlines imposed by this change. Specifically, those rules addressed the filing deadlines of:

1. Business personal property, found in sections 39-5-108 and 39-5-116(1) of the Colorado Revised Statutes;

2. Taxable natural resource property – mining, found in sections 39-5-115(1); 39-5-116(1); 39-6-106(1); and 39-6-113(3), of the Colorado Revised Statutes; and
3. Taxable oil and gas property found in sections 39-7-101(1), (2); 39-5-113.3(1); and 39-5-116(1), of the Colorado Revised Statutes.

The proposed emergency rules moved those deadlines from April 15, 2020 to June 15, 2020. Additionally, the executive order suspended other deadlines to accommodate the extension of the filing deadlines for taxpayers. The extension of these other dates were necessary to prepare the values of those properties to be included in the certification of value to taxing jurisdictions for 2020. The additional deadlines were found in the following statutes:

1. Notices of valuation to property owners, sections 39-5-121(1.5)(a)(I); 39-6-111.5; and 39-7-102.5, of the Colorado Revised Statutes;
2. Protest period for property valuations, sections 39-5-121(1.5)(a)(I) and 39-5-122(2), (4), of the Colorado Revised Statutes;
3. Notice of determination, section 39-5-122(2), of the Colorado Revised Statutes;
4. Extended appeal calendar, section 39-5-122.7, of the Colorado Revised Statutes;
5. Appeals to County Board of Equalization, sections 39-8-106(1)(a) and 39-8-107(2), of the Colorado Revised Statutes;
6. Preliminary certification of values, section 39-5-128(1), of the Colorado Revised Statutes;
7. Reports of assessor, section 39-8-105(2), of the Colorado Revised Statutes;
8. Abstracts of assessment, sections 39-2-115(1) and 39-5-123, of the Colorado Revised Statutes; and
9. Abstract recommendations, section 39-2-115(3), of the Colorado Revised Statutes.

The Board unanimously adopted the rules as they were imperatively necessary to comply with Executive Order D 2020 022, and for the preservation of public health, safety, or welfare because the extension of regular deadlines, further facilitated taxpayers' ability to comply with Executive Order D 2020 017 and D 2020 024, Ordering Coloradans to Stay at Home Due to the Presence of COVID-19 in the State, and Third Updated Public Health Order 20-24, Implementing Stay at Home Requirements. Chairwoman Hullinghorst then closed discussions on the emergency rule making topic and moved to call to order a discussion on waivers of filing deadlines for exempt property owners.

Ms. Groff explained that due to Executive Orders D 2020 017 and D 2020 024, ordering Coloradans to Stay at Home Due to the Presence of COVID-19 in the State, and the Third Updated Public Health Order 20-24, Implementing Stay at Home Requirements, it may be difficult for exempt property owners to meet their annual report filing deadlines as described in section 39-2-117(3)(a)(I) of the Colorado Revised Statutes. This statute allows the Property Tax Administrator the authority to waive all or a portion of the late filing fee for good cause shown. She also explained it was her intention to waive the late filing fee for all exempt property owners who file their annual reports after April 15, but no later than by the extended filing deadline of June 15. Ms. Groff explained that this statute also imposes a final filing deadline of July 1, and that the Board has the right to waive filing deadlines for exempt property owners who miss the July 1 deadline if they find the interests of justice and equity would be served.

The Board issued a blanket waiver of filing deadline for all exempt property owners to file their annual reports by September 1, 2020 and then the meeting was adjourned.

The Board held its third special meeting on August 4, 2020. The meeting was also via remote access only in accordance with Executive Order D 2020 144, Safer at Home and in the Vast, Great Outdoors.

The first action the Board to was to approve the minutes from the January 10, 2020 and the April 9, 2020 meetings. Ms. Groff explained that the meeting is to consider Emergency Rule 3, relating to Executive Order D 2020-22, as amended and extended by Executive Orders D 2020 055, D 2020 089, D 2020 121, and D 2020 150, to continue the temporary suspension of calendar year 2020 statutory deadlines necessary to accommodate taxpayer filing deadlines that were extended for certain taxable property. The rule was being considered as part of the General Rules Regarding Supervision of the Administration of Property Tax Laws. The rule was to be forwarded to the Attorney General's office after adoption for a request on the constitutionality and legality of the rules. Ms. Groff explained The reason for the proposed emergency rule related directly to Executive Order D 2020 150 to continue the temporary suspension of calendar year 2020 statutory deadlines necessary as an extension of Executive Order D 2020 22, ordering the Temporary Suspension of Statutes Concerning Taxpayer Filing Requirements for Certain Taxable Property due to the Presence of COVID-19 in the state. The extension of the deadlines was necessary to prepare the values of the properties to be included in the certification of valuations. The new deadlines were:

1. Notices of valuation to property owners, sections 39-5-121(1.5)(a)(I); 39-6-111.5; and 39-7-102.5, of the Colorado Revised Statutes;
2. Protest period for property valuations, sections 39-5-121(1.5)(a)(I) and 39-5-122(2), (4), of the Colorado Revised Statutes;
3. Notice of determination, section 39-5-122(2), of the Colorado Revised Statutes;
4. Extended appeal calendar, section 39-5-122.7, of the Colorado Revised Statutes;
5. Appeals to County Board of Equalization, sections 39-8-106(1)(a) and 39-8-107(2), of the Colorado Revised Statutes;
6. Preliminary certification of values, section 39-5-128(1), of the Colorado Revised Statutes;
7. Reports of assessor, section 39-8-105(2), of the Colorado Revised Statutes;
8. Abstracts of assessment, sections 39-2-115(1) and 39-5-123, of the Colorado Revised Statutes; and
9. Abstract recommendations, section 39-2-115(3), of the Colorado Revised Statutes.

These deadlines were to complete the changes necessary to accommodate the later filing deadlines contained in Executive Order D 2020 022 and the Board's Emergency Rules 1 and 2 that were adopted on April 9, 2020.

The Board adopted these changes to approve of Emergency Rule 3 and then adjourned the meeting.

The board held its fourth and final meeting on November 17, 2020 which was the Board's only regular meeting for the year. It was also held via remote access only in accordance with Executive Order D 2020 144, Safer at Home and in the Vast, Great Outdoors. The first action that the Board took was to unanimously approve the minutes from the previous meeting of November, 4, 2020.

Wildrose Appraisal, Inc. submitted sixty-four county reports as required by their contract to the State Board of Equalization in a manner timely for review prior to the meeting. Mr. Harry Fuller, the audit manager, gave an overview of all of the reports and asked the Board to accept the following reports for all sixty-four counties:

- 2020 Property Assessment Study Report
- 2020 Abstract Projection Report
- 2020 County Board of Equalization Adjustment Report
- 2020 Personal Property Report
- 2020 County Sales Verification Report
- 2020 Statutory Deadline Report
- 2020 Land Not Integral Report

Mr. Fuller then introduced Mr. Steve Kane, the data analyst for the audit, to present the statistical results for the 2020 audit. Mr. Kane began with an overview of the audit results, how the audit was performed in 2020, and what to expect looking ahead.

Thomas M. Young, a property tax specialist of the Division's Assessment Resources Section gave a presentation about the review process done for the county board of equalization changes and consideration of the abstracts of assessment. The emergency rules adopted by the Board extended the usual August 25 filing deadline to October 13, 2020. The Division reviews all county abstracts and recommends them for approval by the Board if they are in balance and complete - however if a county board of equalization change indicates that the value of any subclass of property was adjusted by more than five percent, that abstract is subject to further review by the Division. Fifty-nine counties had filed by the October 13 deadline and were reviewed with no issues found and were recommended for approval.

The remaining counties of Adams, Boulder, Douglas, Gunnison, and Jefferson opted to use the alternate protest and appeal process, which extends that filing deadline to December 1, 2020 under this year's emergency rule. The Board unanimously agreed to allow Chairwoman Hullinghorst to sign and approve the remaining abstracts if there were no issues detected with them.

The Board then proceeded to consider the requests from exempt property owners to waive the filing deadline. Terry Long, manager of the Exemptions Section, presented information to the Board about the consent agenda and additional properties that were highlighted for discussion. The Board unanimously approved moving the extension of the deadline to December 31, 2020 for filing. The Board also unanimously approved the consent agenda for all of the organizations listed.

Mr. Long then brought the board's attention to a few specific organizations highlighted for discussion. Those organizations included:

- Theatine Fathers St. Andrew Avellino Seminary
- Reconstruction Road Ministries
- International Church of the Foursquare Gospel
- American Legion Summit Post #31
- Maslow Academy of Applied Learning Inc.
- Triangle Cross Ranch
- Platteville Baptist Church

There were individuals present representing two of the organizations listed for discussion:

- Platteville Baptist Church
- Triangle Cross Ranch

After speaking with the two representatives for these organizations and answering their questions, the Board unanimously approved granting the waiver of filing deadline for all properties listed above. The new filing deadline was set as December 31, 2020 and the organizations were also asked to complete a succession plan for how the organization was going to avoid this situation in the future.

Mr. Long then brought the Board's attention to two additional organizations:

- Community Youth Foundation Inc.
- New Jerusalem Missionary Baptist Church

These organizations were highlighted due to some shared characteristics. Both were a number of years behind in their filings, and both had sought relief from the Board in the past. They were granted the waiver of filing deadline previously, yet failed to file even by the extended deadlines granted - possibly due to a lack of funds as it is a \$250 fee per late annual report. The Board unanimously approved extending the filing deadline for all prior years for the two organizations to December 31, 2020. The board's action also included a request to submit a written succession plan.

The last highlighted organization was in a unique position. That organization was:

- Cortez Veterans Inc.

The property was sold and the property owner applied for exemption again. Mr. Long believed the property would qualify, and in the organization's petition to the Board, it requested a refund of taxes paid for 2018 and 2019. Mr. Long pointed out that it is not within the Board's power to grant refunds of taxes, there is no action to be taken on that particular waiver request.

The last agenda item that the Board considered was to take action to reappoint JoAnn Groff as the Colorado Property Tax Administrator for another five-year term. Ms. Groff's current term expires on January 1, 2021. The board unanimously voted to re-appoint Ms. Groff for another term.

After deciding on a meeting date for the next regular meeting of the Board in 2021, the meeting was adjourned.

2019 Action and Enforcement

The board met once in 2019 on October 8, 2019.

At the Board's annual meeting, the Board first elected Chairwoman Hullinghorst and Vice-chairperson Barbara Brewer before reviewing the minutes from the last meeting that took place October 17, 2018. The Board approved the minutes and then Curt Settle, Deputy Director of the Division, introduced the Board's constitutional and statutory authority, duties, and responsibilities with respect to the audit. Mr. Settle also explained to the members the significant changes of the 2019 audit contract. Curt Settle then introduced Harry Fuller with Wildrose Appraisal, Inc. to give the report of the 2019 audit. Mr. Fuller reported that there were no counties out of compliance after visiting all 64 counties and looking at compliance with statutes, Board rules, and the ARL. Mr. Fuller asked the board to accept all of the final reports, and then introduced Mr. Kane to present the statistical results of the findings.

Mr. Kane went through and outlined the sales ratio study, the market trending, the sold and unsold analysis, and finally agricultural residences. He noted that if a county had fewer than 1,200 vacant land parcels, it does not qualify for the sales ratio analysis for vacant land. As a result, only 42 counties had the analysis completed on the vacant land class. Mr. Kane discussed the unit values test and the percent change test for the sold and unsold analysis. He concluded that all counties were in compliance. Mr. Kane also noted that under the expanded analysis for the 2019 contract, where the auditor was required to look at economic areas and neighborhoods instead of just subdivisions, all counties were in compliance on all classes.

Mr. Kane answered a few questions about the eighteen month data gathering period which sets the level of value and the increased interaction the auditor had with the assessors this year which allowed many eastern counties to analyze commercial properties that were experiencing significant market appreciation due to the marijuana market expanding from larger, urban counties.

Mr. Fuller then gave an overview of all of the reports and asked the Board to accept the following reports:

- 2019 Property Assessment Study Report for each of the 64 counties
- 2019 Abstract Projection Report for the 58 counties not on extended appeals schedule
- 2019 County Board of Equalization Adjustment Reports for the 58 counties not on the extended appeals schedule
- 2019 Personal Property Report for all counties
- 2019 County Sales Verification Report for all counties
- 2019 Statutory Deadline Report for all counties
- 2019 Land Not Integral Report for all counties

After accepting the reports, the board moved on to review the Abstracts of Assessments. Mrs. Renée Bridges presented the review and explained that no issues were found. She requested the Board approve the 58 county abstracts submitted to the Property Tax Administrator. The Board decided that the chair would later approve the remaining abstracts should there be no issues.

The next agenda item the Board addressed was the list of exempt organizations requesting the Board to waive the filing deadline for its paperwork in order to maintain exempt status. Mr. Stan Gueldenzopf, manager of the Exemptions Section of the Division of Property Taxation, reminded the board of its ability to set an extended filing deadline and recommended setting the date to November 18, 2019. He then continued to the Consent Agenda. The Board then accepted the Consent Agenda and the late filing date of November 18, 2019.

There were individuals present representing organizations listed on the Consent Agenda for:

- Georgetown Trust for Conservation and Preservation, Inc.
- Veterans of Foreign Wars North Park Post 2371
- Berthoud Habitat for Humanity, Inc.
- Arkansas Valley Hospice Inc.
- Bible Way Christian Training Center

The Board spoke with each representative, and then approved the Consent Agenda with clarifying language that any refund on taxes paid, does not include interest.

Mr. Gueldenzopf then brought the Board's attention to a few specific organizations that were highlighted for discussion. Those organizations included:

- Korean Senior Association of Colorado
- Solid Rock Baptist Church
- Al Mustafa Islamic Center
- Housing is Vital, LP
- Juan Diego Partnership, LLLP
- Del Norte's Chesney Kleinjohn, LLC
- New Jerusalem Missionary Baptist Church
- Cañon City Rodeo Assn
- Gateway of Praise Worship Center
- Naropa University - Alaya Preschool (the Board dismissed this request for lack of jurisdiction)

All of the organizations had the waiver to file late approved with the deadline being November 18, 2019. Many organizations were also asked to submit a succession plan with their filing.

Finally, JoAnn Groff presented for the Board's consideration, the changes made to the Assessors' Reference Library at the last Statutory Advisory Committee meeting which occurred September 19, 2019. Since this meeting fell within the 30 days after that September meeting the Board had the ability to approve the changes presented. The Board adopted and approved all of the changes requested and also discussed dates for the 2020 meeting. The Board then adjourned.

2018 Action and Enforcement

The board met once in 2018 on October 17, 2018.

At the October 17, 2018 meeting, the Board first reviewed the minutes from the last meeting that took place October 25, 2017. Chairwoman Hullinghorst noted a few minor amendments to the minutes that were approved unanimously. JoAnn Groff introduced Harry Fuller with Wildrose Appraisal, Inc. to give the report of the 2018 audit. Mr. Fuller reported that there were no counties out of compliance after visiting all 64 counties and looking at compliance with statutes, Board rules, and the ARL. Mr. Fuller asked the board to accept all of the final reports, and then introduced Mr. Kane to present the statistical results of the findings. Mr. Kane went through and outlined the sales ratio study, the market trending, the sold and unsold analysis, and finally agricultural residences. He noted that if a county had fewer than 1,200 vacant land parcels, it does not qualify for the sales ratio analysis for vacant land. As a result, only 41 counties had the analysis completed on the vacant land class. Mr. Kane discussed the unit values test and the percent change test for the sold and unsold analysis. He concluded that all counties were in compliance and that next year; the auditor will expand the analysis for vacant land, where it was typically examined at the subdivision level, to look at economic areas, neighborhoods, or subdivisions where appropriate.

Chairwoman Hullinghorst asked Mr. Fuller how he audits business personal property. He explained that in the 10 metro counties and Mesa County, a sample of accounts is selected and the values recalculated to determine if the county is following procedures. For the remaining smaller counties a sample of 10 accounts is selected to determine if the correct procedures are being followed.

Mr. Fuller then gave an overview of all of the reports and asked the Board to accept the following reports:

- 2018 Property Assessment Study Report for each of the 64 counties
- 2018 Abstract Projection Report for the 60 counties not on extended appeals schedule
- 2018 County Board of Equalization Adjustment Reports for the 60 counties not on the extended appeals schedule
- 2018 Personal Property Report for all counties
- 2018 County Sales Verification Report for all counties
- 2018 Statutory Deadline Report for all counties
- 2018 Land Not Integral Report for all counties

After accepting the reports, the board moved on to review the Abstracts of Assessments. Mrs. Renée Bridges presented the review and explained that no issues were found. She requested the Board approve the 60 county abstracts submitted to the Property Tax Administrator. The Board decided that the chair or vice chair would later approve the remaining abstracts should there be no issues.

The next agenda item the Board addressed was the list of exempt organizations requesting the Board to waive the filing deadline for its paperwork in order to maintain exempt status. Mr. Stan Gueldenzopf, manager of the Exemptions section of the Division of Property Taxation, reminded the board of its ability to set an extended filing deadline and recommended setting the date to December 10, 2018. He then continued to the Consent Agenda. There was nobody present to address the Board on behalf of an organization listed on the Consent Agenda. The Board then accepted the Consent Agenda and the late filing date of December 10, 2018.

Mr. Gueldenzopf then brought the Board's attention to a few specific organizations that were highlighted for discussion. Those organizations included:

- Korean Senior Association of Colorado
- Pilot Trust
- Mount Moriah Masonic Building Fremont Association
- Masonic Holding Association
- Friends of Christian Education Foundation
- Clavis Club of Morgan County

All of the organizations had the waiver to file late approved with the deadline being December 10, 2018. Pilot Trust and Masonic Holding Association had a requirement to file a brief written plan dealing with how the organization will avoid future failure to file on time. The Clavis Club of Morgan County was asked to submit an additional backup plan for moving forward, since it had already filed a plan in the previous year yet still failed to file on time.

Finally, JoAnn Groff presented for the Board's consideration, the changes made to the Assessors' Reference Library at the last Statutory Advisory Committee meeting. Since this meeting fell within the 30 days after that September meeting the Board had the ability to approve the changes presented. The board adopted and approved all of the changes requested. The Board then adjourned.

2017 Action and Enforcement

The board met three times in 2017: January 10, 2017; April 13, 2017; and October 25, 2017.

At the January 10, 2017 meeting, the Board reviewed and approved the minutes from the December 30, 2016 meeting. JoAnn Groff clarified the agenda item for accepting the Statutory Advisory Committee recommended changes to the Assessors' Reference Library. She noted that she was withdrawing page 5.20 of Assessors' Reference Library Volume 3 and was not recommending the change at this time. She took this action at the request of Senator Owen Hill. He had indicated his

intent to introduce legislation in the upcoming 2017 session that would direct assessors on the valuation of non-integral land.

From their December, 15, 2016 meeting the remaining changes recommended by the Statutory Advisory Committee were approved by the Board. The meeting concluded with the suggestion that the Division work with Senator Hill, if he desired, on his proposal for the non-integral land issue.

The April 13, 2017 meeting was called to present to the Board a review of changes the Property Tax Administrator had made in the calculation of increased valuation for assessment for the 2017 target percentage relating to the increased volume of mineral and oil and gas production for calculating the residential assessment rate. The first action the Board took was to go into executive session pursuant to § 24-6-402(3)(A)(II), C.R.S., to consult with legal counsel.

JoAnn Groff then introduced the topic of the residential assessment rate, explaining that the target percentage generally will not change between the initial January report and the final April report. However, using historical methodology, the target percentage calculated in January of 43.79 percent was significantly lower than target percentages of previous years.

She explained that after thorough review by division staff, Legislative Legal Services and Legislative Council Staff, it was determined the anomaly causing the drop was due to the volume of oil and gas production for tax years 2015 and 2016. This volume had increased significantly over the volume for assessment in 2014. However, the average assessed value per barrel fell, resulting in a net loss of assessed value over the two-year period. The historical methodology was to adjust the target percentage for oil and gas by adding the increased volume multiplied by the previous assessment cycle's average assessed value per unit of production, with no regard as to whether there had been an overall increase of value.

The Board was provided with language from the Colorado Constitution and statutes relevant to this topic. Ms. Groff revised the method by which the target percentage was calculated. Going forward, a first step will be taken to determine whether there is increased valuation for assessment resulting from the new construction or the increased volume of minerals and oil and gas production. If there is an increase in value, then the second step will be taken to add the value for new construction and the increased volume of minerals and oil and gas production when calculating the target percentage. As a result of this two-step methodology, the target percentage was now calculated to be 45.76 percent and the residential assessment rate was projected at 7.10 percent.

Senator Hill questioned if the Division had been interpreting the word "volume" as "value" for this calculation. Ms. Groff explained that the constitutional mandate of "after adding in the increased valuation for assessment attributable to . . ." was the language previously not being considered by the Division of Property Taxation. With the new two-step process it will be clear value and volume would be considered appropriately.

Board Member Hullinghorst asked if the rate calculation affected oil and gas companies' taxes and Ms. Groff responded no, it has no direct impact on what they pay, this calculation would only impact the target percentage as it related to the residential assessment rate calculation.

Ms. Groff concluded the meeting noting that the current estimate for the residential assessment rate was 7.20 percent, and that the final report would be published April 17th. There were no further questions or comments and Chairman Brown adjourned the meeting.

At the October 25, 2017 meeting the Board considered the findings of Wildrose Appraisal, Inc., the annual study auditor, the recommendations of the Property Tax Administrator on the county Abstracts of Assessment, requests for waivers of deadlines on exempt properties and changes to the Assessors' Reference Library as approved by the Statutory Advisory Committee. The Board elected Dickey Lee Hullinghorst as Chair and Board Member Irv Halter as Vice Chair.

The Board approved the minutes of the January 10, 2017 meeting and April 13, 2017 meeting, with minor corrections.

Mr. Harry Fuller of Wildrose Appraisal, Inc. (Wildrose), presented the findings of the audit. Mr. Fuller along with Mr. Steve Kane, the company's statistician, presented the following reports:

- 2017 Abstract Projection Report
- 2017 County Board of Equalization Adjustment Reports
- 2017 Personal Property Report
- 2017 County Sales Verification Report
- 2017 Statutory Deadline Report
- 2017 Land Not Integral Report.

Mr. Kane gave a brief presentation on the statistical analysis of the audit, which included review of the ratio studies, market trends, sold and unsold property, and agricultural residential improvements. Senator Hill requested that the Board be provided all of the Auditor's findings prior to the meeting where they are being asked to accept those reports. The Administrator agreed to provide that information. The Board accepted the 2017 Annual Study reports.

The Board reviewed the county Abstracts of Assessment. There were 57 abstracts submitted and reviewed. The Administrator found no County Board changes which required review and all abstracts were recommended for approval. The Board elected to authorize Chairwoman Hullinghorst to approve the alternate protest period abstracts for Adams, Boulder, Denver, Douglas, Gunnison, Hinsdale, and Jefferson Counties.

Stan Gueldenzopf, manager of the Exemptions Section of the Division of Property Taxation then presented requests from exempt properties to waive filing deadlines. He noted one organization, Custer 2020, was added to the consent agenda, and another, Ministerio Palabra de Vida, was stricken from the agenda as the forfeiture was issued in error. The Board moved to approve the requests of the properties on the consent agenda with a new filing deadline of December 8, 2017. Eighty-three properties were included on that list.

The following organizations were brought to the Board's attention for individual discussion:

- Mission Viejo Swim Parents Association
- North Fork Horse Patrol
- Veterans of Foreign Wars
- Denver Lodge 17 BPOE of Elks USA
- American Cancer Society, Inc.
- Canon City Rodeo Assn
- Arvada VFW Post 4331
- Evergreen Rodeo Association
- La Plata County Humane Society
- Colorado Farmhouse Assn
- Cortez Masonic Temple
- Clavis Club of Morgan County Inc.
- Iglesia Berea

Of the fourteen cases listed above, all but one were approved to file the necessary annual report(s) late. The request from American Cancer Society, Inc. was in response to an exemption forfeiture when the organization had a merger, and because exemption was not lost due to late filing of an annual report, the Board took no action on the request. Some of the groups were asked to provide an explanation or plan to ensure there will be no future delinquencies in filing.

The next issue for the Board's consideration were changes to the Assessors' Reference Library approved by the Statutory Advisory Committee at their September 21, 2017 meeting. The Board moved out of order and took testimony of Tim Canterbury on his experience on the task force for determining what was integral to an agricultural operation. The testimony was in support of the Statutory Advisory Committee approved change to Assessors' Reference Library Volume 3 regarding valuation of residential property not integral to an agricultural operation.

JoAnn Groff then introduced Curt Settle, Deputy Director of the Division of Property Taxation, to support the proposed change to the manual and to give an explanation of the history and evolution

of the topic. He outlined the task force and the resulting legislation guiding determination of whether property was integral. Mr. Settle summarized that an eminent-domain methodology in the appraisal of the non-integral land does not yield a valuation which is equitable or uniform and would not conform to the intent of the legislature.

Brad Hughes, Montrose County assessor, testified over the telephone that the legislation enabling the task force, and later the change to the agricultural and residential definitions, was about equalization and fairness in the valuations of these sites.

Larry Stark, commercial real estate appraiser and property owner in Storm Mountain Ranch, then gave his testimony regarding his five-year history with this issue. He brought a case to the Board of Assessment Appeals which ultimately ended as an unpublished Court of Appeals opinion which he argued supported his methodology to value the residential sites using a pro-rata share of the value of the larger parcel.

Attorney Michael Francisco, representing Storm Mountain Ranch, also gave testimony arguing that that the statute did not support the change being proposed by the Division. He further noted that this change should be going through a formal rule-making process.

Ms. Groff gave some final remarks, including how over 8,000 properties in the state were now classified as non-integral to agricultural land, and that all 59 counties which have those properties are utilizing some sort of site-specific valuation methodology which is what the manual change clarifies. The Board approved the change in a 4 to 1 vote, with Senator Hill opposing.

The Board approved the remaining changes to the manual as approved by the Statutory Advisory Committee. There was no discussion on the remaining changes.

2016 Action and Enforcement

The board met on October 5, 2016 and again on December 30, 2016.

At the October 5, 2016 meeting, Stan Gueldenzopf, Manager of the Exemptions Section for the Division, presented the details of requests by organizations that requested from the Board a waiver of the filing deadline for their Annual Reports for Exempt Properties as allowed under § 39-9-109(5) and (6), C.R.S. Organizations and the general public were invited to comment.

Mr. Gueldenzopf started with the consent agenda and the Board approved the waiver for filing deadline for those property owners that were on that list. Mr. Gueldenzopf then began further discussion regarding those organizations that were listed for particular attention. The first organization was ACCESS Housing of Adams County. Angela Mornemann, Director, explained that the organization was without a director for 18 months, and thus failed to file its reports for four years. After explaining what sort of clients the organization helps with low income housing, and that processes were put in place to ensure no further reports would go unfiled, the Board approved its waiver. Mr. Gueldenzopf suggested a due date of November 18, 2016 for the Annual Reports to be submitted and the Board approved that date.

Mr. Gueldenzopf then brought up Santan Mandir Cultural & Community Center, which was requesting four years of relief. The Board approved its waiver contingent upon providing corrective action or proof of procedures that will be implemented to avoid waiver requests in the future. Mr. Gueldenzopf moved on to present the following organizations which submitted waivers:

- Iglesia Apostolica de la Fe en Cristo – waiver was accepted. There was no spokesperson for the church present at the meeting.
- Panorama Pointe Senior I LP – waiver was approved after knowing that a new system is in place to no longer miss the deadline. Property owner, Neal Mendel was present to explain what sort of residential property had the exemption, and how two address changes had caused the failure to file timely.

- Deer Trail BPOE 2307 – waiver was approved including corrective action for the procedures and changes in the future. Current secretary, William Pierce, was present to explain that the last secretary was out and the paperwork was on her desk and it was difficult to keep up when officers change every year in the organization.
- Idaho Springs Elks Association – waiver was approved with the standard terminology as above. There was no representative from the organization present at the meeting.
- IBPOE West Pikes Peak Region – waiver was approved with the admonition they provide a new process for completing the paperwork. There was no representative from the organization present at the meeting.
- Canon City Rodeo Association – waiver was approved with the provision they include a procedure to prevent future waivers. There was no representative from the organization present at the meeting.
- VFW Golden Post 4171 – waiver was approved. Its representative, Mr. Shane Lang was present to explain that he is training the new quartermaster on responsibilities.
- Trinity United Methodist Church from Larimer County – waiver was approved. There was no representative from the organization present at the meeting.
- Dinosaur Community Charter School – waiver was approved with the understanding that the application will be reviewed by the Property Tax Administrator to determine whether the property qualifies for an exemption. The organization’s representative, Mr. Richard Blakley was present to explain that he recently inherited the responsibility of the property from the previous head of the organization.
- Intertribal Voice for Montezuma County – waiver was approved. The founder, Arthur Keskahi, explained how a previous employee and paperwork disappeared and the organization received no further notifications from the Division of Property Taxation.
- The Deer Park United Methodist Church from Park County – waiver was approved. The church’s treasurer, Donna Bastien, was present to explain what the church does with its property and that they received a postcard from the county saying taxes were due. The church was unaware of the requirement to file the annual report.

Wildrose Appraisal, Inc. (Wildrose), the annual study contractor for Legislative Council, presented its findings to the Board. Harry Fuller, Audit Manager for Wildrose Appraisal, Inc. introduced Mr. Steve Kane, statistician, Ms. Suzanne Howard, expert in personal property, and Mr. Jim Bittel, Owner and President. Mr. Fuller presented the following reports: 2016 Abstract Projection Report, 2016 County Board of Adjustment Reports, 2016 Personal Property Report, 2016 Failed Verification Report, 2016 Statutory Deadline Report and the 2016 Land Integral Report.

The Board accepted the 2016 Annual Study reports.

Mr. Kane covered four items in review, including sales ratio analysis, market trending, sold/unsold and agricultural residences. Mr. Kane continued with an explanation that the real estate market in the state of Colorado is in recovery, and that assessors had to value properties as of June 30, 2014, and make adjustments to sales prices to account for market trends.

Sixty abstracts were received by the Administrator for review prior to the meeting and were approved per form, and the Board accepted these abstracts. The remaining four abstracts were for counties who had opted for the alternate protest and appeal procedure. Those abstracts needed to be submitted for review by the administrator no later than November 21. The Board approved a motion that these abstracts could be approved by the Chairwoman if no issues were discovered.

After acceptance of the abstracts, Administrator Groff introduced the next topic; the changes to the Assessors’ Reference Library considered and accepted by the Statutory Advisory Committee at their meeting held September 15, 2016. The primary item for consideration was changes to Assessors Reference Library Volume 2, Chapter 12 relating to Tax Increment Financing (TIF).

Curt Settle, Deputy Director of the Division of Property Taxation, presented the proposed changes. He provided a brief overview of the legislative history of urban renewal law in Colorado as well as

the Division's history dealing with this issue. He especially emphasized the extensive outreach undertaken by the Division that culminated in the proposal submitted to the Board.

Mr. Settle began by noting two important areas where the new procedures are making no change. The first was regarding the timing of TIF. It is the Division's position that the dividing of the base and increment starts when a plan containing a TIF is approved. He relayed that this issue was currently before the Court of Appeals and the Division's position would not change without further guidance from the Court. Second, the Division was making no change regarding the requirement of a proportional adjustment due to general reassessment. It is the Division's position that increment results from changes in use, physical characteristics, or legal characteristics, and that all other changes in value are attributable to the general reassessment and should be proportionately applied to the base and increment at the prior year's ratio.

Mr. Settle then detailed the new or significantly revised items included in these proposed changes:

- Proportional adjustments due to general reassessment should be made annually for personal property, public utilities, possessory interests and natural resources.
- Changes in taxable status, i.e. taxable or exempt, are non-reassessment events that are attributable to increment.
- Overlapping urban renewal and downtown development TIFs can coexist, but only one diversion is possible. The Division recommends the two entities negotiate an intergovernmental agreement that provides for revenue sharing.
- A downtown development authority (DDA) mill levy can only be applied to the base, the same as all other taxing entities.
- The date for establishing the base is the valuation for assessment last certified prior to the effective date of approval of the urban renewal plan. This requirement refers only to the December 10th final certification of values.
- Value reductions due to appeals or state board orders are applied according to where the original value was attributed, either base or increment, and they are to be applied in the year of the ordered adjustment.
- Value changes because of mistakes or corrections are applied according to where the value was originally attributed, either base or increment, and are made in the year they are discovered.
- Regarding the inclusion of agriculturally classified land in an urban renewal area, the changes clarified that the five provisions in § 31-25-107(1)(c)(II) and the three provisions in (III) are to be considered in the disjunctive, i.e. "OR".
- Detailed requirements of § 31-25-107(1)(c)(II)(B) for inclusion of agriculturally classified land in an urban renewal area were explained based on recently concluded litigation with emphasis on the meaning of urban level development.
- The proposed changes provided six years of detailed TIF calculation examples.
- Regarding property removed from a TIF, base and increment should be adjusted for this property according to where it was originally attributed, either base or increment.

After this presentation, Mr. Settle recommended that these new procedures become effective on January 1, 2017.

The Board heard public testimony on this topic. Urging the Board to reject these proposed changes were the Broomfield County assessor, Sandy Herbison; urban renewal authority attorneys, Sarah Clark, Rita Connerly, Jessica Alizadah; and the Aurora Urban Renewal Authority represented by Christine McKenney. The central theme of this dissent was objection to the general reassessment adjustment. Speaking in support of the proposed changes were Carol Brzeczek, a citizen of the City of Littleton, and Ben Swartzendruber, an attorney representing Arapahoe County.

After considerable discussion, the Board voted to approved the proposed changes with only Board member Scheffel objecting.

The Board then accepted the changes to the remaining manual items.

Stan Gueldenzopf addressed the Board and announced that proposed changes to the Board's rules had been drafted and that the next step would be to have a rule-making hearing. The earliest date such a hearing could take place would be November 14, 2017. The notice would need to be submitted by October 14, 2017, and then the rule-making hearing itself could not take place any sooner than 20 days after the publication in the Colorado Register.

The Administrator explained that the composition of the Board members would change in January and asked if the Board preferred to entertain rule-making with its current composition or wait for the newly elected members. The Board moved to have the hearing with the same composition, and to meet before January 11, 2017, when the membership would change.

The Board then met again on December 30, 2016.

At the December 30, 2016 meeting, the Board invited the public to present data, views and arguments concerning the rule changes as proposed. Stan Gueldenzopf presented the proposed changes to the Board. He noted that the rules have not been amended since 1984, and that the proposed changes were minor in substance. Mr. Gueldenzopf also pointed out that the Board actually had two sets of rules that were identical save for one punctuation mark.

The "Basis and Purpose" section of the rules was rewritten to split out a statement on legal authority, as well as cover other issues handled by the board which did not exist in 1984. Other changes were incorporated to make the language gender neutral. Certain rules were rearranged, incorporated into others, or repealed. The Board's rule on testimony under oath was repealed as its practice has not been in place for many years. It was clarified by Board's counsel that the Board still had the right to require testimony under oath if it so desired. The entire second set of rules was also proposed to be repealed.

The Board decided that the rules should maintain their numbering and that the ones that were repealed would simply state the date on which they were repealed.

After adopting the rules as presented, the Board concluded its rule-making hearing and then called to order a meeting for other Board business. Ms. Groff explained that although the December 30, 2016 Board meeting had been properly noticed, she had been contacted by several members of the public that were unavailable to attend the December 30 Board meeting due to already scheduled out of town plans over the holidays, yet wanted to address changes to the Assessors' Reference Library approved at the December 15, 2016 meeting of the Statutory Advisory Committee. The Board had already agreed to meet again January 10, 2017. She requested that both the approval of the October Board meeting minutes and the changes to the Assessors' Reference Library approved by the Statutory Advisory Committee be officially laid over to the January meeting. She informed the Board that this would still allow a timely review of the information approved by the Statutory Advisory Committee. The Board agreed to lay over both issues.

The Board asked Mr. Gueldenzopf about the waivers for the filing deadline for the Annual Reports of Exempt Properties that had been approved in October. Of the 117 requests for waivers, most were filed by the deadline imposed by the Board, but 14 owners failed to file the necessary reports on 20 properties. He explained that the property owners would be informed that their properties will remain taxable, and that they could file a new application or petition the board for another waiver of the deadline.

Ms. Groff said that the Division would report in 2017 any of those properties which failed to file their report so that the Board would have that information if they requested another waiver.

There were no further items on the Board's agenda, and the meeting was concluded.

DIVISION OF PROPERTY TAXATION

Under the general laws of Colorado, the Property Tax Administrator directs the Division of Property Taxation. The Administrator is appointed by a majority vote of the State Board of Equalization to serve a five-year term, and until a successor is appointed and qualified.

A primary responsibility of the Division is to administer the implementation of property tax laws throughout Colorado's sixty-four counties so that valuations are fair, uniform, and defensible, thereby ensuring that each property class contributes only its fair share of the total property tax revenue. In other words, the Division's goal is equalization of valuation and proper distribution of property taxes throughout the state.

The Division is comprised of four sections: Assessment Resources, Appraisal Standards, Exempt Properties, and State Assessed Properties.

Assessment Resources

The Assessment Resources section prepares and publishes administrative manuals, procedures, and instructions. It conducts a number of classes and seminars regarding the administrative functions of the assessors' offices, including one tested course: Introduction to Assessment. Although this class offers continuing appraisal education credit, it is highly recommended as a prerequisite for all qualifying appraisal education courses. This section performs field studies and provides statewide assistance with issues such as tax increment financing, the administration and valuation of manufactured homes, senior and disabled veteran exemptions, classification of property, title conveyance, mapping, production of the abstract of assessment, certification of values to taxing entities, and the tax warrant. The section assists with investigation of taxpayer complaints. It is responsible for various studies and reports such as fiscal impacts for Legislative Council, the Colorado Assessed Values Manual, and the Property Tax Administrator's ***Annual Report to the Governor and General Assembly***. It works closely with assessors and other agencies in all areas of property taxation. Assessment Resources is responsible for recommending to the property tax administrator approval or disapproval of all petitions for refund or abatement of taxes in excess of \$10,000.

Appraisal Standards

The Appraisal Standards section prepares and publishes appraisal manuals, procedures, and instructions. It holds classes and seminars regarding all areas of appraisal. It conducts field studies and provides statewide assistance in agricultural land classification and valuation, natural resources and personal property valuation, as well as assistance in the valuation of vacant land, possessory interest, residential, commercial, and industrial properties. The section assists in reappraisal efforts, reviews internal appraisal forms used by assessors, and investigates and responds to taxpayer complaints.

The section conducts four tested qualifying education courses to enable assessment appraisers to obtain an Ad Valorem Appraisal License. These courses are: Introduction to Ad Valorem Mass Appraisal, Basic Appraisal Principles, Basic Appraisal Procedures, and Uniform Standards of Professional Appraisal Practice (USPAP). This section currently offers additional tested courses including: Vacant Land Present Worth, Advanced Income, and Agricultural Land and Rural Structures. The section also offers several non-tested courses including a continually expanding list of online distance education.

Exempt Properties

The Exemptions section, under the authority of the Property Tax Administrator, is responsible for determining qualification for exemption from property taxation for properties that are owned and used for religious, charitable and private school purposes. This section reviews reports filed annually by exempt property owners to determine if the property's exempt status is still warranted. The section provides assistance to counties and taxpayers with inquiries about exempt properties, helps taxpayers with petitions to the State Board of Equalization, conducts hearings on exemption applications and revocations of exemptions, and defends appeals of its final decisions.

State Assessed Properties

The State Assessed section is the only area of the Division that performs original valuation of property on an annual basis. The section values all public utilities doing business in Colorado as defined by statute, including: rail transportation companies, airlines, non-renewable and renewable energy companies, telephone companies, and pipelines. The company valuations are allocated to Colorado then apportioned to the counties for collection of local property tax. Both county commissioners and public utilities may protest the value assigned to state assessed property, and may appeal to the Board of Assessment Appeals (BAA) or Denver District Court if the protest is not resolved at the Division level.

2020 VALUE INFORMATION

Taxable real property classified as residential, commercial, industrial, agricultural, and vacant land, is subject to revaluation by county assessors every odd-numbered year. Taxable property not subject to the biennial reassessment cycle is valued every year. This includes all property classified as state assessed; land and leaseholds classified as oil and gas, natural resources, and producing mines; all subclasses of personal property; and possessory interests.

For 2020, Colorado assessed values increased approximately \$660 million, representing a one half percent increase from the prior year. The statewide increase was primarily attributable to the increases in residential, state assessed and commercial classes of property. The total assessment for 2020 was \$136,231,030,648.

TABLE 2 displays the percent change to the total value of each property class from 2019 to 2020 as well as the percentage that class makes up of the total valuation for assessment in 2020.

TABLE 2

VALUE CHANGES BY PROPERTY CLASS FOR TAX YEARS 2019-2020		
Class	2019-2020 Change	Class as % of Total
Vacant Land	-6.3%	3.1%
Residential	2.0%	46.8%
Commercial	1.0%	29.8%
Industrial	1.2%	3.7%
Agricultural	1.7%	1.1%
Natural Resources	2.7%	0.2%
Producing Mines	-9.2%	0.3%
Oil and Gas	-9.5%	9.2%
State Assessed	7.7%	5.8%
Net Total:	0.5%	100.0%

Residential, Commercial, Industrial, and Vacant Land

The Colorado Constitution and statutes specify that real property classified as commercial, industrial, and vacant land is valued by county assessors through consideration of the market, cost, and income approaches to value. Residential property is valued solely by the market approach. For these classes of property, the valuation reflects changes that occurred between the assessment cycle appraisal dates: June 30, 2016, and June 30, 2018.

In 2020, Colorado showed a decrease in assessed value in three classes of property: vacant land (-6.3 percent), producing mines (-9.2 percent), and oil and gas (-9.5 percent). The remaining classes of property showed increases in 2020 with the largest percentage increases in the state assessed, natural resources, residential and agricultural classes of property. The total assessed valuation of the residential class increased 2.0 percent in 2020. According to the S&P CoreLogic Case Schiller Home Price Indices, home prices continued their rise across the country over the last 12 months. Denver, specifically, experienced an approximate 10 percent year over year increase in 2020. However, the end of the data gathering period for 2019-2020 reassessment values was June 30, 2018, meaning the last 6 months of local data may not be available for inclusion in the analysis, § 39-1-104(10.2), C.R.S.

The commercial class also experienced an increase in assessed value of 1 percent. The total values of the commercial and industrial classes are stabilized somewhat by the presence of personal property. For 2020, personal property accounts for 11.12 percent of the total value of the commercial class and 49.72 percent of the total value of the industrial class. The assessor revalues personal property every year, and the values are less subject to dramatic changes than are the values of real property.

TABLE 3 provides a county-by-county comparison of values for the residential, commercial, and vacant land property classes between 2019 and 2020.

TABLE 3

RESIDENTIAL, COMMERCIAL, AND VACANT LAND PROPERTY CLASSES VALUE CHANGES BY COUNTY FOR TAX YEARS 2019-2020

Oil and Gas

The taxable value of real property associated with oil and gas wells is calculated as a percentage of the revenue obtained for the product at the wellhead during the prior year. This makes oil and gas among the most volatile of property classes because the market prices of natural gas and crude oil can change considerably from year to year.

Colorado experienced a decrease of 9.5 percent in the total assessed value of the oil and gas class in 2020. Among the classes of taxable property, oil and gas contains the third highest total assessed value for 2020, following the residential and commercial property classes. The 2020 total assessed value for the oil and gas class was \$12,486,708, which is 9.17 percent of the state's total taxable value.

TABLE 4 shows a recent history of assessed values for the oil and gas class.

TABLE 4

HISTORICAL VALUE OF OIL AND GAS CLASS			
Year	Value (Billions)	% Change from Prior Year	Class as % of Total
2007	\$7.2	-1.4%	8.5%
2008	\$7.7	6.3%	8.8%

Other Production Classes

As with oil and gas, most of the value of real property classified as natural resources and producing mines is calculated as a percentage of the income obtained from selling the product. The natural resources class includes properties that produce coal, sand, and gravel. It also includes non-producing patented mining claims and severed mineral interests. All counties, except the City and County of Denver, have natural resource property, but the class comprises only 0.23 percent of the state's total assessed value.

Although similar in total value, the great majority of the producing mines value is associated with only two mines: The Henderson and Climax mines, both located in three counties. According to the USGS, molybdenum ore was produced as a primary product at only two mines; both of which are located in Colorado. They include the Henderson and Climax mines. Both mines produce high-purity, chemical-grade molybdenum concentrates.

The Climax mine is an open-pit mine and is located approximately 13 miles northeast of Leadville. It is a porphyry molybdenum deposit with molybdenite as the primary sulfide mineral. According to an article published in the Summit Daily, Climax began production in 1918. The mine initially ceased operations after WWI due to a reduction in demand. Throughout the years, mining operations have been intermittent. Most recently, the mine was restarted in May of 2012 after an eleven-year period of low production, care, and maintenance of the site.

The Henderson mine is an underground mine located in Clear Creek County on the east side of the Continental Divide. The mill site is located on the west side of the Continental Divide 15 miles from the mine in Grand County. It is the world's largest primary producer of molybdenum.

The mine has been in operation since 1976. It consists of a large block-cave underground mining complex that feeds a 32,000 metric ton-per-day concentrator that is located approximately 42 miles west of Denver. The mine and the mill are connected by the world's longest conveyor of its kind; a fifteen-mile elevated belt that passes underneath the Continental Divide carries the ore through an old train tunnel and then above ground to the ore processing mill near Parshall, where it is then treated and shipped to another plant for further processing. The Henderson molybdenum production totaled approximately 11.4 million tons in 2020, up approximately 0.2 million tons from the 2019 total of 11.2 million tons.

The third county with a substantial value in the natural resources class is Teller County. According to preliminary data obtained by the U.S. Geological Survey's National Minerals Information Center, starting in 2015 Colorado has ranked 3rd in U.S. gold production behind Nevada and Alaska. The gold production coming from the Cresson Mine moved Colorado ahead of Utah in recent years in the ranking for production. This mine is Teller County's primary mine and is located between the towns of Victor and Cripple Creek. For 2020, the USGS reported an 5 percent decrease in domestic gold mine production, which was attributed to decreases in production from mines in Nevada and Alaska.

The value of mining operations in Colorado is sensitive to changes in commodity prices, owners' business choices, and decisions rendered on property tax appeals. According to the United States Geological Survey, domestic gold mine production in 2020 was estimated to be about 190 tons. The average price of gold increased by around twenty-seven percent for 2020 to \$1,773 per troy ounce, up from \$1,396 per troy ounce listed the prior year.

Agricultural Property

The value established for agricultural land is based on a 10-year average of the earning or productive capacity of the land regardless of the property's market value or its highest and best use. As a result, the actual values of agricultural property are often much lower than their market values, and they tend to be relatively stable from year to year. The agricultural property class increased approximately 1.6 percent in 2020.

State Assessed Property

Unlike most other classes, property classified as state assessed is valued annually by the Division using unitary valuation procedures. The state assessed property class is comprised of real and personal property that is owned or leased by public utilities as defined by article 4 of title 39 of the Colorado Revised Statutes. By far the largest portion of this value is attributable to personal property. The State Assessed Section of the Division values each company and allocates a portion of the value to Colorado. That value is then apportioned to the appropriate counties based on the location of the company's operating property or business activity. The county assessor then distributes the value to the appropriate tax areas throughout the county.

Information reported in the county abstracts of assessment for this class of property indicated an increase in assessed value of approximately \$558 million, or about 7.65 percent. Overall, this class makes up 5.77 percent of the total assessed value of the state.

Personal Property in 2020

In 2020, personal property accounted for 12.39 percent of Colorado's property tax base, but that percentage varied substantially from county to county. Approximately 42.41 percent of personal property is classified as state assessed while the remainder is valued at the local level. In 2020, 91.11 percent of the state assessed property value was for personal property. All taxable personal property is assessed at 29 percent of its actual value.

Under the Colorado Constitution and statutes, certain categories of business personal property are exempt from taxation, including equipment used for agricultural purposes, inventory, and supplies held for consumption.

Prior to January 1, 2009, business personal property under common ownership with a total actual value of no more than \$2,500 per county was also exempt. With subsequent legislation, the amount of actual value subject to the exemption increased according to the following schedule:

- Four thousand dollars (\$4,000) or less for property tax years 2009 and 2010.
- Five thousand five-hundred (\$5,500) or less for property tax years 2011 and 2012.
- Seven thousand dollars (\$7,000) or less for property tax years 2013 and 2014.
- Seven thousand three hundred dollars (\$7,300) or less for property tax years 2015 and 2016.
- Seven thousand four hundred dollars (\$7,400) or less for property tax years 2017 and 2018.
- Seven thousand seven hundred dollars (\$7,700) or less for property tax years 2019 and 2020.
- Subsequent adjustments will occur biennially to account for inflation since the amount of the exemption last changed.

Section 39-3-119.5, C.R.S., directs the Property Tax Administrator to calculate the amount of the exemption for the next two-year cycle and in every even-numbered year thereafter.

In addition, a provision in the Colorado Constitution allows any taxing entity to "enact cumulative uniform exemptions and credits to reduce or end business personal property taxes," § 20(8)(b), art. X, COLO. CONST.

TABLE 6 lists the state assessed, locally assessed, and total taxable personal and real property by county.

RESIDENTIAL ASSESSMENT RATE

The General Assembly referred Senate Concurrent Resolution 20-001 to a vote of the people of Colorado, which was eventually passed as Amendment B. It eliminates most of the language in § 3(1)(b), article X, of the Colorado Constitution, commonly referred to as the Gallagher amendment. Eliminating this language eliminates Colorado's variable residential assessment rate which was to be adjusted every two years to stabilize the contribution of amount of assessed value residential properties.

The language that established 29% as the assessment rate for most other classes of property was also removed from the constitution. Consequently, all assessment rates are now established solely through statute.

The statutory language that directed the Property Tax Administrator to conduct a study biennially to determine the residential assessment rate in conformance with the Gallagher amendment was removed by Senate Bill 20-223. Though technically not binding on future legislatures, that legislation also placed a moratorium on changing the statutorily established assessment rates in place at the time of Amendment B's passage.

The assessment rate for residential real property for tax years commencing January 1, 2021 and after is 7.15%. All other types of property assessment rates remain unchanged.

TABLE 7 illustrates the statewide actual values and distribution of residential values since 1983. The percentage of actual value attributable to residential property has increased dramatically starting at 53.20 percent in 1983 and increasing to 79.78 percent in 2020.

TABLE 7

COLORADO ACTUAL VALUES 1983-2020

Year	Actual Values			Year	Distribution of Value		
	Total	Residential	Non-Residential		Total	Residential	Non-Residential

PROTESTS, APPEALS, AND ABATEMENTS

Protests and Appeals

Colorado statutes mandate a process that allows taxpayers the opportunity to challenge the actual value established for their property. The process begins with the taxpayer's protest to the assessor. Upon receiving a protest, the assessor reviews the issues raised, and either adjusts or maintains the actual value for the property. Taxpayers who disagree with the assessor's decision can appeal to the county board of equalization. Taxpayers who disagree with the county board's decision have three choices for further appeal. They can appeal to the State Board of Assessment Appeals, district court, or binding arbitration. Decisions of the BAA and district court can be appealed to the Colorado Court of Appeals and ultimately to the Colorado Supreme Court. Decisions of an arbitrator are final.

Taxpayers can protest and appeal in either year of the reassessment cycle; the first year or odd-numbered year or the intervening year or even-numbered year. However, the number of protests and appeals are typically higher during the first year of the reassessment cycle.

The number of protests and appeals vary greatly from county to county. In 2019, Larimer County received the greatest number of protests to the assessor with 24,196 while Kiowa County received just one. For many counties, the protest process places a significant strain on the resources of the assessor's office.

NOTE: Protest and appeal information is only collected in years of revaluation.

TABLE 8 lists the protests and county board of equalization appeals for each county during the first year of the last three reassessment cycles, organized according to the county officer pay categories established in § 30-2-102, C.R.S. For the purpose of this table, the Cities and Counties of Denver and Broomfield are placed in category one.

TABLE 9 provides a statewide statistical summary of protests and appeals.

Abatements

An abatement of tax is a cancellation or reduction of tax owed by the taxpayer. Abatements may be granted after the tax roll has been printed for an "erroneous valuation for assessment, irregularity in levying, clerical error, or overvaluation," § 39-10-114(1)(a)(I)(A), C.R.S. Abatement petitions may be approved only if they are filed within two years after January 1 of the year following the year in which the taxes were levied. Because abatement petitions are filed on taxes already levied, the abated or refunded taxes constitute lost revenue to the affected local governments. However, local governments are able to recover the amounts of abated taxes through an increase in mill levies under § 39-10-114(1)(a)(I)(B), C.R.S., and case law.

TABLE 10 displays the taxes abated and written off for tax years 2018, 2019, and 2020.

*Information reported by county treasurers for years 2018, 2019, and 2020. 35

SENIOR CITIZEN AND DISABLED VETERAN EXEMPTIONS

In 2000, voters enacted section 3.5, article X of the Colorado Constitution, creating a property tax exemption for qualifying senior citizens and their surviving spouses. Voters expanded the program in 2006 to include qualifying disabled veterans. Effective 2015, legislation expanded the disabled veteran exemption to include the surviving spouse of a prequalified disabled veteran. For both groups, the exemptions as enacted reduce the first \$200,000 of taxable actual value of a residential property by 50 percent, up to a maximum reduction of \$100,000. The reduction in property tax revenue to local governments is reimbursed by the state treasurer.

The Colorado Constitution grants the Colorado General Assembly the authority to increase or decrease the amount of the senior citizen and disabled veteran exemptions. For tax years 2003, 2004, 2005, 2009, 2010, and 2011, the General Assembly enacted legislation to reduce the amount of the senior citizen exemption to 50 percent of \$0, effectively suspending the senior citizen exemption benefit. The disabled veteran exemptions benefit was not suspended for property tax years 2009, 2010, or 2011.

To qualify for the senior citizen exemption, a senior must be at least 65 years old on January 1 of the year in which he or she applies, must have owned, and occupied the property for at least 10 consecutive years as his or her primary residence. To qualify for the disabled veteran exemption, a veteran must have sustained a service-connected disability that has been rated by the U.S. Department of Veterans Affairs as 100 percent permanent disability through disability retirement benefits pursuant to a law or regulation administered by the Department, the U.S. Department of Homeland Security, or the Department of the Army, Navy, or Air Force. The veteran must have also owned and occupied the property since January 1 of the year the application is filed.

Applications for the senior citizen exemption are filed with the county assessor no later than July 15, and applications for the disabled veteran exemption are filed with the Colorado Division of Veterans Affairs, Department of Military, and Veterans Affairs (DMVA), no later than July 1. If approved by the DMVA, the veteran's application is forwarded to the county assessor for further processing and approval. The application for the surviving spouse of the prequalified disabled veteran is filed with the county assessor where the previously qualified property is located, no later than July 1. Once approved, the senior citizen or disabled veteran, or surviving spouse of the previously qualified disabled veteran exemption remains in effect from year to year until a change in ownership or occupancy triggers its removal. Each year, the treasurer and the assessor are required to mail a notice to all residential property owners explaining the exemption programs.

No later than September 10, the assessor is required to send the Division of Property Taxation an electronic list of the exemptions granted, including the names and social security numbers of each person occupying the property. The Division uses the data to identify individuals who were granted an exemption on more than one property in the state, and denies the exemptions on each property. In 2020, the Division denied exemptions on 6 of these properties and an additional 109 were denied for applicants who no longer resided at the property. In 2020, 262,130 properties were approved for the senior citizen exemption, and 7,793 properties received the disabled veteran exemption. Since 2016, the Division has cross-referenced the applicants for an exemption with the state's vital statistics registrar to determine if individuals who applied were deceased. In 2020, the Division revoked 10,421 exemptions after determining the applicant passed away in a previous year.

The senior citizen and disabled veteran exemption programs do not result in a loss of revenue to local governments. Instead, the state reimburses the local governments for the tax revenue exempted. No later than April 1, county treasurers send the state treasurer an itemized list of the exemptions granted and taxes exempted. No later than April 15, the state treasurer reimburses the local governments for the lost revenue. In April of 2021, the state treasurer reimbursed local governments \$153,120,184.74 for senior citizen property tax exemptions granted and \$4,775,061.90 for disabled veteran exemptions granted for tax year 2020.

TABLE 11 shows the total number of exemptions granted for both programs as well as the amount of tax reimbursed by the state treasurer over the past decade.

TABLE 11

TOTAL NUMBERS OF EXEMPTIONS GRANTED AND TAXES EXEMPTED FOR SENIOR CITIZENS AND DISABLED VETERANS IN PAST DECADE

POSSESSORY INTERESTS

In 2001, the Colorado Supreme Court ruled that certain possessory interests are subject to ad valorem taxation in Colorado. A possessory interest is defined as a private property interest in government-owned property, or the right to the occupancy and use of any benefit in government-owned property that has been granted under lease, permit, license, concession, contract, or other agreement. The use of the property must be in connection with a business conducted for profit.

Taxable possessory interests may include but are not limited to the following:

- Private concessionaires utilizing government owned land, improvements, or personal property unless operating pursuant to a management contract
- Government land and improvements used in the operation of a farm or ranch
- Government land, improvements, and/or personal property used in the operation of ski or recreational areas
- Land underlying privately owned cabins or other residential property located on government land that is rented commercially
- Recreational use of lakes, reservoirs, and rivers in a revenue-generating capacity
- Land, improvements, and personal property at a tax-exempt airport
- Other government property leased to private parties. However, the property may be otherwise exempt pursuant to Colorado Revised Statutes

2020 PROPERTY TAX LEGISLATION

Please visit <http://leg.colorado.gov/bills> for more information on the bill and to access bill text.

LIST OF BILLS:

- HB 20-1020 Sales Tax Exemption for Long-Term Lodging
- HB 20-1029 Elected County Officer to Receive a Lower Salary
- HB 20-1052 Restrictions of Personal Information of Certain Employees
- HB 20-1077 Modifications of County Treasurer Duties
- HB 20-1093 Authority to License and Regulate Short-Term Lodging Rentals
- HB 20-1133 Land Use Entitlements Affecting Real Property That Has Been Disconnected From a Municipality
- HB 20-1200 Continuation of the HOA Information and Resource Center and Implementing Recommendations by DORA
- HB 20-1281 Salary Categorization for Certain Counties
- HB 20-1318 Standards for Recording Plats
- SB 20-136 Omnibus Bill
- SB 20-223 Assessment Rate Moratorium & Conforming Changes

HOUSE BILL SUMMARIES

HB 20-1020

Sales Tax Exemption for Long-Term Lodging

The sales tax exemption for **occupants** of a hotel/motel who have a written agreement for occupancy of a room for at least 30 consecutive days has been changed by this bill to provide this exemption only to **natural persons**. As a result of this bill, rental to other than natural persons, e.g., business entities, will no longer be eligible to receive this sales tax exemption. However, a local government or political subdivision may expressly subject such use to its local sales or use tax by ordinance or resolution.

Signed by Governor Jared Polis: March 20, 2020
Effective Date: September 14, 2020

HB 20-1029

Elected County Officer to Receive a Lower Salary

This bill allows an elected county officer in a category III, IV, V, or VI county to elect to lower their salary by 50%. Notice must be given in writing and recorded with the county clerk during the month of November. The elected county officer may subsequently elect to return to the statutory based, higher salary; however, only one election per year is allowed.

Signed by Governor Jared Polis: July 7, 2020
Effective Date: September 18, 2020

HB 20-1052

Restrictions of Personal Information of Certain Employees

In addition to law enforcement officials and their immediate family members, this bill also adds restrictions on making personal information available on the internet regarding human services workers or any member of their immediate family.

Signed by Governor Jared Polis: March 24, 2020
Effective Date: September 18, 2020

HB 20-1077 **Modifications of County Treasurer Duties**

This bill addresses several issues regarding county treasurer responsibilities and makes modifications to statutes on the following:

Section 1 adds subsection (1.5) to § 30-1-102, C.R.S., which authorizes the county treasurer to charge and receive a fee for issuing an authentication for manufactured homes.

Section 6, clarifies § 39-1-108, C.R.S., dealing with the payment of taxes upon conveyance of a property. Personal property is specifically excluded from application of this statute.

Section 7 adds § 39-1-124, C.R.S., and provides that a county assessor or treasurer is not required to send a mailing or notice that would otherwise be required to be sent pursuant to title 39 if they have reasonable certainty that it will not be delivered to a residential real property address. This does not apply to §§ 39-11-128 and 39-10-111.5(6)(b), C.R.S.

Sections 8 and 10 allow the county treasurer to review all statements and documentation filed with the property tax administrator or assessor that are considered private and confidential pursuant to §§ 39-4-103 and 39-7-101, C.R.S.

Section 15 adds to § 39-10-111.5, C.R.S., that mobile homes located on leased land that are acquired through foreclosure, then sold or stricken off to the county, may be redeemed within one year of the date of the sale.

Section 16 changes § 39-10-113, C.R.S., to allow the treasurer to “at once proceed” to collect taxes on personal property that they believe may be removed from the **county**. The prior law required an expectation that the personal property may be removed from the **state**.

Section 17 amends § 39-10-114, C.R.S., beginning January 1, 2020, so that refund interest accrues from the date a complete abatement petition is filed or the date payment of taxes was received by the treasurer, whichever is later.

Signed by Governor Jared Polis: March 24, 2020
Effective Date: September 14, 2020

HB 20-1093 **Authority to License and Regulate Short-Term Lodging Rentals**

This bill amends § 30-15-401(1)(s)(I) and (II), C.R.S., by allowing a board of county commissioners to license, regulate and to determine fees and terms for lodging for short-term stays. The licensing or regulation under this authority does not affect whether a lodging unit is classified as a residential improvement as defined in § 39-1-102(14.3), C.R.S.

Signed by Governor Jared Polis: March 23, 2020
Effective Date: September 14, 2020

HB 20-1133 **Land Use Entitlements Affecting Real Property That Has Been Disconnected From a Municipality**

This bill amends § 31-12-501, C.R.S., that deals with the disconnection of a tract of land from a municipality. (1) requires that any vested property rights affecting such a tract “shall be expired or relinquished” by the owner no later than the effective date of the disconnection.

This bill adds subsections; (5)(a) which requires that land that has been disconnected from a municipality shall be made subject to the applicable county zoning within 90 days after the effective date of the disconnection, (5)(b) provides that the county may elect not to issue building or occupancy permits during the 90 days; and (5)(c) allows the county to commence subdivision procedures at any time after the disconnection has been completed, but the county shall not make a final decision approving the subdivision until zoning has been enacted.

This bill also amends §§ 31-12-603 and 31-12-704 C.R.S., to conform with the requirements of § 31-12-501(5), C.R.S.

Signed by Governor Jared Polis: April 1, 2020
Effective Date: September 1, 2020 - date specified in bill

HB 20-1200

Continuation of the HOA Information and Resource Center and Implementing Recommendations by DORA

This bill amends §12-10-801, C.R.S., to extend the HOA Information and Resource Center in the Department of Regulatory Agencies, Division of Real Estate until September 1, 2025.

The bill also amends the Colorado Common Interest Ownership Act in §38-33.3-106.5, C.R.S., adding requirements for a HOA when dealing with the display of religious items.

Signed by Governor Jared Polis: June 30, 2020
Effective Date: June 30, 2020

HB 20-1281

Salary Categorization for Certain Counties

Changes to the following counties salary categorizations: Alamosa from Category III-A to III-B, and Yuma from Category IV-B to IV-C.

Signed by Governor Polis: June 26, 2020
Effective Date: September 18, 2020

HB 20-1318

Standards for Recording Plats

Section 31-23-108, C.R.S., provides that the county clerk and recorder may now receive an original plat for recording in electronic format. Section 38-50-101, C.R.S., requires that each plat submitted to a county clerk and recorder must be an original or electronic format and must: be submitted, have original signatures, have all the original seals, have at least ten-point type and not have illegible images; if submitted in an original format it must be printed on paper or a dimensionally stable polyester sheet that is white and without water marks and is heavy bonded paper, has no staples or other binding, has no impression seals; if submitted in electronic format it must have a minimum of three hundred dots per inch.

Signed by Governor Jared Polis: July 6, 2020
Effective Date: September 14, 2020

SENATE BILL SUMMARIES

SB 20-136 Omnibus Bill

This bill replaces “shall” to “must” in the following: §§ 39-5-121 Notice of Valuation, 39-5-122 Taxpayer’s Remedies to Correct Errors, 39-8-104 Notice of Meeting, 39-8-106 Petitions for Appeal, 39-8-107 Hearings for Appeal, 39-10-114 Abatement - Cancellation of Taxes. It also removes the statutes regarding city and county of Denver pilot alternate protest procedures.

Signed by Governor Jared Polis: March 23, 2020
Effective Date: September 14, 2020

SB 20-223 Assessment Rate Moratorium & Conforming Changes

This bill places a moratorium on changing the assessment rate for any class of property and makes conforming changes to §§ 39-1-104, 39-1-104.2 and 39-1-121, C.R.S. to reflect the repealed constitutional provisions that were enacted by the passage of Amendment B in the 2020 General Election.

Signed by Governor Jared Polis: July 13, 2020, 2020
Effective Date: January 1, 2021 or upon the governor’s proclamation, whichever is later.

Section VI

Taxable Real and Personal Property Assessed by the Counties

The listing of values reflect the Abstracts of Assessment for each county in the state. The Abstracts are filed with the Property Tax Administrator on August 25th of each year, 39-5-123(1), C.R.S.

All values reflected are assessed values.

Section X

Certification of Levies and Revenues by County

The assessed values reflect those values existing in the counties on the date the levies are certified to the county commissioners, December 15. See: 39-1-111(1), 39-1-111(5) and 39-5-125, C.R.S.

FOOTNOTES:

- (A) Excess levy approved by Division of Local Government
- (B) Excess levy revenue voted at special election

NOTE: Special Assessments on the tax roll are no longer shown.

SCHOOL DISTRICT CODING:

School districts entirely within a county:

Designated by the last position number of "0" or "5".

Multi-county school districts:

Designated by the last position numbers of "1" through "4". The administrative offices of the school district are located in the county designated by the code number "1". The adjoining counties are listed by code numbers "2" through "4", assigned to the counties alphabetically.

Questions regarding School District levies should be referred to the Department of Education, Office of Management Services.

(1) Average will not add to the Total Average County Levy because denominators (Assessed Valuation) are not common to all.

(2) Municipal Revenues are divided by the sum of Municipal Assessed Valuation.

(3) Special District Revenues are dividd by the sum of Special District Assessed Valuation.

* These figures include tax increment valuation and all tax revenues attributable to the increment are allocated to the increment
