# 2017–2018 Colorado Mountain Lion Hunting

# **WHAT'S NEW: 2017**

# **REGULATION CHANGES & NEW INFORMATION**

# ► CPW LICENSE PURCHASING BLACKOUT MOUNTAIN LION ED & HUNTER ED TESTING BLACKOUT

As we transition to the upgraded online licensing system (see below), the CPW license purchas-

ing system will be **unavailable: THE FIRST WEEK OF JAN., STARTING JAN. 2, 2018.** Hunter education and mountain lion education testing **may also not be available** during

this time. PLEASE PLAN ACCORDINGLY AND BE PREPARED EARLY THIS YEAR!

For more information, contact a CPW regional or area office (*listed on back cover*), or visit our website: **cpw.state.co.us** 

#### ► CPW LICENSING SYSTEM CHANGES

The licensing, pass, registration and reservation system will be fully upgraded in early 2018. All customers will need to have an individual email address and password to apply for or purchase CPW products with the new system. Make sure your contact information and email are correct now when you purchase your mountain lion license. Go to: cpw.state.co.us

#### ► MOUNTAIN LION BROCHURE TO MOVE ONLINE

The CPW Mountain Lion brochure may become entirely digital in 2018. Check for updates at **cpw.state.co.us**.

# LICENSE INFORMATION

# LICENSE FEES

- ► RESIDENT ..... \$41
- ► NONRESIDENT ...... \$351

Prices include 25-cent search-and-rescue fee and 75-cent surcharge for the Wildlife Management Public Education Fund.

#### **BUY ONLINE, IN PERSON OR BY PHONE**

Go to **cpw.state.co.us/licenses** or call **1-800-244-5613**. CPW offices and license agents also sell licenses statewide.

# **SEASON DATES & HUNTING HOURS**

**NOVEMBER:** In most units open to hunting, the fall mountain lion season is Nov. 20, 2017–March 31, 2018. **APRIL:** The April mountain lion season runs April 1–30, 2018.

Lions may be hunted from one-half hour before sunrise to one-half hour after sunset.

Check the CPW website for a current sunrise/sunset table.

#### **BAG LIMITS**

- One mountain lion, either sex, per license year (April 1–March 31).
   Hunters may harvest one lion from Nov. 20, 2017–March 31, 2018,
   AND one lion (with purchase of a new license) from April 1–30, 2018 or Nov. 19, 2018–March 31, 2019.
- **2.** A lion harvested during special damage seasons doesn't count toward the annual bag limit.
- **3.** A lion harvested on the Southern Ute Indian Reservation does not count toward annual bag limit.

# CHECK OPEN UNITS AFTER 5 P.M. DAILY: 1-888-940-LION (5466)

You must check **DAILY** to make sure the unit you want to hunt is open. Units close when harvest limits are reached. Call **1-888-940-LION (5466)**  after 5 p.m. the day before your hunting trip for a recording of closed units. If a unit is closed, you must pick a different unit to hunt.

# GENERAL INFORMATION

# WHAT YOU NEED TO HUNT LION

#### 1. YOU MUST HAVE A LION LICENSE

and carry it when hunting. Licenses are available for either the Nov. 20, 2017–March 31, 2018 or April 1–30, 2018 seasons. You must purchase a new license for the April season.

# 2. HUNTER EDUCATION:

#### REQUIREMENTS

- **a.** Anyone born on or after January 1, 1949, must have a hunter education card to hunt in Colorado.
- b. A hunter education card is needed to apply for or buy a license.
  c. Your hunter education card must be carried while hunting, unless verified and marked with a "V" on your license. ► To get your hunter education verified, take your hunter education card to a CPW office.
  d. CPW honors hunter education
- **d.** CPW honors hunter education cards from other states and provinces.

#### **EXEMPTIONS**

a. Individuals over age 50 or active duty US military and veterans can obtain a hunter education certificate by testing out\* of hunter education.
b. A one-time apprentice certificate\* can be obtained for hunters 10 years old (12 years old for mountain lion hunters) and who must be accompanied by a mentor.\*

\*Please see the CPW website for more information on hunter education exemptions or to find hunter education courses: cpw.state.co.us/ HunterEd

# 3. COMPLETE CPW'S CERTIFIED MOUNTAIN LION COURSE AND TEST.

The test is mandatory, including for those with the apprentice certificate. Materials and the official test are online at cpw.state.co.us/MountainLionExam. Enter your CID number when taking the official test. If you do not have a CID, contact a CPW office. Tests also can be taken at CPW Region and Area offices. Hunters must carry the certificate of completion while hunting, unless a "Lion — V" (for verified) is printed on the license.

**4. A HABITAT STAMP IS REQUIRED** for those ages 18–64 who buy or apply for hunting or fishing licenses, or preference points. Cost is \$10; one stamp is required per year. A lifetime stamp is \$300.25.

Hunter education and mountain lion education testing **may not be available**:

THE FIRST WEEK OF JAN., STARTING JAN. 2, 2018.

See the CPW website for updates about testing availability: **cpw.state.co.us** 

# **RESTRICTIONS**

#### CHILD SUPPORT DELINQUENCY

State law requires a Social Security number to buy a license. It is not displayed on the license but is provided, if requested, to Child Support Enforcement authorities.

Hunting and fishing licenses are not issued to people delinquent in child support. Also, any current licenses become invalid if held by an individual who is noncompliant with child support.

#### WEAPONS RESTRICTIONS

Colorado and federal laws prohibit people convicted of certain crimes, such as domestic violence, from possessing weapons even for hunting. If you've been convicted of a crime, check with the appropriate law enforcement authority to find out how the laws apply to you.

#### REMINDER

Hunters who purchased a mountain lion license for the April 1–30, 2017, season and did not harvest may still use the same license to hunt in the season that runs from Nov. 20, 2017—March 31, 2018. After March 31, 2018, you must purchase a new license that is valid April 1–30, 2018.

#### RESIDENCY REQUIREMENTS

Requirements to qualify as a Colorado resident to buy a hunting license:

- **1.** You must have lived continuously in Colorado at least six months immediately before applying for or buying a license and must intend to make Colorado home (except No. 3 and No. 4 below).
- 2. A valid Colorado driver's license or Colorado ID is proof of residency if issued at least six months prior to buying or applying for a license. If your ID or driver's license was issued or renewed less than six months prior, you must provide documentation that proves you have been a resident for the sixmonth period. Acceptable documents are listed here: cpw.state.co.us/ProofofResidency
- **3.** U.S. armed services personnel and military personnel of U.S. allies on active duty in Colorado under permanent orders and their dependents. This includes people who were Colorado residents when they entered the armed services and maintain Colorado as their home of record, and their dependents (unless they change their home of record to another state). Also included are personnel of the U.S. Diplomatic Service or diplomatic services of nations recognized by the U.S. assigned to duty here on perma-

- nent active duty orders, and their dependents. Active duty does not include reserve status, government contractors or National Guard.
- **4.** Full-time students enrolled and attending a Colorado college, university or trade school at least six months immediately before applying for or buying a license. This includes students who are temporarily absent from Colorado but still enrolled. Colorado residents who attend school full-time out of state and pay nonresident tuition still qualify for a resident license.
- **5.** Children under 18 have the same residency status as their parent, legal guardian or person with whom they live the majority of time per court order.
- **6.** If you have a home in Colorado and another state, call 303-297-1192 to make sure you comply with Colorado residency requirements before obtaining a hunting or fishing license.
- **7.** Except as in No. 3 and No. 4 above, you lose your Colorado residency if you apply for, buy or accept a hunting, fishing or trapping license as a resident of another state or country, register to vote outside of Colorado, or get a driver's license with an address in another state.

#### MINIMUM HUNTING AGE

Hunters must be at least 12 years old. Eleven-year-olds can buy a license if they will turn 12 before the end of the season. However, youths cannot hunt before their

12th birthday. Hunters 16 and younger must be accompanied by someone 18 or older who meets hunter education requirements: cpw.state.co.us/HunterEd

#### **EVIDENCE OF SEX**

- **1.IT IS ILLEGAL** to have or transport a mountain lion carcass without evidence of sex naturally attached. Evidence of sex means testicles or penis of male, or vulva of female.
- **2. EVIDENCE OF SEX** is not required when donation certificate accompanies less than 20 pounds of meat or after carcass is commercially processed, cut into portions, wrapped and frozen for storage, or stored at licensee's home.

#### INSPECTION & SEALS

Hunters must contact a CPW office within 48 hours of a lion kill and give their name, CID number, license number, date and unit of the kill and sex of the lion.

If you get voicemail, leave a message with the information.

Within five days of harvest, hunters must personally present their lion to a CPW office or officer for inspection and seal. Hides cannot be frozen.

Hunters can help by making sure the jaw is propped open with a stick before rigor sets in and by making sure the carcass is not frozen at time of inspection. Lions or parts cannot be taken out of Colorado unless inspected and sealed. Lion hides or heads without seals become state property.

A mandatory check report must be completed during inspection. Inspections and seals are free. Seals must stay attached until hide is tanned.

#### INTERNATIONAL TRANSPORT:

To transport a mountain lion or parts to a foreign country, you must first obtain CITES documents. Contact the U.S. Fish and Wildlife Service, 303-342-7430, or download the form at fws.gov/forms/3-200-28.pdf.

# **TOOTH INSPECTION**

At inspection, CPW officials are authorized to extract and keep a premolar tooth.

If the head and hide are frozen, the CPW may keep them long enough to thaw so that a tooth can be removed. The tooth will be analyzed to determine the lion's age.

Hunters can help by making sure the jaw is propped open with

a stick before rigor sets in and by making sure the carcass is not frozen at time of inspection.

The animal's age will be posted on the CPW website 4–5 months after lion season ends. Ages are posted by seal number, so hunters should record the number to check the age of their animal.

#### **DONATING WILDLIFE**

Donation certificates are required for all donations. Certificates must contain names, addresses and telephone numbers of donor and recipient; donor's hunting license number; species and amounts donated; date of kill; donor's signature. The certificate can be a simple note; no special form is required. Certificate must stay with the meat until the meat is completely consumed. Donor and recipient are subject to all bag and possession limits. NOTE: A "like license" is a license for exactly the same species, sex, season and method of take as a donor's license.

- **1.** You can donate to someone **WITH OR WITHOUT** a like license:
  - **a.** Any amount of processed and packaged game meat, anywhere.
- 2. You can donate to someone WITH-OUT a like license:

- **a.** up to 20 pounds of unprocessed meat, anywhere.
- **b.** more than 20 pounds of unprocessed meat, only at recipient's home.
- **3.** You can donate to someone **WITH** a like license:
  - **a.** up to 20 pounds of unprocessed meat, anywhere.
  - **b.** more than 20 pounds of unprocessed meat, anywhere, only if:
    - (1) recipient's license is unfilled.
    - (2) recipient's carcass tag is on the meat. This establishes recipient's claim to his/her portion of meat and voids his/ her license. Donor's tag must remain with his/her portion.
  - c. the entire carcass, if:
    - (1) recipient's license is unfilled, and
    - (2) both the donor's carcass tag and recipient's like-license carcass tag is on meat, voiding both.

# **HUNTING LAWS**

# **MOUNTAIN LION REGULATIONS**

- 1. Hunters who have licenses to hunt certain species can legally wear fluorescent pink clothing as an alternative to fluorescent orange garments. Lion hunters are not required to wear fluorescent orange or pink, but may wish to consider wearing it if concerned about visibility to other hunters.
- **2.** It is illegal to kill a kitten or lion accompanied by one or more kittens. A kitten is a lion with spots.
- Artificial light, electronic devices and electronic calls are illegal. Hand-held calls are permitted.
- 4. Bait is illegal.
- **5.** Dogs are permitted. No more than 8 dogs are allowed per pack.
- 6. Hunters must be present when dogs are released and must be an active participant until the hunt ends.

- 7. After a lion is pursued, treed, cornered or held at bay, you must kill or release the lion. It is illegal to prevent a lion from escaping so that someone not in your hunting party can kill it.
- **8.** All edible parts of lions must be properly prepared for human consumption, excluding internal organs.
- Upon harvest, the carcass tag must immediately be detached from the license and attached to the lion carcass, per instructions on tag.
- 10. Hunting with archery equipment, rifles, muzzleloaders, handguns or shotguns firing single slugs is prohibited within 50 feet on either side of the centerline of state highways and municipal or county roads.

For general Colorado hunting regulations, see cpw.state.co.us/regulations.

# **LEGAL METHODS OF TAKE**

- **1. CENTERFIRE RIFLES OR HANDGUNS:** Bullets must weigh a minimum of 45 grains and produce at least 400 foot-pounds of energy at muzzle.
- 2. MUZZLELOADING RIFLES & SMOOTHBORE MUSKETS: Minimum .40 caliber and must use a bullet at least 170 grains in weight.
- **3. SHOTGUNS:** Minimum 20 gauge. Must fire single slug.
- **4. HAND-HELD BOWS:** Long bow, recurved bow or compound bow on which the string is not drawn mechanically or held mechanically under tension. String or mechanical releases that are hand drawn or hand held without other attachments or connections to the bow (other than bowstring) are legal.
  - a. Hand-held bows, including compound bows, must use arrows equipped with a broadhead with an outside diameter or a minimum width of 7/8 of an inch, with a minimum of two steel cutting edges. Each cutting edge must be in the same plane for the entire length of the cutting surface.
  - **b.** Minimum draw weight of 35 pounds required. Let-off percentage maximum of 80 percent.
  - **c.** No part of bow's riser (handle) or track, trough, channel, arrow rest or other device (excluding cables and bowstring) that attaches to the riser

- can contact support and/or guide the arrow from a point rearward of the bow's brace height behind the undrawn string.
- d. Bows can propel only a single arrow at a time. No mechanisms for automatically loading arrows are permitted.
- e. Electric or battery-powered devices cannot be incorporated or attached to a bow, with the exception of lighted nocks on arrows and recording devices on bows that cast no light towards the target and do not aid in range finding, sighting or shooting the bow.
- **f.** Hydraulic or pneumatic technology cannot be used to derive or store energy to propel arrows. Explosive arrows are prohibited.

#### 5. CROSSBOWS:

- **a.** Draw weight: minimum 125 pounds. **b.** Draw length: minimum 14 inches
- **b.** Draw length: minimum 14 inches from front of the bow to nocking point of the drawstring.
- **c.** Positive mechanical safety device is required.
- **d.** Bolt must be a minimum 16 inches long, have a broadhead at least 7/8 inch wide and a minimum of two steel cutting edges. Each cutting edge must be in the same plane for the entire length of cutting surface.
- 6. METHODS NOT LISTED ARE PROHIBITED.

# **IDENTIFYING MALE & FEMALE LIONS**

Binoculars are recommended to determine the sex of treed or bayed lions. Sex also can be determined with the naked eye if you are close enough.

If a lion is in a tree and it's difficult to identify its sex, get it to move so you have a better view. Bang a branch on the tree trunk or throw a few snowballs or pine cones into branches near the lion.

Remember, it is illegal to kill a female with kittens present. The absence of kittens with a lion does not mean it is a male or an unbred adult female. Research has shown that young are close to their mothers about half the time.

MALES usually have three spots below the base of their tail. Just under their tail is the anal opening; about 1 inch below that is the scrotum, an oval-shaped patch of silver, light brown and white fur.

Beneath the scrotum is a small, conspicuous black spot (about 1 inch across) that surrounds the penis sheath opening.

**FEMALES** have only two spots below the base of their tail, including the anal opening hidden beneath the base of the tail and vaginal opening directly below the anus. The rest of the area behind the female's hind-quarters is covered with white fur.

Although colored spots help in identification, first and foremost, look for the darkest spot. If it is high and near the tail or is difficult to see, the lion is probably female.

Male mountain lion hindguarters

Female mountain lion hindquarters

If the dark patch is 4–5 inches beneath the tail, it is probably a male.

Because treed or bayed lions often urinate, look for the origin of the urine. If urine comes from behind the hind legs, about 4–5 inches below the anus, the lion is probably male. If the stream comes from under the base of the tail, there's a good chance the lion is female.

Tracks also can be good indicators of sex. Adult and large, sub-adult males usually have hind foot plantar (heel) pads more than 2 inches (51 mm) wide. Adult and sub-adult female lions usually have heel pads less than 2 inches wide. Hunters should carry a small ruler or wind-up metal tape to measure tracks.

### **AFTER HARVEST**

Once a mountain lion has been harvested, these steps will ensure proper reporting and inspection is completed. *See page 3 for more details.* 

- **1. REPORT** the lion harvest to a CPW office within 48 hours.
- 2. AFTER any field photos have been taken of the harvested lion, prop its jaw open with a stick in the mouth to help keep it open as rigor sets

in. This will help CPW agents with tooth extraction later.

3. PRESENT the lion to a CPW office within five days of harvesting for inspection and sealing. Heads and hides must be unfrozen. CPW may retain heads and hides until they thaw to extract a tooth. At this time, hunters must also fill out a report about the hunt.

#### LION MANAGEMENT & RESEARCH

Colorado Parks and Wildlife develops management plans for mountain lion populations in Colorado. The harvest limits are determined annually to ensure that lion mortality objectives are not exceeded.

#### CONSERVING COLORADO'S MOUNTAIN LIONS

Mountain lion populations are very sensitive to female deaths. A large number of female deaths can shift a population from increasing to decreasing numbers.

Females don't disperse far, and some don't disperse at all. If too many adult females are harvested, it can take longer for lions to reoccupy an area. Therefore, harvesting too

many females can have far-reaching implications for Colorado's lion population.

Wildlife managers use the amount and proportion of female harvest when setting annual harvest limits. Hunter harvest and total mortality are examined on a consecutive 5-year average in each unit. If the female harvest and mortality are too high in an area with a goal of maintaining a stable or increasing population, harvest limits may be lowered.

CPW officials ask hunters to refrain voluntarily from killing females in units managed to maintain stable populations.

# APRIL SEASON

# **HUNTING LION IN APRIL**

The April mountain lion season is in addition to the regular season that runs from November through March. The April season runs every year from April 1-30.

There are separate harvest limits and game management units open for the April hunt. Please see the table on page 11.

#### ► APRIL SEASON RULES APPLY:

Hunters must obtain a new mountain lion hunting license for the April 2018 season. A license from the previous season is not valid.

A hunter may only harvest one lion from April 1, 2018–March 31, 2019. It may be harvested in the season that runs from April 1–30, 2018, or the regular season that runs from Nov. 19, 2018-March 31, 2019.

#### ► BUY THE RIGHT LICENSE:

April season licenses are available starting on March 14, 2018 at CPW locations, at license agents, by phone and online at cpw.state.co.us/licenses.

#### MAKE SURE YOU BUY THE CORRECT LICENSE!

There are also licenses available at this time for other seasons, so you must specify to the sales agent that you would like a

license to hunt during the April 1–30, 2018 season.

#### ► BEFORE HUNTING:

Call 1-888-940-LION (5466) after 5 p.m. the day before the hunt to check open units, just as during the regular lion season. Units open to lion hunting will close as soon as the harvest limit for that unit is met. Harvest limit numbers are available in the table on page 11.

#### ► AFTER HUNTING:

Report your lion harvest to a CPW office within 48 hours and check the lion for inspection and seal within five (5) days.

# **LICENSE & UNIT LIMITS**

These harvest limits are for April 1–30, 2018 only. Harvest limits are the total number of lions that can be harvested in a unit. Units not listed in the tables below are not open to lion hunting in April.

# **MILLION SPORTFISH**

are hatched and stocked into Colorado waters annually. CPW's 19 state fish hatcheries and rearing units keep them healthy and plentiful.

# **BENEFITING WILDLIFF HABITAT**

The funds provided by the Colorado Habitat Stamp are required by state statute to only be spent on wildlife habitat and access. CPW works with private landowners, local governments and conservation organizations to provide places for people to enjoy our wildlife heritage.

The dollars from your licenses are federally mandated to be spent on fish and wildlife management. This means your dollars are spent directly supporting what you love.

# TAKE THE MOUNTAIN LION TEST

In the old days, mountain lions were regarded as unwelcome pests, with bounties of up to \$50 offered for each one that was taken. Mountain lions were designated a big-game species in Colorado in 1965, and are now afforded the protections given to other Colorado wildlife.

Answer this and more in the required mountain lion hunter test online:

# SAFE HANDLING OF GAME MEAT

- **1.** Don't handle animals that are sick or found dead. Report them to a CPW office.
- 2. Keep game cool, clean, dry.
- 3. Do not eat, drink or smoke while dressing game.
- 4. Use disposable gloves when cleaning game.
- 5. Wash your hands after dressing game.
- 6. Clean all tools and surfaces immediately afterward.
- 7. Cook meat to an internal temperature of at least 165°F.
- 8. Do not eat raw wild game.

# REPORT POACHERS

OPERATION GAME THIEF: 1-877-265-6648 EMAIL: GAME.THIEF@STATE.CO.US
