ATTENTION HUNTERS!

The DOW has released Canada lynx in southwest Colorado, which may be found elsewhere in the state. If you see one, please report it to a DOW office. Bobcat hunters should make sure they don't shoot a lynx. Lynx differ from bobcats in several ways:

*The tip of a lynx tail is black all around. On a bobcat, the underside of the tip of its tail is white.

*The ear tufts of lynx are more than 1 inch long.

*The fur on a lynx belly is tawny colored. On a bobcat, it is white.

*Lynx tracks are 3 1/2 to 4 1/2 inches wide. Bobcat tracks are less than 2 1/2 inches wide.

2007 SMALL GAME HUNTING

WHAT'S NEW FOR 2007-2008

Walk-In Access: This program has been expanded. See "Walk-In Access Program."

Greater Prairie-Chicken: Hunting is permitted in an expanded area this year by specific units. See "Greater Prairie-Chicken."

Doves: There is a new season this year for Eurasian collared-doves. See "Season Dates, Bag Limits" and "Species Identification."

BUY YOUR LICENSE ONLINE

Buy your license via the DOW's website or by calling 1-800-244-5613. Credit cards accepted for phone and internet purchases. DOW offices and license agents also sell licenses.

DEFINITIONS

Aggregate: total number of animals allowed in a bag limit regardless of species.

Daily bag limit: max. number of wildlife you can take in a day, including wildlife consumed or donated during day taken.

Canada lynx recovery area: in San Juan and Rio Grande national forests, and associated land above 9,000 ft. W from a N-S line passing through Del Norte and E from a N-S line passing through Dolores and from New Mexico N to the Gunnison basin, including Taylor Park E to Collegiate Range. Includes units 55, 65, 66, 67, 68, 70, 71, 74, 75, 76, 77, 78, 79, 80, 81, 551, 681, 711 and 751.

Crossbow: bow fired from the shoulder, attached perpendicularly to its stock. Has a mechanical device to hold string cocked.

Falconry (or hawking): hunting with trained raptor.

Furbearers: mink, pine marten, badger, red fox, striped skunk, beaver, muskrat, coyote, bobcat, raccoon.

Hand-held bow: long bow or compound bow with a manually held or drawn string.

Handgun: pistol, revolver, without shoulder stock or attachment.

Like license: license to take the same wildlife in same manner at same time.

Live traps: box traps, sned-design colony traps and cage traps.

Migratory game birds: migratory birds included in conventions between U.S. and foreign countries to protect birds for which seasons are offered. They are: waterfowl (ducks, including mergansers, and geese, including brant); mourning and white-winged doves, band-tailed pigeons; sandhill cranes; American coots; sora; Virginia rail; Wilson's snipe, crows.

Pellet gun: handgun or rifle powered by compressed air or gas that is .177 caliber or larger and fires pellets.

Pelt: skin of a furbearer with hair intact.

Possession limit: max. number of wildlife you can have at any time.

Relocation: moving live wildlife to a site not contiguous to capture site.

Rifle: firearm fired from the shoulder with a rifled bore, 16-inch or longer barrel and at least 26 inches in overall length.

Shotgun: firearm fired from the shoulder with a smooth bore, at least an 18-inch barrel and at least 26 inches in overall length.

Slingshot: hand-held device manually drawn or held with elastic band attached to arms or attachment points for propelling stones or metal projectiles. Wrist-brace attachments and non-elastic projectile pouches are normal parts of a slingshot.

Small game birds: grouse, ptarmigan, pheasant, quail, partridge, greater prairie-chickens.

Small game mammals: cottontail rabbit, snowshoe hare, jackrabbits, marmot, fox squirrel, pine squirrel and Abert's squirrel.

Other small game: prairie dogs, Wyoming (Richardson's) ground squirrels, prairie rattlesnake, European starling, English or house sparrow, common snapping turtle.

Trapping: taking or attempting to take wildlife with a trap.

SPECIES INCLUDED

This brochure includes information on furbearers, pheasants, quail, doves, band-tailed pigeons, sora, Virginia rail, Wilson's snipe, ptarmigan, blue (dusky), mountain sharp-tailed and greater sage grouse, chukar partridge, crow, sandhill cranes, greater prairie-chickens, rabbits, snowshoe hares, squirrels, marmots, prairie dogs, coyotes and other small game. (Ducks and geese are in our waterfowl brochure, available in September.)

HABITAT STAMP

License Buyers: A Colorado Wildlife Habitat Stamp is required of people ages 19-64 who buy hunting or fishing licenses. With a license purchase, the stamp is \$5 and required on each of the first 2 licenses bought in a calendar year (\$10 total). The stamp also allows access to state wildlife areas or state trust lands leased by the DOW.

Wildlife and Outdoor Enthusiasts: A Colorado Wildlife Habitat Stamp is required of people ages 19-64 who visit a state wildlife area or state trust land leased by the DOW, such as non-hunting members of your party, wildlife viewers or hikers. This stamp costs \$10.25 (25-cent search and rescue fee).

Lifetime Stamp: Anyone can buy a lifetime stamp for \$200. This stamp satisfies either of the above requirements.

LICENSE REQUIREMENTS

- 1. To hunt small game**, you need a small game license, a combination small game and fishing or a life-time small game and fishing license.
- 2. To hunt common snapping turtles**, you need a small game license or fishing license.
- 3. To hunt bobcat, red foxes, raccoons, coyotes and striped skunks**, you can have either a furbearer or small game license.
- 4. To hunt all other furbearers (mink, pine marten, badgers, beavers and muskrats)**, you must have a furbearer license.
- 5.** You can hunt **coyotes** without a license in big game seasons if you have an unfilled big game license for the same season and unit. You must use the same method of take for coyotes as your big game license allows.
- 6.** Lifetime small game and fishing combination licenses are valid as long as you are a Colorado resident.
- 7. To hunt waterfowl**, you need a small game hunting license. If you are 16 or older, you also need a Federal Migratory Bird Hunting Stamp (Duck Stamp) and a Colorado Waterfowl Stamp.
- 8. To hunt band-tailed pigeons and sandhill cranes**, a separate federal permit number, available through HIP, is required.
- 9.** Licenses expire on date written or printed on them.
- 10.** Licenses are not transferable.
- 11.** False statements made in buying a license and altering a license are illegal and void the license.
- 12.** If a license is restricted to a specific area, you can hunt only in that area.
- 13.** Lost or destroyed licenses can be replaced buying a new one or signing an affidavit and paying a fee. Forms are available at DOW offices and license agents.
- 14.** You must carry your license when hunting and show it when requested by law enforcement officers.
- 15.** Your 2007 small game license expires Dec. 31. To hunt small game after Dec. 31, you need a 2008 small game or furbearer license.

RESIDENCY REQUIREMENTS

These are the requirements to qualify as a Colorado resident to buy a hunting license:

- 1.** You must have lived continuously in Colorado at least six months immediately before applying for or buying a license, and must intend to make Colorado home (except #2 and 3 below.) The residence address given to purchase or apply for a license must be the same address used on your Colorado income tax return.
- 2.** U.S. armed services personnel and military personnel of U.S. allies on active duty in Colorado under permanent orders and their dependents. This includes people who were Colorado residents when they entered the armed services and maintain Colorado as their home of record, and their dependents (unless they change their home of record to another state.) Also included are personnel of the U.S. Diplomatic Service or diplomatic services of nations recog-

nized by the U.S. assigned to duty here on permanent active duty orders and their dependents. Active duty does not include reserve status or National Guard.

3. Full-time students enrolled and attending a Colorado college, university or trade school at least six months immediately before applying for or buying a license. This includes students who are temporarily absent from Colorado but still enrolled. Colorado residents who attend school full time out of state and pay nonresident tuition still qualify for a resident license.

4. Children under 18 have the same residency status as their parent, legal guardian or person with whom they live the majority of the time per court order.

5. If you have a home in Colorado and another state, call (303) 297-1192 to make sure you comply with Colorado residency requirements before obtaining a hunting or fishing license.

6. Except as in #2 and 3 above, you lose your Colorado residency if you apply for, buy or accept hunting, fishing or trapping license as a resident of another state or country; register to vote outside Colorado or get a driver's license with an address in another state.

GREATER PRAIRIE-CHICKEN

Greater prairie-chicken permits are limited in number and can be purchased on our website and at DOW offices. A max. of 100 permits are issued. **NEW FOR 2007:** Permits cost \$5. Permits are valid in game management units 97, 98, 100, 101, 102. You also must buy either a small game license or falconry license. You cannot hunt any other species with this permit, including lesser prairie-chickens or plains sharp-tailed grouse. For other regulations applying to greater prairie-chicken, see "Species Identification" and "Tagging Requirements."

HARVEST INFORMATION PROGRAM

All small game, furbearers, migratory bird hunters, including falconers, must sign up with HIP before their license is valid. Although signing up with HIP is required to hunt migratory birds nationwide, Colorado requires that small game and furbearer hunters also sign up with HIP. This helps the DOW to efficiently and accurately estimate harvest and participation rates for many small game species, a task vital to the mission of the agency. HIP also allows the DOW to stratify harvest survey samples based on who hunts a particular species and randomly selecting harvest survey participants from the strata. This is particularly important for species that few hunters pursue, including sage and Columbian sharp-tailed grouse, which are notoriously difficult to survey with general surveys. HIP also benefits larger surveys, like the small game survey, by focusing on those who actively hunt in a given year, which greatly increases sampling efficiency and eliminates a large number of hunters who buy licenses but don't hunt. You must write the HIP number in the space provided on your license. If you registered with HIP for the 2007-2008 season and you want to hunt after Jan. 1, 2008, you must buy a 2008 small game license and transfer your 2007-2008 HIP number to your 2008 license. To sign up with HIP, call 1-866-265-6447 (1-866-COLOHIP) or go to www.colohip.com. You will be asked basic information, including how many birds you harvested the previous season and species you plan to hunt this year. The phone line and website run 24 hours daily. For help, call 1-800-368-4683, Mon.-Sat., 6 a.m. to 4 p.m. MST.

YOUTH LICENSES

Youths under age 18 can buy a youth small game license for \$1. All youths must meet hunter education requirements. Those under 16 must be accompanied by a mentor while hunting. A mentor must be 18 or older and must meet hunter education requirements. Mentors aren't required to hunt. While hunting, youths and mentors must be able to see and hear each other without binoculars, radios or other aids. Youths

2007 SMALL GAME HUNTING

under 18 also can buy an adult license as long as they meet hunter education requirements. At age 18, youths must buy an adult license.

HUNTER EDUCATION REQUIREMENTS

Hunters born on or after Jan. 1, 1949, must have **completed** an approved hunter education course or bowhunter education course (for archery licenses only) sanctioned by a state or province before applying for or purchasing a license. Colorado honors hunter education courses from other states and provinces. You must present an original hunter safety card when buying a license. You must carry your hunter education card when hunting unless "Verified" is printed by the DOW on your license.

DISABLED VETERANS

Colorado residents who are disabled veterans can get free lifetime combination small game hunting and fishing licenses. They must have served on active duty and been honorably discharged. They also must prove a service-related disability rated by the Veterans Administration of at least 60% through disability retirement benefits or a pension administered by the Dept. of Veteran Affairs or respective service department. Contact DOW, (303) 297-1192.

HUNTING HOURS

One-half hour before sunrise to sunset, except furbearers, which can be hunted from one-half hour before sunrise to one-half hour after sunset. See Sunrise/Sunset chart. Raccoons, coyotes, bobcats, striped skunks, beavers and red foxes can be hunted at night. See "Furbearer Methods of Take."

GENERAL HUNTING LAWS

1. The DOW can post firing lines at its properties.
2. It is illegal to kill, capture, injure or harass wildlife from an aircraft or motor vehicle. It is also illegal to operate aircraft with intent to injure, harass, drive or rally wildlife. It is illegal to discharge a firearm or release an arrow from an aircraft or motor vehicle.
3. It is illegal to discharge a firearm or release an arrow from, on or across a public road. Hunting with rifles, handguns, shotguns firing a single slug and archery equipment prohibited within 50 feet on each side of the center line of any public road. On a divided road, the prohibition includes the median, and the 50-foot requirement is measured from the center line of both roads.
4. It is illegal to carry or have a firearm, except a pistol or revolver, in or on a motor vehicle unless the chamber is unloaded. While using artificial light from a vehicle, it is illegal to have a firearm with cartridges in the chamber or magazine, or possess a strung bow unless the bow is cased.
5. You must take edible parts of game meat home to eat or provide it for human consumption. Do not leave wounded wildlife (or possibly wounded wildlife) without attempting to track and kill it.
6. Possession of wildlife is evidence you hunted.
7. Small game and migratory bird hunters are not required to wear solid daylight, fluorescent orange clothes. However, the DOW encourages you to wear fluorescent orange clothes for your safety.
8. You must stop at DOW check stations when told to do so.
9. Violations of Colorado wildlife laws carry point values. You can face suspension of license privileges for up to five years or more if you accumulate 20 or more points in five years.
10. It is illegal to promote, conduct, offer to conduct or participate in a competitive event that involves killing small game or furbearers for which there is no bag and possession limit (including coyotes and prairie dogs). Contests are allowed if no more than 5 of each species are killed by each participant during the event. Contests of marked or

tagged small game and game birds for money or valuable prizes also are illegal. Tokens of recognition without significant monetary value are not considered valuable prizes. This does not apply to wildlife parks and field trials licensed by the DOW.

11. During deer, elk, pronghorn antelope and bear seasons, firearms (except handguns) must be unloaded in the chamber and magazine when carried on an OHV. Firearms (except handguns) and bows carried on an OHV must be fully enclosed in a hard or soft case. Scabbards or cases with open ends or sides are prohibited. This regulation does not apply to landowners or their agents carrying a firearm on an OHV for the purpose of taking depredated wildlife on property owned or leased by them.

LEGAL METHODS OF TAKE

1. GAME MAMMALS

- a. Rifles or handguns allowed for blue (dusky) grouse and ptarmigan.
- b. Shotguns cannot be larger than 10 gauge. Shotguns cannot be capable of holding more than 3 shells in magazine and chamber combined.
- c. Hand-held bows and crossbows.
- d. Pellet guns and slingshots.
- e. Hawking.

2. GAME BIRDS (EXCEPT MIGRATORY BIRDS)

- a. Rifles or handguns allowed for blue (dusky) grouse, ptarmigan during fall season (except in units 91, 92, 96 and 951).
- b. Shotguns cannot be larger than 10 gauge. Shotguns cannot be capable of holding more than 3 shells in magazine and chamber combined.
- c. Hand-held bows. Crossbows allowed only for small game birds, not migratory game birds.
- d. Pellet guns and slingshots permitted only for blue (dusky) grouse and ptarmigan.
- e. Hawking.

3. CALIBER RESTRICTION

- a. It is illegal to hunt game birds, small game mammals or furbearers with a centerfire rifle larger than .23 caliber in regular rifle deer and elk seasons west of I-25, unless you have an unfilled deer or elk license for the season you are hunting. A small game license also is required.

4. AIDS IN HUNTING SMALL GAME

- a. Dogs are allowed to hunt small game, waterfowl and furbearers but only to pursue, bring to bay, retrieve, flush or point. It is illegal to use dogs to hunt cottontail rabbits, snowshoe hares and tree squirrels during regular rifle big game seasons.
- b. Artificial decoys are permitted.
- c. European ferrets are permitted for hawking. Ferrets must be neutered, tattooed on left inguinal area and dyed along one-fourth of their body for easy field identification.
- d. Mechanical devices designed to call wildlife are allowed.

FURBEARER METHODS OF TAKE

In addition to legal methods of take listed above, you can use the following to hunt furbearers:

1. The only kind of traps legal for recreational take of furbearers are live traps. **NEW FOR 2007:** Pursuant to court order, mink and pine marten cannot be taken by trapping.
2. If wildlife (except Canada lynx) is accidentally captured alive when trapping season is closed or is illegal for that species, you must release the animal immediately. You cannot kill it. If you find a dead animal in your trap, you must bring its carcass to a DOW officer or office within 5 days. Failing to do so is evidence of illegal possession of wildlife. Trappers who comply won't be charged with illegal possession.
3. If you accidentally capture a live animal for which the trapping

2007 SMALL GAME HUNTING

season is open, you must kill or release it immediately when you check the trap.

4. You must check traps at least daily. In Canada lynx recovery area or where lynx are, you must check traps every 24 hours.
5. If you accidentally capture a Canada lynx but it's not injured, you must release it immediately and report the incident to the DOW within 24 hours. If a lynx is accidentally injured, but not in your possession, you must report it to the DOW within 24 hours. If you capture a lynx accidentally and injure it, take the lynx to the DOW or licensed veterinarian and report it to the DOW within 24 hours. If you accidentally kill a lynx, you must report it to the DOW within 24 hours and take the carcass to the DOW within 3 days after the report. Failing to follow these rules is considered unlawful take and possession. You won't be charged if you comply with these requirements, are registered in the DOW's lynx conservation plan or use the plan's best management practices to avoid accidentally taking a lynx.
6. Except when legally placed on private property by permit, it is illegal to set traps or snares within 50 feet of either side of the travelled part of state or federal highways or county roads.
7. Hunting furbearers with bait is legal. When permitted, bait must be made solely of plants or animals. Bait cannot contain metal, glass, porcelain, plastic, cardboard or paper. Wildlife used as bait can be carcasses or parts of legally taken furbearers, carp, shad, white and longnose suckers, and inedible parts of legally obtained game mammals, birds or game fish.
9. Electronic calls are legal to hunt furbearers.
10. On private land, artificial light is allowed at night to hunt beavers, raccoons, coyotes, bobcats, striped skunks and red foxes with permission of landowner or agent.
11. On public land, artificial light is allowed at night with permit from local district or area wildlife manager, to hunt raccoons, coyotes, bobcats, striped skunks, beavers and red foxes. Permits are valid for time and place specified.

- a. Permits are not valid 24 hours before or during deer, elk, or pronghorn rifle seasons, nor opening weekend of grouse, pheasant, quail and waterfowl seasons.
 - b. It is illegal to hunt with a light permanently attached to a vehicle or to project light from inside a vehicle.
 - c. It is illegal to take furbearers within 500 yards of a dwelling, building, campground or other structure, or in areas that jeopardize human safety.
 - d. You must carry the permit while hunting and show it if requested by a law enforcement officer.
 - e. The DOW can deny a permit for management purposes.
 - f. Night hunting permits are not issued for bobcat on public land in Canada lynx recovery areas or where lynx are. If a bobcat hunter kills a Canada lynx during bobcat hunting season, the DOW will not issue any more night hunting permits for bobcat for the rest of the calendar year in the recovery area or where the lynx was killed. The DOW also will revoke all night hunting permits previously issued for bobcats.
12. It is illegal to destroy or damage beaver or muskrat houses, dens or dams, except to maintain water flow or prevent property damage.

ILLEGAL HUNTING METHODS SMALL GAME, FURBEARER

1. It is illegal to use toxicants, drugs, explosives or stupefying substances to hunt, kill, capture, injure or harass wildlife except with permits issued by DOW or Colorado Department of Agriculture.
2. Electronic devices and electronic calls are illegal, except as in "Furbearer Methods of Take."
3. It is illegal to use any artificial light as an aid in hunting or tak-

ing wildlife, except as in "Furbearer Methods of Take."

4. It is illegal to use bait to hunt small game mammals, game birds and migratory birds. You can hunt migratory game birds over standing crops or feed used in the course of agricultural planting, harvesting or other normal agricultural practices.
5. It is illegal to use visual lures, fresh meat baits, fish oil and anise oil lures to attract felids in lynx recovery areas or where lynx are.

HAWKING/FALCONRY

1. No more than 2 raptors at a time allowed. Apprentices cannot hunt with more than 1 raptor at a time.
2. A resident raptor license required.
3. Nonresident falconers must buy a nonresident falconry license from the DOW's special licensing section, a one-day small game hunting license or a nonresident small game hunting license. Hunter education laws apply.
4. Falconers must comply with HIP.
5. Firearms prohibited while hawking.
6. Hawking prohibited from a public road.
7. Hawking on private property is illegal without permission from owner or person in charge.
8. Nonresidents also must obtain an import permit at least 30 days in advance from special licensing. The permit is free, but a current health certificate issued within 30 days of the proposed entry from state of origin required. Import permit applications and import permits can be faxed. No other types of falconry license can be faxed. Contact Special Licensing via e-mail at Kathy.Konishi@state.co.us.

MIGRATORY BIRD, EURASIAN COLLARED-DOVES LEGAL METHODS OF HUNTING

1. Shotguns cannot be larger than 10 gauge. They cannot be capable of holding more than 3 shells in magazine and chamber combined. They must be fired from the shoulder. To reduce capacity of shotguns that hold more than 3 shells in the chamber and magazine combined, the magazine must be cut off, altered or plugged with a 1-piece filler that cannot be removed unless the gun is disassembled. Slugs are illegal to hunt waterfowl.
2. Hand-held bows cannot mechanically hold or draw the arrow or bow string. It is illegal to use bows on firing lines designated by the Wildlife Commission.
3. It is legal to hunt waterfowl in the open, from a blind or other concealed place except a sink box. When camouflaged with vegetation from agricultural crops, camouflaging cannot result in exposing, depositing, distributing, or scattering grain or other feed.
4. a. It is illegal to take migratory birds and waterfowl by the aid of baiting, or on or over any baited area, if you know or reasonably should know the area is baited. It is illegal to place or direct placement of bait on or next to an area to cause, induce or allow anyone to take or attempt to take migratory birds with the help of bait or over a baited area.
 - b. Baiting means directly or indirectly placing, exposing, distributing or scattering salt, grain or other feed as an attraction for migratory game birds to, on or over where hunters are trying to hunt.
 - c. It is legal to take migratory birds, including waterfowl, coots and cranes, on or over the following lands not otherwise baited: standing or flooded standing crops; standing flooded or manipulated natural vegetation; flooded harvested crop lands; where seeds or grains were scattered solely from normal agricultural planting, harvesting,

2007 SMALL GAME HUNTING

post-harvest manipulation or normal soil stabilization practice; flooded, standing agricultural crops where grain is inadvertently scattered solely by a hunter entering or exiting an area, placing decoys or retrieving downed birds.

d. It is legal to take migratory birds, except waterfowl, coots and cranes, on or over the following lands not otherwise baited: where grain or other feed is distributed or scattered solely from manipulation of agricultural crops or other feed, or solely from normal agricultural operations.

5. Hunting is allowed from vessels (except sinkboxes) with motors or sails if the motor is off, and/or sails furred and forward movement has stopped. Hunting is allowed from drifting vessels and those propelled by hand. Motorized vessels only allowed to pick up dead or injured birds, or to put out and retrieve decoys.

6. Hawking or falconry permitted.

7. Dogs, artificial decoys, duck calls or goose calls are legal, except recorded or electronically amplified calls or sounds. Recorded or electronically amplified calls are legal to hunt common crows.

MIGRATORY BIRD HUNTING LAWS

In Colorado, the Pacific Flyway is west of the Continental Divide, and the Central Flyway is east of the Continental Divide. Federal and state laws apply.

1. The Wildlife Commission sets waterfowl seasons in August. See the DOW's waterfowl brochure for hunting information.
2. You cannot hunt migratory birds on a federal reservation, federal land set aside as a wildlife reservation, breeding ground or refuge or federal land closed by the Migratory Bird Treaty Act, except as permitted.
3. It is illegal to hunt migratory birds from, on or across a highway, road, trail, public or private right-of-way in national wildlife refuges. Stricter regulations may apply on wildlife refuges. Contact: Alamosa and Monte Vista National Wildlife Refuges, (719) 589-4021; Browns Park NWR, (970) 365-3613; Arapaho NWR, (970) 723-8202.
4. It is illegal to hunt waterfowl within 50 yards on each side of public roads or within 150 yards of dwellings, including directly above dwelling, without first getting permission from the owner or person in charge of dwelling in this area: From Wyoming and Larimer-Jackson county line E to Nebraska and I-76, S and W on I-76 to Hwy. 71, S on Hwy. 71 to Hwy. 36, W on Hwy. 36 to I-70, W on I-70 to Continental Divide, N on Continental Divide to Larimer-Jackson county line, N on Larimer-Jackson county line to Wyoming.
5. The most restrictive state or federal laws apply.
6. You cannot kill, have, transport, import or export migratory birds, their parts, nests or eggs that were taken, bought, sold, transported, possessed or exported illegally.
7. It is illegal to have or transport live migratory birds or waterfowl, including wounded birds. You must kill migratory birds immediately after you injure them, and they become part of your bag limit.
8. You don't need a permit to have and transport plumage or skins of legally taken migratory birds for your use.
9. You don't need a permit to have, dispose and transport feathers from wild ducks and wild geese legally killed, or from birds seized and condemned by wildlife authorities. It is legal to use feathers to make fishing flies, bed pillows, mattresses and similar commercial items, except millinery or ornamental use.
10. It is illegal to buy, sell, barter or offer to buy or sell feathers or mounted specimens of migratory birds.
11. It is illegal to receive or have someone else's migratory birds

unless they are tagged as required.

12. *Attention sandhill crane hunters:* Whooping cranes are federally endangered and illegal to hunt. They may be in Colorado during sandhill crane season.

NONTOXIC SHOT

1. It is illegal to use or have toxic (lead) shot, either in shotshells or as loose shot for muzzleloading, while taking or attempting to take ducks, geese or coots in Colorado. This includes national wildlife refuges open to hunting. Toxic shot, either in shotshells or as loose shot for muzzleloading, cannot be in a hunter's gun, on his/her person or near a hunter taking or attempting to take waterfowl. Store lead shot in your vehicle. You can store lead shot elsewhere if it's not readily accessible while hunting waterfowl.
2. Nontoxic shot required in commercial wildlife parks, field trials and dog-training while hunting captive-reared mallards.
3. Nontoxic shot is any type approved by the U.S. Fish and Wildlife Service. Go to: www.fws.gov/migratorybirds/issues/nontoxic_shot/nontoxic.htm.
4. It is illegal to have or use nontoxic shot larger than size T to hunt ducks, geese or coots.

MIGRATORY BIRD TRANSPORTING, SHIPPING

You must tag migratory birds or packages of birds before transporting them, including to a taxidermist or someone else for picking, cleaning, processing and storage. You must sign the tag and include your address, number and species of birds, harvest date and license number. You don't need to tag birds you have at home. You can ship migratory birds only if you mark the package outside with name and address of sender, name and address of recipient, and number of birds by species.

MIGRATORY BIRD IMPORTING

During a week (beginning on Sunday), you cannot import more than 25 doves and 10 pigeons from a foreign country. You also cannot import more than 10 ducks and 5 geese from a foreign country, except Canada and Mexico. Doves and waterfowl imported from Canada and Mexico cannot exceed Canadian and Mexican export limits. Export limits vary among provinces and states. One fully feathered wing must stay attached to migratory game birds transported between ports of entry and a person's home or migratory game bird facility. It is illegal to import someone else's migratory game birds.

PRESERVATION FACILITIES

It is illegal to receive or have someone else's migratory birds to pick, clean, freeze, process, store or ship without records showing number of each species, date birds were received, date birds were disposed, name and address of person receiving the birds. You must keep records for 1 year after the last entry on them. Officers authorized to enforce this regulation can enter facilities at reasonable hours to inspect records and premises.

SPECIES IDENTIFICATION

A fully feathered wing or head must be attached to all birds, except turkeys, doves and band-tailed pigeons, in transit to hunter's home or commercial processor. For pheasants, a foot with visible spur can be substituted. **NOTE:** While in the field or during transport, all dressed (not fully feathered) doves count against the daily bag and possession limit for mourning and white-winged doves during the Sept. 1-Oct. 30 dove season. During the special Eurasian collared-dove season, Dec. 1-end of February, all birds must be fully feathered while in the field or during transport.

2007 SMALL GAME HUNTING

TAGGING REQUIREMENTS

After you kill wildlife requiring a carcass tag, you must immediately sign and date carcass tag, then attach it to the animal. The tag must be attached while the animal is transported, in camp, at a residence, in storage or in your possession. If you accidentally detach the tag from your license, lose or destroy it, you must get a duplicate tag before hunting. You can get a duplicate after providing proof of accidental detachment, loss or damage to the DOW. To transport wildlife not requiring a carcass tag, license holders must accompany the animal. Wildlife shipped by common carrier must be accompanied by the license, photocopy of license or carcass tag.

BOBCAT SEALS

You must seal bobcats or their pelts with a tag from the DOW within 30 days after harvest. Bobcats or pelts harvested after Feb. 5 must be sealed no later than March 5. Contact a DOW office.

DONATING WILDLIFE

You can donate edible parts of wildlife to a like-license holder anywhere or to anyone at recipient's home. Bag and possession limits apply to donors and recipients.

WILDLIFE CAUSING DAMAGE

Colorado law allows landowners to protect private property from most wildlife damage. For information, call (303) 297-1192.

DOVE IDENTIFICATION

White-winged doves are relatively uncommon in Colorado and occur primarily along the Front Range, while Eurasians occur sporadically throughout the state. The white-winged dove is pioneering new habitats north of its historic range in the southwest U.S. The Eurasian collared-dove is an exotic introduced into the U.S.

Eurasian Collared-Dove

- Larger, heavier than mourning dove
- 15 inches from tip of beak to end of tail
- Thin black band on neck with white upper border
- Long, squared tail
- Dark grayish-brown
- Gray belly and undertail coverts with black visible on tail
- Coarse, rapidly delivered, three-part cooing, "coo-coo-coo," with middle coo longest

Mourning Dove

- 12 inches long from tip of beak to end of tail
- Long, pointed tail
- Rapid wingbeat, erratic flight path
- Grayish-brown color
- Soft call, "coo-AHoo," followed by several coos

White-Winged Dove

- Gray-brown color
- Slightly larger than mourning dove
- White bar on upper wing surface
- Long, moderately rounded tail
- Soft call, "hoohooohoo," with last note descending

NOTE: Other restrictions apply at specific state wildlife areas. See the DOW's Fishing Season and Property Directory or State Trust Lands brochure.

SMALL GAME HARVEST SURVEYS

The DOW conducts several small game harvest surveys annually to estimate harvest, hunter numbers and recreation days, in addition to providing measures of satisfaction and crowding. In many cases, surveys represent the primary method of population monitoring for several species, especially those difficult to survey by counts or observation. Harvest surveys are critical to monitoring wildlife populations over several years and are valuable to hunters wanting to learn more about small game in Colorado. Historical harvest survey reports are available on our website, and updated reports are available after surveys conclude. Hunters are randomly selected to partic-

ipate in specific surveys. All small game surveys are by telephone; however, some also use email. If contacted, your participation is not required, but responding, even if you did not hunt or harvest specific species, is encouraged to help us manage small game.

WALK-IN ACCESS PROGRAM

NEW FOR 2007: The Walk-In Access (WIA) Program provides opportunities to hunt small game, migratory game birds and furbearers. In the past, WIA focused on pheasants, and land was enrolled primarily for its potential value as pheasant hunting cover. In 2006, the program was expanded to include scaled quail in southeast Colorado and waterfowl in the Pacific Flyway. More changes occurred for this season. Properties now fall under 3 classifications: The (1) regular season properties open Sept. 1. The (2) late cropland season properties open Nov. 10. These properties are open through the end of February. If the DOW is successful in enrolling properties, the (3) grouse walk-in properties will be open Sept. 1 through the end of mountain sharp-tailed grouse season. WIA properties allow hunting small game, furbearers migratory game birds and Eurasian collared-doves but only during established season dates. Properties are closed to hunting Gambel's quail, Gunnison's sage grouse and greater sage grouse. Properties are closed from 1 hour after sunset to 1 hour before sunrise. Foot access only. Hunters ages 18 and older must buy a \$20 access permit to hunt WIA lands, in addition to a small game license, and must comply with Habitat Stamp regulations. WIA permits are valid Jan. 1 through Dec. 31 annually. To continue hunting after Dec. 31, you must buy a 2008 access permit. Access permits cannot be transferred to anyone. Hunters under age 18 must obtain a free access permit to hunt WIA lands. Other people may accompany hunters without buying an access permit or habitat stamp if they do not hunt. Properties enrolled are posted with Walk-In Access signs and published in a WIA atlas. Two atlases for 2007-08 will be published. An early version will be available in late August and will include properties open Sept. 1. A second atlas will be available in late October and will include all properties.

WEAPONS RESTRICTIONS

Colorado and federal laws prohibit people convicted of certain crimes, such as domestic violence, from possessing weapons even for hunting. If you've been convicted of a crime, check with the appropriate law enforcement authority to find out how these laws apply to you.

CHILD SUPPORT DELINQUENCY

State law requires Social Security numbers to buy all licenses. It is not displayed on the license but is provided, if requested, to Child Support Enforcement authorities. Hunting and fishing licenses are not issued to people delinquent in child support.

OPERATION GAME THIEF

Operation Game Thief (OGT) is a non-profit organization working with the DOW's law enforcement program. It pays rewards to citizens who report poachers or resource violations. Callers don't have to reveal their names, testify

in court or sign a deposition. Rewards are paid if the information leads to the arrest of a poacher or a citation is issued. Rewards do not depend on a conviction but must be requested when a violation is reported. Call: **1-877-COLOOGT** toll-free. The number should not be used for information requests or emergencies.

GUIDE TO LEGAL HUNTING HOURS

The table below is for Denver. Subtract 1 minute from opening and closing time for each 12 1/2 miles east of Denver. Add 1 minute to opening and closing time for each 12 1/2 miles west of Denver. The above changes assume that each degree of longitude equals 50 miles and a change of 1 degree of longitude equals a 4-minute change in sunrise and sunset times.

ATTENTION BIG GAME HUNTERS!

- The Division of Wildlife has released Canada lynx in southwest Colorado. If you see a lynx, please report it to any DOW office. If you are bobcat hunting, please make sure you don't shoot at a lynx. Lynx are different from bobcats in several ways:
- *The tip of a lynx's tail is black all around. On a bobcat, the underside of the tip of its tail is white.
 - *The ear tufts of a lynx are more than 1 inch long.
 - *The fur on a lynx's belly is tawny colored. On a bobcat, it is white.
 - *Lynx tracks are 3 1/2 to 4 1/2 inches wide. A bobcat's are less than 2 1/2 inches wide.
