OPERATION GAME THIEF

Operation Game Thief (OGT) is a non-profit organization working with the DOW's law enforcement program. It pays rewards to citizens who report poachers or resource violations. Callers don't have to reveal their names, testify in court or sign a deposition. Rewards are paid if the information leads to the arrest of a poacher or a citation is issued. Rewards do not depend on a conviction but must be requested when a violation is reported. Call toll-free, 1-877-COLOOGT (265-6648) toll free. The number should not be used for information requests or emergencies.

NOTICE

This brochure is not a legal notice nor a complete collection of hunting regulations and laws. It is a condensed guide issued for hunters' convenience. Copies of wildlife statutes and regulations can be obtained from a DOW office and are available on our Web site, www.wildlife.state.co.us. For questions, call the DOW, (303) 297-1192.

LICENSE INFORMATION

- 1. You must apply in the drawing for limited licenses, valid only for specific dates and units. See "Limited Licenses."
- 2. You can apply for a limited spring turkey and limited fall turkey license. You cannot hunt in fall turkey season with a spring turkey license. Fall applications are NOT accepted before June 1. Only 1 application is allowed per season.
- 3. You can buy unlimited licenses at license agents, DOW offices, via the internet or by phone. Unlimited licenses go on sale starting Dec. 15, 2005, for spring turkey and July 10 for fall.
- 4. Small game licenses are not valid for turkeys.
- 5. Licenses expire on the date printed on them. Licenses are not transferrable.
- False statements made in buying licenses or altering licenses

are illegal, and doing so voids licenses.

- 7. Turkey hunters do not need to register with the Harvest Information Program (HIP).
- 8. A habitat stamp is required. See "Habitat Stamp."

RESIDENCY QUALIFICATIONS

These are the requirements to qualify as a Colorado resident to buy a hunting license:

- 1. You must have lived continuously in Colorado at least six months immediately before applying for or buying a license, and must intend to make Colorado home (except #2 and 3 below.)
- 2. U.S. armed services personnel, service personnel of a U.S. ally, personnel of the U.S. Diplomatic Service or diplomatic services of a nation recognized by the U.S. stationed here on permanent active duty orders (but not reserves or National Guard) and their dependents. This includes people who were Colorado residents when they entered the armed services and maintain Colorado as their home of record, and their dependents.
- 3. Full-time students enrolled and attending a Colorado college, university or trade school at least six months immediately before applying for or buying a license. This includes students who are temporarily absent from Colorado but still enrolled.
- 4. Children under 18 have the same residency status as their parent or legal guardian.

HABITAT STAMP

New For 2006: Now everyone can play a part in conserving Colorado's habitat, the key to wildlife's future. To preserve wildlife habitat for future generations, sportsmen and conservationists joined to develop the habitat stamp. Money from the program is designated for acquiring and managing habitat for hunting, fishing and wildlife viewing. Understanding the need to protect habitat and its economic benefit to the state, Colorado lawmakers approved the habitat stamp, which will be offered starting Jan. 1, 2006. For people 19-64, the stamp is \$5 and is required on the first 2 licenses bought in a calendar year. The stamp is \$10 if bought without a license and is required of people 19-64 who use a state wildlife area. Lifetime stamps are \$200. People younger than 19 and older than 64 are not required to buy the stamp. Anyone can buy a habitat stamp and be part of Colorado's future. See our Web site for details.

TOTAL LICENSING SYSTEM

The DOW and license agents now use computer terminals to sell licenses. Agents also offer other services, such as replacing licenses and verifying hunter education cards issued by the DOW. You also can buy licenses through our Web site or by calling, 1-800-244-5613. Credit cards are accepted for phone or internet purchases. Learn more on our Web site.

HUNTER EDUCATION (SAFETY)

Anyone born on or after Jan. 1, 1949, must have completed an approved hunter education course or bowhunter education course (for archery licenses only) sanctioned by a state or province before applying for or purchasing a license. Colorado honors hunter education courses from other states and provinces. A hunter safety card must be presented when buying a license over the counter at a license agency. All hunters must carry their hunter education card when hunting unless "Verified" is printed by the DOW on their license.

RANCHING FOR WILDLIFE

Public RFW licenses are available only to Colorado residents by drawing. Licenses are valid only for the season and ranch on the license. RFW licenses are listed with hunt codes in this brochure. RFW landowners must provide free access to hunters who draw a public license for the ranch. By applying for a RFW license, hunters allow the DOW to provide applicant information to the ranch. RFW hunting rules are different for each ranch. For example on some ranches, guides may be required for public hunters but must be provided by the landowner free of charge. Read ranch rules before applying. Rules are found on our Web site under each ranch's specific page, wildlife.state.co.us/ranching/ranching.asp.

HUNTING HOURS

One-half hour before sunrise to sunset. See Sunset/Sunrise chart.

BAG AND POSSESSION LIMITS

- 1. The annual bag and possession limit is 1 bearded turkey in spring season and 1 turkey of either sex in fall.
- 2. Hunters with a **limited** spring license can take 2 bearded turkeys. One must be harvested on the limited license in the limited area. The second must be harvested with an unlimited license in an unlimited area. If you take 2 turkeys in spring, you cannot take a turkey in fall.
- TIPs reward licenses do not count toward annual bag limits for turkey.

METHODS OF TAKE

- 1. SHOTGUNS, including muzzleloading shotguns: max. 10-gauge allowed and cannot be capable of holding more than three shells in the magazine and chamber combined. Shotguns originally capable of holding more than three shells must be plugged. Shot must be size #2 (lead or steel) or smaller. Single slugs are illegal.
- 2. HAND-HELD BOWS
- 3. CROSSBOWS
- 4. RIFLES AND HANDGUNS:
- a. Spring Season: Rifles and handguns are illegal.
- **b.** Fall Season Only: Except in units 91, 92, 94, 96 & 951, rifles and handguns can be muzzleloading, centerfire or rimfire, and bullets must be min. 38 grains with manufacturer's energy rating of at least 110 foot-pounds at 100 yards from muzzle.
- Turkeys can be taken over standing crops or feed scattered solely for agricultural purposes.
- 7. It is illegal to use bait while turkey hunting. Baiting is placing, or scattering salt, mineral, grain or other feed to attract wildlife.
- **8.** Artificial decoys and manual calls are permitted. Recorded or electronically amplified calls are illegal.
- 9. It is illegal to use electronic night vision equipment, electronically enhanced light-gathering optics or thermal-imaging devices as an aid in hunting or taking wildlife. Having a firearm with cartridges in chamber or magazine, or loaded with powder or ball, or strung, uncased bow while attempting to project artificial light into an area with wildlife is prima facie evidence of a violation.

CONTESTS

It is illegal to promote, conduct, offer to conduct or participate in contests using marked or tagged small game and upland game birds for money or valuable prizes. Valuable prizes don't include certificates of recognition or other tokens without significant monetary value. This does not apply to wildlife parks and field trials licensed by DOW.

TIPs PROGRAM

The TIPs program rewards people who voluntarily provide information resulting in charging a poacher with illegal take or possession of big game or turkey. Awards can be a preference point for the species of choice or an unlimited license for the species being reported. Some limited licenses may be available as a third option. Reward licenses do not count toward annual bag and possession limits. Applications and more information about TIPs are available from the DOW.

TAGGING

1. After killing a turkey, hunters must immediately detach, sign and date the carcass tag and attach it to the carcass. Tags must stay attached while the carcass is transported, in camp, in storage or in your possession.

2. If the carcass tag is accidentally detached from the license, or lost or destroyed, you must get a duplicate before hunting. You must give proof to the DOW that the tag was accidentally detached to get a duplicate.

EVIDENCE OF SEX

A turkey killed in the spring must have beard naturally attached while being transported.

PREFERENCE POINTS

- 1. One preference point is awarded if you apply properly and are unsuccessful in drawing a license for your first-choice hunt code, or if you apply for a preference point hunt code as your first choice. New for 2006: You can get 2 preference points per calendar year. One preference point is awarded in the spring limited license drawing and 1 in the fall drawing.
- 2. Second-, third- or fourth-choice hunt codes don't use or generate preference points.
- **3.** Preference points accumulate until you draw a license as a first choice. If you don't apply at least once in 5 consecutive years, your file is purged and your points are lost. Applying for preference points keeps your file active.
- 4. Priority goes to the hunter with the most points except for group applications. Group applications are processed based on the member who has the fewest points.
- **5.** If unsuccessful, your refund stub will show your accumulated points. Keep the stub for your records.
- **6. Preference Point Hunt Code:** To apply for a preference point only, enter hunt code **T-P-999-99-P** as the first choice on your application. You must pay the full license cost even if you're just applying for a preference point. Your license fee, minus the \$3 application fee, will be refunded.

LAND USE RULES

- 1. Union Tract of Elliott SWA: Closed to turkey hunting.
- 2. Spanish Peaks SWA: Hunting permitted only Sat., Sun., Mon. and Tues. in spring turkey seasons.

WEAPONS RESTRICTIONS

Colorado and federal laws prohibit people convicted of certain crimes, such as domestic violence, from possessing weapons, even for hunting. If you were convicted of a crime, check with the appropriate law enforcement authority to learn how these laws apply to you.

CHILD SUPPORT DELINQUENCY

The Colorado Child Support Enforcement Act requires your Social Security number to buy licenses. It is not displayed on the license but is provided, when requested, to Child Support Enforcement authorities. Hunting and fishing licenses are not issued to people delinquent in child support.

The number is in the upper right corner of the CC. If you were mailed this brochure, your CC or CID number may be on the address label above your name. Starting from left to right, enter your number.
- **5.** If you've never had a CID, leave that part of the form blank. Fill out the rest of the form, including the shaded area. You will receive a new CID with the first license you buy.
- 6. If your address changed, use the change-of-address form in the application insert (home address only). Mail the form separately to the DOW. Don't mail it with your application.
- 7. Enter a first choice. You can list up to three more choices.

TURKEY HUNTING SAFETY TIPS

- 1. Be Sure of Your Target. Never shoot at sound or movement. Be certain of your target before you pull the trigger.
- 2. Be Alert when using a turkey call. Other hunters may mistake it for a real turkey.
- 3. Protect Your Back and Maintain Visibility. Your calling position should have a solid background as wide as your shoulders and higher than your head while providing you with 180-degree visibility. Don't hide so well that you can't see what's happening. Camouflage hides you but doesn't make you invisible. Sit perfectly still; turkeys and hunters both see even slight movement.
- **4. Colors and Blaze Orange.** To alert other hunters to your presence, hang fluorescent material such as a cap or vest above your calling spot and wear fluorescent orange while going to and from your hunting spot. Eliminate red, white and blue from your clothes since mature male turkeys also sport these colors.
- 5. Don't Stalk. Never stalk a turkey in the spring. Chances of success are slim; accident chances are high. Birds are breeding in spring and are more wary and alert. Find a concealed location, and let the bird come to you. Don't move, wave or use turkey calls to alert another hunter. A quick move may create a hazard. If necessary, yell or blow a whistle to alert another hunter of your presence.
