4. If you lose or destroy your license, a duplicate is available before the season opens from a license agent for a fee. After the season begins, you can get a duplicate only at DOW offices.
5. Licenses expire on the date stated on them.

HUNTER EDUCATION (SAFETY)

Hunters born on or after Jan. 1, 1949, must have **completed** an approved hunter education course or bowhunter education course (for archery licenses only) sanctioned by a state or province before applying for or purchasing a license. Colorado honors hunter education courses from other states and provinces. You must present an original hunter safety card when buying a license. You must carry your hunter education card when hunting unless "Verified" is printed by the DOW on your license.

HABITAT STAMP REQUIREMENTS

For License Buyers: A Colorado Wildlife Habitat Stamp is required of people ages 19-64 who buy hunting or fishing licenses. With a license purchase, the stamp is \$5 and required with each of the first 2 licenses bought in a calendar year (\$10 total). The stamp also allows access to state wildlife areas or state trust lands leased by the DOW.

For Wildlife and Outdoor Enthusiasts: A Colorado Wildlife Habitat Stamp is required of people ages 19-64 who access a state wildlife area or state trust land leased by the DOW, such as non-hunting members of your party, wildlife viewers or hikers. This stamp costs \$10.25 (25-cent search and rescue fee).

Lifetime Stamp: Anyone can buy a lifetime stamp for \$200. This stamp satisfies either of the above requirements.

New for 2007: Licenses will **NOT** be mailed until you meet your annual Colorado Habitat Stamp requirement. To avoid delays in receiving your license, you can buy your stamp early by going online, by calling 1-800-244-5613 or by sending \$5 with each of your license applications.

Proceeds support habitat preservation for wildlife.

RESIDENCY QUALIFICATIONS

These are the requirements to qualify as a Colorado resident to buy a hunting license:

1. You must have lived continuously in Colorado at least six months immediately before applying for or buying a license, and must intend to make Colorado home (except #2 and 3 below). The residence address given to purchase or apply for a license must be the same address used on your Colorado income tax return.
2. U.S. armed services personnel and military personnel of U.S. allies on active duty in Colorado under permanent orders and their dependents. This includes people who were Colorado residents when they entered the armed services and keep Colorado as their home of record, and their dependents (with Colorado as their home of record). Also included are personnel of the U.S. Diplomatic Service or diplomatic services of nations recognized by the U.S. assigned here on permanent active duty orders and their dependents. Active duty does not include reserve status or National Guard.
3. Full-time students enrolled and attending an accredited Colorado college, university or trade school at least six months immediately before applying for or buying a license. This includes students who are temporarily absent from Colorado but still enrolled. Colorado residents who attend school full time out of state and pay nonresident tuition still qualify for a resident license.
4. Children under 18 have the same residency status as their parent, legal guardian or person with whom they live the majority of the time per court order.
5. If you have a home in Colorado and another state, call (303) 297-1192 to make sure you comply with Colorado residency requirements before obtaining a hunting or fishing license.
6. Except as in #2 and 3 above, you lose your Colorado residency if you apply for, buy or accept a hunting, fishing or trapping license as a resident of another state or country; register to vote outside Colorado or get a driver's license with an address in another state.

YOUTH BIG GAME LICENSES

NEW FOR 2007: The youth license program has expanded to include 16 and 17 year olds. Youths must be at least 12 and meet hunter education requirements. An 11 year old can buy or apply for a license if he/she turns 12 before the end of hunting season on the license. However, youths cannot hunt with the license until

they turn 12. License fees are reduced for deer, elk and pronghorn licenses for youths, ages 12-17. Hunters under 16 must be accompanied by a mentor, 18 or older, who must meet hunter education requirements. Mentors don't have to hunt. Youths and mentors must be able to see and hear each other while hunting. Youths cannot apply for a reduced-cost license in the limited license drawing if they turn 18 on or before Feb. 15 this year. Youths must be 12-17 to buy a reduced-cost unlimited or leftover license.

YOUTH PREFERENCE

1. Up to 15 percent of limited doe pronghorn, doe and either-sex deer, and cow elk licenses for each unit during regular rifle and private-land-only rifle seasons (except late rifle, muzzleloading, Ranching For Wildlife and Air Force Academy) are available for youths. Youths must be 12-17 and meet hunter education requirements. These licenses are available through the limited license drawing. Licenses not drawn by youths are available to the public.
2. Group applications are not accepted. If you enter more than 1 hunt code on your application, all hunt codes must be eligible for youth preferences as in #1 above.

LATE YOUTH ELK HUNTS

Colorado offers youths, 12-17, an opportunity to keep hunting if they don't harvest an elk before their elk season ends. This option is available to youths with unfilled cow or either-sex elk licenses. Youths with unfilled bull elk licenses are not eligible. Here's how the program works:

1. The elk season for which the original license was issued must have ended. Youths can go to the elk unit tables in this brochure and pick from any antlerless only (cow) elk season that's still open after the fourth regular rifle season ends, including private-land-only licenses. Ranching For Wildlife Licenses are excluded.
2. Youths must follow the rules that apply for the specific hunt code they select, including season dates and geographic restrictions. For example, if the unit tables indicate that a hunt is valid on private land only, youths can hunt only on private land. If the unit tables don't state "private land only," the license is valid on public and private land. Permission is required before hunting on private land.
3. Youths with unfilled either-sex elk licenses must go to a DOW office and get their license converted to a cow license before continuing to hunt in one of these late seasons.
4. A mentor must accompany youths under 16. See "Youth Big Game Licenses" for mentor requirements.
5. Mentors can hunt with a youth only if their license is valid for the same unit, dates and geographic restrictions as the youth plans to hunt.
6. Youths who obtained their original license at age 17 and later turn 18 can participate in these late seasons. Youth hunting rules apply.

YOUTH OUTREACH LICENSES

NEW FOR 2007: The DOW may offer additional deer, elk and pronghorn licenses to qualified organizations that sponsor youth hunting activities. Youth Outreach licenses are available in select units for hunters age 12-17. A max. of 100 elk licenses (30 either sex, 70 cow); 50 deer (20 either sex, 30 doe) and 60 doe pronghorn will be issued annually. Licenses are issued first come, first served. Max. of 5 licenses per species allowed per organization. These licenses are not offered in units with at least 1 hunt code requiring 10 or more resident preference points to draw (excluding Ranching For Wildlife). Submit requests to DOW, Hunter Outreach Coordinator, 6060 Broadway, Denver, 80216. Requests must be submitted at least 60 days before the hunt.

RANCHING FOR WILDLIFE

Public RFW licenses are available only to Colorado residents by drawing. Licenses are valid only for the season and ranch specified. RFW landowners must provide free access to hunters who draw a public license for their ranch. By applying for a RFW license, hunters allow the DOW to provide applicant information to the ranch. Hunting rules differ for each ranch. Read ranch rules before applying on our website.

LANDOWNER PREFERENCE

Up to 15 percent of deer, elk and pronghorn licenses in units with totally limited licenses are allocated for people who own at least 160 contiguous acres of agricultural land. Landowner preference is available only in units with limited licenses in all rifle seasons. Landowner preference quotas are allocated by species, sex and season. The 15 percent is for regular and priority landowner applicants. Priority registered applicants have priority over other applicants in the drawing.

PRIORITY LANDOWNER REGISTRATION

Deadline to register properties is the second Friday in January annually. To register for the 2008 season, contact a DOW office. Registered landowners have priority over other landowner applicants. Up to 6 deer, elk or pronghorn license applications are available for landowners as an incentive to provide wildlife habitat. Number of applications per landowner depends on acres owned. Landowner applications are drawn before the DOW's regular drawing for limited licenses.

Successful landowners receive vouchers to give eligible hunters of their choice. Vouchers must be redeemed at license agents or DOW offices before hunting. Unsuccessful landowners receive preference in next year's drawing. Hunters redeeming vouchers are subject to regular bag limits. Redeeming vouchers grants permission to hunt on the land for which the voucher was issued. The DOW has a landowner pilot program for pronghorn hunting east of I-25 and elk in units 1 and 10. Call (303) 291-7380 for information.

LANDOWNER PILOT PUBLIC LICENSES

The landowner pilot program offers public hunters more opportunities for elk hunting in units 1 and 10. These hunts are designated in the unit tables by Y2, Y3 and Y4 hunt codes. These licenses are valid in the entire unit, as well as on private properties registered in the pilot program. If you apply for and draw one of these licenses, you will receive a letter from the DOW with a list of participating landowners and other details.

DREAM HUNT LICENSES

NEW FOR 2007: The DOW may offer deer, elk, pronghorn, mountain lion and bear licenses to hunters ages 12-21 with a terminal illness or life-threatening disease or injury. Licenses will be issued only for the dates and unit where a season is open for the specific species requested. These licenses are not offered in units with at least 1 hunt code requiring 10 or more resident preference points to draw (excluding Ranching For Wildlife). If hunting on private land, hunters must obtain written permission from the landowner before a Dream Hunt license is issued. Requests for Dream Hunt licenses must be made in writing by a sponsoring organization. Requests must document the hunter's life-threatening or terminal condition, hunting experience, logistical considerations, the hunt location and dates. Submit requests to DOW, Hunter Outreach Coordinator, 6060 Broadway, Denver, 80216.

HUNTERS WITH DISABILITIES

Special permits are available to qualified disabled hunters, including for method of take accommodations. To qualify:

1. Hunters must have a temporary or permanent disability that significantly impairs major life functions and their ability to hunt. Shooting from a public road is not allowed. All wildlife laws must be observed.
2. Permits from other states are not honored here. Hunters must have an accommodation permit from Colorado.
3. Hunters must apply for a permit at least 30 days before hunting. Permits and applications are free from DOW offices and on our website. Hunters are encouraged to get the permit before applying for a limited license.

MOBILITY-IMPAIRED LICENSES

1. The DOW offers some doe deer, cow elk and doe pronghorn licenses to mobility-impaired hunters. Hunters must have a mobility impairment resulting from permanent medical conditions, making it physically impossible to hunt without someone else's help. Evidence includes, but not limited to, prescribed equipment such as a wheelchair, shoulder or arm crutches, walker or two canes.
2. Applications are available at DOW offices and must be mailed with license fees to: DOW, Limited Licenses, 6060 Broadway, Denver, 80216. Applications accepted from the Monday after the Wildlife Commission meeting in May through the end of rifle seasons. Licenses are first come, first served until unit and program caps are reached.

PREFERENCE POINTS

1. One preference point is awarded if you apply properly for deer, elk, pronghorn, bear or moose as your first choice and are unsuccessful in drawing a license, or if you apply properly for a preference-point hunt code as your first choice. See "Preference Point Hunt Code." If you make any error on your application, including on first-choice hunt codes, you will not get a point.
2. Unsuccessful applicants and people who apply for a preference point for deer, elk, pronghorn or bear will be assessed a \$25 fee per species unless they have purchased 1 of the following: (The fee is waived for youths, lifetime license holders and Colorado residents who are in the military on active duty outside Colorado.)
 - a. An annual fishing, small game, resident combination small game and fishing, or furbearer license during the previous year.
 - b. A big game license in the previous year or a current drawing license for the same species for which they are seeking a point.
3. Preference points are awarded for specific species. For example, points earned for elk are applied only for elk. Points are not awarded by hunt codes or method of take. No one else can use your points.
4. Priority goes to whoever has the most points, except when the license quota or nonresident cap would be exceeded.
5. Group applications receive priority according to the member with the fewest points except when there are not enough licenses for everyone in the group.
6. Second-, third- and fourth-choice hunt codes do not generate or use preference points.
7. If unsuccessful for your first choice, you will be notified of accumulated points on your refund stub, leftover drawing application or your other-choice license.
8. Preference points accumulate until you draw a first-choice license. If you don't apply at least once within 3 consecutive

for a deer, elk, pronghorn or bear license, you will lose your points for that species. Applying for preference points keeps your file active. **NEW FOR 2007:** Purging begins after the 2007 drawing.

9. You can accumulate a max. of 3 points for moose. If you have 3 preference points for moose and fail to draw a first-choice license, you will receive weighted preference in future drawings. Weighted preference increases the probability of drawing a license. If you draw a license or don't apply at least once during 5 years, all accumulated points (weighted or otherwise) become void. **NEW FOR 2007:** Purging begins after the 2007 drawing.

10. Youths can apply for a preference point if they turn 12 by Dec. 31 of the application year.

11. **NEW FOR 2007:** Active duty U.S. military stationed in Colorado but deployed outside Colorado are eligible, when they return here, to apply for a preference point for any limited license offered in this year's drawing.

PREFERENCE POINT HUNT CODE

You can apply for a preference point without losing points you already have. A special hunt code is provided in the hunt code sections for each species. Entering the preference point hunt code as a first choice on your application automatically awards you a point. You also can apply for a license as your second, third or fourth choice. You must pay the full cost of a license and meet all license requirements even if you are applying only for a point. If you apply for a point only, your money, minus the \$3 application fee, is refunded. Another \$25 may be deducted if you don't meet the criteria under "Preference Points #2."

2007 BAG LIMITS

1. **Limited licenses:** You can submit only 1 application in the drawing per species, per year. **No exceptions.**

2. **Bag limits, license purchases:** The bag and possession limit is the total number of animals you can legally obtain for each species. Big game killed during January and February seasons set as part of the previous calendar year's seasons fall under that year's bag and possession limit.

3. **Moose:** The lifetime bag limit for antlered moose is 1, except for auction, raffle or special management licenses.

SEASON PARTICIPATION RESTRICTIONS

Bear

1. You cannot hunt bear with an over-the-counter bear license during any regular rifle deer or elk season west of I-25 or in units 133, 134, 136, 140, 141, 142, 143 and 147 unless you also have a deer or elk license for the same unit, season and method of take. If your deer or elk license is restricted to private land, so is the bear license. These restrictions do not apply for hunters with archery or muzzleloading bear licenses.

2. You only can hunt bears with an over-the-counter bear license during one bear season. If your deer or elk season dates overlap more than one bear season, you must pick one bear season when you buy your license.

3. **Reminder:** Hunters with unfilled limited rifle bear licenses can no longer continue hunting bears during a regular rifle deer or elk season.

Coyotes

1. You can hunt coyotes without a small game license during big game seasons if you have an unfilled big game license. But, you can hunt coyotes only in the same unit, season and manner of take as stated on the big game license. Once you fill your big game license, you must buy a small game or furbearer license to hunt coyotes. Harvesting a coyote does not void your big game license.

LICENSE ALLOCATIONS

Nonresident allocations are determined by the average number of preference points a Colorado resident needed to draw a specific license over a 3-year period that ended with the 2005 limited license drawing.

1. For hunt codes that required a minimum of 5 or more preference points for a Colorado resident to draw an elk or deer license, 80 percent of the licenses are allocated to residents and up to 20 percent to nonresidents. These hunts are shown in unit tables by a "+" under "Permitted Bag."
2. For hunt codes where the minimum was fewer than 5 preference points for a Colorado resident to draw an elk or deer license, 65 percent of licenses are allocated to residents and up to 35 to nonresidents.
3. Nonresident allocations may increase if licenses remain after drawing all first-choice applications from Colorado residents.
4. License allocations do not apply to private-land-only and Ranching For Wildlife licenses.
5. Mixed-group applications of residents and nonresidents count against the nonresident allocation.

GROUP APPLICATIONS

1. Any number of people can apply as a group for deer, elk, bear and pronghorn. Group applications are not allowed for moose. Members must apply for the same species, unit and season for each of their choices. If there are discrepancies, the leader's hunt code will be used. Groups are assigned a number, and if their number is selected in the drawing, everyone in the group gets a license. This won't happen if there aren't enough licenses for everyone in the group or if the group includes resident and nonresident applicants and the nonresident cap has been met.
2. To apply as a group, 1 person must be the leader. Members must fill out their applications using the leader's CID number. See "Filling Out Applications."
3. If everyone in the group is successful for their first choice, they all get a license and the number of preference points needed to draw are deducted from each person's file. If unsuccessful for their first choice, everyone gets a point. Licenses, refunds and notifications are sent to each person.
4. If anyone in the group makes an application error or doesn't pay the correct amount, everyone is disqualified and won't get a preference point.

Reward licenses do not count toward annual bag and possession limits. Applications and more information about TIPs are available from the DOW.

HUNTING HOURS

One-half hour before sunrise to one half-hour after sunset, unless specifically restricted. See sunrise and sunset chart elsewhere in this brochure.

IT'S AGAINST THE LAW TO:

- Have a loaded (in the chamber) rifle or shotgun in or on a motor vehicle, including a motorcycle. Muzzleloading rifles are considered unloaded if the

percussion cap or shotshell primer is removed, or if powder is removed from the flashpan.

2. Carry firearms (except handguns) on an OHV during deer, elk, pronghorn and bear seasons unless they are unloaded in the chamber and magazine. Firearms (except handguns) and bows carried on an OHV must be fully enclosed in a hard or soft case. Scabbards or cases with open ends or sides prohibited. This does not apply to landowners or their agents who carry a firearm on an OHV to take depredated wildlife on property they own or lease.
3. Hunt carelessly, or discharge a firearm or release an arrow disregarding human life or property.
4. Operate or ride a snowmobile with a firearm unless it's completely unloaded and cased, or with a bow unless it's unstrung or cased. Compound bows must be cased, not unstrung.
5. Shoot from or use a motor vehicle, motorcycle, off-highway vehicle, snowmobile or aircraft to hunt, intercept, chase, harass or drive wildlife.
6. Use aircraft to hunt, to direct hunters on the ground or to hunt the same day or day after a flight was made to find wildlife.
7. Hunt under the influence of alcohol or controlled substances.
8. Use any artificial light as an aid in hunting or taking wildlife.
9. Use dogs or bait to hunt bears, deer, elk, pronghorn or moose. Bait means to put, expose, deposit, distribute or scatter salt, minerals, grain, animal parts or other food as a lure, attraction or enticement for big game. Scent sticks that smell like food are illegal for bears.
10. Use poison, drugs or explosives to hunt or harass wildlife.
11. Fail to extinguish a campfire.
12. Fail to make a reasonable attempt to track and kill animals you wound or may have wounded. It also is against the law to pursue wounded wildlife that goes on private property without first obtaining permission from the landowner or person in charge of the property.
13. Not wear at least 500 square inches of solid **DAYLIGHT FLUORESCENT ORANGE** material in an outer garment above the waist while hunting deer, elk, pronghorn, bear or moose during a firearm season. We strongly recommend wearing daylight fluorescent orange clothes in the field even if you're not hunting.
14. Fail to prepare edible wildlife meat for human consumption. At a minimum, the four quarters, tenderloins and backstraps are edible meat. Internal organs are not considered edible.
15. Shoot from, across or on a public road with a firearm, bow or crossbow. People firing a bow, rifle, handgun or shotgun with a single slug must be at least 50 feet from the centerline of the road.

17. Interfere with hunters, including alarming or distracting prey; causing prey to flee by light or noise; chasing prey by foot or vehicle; throwing objects; making movement; threatening hunters; erecting barriers to deny access to hunting areas and intentionally injecting yourself into the line of fire. AFTER YOU HARVEST AN ANIMAL

CARCASS TAGS

You must attach a carcass tag to big game you kill. The tag must stay on the meat until processed. Instructions are on the carcass tag. It is illegal to sign or tear off the carcass tag before a kill. If you lose, accidentally destroy or inadvertently detach the tag, you must get a duplicate from the DOW before hunting. You must prove the loss, detachment or destruction was accidental. Do not remove any other part of a license except the carcass tag after a kill. Doing so will void your license and you must buy a duplicate. For information on CWD testing tags, see "Submitting Animals for Testing."

EVIDENCE OF SEX, ANTLER POINTS

1. It is illegal to have or transport a big game carcass without evidence of sex *naturally attached*. It is illegal just to have evidence of sex accompanying the carcass. If you plan to submit a deer or elk head for CWD testing, be sure to leave evidence of sex on the carcass.
2. Evidence of sex is:
 - a. **Buck/Bull:** Head, with antlers or horns, attached to carcass, or testicle, scrotum or penis attached to carcass.
 - b. **Doe/Cow:** Head, udder (mammary) or vulva attached to carcass.
 - c. **Black Bear:** Male: testicles or penis. Female: vulva.
3. Heads detached from carcass are not adequate evidence of sex.
4. If a carcass is cut in pieces or deboned, evidence of sex only needs to be attached to 1/4 or another major part of carcass. All portions must be transported together.
5. Evidence of sex is not required when a donation certificate accompanies less than 20 lbs. of meat or after the carcass is cut into processed meat (commercially or otherwise), wrapped and frozen, or stored at licensee's home.
6. Elk antler-point compliance:
 - a. If you leave the head with its antlers at a taxidermist, you must get a receipt from the taxidermist, showing the date delivered and description of antlers before you take the carcass home or to a commercial processor.
 - b. The head or skull plate, with both antlers naturally attached, must accompany the carcass of bulls while in camp or being transported, even when the scrotum or testicles are used to meet evidence of sex requirements. (Except as in "a" above.)

TRANSPORTING GAME

1. You can be liable for illegally transporting game animals even if someone else made an error. When you transport carcasses or processed meat:
 - a. Carcasses must be properly tagged. You must comply with evidence of sex and antler-point requirements. Hunters must keep their own license.
 - b. Carcass tags or donation certificates must accompany processed game meat.
2. Carcass tags must be securely attached to carcass, not antlers, or must accompany processed meat.
3. To ship by commercial carrier, the license, photocopy of license, carcass tag or donation certificate must accompany carcass or processed meat.

DONATING GAME MEAT

1. Donation certificates are required for all donations of game meat. Certificates must contain names, addresses and telephone numbers of donor and recipient; donor's hunting license number; species and amounts donated; date of kill; donor's signature. The certificate can be a simple note; no special form is required. Certificate must stay with the meat until completely consumed.
2. A "like license" is a license for exactly the same species, sex, season and method of take as a donor's license.
3. Donor and recipient are subject to all bag and possession limits.
4. Any amount of processed and packaged game meat can be donated to anyone, anywhere.
5. You can donate to someone without a "like license":

anyone, anywhere.

5. You can donate to someone without a "like license":

- a. up to 20 lbs. of unprocessed meat, anywhere.
- b. more than 20 lbs. of unprocessed meat, only at recipient's home.

6. You can donate to someone with a "like license":

- a. up to 20 lbs. of unprocessed meat, anywhere.
- b. more than 20 lbs. of unprocessed meat, anywhere, only if:

(1) recipient's license is unfilled, and

(2) recipient's carcass tag is on the meat. This establishes recipient's claim to his/her portion of meat and voids his/her license. Donor's tag must remain with his/her portion.

(3) If the entire carcass is donated, donor's carcass tag and recipient's "like license" must be attached to carcass.

BEARS - INSPECTION AND SEALS

You must personally present bears to the DOW for inspection and sealing within 5 working days after the kill. Bear hides must be unfrozen during inspection. A check report must be completed at inspection. No fee is required. Seals must stay attached to the hide until tanned. Bears cannot be taken out of Colorado until hide and skull are inspected and sealed. Possessing a bear hide without a seal after the 5-day period is illegal, and the hide becomes state property. Contact the nearest DOW office or officer for inspection and sealing. To transport a bear or its parts to a foreign country, you must first obtain CITES documents. Contact the U.S. Fish & Wildlife Service, (303) 342-7430.

MANDATORY REPORT: MOOSE

All moose hunters (successful or not) must return a completed questionnaire 30 days after the season ends, or they are ineligible for future moose licenses. Moose also must be submitted for CWD testing.

ACCIDENTAL KILL

Accidental kill is unintentionally killing wildlife not due to carelessness or negligence. You must report to the DOW big game accidentally killed before continuing to hunt and as soon as practical. Before contacting the DOW, field dress the animal immediately to avoid spoiling meat. The DOW evaluates the circumstances, including shots fired, species and number of animals present, firearms or ammunition, etc. Big game accidentally killed does not count toward annual bag limits.

EAR TAGS, RADIO COLLARS

If you shoot big game having a collar or ear tag, report the number, color, harvest location and date to the DOW and return radio collars.

HARVEST SURVEYS

Hunters may be asked to participate in a harvest survey via telephone. Surveys assist in setting hunting seasons. Note units and days you hunt.

CHRONIC WASTING DISEASE

Chronic wasting disease (CWD) affects deer, elk, and moose. It occurs in free-ranging deer, elk and moose in parts of Colorado, as well as several other states and provinces. Infected animals show no apparent signs of illness throughout much of the disease course. In terminal stages of CWD, animals appear emaciated and often display abnormal behavior. In Colorado, distribution and prevalence of CWD vary. Infection rates appear higher in males with older animals, especially males, more likely to be infected. As a result of testing deer, elk and moose that appeared sick ("suspects") or were killed by hunters or vehicles, CWD was detected in units 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 17, 18, 19, 20, 22, 23, 24, 25, 27, 28, 29, 36, 37, 38, 51, 59, 84, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 102, 109, 161, 171, 181, 191, 211, 214, 231, 301, 391, 421, 441, 461, 521, 591, 951. These units are highlighted on the map in this brochure. Surveillance summaries are posted on our website. You also can call (303) 297-1192 for information.

SIMPLE PRECAUTIONS ADVISED

CWD is not likely transmissible to humans, according to state and federal health experts. However, the Colorado Department of Public Health and Environment and the Division of Wildlife advise hunters to take simple precautions when handling carcasses of deer, elk and moose killed in units where the disease has been detected. Do not shoot, handle or consume animals that appear sick. Wear rubber gloves when field dressing and processing animals. Minimize handling brain, spinal and lymphatic tissues. Wash your hands and instruments thoroughly after field dressing. Bone out meat from your animal (following evidence of sex and antler-point regulations). Avoid eating brain, spinal cord, eyes, spleen, pancreas, tonsils and lymph nodes. Do not eat meat from CWD positive animals.

CWD TESTING

1. CWD testing for deer and elk is voluntary and available statewide. The test costs at least \$15-\$25 per animal when submitted through the DOW. See CWD page on our website in early August for costs and other details. Test costs may be waived at DOW submission sites in seasons or units where more samples are needed. Carcass transportation rules are in effect for deer and elk in some units, including where heads are taken for testing. See "Carcass Transport Restrictions."
2. CWD testing is mandatory for moose to provide more data on CWD in this species. Hunters must submit moose heads for testing within 5 days of harvest at a submission site. Testing is free. Hunters must provide harvest information when heads are submitted.

PREPARING ANIMALS FOR TESTING

Avoid shooting an animal in the head or neck because it may destroy tissues needed for testing. Lymph nodes in the upper throat or under the jaw are used for testing. Hunters may want to learn to collect samples themselves. If you remove the head, leave 1-2 inches below where neck joins the skull (just below first vertebrae). Whole brains or other brain pieces are not accepted. Keep heads cold but not frozen. Do not submerge heads in water. Submit heads as soon as possible, no more than 5 days after harvest. Hunters can remove antlers before submitting heads. However, animals from units with antler-point restrictions must comply with regulations.

SUBMITTING ANIMALS FOR TESTING

You can take heads or tissue samples to a DOW submission site or a participating veterinarian. You also must bring or send the testing tag provided with the license, or your license so that DOW can scan the bar code and obtain your address and phone number. You will be asked for kill site coordinates or to show it on a map at the submission site, along with the unit and date of harvest. If someone else submits your animal, he/she should bring the head testing tag, but you should keep your license. Submitters should bring the same information required of you. See CWD page on our website in early August for submission sites, hours and other details.

TEST RESULTS

All samples are sent to Colorado State University's Veterinary Diagnostic Laboratory. Testing is for CWD screening only and does not assure the absolute safety of meat for human consumption. Testing accuracy and sensitivity vary, depending on sample quality. Overall, the test has been more than 98 percent accurate. However, no test can assure complete accuracy, and "not detected" results don't exclude the possibility of early stage CWD. Test results are provided by automated phone system, 1-800-434-0274, on our website or by calling (303) 297-1192. Tests are completed as soon as possible. The goal is to provide results within 10-15 working days, subject to volume and laboratory backlog.

Suspected positive results are confirmed by a second test, which takes 7-10 more working days. Because moose samples are tested differently than deer and elk, their initial results may not be available for 15-20 working days or more. In addition, hunters whose animals test positive are contacted by the DOW. If you don't get test results more than three weeks (15 working days) after submission, call a DOW office.

LICENSE FEE AND OTHER REFUNDS

Hunters whose deer or elk test positive are eligible for either a license fee refund, an antlerless license for the same species in a remaining season, or an antlerless license for the original unit and species during a season next year. Moose hunters whose animals test positive can get a license fee refund or a cow moose license for the same unit, valid during the 2007 season. If your original moose license was for a season that closed before Oct. 31, the replacement license will be valid until Oct. 31. Test costs (when paid) also are refunded. Reasonable commercial game processing fees and private game processing supplies, such as wrapping bags and paper, are reimbursed. Valid receipts required.

CARCASS TRANSPORT RESTRICTIONS

To transport deer and elk, as well as carcass parts, killed in units 7, 8, 9, 19, 191, 20, 29, 38, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96 and 951, hunters must follow these restrictions. Only these carcass parts can be removed from the units:

1. Cut and wrapped meat, commercially or privately.
2. Quarters or other parts of meat without part of spinal column or head attached.
3. Boned-out meat.
4. Hides without heads attached.
5. Clean (no meat or tissue) skull plates with antlers attached.
6. Antlers without meat or tissue.
7. Upper canine teeth, also known as buglers, whistlers or ivories.
8. Finished taxidermied heads.

Hunters who kill deer, elk or moose in other CWD units are encouraged to follow these restrictions voluntarily or to bag and properly dispose of carcass remains by incinerating or burying. Nonresident hunters should check with their home wildlife agency to see if carcass restrictions apply before taking deer, elk or moose carcasses from Colorado.

OTHER INFORMATION

OFF-HIGHWAY VEHICLE REGISTRATION

OHV owners must have a Colorado OHV registration, valid registration or license from another state, or a Colorado nonresident OHV permit. Out-of-state registrations are valid here for 30 days, after which a Colorado nonresident OHV permit is required. Contact State Parks Registration Unit, 13787 S. Hwy. 85, Littleton, CO 80125, (303) 791-1920.

HUNTERS BRINGING/USING HORSES

You must contact a veterinarian to get a Certificate of Health Inspection within 30 days before horses enter Colorado. Horses also need a Coggins Blood Test for equine infectious anemia within a year before coming here. Call Colorado State Veterinarian's office, (303) 239-4161. Residents: Horses may require brand inspection before transportation. Call brand inspector, (303) 294-0895.

CERTIFIED HAY

Hay, straw and mulch are illegal on federal land and DOW property unless certified free of noxious weeds. Hay must be clearly marked by certifying agency. People who transport these materials on public roads crossing DOW properties are exempt. For a list of Colorado weed-free forage, go to www.ag.state.co.us/DPI/WeedFreeForage/weedfree.html; or contact Colorado Dept. of Agriculture, (303) 239-4149; Forest Service or BLM.

CHILD SUPPORT DELINQUENCY

State law requires Social Security numbers to buy all licenses. It is not displayed on the license but is provided, if requested, to Child Support Enforcement authorities. Hunting and fishing licenses are not issued to people delinquent in child support.

WEAPONS RESTRICTIONS

Colorado and federal laws prohibit people convicted of certain crimes, such as domestic violence, from possessing weapons, even for hunting. Check with the appropriate law enforcement authority on how the laws apply to you.

BUCKSKIN NETWORK

Many Colorado radio stations transmit emergency notices for hunters during big game seasons, at approx. 6 a.m., noon and 8 p.m. The Colorado State Patrol, (970) 824-6501, handles messages, which air until the hunter or family cancels. Citizen Band radio operators in Colorado also handle emergency messages for hunters.

GUIDES AND OUTFITTERS

Guides and outfitters must be registered, bonded and insured in Colorado. They also need permits to operate on public land and must register with Office of Outfitter Registration, 1560 Broadway, Suite 1340, Denver, CO 80202, (303) 894-7778; www.dora.state.co.us/outfitters. If your outfitter is arrested for operating illegally, your hunt can be cancelled and your game confiscated. Verify your outfitter's registration by contacting the above office or the Colorado Outfitters Association, www.coloradooutfitters.org.

FILLING OUT APPLICATIONS

WORRIED ABOUT MAKING A MISTAKE ON YOUR APPLICATION?

Simple mistakes can disqualify you from the drawing. Applying online helps lower your chances of making errors. You also can buy your annual habitat stamp online and avoid a delay in getting your license.

Go to: www.wildlife.state.co.us and follow the simple steps to apply.

- *Use only applications in this brochure. Photocopies not accepted.
- *Do not cut or fold applications. Remove stubs.
- *Use **BLACK BALLPOINT PEN ONLY**.
- *Print clearly. Use capital letters and stay in boxes.
- *Do not use White-Out, correction tape or write over errors. If you don't have another application, scratch out the error and write above it without interfering with other boxes.
- *Use your home mailing address; business addresses are illegal.
- *Preference points are not awarded for any error on your application, including on first-choice hunt codes.

1. CID Number. Starting from left to right, enter your number. If you bought a license after 2003, your CID (Customer ID Number) is on the license. If you were mailed this brochure, your CID number may be on the address label above your name. If you've never had a CID, see #16.

2. Enter Your First-Choice Hunt Code. The hunt code must be listed in the unit tables in this brochure. Applications are pre-printed with the first letter of the hunt code, indicating the species (E for elk, D for deer, etc.). If the first letter on the form does not match the first letter of your hunt code, STOP. You have either the wrong application form or wrong hunt code.

3. Optional Second, Third and Fourth Choice Hunt Codes. You may apply for as many as three additional hunt code choices.

4. Permission to Provide Information. Allows information from applications to be given to entities providing hunting information, services and products, including outfitters and Ranching for Wildlife participants. If you check this box and decide you don't want your information released, cancel your permission by writing DOW, 6060 Broadway, Denver, CO 80216, Attn: Call Center; in person at DOW offices; by e-mail to wildlife.dowinfo@state.co.us; or by phone, (303) 297-1192.

To avoid delays in receiving your license, you can buy a habitat stamp online, by calling 1-800-244-5613 and at any license agent or DOW office. You also can include \$5 for a 2007 habitat stamp with your license fee when you apply for a limited license. Put an "X" in this box if you are sending \$5 for the stamp with your application.

10. If Unsuccessful. Place "X" in the correct box to tell us what to do if you don't draw a license.

a. Deer and elk applicants have a choice of entering the left-over drawing. If you choose this option, you will receive priority in a drawing for leftover licenses. **NEW FOR 2007:** Youths, 12-17, receive preference in the leftover drawing. (Licenses remaining after the leftover drawing go on sale to the public the second Tuesday in August.)

b. Pronghorn hunters can select a refund or a general archery license. Unsuccessful pronghorn applicants who leave this box blank automatically get a refund.

11. Groups. Pick 1 member as leader. All members, including leader, must enter the leader's CID number in section "For Groups Only." Only applicants who enter the same number in this section are considered part of the group. If no one has a CID, the leader should call the DOW. Group members must mail applications separately. See "Group Applications."

12. Preference Points. If you have preference points for this species, mark "X" in box.

13. Hunter Education. Put "X" in box if you have a valid hunter education card. Proof of hunter education is required in Colorado if you were born on or after Jan. 1, 1949.

14. Social Security Number. Your Social Security number (SSN) is required to buy or apply for DOW licenses. The SSN is not displayed on licenses. You can contact the DOW directly with your SSN. If you already gave us your SSN, leave this section blank.

15. Signature. Read the certification statement carefully, then sign the application. Include a day phone number. Unsigned applications are rejected.

16. If you never had a CID. Fill in the bottom part with your address, sex, area code and phone number, driver's license number (first 14 digits or letters only), height and weight. If your address changed, use change-of-address form provided. Don't use bottom area for address changes.

17. If your address changed, you can go to our website and enter your address online. If you don't have internet access, you can use the change of address form in the application insert. Fill in all sections and mail the form separately. Mail it by April 3 to: DOW Address Change, 6060 Broadway, Denver, CO 80216. **DO NOT INCLUDE IT WITH YOUR APPLICATION.**

MAKE SURE YOU GET A LICENSE!

Being unsuccessful in the drawing, doesn't mean you can't get a hunting license for this fall. Applications for deer, elk and pronghorn feature options if you don't draw a first choice. Elk hunters can pick from 5 different kinds of licenses. Just look for the "If unsuccessful" box on the application and make your selection. (See #10 on previous page.) Go to: www.wildlife.state.co.us

REFUNDS

1. To get a refund, you must relinquish your license and carcass tag before the opening day of the season for which it is valid. The license should be accompanied by a completed request form obtained at a DOW office. Requests must be postmarked before the season starts. If there isn't enough time to request a form, mail your license and carcass tag with a letter to the DOW. The envelope must be postmarked before the season starts.
2. Requests made after a season starts must be submitted to the DOW license review officer. After a season starts, refunds are limited to extreme medical circumstances of the licensee, death of the licensee or death of licensee's immediate family member.
3. Refunds aren't considered more than 30 days after a season starts. Except, the 30-day limit is extended for members of the U.S. military whose military service prevented them from applying for a refund within the required time limits.
4. Refunds for unsuccessful drawing applications are issued by **June 19**. The \$3 application fee is not refunded. Preference points used in applying are not restored to your record if you return your license and obtain a refund. Except, points may be restored in lieu of a refund at the licensee's request if the license is returned before the hunting season opens. After the season opens, the DOW also may restore points in lieu of a refund in cases of extreme medical circumstances of the licensee or death of licensee's immediate family member.

*Forbes-Trinchera Ranch, 20% of doe licenses are awarded in a separate public drawing. Applications accepted 9 a.m. to noon, 2nd Wed. in August at San Luis Community Center, San Luis, CO. Drawing at 1 p.m. Hunters must apply in person. Only Colorado residents may apply. Do not buy a license before the drawing.

ELK HUNTERS: BE AWARE OF YOUR TARGET!
Moose can be found in the same habitat as elk in Colorado. Make sure you know the difference between these two species, so you don't accidentally kill a moose. Use your binoculars, not scopes. Don't just look at the animal's antlers; study the entire head before you shoot.

LIMITED LICENSES

Limited archery buck and doe pronghorn licenses are available by drawing. **NEW FOR 2007:** All muzzleloading pronghorn licenses are now limited and available in specific units. Rifle licenses for pronghorn also are limited, available by drawing. Only legal muzzleloading rifles and smoothbore muskets can be used during muzzleloading season.

PREFERENCE POINT HUNT CODE

You can get a preference point as your first choice to use another year. Use your second choice to apply for a license. You must pay the full license cost even for a point. If you apply for a point only, your money, minus the \$3

application fee, is refunded. Another \$25 may be deducted if you don't meet the criteria under "Preference Points #2." To apply for a pronghorn preference point, enter HUNT CODE A-P-999-99-P as a First Choice.

The table below is for Denver. Subtract 1 minute from opening and closing time for each 12 1/2 miles east of Denver. Add 1 minute to opening and closing time for each 12 1/2 miles west of Denver. The above changes assume that each degree of longitude equals 50 miles and a change of 1 degree of longitude equals a 4-minute change in sunrise and sunset times.

ATTENTION BIG GAME HUNTERS!

The Division of Wildlife has released Canada lynx in southwest Colorado. If you see a lynx, please report it to any DOW office. If you are bobcat hunting, please make sure you don't shoot at a lynx. Lynx are different from bobcats in several ways:

- *The tip of a lynx's tail is black all around. On a bobcat, the underside of the tip of its tail is white.
- *The ear tufts of a lynx are more than 1 inch long.
- *The fur on a lynx's belly is tawny colored. On a bobcat, it is white.
- *Lynx tracks are 3 1/2 to 4 1/2 inches wide. A bobcat's are less than 2 1/2 inches wide.
