RESTRICTIONS

CHILD SUPPORT DELINQUENCY

State law requires a Social Security number to buy a license. It is not displayed on the license but is provided, if requested, to Child Support Enforcement authorities. Hunting and fishing licenses are not issued to those suspended for noncompliance with child support. Any current licenses become invalid if held by an individual who is noncompliant with child support.

WEAPONS RESTRICTIONS

Colorado and federal laws prohibit people convicted of certain crimes, such as domestic violence, from possessing weapons even for hunting. If you've been convicted of a crime, check with the appropriate law enforcement authority to find out how the laws apply to you.

LICENSE REQUIREMENTS

1. Completion and proof of a hunter education course is required for anyone born on or after Jan. 1, 1949, to purchase a hunting license or preference point (*changes to hunter education requirements took effect April 2016; see Hunter Education Requirements on page 1*).
2. Small-game licenses are not valid for turkeys. A turkey license is required to take wild turkey.
3. Limited licenses are available for spring and fall seasons by drawing, valid only for specific dates and units (*see pages 4–7*). Apply online at: cpw.state.co.us/CPWshop. **SEE PAGE 8, APPLICATIONS & PREFERENCE POINTS, FOR IMPORTANT CHANGES TO THE APPLICATION PROCESS.**
4. Only one application is allowed per season. **HUNTERS MUST APPLY FOR SPRING AND FALL TURKEY LICENSES SEPARATELY.** Fall applications are **NOT** accepted before May 17. The upgraded system **WILL NOT** let you submit a fall application during the spring turkey application process.
5. Licenses are valid for and expire after the season printed on them. Licenses are not transferable.
6. False statements made in buying licenses or altering licenses are illegal, and doing so voids licenses.
7. Turkey hunters do not need to register with the Harvest Information Program (HIP).

RESIDENCY REQUIREMENTS

These are the requirements to qualify as a Colorado resident to buy a hunting license:

1. You must live in Colorado at least 6 consecutive months immediately before applying for or buying a license **AND** must intend to make Colorado home (except No. 3 and No. 4 below). The residence address you give to buy or apply for a license must be the same as on your Colorado income tax return.
2. A valid Colorado driver's license or Colorado ID is proof of residency if issued at least 6 months prior to buying or applying for a license. If your ID or driver's license was issued or renewed less than 6 months prior, you must provide documentation that proves you have been a resident for the required 6-month period.
3. U.S. military personnel and military personnel of U.S. allies on active duty in Colorado under permanent orders and their dependents qualify. This includes people who were Colorado residents when they entered the military and maintain Colorado as their home of record, and their dependents (who keep Colorado as their home of record). Also included are personnel of the U.S. Diplomatic Service or diplomatic services of nations recognized by the U.S. assigned to duty here on permanent active duty orders and their dependents. Active duty military does not include reserve status, National Guard or government contractors.
4. Full-time students enrolled and attending an accredited Colorado college, university or trade school at least 6 months immediately before applying for or buying a license qualify. This includes students who are temporarily absent from Colorado but still enrolled. Colorado residents who attend school full-time out of state and pay nonresident tuition still qualify for a resident license.
5. Children under 18 have the same residency status as their parent, legal guardian or person with whom they live the majority of the time per court order qualify. If buying or applying online for a minor child claiming residency based on their parent's residency, the parent's Colorado driver's license or Colorado ID used must be valid and not issued or renewed less than 6 months prior.
6. If you have a home in Colorado and another state, call 303-297-1192 to make sure you comply with Colorado residency requirements before obtaining a hunting or fishing license.
7. Except as in No. 3 and No. 4 above, you lose your Colorado residency if you apply for, buy or accept a hunting, fishing or trapping license as a resident of another state or country, register to vote outside Colorado or get a driver's license with an address in another state.

SPECIAL LICENSE INFORMATION

YOUTH LICENSES

Youths under age 18 can buy or apply for a reduced-cost turkey license. All hunters, including those younger than 18, must meet hunter education requirements. Those under 16 must also be accompanied by a mentor while hunting. There is no minimum age to hunt turkey, as long as these requirements are met.

A mentor must be 18 or older and must meet hunter education requirements. Mentors aren't required to hunt. While hunting, youths and mentors must be able to see and hear each other without binoculars, radios or other aids.

Youths younger than 18 can buy an adult license as long as they meet hunter education requirements. At age 18, youths must buy an adult license. Youths are considered to be the age they are on the date they submit their draw application. For example, if a 17-year-old submits an application and then turns 18 prior to the start of the turkey season for which they applied, they are still considered a youth and qualify for the youth license.

YOUTH OUTREACH LICENSES

Youth Outreach licenses are offered to qualified organizations sponsoring educational youth hunting activities.

A maximum of 200 licenses are offered for private land, and are limited to youths under 18 years of age. Application procedures are on the CPW website at cpw.state.co.us/YouthOutreachLicense.

HUNTERS WITH MOBILITY IMPAIRMENTS

Ten licenses are offered for qualified hunters with mobility impairments for spring season, valid on private land in units 91, 92 and 96 for specific dates.

1. Hunters must have a mobility impairment from a permanent medical condition that makes hunting physically impossible without an attendant's assistance. Evidence may include prescribed equipment such as a wheelchair, shoulder or arm crutches, a walker or two canes.
2. License applications and access permit applications are available at CPW offices. Submit applications with payment to CPW Licensing, 6060 Broadway, Denver, CO 80216. Hunters can apply from the Monday after the November Parks and Wildlife Commission meeting until spring turkey season ends.
3. Applications must include a statement from a licensed medical doctor or certified physical, occupational or recreational therapist, describing the impairment and permanent medical condition. More documentation may be required.

In Spanish Peaks SWA, hunters with mobility impairments can hunt after the second weekend of the spring turkey season on Wed., Thurs. and Fri. by permit only. Permits are issued free on a first-come, first-served basis. Permits are limited to two people each for the Wed.–Fri. time period.

SECURE & VERIFIABLE IDENTIFICATION

As required by the state's Secure and Verifiable Identity Document Act, residents and nonresidents buying or applying for hunting or fishing licenses must show secure and verifiable ID. For a list of acceptable and unacceptable documentation, go to the CPW website at cpw.state.co.us/Documents/RulesRegs/Brochure/SecureAndVerifiableIdentity.pdf.

Thank you. Your hunting and fishing licenses pay to protect Colorado wildlife.

GENERAL INFORMATION

LEGAL HUNTING HOURS

Legal hunting hours for turkey are one-half hour before sunrise to sunset. The sunrise/sunset chart below lists Denver times. Subtract 1 minute from opening and closing time for each 12 1/2 miles east of Denver. Add 1 minute to opening and closing time for each 12 1/2 miles west of Denver. (These changes assume that each degree of longitude equals 50 miles and a change of 1 degree of longitude equals a 4-minute change in sunrise and sunset times.)

CONTESTS

It is illegal to promote, conduct, offer to conduct or participate in contests using marked or tagged small game and upland game birds for money or valuable prizes. Valuable prizes don't include certificates of recognition or other tokens without significant monetary value. This does not apply to wildlife parks and field trials licensed by CPW.

TURKEY HUNTING LAWS

ILLEGAL HUNTING METHODS

IT IS ILLEGAL TO:

- Post, sign or indicate that public lands (except if under an exclusive-control lease) are private.
- Hunt on private land without first obtaining permission from landowner or person in charge.
- Hunt on State Trust Lands (STLs) without permission of lessee, except those open for wildlife recreation.
- Have a loaded (in the chamber) rifle or shotgun in or on any motor vehicle.
- Shoot from or use a motor vehicle, motorcycle, off-highway vehicle, snowmobile or aircraft to hunt, intercept, chase, harass or drive wildlife.
- Hunt under the influence of alcohol or controlled substances.
- Use any artificial light as an aid in hunting wildlife.
- Fail to reasonably dress, care for and prepare edible wildlife meat for human consumption. Internal organs are not considered edible portions.
- Party hunt: kill someone else's game or let someone kill yours.
- Use recorded or electronically amplified calls.
- Use bait to hunt turkeys. Baiting is placing or scattering salt, mineral, grain or other feed to attract wildlife.
- Only portable blinds or tree stands may be erected on State Wildlife Areas (SWAs). These must be removed at the end of the day they are used. No nails may be driven into trees. The hunter's Customer Identification number (CID) and dates of use must be visible on the outside of blinds or underside of stands. Placement of blinds or stands does not reserve them for personal use; they may be used by the public on a first-come, first-served basis.
- Use the Internet or other computer-assisted remote technology while hunting or fishing. This includes unmanned or remote-control drones used to look for wildlife. Hunters must be physically in the immediate vicinity while hunting or fishing.

- After killing a turkey, hunters must immediately detach, sign and date the carcass tag and attach it to the animal. Tags must stay attached while the carcass is transported, in camp, in storage or in your possession.
- If the carcass tag is accidentally detached from the license, lost or destroyed, you must get a duplicate before hunting and prove the loss, detachment or destruction was accidental. Duplicates can be obtained by furnishing proof of accidental detachment, loss or destruction to a CPW regional or area office.

METHODS OF TAKE

- SHOTGUNS**, including muzzleloading shotguns: maximum 10-gauge allowed and cannot be capable of holding more than three shells in the magazine and chamber combined. Shotguns capable of holding more than three shells must be plugged. Shot must be size #2 (lead or steel) or smaller. Single slugs are illegal.

See Youth Licenses, under Special License Information (*page 2*), or contact a CPW office for information.

5 TIPS TO STAY SAFE IN THE FIELD

Successful turkey hunting requires hunters to be stealthy and well-camouflaged. However, this also means you are well-camouflaged from other hunters, which can increase the chances of hunting-related accidents. Keep these points in mind in the field:

1

KNOW YOUR TARGET.

As with all hunting opportunities, be absolutely sure of your target and what lies beyond it before you pull the trigger. Never shoot at sound or movement.

4

KNOW WHAT NOT TO WEAR.

Don't wear red, white or blue clothing, because you could look like a mature male turkey, which also sports these colors. Alert other hunters to your presence. You can hang fluorescent material (like a hunter-orange or pink cap or vest) above your calling spot and wear hunter orange or pink while going to and from your hunting spot.

2

STAY ALERT.

When using a turkey call, hunters may mistake your call for a real turkey.

3

CHOOSE GOOD COVER.

Choose hunting locations that provide cover for your back and also give you visibility. Your calling position should have a solid background as wide as your shoulders and higher than your head, while providing you with 180-degree visibility. Don't hide so well that you can't see what's happening. Sit still; both turkeys and hunters may see even slight movements.

5

DON'T ATTEMPT TO STALK

a turkey in the spring. Hunters use calling to attract birds, and you may be stalking a hunter, increasing the chances of an accident. Find a good location to sit and call birds to you. If you see another hunter approaching, don't use turkey calls to alert the hunter. In a clear, loud voice say, "Hunter."

ACCOUNT PROBLEMS?

CALL 1-800-244-5613 IF YOU HAVE ANY ACCOUNT ISSUES: FINDING YOUR EXISTING ACCOUNT, CREATING A PROFILE, ETC.

NEW ACCOUNT, APPLICATION & PAYMENT CHANGES

CPW will be transitioning to an upgraded licensing, pass and reservation system in early Jan. 2018. **ALL** customers, existing and new, will need to have a **UNIQUE EMAIL ADDRESS** and **PASSWORD** to create a profile in the new system (*this includes youths who want to hunt, so parents may need to set up an email account for their children*). **READ THE STEP-BY-STEP GUIDE TO CREATING YOUR PROFILE, OR WATCH THE HOW-TO VIDEO AT [CPW.STATE.CO.US/CPWshop](http://cpw.state.co.us/CPWshop)** (video available in early Jan.). Once you've created your profile, your Account Summary page will show you your preference point levels, active products and orders.

- ▶ **EXISTING CPW CUSTOMERS:** If you've purchased a license from CPW before, you'll be able to look up your existing customer record by entering your **CID NUMBER** (from a previous CPW license), **DATE OF BIRTH** and an **IDENTIFIER** (for example, your driver's license or passport number) through cpw.state.co.us/CPWshop. **The email you enter will be used by CPW to send you draw, payment and other notifications, so please be sure your contact information is kept current and accurate!** Current CPW and/or Reserve America customers can log on using their existing email and password; your information is still there, so there's no need to create a whole new profile.
- ▶ **NEW CPW CUSTOMERS:** Visit cpw.state.co.us/CPWshop to click through and create an account. *You can also call 1-800-244-5613 or go into any CPW office to get a CID number.* You will need to provide your **PERSONAL INFORMATION** (name and date of birth), an **IDENTIFIER** (for example, your driver's license or passport number), your **CONTACT INFORMATION**, your **EMAIL ADDRESS** and create a **PASSWORD** for your new account. You will then receive your Customer Identification number (CID). As required by law, if you're planning to go hunting or fishing, you'll need to enter some additional information, including your social security number. **The email you enter will be used by CPW to send you draw, payment and other notifications, so please be sure your contact information is kept current and accurate!**
- ▶ **APPLY FOR THE DRAW:** CPW.STATE.CO.US/CPWshop OR BY PHONE: 1-800-244-5613 **LICENSE FEES FOR LIMITED LICENSES ARE NO LONGER DUE WHEN YOU SUBMIT YOUR DRAW APPLICATION.** To apply, you will need to enter credit card information in your profile. If you are 18–64, a 2018 (or Lifetime) Habitat Stamp is

required to apply for a license. If you have not already purchased one, it will automatically be added to your application. When you submit your application, you will **ONLY** be charged the \$3 application processing fee *per draw for turkey* (and the Habitat Stamp, if applicable). **The credit card information will be kept on file and ONLY charged the license fee if you receive a license from the draw.**

- ▶ **GROUP APPLICATIONS: THE GROUP LEADER MUST APPLY FIRST.** All group members must use the same person as the leader in order to go through the draw as a group. Get the step-by-step group application guide online: cpw.state.co.us/CPWshop
- ▶ **DRAW RESULTS:** Posted **MARCH 1 FOR SPRING TURKEY** and **JULY 23 FOR FALL TURKEY. BEFORE THESE DATES**, make sure your credit card information is up-to-date in your profile, as well as your contact information. If we're unable to charge your card for your license, you will be notified via email (be sure to check your spam folder to make sure these important emails don't go there). From there, you have several options for paying for your license: you can go online and reenter credit card information in your profile (you can use a different card if need be), call the toll-free purchasing line (**1-800-244-5613**), or go to any CPW office.
- ▶ **PAYMENT DEADLINE:** The deadline for paying for your **SPRING TURKEY** license is **MARCH 14**; the **FALL TURKEY** deadline is **AUG. 1**. All successful licenses will be mailed after the payment is received. **Please remember that if you are successful in the draw and do not pay for your license by these dates:**

YOUR LICENSE WILL BE SURRENDERED, AND YOU WILL LOSE BOTH THE LICENSE AND ANY PREFERENCE POINTS YOU USED TO DRAW IT. THE PAYMENT DEADLINE IS FINAL.

LICENSE REFUNDS, REISSUES & EXCHANGES

Check our website for full details on how to refund or exchange a license and about the reissue process: cpw.state.co.us/Refunds. Turkey hunters who need to refund a license will have to do so **AT LEAST 14 DAYS PRIOR TO THE START OF THE SEASON** for which the license is valid by turning in their license at a CPW location, or postmarked to CPW Licensing, 6060 Broadway, Denver, CO 80216. **NOTE: If you drew a license you would like to return, payment for the license is still required first. You can then return it for a refund or preference points.** Licenses that have been returned will be made available on the leftover list at cpw.state.co.us/Leftover. All license exchanges will be charged a fee of fifty percent of the original license cost, not to exceed \$25.

GAINING & USING PREFERENCE POINTS

1. **HOW TO GAIN POINTS:** One preference point is awarded if you apply properly and are unsuccessful in drawing your first-choice hunt code, or if you apply for a preference point hunt code as your first choice. You can get two turkey preference points per calendar year. One preference point is awarded to unsuccessful applicants in the spring drawing and one in the fall drawing.
2. **HUNTING PRIORITY:** Priority goes to the hunter with the most points, except for group applications. Group applications are processed based on the member with the fewest points.
3. **POINTS ARE ONLY USED ON FIRST-CHOICE HUNTS:** Second-, third- or fourth-choice hunt codes don't use or generate preference points.
4. **POINT ACCUMULATION:** Preference points accumulate until they are used to help you draw a license as a first choice.
5. **USE THEM OR LOSE THEM:** If you don't apply for or purchase a license at least once in 10 consecutive years for turkey, your file is purged and your preference points are lost. Applying for preference points keeps your file active.
6. **PREFERENCE POINT HUNT CODE:** To apply for a preference point only, enter hunt code **T-P-999-99-P** as the first choice on your application. You must pay for a Habitat Stamp, even if you're just applying for a preference point. The \$3 service fee and \$10 Habitat Stamp fee are nonrefundable.

NEW 7. CHECK YOUR PREFERENCE POINT LEVEL IN YOUR ONLINE PROFILE: Login to your CPW account with your email and password at cpw.state.co.us/CPWshop and go to My Preference Points on your Account Summary page.

From the field to the table, ensuring your next harvest is safe for your family is important. Switching from lead bullets may be an option that's right for you.

Science tells us that ingesting lead can cause potential health problems over time. Risks are low for most people; however, you can also:

- 1. Use lead-free shot or bullets.**
- 2. Choose a firearm with lower-velocity bullets, so the bullet fragments don't scatter as far into the wound.**
Liberal trim and discard meat damaged by the bullet when you process an animal.
- 3. Clean your meat grinder between each animal.** Lead is soft and can go through your grinder, contaminating an entire batch of ground meat. If you don't grind the meat yourself, speak with your commercial processor about their equipment cleaning process between animals.
- 4. Avoid eating game meat from animals harvested with lead bullets if you are pregnant.** Children younger than 6 should also avoid it.
