OPERATION GAME THIEF

Operation Game Thief (OGT) is a non-profit organization working with the DOW's law enforcement program. It pays rewards to citizens who report poachers or resource violations. Callers don't have to reveal their names, testify in court or sign a deposition. Rewards are paid if the information leads to the arrest of a poacher or a citation is issued. Rewards do not depend on a conviction but must be requested when a violation is reported. Call: **1-877-COLOOGT** toll-free. The number should not be used for information requests or emergencies.

NOTICE

This brochure is not a legal notice nor a complete collection of hunting regulations and laws. It is a condensed guide issued for hunters' convenience. Copies of wildlife statutes and regulations can be obtained from a DOW office and are available on our Web site, www.wildlife.state.co.us. For questions, call the DOW, (303) 297-1192.

2005 WATERFOWL HUNTING

WHAT'S NEW FOR 2005-2006

Fee Increase: The Colorado Legislature has approved a license fee increase, starting Jan. 1, 2006.

Habitat Stamp: As of Jan. 1, 2006, hunters, anglers and visitors to state wildlife areas must buy a Habitat Stamp. See "Habitat Stamp."

PEAC Surcharge: The fee bill included a 75-cent surcharge for the Wildlife Management Public Education Fund.

Geese: Bag limits are standardized in Central Flyway areas. See "Season Dates, Bag Limits."

Light Goose Conservation Order: This season will be a month longer. See "Season Dates, Bag Limits."

Pintails: There is no cutoff date for taking pintails in the Pacific Flyway. See "Season Dates, Bag Limits."

2005 LICENSE COSTS

	Resident	Nonresident
Small Game	\$15.25	\$40.25
Small Game (one-day)	\$5.25	\$5.25
Comb. Small Game & Fishing	\$30.25	
Military w/60% or more disability	free	
Youth Small Game (Under 16)	\$1.00	\$1.00
Colorado Waterfowl Stamp	\$5.00	\$5.00
Federal Waterfowl Stamp	\$15.00	\$15.00

Costs include a 25-cent search and rescue fee.

2006 LICENSE COSTS

	Resident	Nonresident
Small Game	\$21	\$56
Small Game (one-day)	\$11	\$11
Comb. Small Game & Fishing	\$41	
Military w/60% or more disability	free	
Youth (Under 16) Small Game	\$1.00	\$1.00
Colorado Waterfowl Stamp	\$5.00	\$5.00
Federal Waterfowl Stamp	\$15.00	\$15.00

Costs include 25-cent search and rescue fee, and a 75-cent surcharge for the Wildlife Management Public Education Fund.

DEFINITIONS

Aggregate: Total number of animals allowed in a bag limit regardless of species.

Daily bag limit: Max. number of birds you can kill daily, including birds eaten or donated the day you killed them.

Baiting: Directly or indirectly placing, exposing, distributing or scattering salt, grain or other feed as an attraction for migratory game birds to, on or over where hunters are trying to hunt them.

Baited area: See above. Areas are considered baited for 10 days after bait is removed.

Central Flyway: East of the Continental Divide.

Crossbow: Bow fired from the shoulder, attached perpendicularly to the stock and using a mechanical device to hold bow string cocked.

Ducks: Species of ducks and mergansers.

Falconry (hawking): Hunting with a trained raptor.

Geese: All species of geese and brant. Dark geese means Canada geese, white-fronted geese, brant and all other species of geese except light geese. Light geese means lesser snow geese (including blue), greater snow geese and Ross' geese.

Hand-held bow: Long bow or compound bow with a manually held or drawn string. Hand-held or hand-drawn string releases and mechanical releases attached to bow only at bow string are legal.

Handgun: pistol, revolver, without shoulder stock or attachment.

Like license: People who receive donated wildlife must have a license to hunt the same species, same sex, for the same time and the same manner of take as in the donor's license.

Manipulation: Altering natural vegetation or crops by activities such as mowing, shredding, discing, rolling, chopping, trampling, flattening, burning or treating with herbicides. It is not considered manipulation to distribute or scatter grain, seed or feed after removal from or storage on field where it was grown.

Migratory game birds: Migratory birds included in conventions between U.S. and foreign countries to protect birds for which seasons are offered. They are: waterfowl (ducks, including mergansers, and geese, including brant); doves; sandhill cranes; American coots; sora; Virginia rail; Wilson's snipe; band-tailed pigeons, crows.

Natural vegetation: Non-agricultural, native or natural plants that grow from planting or existing seeds or other propagules, including planted millet growing on its own after planting year.

The Colorado Division of Wildlife of the Department of Natural Resources prohibits discrimination on the basis of race, color, religion, sex, national origin and disabilities in all aspects of employment and public participation in its programs and services. For information or to register a complaint, contact the Colorado Division of Wildlife, 6060 Broadway, Denver 80216, or call (303) 297-1192.

The Wildlife Commission sets waterfowl seasons in August. Wildlife Commissioners (as of August 2005): Jeffrey A. Crawford, chair; Tom Burke, vice chair; Ken Torres, secretary; Robert Bray, member; Rick Enstrom, member; Philip James, member; Claire O'Neal, member; Richard Ray, member; Robert Shoemaker, member; Russell George, ex-officio member; Don Ament, ex-officio member.

2005 WATERFOWL HUNTING

Normal agricultural planting, harvest or post-harvest manipulation: Planting or harvesting to produce and gather a crop, or manipulation after harvesting and removing grain, according to the U.S. Dept. of Agriculture's Cooperative Extension Service.

Normal agricultural operation: Normal agricultural planting, harvesting, post-harvest manipulation or agricultural practices, according to the U.S. Dept. of Agriculture's Cooperative Extension Service.

Normal soil stabilization practice: Planting for agricultural soil erosion control or post-mining reclamation for agricultural soil erosion control, according to the U.S. Dept. of Agriculture's Cooperative Extension Service.

Pacific Flyway: West of the Continental Divide.

Pellet gun: handgun or rifle powered by compressed air or gas that is .177 caliber or larger and fires pellets.

Possession limit: Max. number of birds allowed at any time.

Rifle: firearm fired from the shoulder with a rifled bore, 16-inch or longer barrel and min. overall length of 26 inches.

Shotgun: Has a smooth bore, an 18-inch or longer barrel and min. overall length of 26 inches.

Sinkbox: Raft or low-floating device with a depression concealing people below water.

TOTAL LICENSING SYSTEM

The DOW and license agents use point-of-sale computer terminals to sell licenses. Agents also offer other services, such as replacing licenses. You can also buy licenses through the DOW's Web site or by calling, 1-800-244-5613. You can use a credit card for phone or internet purchases. Learn more about the licensing system on our Web site, www.wildlife.state.co.us.

LICENSE REQUIREMENTS

1. Hunters must have a small game license, youth small game or combination license to hunt migratory birds.
2. Hunters must buy a 2006 license to hunt after Dec. 31 in migratory birds seasons that continue into 2006.
3. Hunters 16 years or older also need a Federal Migratory Bird Hunting Stamp, or duck stamp, to hunt waterfowl. The \$15 stamp is valid when you sign your name in ink across the face of it. It is available at post offices and DOW offices.
4. Hunters 16 or older also need a Colorado waterfowl stamp. When you buy a state stamp, it is printed on your license. The stamp is valid when you sign your name in ink across the face of it. The \$5 stamp is available at license agents and DOW offices. State and federal waterfowl stamps are good for the entire 2005-2006 waterfowl season.
5. To hunt band-tailed pigeons and sandhill cranes, hunters must get a separate federal permit number before hunting. The federal permit number is obtained through HIP. Sandhill crane hunters are strongly encouraged to familiarize themselves with identification of other similar-appearing species they may encounter while hunting.
6. Licenses are not transferable and expire on the date printed on them.
7. Lifetime small game and fishing combination licenses purchased before 1990 are valid for Colorado residents.
8. Duplicates for lost or destroyed licenses can be obtained from the DOW by submitting an affidavit and paying a \$5 fee.

Forms available at DOW offices and license agents.

9. You must carry your license when hunting and show it when requested by any law enforcement officer.

RESIDENCY REQUIREMENTS

These are the requirements to qualify as a Colorado resident to buy a hunting license:

1. You must have lived continuously in Colorado at least six months immediately before applying for or buying a license, and must intend to make Colorado home (except #2 and 3 below.)
2. U.S. armed services personnel, service personnel of a U.S. ally, personnel of the U.S. Diplomatic Service and diplomatic services of a nation recognized by the U.S. stationed here on permanent active duty orders (but not reserves or National Guard) and their dependents. This includes people who were Colorado residents when they entered the armed services and maintain Colorado as their home of record, and their dependents.
3. Full-time students enrolled and attending a Colorado college, university or trade school at least six months immediately before applying for or buying a license. This includes students who are temporarily absent from Colorado but still enrolled.

HABITAT STAMP

New For 2006: Now everyone can play a part in conserving Colorado's habitat, the key to wildlife's future. To preserve wildlife habitat for generations to enjoy, sportsmen and conservationists joined to develop the habitat stamp concept. Money from the stamp program will be designated for acquiring and managing habitat for hunting, fishing and wildlife viewing. Understanding the need to protect habitat and its economic benefit to the state, Colorado lawmakers approved the Colorado Habitat Stamp, which will be offered starting Jan. 1, 2006. This is how it will work:

- a. For individuals ages 19-64 who buy a stamp with a license, the stamp is \$5 and is required on the first 2 licenses purchased in a calendar year.
- b. The stamp is \$10 if purchased without a hunting or fishing license and is required of people 19-64 who use a state wildlife area.
- c. A lifetime stamp is available for \$200.
- d. Anyone can buy a habitat stamp and be part of Colorado's future.

See our Web site for more details.

HARVEST INFORMATION PROGRAM

If you hunt small game, furbearers, migratory birds, including by falconry, you must sign up with HIP before your license is valid. You must write the HIP number in space provided on your license. You will be asked basic information about hunting, including how many birds you killed the previous season and species you will hunt this year. The phone line and Web site run 24 hours daily. Signing up takes 3-8 minutes. If you registered with HIP for the 2005-2006 hunting seasons and you intend to hunt from January through March 2006, you must buy a 2006 small game hunting license. Please make sure to transfer the 2005-2006 HIP number to your 2006 license. If you don't have a 2005-2006 HIP number, get one before hunting. To sign up for HIP, call 1-866-265-6447 (1-

2005 WATERFOWL HUNTING

866-COLOHIP) or go to www.colohip.com. For help, call 1-800-368-4683, Mon.-Sat., 6 a.m. to 4 p.m. MST.

YOUTH LICENSES

Hunters under age 16 can buy a youth small game license for \$1. Youths must be accompanied by a mentor while hunting and must meet hunter education requirements. A mentor must be 18 or older and meet hunter education requirements. Mentors aren't required to hunt. Youths and mentors must be able to see and hear each other while hunting. However, youths under 16 can buy an adult license as long as they meet hunter education requirements. At age 16, youths must buy an adult license to hunt alone.

HUNTER EDUCATION REQUIREMENTS

Hunters born on or after Jan. 1, 1949, must have completed an approved hunter education course or bowhunter education course (for archery licenses only) sanctioned by a state or province before applying for or purchasing a license. Colorado honors hunter education courses from other states and provinces. You must present a hunter safety card when buying a license at a license agency. You also must carry your hunter education card when hunting unless "Verified" is printed by the DOW on your license. Out-of-state hunters are encouraged to bring their hunter education card when coming to Colorado to hunt.

DISABLED VETERANS

Colorado residents who are disabled veterans can get free lifetime combination small game hunting and fishing licenses. You must have served on active duty and been honorably discharged. You also must establish to the DOW a service-related disability rated by the Veterans Administration of at least 60% through disability retirement benefits or a pension issued through a public statute administered by the Dept. of Veteran Affairs or respective service department. Contact DOW, (303) 297-1192 for details.

HUNTING HOURS

One-half hour before sunrise to sunset. Light Goose Conservation Order Season only: 1/2 hour before sunrise to 1/2 hour after sunset.

LEGAL METHODS OF TAKE

1. Shotguns, 10-gauge or smaller, that don't hold more than 3 shells in the magazine and chamber combined and are fired from the shoulder. To reduce the capacity of shotguns capable of holding more than 3 shells in the chamber and magazine combined, the magazine must be cut off, altered or plugged with a one-piece filler that cannot be removed unless the gun is disassembled. Slugs cannot be used to hunt migratory game birds or waterfowl.
2. Hand-held mechanical releases and hand-held bows that don't mechanically hold the arrow or bow string. Bows cannot be used on firing lines designated by the Commission.
3. In the open, from a blind or other concealed place on land or water camouflaged with natural vegetation, including agricultural crops, as long as camouflage does not result in

exposing, depositing, distributing or scattering grain or other feed. Sinkboxes prohibited.

4. On or over areas not baited, including:
 - a. standing, flooded or manipulated natural vegetation; flooded harvested crop lands; lands where seeds or grains were scattered solely for normal agricultural planting, harvesting, post-harvest manipulation or normal soil stabilization practice, or flooded standing agricultural crops where grain is inadvertently scattered by a hunter entering or exiting an area, placing decoys or retrieving downed birds.
 - b. where grain or other feed was distributed or scattered from manipulation of agricultural crops or other feed, or from normal agricultural operations.
5. From vessels, except a sinkbox, with motor or sails attached, when motor is off and/or sails furled, and forward movement has stopped.
6. From vessels, except a sinkbox, drifting or propelled by hand. Motorized vessels can be used only to pick up dead or injured birds, or to put out and retrieve decoys.
7. By hawking or falconry.
8. With dogs, artificial decoys, duck calls or goose calls, except recorded or electronically amplified calls or sounds.
9. Light Goose Conservation Order Season: Recorded or electronically amplified calls allowed.
10. Recorded or electronically amplified calls are legal to hunt common crows.

NON-TOXIC SHOT

1. It is illegal to use or have toxic (lead) shot, either in shotshells or as loose shot for muzzleloading, while taking or attempting to take ducks, geese or coots in Colorado. This includes all national wildlife refuges open to hunting. Toxic shot, either in shotshells or as loose shot for muzzleloading, cannot be in a hunter's gun, on his/her person or near a hunter taking or attempting to take waterfowl. Store lead shot in your vehicle. It can be stored elsewhere if it is not readily accessible while hunting waterfowl.
2. Non-toxic shot required in commercial wildlife parks, in field trials and dog-training when hunting captive-reared mallards.
3. Non-toxic shot is any type that doesn't cause sickness or death when ingested by migratory birds and has been approved for use by the U.S. Fish and Wildlife Service. Shot types approved include steel, bismuth-tin, tungsten-bronze, tungsten-iron, tungsten-matrix, tungsten-nickel-iron, tungsten-polymer, tungsten-tin-bismuth and tungsten-tin-iron-nickel.
4. It is illegal to have or use non-toxic shot larger than size T while taking or attempting to take ducks, geese or coots.

ILLEGAL METHODS OF TAKE

1. It is illegal to hunt waterfowl on or over baited areas if you know or reasonably should know the area is baited. It is illegal to place or direct the placement of bait on or next to an area to cause, induce or allow anyone to take or attempt to take migratory birds by the help of bait, or on or over baited areas.
2. Toxicants or explosives are illegal.
3. It is illegal to use artificial light.
4. Traps, snares, nets, rifles, pistols, swivel guns, shotguns larger than 10-gauge, punt guns, battery guns, machine guns and

2005 WATERFOWL HUNTING

fish hooks are illegal.

5. It is illegal to use live, tame or captive ducks and geese as decoys to hunt waterfowl. All tame, captive ducks and geese must be removed 10 days before hunting. They must be in an enclosure that substantially reduces the audibility of their calls and conceals them from sight of migratory waterfowl.

6. It is illegal to fire a firearm or release an arrow from, on or across a public road. Waterfowl cannot be hunted from, on or across a highway, road, designated trail or other right-of-way (public or private) in national wildlife refuges.

7. It is illegal to carry or have a firearm (except a pistol or revolver) in or on a motor vehicle unless the chamber is unloaded.

8. Possession of wildlife is evidence you hunted.

9. It is illegal to kill, capture, wound or harass wildlife from an aircraft or motor vehicle. It is also illegal to operate aircraft, discharge a firearm or release an arrow from an aircraft or motor vehicle with the same intent.

10. It is illegal to waste or abandon edible portions of wildlife, or to leave wounded wildlife without trying to track and kill it.

11. It is illegal to leave decoys or anything used as decoys in the field or on water overnight on state wildlife areas.

12. It is illegal to use electronic night vision equipment, electronically enhanced light-gathering optics or thermal imaging devices as an aid in hunting or taking wildlife. Having a firearm with cartridges in chamber or magazine, or loaded with powder or ball, or strung, uncased bow while trying to project artificial light into area with wildlife is prima facie evidence of a violation.

HAWKING/FALCONRY

1. You can use no more than 2 raptors at a time. Apprentices cannot hunt with more than 1 raptor at a time.

2. Resident raptor license is required.

3. Nonresident falconers must buy a nonresident falconry license from the DOW's special licensing section, a one-day small game hunting license or a nonresident small game hunting license. Hunter education laws apply.

4. Falconers must comply with HIP.

5. Firearms prohibited while hawking.

6. Hawking prohibited from a public road.

7. Hawking on private property is illegal without permission from owner or person in charge.

8. Nonresidents also must obtain an import permit at least 30 days in advance from special licensing. The permit is free, but a current health certificate issued within 30 days of the proposed entry from state of origin required. Import permit applications and import permits can be faxed. No other falconry license types can be faxed. Contact Special Licensing via e-mail at Kathy.Konishi@state.co.us.

TAGGING, SHIPPING, IMPORTING

1. You must attach a carcass tag to wildlife requiring one.

2. License holders must accompany wildlife that don't require a carcass tag (except #4 below).

3. One fully feathered wing or head must stay attached to birds in transit until they arrive at hunter's home or commercial processing facility.

4. To ship migratory birds, packages must be marked outside with name and address of sender, name and address of receiver and number of birds, by species. Licenses, a photocopy of the license or carcass tag must accompany wildlife shipped by common carrier.

5. It is illegal to leave migratory birds anywhere other than at home or with someone else for picking, cleaning, processing, permanent or temporary storage or taxidermy unless the birds or package of birds have a tag attached. Hunters must sign tags, include his/her address, total number and species of birds, date birds were killed and hunting license number.

6. Migratory bird preservation facilities:

a. If you have someone else's migratory birds for picking, cleaning, freezing, processing, storing or shipping, you must have records showing number of each species, date you received them, date birds were disposed of, and name and address of who received the birds.

b. You must keep records 1 year after the last entry.

c. People authorized to enforce this regulation must be allowed to enter facilities at reasonable hours to inspect records and premises.

7. Per week, beginning on Sunday, it is illegal to import more than 25 doves and 10 pigeons from a foreign country; or more than 10 ducks and 5 geese from a foreign country, except Canada and Mexico. Doves and waterfowl imported from Canada and Mexico cannot exceed Canadian and Mexican export limits. One fully feathered wing must stay attached to birds transported and shipped between ports of entry and someone's home or a migratory bird facility. It is illegal to import someone else's birds.

8. It is illegal to take, have, transport, import or export migratory birds, their parts, nests or eggs that were taken, bought, sold, transported, possessed or exported illegally.

9. It is illegal to have or transport live migratory birds, including wounded birds. You must kill migratory game birds immediately after you recover them.

10. Permits are not needed to have or transport plumage and skins of legally taken migratory birds for your own use.

11. You don't need a permit to have, dispose of and transport feathers from wild ducks and wild geese that were legally killed, or from birds seized by wildlife authorities. It is legal to use feathers to make fishing flies, bed pillows, mattresses and similar commercial items, except millinery or ornamental use.

12. It is illegal to buy, sell, barter, or offer to buy or sell, feathers or mounted specimens of migratory game birds.

13. Attention crane hunters: Whooping cranes are federally endangered and illegal to hunt. They may be in Colorado during sandhill crane season.

2005 WATERFOWL HUNTING

DONATING WILDLIFE

1. You may donate edible portions of wildlife not requiring a carcass tag to a like license holder.
2. Bag and possession limits apply to donor and recipient.

BANDED BIRDS

Wildlife managers need your help gathering information about the status of migratory bird populations. If you kill a banded bird, please report it to Bird Banding Laboratory, 1-800-327-BAND.

WEAPONS RESTRICTIONS

Colorado and federal laws prohibit people convicted of certain crimes, such as domestic violence, from possessing weapons even for hunting. If you've been convicted of a crime, be sure to check with the appropriate law enforcement authority to find out how these laws apply to you.

CHILD SUPPORT DELINQUENCY

State law allows suspension or denial of a hunting license if you fail to pay child support. It also allows information from license applications to be shared with state child support enforcement agencies. As required by the Colorado Child Support Enforcement Act and state statute 26-13-126, social security numbers are required to buy hunting and fishing licenses. Your SSN doesn't appear on your license. The number is provided, when requested, to Colorado Department of Human Services to enforce the law.

YOUTH HUNTING AREAS

Several state wildlife areas and state trust lands have been set aside for youth hunters, ages 15 and under. See listings in this brochure, and the DOW's State Trust Lands brochure and the Fishing Season Information and Wildlife Property Directory.

LAND-USE RULES

1. It is illegal to hunt on private land without permission from landowner or person in charge. It is illegal to post or indicate that public lands are private. It is illegal to hunt on State Trust Lands without permission of lessee, except lands open for wildlife recreation.
2. It is illegal to hunt waterfowl in federal reservations; areas the U.S. government sets aside as bird, game or other wildlife reservations, breeding grounds or refuges; or areas closed by the Migratory Bird Treaty Act, except as permitted. More regulations may apply on national wildlife refuges. Contact: Alamosa and Monte Vista, (719) 589-4021; Browns Park, (970) 365-3613; Arapaho, (970) 723-8202.
3. In the areas bounded on N by Wyoming-Colorado lines; E and S by I-76, Hwy. 71, US 36 and I-70; and W by the Continental Divide and Larimer-Jackson county line; and in Bent, Crowley, Kiowa, Mesa, Otero and Prowers counties:
 - a. It is illegal to hunt waterfowl within 50 yards on either side of center line of a public road.
 - b. It is illegal to hunt waterfowl within 150 yards of a dwelling, including directly above it, without first obtaining permission from owner, occupant or person in charge of the dwelling.
4. In Pueblo County: It is illegal to hunt waterfowl within 150

yards of a dwelling, including directly above it, without first obtaining permission from owner, occupant or person in charge of the dwelling.

5. At Johnson Pond in Sedgwick County:

- a. Closed to goose hunting in part of Sedgwick County bounded on N by US 138, on E by US 385, on S by I-76, and on W by Sedgwick CR 29.

- b. Light goose hunting allowed during the special control season and any conservation order for light geese.

6. Check with specific state parks or recreation areas about hunting restrictions or call (303) 866-3437 in Denver. Explosives and weapons cannot be discharged within 100 yards of a campground, picnic area, boat ramp, swimming or water skiing beach, trail and study area except as posted.

WALK-IN ACCESS PROGRAM

The Walk-in Access Program allows hunting small game, migratory birds and furbearers on enrolled lands with good pheasant habitat in eastern Colorado. Lands in the program are marked with signs and are published in a Walk-In Program Atlas available at license agents and DOW offices in late October. Access only for hunting small game, migratory birds and furbearers. The program does not provide hunting access for doves, waterfowl or other small game before the opening day of pheasant season. Hunters 16 and older must buy a \$20 access permit and small game license. Hunters under 16 don't need an access permit on these lands. All hunters must comply with Habitat Stamp requirements. Other people may accompany hunters without buying a permit or habitat stamp as long as they don't hunt. Access permits cannot be transferred to anyone. Access allowed from opening day of pheasant season through Feb. 28. Properties closed 1 hour after sunset to 1 hour before sunrise. Foot access only. Established season dates for all small game species apply on these properties. Waterfowl hunting is extremely limited on Walk-In Access lands. All waterfowl hunting regulations and season dates apply on these properties.

**For information on waterfowl
hunting in Colorado,
call (303) 297-1192.**

2005 WATERFOWL HUNTING

RESTRICTED HUNTING AREAS

ADOBE CREEK RES. SWA - Bent and Kiowa counties

1. Closed 1 hour after sunset to 1 hour before sunrise except for fishing.
2. All-terrain vehicles, dirt bikes, snowmobiles prohibited.

GUIDE TO LEGAL HUNTING HOURS

This table is valid for Denver, CO. SUBTRACT one minute from opening and closing time for each 12 1/2 miles east of Denver. ADD one minute to opening and closing time for each 12 1/2 miles west of Denver. The above changes are based on the assumption that each degree of longitude equals 50 miles and that a change of 1 degree of longitude equals 4 minutes change in sunrise and sunset times.

GOOSE SEASONS MAP

A Wild Game Cookbook

Dressing & Cooking Wild Game is a complete guide to field dressing and preparing great-tasting big game, small game, upland birds and waterfowl. With more than 370 color photographs, step-by-step directions and valuable nutritional information, this book teaches you how to make your wild game dishes as memorable as the hunts that made them possible.

- Learn how to care for every kind of game after it's down.
- Discover the secrets for keeping wild birds from drying out during the cooking process. Get freezer storage charts, nutritional charts, butchering, hanging, aging and skinning information. Full-color, 160 pages. \$23.95

Colorado Outdoors Big Game Deluxe CD by HuntData

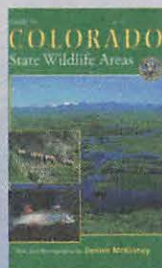

Includes draw trends for the past 12 years, harvest trends for every season in every unit, ranking and ratings for each unit and season across the state, concentration maps for deer, elk and pronghorn, land use, 1:100,000 topographical and shaded relief features, annual internet updates, sheep and goat unit maps, UTM coordinate system, way point creation and export, kill site plotting for moose, bighorn sheep and mountain goats. \$97.95

Colorado Elk Hunting Video will improve your chances of bagging a Rocky Mountain elk. This video examines all the big game seasons and will help you find the one that is right for you. See what tips a professional butcher recommends for processing elk meat. And learn where to find elk in different seasons and habitats. Approx. 60 min. \$17.95.

From The Field To The Table Video A professional guide takes you through field dressing, skinning and quartering a 6 x 7 bull elk. Shows how to cape a trophy, tips on butchering and how to cook the meat. Approx 60 min. \$17.95.

Guide To Colorado State Wildlife Areas

This is the first-ever comprehensive guide to the Division of Wildlife's 241 State Wildlife Areas. The 344-page book contains recommended areas for hunting, fishing and watching wildlife and provides information on primary use, location, size, elevation, camping, species information and directions – plus regional maps and more than 166 full-color photographs. \$27.95.
