ABOUT THE COVER: The winning entry of the 2011 Colorado Waterfowl Stamp Art contest "Green Wing Trio" was created by Richard Clifton, a hunter and self-taught artist who has won the Colorado Waterfowl art contest two years in a row.

The Colorado Wildlife Heritage Foundation sells the prints and stamps of the 2011 stamp. If interested please contact the foundation at (303) 291-7212 or www.cwhf.info/shoponline. Proceeds for the sale of the waterfowl stamps and prints support wetlands that benefit Colorado's waterfowl species.

The Colorado Wildlife Commission set waterfowl regulations in July and August. The Colorado Parks and Wildlife Commission (as of Aug. 2011): Tim Glenn, chair • Gary Butterworth, vice chair • Mark Smith, secretary • David R. Brougham, member • Chris Castilian, member • Dorothea Farris, member • Allan Jones, member • Bill Kane, member • Gaspar Perricone, member • James C. Pribyl, member • John Singletary, member • Robert Streeter, member • Lenna Watson, member • Dean Wingfield, member • Mike King, ex officio member • John Salazar, ex officio member

The CPW receives federal financial assistance from the U.S. Fish and Wildlife Service. In accordance with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975 and Title IX of the Education Amendments of 1972, the U.S. Department of the Interior and its bureaus prohibit discrimination on the basis of race, color, national origin, age, disability or sex.

NOTE: Laws and regulations in this brochure are paraphrased for easier understanding and are intended only as a guide. Colorado wildlife statutes and regulations are available for viewing at CPW offices and online at www.wildlife.state.co.us/RulesRegs.

2011 WHAT'S NEW

» **NEW DUCK SEASON ZONES** In the Central Flyway portion of Colorado, there are now three duck season zones. Hunters should pay close attention to hunting dates, as they can be different in each zone in the regular season for ducks, coots and mergansers, as well as the youth waterfowl weekend. *See pages 8-9 for details.*

» **NEW GOOSE BAG LIMIT** The new bag limit for Canada geese in the Pacific Flyway has been raised from 3 to 4 after three years of stable goose counts in the area.

This makes it easier for hunters to remember, as the dark-goose bag limit is now the same in all seasons throughout Colorado.

See pages 6-7 for details.

» **NEW LAND TO HUNT** The James M. Robb Colorado River State Park in Mesa County is now open for waterfowl hunting in designated blinds. Hunt spots are available through a reservation system.

Hunting on Highline Lake State Park is also now by reservation only. Land regulations that have changed from last year are highlighted with **NEW!** Please review these regulations before your hunting trip.

See pages 12-17 for details about land reservations and restrictions.

» **HABITAT STAMPS ARE \$10** and only one is required per person per year. Stamps are valid April 1-March 31.

- Anyone 18-64 must purchase a stamp before buying or applying for a preference point or a hunting or fishing license.
- A lifetime stamp is \$300.25.
- Anyone buying a one-day or additional-day license for fishing and/or small game is exempt from purchasing the Habitat Stamp with the first two of these licenses. The habitat fee will be assessed when a third one-day or additional-day license is purchased for fishing or small game.
- Anyone who holds a free Lifetime Fishing License, a Veteran's Lifetime Combination Small-Game Hunting/Fishing License, or are approved for the Big Game Mobility Impaired Hunting Program is exempt from the Habitat Stamp requirement. See www.wildlife.state.co.us/Hunting/DisabledAccessibility for details.

LICENSE INFORMATION

HUNTER EDUCATION (SAFETY) REQUIREMENTS

Hunters born on or after Jan. 1, 1949, must have completed an approved hunter education course sanctioned by a state or province before purchasing a license. Colorado honors hunter education courses from other states and provinces. You must present an original hunter safety card when buying a license (unless previously verified) or enter the required information when applying by mail or online. You must carry your hunter education card while hunting unless a "V" is printed on the license, which indicates hunter education has been verified at a Wildlife Service Center.

Hunter education courses can be found online at www.wildlife.state.co.us/Hunting/HunterEducation/CourseCalendar.

Details on seminars/clinics: www.wildlife.state.co.us/Hunting/HunterOutreach/ClinicsAndSeminars.

YOUTH LICENSES AND MENTOR HUNTING

People under age 18 must have a license to hunt small game. A youth small-game license is \$1, plus surcharge. All youths must meet hunter education requirements. Those under 16 must be accompanied by a mentor while hunting. A mentor must be 18 or older and must meet hunter education requirements. Mentors aren't required to hunt. While hunting, youths and mentors must be able to see and hear each other without binoculars, radios or other aids. Youths under 18 also can buy an adult license as long as they meet hunter education requirements. At age 18, hunters must buy an adult license.

DISABLED VETERANS

Colorado residents who are disabled veterans or Purple Heart recipients can get free lifetime combination small-game-hunting and fishing licenses. They must have served on active duty and have been honorably discharged. Proof is required of a service-related disability rated by the Veterans Administration of at least 60 percent through disability retirement benefits or a pension administered by the Department of Veteran Affairs or respective service department.

PURCHASING A LICENSE

LICENSE REQUIREMENTS

- Hunters must have a small-game license, youth small-game or combination fishing/small-game license to hunt waterfowl. Hunters must carry their license when hunting and show it when requested by law enforcement officers.
- Hunters 16 or older must have a \$15 Federal Migratory Bird Hunting and Conservation Stamp (Duck Stamp) and a \$5 Colorado State Waterfowl Stamp to hunt waterfowl.

WATERFOWL STAMP: The state stamp is printed on your hunting license and validated by signing your name in ink across the imprint. The gum-backed state stamp is available for an extra \$2.50, if desired, and is mailed after July 1.

- FEDERAL DUCK STAMP:** The federal stamp is available after July 1 online, by phone and at select post offices (www.fws.gov/duckstamps/stamps.htm). It is valid when you sign your name in ink across the face of the stamp. It is also available at Wildlife Service Centers and license agents. When purchased at state outlets, an electronic stamp is issued. This instantly gives you a unique code that is valid for 45 days from the date of issue, sufficient time for the gum-backed stamp to arrive in the mail. A federal stamp is not required to take light geese during the conservation order season.
- Annual fishing, small-game and furbearer licenses, as well as Colorado waterfowl stamps and habitat stamps are valid April 1 through March 31 of the following year. Licenses expire on the date printed on them. Lifetime small-game and fishing combination licenses are valid as long as you are a Colorado resident.
 - If a license is restricted to a specific area, you can hunt only that area.
 - Licenses and stamps are not transferable.
 - False statements made in buying a license and altering a license are illegal and void the license.
 - Lost or destroyed licenses can be replaced by buying a new one or signing an affidavit and paying a fee. Forms are available at Wildlife Service Centers and license agents.

HARVEST INFORMATION PROGRAM (HIP)

1-866-265-6447 (1-866-COLOHIP)

If you hunt small game, furbearers, or migratory birds in Colorado, including by falconry, you must sign up with HIP before your license is valid.

Hunters must write their HIP number in the space provided on the license. Hunters will be asked basic questions about their hunting, including how many birds they harvested the previous season and what species they plan to hunt this year.

Both the phone line and website run 24 hours a day, every day, and the process takes about 5 minutes. To sign up for HIP, hunters need to call 1-866-265-6447 (1-866-COLOHIP) or go online to www.colohip.com.

RESIDENCY REQUIREMENTS

The requirements to qualify as a Colorado resident to buy a hunting license:

- You must have lived continuously in Colorado at least six months immediately before applying for or buying a license, and must intend to make Colorado home (except No. 2 and No. 3 below.) The residence address given to purchase or apply for a license must be the same address used on your Colorado income tax return.
- U.S. armed services personnel and military personnel of U.S. allies on active duty in Colorado under permanent orders and their dependents. This includes people who were Colorado residents when they entered the armed services and maintain Colorado as their home of record, and their dependents (unless they change their home of record to another state.) Also included are personnel of the U.S. Diplomatic Service or diplomatic services of nations recognized by the U.S. assigned to duty here on permanent active duty orders and their dependents. Active duty does not include reserve status or National Guard.
- Full-time students enrolled and attending a Colorado college, university or trade school at least six months immediately before applying for or buying a license. This includes students who are temporarily absent from Colorado but still enrolled. Colorado residents who attend school full-time out of state and pay nonresident tuition still qualify for a resident license.
- Children under 18 have the same residency status as their parent, legal guardian or person with whom they live the majority of the time per court order.
- If you have a home in Colorado and another state, call (303) 297-1192 to make sure you comply with Colorado residency requirements before obtaining a hunting or fishing license.
- Except as in No. 2 and No. 3 above, you lose your Colorado residency if you apply for, buy or accept a hunting, fishing or trapping license as a resident of another state or country; register to vote outside Colorado or get a driver's license with an address in another state.

CHILD-SUPPORT DELINQUENCY

State law requires Social Security numbers for all licenses purchased. It is not displayed on the license but may be provided, if requested, to Child Support Enforcement authorities. Hunting and fishing licenses are not issued to people delinquent in child support.

WEAPONS RESTRICTIONS

Colorado and federal laws prohibit people convicted of certain crimes, such as domestic violence, from possessing weapons even for hunting. If you've been convicted of a crime, check with the appropriate law enforcement authority to find out how these laws apply to you.

Attention: Snow goose hunters

If you removed the plug from your shotgun during the 2011 Light Goose Conservation Order season, remember to replace the plug in your gun before hunting in the fall small-game and waterfowl seasons.

TAGGING, SHIPPING, IMPORTING

1. A carcass tag must be attached to wildlife requiring one.
2. Licensees must accompany wildlife not requiring a carcass tag (*except as in No. 4*).
3. One fully feathered wing or head must be attached to birds in transit until they arrive at hunter's home or commercial processing facility.
4. To ship migratory birds, packages must be marked outside with name and address of sender, name and address of receiver and number of birds, by species. Licenses, a photocopy of the license or carcass tag must accompany wildlife shipped by common carrier.
5. It is illegal to leave migratory birds anywhere other than at your home or with someone else for picking, cleaning, processing, permanent or temporary storage or taxidermy unless the birds or package of birds have a tag attached. You must sign tags, include your address, total number and species of birds, date of kill and your hunting license number.
6. Migratory bird preservation facilities:
 - a. If you have someone else's migratory birds for picking, cleaning, freezing, processing, storing or shipping, you must have records showing the number of each species, date you received them, date birds were disposed of, and name and address of who received the birds.
 - b. You must keep records 1 year after the last entry.
 - c. You must allow people authorized to enforce this regulation to enter the facilities at reasonable hours to inspect records and premises.
7. Per week, beginning on Sunday, it is illegal to import more than 25 doves and 10 pigeons from a foreign country; or more than 10 ducks and 5 geese from

CALL BEFORE DIGGING

1-800-922-1987

Colorado law requires waterfowl hunters to call the Utility Notification Center of Colorado before digging hunting pits. By doing so, hunters can avoid accidentally hitting electric, gas, water and other utility lines.

DONATING WILDLIFE

You can donate edible parts of wildlife to a like-license holder anywhere or

WATCH FOR BANDED BIRDS

Wildlife managers need help gathering information about the migratory bird populations. If you kill a banded bird, please report it to the USGS Bird Banding Lab, www.reportband.gov or call 1-800-327-BAND.

a foreign country, except Canada and Mexico. Doves and waterfowl imported from Canada and Mexico cannot exceed Canadian and Mexican export limits. One fully feathered wing must stay attached to birds transported and shipped between ports of entry and someone's home or a migratory bird facility. It is illegal to import someone else's birds.

8. It is illegal to take, have, transport, import or export migratory birds, their parts, nests or eggs that were taken, bought, sold, transported, possessed or exported illegally.
9. It is illegal to have or transport live migratory birds, including wounded birds. You must kill migratory game birds immediately after recovering them.
10. No permit is required to have or transport plumage and skins of legally taken migratory birds for your own use.
11. No permit required to have, dispose of and transport feathers of wild ducks and wild geese legally killed, or of birds seized by wildlife authorities. It is legal to use feathers to make fishing flies, bed pillows, mattresses and similar commercial items, except millinery or ornamental use.
12. It is illegal to buy, sell, barter, or offer to buy or sell feathers or mounted specimens of migratory game birds.

to anyone at the recipient's home. A like-license is for the same species, sex, dates and manner of take as the donor's license. Bag and possession limits apply to donors and recipients and birds must be properly tagged. See "Tagging, Shipping, Importing," above.

WILDLIFE CAUSING DAMAGE

Colorado law allows landowners to protect private property from most wildlife damage. For information, call the CPW at (303) 297-1192.

HUNTING TERMS & DEFINITIONS

AGGREGATE: Total number of animals allowed to be taken in one day, by one person. This is equal to the largest daily bag limit.

DAILY BAG LIMIT: Maximum number of birds you can kill daily, including birds eaten or donated the day you killed them.

CENTRAL FLYWAY: East of the Continental Divide.

GEESE: All species of geese and brant. Light geese means lesser snow geese (including blue), greater snow geese and Ross' geese. Dark geese means Canada geese, white-fronted geese, brant and all other species of geese except light geese.

MANIPULATION: Alteration of natural vegetation or agricultural crops by activities that include, but are not limited to, mowing, shredding, discing, rolling, chopping, trampling, flattening, burning or herbicide treatments. Manipulation does not include distributing or scattering grain, seed or other feed after removal from or storage on the field where grown.

MIGRATORY GAME BIRDS: Migratory birds included in conventions between U.S. and foreign countries to protect birds for which seasons are established. They are: waterfowl (ducks, including mergansers; and geese, including brant), mourning and white-winged doves, sandhill cranes, American coots, sora, Virginia rail, Wilson's snipe, band-tailed pigeons, crows.

NATURAL VEGETATION: Non-agricultural, native or natural plants growing from planting, or existing seeds and other propagules. This does not include planted millet. However, millet growing on its own after planting year is considered natural vegetation.

NON-TOXIC SHOT: Any shot type approved to take migratory game birds according to 50 CFR 20.21 (*U.S. Fish and Wildlife Service*). See page 10 for table and details.

NORMAL AGRICULTURAL OPERATION: Planting, harvesting, post-harvest manipulation or agricultural practice conducted according to 50 CFR 20.11 (*U.S. Fish and Wildlife Service*).

NORMAL AGRICULTURAL PLANTING, HARVESTING OR POST-HARVEST MANIPULATION: planting or harvesting to produce and gather crops or manipulation after harvest and removal of grain, conducted according to 50 CFR 20.11 (*U.S. Fish and Wildlife Service*).

NORMAL SOIL STABILIZATION PRACTICE: Planting for agricultural soil erosion control or post-mining reclamation conducted according to 50 CFR 20.11 (*U.S. Fish and Wildlife Service*).

PACIFIC FLYWAY: West of the Continental Divide.

POSSESSION LIMIT: Maximum number of birds allowed at any time.

SINKBOX: Raft or low-floating device with a depression concealing a person below the surface of the water.

WALK-IN ACCESS PROGRAM

The Walk-In Access (WIA) program provides opportunities to hunt small game, migratory game birds and furbearers on enrolled properties.

This year, the brochure has been redesigned and includes tips on how to have successful dove, pheasant and quail hunts in Colorado.

The regular season walk-in properties are open Sept. 1 through the end of February.

The late cropland season properties are open from opening day of pheasant season through the end of February.

Extended walk-in properties are open from the start of pheasant season through the end of March.

WIA properties allow hunting small game, furbearers, migratory game birds and Eurasian collared-doves but only during established season dates. Properties are closed to hunting Gambel's quail, Gunnison's sage-grouse and greater sage-grouse.

Properties are open to foot access only, from one hour before sunrise until one hour after sunset. Lands are open two hours before sunrise until two hours after sunset for waterfowl hunting.

A WIA permit is no longer required to hunt WIA lands, but hunters must have a small-game license. Properties enrolled are posted with Walk-In Access signs and published in WIA atlas. Access is prohibited as posted when the landowner is actively harvesting crops.

Two atlases for 2011-12 will be published. The early version, the redesigned 2011 Walk-In Atlas is available in mid-August and includes properties open Sept. 1. The 2011 Late Cropland Atlas will be available in late October and includes all properties.

LEGAL HUNTING HOURS

Legal times to hunt waterfowl are one-half hour before sunrise to sunset.

In light goose conservation season, hunting is allowed one-half hour before sunrise to one-half hour after sunset.

The sunrise/sunset chart below lists time in Denver. Subtract 1 minute from opening and

closing time for each 12 1/2 miles east of Denver. Add 1 minute to opening and closing time for each 12 1/2 miles west of Denver.

(These changes assume that each degree of longitude equals 50 miles and a change of 1 degree of longitude equals a 4-minute change in sunrise and sunset times.)

NONTOXIC SHOT REGULATIONS

1. It is illegal to use or have toxic (lead) shot, either in shotshells or as loose shot for muzzleloading, while taking or attempting to take ducks, geese or coots in Colorado. This includes national wildlife refuges open to hunting. Toxic shot, either in shotshells or as loose shot for muzzleloading, cannot be in a hunter's gun, on his/her person or near a hunter taking or attempting to take waterfowl. Store lead shot in your vehicle. You can store lead shot elsewhere if it's not readily accessible while hunting waterfowl.
2. Nontoxic shot is required in commercial wildlife parks, field trials and dog-training while hunting captive-reared mallards.
3. Nontoxic shot is any type approved by the U.S. Fish and Wildlife Service. Go to: www.fws.gov/migratorybirds/CurrentBirdIssues/nontoxic.htm.
4. It is illegal to have or use nontoxic shot larger than size T to hunt ducks, geese or coots.

This table summarizes analysis to date of the waterfowl and upland game bird lethality data base of the Cooperative North American Shotgun Education Program (CONSEP). Responsible shotgun hunters not only engage in thorough pattern testing and ample target practice, but also restrict shooting to ranges less than 45 yards.

Note: To date, steel #BBB (.190") and HEVI-Shot #2 (.150") have exhibited the best all-around performance for taking geese; steel #3 (.140") the best all-around performance for taking ducks.

- 1 These findings are derived from testing 3" 20-gauge; 2 3/4", 3" and 3 3/4" 12-gauge; and 3 3/4" 10 gauge steel loads and 2 1/4" and 3" 12 gauge HEVI-Shot loads. As additional pellet sizes and types, load configurations, and gauges are tested and data bases completed, findings will be updated and may change.
- 2 Steel #F (.220") in all 12-gauge load configurations has exhibited the highest crippling rate on geese of all steel pellet sizes tested. Due to inadequate pattern density, steel #F has not proven lethal on geese beyond 55 yards.
- 3 Steel #4 (.130") has exhibited good all-around performance for taking small and medium-sized ducks, but has not proven lethal on large ducks beyond 45 yards.

HUNTING LAWS & LEGAL METHODS OF TAKE

Safe handling of game meat

Concern has grown about diseases affecting wild animals that could potentially make humans sick. Most of the time, properly handled and prepared game meat poses no greater risk than domestic meat of causing disease in humans. Hunters are encouraged to contact their local public health department or CPW office for information on wildlife diseases that may be present where they plan to hunt. Public health officials recommend the following precautions when handling and preparing game meat:

1. Do not handle animals that are obviously sick or found dead. Report sick or dead animals you find to a Wildlife Service Center near you.
2. Keep game cool, clean and dry.
3. Do not eat, drink or smoke while dressing game.
4. Use disposable gloves when cleaning game.
5. Wash your hands with soap and water or use alcohol wipes after dressing game.
6. Clean all tools and surfaces immediately afterward. Use hot soapy water, then disinfect with a 10 percent chlorine bleach solution.
7. Cook game meat to an internal temperature of at least 165° F to kill disease organisms and parasites. Juices from adequately cooked game meat should be clear.
8. Do not eat any raw portions of wild game.
9. Do not feed raw wild game to domestic pets.

LEGAL HUNTING METHODS

1. Shotguns cannot be larger than 10 gauge. They cannot hold more than 3 shells in magazine and chamber combined (except during Light Goose Conservation Order Season, *see No. 7 below*). Shotguns must be fired from the shoulder. To reduce capacity of shotguns that hold more than 3 shells in the chamber and magazine combined, the magazine must be cut off, altered or plugged with a 1-piece filler that cannot be removed unless the gun is disassembled. Slugs are illegal to hunt waterfowl.
2. Hand-held bows allowed only if the arrow or bowstring is not held or drawn mechanically. It is illegal to use bows on firing lines designated by the Colorado Parks and Wildlife Board.
3. It is legal to hunt waterfowl in the open, from a blind or other concealed place except a sinkbox. When camouflaged with vegetation from agricultural crops, camouflaging cannot result in exposing, depositing, distributing or scattering grain or other feed.
4. Hunting allowed from vessels (except sinkboxes) with motors or sails if the motor is off, and/or sails are furled and forward movement has stopped. Hunting is allowed from drifting vessels and those propelled by hand. Use of motorized vessels only allowed to pick up dead or injured birds.
5. Hawking or falconry permitted.
6. Dogs, artificial decoys, duck calls or goose calls are legal, except recorded or electronically amplified calls or sounds. Recorded or electronically amplified calls are legal to hunt common crows.
7. **IN LIGHT GOOSE CONSERVATION ORDER SEASON:** Recorded or electronically amplified calls are allowed. Shotguns that hold more than 3 rounds in the chamber may be used during this season only. Hunting is allowed one-half hour before sunrise to one-half hour after sunset. A federal migratory bird and conservation stamp are not required for this season. (*See page 6 for season dates.*)
8. The most restrictive state or federal laws apply. See www.wildlife.state.co.us/Hunting/Waterfowl or www.fws.gov/hunting/whatres.html for a detailed summary of federal regulations on migratory bird hunting. More regulations also may apply to National Wildlife Refuges opened to hunting, go to www.fws.gov/refuges for details.

ILLEGAL HUNTING METHODS

1. Baiting. For information on federal baiting laws, go to www.fws.gov/le/HuntFish/waterfowl_baiting.htm.
 - a. It is illegal to take migratory game birds and waterfowl by the aid of baiting, or on or over any baited area, if you know or reasonably should know the area is baited. It is illegal to place or direct placement of bait on or next to an area to cause, induce or allow anyone to take or attempt to take migratory birds with the help of bait or over a baited area.
 - b. Baiting means directly or indirectly placing, exposing, distributing or scattering salt, grain or other feed as an attraction for migratory game birds to, on or over where hunters are trying to hunt. An area is considered baited for 10 days after complete removal of baiting material.
 - c. It is legal to take migratory game birds, including waterfowl, coots and cranes, on or over the following lands not otherwise baited: standing or flooded standing crops; standing flooded or manipulated natural vegetation; flooded harvested crop lands; where seeds

or grains were scattered solely from normal agricultural planting, harvesting, post-harvest manipulation or normal soil stabilization practice; flooded, standing agricultural crops where grain is inadvertently scattered solely by a hunter entering or exiting an area, placing decoys or retrieving downed birds.

- d. It is legal to take migratory birds, except waterfowl, coots and cranes, on or over the following lands not otherwise baited: where grain or other feed is distributed or scattered solely from manipulation of agricultural crops or other feed, or solely from normal agricultural operations.
2. It is illegal to use any artificial light as an aid in hunting or taking wildlife.
 3. Traps, snares, nets, rifles, pistols, swivel guns, punt guns, battery guns, machine guns and fish hooks, poisons, toxicants, explosives or stupefying substances are illegal.
 4. It is illegal to use live, tame or captive ducks and geese as decoys. All tame, captive ducks and geese must be removed 10 days before hunting. They must be in an enclosure that substantially reduces the sound of their calls and conceals them from the sight of waterfowl.
 5. It is illegal to discharge a firearm or release an arrow from, on or across a public road. Hunting with rifles, handguns, shotguns firing a single slug and archery equipment prohibited within 50 feet on each side of the center line of any public road. On a divided road, the prohibition includes the median, and the 50-foot requirement is measured from the center line of both roads. Waterfowl cannot be hunted from, on or across a highway, road, designated trail or other right-of-way (public or private) in national wildlife refuges.
 6. It is illegal to carry or have a firearm (except a pistol or revolver) in or on a motor vehicle unless chamber is unloaded.
 7. Possession of wildlife is evidence you hunted.
 8. It is illegal to kill, capture, wound or harass wildlife from an aircraft or motor vehicle. It is also illegal to operate aircraft, discharge firearms or release arrows from aircraft or motor vehicles with the same intent.
 9. It is illegal to waste or abandon edible portions of wildlife, or to leave wounded wildlife without trying to track and kill it.
 10. It is illegal to leave decoys or things used as decoys in the field or on water overnight on state wildlife areas.

HAWKING AND FALCONRY

1. Apprentices may hunt with only 1 raptor at a time.
2. A resident falconry license required.
3. Nonresident falconers must buy a nonresident falconry license from the CPW's special licensing section, a one-day small-game hunting license or a nonresident small-game hunting license. Hunter education laws apply.
4. Falconers must comply with HIP.
5. Firearms prohibited while hawking.
6. Hawking prohibited from a public road.
7. Hawking on private property is illegal without permission from owner or person in charge.
8. Nonresidents also must obtain an import permit at least 30 days in advance from special licensing. The permit is free, but a current health certificate issued within 30 days of the proposed entry from state of origin required. Import permit applications and import permits are available on the CPW website at www.state.co.us.

LANDS WITH SPECIAL WATERFOWL REGULATIONS

LAND RESTRICTIONS AND USE RULES

NOTE: Additional restrictions may apply on some properties. Consult the CPW's State Wildlife Area brochure for details.

- It is illegal to hunt on private land without permission from landowner or person in charge. It is illegal to post or indicate that public lands are private. It is illegal to hunt on State Trust Lands without permission of lessee, except lands open for wildlife recreation.
- It is illegal to hunt waterfowl in federal reservations; areas the U.S. government sets aside as bird, game or other wildlife reservations, breeding grounds or refuges; or areas closed by the Migratory Bird Treaty Act, except as permitted. More regulations may apply on national wildlife refuges. Contact: Alamosa and Monte Vista, (719) 589-4021; Browns Park, (970) 365-3613; Arapaho, (970) 723-8202.
- IN THE AREAS BOUNDED** on N by Wyoming; E and S by I-76, Hwy. 71, U.S. 36 and I-70; and W by the Continental Divide and Larimer-Jackson county line; and in Bent, Crowley, Kiowa, Mesa, Otero and Prowers counties:
 - It is illegal to hunt waterfowl within 50 yards on either side of center line of a public road.
 - It is illegal to hunt waterfowl within 150 yards of a dwelling, including directly above it, without first obtaining permission from owner, occupant or person in charge of the dwelling.
- PUEBLO COUNTY:** It is illegal to hunt waterfowl within 150 yards of a dwelling, including directly above it, without first obtaining permission from owner, occupant or person in charge of dwelling.
- ALONG THE COLORADO RIVER:**
 - IN GRAND COUNTY:** Closed to waterfowl hunting from Shadow Mountain dam to Twin Creek after Nov. 13.
 - IN MESA COUNTY:** Closed to waterfowl hunting on Colorado River and 200 yards on either side of river from Grand Avenue bridge in Grand Junction to W end of Horsethief Canyon SWA from Wed.-Fri., except Thanksgiving, Christmas and New Year's Day. Closed to waterfowl hunting on river and 200 yards on either side of river from Appleton Drain to Hunter Wash (at the W end of Walker SWA).

RESERVATION PROCEDURES

For land requiring reservations, call 1-800-846-9453 (1-800-UGO-WILD)

- » **RESERVATIONS NOT ACCEPTED MORE THAN 14 DAYS IN ADVANCE** of hunt date nor after noon the day before the hunt date or noon Friday for hunts on Sunday and holidays falling on Monday.
- » **TO CANCEL**, hunters must do so by noon the day before the hunt date. Failing to cancel reservations or follow check-station procedures may result in losing future reservation rights for the rest of the hunting season.
- » **MAXIMUM 1 RESERVATION PER HUNT DATE** and 1 reservation per phone call. Reservations are not transferable. The person making the reservation must be a licensed hunter for the species to be hunted and must be at the property the day of the hunt.

Subscribe to Colorado Outdoors

Did you know Colorado has the largest elk herd in the world? Did you know Colorado is the only state where you can buy an over-the-counter bull elk license? *Colorado Outdoors* magazine will keep you up-to-date on all the opportunities available to you and your hunting buddies. Don't flounder around looking for the best spots to fish. *Colorado Outdoors* is a must-read if you're seeking a high-country angling experience or fishing the state's plains reservoirs.

For over 70 years, *Colorado Outdoors* has been the official publication of Colorado Parks and Wildlife (CPW) and the only magazine dedicated to Colorado's wildlife. And now when you subscribe, you get your choice of either a free hunting guide or fishing guide. These special annual editions are packed with a wealth of information you need to know to be a more successful hunter or angler.

We offer insight into our wildlife resources as well as providing up-to-date coverage of hunting, fishing and wildlife management. You get valuable advice from CPW experts, information that you can't get anywhere else. You'll read about recovery efforts of some of our endangered species. Plus you'll learn about environmental news, watchable wildlife events, volunteer opportunities, state fishing records and much more.
