Important Dates back cover

ONTHE COVER

Troy Prezbindowski of Littleton harvested his first bear and ended up with a good hunt story to go with it. It was the second morning of the 2013 muzzleloader season in southern Colorado:

"I caught a glimpse of movement over my right shoulder. I turned to see this massive brown color-phase black bear boar about 20 yards away.

"He was walking straight at me... With every step he took towards me I matched him by taking one backwards, trying to get a good shot. It turned broadside to

The bear rolled onto the trail. "I ran up the 10-foot bank and got behind a large pine tree to put something solid between him and I. He stumbled a few more yards... and expired right in front of me."

WHAT'S NEW: 2014

» NONRESIDENTS GET A BONUS ANNUAL FISHING

LICENSE — All nonresidents who purchase a big-game license in Colorado will now receive a combination big-game/fishing license. The annual fishing license is good for as many visits as you like through March 2015. Plan a special trip just to enjoy our world-class fishing, or bring your fishing pole when you come to big-game hunt. If your quarry isn't cooperating, maybe the fish will. *See page 2*.

» APPLICATIONS WITH ERRORS WILL BE

DISQUALIFIED... Customers will no longer be contacted if there are errors on applications. This includes applications without the correct amount of money, no hunter education checked, incorrect hunt codes or those lacking a 2014 Habitat Stamp. Also, if you submit multiple applications for the same species, all applications will be disqualified. *See page 9*.

- EFTOVER, OVER-THE-COUNTER LICENSES ON SALE AT SAME TIME To make purchases easier for hunters, CPW will have leftover licenses and over-the-counter licenses on sale at the same time and available online all at 9 a.m. Aug. 5. See page 3.
- » BOUNDARY CHANGE IN GMUs 95, 951— Hunters east of Greeley and Eaton should pay attention, the boundary changes in units 95 and 951 may change where and when you can hunt. See pages 58, 59.
- » PIÑON CANYON HUNTS Deer and elk tags for GMU 142 in the Army's Piñon Canyon Maneuver Site are no longer combined with GMUs 133, 134 and 141. This allows the Army to better monitor hunting in 142.

- **» PREFERENCE POINT FEE INCREASE** Hunters will pay \$40 for preference point fees if they did not purchase a license the previous year and otherwise are not exempt. Resident deer and pronghorn point fees have been raised to \$30. See pages 2 and 7.
- » BIG GAME ACCESS PROGRAM ENDS Originally created as a pilot study to offer deer and pronghorn hunting in southeast Colorado, the BGAP program will not be enacted this year for budget reasons and because the study has reached its conclusion.
- » FOREST SERVICE CLOSURES Projects on the National Forest can impact access any time of the year. Closures of areas can change quickly. Your hunting destination or access route may be affected. Learn about closures and plan alternative routes and areas to hunt. Go to www.fs.usda.gov/goto/r2/huntnfs-co.

There will be closures in GMU 19 west of Fort Collins in the Canyon Lakes Ranger District. Check the site for details.

Also, roads and trails were damaged by the 2013 flood in GMUs 8, 19, 20 and portions of 29, 38 and 191. Motorized and foot access may still be limited. For more, go to www.fs.usda.gov/goto/arp/hunting.

- » DRONES USE ILLEGAL The use of unmanned, remote-controlled flying drones to look for wildlife or otherwise aid hunting is illegal. See page 13.
- » LANDOWNER ELK PILOT PROGRAM The Landowner Elk Pilot Program has been discontinued. Further information will be released on the website at cpw.state.co.us as it is available. See page 6.

» ELK

LIST A, B, C CHANGES IN GUNNISON, SAN LUIS

VALLEY — Licenses for elk hunts in the San Luis Valley are changing from List C to List B. Also, in GMU 54 in the Gunnison basin, List C licenses are now List B to help maintain the elk population at current numbers. Hunters may only purchase two List B tags per year. See the elk hunt tables 28-44, and page 15 for the San Luis hunt details.

» DEER

OVER-THE-COUNTER TAGS NOW AVAILABLE — To

help manage the spread of whitetail deer, this year marks the first availability of over-the-counter, whitetail-only deer tags. These licenses are for GMUs in the southern central part of the state, mostly west of Interstate 25. These GMUs have low density populations of whitetails. See page 27 for map and hunt details.

YOUTH HUNTS ADDED — Youth-only muzzleloader and rifle hunts for antlerless deer have been added to GMUs 43, 47 and 471. *See pages 19, 22 and 25.*

GMU 103 OFFERS NEW ARCHERY HUNT — To help alleviate cropland damage in GMU 103, a whitetail-only antlerless archery hunt has been added. *See page 26.*

NEW AUCTION/RAFFLE SEASON DATES — The new closing date for the deer season auction and raffle licenses is the end of November, or the end of the last antlered or either-sex season in a unit, whichever comes later. *See page 6*.

» MOOSE

NEW HUNTS — Moose populations continue to grow in the state. This means new hunts for bulls and cows in GMUs 15 and 27. And, for the first time, either-sex licenses are available to the public for GMUs 1 and 201 near the Utah border. These hunts ensure moose coming into Colorado don't negatively impact the habitat. This hunt may have a low density of animals, depending on habitat conditions. Hunters who have already harvested a bull may NOT apply for this either-sex license. *See pages* 50-51.

» BEAR

NEW PRIVATE-LAND HUNT — A new private-land-only rifle hunt in GMUs 48, 49, 56, 57, 481 and 561 is available. Licenses are over-the-counter with caps, limited in number. They are meant to encourage bear harvest near populated areas between Leadville and Salida. *See page 55*.

HABITAT STAMP REQUIRED BEFORE THE DRAW

If you haven't already purchased a 2014 Habitat Stamp and are ages 18-64 when you buy or apply for a license, you must buy a Habitat Stamp or submit the payment with **ONE** of your big-game applications

(if applying for multiple species) in order to be entered into the draw. Applications submitted for hunters who do not already have a 2014 Habitat Stamp will be disqualified from the draw. Apply online and the Habitat Stamp will be automatically added, if needed. See page 2 for details.

NEW! PREFERENCE POINT FEE CHANGES

- » **HOW IT WORKS.** If you do not hold a 2013 annual* or big-game license, or do not receive a license through the draw, you will be charged \$40 PER SPECIES (for elk, deer, pronghorn and bear) for which you get a preference point. This fee applies to residents and nonresidents. However, residents getting deer or pronghorn preference points will be charged only \$30 for each of those. For example, if a nonresident who isn't exempt from the fee receives a point for all four species, they will be charged \$160. A resident in that scenario would be charged \$140.
- **» HOW TO AVOID IT.** If you don't want to pay the fee, you have until March 31, 2014, to purchase a 2013 annual fishing, annual small game, annual resident combination fishing and small game, or resident senior fishing license.
- » HOW WILL I BE CHARGED FOR IT? If you are charged the preference-point fee, it will be removed from your 2014 big-game application refund(s). For example, if you're a resident and apply for a deer license or preference point and don't draw (and you are not exempt from the fee) you will receive a \$1 refund.
- *ANNUAL LICENSES INCLUDE: annual fishing, annual small game, annual resident combination fishing and small game, or resident senior fishing license

WHAT YOU NEED TO BUY A LICENSE

- **1.** Current and valid photo ID (see page 14)
- **2.** Proof of hunter education (see requirements below)
- **3.** For residents, proof of residency (see page 14)
- **4.** A 2014 Habitat Stamp (see requirements below)
- 5. Social Security Number is required for new customers ages 12 and older

LICENSE REQUIREMENTS

- 1. Hunters must have a license to hunt. Sign it and carry the original with you while hunting.
- **2.** A hunter may hunt only the animal, sex, season, units and method of take on the license.
- **3.** It is illegal to give false information to obtain a license. It also is illegal to alter a license or to loan, transfer, sell or give your license to someone else.
- 4. If you lose or destroy your license, you can get a duplicate before the season opens from a license agent for a fee. Duplicates cost half the price of the original license, but not more than \$25. After the season begins, duplicate licenses are available only at CPW locations.
- **5.** Licenses expire on the expiration date printed on them.
- **6. NEW!** Nonresidents can continue to use their combo fishing license after harvesting a big-game animal, as long as the carcass tag is the only part of the license that has been detached. The rest of the license must remain intact.

HUNTER EDUCATION (SAFETY) REQUIREMENTS

Anyone born on or after Jan. 1, 1949, must have completed an approved hunter education course sanctioned by a state or province before applying for or purchasing a license. Colorado honors hunter education courses from other states and provinces.

You must present an original hunter safety card when buying a license (unless previously verified) or enter the required information when applying by mail or online.

All hunters must carry their hunter education card while hunting unless a "V" is printed on the license, which indicates hunter ed has been verified at a CPW location. Hunter education courses are online at cpw.state.co.us/bg/huntered.

HABITAT STAMP

- 1. Anyone ages 18-64 MUST purchase a Habitat Stamp in order to buy or apply for a preference point or for a hunting or fishing license.
- **2.** Habitat Stamps are \$10 and are nonrefundable. One is required per person per year, valid April 1-March 31. A lifetime stamp is \$300.25.
- **3.** Hunters ages 18-64 applying for a limited license must purchase a 2014 Habitat Stamp to apply in the drawing process. To purchase a stamp with your draw application, include \$10 in addition to your license fee when sending your application. If applying online, it will be added automatically, if needed. Paper applications submitted for hunters who do not have a Habitat Stamp will be disqualified from the draw.
- **4. EXEMPTIONS:** Anyone with a free lifetime fishing license, a veteran's lifetime combination small-game hunting and fishing license, or those approved for the Big-Game Mobility Impaired Hunting Program are exempt. See cpw.state.co.us/bg/accessibility for details.

FELONY OFFENSES AND WEAPONS

Colorado and federal law prohibits people convicted of certain crimes, such as domestic violence, from possessing weapons even for hunting. If you've been convicted of a crime, check with the appropriate law enforcement authorities to find out how these laws apply to you.

APPLICATION DEADLINE FOR LICENSES AVAILABLE IN THE DRAW

» LIMITED LICENSES

To get a limited license, hunters must apply for the draw in April — this is a process that awards licenses to hunters for specific units and dates. These are distributed through an application and drawing process. They include public-land hunts, private-land-only licenses and Ranching for Wildlife (RFW) licenses.

- » PRIVATE-LAND-ONLY licenses include private lands within GMUs listed on the licenses as well as State Trust Lands not leased by CPW. Permission from private landowners is always needed before hunting with a private-land-only license. Please get permission before applying.
- » RANCHING FOR WILDLIFE licenses are available to all Colorado residents. Resident hunters may apply to hunt a specific ranch. Each ranch has specific rules. See page 6 for more.

» LEFTOVER-DRAW OPTION — ELK AND DEER APPLICANTS ONLY

Elk and deer applicants can have the first chance at the limited licenses that are left after the draw by checking the "Leftover Draw" box on the application where it states, "If unsuccessful, send me..." (See below).

WHAT IS THE 'LEFTOVER DRAW'?

The Leftover Draw gives deer and elk applicants who were unsuccessful in the draw another chance at the limited licenses that are left once the primary draw is completed.

LICENSE ALLOCATIONS

Nonresident allocations are determined by the average number of preference points a Colorado resident needed to draw a specific license during a 3-year period that ended with the 2009 drawing. (Units with low numbers of available licenses may not have any remaining for nonresidents after resident licenses are drawn.)

- **1.** For hunt codes that required six or more points for a Colorado resident to draw an elk or deer license, up to 20 percent may go to nonresidents. These hunts are designated in unit tables by a "+" under the "SEX" column of the hunt tables.
- 2. For hunt codes that required fewer than six points for a Colorado resident to draw an elk or deer license, up to 35 percent may go to nonresidents.
- **3.** Nonresident allocations may increase if licenses remain after all Colorado resident first choices have been drawn for that hunt code.
- **4.** License allocations do not apply to private-land-only and Ranching For Wildlife licenses.
- 5. In a group of applications made up of both residents and nonresidents, all nonresidents in the group will count against the nonresident allocation.

NEED HELP?

ELK HUNTING FOR YOUTHS, AGES 12-17

Youths can hunt during a late antlerless elk season, but planning to know where you want to hunt is important. Here's what to know before applying:

PLAN AHEAD

- "Youth hunters should plan now where they'd like to hunt a cow in a youth late season.
- "Youth may need to enter the April draw to ensure they get a license for the area they'd like to hunt during the late season."
- "> The youth late season means any season that begins after the fourth-rifle season.

KNOW THE BOUNDARIES

» Licenses **ARE NOT** transferable to different areas around the state. Youths must hunt within the red boundary on the map where their original tag was purchased.

HUNT THE RIGHT UNIT

"Youth late season hunts are only available for GMUs that are a solid color on the map (with no lines through them).

cpw.state.co.us/bg/lateyouth

YOUTH HUNTING RULES EXPLAINED ONLINE

- » Find instructions for getting the correct license
- » Look at a list of available hunts for the youth late season and the corresponding licenses you can buy in the draw or on the leftover list.

TO PARTICIPATE: Youth hunters must have a limited antlerless or either-sex license that remains unfilled for a season that has already ended. All youth hunting rules apply, see page 5 for details.

Youth may participate in a late season that is open after the end of the fourth rifle season. Check the list of hunts and hunt dates online or at CPW locations for the dates and locations you can hunt.

EITHER-SEX TAGS MUST BE CONVERTED BEFORE HUNTING:

Youth hunters with either-sex tags **MUST** convert their original license at a CPW location if they haven't yet harvested and wish to participate in a youth late season to hunt an antlerless elk.

OTC ARCHERY AND BULL TAGS NOT VALID FOR LATE SEASON:

Youth hunters who purchase an over-the-counter archery tag can no longer convert it to hunt during the youth late season. As always, bull tags and either-sex plains rifle tags are not valid for a youth late season hunt.

FOR EXAMPLE...

...If you usually participate in the late season youth hunt in a unit in the southwest corner of the state....

- "You must now purchase your original limited license (either through the draw or from the leftover list) for any unit within the red border. So, your original license can be for any of these GMUs: 70, 71, 72, 73 or 711.
- "Pay attention to the red borders around groups of units. You can only hunt during youth late season within the **ONE** red border where you buy your original license.

In this example, you may hunt during the youth late season **ONLY** in Unit 70. You may **NOT** hunt in any other part of the state during the youth late season.

LICENSES 2014 Colorado Big Game Hunting)

BIG-GAME HUNTING RULES FOR YOUTHS

- Youths must be at least 12 and meet hunter education requirements to hunt big game in Colorado.
- 2. Hunters younger than 16 must be accompanied by a mentor who is 18 or older and also meets hunter education requirements. Mentors don't have to hunt. Youths and mentors must be able to see and hear each other while hunting.

Mentors can hunt only if the mentor's license is valid for the same unit and late season during which the youth will be hunting.

3. Fees are reduced for deer, elk and pronghorn licenses for youths ages 12-17.

- **4.** Youths cannot apply for a reduced-cost limited license if they turn 18 on or before Feb. 12 this year. Youths must be 12-17 at time of purchase to buy a reduced-cost unlimited or leftover license. *See No. 5 and 6 for qualifications*.
- **5.** At age 11, youths can buy or apply for a license if they turn 12 before the end of season on the license. Youths cannot hunt with the license until they turn 12.
- **6.** Youths who obtained their original license at age 17 and later turn 18 may participate in the late season hunt. Youth hunting rules still apply, even though the hunter is 18 while hunting.

YOUTH LATE SEASON ELK HUNTS

- 1. Youths with an unfilled cow or either-sex elk limited license can participate in the youth late season. Licenses must be valid for the current hunting year. The fourth-rifle season for the unit in which the license was issued must have already ended.
- 2. After the fourth-rifle season ends, youth must convert their unfilled either-sex elk license before participating in the late season. Licenses may be converted at a CPW location. Unfilled cow licenses do not need to be con-
- verted, the original cow license is valid in the youth late season. Over-the-counter archery tags and all bull tags are not valid for a youth late season hunt.
- **3.** Ranching for Wildlife properties are not eligible for hunting in the youth late season.
- **4.** Youths must follow the rules of the hunt code they select to hunt during the late season, including season dates, late season restrictions and geographic restrictions such as "private land only."

YOUTH LATE SEASON PRONGHORN HUNTS

- 1. Youths must be ages 12-17.
- 2. Youths may participate in any December pronghorn doe season in the following units: 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 145, 146 or 147, if they have an unfilled pronghorn doe or either-sex license for a season that has ended.
- **3.** Youths with an unfilled either-sex pronghorn license must bring

that license to a CPW location and get it converted to a doe license before hunting in a December season.

Doe licenses do not need to be converted, the original license is valid for a late hunt.

- **4.** Unfilled pronghorn buck licenses may not be used to participate in this program.
- **5.** Youths must comply with all regulations that apply to the December season they hunt.

YOUTH PREFERENCE AND LICENSE AVAILABILITY

1. Up to 15 percent of limited licenses for doe pronghorn, doe and either-sex deer and cow elk in regular rifle and private-land-only rifle seasons are available for youths ages 12-17 who meet hunter education requirements.

These licenses are available by drawing. Licenses not drawn by youths are available to the public.

- (Muzzleloader, early and late rifle seasons, the Air Force Academy unit and Ranching for Wildlife hunts are excluded from this.)
- Group applications are not accepted. If you enter more than one hunt code on your application, all hunt codes must qualify for youth preferences.

HYBRID DRAWING

To continue expanding quality opportunities to big-game hunters, the Colorado Parks and Wildlife Commission offers a "hybrid" drawing for select elk, deer, pronghorn and bear licenses for the 2014 hunting seasons.

The purpose of the drawing is to give hunters additional opportunity to draw a license for some of the state's premier deer, elk, pronghorn and bear hunting areas. Hunters who normally would not have enough preference points to draw these licenses now have a slight chance to draw a small number of the most coveted licenses through this process. Nonresident caps apply. (Units with low numbers of available licenses may not have any remaining for the Hybrid Drawing.)

HUNTER QUALIFICATIONS

- 1. Hunters must have a minimum of five preference points for the species they wish to hunt to participate in the Hybrid Drawing.
- **2.** Hunters must apply individually (group applications are not accepted).
- **3.** Hunt codes that contain a "W" are Ranching for Wildlife properties. These hunts are for Colorado residents only.

HOW IT WORKS

In hunt codes that require 10 or more resident preference points to draw (based on a three-year average ending with the 2009 drawing), 20 percent of the available licenses will be issued through a random drawing.

Qualified resident and nonresident hunters who select applicable hunt codes (listed below) and have at least five preference points for that species will automatically enter the Hybrid Drawing.

- » These hunt codes must be entered as your first choice on your application.
- Winning applicants in the Hybrid Drawing will be selected randomly.
- » Hunters who successfully draw a license in the Hybrid Drawing will lose all of their preference points for that species. Unsuccessful applicants will be awarded one point.

LANDOWNER PREFERENCE & VOUCHERS

NEW! The final year of the Priority Landowner Preference Program is 2014. A new landowner program is being implemented for 2015. Further information will be released on the CPW website below.

FOR LANDOWNERS: IN THE PRIORITY PROGRAM:

- 1. Up to 15 percent of deer, elk and pronghorn licenses in units with totally limited licenses in all rifle seasons are allocated for deeded landowners who own at least 160 contiguous acres of agricultural land.
- 2. Landowner preference quotas are allocated by species, sex, season and method of take. The 15 percent is for regular and priority landowner applications. Priority registered applicants have priority over other landowner applicants.
- 3. Priority Landowner Program applications are drawn just before CPW's regular limited drawing. Successful landowners receive a voucher for each winning hunt code. Landowners will be notified at the same time as the general public applicants.
- **4.** The deadline to submit a new registration for applications for 2014 has passed. CPW will accept new Priority Landowner Preference registrations until June 30, 2014.

MORE ABOUT THE LANDOWNER **VOUCHER PROGRAM ONLINE** cpw.state.co.us/bg/landowner

FOR HUNTERS:

- 1. The landowner must transfer the voucher directly to the hunter.
- **2.** The transfer of the voucher occurs when the hunter's name is written on the voucher, or the landowner hands (or mails) the voucher to the hunter.
- 3. Landowner vouchers may be transferred one time only.
- **4.** If a hunter cannot use a voucher, the voucher becomes VOID. The voucher CANNOT be reprinted or transferred to another hunter, even if the voucher has not been redeemed for a license.
- **5.** The transfer of a voucher gives the hunter permission to hunt on the land for which the voucher was awarded and for the duration of the season printed on the voucher during legal hunting hours. The landowner may restrict manner of access (i.e. foot, horseback, vehicle, etc.).
- **6.** The voucher must be taken to a license agent or CPW location to be redeemed for a proper and valid license PRIOR to hunting. The appropriate license fees are paid at that time.
- 7. Annual bag limits still apply. Be sure you can legally have the license before acquiring a landowner voucher.
- 8. A list of landowners is NOT available from Colorado Parks and Wildlife.

RANCHING FOR WILDLIFE (RFW)

Public Ranching for Wildlife licenses are available only to Colorado residents by drawing. Licenses are valid only for the season and ranch specified.

RFW landowners must provide free access to hunters who draw a public license for their ranch. By applying for a RFW license, hunters allow CPW to provide applicant information to the ranch.

Hunting rules differ for each ranch. Read ranch rules on the CPW website at cpw.state.co.us/bg/rfw before applying.

GUIDES AND OUTFITTERS

Guides and outfitters must be registered, bonded and insured in Colorado. They also need permits to operate on public land and must register with the Office of Outfitter Registration, 1560 Broadway, Suite 1340, Denver, CO 80202, (303) 894-7778; www.dora.state.co.us/outfitters.

Legal, legitimate outfitters operate around the state and can provide invaluable resources for your hunting trip. Verify an outfitter's registration by contacting the above office or Colorado Outfitters Association, www.colorado outfitters.org.

DREAM HUNT LICENSES

Deer, elk, pronghorn, mountain lion and bear licenses are available to hunters ages 12-21 with a terminal illness or lifethreatening disease or injury.

Licenses are issued only for the dates and unit with an open season for a specific species. Licenses are not offered in units with at least one hunt code that requires 10 or more resident preference points to draw (excluding Ranching For Wildlife).

Before a license is issued, hunters must obtain written permission from the landowner to hunt on private land. Sponsoring organizations must request licenses in writing and document the life-threatening or terminal condition, hunting experience, logistical considerations, hunt location and dates. Submit requests to CPW, Hunter Outreach Coordinator, 6060 Broadway, Denver, CO 80216.

YOUTH OUTREACH LICENSES

Youth Outreach licenses are offered for deer, elk and pronghorn to qualified organizations sponsoring youth hunting activities. Application procedures are on the CPW website, cpw.state.co.us/bg/youthoutreach.

Auction & Raffle Licenses

Ty Zumach harvested this massive bull with his .300 Winchester Short Magnum in GMŬ 201. "I had a phenomenal time and was able to bring my dad along and share the experience with him. I plan to purchase some raffle tickets again this year!' he said.

NEW! The closing date for deer auction and raffle licenses is the end of November, or the end of the last antlered or either-sex season in a unit, whichever comes later.

APPLICATIONS 2014 Colorado Big Game Hunting

PREFERENCE POINTS

- 1. One preference point is awarded to hunters who apply properly and are unsuccessful in drawing a license for a first-choice hunt code for big-game species in this brochure. You may apply for a preference point as your first-choice hunt code. Hunters who make an application error, including on firstchoice hunt codes, do not get a point.
- 2. Youths can apply for a point if they turn 12 by Dec. 31 of the application year.
- If you are issued a first-choice license, all accumulated preference points for that species become void and return to zero.
- 4. If unsuccessful for a first choice, your accumulated points will be listed on your refund, leftover-drawing application or other-choice license.
- 5. Points accumulate until you draw a first-choice license. If you fail to apply for or have not purchased a license during a 10-year period, all accumulated points for that species are purged from your record and become void.
- Priority goes to those with the most points, except when the license quota or nonresident cap would be exceeded.
- Group application priority is based on the member with the fewest points. See box at right for more group hunt details.
- Second-, third-, fourth-choice, over-thecounter and leftover hunts don't use or generate points.

9. NEW! \$40 PREFERENCE POINT FEE Hunters will be automatically assessed \$40 per species (\$30 for resident deer and pronghorn) for a preference point unless they have purchased one of the following: an annual fishing, small-game, resident combination small-game and fishing, furbearer or a big-game license in the previous year; or a current limited license in the draw for the same species for which they seek a point.

The point fee is waived for youths, lifetime license holders, free senior annual fishing license holders and Colorado residents who are in the military on active duty outside Colorado.

10. WEIGHTED PREFERENCE increases your probability of drawing a moose license. It is calculated by converting your application number into a different application number, then dividing that new number by the amount of weighted points you have, plus one. This generates another new application number. Applications are sorted by this new number from lowest to highest and low numbers for each hunt code are awarded licenses.

You can have a maximum of three points for moose. If you have three and you fail to draw a first-choice license, you receive weighted preference for moose.

- **11.** Preference points are not transferable. Points are awarded for specific species, not by hunt codes or method of take.
- 12. Active duty U.S. military stationed in Colorado or who claim Colorado as their home of residence and are deployed outside the U.S. are eligible, when they return home, to apply for preference points for any limited license drawings they missed while deployed.

APPLICATIONS AND PREFERENCE POINTS

GROUP HUNT INSTRUCTIONS

- 1. GROUP HUNTS: Group applications for any number of people are accepted for all big-game species in this brochure except moose. Group applications entering the draw for deer, elk, pronghorn and bear licenses have priority based on the group member with the fewest preference points. Group members must apply for the same species, hunt code, unit, geographic restrictions, season and method of take for each choice, but may apply for a different sex. All group members must have the same hunt code choices on their applications (other than sex). Each member must list the same first-choice hunt code and the same number of other hunt-code choices. These choices MUST be in the same order on all group applications. If anyone in the group makes an application error or doesn't pay the correct amount, everyone in the group is disqualified.
- 2. CHOOSE A LEADER: One person must be chosen as the group leader. If there are differences in the number or order of hunt codes on the applications the leader's hunt code choices are used.
- 3. ENTER LEADER CID NUMBER ON ALL APPLICATIONS: All group members including the leader must enter the same CID number in the group application box to be entered as a group. If the leader has no CID, they must call CPW to get one. All group members must use the same person as the leader.
- **4. HOW GROUPS ARE AWARDED LICENSES:** Each hunter's application must be submitted separately. Groups are assigned a number. If that number is selected in the draw, everyone in the group gets a license. If the group is selected and there aren't enough licenses for everyone, the group will not get licenses. If the group includes resident and nonresident applicants and the nonresident cap has been met, the group will not get licenses. Group applications are not accepted for the leftover draw. Group members who choose the leftover draw will go through as individuals.
- **5. PREFERENCE POINTS, REFUNDS, NOTICES:** If everyone in the group is successful for their first choice, they all get a license and their preference points drop to zero. If unsuccessful for their first choice, everyone gets a point. Licenses, refunds and notifications are sent to each individual.

SUBMITTING YOUR APPLICATION BY MAIL

- **1.** Mail one check (or money order) and one application per envelope in a standard 4 1/8 by 9 1/2-inch envelope to the correct address at right. Don't fold. If you have a CID number, make sure to write it on the check or money order.
- **2.** You may submit only one application per species, per year. Each species must be in a separate envelope with separate payment, including group applications. Envelopes with multiple applications may not be processed.
- 3. Personal checks, cashier's checks or money orders are accepted, made out to Colorado Parks and Wildlife. U.S. currency only. No cash. Credit cards are accepted online only.
- **4.** Drop boxes are available at the CPW office at 6060 Broadway in Denver.
- **5.** Don't send applications directly to us unless you were told to do so by CPW.
- **6.** Applications are rejected if your check is returned by the bank.

REFUNDS OR PREFERENCE-POINT RESTORATION

- **1.** Refunds for unsuccessful applicants are issued by June 26. The \$3 application fee and \$10 Habitat Stamp fee are nonrefundable. Refunds are sent to applicant, regardless of who paid for the original application.
- 2. If you choose to surrender your license to CPW before the season starts, you may choose to receive either a refund OR have the preference points restored that you used to obtain the license. To get a refund or preference point(s) restored, you must relinquish your license and carcass tag before opening day of the season. License must be accompanied by a completed request form obtained at a CPW location or on the website. Requests must be postmarked before the season starts. If there isn't enough time to request a form, mail your license and carcass tag with a letter to CPW. It must be postmarked before the season starts and mailed to CPW. attn: Refund Office. 6060 Broadway. Denver. CO 80216.
- **3.** After a season starts, refund or preference point restorations are limited to extreme medical circumstances of licensee, death of the licensee or death of licensee's immediate family member, or members of the U.S. military whose service prevented them from requesting a refund or reinstatement on time. These requests must be accompanied by evidence that the license has not

been used and circumstances precluded the licensee from being able to use it.
Refunds and preference point restorations are not considered more than 30 days

4. Refunds and preference point restorations are not considered more than 30 days after a season starts. The only exception is for members of the U.S. military as noted above.

PREFERENCE-POINT HUNT CODE

A preference-point hunt code is in the section for each species in this brochure. Entering this hunt code as a first choice on your application automatically awards you a point if eligible. You can choose other hunt codes as your second, third or fourth choices. Do not submit a separate application for preference points or both applications will be disqualified from the draw. You must pay the full cost of a license and meet all requirements even if only applying for a point. If only applying for a point, your money, minus the \$3 application fee and \$10 Habitat Stamp fee, is refunded. An additional \$40 (\$30 resident deer or pronghorn) may be deducted if you don't meet the criteria under No. 9 in "Gaining and Using Preference Points" on this page.

HOW TO FILL OUT APPLICATIONS FOR THE DRAW

Hunters may apply online or with the paper applications found in the center of this brochure. Nonresidents applying for moose MUST use paper applications. Follow the steps below to correctly fill out paper applications.

APPLYING ONLINE HELPS ELIMINATE MISTAKES

CPW recommends hunters apply online at **cpw.state.co.us/bg/buy apply**. The computer system helps prevent many errors that commonly occur on paper applications.

Apply as early as possible to avoid high traffic and any issues caused by high online volume. When you apply online, a Habitat Stamp will be added to your order automatically if you need one.

TIPS FOR FILLING OUT PAPER APPLICATIONS

- » **USE ONLY APPLICATIONS IN THE CENTER OF THIS BROCHURE.** Photocopies and sample applications below are not accepted. Do not cut or fold applications. Remove stubs.
- » **USE BLACK BALLPOINT PEN ONLY.** Print clearly. Use capital letters and stay completely in the boxes. Do not use correction tape or fluid or write over errors, get a new application or scratch out the error and write above it without interfering with other boxes.
- » **REVIEW YOUR APPLICATION.** Incorrect applications are disqualified and no preference points are awarded. Photocopy your application for your records. If applying online, print or save your receipt, it is your only record of what you applied for.
- » MAKE A MISTAKE? If you've already turned in your application but made a mistake on it, corrections must be made online by April 11. Go to cpw.state.co.us/bg/corrections.

1. FILL IN YOUR CID NUMBER AND PERMISSION CHECKBOX

Colorado Parks and Wildlife cannot be responsible for errors due to applications completed with lower case letters, colored inks or pencil. I give CPW permission to provide my name, address, and license information to certain persons requesting it. See instructions.

» PERMISSION TO PROVIDE INFORMATION

Allows information from applications to be given to entities providing hunting information, services and products. If you check this box and decide you don't want your information released, you can go to a CPW location, e-mail wildlife.dowinfo@state.co.us, or call (303) 297-1192.

2014 Colorado Big Game Hunting APPLICATIONS

HOW TO READ HUNT CODES

HUNT CODES CONTAIN A LOT OF INFORMATION.

Learning how to read hunt codes can ensure that you apply for the right hunt in the limited license drawing each year. Here's a quick how-to:

- **1. THE FIRST LETTER** of the code designates the species. (D = deer, E = elk, A = pronghorn (antelope), M = moose and B = bear)
- **2. THE SECOND LETTER** of the code designates the sex of the animal you want to hunt. (M = male, F = female and E = either sex)
- **3. THE THIRD PART, THREE NUMBERS,** designates the unit you want to hunt. (001 = Unit 1, 201 = Unit 201, etc.; 000 = statewide). If more than one unit is valid for a hunt code, only the lowest unit number will show in the code.
- **4. THE FOURTH PART, A LETTER AND A NUMBER,** indicates hunt dates. For example, O1 = first season, O2 = second season, O3 = third season and so on. P is for private-land-only hunts followed by the season number: P1, P2, P3, P4 and P5. E1 = early season, L1 = late season, K2, K3 = youth only hunts. There are also Ws or Js for Ranching for Wildlife and S for a split unit.
- **5. THE LAST LETTER** in the hunt code indicates what manner of take the license is good for. A =archery, M =muzzleloader, R =rifle and associated methods.

HOW TO READ HUNT CODE TABLES

HUNT TABLES SHOW THE LIMITED LICENSES AVAILABLE. These are available through the draw or as leftover licenses. Some hunt tables in the bear section include hunt codes for over-the-counter licenses. These are not available through the draw.

- **1. THE TITLE** on the top of each table describes the big-game species and method of take for the hunt codes within that table. Start here to find the method of take you wish to hunt. Tables are color coded the same throughout the brochure.
- 2. THE UNIT COLUMN is where you will look next to locate the game management unit you wish to hunt. Please read the unit tables carefully. Some licenses are valid in one unit only, while others are valid in multiple units. Here's how to tell where you can hunt:
 - » If the hunt code for a certain unit is also valid in additional units, the VALID UNITS column will list all the units where you can hunt with that same license.
 - » If a unit has the same hunt details and hunt codes as another unit, the chart will read, "SEE UNIT". Look up the unit referred to for the correct hunt codes for your hunt. For example, see unit 37 in the sample chart at right.
- **3. THE VALID UNIT** column will also display information for each hunt and whether it is **PRIVATE LAND ONLY** or has other restrictions. If a hunt is labeled private land, you should get permission from a landowner in that unit before you apply for that license.
- **4. THE DATES** column lists the applicable season dates when the license is valid. Please look at the rows carefully, as each unit may have multiple hunt dates.
- **5. THE SEX** column indicates which sex of animal can be hunted for that specific hunt code. Please read the information carefully because the sex of an animal that is related to a certain hunt code may have changed since the previous year.
- **6. THE HUNT CODE** column displays the code you will use to apply for the license you desire. Read the information carefully, as there are many possible hunt codes associated with each unit, and they may have changed since the last time you hunted. Please see section above on how to read hunt codes.
- **7. THE LIST** column displays what type of license you are buying. There are opportunities to purchase more than one license during the year, as long as the licenses meet the requirements of being List A, B or C. For details, see "How to get more than one license" sections under the big-game species you'd like to hunt in the following brochure pages. When applying in the draw, DO NOT include the list letter on the application. You may submit only one application per species, per year.

OTHER HUNT TABLE SYMBOLS

- 1. A DOT (•) In the UNIT column indicates there is a special note about that unit. Notes can be found directly below the hunt code information. For example, see unit 40 above.
- 2. AN ASTERISK (*) In the SEX column indicates units that had licenses left over after last year's drawing. There may be a good chance of licenses left over this year, too, giving you a chance to draw that license as a second, third or fourth choice on your application, or by purchasing as a leftover license.
- **3. A PLUS (+)** In the **SEX** column indicates hunt codes for which an average of a least six preference points are needed for a resident to draw that license. These calculations are based on a 3-year period ending with the 2009 drawing.

MOOSE OR ELK? BE AWARE OF YOUR TARGET

IN COLORADO,

moose can be found in the same habitat as elk. Elk hunters must know the difference between the two species to avoid accidentally killing a moose.

IDENTIFY THE ANI-1. MALS BEFORE YOU **SHOOT.** Use your binoculars, not your rifle scope, to make a positive ID.

STUDY THE BODY. 2. Don't just look at the animal's antlers, study the entire head and body before you shoot.

WATCH OUT FOR 3. CALVES. Be careful not to mistake a moose calf for a cow elk. Young moose have a reddish coat, similar to elk.

SITE WITH YOUR GPS

This is especially important for hunters who harvest a bear or moose. During mandatory inspections, hunters will be asked to give a location of their harvest. Having GPS coordinates makes reporting simple and precise.
Use your GPS to set a

waypoint where you harvest an animal and save the UTM or longitude and latitude coordinates. Bring that information to record on the check report at harvest

inspections.

HUNTER SURVEYS

ASSESS HARVEST

CPW conducts big-game harvest surveys each year to estimate harvest, hunter numbers and recreation days.

Deer, elk and pronghorn hunters may receive a phone call or e-mail, asking to take part in a survey. This includes questions such as: where you hunted, if you harvested an animal, if you were satisfied with your experience and if you saw overcrowding from other hunters.

Only randomly selected hunters can participate. Participation is not required, but responding even if you didn't hunt or harvest is an important part of setting license numbers for next year.

If contacted, you can take the survey online or call a toll-free phone number.

The survey runs 24 hours daily, October through mid-February. See the CPW website for details.

REFERENCE 2014 Colorado Big Game Hunting .

HUNTERS MUST WEAR DAYLIGHT FLUORESCENT ORANGE

It is a legal requirement for hunters to wear at least 500 square inches of **SOLID DAYLIGHT FLUORESCENT ORANGE** material on an outer garment above the waist while hunting deer, elk, pronghorn, bear or moose with any firearm license. A fluorescent orange hat or head covering, visible from all directions, is also required. This includes archery hunters who hunt during rifle season. Archers hunting during a limited bear season or archers hunting with an archery bear, deer, elk, pronghorn or moose license do not have to wear fluorescent orange. Auction- and raffle-license holders do not have to wear orange when hunting with archery equipment when no rifle seasons are open. If using a ground blind or pop-up blind, hunters should display orange that is visible from all directions on the outside of the blind.

CAMOUFLAGE ORANGE DOES NOT QUALIFY. Mesh garments are legal but not recommended. CPW strongly recommends wearing daylight fluorescent orange clothes in the field, even if you're not hunting. Wearing orange is for hunter safety, big-game animals don't see orange like we do. Movement, sound and smell are what give hunters away.

IT'S AGAINST THE LAW TO:

- » If convicted of these felony violations, you can face a lifetime license suspension:
- FELONY OFFENSE: To kill and abandon big game. It is illegal to remove only hide, antlers or other trophy parts and leave the carcass in the field
- **2. FELONY OFFENSE:** To sell, buy or offer to sell or buy big game.
- **3. FELONY OFFENSE:** To solicit someone to illegally kill big game for commercial gain or provide outfitting services without required registration.
- 4. Have a loaded (in the chamber) rifle or shotgun in or on any motor vehicle. Muzzleloading rifles are considered unloaded if the percussion cap or shotshell primer is removed, or if the powder is removed from flashpan. It is illegal for anyone to have a loaded electronic-ignition muzzleloader in or on a motor vehicle unless the chamber is unloaded or the battery is disconnected and removed from its compartment.
- 5. Carry firearms (except handguns) on an OHV during deer, elk, pronghorn and bear seasons unless they are unloaded in the chamber and magazine. Firearms (except handguns) and bows carried on an OHV must be fully enclosed in a hard or soft case. Scabbards or cases with open ends or sides are prohibited. This does not apply to landowners or their agents who carry a firearm on an OHV to take depredating wildlife on property they own or lease.
- **6.** Hunt carelessly or discharge a firearm or release an arrow disregarding human life or property.
- 7. Operate or ride a snowmobile with a firearm unless it's completely unloaded and cased, or with a bow unless it's unstrung or cased. Compound bows must be cased, not unstrung.
- Shoot from or use a motor vehicle, motorcycle, off-highway vehicle, snowmobile or aircraft to hunt, intercept, chase, harass or drive wildlife.
- **9.** Use aircraft to hunt, to direct hunters on the ground or to hunt the same day or day after a flight was made to find wildlife.
- **10. NEW!** Use the Internet or other computer-assisted remote technology while hunting or fishing. This includes unmanned or remote-control drones used to look for wildlife. Hunters and anglers must be physically present in the immediate vicinity while hunting and fishing.
- **11.** Hunt under the influence of alcohol or controlled substances.
- **12.** Use artificial light as an aid in hunting wildlife.
- **13.** Use poison, drugs or explosives to hunt or harass wildlife.

- **14.** Fail to extinguish a campfire.
- **15.** Fail to make a reasonable attempt to track and kill animals you wound or may have wounded. It is against the law to pursue wounded wildlife that goes on private property without first obtaining permission from landowner or person in charge.
- **16.** Fail to reasonably dress, care for and prepare edible wildlife meat (all species in this brochure) for human consumption. At a minimum, the four quarters, tenderloins and backstraps are edible meat. Internal organs are not.
- 17. Shoot from or across a public road with a firearm, bow or crossbow. People firing a bow, rifle, handgun or shotgun with a single slug must be at least 50 feet from the centerline of the road.
- **18.** Party hunt (kill someone else's game or let someone kill yours).
- 19. Interfere with hunters. This includes distracting or frightening prey; causing prey to flee by using light or noise; chasing prey on foot or by vehicle; throwing objects; making movements; harassing hunters by using threats or actions; erecting barriers to deny access to hunting areas and intentionally injecting yourself into the line of fire. Violators face prosecution and may have to pay victim's damages and court costs.
- 20. For two or more people on the ground, in a vehicle or vessel to use electronic devices to communicate information that violates any wildlife law or regulation.
- 21. Use dogs or bait to hunt bear, deer, elk, pronghorn or moose. Bait means to put, expose, distribute or scatter salt, minerals, grain, animal parts or other food as an attraction for big game. Scent sticks that smell like food are illegal for bears.
- **22.** Kill cubs or bears accompanied by one or more cubs. A cub is a bear less than a year old.
- 23. Hunt bears in their dens.
- **24.** Have a carcass, hide, skull, claws or parts of bears or mountain lions without a valid hunting license or unless authorized by CPW.
- **25.** Sell, trade, barter or offer to sell, trade or barter bear gall bladders or edible portions of bears.
- **26.** Hunt on private land without first obtaining permission from landowner or person in charge.
- **27.** Post, sign or indicate that public lands, not under an exclusive-control lease, are private.
- **28.** Use State Land Board properties not leased and signed by CPW without permission of lessee.
- **29.** On CPW lands, only portable blinds or tree stands may be erected. All man-made materials used for blinds or stands must be removed within 10 days after the end of the season you hunt.

BAG LIMITS & SEASON PARTICIPATION RESTRICTIONS

- **1. LIMITED LICENSES:** You can submit only one application in the drawing per species, per license year. No exceptions.
- 2. BAG LIMITS, LICENSE PURCHASES: The bag and possession limit is the total number of animals you can legally kill of each species. Big game killed in January and February seasons set as part of the previous license year's seasons fall under that year's bag and possession limit. When a license allows hunting in more than one unit, the unit in the hunt code determines the maximum number of licenses a hunter can obtain per year for that species.
- MOOSE: The lifetime bag limit for bull moose is one, except for auction, raffle or special management licenses.
- **4. COYOTES:** You can hunt coyotes without a small-game license during big-game seasons if you have an unfilled big-game license. You can hunt coyotes only in the same unit, season and manner of take as on the big-game license. Once you fill your big-game license, you must buy a small-game or furbearer license to hunt coyotes. Harvesting a coyote does not void your big-game license.

CARCASS TAGS

You must attach a carcass tag to animals you kill per instructions on tag. Tags must stay on until meat is processed and remain with meat until consumed. It is illegal to sign or tear the tag before a kill.

If you lose, accidentally destroy or detach the tag, you must get a duplicate from a CPW office before hunting and prove the loss, detachment or destruction was accidental. Do not remove other parts of a license except the carcass tag after a kill. Doing so voids the license, and you must buy a duplicate.

If you have a nonresident big game/fishing combo license, the fishing license remains valid after the carcass tag is detached, as long as the rest of the license is intact.

EVIDENCE OF SEX

- 1. It is illegal to have or transport a big-game carcass without evidence of sex naturally attached. It is illegal only to have evidence of sex accompany the carcass. If you submit a deer or elk head for CWD testing, leave evidence of sex on the carcass.
- 2. EVIDENCE OF SEX IS:
 - **A. BUCK/BULL:** Head with antlers or horns attached to carcass; or testicle, scrotum or penis attached to carcass.
- **B. DOE/COW:** Head, udder (mammary) or vulva attached to carcass.
- **C. BLACK BEAR:** Male: testicles or penis. Female: vulva.
- **3.** Heads detached from carcass are not adequate evidence of sex.
- **4.** If a carcass is cut in pieces or deboned, evidence of sex needs to be attached to a quarter or another major part of carcass. All portions must be transported together.
- **5.** Evidence of sex not required if a donation certificate accompanies less than 20 pounds of meat or after the carcass is cut into processed meat, wrapped and frozen, or stored at licensee's home.

2014 Colorado Big Game Hunting REFERENCE

RESIDENCY QUALIFICATIONS

Requirements to qualify as a Colorado resident to buy a hunting license:

- 1. You must live in Colorado at least six consecutive months immediately before applying for or buying a license AND must intend to make Colorado home (except No. 3 and No. 4 below). The residence address you give to buy or apply for a license must be the same as on your Colorado income tax return.
- **2.** A valid Colorado driver's license or Colorado ID is proof of residency if it was issued at least six months prior to buying a hunting license. If your ID or driver's license was issued or renewed less than 6 months prior to purchasing a hunting license, you must provide documentation that proves you have been a resident for the required six-month period.
- 3. U.S. military personnel and military personnel of U.S. allies on active duty in Colorado under permanent orders and their dependents. This includes people who were Colorado residents when they entered the military and keep Colorado as their home of record, and their dependents (with Colorado as their home of record). Also included are personnel of the U.S. Diplomatic Service or diplomatic services of nations recognized by the U.S. assigned here on permanent active duty orders and their dependents. Active duty military does not include reserve status, National Guard or government contractors.
- **4.** Full-time students enrolled and attending an accredited Colorado college, university or trade school at least six months immediately before applying for or buying a license. This includes students who are temporarily absent from Colorado but still enrolled. Colorado residents who attend school full time, out of state and pay nonresident tuition qualify for a resident license.
- **5.** Children under 18 have the same residency status as their parent, legal guardian or person with whom they live most of the time per court order.
- **6.** If you have a home in Colorado and another state, call (303) 297-1192 to make sure you comply with Colorado residency requirements before obtaining a hunting or fishing license.
- **7.** Except as in No. 3 and No. 4 above, you lose your Colorado residency if you apply for, buy or accept a hunting or fishing license as a resident of another state or country; register to vote outside Colorado or get a driver's license using an address in another state.

HUNTERS WITH DISABILITIES

Accommodation permits are available to hunters with disabilities.

- 1. Hunters must have a temporary or permanent disability that significantly impairs major life functions and the ability to hunt. Shooting from public roads is not allowed. All wildlife laws must be observed.
- 2. Permits from other states are not honored here.
- **3.** Apply for a permit at least 30 days before hunting. Applications are available at CPW locations, on the website, or call (303) 297-1192.

HUNTERS WITH MOBILITY IMPAIRMENTS

- 1. Some doe deer, cow elk and doe pronghorn licenses are offered to hunters with mobility impairments. Hunters must have a mobility impairment resulting from permanent medical conditions, making it physically impossible to hunt without someone else's help. Evidence includes, but is not limited to, prescribed equipment such as a wheelchair, shoulder or arm crutches, walker or two canes.
- 2. Applications are available at CPW locations and must be mailed with license fees to CPW, Limited License, 6060 Broadway, Denver, CO 80216. Applications accepted from the Monday after the Wildlife Commission meeting in May through the end of rifle seasons. Licenses are first-come, first-served until unit and program caps are reached.

CHILD SUPPORT DELINQUENCY

State and Federal law requires a Social Security number to buy a license. It is not displayed on the license but is provided, if requested, to Child Support Enforcement authorities. Hunting and fishing licenses are not issued to those suspended for noncompliance with child support. Any current licenses become invalid if held by an individual who is noncompliant with child support.

TURN IN POACHERS (TIPs) PROGRAM

TIPs rewards people who provide information resulting in charging poachers. Awards can be a preference point or license. TIPs licenses do not count toward annual bag and possession limits. Go to cpw.state.co.us/bg/TIPS for more.

CERTIFIED HAY MUST BE MARKED

Hay, straw and mulch are illegal on federal land and CPW property unless certified free of noxious weeds. Hay must be clearly marked by certifying agency. People who transport these materials on public roads crossing CPW property are exempt. For a list of weed-free forage, contact Colorado Dept. of Agriculture, (303) 239-4149; Forest Service or BLM; or go to www.colorado.gov/cs/Satellite/Agriculture-Main/CDAG/1216022453427.

TRANSPORTING GAME

- You can be cited for illegally transporting game animals even if someone else made an error. When you transport carcasses or processed meat:
 Carcasses must be properly tagged. You must meet evidence of sex and antler-point requirements. Hunters must keep their own license.
 Carcass tags or donation certificates for 20 pounds of meat or less must accompany processed game meat.
- Carcass tags must be securely attached to carcass, not antlers or horns, or must accompany processed meat.
- **3.** To ship by commercial carrier, the license, photocopy of license, carcass tag or donation certificate must accompany carcass or processed meat.
- 4. Hunters transporting game through national parks or monuments must follow federal regulations. Contact the National Park Service.

DONATING GAME MEAT

Donation certificates are required for all game-meat donations. Certificates must show names, addresses and telephone numbers of donor and recipient; donor's hunting license number; species and amounts donated; date of kill; donor's signature. The certificate can be a simple note; no special form required. It must stay with the meat until completely consumed. Donor and recipient are subject to bag and possession limits.

NOTE: A "like license" is a license for exactly the same species, sex, season and method of take as a donor's license.

- **1.** You can donate to someone **WITH** or **WITHOUT** a like license:
 - a. Any amount of processed and packaged game meat, anywhere.
- **2.** You can donate to someone **WITHOUT** a like license:
 - **a.** up to 20 pounds of unprocessed meat, anywhere. **b.** more than 20 pounds of unprocessed meat, only at recipient's home.
- **3.** You can donate to someone **WITH** a like license:
 - a. up to 20 pounds of unprocessed meat, anywhere.
 - **b.** more than 20 pounds of unprocessed meat, anywhere, only if: (1) recipient's license is unfilled, and
 - (2) recipient's carcass tag is on the meat. This establishes recipient's claim to his/her portion of meat and voids his/her license. Donor's tag must remain with his/her portion.
 - **c.** the entire carcass, if:
 - (1) recipient's license is unfilled, and
 - (2) donor's carcass tag and recipient's like-license carcass tag is on the meat, voiding both licenses.

ACCIDENTAL KILL

Accidental kill is unintentionally killing wildlife not due to carelessness or negligence. You must report big game accidentally killed to a CPW office (*listed on inside front cover*) before continuing to hunt and as soon as practical. Before contacting CPW, field dress the animal. CPW evaluates the circumstances, including shots fired, species and number of animals present, firearms or ammunition, etc. Big game accidentally killed does not count toward annual bag limits.

EAR TAGS, RADIO COLLARS

If you shoot big game with a collar or ear tag, report the number, color, harvest location and date to CPW and return the radio collars.

Get the lead out

cpw.state.co.us/bg/lead

From the field to the table, ensuring your next harvest is safe for your family is important.

Switching from lead bullets may be the right option for you. For more, go to the CPW link above. Science tells us ingesting lead can cause potential health problems. Risks are low for most

people, however, you can also:

1. Use lead-free shot or bullets.

- Liberally trim and discard meat damaged by the bullet when you process an animal. Fragments can scatter far from the wound.
- Clean your meat grinder between each animal. Lead is soft and can go through your grinder, contaminating an entire batch of ground meat.
- Avoid eating game meat from animals harvested with lead bullets if you are pregnant. Children younger than 6 should also avoid it.

HOW TO APPLY FOR A PREFERENCE POINT

To apply for a point, enter **D-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

You must pay the full license cost, even for a point. If you apply for a point only, your money, minus the \$3 application fee and \$10 Habitat Stamp fee, will be refunded. Hunters may be charged \$40 (or \$30 for resident applicants) if you don't meet the criteria for a free preference point.

For more, see page 2 and No. 9 of "Gaining and Using Preference Points" on page 7.

HOW TO READ TABLE SYMBOLS

- » AN ASTERISK (*) in the "Sex" column indicates units that had licenses left after last year's drawing.
- » A PLUS (+) in the "Sex" column is for hunt codes for which an average of a least six preference points are needed for a Colorado resident to draw that license. Calculated on a 3-year period ending with the 2009 drawing.

HOW TO GET MORE THAN ONE DEER LICENSE

IS IT A WHITETAIL OR A MULE DEER?

THERE ARE TWO TYPES OF DEER IN COLORADO,

and it is quite common to find both mule deer and whitetail deer in the same areas, especially on the Eastern Plains.

Since both types of deer have the same general body shape and size, hunters can look for a few key differences to make a positive identifica-

The primary telltale characteristic a hunter should look for is the tail. All of the other identifiers listed here can help in determining the species, but the tail will give you the best clue.

WHITETAIL DEER

- » TAIL: broad and brown with white fringe; all white when tail is up. * This is the best identifier of a whitetail
- » ANTLERS: consist of one main beam with three to five tines pointing upward
- » EARS: smaller in proportion to head
- » GAIT: move with a graceful lope, flag-like tail held up
- » RANGE: common on Eastern Plains and in streamside woodland areas and cropland along rivers

MULE DEER

- » TAIL: rope-like tail with black tip
- » ANTLERS: fork and fork again, usually very evenly, on older males
- » EARS: large in proportion to head on both bucks and does
- » GAIT: stiff-legged bounce, tail held down
- communities

- » RANGE: statewide, in mountain shrubs, foothills,

HOW TO APPLY FOR A PREFERENCE POINT

To apply for a point, enter E-P-999-99-P as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

You must pay the full license cost, even for a point. If you apply for a point only, your money, minus the \$3 application fee and \$10 Habitat Stamp fee, will be refunded. Hunters may also be charged \$40 if you don't meet the criteria for a free preference point. See page 2 and No. 9 of "Gaining and Using Preference Points" on page 7.

NONRESIDENTS must pay at least \$454 to apply for an elk preference point, plus a \$10 Habitat Stamp fee. If your second, third or fourth choice is for bull or either sex, or if your unsuccessful option is for an unlimited bull license, you must pay \$604, plus the \$10 Habitat Stamp fee.

HOW TO READ TABLE SYMBOLS

- » AN ASTERISK (*) in the "Sex" column indicates units that had licenses left after last year's drawing.
- » A PLUS (+) in the "Sex" column indicates hunt codes for which an average of a least six preference points are needed for a Colorado resident to draw that license. This is calculated on a 3-year period ending with the 2009 drawing.

WHAT'S A "COMBINED SEASON"?
The term "combined season" refers to the second, third and fourth rifle seasons, when both deer and elk hunters are in the field at the same time.

FOUR-POINT RULE Bull elk taken in all seasons must have four points or more on one antler, or a brow tine of at least 5 inches long in GMUs: 3, 4, 5, 6, 7, 8, 9, 11, 12, 13, 14, 15, 16, 17, 18, 19, 21, 22, 23, 24, 25, 26, 27, 28, 30, 31, 32, 33, 34, 35, 36, 37, 38, 41, 42, 43, 44, 45, 47, 52, 53, 54, 55, 59, 60, 62, 63, 64, 65, 66, 67, 68, 70, 71, 72, 73, 74, 75, 77, 78, 79, 80, 81, 82, 83, 85, 86, 131, 140, 161, 171, 181, 191, 211, 214, 231, 301, 361, 371, 411, 421, 441, 444, 471, 511, 521, 551, 581, 681, 691, 711, 741, 751, 771, 851 and 861.

NO RESTRICTIONS There are no antlerpoint restrictions for any season in GMUs: 1, 2, 10, 20, 29, 39, 40, 46, 48, 49, 50, 51, 56, 57, 58, 61, 69, 76, 84, 201, 391, 461, 481, 500, 501, 561, 591, 682, 791, or units east of I-25 (except unit 140). Antlers must meet the minimum length of 5 inches long.

RANCHING FOR WILDLIFE There are no antler-point restrictions on Ranching For Wildlife properties, but antlers must meet the minimum length of 5 inches long.

TRANSPORTING OR LEAVING ANTLERS AT TAXIDERMIST

If you leave the head of your harvest with its antlers at a taxidermist, you must get a receipt from taxidermist, with date delivered and description of antlers before you take the carcass home or to a commercial processor.

Head or skull plate, with both antlers naturally attached, must accompany the carcass of bulls in camp or in transit, even when the scrotum or testicles are used as evidence of sex.

Do your part to protect big-game habitat

Invasive species are plants and animals that are not native to Colorado and are capable of causing severe environmental and economic harm. For example, a Montana study showed that dense populations of spotted knapweed reduced available winter forage for elk by 50-90 percent. Elk use increased almost four times after the plant infestations were controlled.

Equipment and vehicles can accidentally transport harmful invasive species into and around Colorado. Follow these few simple steps to protect stop the spread of harmful invasive species!

- big-game habitat and
- » COME CLEAN: Before leaving home, inspect your vehicles and belongings. Remove plants, seeds, insects, animals and mud from vehicles and equipment.
- » USE WEED-FREE HAY: Use weed-free hay when horseback riding or using hay for other purposes.
- » USE LOCAL FIREWOOD: Invasive forest pests are transported in firewood and wood products. Buy firewood near where you intend to burn it. Don't transport firewood into Colorado from out of state. Burn all firewood before leaving the campsite.
- » LEAVE CLEAN: Before leaving, inspect your vehicle and belongings. Remove plants, seeds, insects, animals and mud. Brush hunting dogs and other pets before leaving.
- » CLEAN, DRAIN, DRY WATERCRAFT: Watercraft, including motors and trailers, should be clean, fully drained and allowed time to completely dry in between each use.

- » Only legal muzzleloading rifles and smoothbore muskets are allowed in muzzleloading season. See chart, page 12.

DEFINITIONS

» BUCK: A male animal with horns at least 5 inches long from skull to tip, excluding a prong or point between the base and tip. Bucks have a black cheek patch.

» DOE: A female has no horns or black cheek patch; young bucks with horns less than 5 inches long and no black cheek patch also are in this category. Fawns of either sex are considered does.

» EITHER SEX: A legal buck or doe.

HOW TO APPLY FOR A PREFERENCE POINT

To apply for a point, enter A-P-999-99-P as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

You must pay the full license cost, even for a point. If you apply for a point only, your money, minus the \$3 service fee and \$10 Habitat Stamp fee, will be refunded.

Hunters may also be charged \$40 (\$30 for resident applicants) if you don't meet the criteria for a free preference point.

For more, see page 2 and No. 9 of "Gaining and Using Preference Points" on page 7.

HOW TO READ TABLE SYMBOLS

- » AN ASTERISK (*) in the "Sex" column indicates units that had licenses left after last year's drawing.
- » A PLUS (+) in the "Sex" column indicates hunt codes for which an average of a least six preference points are needed for a Colorado resident to draw that license. This is calculated on a 3-year period ending with the 2009 drawing.

BEAR

ARCHERY, MUZZLELOADER, RIFLE

Black bear by © Joe Maskasky, CPW

NEED TO KNOW

- **1.** Hunting, harvesting or harassing bears inside their dens is prohibited.
- Black bears accompanied by one or more cubs cannot be killed. Cubs

 bears younger than one year old cannot be killed.
- 3. Hunters cannot hunt bear with an "overthe-counter with caps" bear license in a regular rifle deer or elk season west of I-25 or in unit 140, unless the hunter also has a deer or elk license for the same unit, season and method of take. If the deer or elk license is restricted to private land, so is the bear license.
 - This does not apply to archery or muzzleloading bear licenses, or hunt codes B-E-058-P5-R, B-E-059-P5-R, B-E-083-P1-R or B-E-084-P5-R.
- 4. Hunters can hunt bears only with an "over-the-counter with caps" bear license in one bear season. If the deer or elk season dates overlap more than one bear season, the hunter must pick one bear season when purchasing a license.

HOW TO APPLY FOR A PREFERENCE POINT

To apply for a point, enter **B-P-999-99-P** as your first-choice code on your application.

You can gain a preference point as your first choice on your application to use another year. You can use your second to fourth choices to apply for a license.

If you apply for a point only, your money, minus the \$3 application fee and \$10 Habitat Stamp fee, will be refunded.

You may also be charged \$40 if you don't meet the criteria for a free preference point.

For more, see page 2 and No. 9 of "Gaining and Using Preference Points" on page 7.

HOW TO READ SYMBOLS IN HUNT CODE TABLES

» AN ASTERISK (*) in the "Sex" column indicates units that had licenses left after last year's drawing.

» A PLUS (+) in the "Sex" column indicates hunt codes for which an average of a least six preference points are needed for a Colorado resident to draw that license. This is calculated on a 3-year period ending with the 2009 drawing.

HUNTERS MUST GET BEAR INSPECTIONS, SEALS

Hunters must personally present bears to a CPW office (*listed on the inside cover*) for a free inspection, check report and sealing within five working days after the kill.

Bear heads and hides must be unfrozen when presented for inspection. Seals must be attached to the hide until tanned.

Contact the nearest CPW office or CPW officer for inspection and sealing.

At inspection, the CPW is authorized to extract and keep a premolar tooth. If the head and hide are frozen, the CPW may keep them long enough to thaw so that a tooth can be removed. Hunters can help by making sure the jaw is propped open with a stick before rigor sets in.

Bears cannot be taken out of Colorado until hide and skull are inspected and sealed.

Having a bear hide without a seal after the five-day period is illegal, and the hide becomes state property.

To transport a bear or parts to a foreign country, you must first obtain CITES documents. Contact the U.S. Fish and Wildlife

Service, (303) 342-7430. Do not call the U.S Fish and Wildlife Service about inspections or seals for bears.

HOW TO GET MORE THAN ONE BEAR LICENSE

ATTENTION: You may submit **ONLY ONE** application per species each year. Additional licenses for the same species must be obtained as leftovers, over the counter or special licenses issued by CPW. Hunt tables on the following pages show whether each bear license is List A, B or C.

GET 1 LICENSE

(List A)

A

» Check the hunt tables for List A licenses.

GET UP TO 2
(List B)

A+B OR B+B

» Private-land-only licenses

GET THEM:

LIST A AND B: You may purchase **ONE** through the draw, or **ONE** or **BOTH** as leftover licenses, at license agents, CPW locations or online while supplies last.

LIST C: These are issued by CPW locations when available

OVER-THE-COUNTER WITH CAPS: Sold at license agents, CPW locations and online. After the season opens, these are only sold at CPW locations.

GET ANY NUMBER (List C) in addition to any List A or B licenses

A+B+C+C.../B+B+C+C...

- » Over-the-counter licenses for hunt code B-E-087-U5-R
- » Game damage, population management or disease management licenses
- » Ranching for Wildlife licenses held for youth or hunters with mobility impairments
- » One TIPs reward program license a year

NOTE: There are no archery or muzzleloader hunts for bear available in the draw.

Tips for handling game meat safely

Most of the time, properly handled and prepared game meat poses no greater risk than domestic meat of causing or carrying disease that could make humans sick. Hunters are encouraged to contact their local public health department or CPW office for information on wildlife diseases where they plan to hunt. Public health officials recommend the following precautions when handling and preparing game meat:

- Do not handle animals that are obviously sick or found dead. Report sick or dead animals you find to a CPW office near you.
- 2. Keep game cool, clean and dry.
- **3.** Do not eat, drink or smoke while dressing game.
- **4.** Use disposable gloves when cleaning game.
- **5.** Wash your hands with soap and water or use alcohol wipes after dressing game.
- **6.** Clean all tools and surfaces immediately afterward. Use hot soapy water, then disinfect with a 10 percent chlorine bleach solution.
- 7. Cook game meat to an internal tem-

perature of at least 165° F to kill disease organisms and parasites. Juices from adequately cooked game meat should be clear.

- **8.** Do not eat any raw portions of wild game.
- **9.** Do not feed raw wild game to domestic pets.

Go ahead, brag a little.

Andrea usually hunts for sustenance, but she was so successful every year on her rifle elk hunts that her friends told her she needed more of a challenge.

So she tried archery hunting for the first time in 2013.

Find out how she prepared and how her patience paid off — and share your hunt story at **cpw.state.co.us/bg/testimonials**

CHRONIC WASTING DISEASE

WHAT IS IT?

Chronic wasting disease (CWD) is a fatal neurological disease that affects some big-game animals.

The disease attacks the brains of free-ranging and captive deer, elk and moose, causing the animals to become emaciated, display abnormal behavior and uncoordination, and eventually die. Infected animals can show no signs of illness throughout much of the disease.

WHERE IS IT?

CWD has been found in parts of this state and several other states and provinces. In Colorado, infection rates appear higher in males and older animals.

As a result of testing, CWD has been detected in units 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 27, 28, 29, 33, 36, 37, 38, 39, 42, 51, 59, 69, 84, 87, 88, 89, 90, 91, 92, 94, 95, 96, 99, 100, 101, 102, 107, 109, 131, 161, 171, 181, 191, 211, 214, 231, 301, 361, 371, 391, 421, 441, 461, 521, 591, 951. These units are highlighted on the map on the opposite page.

Surveillance summaries also are posted on the CPW website.

PRECAUTIONS TO FOLLOW

CWD is not likely transmissible to humans, according to state and federal health experts.

However, the Colorado Department of Public Health and Environment and CPW advise hunters to take simple precautions when handling carcasses of deer, elk and moose from units where the disease has been detected.

- » Do not shoot, handle or consume animals that appear sick.
- » Wear rubber gloves when field dressing and processing animals.
- » Minimize handling brain, spinal and lymphatic tissues.
- » Wash hands and instruments thoroughly after field dressing.
- » Bone out meat from your animal (following evidence of sex and antler-point regulations).
- » Avoid eating brain, spinal cord, eyes, spleen, pancreas, tonsils and lymph nodes.
- » Do not eat meat from CWD-positive animals.

TESTING YOUR HARVEST FOR CWD

CWD testing for deer and elk is volun-

tary and available statewide.

The test costs \$25 per animal when submitted through CPW. See the CPW webpage (address above) in early August for costs and other details. Test costs may be waived at CPW office submission site's (listed on the inside cover) in seasons or units where more samples are needed.

See moose inspection requirements on page 50 for more details.

PREPARING ANIMALS FOR TESTING

Avoid shooting an animal in the head or neck.

When removing the head, leave 1-2 inches below where the neck joins the skull (just below the first vertebrae). Whole brains or other brain pieces are not accepted for testing.

Alternate tissues may be used for testing. Check the website for details on how to obtain and deliver these tissues.

COLLECTING SAMPLES IN THE FIELD

Hunters may want to learn to collect samples themselves. Keep samples or heads cold but not frozen. Do not submerge in water.

Submit samples or heads as soon as possible, no more than five days after harvest. Hunters can remove antlers before submitting heads. However, animals from units with antler-point restrictions must comply with regulations.

SUBMITTING ANIMALS FOR TESTING

You can take heads or tissue samples to a CPW office submission site (listed on the inside cover) or a participating veterinarian.

You must bring your license so that CPW can scan the bar code and obtain your address and phone number. You will be asked for kill site coordinates or to show it on a map at the submission site, along with the unit and date of harvest.

If someone else submits your animal, they must bring your CID number, but you should keep your license. Submitters should bring the information listed

See the webpage above in early August for submission sites, hours and other details.

TEST RESULTS

All samples are sent to Colorado State University's Veterinary Diagnostic Laboratory for testing.

Testing is for CWD screening only and does not assure the absolute safety of meat for human consumption. Testing accuracy and sensitivity vary, depending on sample type and quality.

No test can assure complete accuracy, and "not detected" results don't exclude the possibility of early stage CWD.

Test results are provided on the CPW website or by calling (303) 297-1192.

Tests are completed as soon as possible. The goal is to provide results within 10-15 working days, subject to volume and laboratory backlog. Suspected positive results are confirmed by a second test, which takes 7-10 more working days.

Because moose samples are tested differently than deer and elk, their initial results may not be available for 15-20 working days or more.

Hunters whose animals test positive are contacted by CPW. If you don't get test results more than three weeks (15 working days) after submission, call a CPW office.

LICENSE FEE AND OTHER REFUNDS

Hunters whose deer, elk or moose test positive for CWD are eligible for a license fee refund or an antlerless license.

If the hunting season has ended or there's not a reasonable amount of time left in the current season, CPW may issue an antlerless license for the next year's season in the same unit where the animal was killed. If antlerless hunting isn't offered in that unit, CPW can designate a substitute unit.

When paid, costs for processing CWD- positive animals are refunded. Requests for reimbursements must be made on CPW forms and accompanied by receipts. Reimbursements up to \$50 for processing allowed without receipts. Reimbursements for deer and elk are limited to \$100 per animal for private processing or \$200 per animal for commercial processing. The maximum allowed for commercial processing of moose is \$250.

FOR MOOSE: If the original license was for a season that closed before Oct. 31, the replacement license will be valid until Oct. 31.

CARCASS TRANSPORT RESTRICTIONS

Nonresidents are encouraged to check with non-Colorado wildlife agencies to see if carcass restrictions apply before taking deer, elk or moose carcasses from Colorado through other states.
