OPERATION GAME THIEF

Operation Game Thief (OGT) is a non-profit organization working with the DOW's law enforcement program. It pays rewards to citizens who report poachers or resource violations. Callers don't have to reveal their names, testify in court or sign a deposition. Rewards are paid if the information leads to the arrest of a poacher or a citation is issued. Rewards do not depend on a conviction but must be requested when a violation is reported.

Call: **1-877-COLOOGT** toll-free. The number should not be used for information requests or emergencies.

2. Hunters must buy a 2008 license to hunt after Dec. 31 in waterfowl seasons continuing in 2008.
3. Hunters 16 or older also need a Federal Migratory Bird Hunting Stamp, or duck stamp, to hunt waterfowl, available at post offices and DOW offices. The stamp is valid when you sign your name in ink across the face of it. A federal stamp is not required to take light geese during the conservation order season.
4. Hunters 16 or older also need a Colorado waterfowl stamp, available at license agents and DOW offices. The state stamp is printed on your license. The stamp is valid when you sign your name in ink across the face of it. State and federal waterfowl stamps are good for the entire 2007-2008 waterfowl season.
5. Licenses and stamps are not transferable and expire on the date printed on them.
6. Lifetime small game and fishing combination licenses purchased before 1990 are valid for Colorado residents.
7. Lost or destroyed licenses can be replaced by buying a new one or by signing an affidavit and paying a fee. Forms are available at DOW offices and license agents.
8. You must carry your license when hunting and show it when requested by any law enforcement officer.

RESIDENCY REQUIREMENTS

These are the requirements to qualify as a Colorado resident to buy a hunting license:

1. You must have lived continuously in Colorado at least six months immediately before applying for or buying a license, and must intend to make Colorado home (except #2 and 3 below.) The residence address given to purchase or apply for a license must be the same address used on your Colorado income tax return.
2. U.S. armed services personnel and military personnel of U.S. allies on active duty in Colorado under permanent orders and their dependents. This includes people who were Colorado residents when they entered the armed services and maintain Colorado as their home of record, and their dependents (unless they change their home of record to another state.) Also included are personnel of the U.S. Diplomatic Service or diplomatic services of nations recognized by the U.S. assigned to duty here on permanent active duty orders and their dependents. Active duty does not include reserve status or National Guard.
3. Full-time students enrolled and attending a Colorado college, university or trade school at least six months immediately before applying for or buying a license. This includes students who are temporarily absent from Colorado but still enrolled. Colorado resi-

dents who attend school full time out of state and pay nonresident tuition still qualify for a resident license.

4. Children under 18 have the same residency status as their parent, legal guardian or person with whom they live the majority of the time per court order.

5. If you have a home in Colorado and another state, call (303) 297-1192 to make sure you comply with Colorado residency requirements before obtaining a hunting or fishing license.

6. Except as in #2 and 3 above, you lose your Colorado residency if you apply for or obtain a hunting, fishing or trapping license as a resident of another state or country; register to vote outside Colorado or get a driver's license with an address in another state.

HARVEST INFORMATION PROGRAM

All small game, furbearers, migratory bird hunters, including falconers, must sign up with HIP before their license is valid.

Although signing up with HIP is required to hunt migratory birds nationwide, Colorado requires that small game and furbearer hunters also sign up with HIP. You must write the HIP number in the space provided on your license. If you registered with HIP for the 2007-2008 season and you want to hunt after Jan. 1, 2008, you must buy a 2008 small game license and transfer your 2007-2008 HIP number to your 2008 license. To sign up with HIP, call 1-866-265-6447 (1-866-COLOHIP) or go to www.colohip.com. You will be asked basic information, including how many birds you harvested the previous season and species you plan to hunt this year. The phone line and website run 24 hours daily. For help, call 1-800-368-4683, Mon.-Sat., 6 a.m. to 4 p.m. MST.

YOUTH LICENSES

Youths under age 18 can buy a youth small game license for \$1. All youths must meet hunter education requirements. Those under 16 must be accompanied by a mentor while hunting. A mentor must be 18 or older and must meet hunter education requirements. Mentors aren't required to hunt. While hunting, youths and mentors must be able to see and hear each other without binoculars, radios or other aids. Youths under 18 also can buy an adult license as long as they meet hunter education requirements. At age 18, youths must buy an adult license.

HUNTER EDUCATION

Hunters born on or after Jan. 1, 1949, must have **completed** an approved hunter education course or bowhunter education course (for archery licenses only) sanctioned by a state or province before applying for or purchasing a license. Colorado honors hunter education courses from other states and provinces. You must present an original hunter safety card when buying a license. You must carry your hunter education card when hunting unless "Verified" is printed by the DOW on your license.

DISABLED VETERANS

Colorado residents who are disabled veterans can get free lifetime combination small game hunting and fishing licenses. They must have served on active duty and been honorably discharged. They also must prove a service-related disability rated by the Veterans Administration of at least 60% through disability retirement benefits or a pension administered by the Dept. of Veteran Affairs or respective service department. LEGAL METHODS OF TAKE

1. Shotguns cannot be larger than 10 gauge. They cannot hold more than 3 shells in magazine and chamber combined. They must be fired from the shoulder. To reduce capacity of shotguns that hold more than 3 shells in the chamber and magazine combined, the magazine must be cut off, altered or plugged with a 1-piece filler that cannot be removed unless the gun is disassembled. Slugs are illegal to hunt waterfowl.

2. Hand-held bows cannot mechanically hold or draw the arrow or bow string. It is illegal to use bows on firing lines designated by the Wildlife Commission.
3. It is legal to hunt waterfowl in the open, from a blind or other concealed place except a sinkbox. When camouflaged with vegetation from agricultural crops, camouflaging cannot result in exposing, depositing, distributing or scattering grain or other feed.
4. Hunting allowed from vessels (except sinkboxes) with motors or sails if the motor is off, and/or sails are furled and forward movement has stopped. Hunting is allowed from drifting vessels and those propelled by hand. Motorized vessels only allowed to pick up dead or injured birds, or to put out and retrieve decoys.
5. Hawking or falconry permitted.
6. Dogs, artificial decoys, duck calls or goose calls are legal, except recorded or electronically amplified calls or sounds. Recorded or electronically amplified calls are legal to hunt common crows.
7. Light Goose Conservation Order Season: Recorded or electronically amplified calls are allowed.

NONTOXIC SHOT

1. It is illegal to use or have toxic (lead) shot, either in shotshells or as loose shot for muzzleloading, while taking or attempting to take ducks, geese or coots in Colorado. This includes national wildlife refuges open to hunting. Toxic shot, either in shotshells or as loose shot for muzzleloading, cannot be in a hunter's gun, on his/her person or near a hunter taking or attempting to take waterfowl. Store lead shot in your vehicle. You can store lead shot elsewhere if it's not readily accessible while hunting waterfowl.
2. Nontoxic shot required in commercial wildlife parks, field trials and dog-training while hunting captive-reared mallards.

a. It is illegal to take migratory game birds and waterfowl by the aid of baiting, or on or over any baited area, if you know or reasonably should know the area is baited. It is illegal to place or direct placement of bait on or next to an area to cause, induce or allow anyone to take or attempt to take migratory birds with the help of bait or over a baited area.

b. Baiting means directly or indirectly placing, exposing, distributing or scattering salt, grain or other feed as an attraction for migratory game birds to, on or over where hunters are trying to hunt. An area is considered baited for 10 days after complete removal of baiting material.

c. It is legal to take migratory game birds, including waterfowl, coots and cranes, on or over the following lands not otherwise baited: standing or flooded standing crops; standing flooded or manipulated natural vegetation; flooded harvested crop lands; where seeds or grains were scattered solely from normal agricultural planting, harvesting, post-harvest manipulation or normal soil stabilization practice; flooded, standing agricultural crops where grain is inadvertently scattered solely by a hunter entering or exiting an area, placing decoys or retrieving downed birds.

d. It is legal to take migratory birds, except waterfowl, coots and cranes, on or over the following lands not otherwise baited: where grain or other feed is distributed or scattered solely from manipulation of agricultural crops or other feed, or solely from normal agricultural operations.

2. Toxicants and explosives are illegal.

3. It is illegal to use any artificial light as an aid in hunting or taking wildlife.

4. Traps, snares, nets, rifles, pistols, swivel guns, punt guns, battery guns, machine guns and fish hooks are illegal.

6. It is illegal to discharge a firearm or release an arrow from, on or across a public road. Hunting with rifles, handguns, shotguns firing a single slug and archery equipment prohibited within 50 feet on each side of the center line of any public road. On a divided road, the prohibition includes the median, and the 50-foot requirement is measured from the center line of both roads. Waterfowl cannot be hunted from, on or across a highway, road, designated trail or other right-of-way (public or private) in national wildlife refuges.

7. It is illegal to carry or have a firearm (except a pistol or revolver) in or on a motor vehicle unless chamber is unloaded.

WALK-IN ACCESS PROGRAM

NEW FOR 2007: The Walk-In Access (WIA) Program provides opportunities to hunt small game, migratory game birds and furbearers on private property enrolled in the program. In the past, WIA focused on pheasants, and land was enrolled primarily for its potential value as pheasant hunting cover. In 2006, the program was expanded to include scaled quail in southeast Colorado and waterfowl in the Pacific Flyway. More changes occurred for this season. Properties now fall under 3 classifications: (1) The regular season properties open Sept. 1. (2) The late cropland season properties open Nov. 10. These properties are open through the end of February. (3) If the DOW is successful in enrolling properties, the grouse walk-in properties will be open Sept. 1 through the end of mountain sharp-tailed grouse season. WIA properties allow hunting small game, furbearers migratory game birds and Eurasian collared-doves but only during established season dates. Properties are closed to hunting Gambel's quail, Gunnison's sage grouse and greater sage grouse. Properties are closed from 1 hour after sunset to 1 hour before sunrise. Except, properties are closed from 2 hours after sunset to 2 hours before sunrise for waterfowl hunters. Foot access only. All hunters must obtain an access permit to hunt WIA lands, in addition to a small game license. Habitat Stamps are not required to access WIA properties. Hunters ages 18 and older must buy a \$20 access permit. Hunters under age 18 must obtain a free access permit to hunt WIA lands. Other people may accompany hunters without buying an access permit if they do not hunt. WIA permits are valid Jan. 1 through Dec. 31 annually. To continue hunting after Dec. 31, you must obtain a 2008 access permit. Access permits cannot be transferred to anyone. Properties enrolled are posted with Walk-In Access signs and published in a WIA atlas. Two atlases for 2007-08 will be published. An early version will be available in late August and will include properties open Sept. 1. A second atlas will be available in late October and will include all properties.
