2016 WHAT'S NEW

» **CHANGES TO LICENSE REFUNDS...** Beginning **April 1, 2016**, all licenses must be returned to CPW or postmarked at **least 30 days prior to the start of the season** for which they are valid in order to be eligible for a refund or preference point reinstatement. A \$15 processing fee will be charged on all refunds except for youth licenses or in the case of CPW error. Preference point restoration requests are exempt from the processing fee. Refunds or preference point restoration requests after 30 days prior to season start are limited to extreme medical circumstances, death of license holder or license holder's immediate family member, military deployment or CPW error; the processing fee will not apply. A license cannot be recovered once it has been returned to CPW. Limited licenses that are returned may be available for purchase. Information on how to purchase returned limited licenses will be available after July 1, 2016. Please see the CPW website for the most up-to-date information on license refunds and reissues, cpw.state.co.us/Licenses

» **CHANGES TO HUNTER EDUCATION REQUIREMENTS WILL BEGIN APRIL 2016...** New changes to hunter education requirements in Colorado will begin on **April 6, 2016**. There will be a new test-out option available for the hunter education certification requirement as well as an apprentice license for new hunters.

Hunters age 50 or older or U.S. military personnel defined as active-duty, reserve-duty, veteran and National Guard **can test out** of the hunter education requirements by creating a customer identification number and taking a one-time, online test that must be completed in a single session with a 90 percent pass rate. Hunters age 50 and older must wait 24 hours after successfully passing to purchase a license. Military personnel must take certificate of completion and their military ID to a CPW office for verification and/or license purchase. The cost of the online test is \$25. Hunters who do not score 90 percent or higher on their test must attend a hunter education class.

The free **apprentice license** is a one-year waiver of the hunter education requirement with the aim of getting new hunters in the field. The apprentice license can only be obtained once, is valid from April 1 to March 31 annually, and allows for the purchase of hunting licenses. The apprentice license holder must be at least 10 years old (12 to hunt big game) and must be accompanied by a mentor at all times in the field. A mentor is someone at least 18 years old who has a hunter education certificate or was born before January 1, 1949. They must carry proof of age and their hunter education certificate when in the field. A mentor can accompany up to two apprentices in the field. Please see the website for the most up-to-date information on hunter education, cpw.state.co.us/HunterEd

NEW EITHER SEX HUNT IN UNIT 61... An early rifle either sex hunt has been opened in GMU 61. This high quality hunt opportunity falls during a time when there are no antlerless hunters in the field. *See page 43.*

» DEER

PRIVATE LAND DOE SEASON SHORTENED... The private-land only doe rifle season in GMUs 9, 39, 46, 51, 391 and 461 has been shortened to September 1-November 30. *See pages 24-28.*

HUNT IN UNITS 59 & 511 CONVERTED TO BUCK ONLY... In the effort to increase quota in GMUs 59 and 511, the either-sex hunt has been converted to a buck only hunt. *See page 21.*

» PRONGHORN

UNIT 48 OPEN TO PRONGHORN RIFLE HUNTING... Healthy pronghorn population in the area have allowed GMU 48 to open for rifle hunting, offering a great public-land pronghorn hunting opportunity. The rifle season is consistent with archery and muzzleloader seasons for the unit. *See page 51.*

NEW PRIVATE-LAND ONLY BUCK HUNT IN UNIT 80... Increasing pronghorn numbers in GMU 80 have led to damage on private land. This new private-land only hunt opportunity will help disperse bucks from private land while increasing opportunity for public land hunters. *See page 51.*

BULL MOOSE HUNTING OPEN IN UNIT 43... After the completion of a successful moose reintroduction program, GMU 43 is now open for antlered moose hunting. *See pages 53-55.*

COMBINED AREAS NOW SPLIT... In an effort to improve opportunity and harvest, GMUs 49, 50, 500 and 501 have become a new hunt code and GMUs 39 and 46 split into another hunt code. *See pages 54-55.*

» BEAR

NEW HUNT IN UNIT 61... A robust bear population in GMU 61 has allowed for the opening of a new bear hunt in the unit. To participate in this bear season, hunters must have an elk license for the same unit and season. The licenses for this hunt will be valid on public or private land and will be sold over-the-counter with caps with the like license requirement. Those hunters who have purchased a concurrent regular rifle bear license are not allowed to hunt in the early season. *See page 59.*

PRIVATE-LAND ONLY BEAR HUNTS ADDED... Private-land only hunts have been added to GMUs 15, 27, 181 and 371 within Middle Park to help reduce urban conflicts. These private land hunts will help reduce bear damage and increase harvest opportunity. *See page 58.*

Show Your Pride, Colorado Style

Display your pride and support for wildlife conservation by purchasing a Colorado Sportsmen's License Plate for your vehicle. The plate's simple message, "Hunters and Anglers Fund Conservation," is a great way to educate others about the important role sportsmen play in wildlife conservation. Hunters and anglers fund more than 70 percent of Colorado Parks and Wildlife's annual budget, which helps to protect critical habitat and manage 960 wildlife species.

The plates may be ordered at statewide DMV offices. For further information, visit: cpw.state.co.us/Sportsmen-Plate

LICENSE REQUIREMENTS

1. Hunters must have a license to hunt. Sign it and carry the original with you while hunting.
2. A hunter may hunt only the animal, sex, season, units and method of take authorized by the license. Complete season dates may not be printed on the license because of space constraints. Check the details in this brochure for your specific license.
3. It is illegal to give false information to obtain a license. It also is illegal to alter a license or to loan, transfer, sell or give your license to someone else.
4. If you lose or destroy your license, a duplicate is available for half the price of the original license, but not more than \$25. You can get a duplicate before the season opens from any license agent. After the season begins, duplicate licenses are available only at CPW locations.
5. Licenses expire on the expiration date printed on the license.
6. Nonresidents can continue to use their combo fishing license after harvesting a big-game animal, as long as the carcass tag is the only part of the license that has been detached. The rest of the license must remain intact.

HUNTER EDUCATION (SAFETY) REQUIREMENTS

1. The apprentice license is a one-year waiver of hunter education requirements. See page 1
2. One-time test-out option available for hunters 50 and older or U.S. military personnel. See page 1
3. Anyone born on or after Jan. 1, 1949, must have a hunter education card to hunt in Colorado.

HABITAT STAMP

1. Anyone ages 18-64 **MUST** purchase a Habitat Stamp in order to buy or apply for a preference point or for a hunting or fishing license.
2. Habitat Stamps are \$10 and are nonrefundable. One is required per person per year, valid April 1-March 31. A lifetime stamp is \$300.25.
3. Hunters ages 18-64 applying for a limited license must purchase a 2016 Habitat Stamp to apply in the drawing process. To purchase a stamp with your draw application, include \$10 in addition to your license fee when sending your application. If applying online, it will be added automatically, if needed. Paper applications submitted for hunters who do not have a Habitat Stamp will be disqualified from the draw.
4. **EXEMPTIONS:** Anyone with a free lifetime fishing license, a veteran's lifetime combination small-game hunting and fishing license, or those approved for the Big-Game Mobility Impaired Hunting Program are exempt. See cpw.state.co.us/Accessibility for details.

PREFERENCE POINT FEES

» **HOW IT WORKS.** If you do not hold an active 2015 annual* or big-game license, or do not receive a license through the draw, you will be charged **\$40 PER SPECIES** (for elk, deer, pronghorn and bear) for which you get a preference point. This fee applies to residents and nonresidents. However, residents getting deer or pronghorn preference points will be charged only \$30 for each of those.

For example: If a nonresident (who isn't exempt from the fee) receives a point for all four species, they will be charged \$160. A resident would be charged \$140.

» **HOW TO AVOID IT.** If you don't want to pay the fee, you have until March 31, 2016, to purchase a 2015 annual fishing, annual small game, annual resident combination fishing and small game, or resident senior fishing license.

» **HOW WILL I BE CHARGED FOR IT?** If you are charged the preference-point fee, it will be deducted from your 2016 big-game application refund(s). For example, if you're a resident and apply for a deer license or preference point and don't draw (and you are not exempt from the fee) you will receive a \$1 refund.

* **ANNUAL LICENSES INCLUDE:** annual fishing, annual small game, annual resident combination fishing and small game, or resident senior fishing license. Any returned licenses do not qualify.

LICENSE OPTIONS & AVAILABILITY

OPPORTUNITIES TO HUNT

LICENSE SALE DATES

Colorado offers several different types of big-game licenses and different options for purchasing them

AVAILABLE IN THE DRAW, APPLICATION DEADLINE **APRIL 5**

» LIMITED LICENSES

To get a limited license or preference points, hunters must apply for the draw in April — this is a process that awards licenses to hunters for specific units and dates. These are distributed through an application and drawing process. They include public-land hunts, private-land-only licenses and Ranching for Wildlife (RFW) licenses.

- » **PRIVATE-LAND-ONLY** licenses include private lands within GMUs listed on the licenses as well as State Trust Lands not leased by CPW but which have an active private recreational lease through the State Land Board (*hunters should ask the landowner if this applies*). Permission from private landowners is always needed before hunting with a private-land-only license. Please get permission before applying.
- » **RANCHING FOR WILDLIFE** licenses are available to all Colorado residents. Resident hunters may apply to hunt a specific ranch. Each ranch has specific rules. *See page 14 for more.*

» LEFTOVER-DRAW OPTION — ELK AND DEER APPLICANTS ONLY

Elk and deer applicants can have the first chance at the limited licenses that are left after the draw by checking the “Leftover Draw” box on the application where it states, “If unsuccessful, send me...” (*See below*).

AVAILABLE STARTING **JULY 26**

» **OVER-THE-COUNTER LICENSES WITH CAPS** A preset number of licenses are available on a first-come, first-served basis for both resident and nonresident hunters. These are called licenses “with caps.” They are sold online, by phone at 1-800-244-5613 or at CPW locations and license agents starting at 9 a.m. (MDT) July 26.

» **OVER-THE-COUNTER UNLIMITED LICENSES** These are available to both resident and nonresident hunters starting at 9 a.m. (MDT) July 26. They are sold online, by phone at 1-800-244-5613, at license agents and CPW locations around the state. There are an unlimited number of these licenses that may be purchased any time up until the day before your hunting season starts. After the season starts, they are available at CPW offices only, except for archery elk OTC licenses and plains elk OTC licenses, which can be purchased at any license agent.

AVAILABLE STARTING **AUGUST 2**

» **LEFTOVER LIMITED LICENSES** These are available to both resident and nonresident hunters. They are the limited licenses remaining after the draw and leftover draw processes. They go on sale in person and by phone at 9 a.m. (MDT) on Aug. 2. Call 1-800-244-5613. These licenses are sold by different methods at different license agents on Aug. 2. Contact the license agent you plan to go to for details. They also are available online on the CPW website starting at midnight Aug. 3.

ADDITIONAL DEER & ELK OPPORTUNITY

THE ‘LEFTOVER DRAW’ EXPLAINED

The Leftover Draw gives deer and elk applicants who were unsuccessful in the draw the first chance at the limited licenses that are left once the primary draw is completed.

- » **ENTER AUTOMATICALLY** Check the “Leftover Draw” box on your application where it states, “If unsuccessful, send me...” In June, you’ll be mailed the list of limited licenses that are still available and another application. Submit this application by mail and you’ll go through another draw process called the Leftover Draw, which is similar to the first draw. **IF YOU APPLIED ONLINE FOR THE FIRST DRAW, YOU CAN ALSO APPLY ONLINE FOR THE LEFTOVER DRAW.**
- » **BENEFITS** Youths 12-17 receive priority in the Leftover Draw. You can participate in the Leftover Draw by mail or online, so you can skip waiting in line and secure your license before they go on sale to the public on Aug. 2.

NONRESIDENT LICENSE ALLOCATIONS

Nonresident allocations are determined by the average number of preference points a Colorado resident needed to draw a specific license during a 3-year period that ended with the 2009 drawing. (Units with low numbers of available licenses may not have any remaining for nonresidents after resident licenses are drawn.)

1. For elk and deer hunt codes that required six or more points for a Colorado resident to draw, up to 20 percent may go to nonresidents. These hunts are designated in unit tables by a “+” under the “SEX” column.
2. For hunt codes that required fewer than six points for a Colorado resident to draw an elk or deer license, up to 35 percent may go to nonresidents.
3. Nonresident allocations may increase if licenses remain after all Colorado resident first choices have been drawn for that hunt code.
4. License allocations do not apply to private-land-only and Ranching For Wildlife licenses.
5. In a group of applications made up of both residents and nonresidents, all nonresidents in the group will count against the nonresident allocation.

LANDOWNER PREFERENCE PROGRAM

ATTENTION: As of the 2015 license year, all previous versions of landowner preference have been replaced with the Landowner Preference Program (LPP). The Priority Preference Program, Pilot Program and Regular Landowner applications are no longer accepted.

FOR LANDOWNERS:

- Deer, elk and pronghorn licenses (*in units that are totally limited for all rifle licenses*) are allocated to deeded landowners who own at least 160 contiguous acres of private agricultural land.
(Further qualifications apply – see website.)
- Landowner preference quotas are:
 - » **GMUs WEST OF I-25:** 10 percent of the quota of public licenses may be issued as a voucher valid for a specific hunt code. An additional 10 percent of the public quota may be issued as a private-land-only voucher.
 - » **GMUs EAST OF I-25:** 15 percent of the quota of public licenses may be issued as a voucher valid for a specific hunt code. An additional 10 percent of the public quota may be issued as a private-land-only voucher and may only be transferred to a youth or an immediate family member.
- LPP applications are drawn just before CPW's public limited drawing. Successful landowners receive a voucher for each winning hunt code. Landowners will be notified at the same time as public applicants.
- The deadline to register for 2016 has passed. Registrations for 2017 may be submitted

MORE ABOUT THE LANDOWNER PREFERENCE PROGRAM ONLINE

cpw.state.co.us/bg/landowner

through Dec. 1, 2016, at the web address listed above. Registrations are valid for up to five (5) years.

FOR HUNTERS:

- The landowner or designated land manager must transfer the voucher directly to the hunter. A voucher that has been transferred by any person who is not the landowner or designated land manager is void. A voucher that is brokered for another person is void. A hunting license obtained for use with a void voucher is also void. No person shall broker a voucher on behalf of any landowner or person, or use or possess any brokered voucher.
- The transfer of the voucher occurs when the hunter's name is written on the voucher, or the landowner or designated land manager hands (or mails) the voucher to the hunter.
- Landowner vouchers may be transferred one time only.
- If a hunter cannot use a voucher, the

voucher becomes **VOID**. The voucher **CANNOT** be reprinted or transferred to another hunter, even if the voucher has not been redeemed for a license.

- Annual bag limits still apply. Be sure you can legally have the license before acquiring a landowner voucher. List A, B or C is printed on the voucher. See pages 17, 19, 33 and 48 for details.
- The transfer of a voucher by a landowner or designated land manager must include permission to access and hunt all of the registered land for which the voucher was awarded, and for the entire season for which the voucher was awarded; without discrimination among hunters entering the land. Restrictions are not allowed, except for manner of access (*i.e. foot, horseback, vehicle*) reasonably necessary to prevent damage to land.
- The voucher must be taken to a license agent or CPW location to be redeemed for a proper and valid license **PRIOR** to hunting. The appropriate license fees are paid at that time.
- A list of landowners is **NOT** available from Colorado Parks and Wildlife.

AUCTION AND RAFFLE LICENSES

WIN THE HUNT OF A LIFETIME — TODAY!

Special auction and raffle licenses are available for moose, deer, elk, bighorn sheep, mountain goat and pronghorn. The licenses allow one to hunt during extended seasons in any unit open to hunting the specific species. These licenses are offered by participating wildlife conservation organizations that return at least 75 percent of the proceeds to CPW for research, management and education.

Photo by Thad McCool for CPW

Thad McCool won a statewide moose raffle tag in 2015 and spent four months scouting the state in the hunt of a lifetime. "I saw more of Colorado in a few months than I have in my whole lifetime living here. This beautiful state truly has so much to offer for hikers, outdoorsmen, hunters and anglers."

YOUTH HUNTING

ELK, DEER, PRONGHORN OPPORTUNITIES FOR HUNTERS AGES 12-17

Youth Expanded Hunting Opportunities

CPW expanded youth hunting by giving kids more opportunities to harvest big-game animals.

Former late-season elk hunts for youths are now an extended season, offering youths a chance to pursue either antlerless deer or elk during any rifle season open to antlerless hunts.

Youths may also still hunt pronghorn does during December.

Check out these pages to find out how it all works...

» A complete list of available hunts for the youth extended season and the corresponding units

DEER AND ELK HUNTS IN 2016

1. CHOOSE YOUR SPECIES

Youths may hunt antlerless deer or elk in extended seasons. Youths may hunt only the same species that is on their original license.

2. CHOOSE WHEN TO HUNT

If a youth does not fill their original limited antlerless deer, antlerless elk or either-sex elk license — whether it's for archery, muzzleloader or rifle hunting — they may continue to hunt during any of the rifle seasons listed in this brochure (*except for Ranching For Wildlife*). They must hunt within areas specified on the maps on page 6 and there must be an antlerless hunt going on in the unit and season they wish to hunt.

3. PLAN AHEAD

To hunt deer or elk in the extended season, youths must buy a limited antlerless deer, antlerless elk or either-sex elk license. If they don't fill their tag during the original season, they will be able to continue hunting in certain areas of the state. Look at the maps on page 6 to make sure you purchase the original deer or elk license in the right area.

4. FOLLOW THE RULES

When participating in the extended season, youths **MUST** follow all the rules of hunting during the rifle season, including wearing blaze orange and using a method of take allowed in rifle season. Youths must also follow all unit restrictions where they choose to hunt in the extended season, including any private-land-only designations and any unit boundary restrictions.

PURCHASING & CONVERTING LICENSES

- » Youths must purchase their original license through the draw, from the leftover licenses list.
- » Either-sex elk licenses must be converted at a CPW office if the original license is unfilled and the youth wishes to continue hunting an antlerless animal.
- » Over-the-counter archery licenses, OTC whitetail licenses, any antlered licenses, and either-sex plains rifle elk licenses may NOT be converted to participate in the extended season.

BIG GAME HUNTING RULES FOR YOUTHS

HOW TO PARTICIPATE

1. Youths must be at least 12 and meet hunter education requirements.
2. Youths must have an unfilled limited antlerless deer, antlerless elk or either-sex elk license after their original season ends. Then they may participate in any open rifle antlerless deer or elk hunt that begins after the last day of the season listed on their original license. (*Does not include Ranching For Wildlife.*)
Youths may hunt in the areas specified on the maps (page 6), and must hunt the same species listed on their original license.
3. Youths with an unfilled either-sex elk license must take the original license to a CPW office to have it converted to an antlerless license before hunting any extended seasons.
4. Youth hunters must be accompanied by a mentor who is 18 or older and also meets hunter education requirements. Youths and mentors must be able to see and hear each other while hunting. Mentors can hunt only if they have a current license valid for the same units and dates when the youth will be hunting.
5. Youths must follow all applicable regulations for any hunts and units they select during the

extended season, including season dates and geographic restrictions.

6. Antlered licenses, over-the-counter licenses and either-sex plains rifle elk licenses may not be converted for extended youth hunting.

AGE REQUIREMENTS

1. Youths ages 12-17 are offered reduced-cost licenses for deer, elk and pronghorn.
2. At age 11, youths can buy or apply for a license if they turn 12 before the end of season on the license. Youths cannot hunt with the license until they turn 12.
3. Youths who get their original license when they are 17 and later turn 18 may participate in the late season hunt. Youth hunting rules still apply, even though the hunter is 18 while hunting.
4. Youths cannot apply for a youth limited license if they turn 18 on or before Feb. 12 this year. Youths must be 12-17 at time of purchase to buy a youth unlimited or leftover license.

YOUTH DRAW PREFERENCE

1. A minimum of 15 percent of limited licenses for doe pronghorn, antlerless and either-sex deer and antlerless elk for each GMU shall

be available for youths ages 12-17 who meet hunter education requirements.

These licenses are available by drawing for all seasons and methods of take — including early and late rifle seasons. Licenses not drawn by youths are available to the public. (*The Air Force Academy unit and Ranching for Wildlife hunts are excluded from this.*)

2. Youth hunt codes in GMUs 55, 66, 67 and 551 have been replaced with a youth preference set at 50 percent for all antlerless deer licenses in those GMUs.
3. Group applications are not accepted.
4. If youths enter more than one hunt code on their application, all hunt codes must qualify for youth preference.

YOUTH OUTREACH LICENSES

Youth Outreach licenses are offered for deer, elk and pronghorn to qualified organizations sponsoring youth hunting activities. Application procedures are on the CPW website, cpw.state.co.us/YouthOutreachLicense

WHERE TO HUNT ELK AND DEER?

- » Youths may hunt in any area on the map within the red boundary that also contains the unit for which they purchased their original license. (*Units with lines through them are not open to extended-season hunting.*)
- » Youths may only hunt the extended season when an open antlerless rifle hunt is going on in the unit they choose to hunt.

FOR EXAMPLE...

- » An original license is purchased in the draw for a youth to hunt either-sex elk in unit 49 during archery season.
- » The youth does not harvest during archery season and takes the tag to a CPW office to convert it to antlerless.
- » The youth, accompanied by a mentor, may continue to hunt during any of the rifle seasons listed in this brochure for units 49, 57 or 58, as long as there is an antlerless season in progress in the unit the youth wants to hunt. Look at the rifle elk tables in this brochure to find these hunts, or look at the list of acceptable hunts online at cpw.state.co.us/youthhunting.

WHERE TO HUNT PRONGHORN

1. Youths must be ages 12-17.
2. Youths must have an unfilled pronghorn doe or either-sex license for a season anywhere in the state that has ended. If so, then they may participate in any December pronghorn doe season in the following units: 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 143, 144, 145, 146 or 147.
3. Youths with an unfilled either-sex pronghorn license must bring that license to a CPW office to have it converted to a doe license before hunting in a December season.
Youths with doe licenses do not need to convert those licenses, the original license is valid for an extended hunt.
4. Unfilled pronghorn buck licenses may not be used to participate in this program.
5. Youths must comply with all regulations that apply to the December season they hunt.

HYBRID DRAWING ELK, DEER, PRONGHORN

To expand quality opportunities to big-game hunters, the Colorado Parks and Wildlife Commission offers a "hybrid" drawing for select elk, deer, pronghorn and bear licenses.

The purpose of the drawing is to give hunters additional opportunity to draw a license for some of the state's premier deer, elk, pronghorn and bear hunting areas.

Hunters who normally would not have enough preference points to draw these licenses now have a slight chance to draw a small number of the most coveted licenses through this process.

Nonresident caps apply. *(Units with low numbers of available licenses may not have any remaining for the Hybrid Drawing.)*

HUNTER QUALIFICATIONS

Qualified hunters wishing to participate in the Hybrid Draw must meet the following criteria and chose from the hunt codes listed at right as their first choice on their application.

1. Hunters must have a minimum of five preference points for the species they wish to hunt to participate in the Hybrid Drawing.
2. Hunters must apply individually (group applications are not accepted).
3. Hunt codes that contain a "W" are Ranching for Wildlife properties. These hunts are for Colorado residents only.

HOW IT WORKS

In hunt codes that require 10 or more resident preference points to draw (based on a 3-year average ending with the 2009 drawing), 20 percent of the available licenses will be issued through a random drawing.

Qualified resident and nonresident hunters who select applicable hunt codes (listed at right) and have at least five preference points for that species will automatically enter the Hybrid Drawing.

- » These hunt codes must be entered as your first choice on your application.
- » Winning applicants in the Hybrid Drawing will be selected randomly.
- » Hunters who successfully draw a license in the Hybrid Drawing lose all of their preference points for that species. Unsuccessful applicants will be awarded one point.

7. Validate your hunt codes and enter your hunter ed and group information (*if applicable*).
8. Complete your purchase by verifying that your hunt codes are entered correctly and then enter your credit card information. The 2016 Habitat Stamp will automatically be added to your purchase at this time if it is required.

2. **NEW CUSTOMERS:** Use the paper change-of-address form in this brochure. Mail the change-of-address form separately, do not include it with your application. Mail it to: CPW Address Change, 6060 Broadway, Denver, CO 80216.

To get a refund or preference point(s) restored, you must relinquish your license and carcass tag at least 30 days before opening day of the season for which the license is valid. License must be accompanied by a completed request form obtained at a CPW location or on the website. A \$15 processing fee will be charged on all refunds except for youth licenses or in the case of CPW error. Refunds will NOT be given on exchanged licenses or licenses that cost less than \$15. Preference points are reinstated to a pre-draw level, you do NOT receive an additional preference point for 2016. Requests must be postmarked at least 30 days before the season starts. If there isn't enough time to request a form, mail your license and carcass tag with a letter to CPW. It must be postmarked 30 days before the season starts and mailed to CPW, attn: Refund Office, 6060 Broadway, Denver, CO 80216.
3. Once there are less than 30 days until the season starts, refunds or preference point restorations are limited to extreme medical circumstances of licensee, death of the licensee or death of licensee's immediate family member, or members of the U.S. military whose service prevented them from requesting a refund or reinstatement on time. These requests must be accompanied by evidence that the license has not been used and circumstances precluded the licensee from being able to make their request 30 days or greater from season start.
4. Refunds and preference point restorations are only considered at least 30 days prior to the start of the season. The only exception is for extreme circumstances or members of the U.S. military as noted above.

HOW TO READ HUNT CODES

HUNT CODES CONTAIN A LOT OF INFORMATION.

Learning how to read hunt codes can ensure that you apply for the right hunt in the limited license drawing each year. Here's a quick how-to:

- 1. THE FIRST LETTER** of the code designates the species. (D = deer, E = elk, A = pronghorn, M = moose and B = bear)
- 2. THE SECOND LETTER** of the code designates the sex of the animal you want to hunt. (M = male, F = female and E = either sex)
- 3. THE THIRD PART, THREE NUMBERS**, designates the unit you want to hunt. (001 = Unit 1, 201 = Unit 201, etc.; 000 = multiple units). If more than one unit is valid, only the lowest unit number will show.
- 4. THE FOURTH PART, A LETTER AND A NUMBER**, indicates hunt dates. For example, O1 = first season, O2 = second season, O3 = third season and so on. P is for private-land-only hunts followed by the season number: P1, P2, P3, P4 and P5. E1 = early season, L1 = late season, K2, K3 = youth only hunts. There are also Ws or Js for Ranching for Wildlife and S for a split unit or season choice license.
- 5. THE LAST LETTER** in the hunt code indicates what manner of take the license is good for. A = archery, M = muzzleloader, R = rifle and associated methods.

HOW TO READ HUNT CODE TABLES IN THIS BROCHURE

HUNT TABLES SHOW THE LIMITED LICENSES AVAILABLE. These are available through the draw or as leftover licenses. (Some hunt tables in the bear section include hunt codes for over-the-counter licenses. These are not available through the draw.)

- 1. THE TITLE** on the top of each table describes the big-game species and method of take for the hunt codes within that table. Start here to find the method of take you wish to hunt. Tables are color coded the same throughout the brochure.
- 2. THE UNIT COLUMN** is where you will look next to locate the game management unit you wish to hunt. Please read the unit tables carefully. Some licenses are valid in one unit only, while others are valid in multiple units. Here's how to tell where you can hunt:
 - » If the hunt code for a certain unit is also valid in additional units, the **VALID UNITS** column will list all the units where you can hunt with that same license.
 - » If a unit has the same hunt details and hunt codes as another unit, the chart will read, **"SEE UNIT:"** Look up the unit referred to for the correct hunt codes for your hunt. For example, see unit 37 in the sample chart at right.
- 3. THE VALID UNIT** column will also display information for each hunt and whether it is **PRIVATE LAND ONLY** or has other restrictions. If a hunt is labeled private land, you should get permission from a landowner in that unit before you apply for that license.
- 4. THE DATES** column lists the applicable season dates when the license is valid. Please look at the rows carefully, as each unit may have multiple hunt dates.
- 5. THE SEX** column indicates which sex of animal can be hunted for that specific hunt code. Please read the information carefully because the sex of an animal that is related to a certain hunt code may have changed since the previous year.
- 6. THE HUNT CODE** column displays the code you will use to apply for the license you desire. Read the information carefully, as there are many possible hunt codes associated with each unit, and they may have changed since the last time you hunted. Please see section above on how to read hunt codes.
- 7. THE LIST** column displays what type of license you are buying. There are opportunities to purchase more than one license during the year, as long as the licenses meet the requirements of being List A, B or C. For details, see "How to get more than one license" sections under the big-game species you'd like to hunt in the following brochure pages. When applying in the draw, **DO NOT** include the list letter on the application. You may submit only one application per species, per year.

OTHER HUNT TABLE SYMBOLS

- 1. A DOT (•)** In the **UNIT** column indicates there is a special note about that unit, displayed below the hunt code information. As shown with unit 40 above.
- 2. AN ASTERISK (*)** In the **SEX** column indicates units that had licenses left over after last year's drawing. There may be a good chance of licenses left over this year, too, giving you a chance to draw that license as a second, third or fourth choice on your application, or by purchasing as a leftover license.
- 3. A PLUS (+)** In the **SEX** column indicates hunt codes for which an average of at least six preference points are needed for a resident to draw that license. This is only an average and does not guarantee a license will be drawn. *These calculations are based on a 3-year period ending with the 2009 drawing.*

NO APPLICATION ERRORS ACCEPTED

REMINDER: Customers will **NOT** be contacted to fix any application errors prior to the draw. Those applications will be disqualified immediately.

» **"IF UNSUCCESSFUL SEND ME..."** Place an "X" in the correct box to tell us what to do if you don't draw a license. Unsuccessful pronghorn applicants who leave this box blank automatically get a refund. Unsuccessful deer and elk applicants who leave it blank are entered into the leftover draw.

Your choices here include:

a. **LEFTOVER-DRAW OPTION:** Deer and elk applicants have first choice of the licenses left after the drawing by participating in the leftover draw. See page 3.

b. **A REFUND:** If you want a refund, your license fee will be refunded. The \$10 Habitat Stamp and \$3 application fees are not refunded if you choose a refund.

NEW! Refunds must be requested 30 days prior to the start of the season for which the license is valid. A \$15 processing fee will be deducted from most refunds to cover administrative costs.

c. **ARCHERY OR RIFLE OPTIONS FOR ELK:** Applicants may select an over-the-counter license. See maps, pages 34-37.

d. **PRONGHORN ARCHERY:** Applicants may select an over-the-counter license. See map, page 49.

» **HABITAT STAMP** You must purchase a 2016 Habitat Stamp to apply for the draw or buy a license.

ATTENTION: Applications will be disqualified from the draw if the hunter has not yet purchased a 2016 Habitat Stamp.

If you mail in applications for more than one species, include \$10 with only **ONE** of your applications. If you choose to include the Habitat Stamp fee with an application, put an "X" in this box.

The Habitat Stamp fee is nonrefundable, whether or not you draw a license. Habitat Stamps are also available at license agents, CPW locations or online.

» **PREFERENCE POINTS** If you have preference points for this species, mark an "X".

» **HUNTER EDUCATION** Put an "X" in this box if you have a valid hunter education card. Proof of hunter education is required in Colorado if you were born on or after Jan. 1, 1949.

» **SOCIAL SECURITY NUMBER** Your Social Security number (SSN) is required by federal and state law to apply for licenses. If you have applied before and have already given it to us, leave this blank.

The SSN is not displayed on licenses. If you wish, you can contact CPW directly to give your SSN over the phone or in person.

» **SIGN YOUR APPLICATION** Read the certification statement carefully, then sign the application. Include a phone number where you can be reached before 5 p.m. MST. Unsigned applications may be rejected.

Include your payment check with your application. See submission details on page 8.

≡ | HOW PREFERENCE POINTS WORK

- 1. ONE PREFERENCE POINT IS AWARDED** to hunters who apply properly and are unsuccessful in drawing a license for a first-choice hunt code for big-game species in this brochure. You may apply for a preference point as your first-choice hunt code. Hunters who make an application error, including on first-choice hunt codes, do not get a point.
- 2. YOUTHS** can apply for a point if they turn 12 by Dec. 31 of the application year.
- 3. IF YOU ARE ISSUED A FIRST-CHOICE LICENSE**, all accumulated preference points for that species become void and return to zero.
- 4. IF UNSUCCESSFUL** for a first choice, your accumulated points will be listed on your refund, leftover-drawing application or other-choice license.
- 5. POINTS ACCUMULATE** until you draw a first-choice license. If you fail to apply for or have not purchased a license during a 10-year period, all accumulated points for that species are purged from your record and become void.
- 6. PRIORITY** goes to those with the most points, except when the license quota or nonresident cap would be exceeded.
- 7. GROUP APPLICATION** priority is based on the member with the fewest points. See section below.
- 8. SECOND-**, third-, fourth-choice, over-the-

counter and leftover hunts don't use or generate points.

- 9. \$40 PREFERENCE POINT FEE.** Hunters will be automatically assessed \$40 per species (\$30 for resident deer and pronghorn) for a preference point unless they have purchased one of the following: an annual fishing, small-game, resident combination small-game and fishing, furbearer or a big-game license in the previous year; or a current limited license in the draw for the same species for which they seek a point.
The point fee is waived for youths, lifetime license holders, free senior annual fishing license holders and residents who are in the military on active duty outside Colorado.
- 10. WEIGHTED PREFERENCE** increases your probability of drawing a moose license. It is calculated by converting your application number into a different application number, then dividing that new number by the amount of weighted points you have, plus one. This generates another new application number. Applications are sorted by this new number from lowest to highest and low numbers for each hunt code are awarded licenses.
You can have a maximum of three points for moose. If you have three and

PREFERENCE POINT HUNT CODE

Specific preference-point hunt codes are listed at the front of each species section in this brochure.

Entering this hunt code as a first choice on your application automatically awards you a point, if eligible. You can choose other hunt codes as your second, third or fourth choices.

Do not submit a separate application for preference points or both applications will be disqualified.

You must pay the full cost of a license and meet all requirements even if only applying for a point. If only applying for a point, your money, minus the \$3 application fee and \$10 Habitat Stamp fee, is refunded. An additional \$40 (\$30 resident deer or pronghorn) may be deducted if you don't meet the criteria under No. 9 in "How Preference Points Work."

- you fail to draw a first-choice license, you receive weighted preference for moose.
- 11. PREFERENCE POINTS ARE NOT TRANSFERABLE.** Points are awarded for specific species, not by hunt codes, sex, unit(s), season(s) or method of take.
 - 12. ACTIVE DUTY U.S. MILITARY** stationed in Colorado or who claim Colorado as their home of residence and are deployed outside the U.S. are eligible, when they return home, to apply for preference points for any limited license drawings they missed while deployed. Applications will be available at the end of July.

≡ | HOW TO APPLY AS A GROUP

- 1. GROUP HUNTS:** Group applications for any number of people are accepted for all big-game species in this brochure except moose. Group applications entering the draw for deer, elk, pronghorn and bear licenses have priority based on the group member with the fewest preference points. Group members must apply for the same species, hunt code, unit, geographic restrictions, season and method of take for each choice, but may apply for a different sex. All group members must have the same hunt code choices on their applications (other than sex). Each member must list the same first-choice hunt code and the same number of other hunt-code choices. These choices **MUST** be in the same order on all group applications.

If anyone in the group makes an application error or doesn't pay the correct amount, everyone in the group is disqualified.

- 2. CHOOSE A LEADER:** One person must be the group leader. If there are differences in the number or order of hunt codes on the applications the leader's choices are used.
- 3. ENTER LEADER CID NUMBER ON ALL APPLICATIONS:** All group members — including the leader — must enter the same CID number in the group application box to be entered as a group. If the leader has no CID, they must call CPW to get one. All group members must use the same person as the leader.
- 4. HOW GROUPS ARE AWARDED LICENSES:** Each hunter's application must be submitted separately. Groups are assigned a number. If

that number is selected in the draw, everyone in the group gets a license. If the group is selected and there aren't enough licenses for everyone, the group will not get licenses. If the group includes resident and nonresident applicants and the nonresident cap has been met, the group will not get licenses. Group applications are not accepted for the leftover draw. Group members who choose the leftover draw will go through as individuals.

- 5. PREFERENCE POINTS, REFUNDS, NOTICES:** If everyone in the group is successful for their first choice, they all get a license and their preference points drop to zero. If unsuccessful for their first choice, everyone gets a point. Licenses, refunds and notifications are sent to each individual.

≡ | WHAT LICENSE DID YOU DRAW?

Can't wait to see what license you get in the mail? All big-game licenses will be in the mail by June 17, but if you'd rather not wait to find out what you drew, there is a way to find out online.

- » **GO ONLINE.** Go to cpw.state.co.us/DrawResults on or after June 1.
- » **VIEW YOUR DRAW RESULTS.** Enter your ID information and you will be able to see your draw results for the last several years, as well as your current preference point levels.

NOTE: If you like surprises and prefer to wait until you receive your license in the mail, make sure you open it immediately and verify that all information is correct and that you are familiar with all of the restrictions related to the species and unit(s) you will be hunting.

TOOLS, TIPS AND RESOURCES FOR HUNTING COLORADO

BIG-GAME SPECIES IDENTIFICATION

TIPS FOR IDENTIFYING ANIMALS

- 1. ID FIRST, TRIGGER FINGER SECOND.** Take as much time as is necessary to identify an animal before you shoot. Use your binoculars, not your rifle scope, to make a positive ID on an animal. Then put your finger on the trigger.
- 2. STUDY THE BODY.** There are telltale ways to tell different animals apart. Don't just look at an animal's antlers, study the entire head and body of an animal before you shoot. This will help distinguish elk from moose and mule deer from whitetails.
- 3. WATCH FOR BABIES.** When hunting elk or moose, be careful not to mistake a moose calf for a cow elk. Young moose have a reddish coat, similar to an elk. Also, it is illegal to kill a bear that has cubs with it. Bear cubs younger than a year old cannot be harvested.
- 4. MAKE A MISTAKE?** Accidents happen. If you've shot the wrong species of animal in the field, don't panic. Call the local district wildlife manager or the CPW office nearest to you listed at the front of this brochure. Admitting a mistake is a hunter's most responsible plan of action.

ATTENTION! Moose can be found in the same habitat as elk in Colorado. Elk hunters must know the difference between the two species to avoid accidentally killing a moose.

ELK

TRAITS

- » **BODY:** reddish, lighter brown, darker legs
- » **NECK:** chestnut brown
- » **SNOUT:** slender
- » **RUMP:** pale yellow
- » **BULLS:** antlers aren't palmated and have obvious brow tines coming off main beam

MOOSE

TRAITS

- » **BODY:** dark, black-brown with white-gray legs
- » **NECK:** larger bell (beard) on throat
- » **SNOUT:** overhanging, bulbous nose
- » **RUMP:** pale yellow
- » **BULLS:** palmated antlers with tines

ATTENTION! It is quite common to find both mule deer and white-tailed deer in the same areas of the state, especially on the Eastern Plains. Since both types of deer have the same general body shape and size, hunters can look for a few key differences to make a positive identification. The primary telltale characteristic a hunter should look for is the tail.

MULE DEER

TRAITS

- » **TAIL:** rope-like tail with black tip
- » **ANTLERS:** fork and fork again, usually very evenly, on older males
- » **EARS:** large in proportion to head on both bucks and does
- » **GAIT:** stiff-legged bounce, tail held down
- » **RANGE:** state-wide, in mountain shrubs, foothills, communities

WHITE-TAILED DEER

TRAITS

- » **TAIL:** broad and brown with white fringe; all white when tail is up.
- » **ANTLERS:** consist of one main beam with three to five tines pointing upward
- » **EARS:** smaller in proportion to head
- » **GAIT:** move with a graceful lope, flag-like tail often held up
- » **RANGE:** common on Eastern Plains and in streamside woodland areas and cropland along rivers

BLACK BEAR

TRAITS

- » **COAT:** Adults have long, thick hair; yearlings may have thin, bleached-looking hair
- » **EARS:** The smaller the ears and the larger the head usually means a larger bear
- » **FACE:** Narrow face and long noses are a trait of young bears that are not yet adults

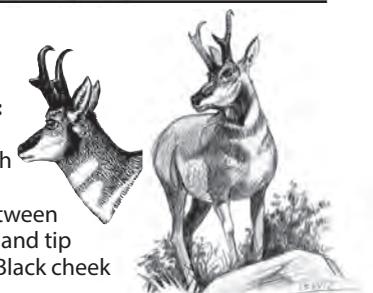

PRONGHORN

- DOE**
- » **HORNS:** May have horns less than 5 inches
- » **FACE:** No black cheek patch
- » **FAWNS** of either sex are considered does.

- BUCK**
- » **HORNS:** Prominent, with prong or point between the base and tip
- » **FACE:** Black cheek patch

LEGAL BIG-GAME HUNTING HOURS

Legal hunting hours for big game are one-half hour before sunrise to one-half hour after sunset, unless specifically restricted.

The sunrise/sunset chart below lists times for Denver. Subtract 1 minute from opening and closing time for each 12 1/2 miles east of Denver. Add 1 minute to opening and closing time for each 12 1/2 miles west of Denver.

(These changes assume that each degree of longitude equals 50 miles and a change of 1 degree of longitude equals a 4-minute change in sunrise and sunset times.)

HUNT PROGRAMS

AREAS CLOSED TO SHED ANTLER HUNTING

Shed antler hunting is not allowed from Jan. 1-March 14 on public lands in GMUs 25, 26, 35, 36, 43, 44, 47, 54, 55, 66, 67, 444, 471 and 551. From March 15-May 15, these areas are closed to shed hunting only from sunset to 10 a.m.

RANCHING FOR WILDLIFE (RFW)

Public Ranching for Wildlife licenses are available only to Colorado residents by drawing. Licenses are valid only for the season and ranch specified.

RFW landowners must provide free access to hunters who draw a public license for their ranch. By applying for a RFW license, hunters allow CPW to provide applicant information to the ranch.

Hunting rules differ for each ranch. Read ranch rules on the CPW website at cpw.state.co.us/thingstodo/Pages/RFW.aspx before applying.

GUIDES AND OUTFITTERS

Guides and outfitters must be registered, bonded and insured in Colorado. They also need permits to operate on public land and must register with the Office of Outfitter Registration, 1560 Broadway, Suite 1340, Denver, CO 80202, (303) 894-7778; www.dora.state.co.us/outfitters.

Legal, legitimate outfitters operate around the state and can provide invaluable resources for your hunting trip. Verify an outfitter's registration by contacting the above office or Colorado Outfitters Association online at coloradooutfitters.org.

DREAM HUNT LICENSES

Deer, elk, pronghorn, mountain lion and bear licenses are available to hunters ages 12-21 with a terminal illness or life-threatening disease or injury.

Requested dates for hunting events must occur between Aug. 15 and Jan. 31 each year. Licenses are not offered in units with at least one hunt code that requires 10 or more resident preference points to draw (excluding Ranching For Wildlife).

Before a license is issued, hunters must obtain written permission from the landowner to hunt on private land. Sponsoring organizations must request licenses in writing and document the life-threatening or terminal condition, hunting experience, logistical considerations, hunt location and dates. Submit requests to CPW, Hunter Outreach Coordinator, 6060 Broadway, Denver, CO 80216.

HUNTER SURVEYS HELP ASSESS HARVEST

CPW conducts big-game harvest surveys each year to estimate harvest, hunter numbers and recreation days.

Deer, elk and pronghorn hunters may receive a phone call or email, asking to take part in a survey. This includes questions such as: where you hunted, if you harvested an animal, if you were satisfied with your experience and if you saw overcrowding from other hunters.

Only randomly selected hunters can participate. Participation is not required, but responding — even if you didn't hunt or harvest — is an important part of setting future seasons and license numbers.

If contacted, you can take the survey online at colobgharvest.com, or call the toll-free phone number 1-855-924-4278.

The survey runs 24 hours daily, October through mid-February. See the CPW website for details.

Get the lead out

cpw.state.co.us/bg/lead

From the field to the table, ensuring your next harvest is safe for your family is important. Switching from lead bullets may be the right option for you. For more, go to the CPW link above.

Science tells us ingesting lead can cause potential health problems. Risks are low for most people, however, you can also:

1. Use lead-free shot or bullets.
2. Liberally trim and discard meat damaged by the bullet when you process an animal. Fragments can scatter far from the wound.
3. Clean your meat grinder between each animal. Lead is soft and can go through your grinder, contaminating a batch of ground meat.
4. Avoid eating game meat from animals harvested with lead bullets if you are pregnant. Children younger than 6 should also avoid it.

≡ | HUNT SMART, STAY SAFE

HUNTERS MUST WEAR DAYLIGHT FLUORESCENT ORANGE

Law requires hunters to wear at least 500 square inches of **SOLID DAYLIGHT FLUORESCENT ORANGE** material on an outer garment above the waist while hunting deer, elk, pronghorn, bear or moose with any firearm license. A fluorescent orange hat or head covering, visible from all directions, is also required.

This includes all muzzleloader hunters. It also includes archery hunters who hunt during rifle season. Archers hunting during a limited bear season or archers hunting with an archery bear, deer, elk, pronghorn or moose license do not have to wear fluorescent orange but should consider wearing it to increase safety while in the field. Auction- and raffle-license holders do not have to wear orange when hunting with archery equipment when no rifle seasons are open. If using a ground blind or pop-up blind, hunters should display orange that is visible from all directions on the outside of the blind.

CAMOUFLAGE ORANGE DOES NOT QUALIFY! Mesh garments are legal but not recommended. CPW strongly recommends wearing daylight fluorescent orange clothes in the field, even if you're not hunting. Wearing orange is for hunter safety, big-game animals don't see orange like we do. Movement, sound and smell are what give hunters away.

OFF-HIGHWAY VEHICLES (OHV)

All off-highway vehicles operated in Colorado on public lands or if traveling on an OHV-designated route must have a valid Colorado OHV registration or a Colorado OHV permit (except on private property).

Registrations/Permits are \$25.25, valid April 1-March 31. OHV Permits (*applicable for nonresidents and street legal/plated vehicles*) are online at cpw.state.co.us/bg/OHVpermit, at CPW locations and license agents. Questions, call (303) 791-1920. Renewal registrations are available online and at CPW locations. New registrations and transfers must be done in person or by mail. Visit cpw.state.co.us for details.

Contact each public land management agency for their current motor vehicle-use rules, regulations, game retrieval specifications and hours, and agency maps. Most areas do not allow off-trail game retrieval w/any motorized vehicle. If you witness or observe a violation of OHV misuse on public lands, please report it to any law enforcement officer in that area.

MARK YOUR HARVEST SITE WITH YOUR GPS

Hunters who have GPS units are encouraged to mark the location of their harvest in the field.

This is especially important for hunters who harvest a bear or moose.

During mandatory inspections, hunters will be asked to give a location of their harvest. Having GPS coordinates makes reporting simple and precise.

Use your GPS to set a waypoint where you harvest an animal and save the UTM or longitude and latitude coordinates. Bring that information to record on the check report at harvest inspections.

CHRONIC WASTING DISEASE: WHAT YOU NEED TO KNOW

1.

WHAT IS IT?

Chronic wasting disease (CWD) is a fatal neurological disease that attacks the brains of deer, elk and moose. It causes animals to become emaciated, display abnormal behavior and eventually die. Infected animals can show no signs of illness. State and federal health experts say CWD is not likely transmissible to humans.

2.

WHERE IS IT?

The map in the back of this brochure highlights game management units in red where CWD has been detected.

CWD has been found in several regions in Colorado, as well as other states and provinces. In this state, infection rates appear higher in males and older animals. Details are available online.

ILLEGAL ACTIVITIES

» If convicted of these felony violations, you can face a lifetime license suspension:

- 1. FELONY OFFENSE:** To kill and abandon big game. It is illegal to remove only hide, antlers or other trophy parts and leave the carcass in the field.
- 2. FELONY OFFENSE:** To sell, buy or offer to sell or buy big game.
- 3. FELONY OFFENSE:** To solicit someone to illegally kill big game for commercial gain or provide outfitting services without required registration.

IT IS ALSO AGAINST THE LAW TO:

- 4.** Have a loaded (in the chamber) rifle or shotgun in or on any motor vehicle. Muzzleloading rifles are considered unloaded if the percussion cap or shotshell primer is removed, or if the powder is removed from flashpan. It is illegal for anyone to have a loaded electronic-ignition muzzle-loader in or on a motor vehicle unless the chamber is unloaded or the battery is disconnected and removed from its compartment.
- 5.** Carry firearms (except handguns) on an OHV during deer, elk, pronghorn and bear seasons unless they are unloaded in the chamber and magazine. Firearms (except handguns) and bows carried on an OHV must be fully enclosed in a hard or soft case. Scabbards or cases with open ends or sides are prohibited. This does not apply to landowners or their agents who carry a firearm on an OHV to take depredate wildlife on property they own or lease.
- 6.** Establish a permanent structure or plant vegetation on CPW-owned land or waters. Only portable blinds and tree stands for big-game hunting can be erected on CPW land, and no longer than 30 days prior to the season they will be used. No nails can be driven into trees. Man-made materials for blinds or stands must be removed within 10 days after the season they are used ends. Owner's Customer Identification Number and dates of use must be visible on outside of portable blinds or underside of tree stands. Placement of blinds or stands does not reserve them for personal use, they may be used on first-come, first-served basis.
- 7.** Hunt carelessly or discharge a firearm or release an arrow disregarding human life or property.
- 8.** Operate or ride a snowmobile with a firearm unless it's completely unloaded and cased, or with a bow unless it's unstrung or cased. Compound bows must be cased, not unstrung.
- 9.** Shoot from or use a motor vehicle, motorcycle, off-highway vehicle, snowmobile or aircraft to hunt, intercept, chase, harass or drive wildlife.
- 10.** Use aircraft to hunt, to direct hunters on the ground or to hunt the same day or day after a flight was made to find wildlife.
- 11.** Use the Internet or other computer-assisted remote technology while hunting or fishing. This includes unmanned or remote-control drones used to look for wildlife. Hunters and anglers must be physically present in the immediate vicinity while hunting and fishing.
- 12.** Hunt under the influence of alcohol or controlled substances.

HUNT ETHICALLY & RESPONSIBLY
cpw.state.co.us/BG/brochure

- 13.** Use artificial light as an aid in hunting.
- 14.** Use poison, drugs or explosives to hunt or harass wildlife.
- 15.** Fail to extinguish a campfire.
- 16.** Fail to make a reasonable attempt to track and kill animals you wound or may have wounded. It is against the law to pursue wounded wildlife that goes on private property without first obtaining permission from landowner or person in charge.
- 17.** Fail to reasonably dress, care for and prepare edible wildlife meat for human consumption. At a minimum, the four quarters, tenderloins and backstraps are edible meat. Internal organs are not.
- 18.** Shoot from or across a public road with a firearm, bow or crossbow. People firing a bow, rifle, handgun or shotgun with a single slug must be at least 50 feet from the centerline of the road.
- 19.** Party hunt (*kill someone else's game or let someone kill yours*).
- 20.** Interfere with hunters. This includes distracting or frightening prey; causing prey to flee by using light or noise; chasing prey on foot or by vehicle; throwing objects; making movements; harassing hunters by using threats or actions; erecting barriers to deny access to hunting areas and intentionally injecting yourself into the line of fire. Violators face prosecution and may have to pay victim's damages and court costs.
- 21.** For two or more people on the ground, in a vehicle or vessel to use electronic devices to communicate information that violates any wildlife law or regulation.
- 22.** Use dogs or bait to hunt bear, deer, elk, pronghorn or moose. Bait means to put, expose, distribute or scatter salt, minerals, grain, animal parts or other food as an attraction for big game. Scent sticks that smell like food are illegal for bears.
- 23.** Kill cubs or bears accompanied by one or more cubs. A cub is a bear less than a year old.
- 24.** Hunt bears in their dens.
- 25.** Have a carcass, hide, skull, claws or parts of bears or mountain lions without a valid hunting license or unless authorized by CPW.
- 26.** Sell, trade, barter or offer to sell, trade or barter bear gall bladders or edible portions of bears.
- 27.** Hunt on private land without first obtaining permission from landowner or person in charge.
- 28.** Post, sign or indicate that public lands, not under an exclusive-control lease, are private.
- 29.** Use State Land Board properties not leased and signed by CPW without permission of lessee.

BAG LIMITS & TAGGING

- 1. LIMITED LICENSES:** You can submit only one application in the drawing per species, per license year.
- 2. BAG LIMITS, LICENSE PURCHASES:** The bag and possession limit is the total number of animals you can legally kill of each species. Big game killed in January and February seasons set as part of the previous license year's seasons fall under that year's bag and possession limit. When a license allows hunting in more than one unit, the unit in the hunt code determines the maximum number of licenses a hunter can obtain per year for that species.
- 3. MOOSE:** The lifetime bag limit for bull moose is one, except for auction, raffle or special management licenses.
- 4. COYOTES:** You can hunt coyotes without a small-game license during big-game seasons if you have an unfilled big-game license. You can hunt coyotes only in the same unit, season and manner of take as on your big-game license. Once you fill your big-game license, you must buy a small-game or furbearer license to hunt coyotes. Harvesting a coyote does not void your big-game license.

CARCASS TAGS

You must attach a carcass tag to animals you kill per instructions on tag. Tags must be immediately signed, dated, detached from the license and attached to the carcass of the animal — not to detached hides, horns, antlers or carried separately. Tags must stay on until meat is processed and remain with meat until consumed. It is illegal to sign or tear the tag before a kill.

If you lose, accidentally destroy or detach the tag, you must get a duplicate from a CPW office before hunting and prove the loss, detachment or destruction was accidental. Do not remove other parts of a license except the carcass tag after a kill. Doing so voids the license and you must buy a duplicate.

If you have a nonresident big game/fishing combo license, the fishing license is valid after the carcass tag is detached, as long as the rest of the license is intact.

EVIDENCE OF SEX

- 1.** It is illegal to have or transport a big-game carcass without evidence of sex naturally attached. It is illegal only to have evidence of sex accompany the carcass. If you submit a deer or elk head for CWD testing, leave evidence of sex on the carcass.
- 2. EVIDENCE OF SEX IS:**
 - A. BUCK/BULL:** Head with antlers or horns attached to carcass; or testicle, scrotum or penis attached to carcass.
 - B. DOE/COW:** Head, udder (mammary) or vulva attached to carcass.
 - C. BLACK BEAR:** Male: testicles or penis. Female: vulva.
- 3.** Heads detached from carcass are not adequate evidence of sex.
- 4.** If a carcass is cut in pieces or deboned, evidence of sex needs to be attached to a quarter or another major part of carcass. All portions must be transported together.
- 5.** Evidence of sex is not required if a donation certificate accompanies less than 20 pounds of meat or after the carcass is cut into processed meat, wrapped and frozen, or stored at licensee's home.

TIP! If you shoot a young buck or bull with antlers less than 5 inches long, it can be considered "antlerless". But what do you do about evidence of sex?

- 1) Leave the head and antlers naturally attached to a portion of the carcass to prove it meets the requirement.
- 2) Leave the testicles attached to a portion of the carcass and then you can detach the head or skull plate and carry it out with the antlers intact.

RESIDENCY QUALIFICATIONS

Requirements to qualify as a Colorado resident to buy a hunting license:

1. You must live in Colorado at least six consecutive months immediately before applying for or buying a license **AND** must intend to make Colorado home (except No. 3 and No. 4 below). The residence address you give to buy or apply for a license must be the same as on your Colorado income tax return.
2. A valid Colorado driver's license or other secure and verifiable ID is proof of residency if it was issued at least six months prior to buying a hunting license. If your ID or driver's license was issued or renewed less than 6 months prior to purchasing a hunting license, you must provide documentation that proves you have been a resident for the required six-month period. Suspended driver's licenses are not valid.
3. U.S. military personnel and military personnel of U.S. allies on active duty in Colorado under permanent orders and their dependents. This includes people who were Colorado residents when they entered the military and keep Colorado as their home of record, and their dependents (with Colorado as their home of record). Also included are personnel of the U.S. Diplomatic Service or diplomatic services of nations recognized by the U.S. assigned to Colorado on permanent active duty orders and their dependents. Active duty military does not include reserve status, National Guard or government contractors.
4. Full-time students enrolled and attending an accredited Colorado college, university or trade school at least six months immediately before applying for or buying a license. This includes students who are temporarily absent from Colorado but still enrolled. Colorado residents who attend school full time, out of state and pay nonresident tuition qualify for a resident license.
5. Children under 18 have the same residency status as their parent, legal guardian or person with whom they live most of the time per court order.
6. If you have a home in Colorado and another state, call (303) 297-1192 to make sure you comply with Colorado residency requirements before obtaining a hunting or fishing license.
7. Except as in No. 3 and No. 4 above, you lose your Colorado residency if you apply for, buy or accept a hunting or fishing license as a resident of another state or country; register to vote outside Colorado or get a driver's license using an address in another state.

SECURE AND VERIFIABLE IDENTIFICATION

As required by the state's "Secure and Verifiable Identity Document Act," residents and nonresidents buying or applying for hunting or fishing licenses must show secure and verifiable ID. For a list of acceptable and unacceptable documentation, go to the CPW website at cpw.state.co.us/SecureAndVerifiableInfo

CHILD SUPPORT DELINQUENCY

State and Federal law requires a Social Security number to buy a license. It is not displayed on the license but is provided, if requested, to Child Support Enforcement authorities. Hunting and fishing licenses are not issued to those suspended for noncompliance with child support. Any current licenses become invalid if held by an individual who is noncompliant with child support.

FELONY OFFENSES AND WEAPONS

Colorado and federal law prohibits people convicted of certain crimes, such as domestic violence, from possessing weapons even for hunting. If you've been convicted of a crime, check with the appropriate law enforcement authorities to find out how these laws apply to you.

HUNTERS WITH DISABILITIES

Accommodation permits are available to hunters with disabilities.

1. Hunters must have a temporary or permanent disability that significantly impairs major life functions and the ability to hunt. Shooting from public roads is not allowed. All wildlife laws must be observed.
2. Permits from other states are not honored here.
3. Apply for a permit at least 30 days before hunting. Applications are available at CPW locations, on the website or call (303) 297-1192.

HUNTERS WITH MOBILITY IMPAIRMENTS

1. Some doe deer, cow elk and doe pronghorn licenses are offered to hunters with mobility impairments. Hunters must have a mobility impairment resulting from permanent medical conditions, making it physically impossible to hunt without someone else's help. Evidence includes, but is not limited to, prescribed equipment such as a wheelchair, shoulder or arm crutches, walker or two canes.
2. Applications are available at CPW locations and must be mailed with license fees to CPW, Limited License, 6060 Broadway, Denver, CO 80216. Applications accepted from the Monday after the Parks and Wildlife Commission meeting in May through the end of rifle seasons. Licenses are first-come, first-served until unit and program caps are reached.

TRANSPORTING GAME

1. You can be cited for illegally transporting game animals even if someone else made an error. When you transport carcasses or processed meat:
 - a. Carcasses must be properly tagged. You must meet evidence of sex and antler-point requirements. Hunters must keep their own license.
 - b. Carcass tags or donation certificates (*for 20 pounds of meat or less*) must accompany processed game meat.
2. Carcass tags must be securely attached to carcass, not antlers or horns, or must accompany processed meat.
3. To ship by commercial carrier, the license, photocopy of license, carcass tag or donation certificate must accompany carcass or processed meat.
4. Hunters transporting game through national parks or monuments must follow federal regulations. Contact the National Park Service.

DONATING GAME MEAT

Donation certificates are required for all game-meat donations. Certificates must show names, addresses and telephone numbers of donor and recipient; donor's hunting license number; species and amounts donated; date of kill; donor's signature. The certificate can be a simple note; no special form required. It must stay with the meat until completely consumed. Donor and recipient are subject to bag and possession limits.

NOTE: A "like license" is a license for exactly the same species, sex, season and method of take as a donor's license.

1. You can donate to someone **WITH** or **WITHOUT** a like license:
 - a. Any amount of processed and packaged game meat, anywhere.
2. You can donate to someone **WITHOUT** a like license:
 - a. up to 20 pounds of unprocessed meat, anywhere.
 - b. more than 20 pounds of unprocessed meat, only at recipient's home.
3. You can donate to someone **WITH** a like license:
 - a. up to 20 pounds of unprocessed meat, anywhere.
 - b. more than 20 pounds of unprocessed meat, anywhere, only if:
 - (1) recipient's license is unfilled, and
 - (2) recipient's carcass tag is on the meat. This establishes recipient's claim to his/her portion of meat and voids his/her license. Donor's tag must remain with his/her portion.
 - c. the entire carcass, if:
 - (1) recipient's license is unfilled, and
 - (2) donor's carcass tag and recipient's like-license carcass tag is on the meat, voiding both licenses.

ACCIDENTAL KILL

Accidental kill is unintentionally killing wildlife not due to carelessness or negligence. You must report big-game animals accidentally killed to a CPW office (*listed on inside front cover*) before continuing to hunt and as soon as practical. Before contacting CPW, field dress the animal. CPW evaluates the circumstances, including shots fired, species and number of animals present, firearms or ammunition, etc. Big game accidentally killed does not count toward annual bag limits.

CERTIFIED HAY MUST BE MARKED

Hay, straw and mulch are illegal on federal land and CPW property unless certified free of noxious weeds. Hay must be clearly marked by certifying agency. People who transport these materials on public roads crossing CPW property are exempt. For a list of weed-free forage, contact Colorado Dept. of Agriculture, (303) 239-4149; Forest Service or BLM; or go to www.colorado.gov/cs/Satellite/Agriculture-Main/CDAG/1216022453427.

EAR TAGS, RADIO COLLARS

If you shoot big-game animals with a collar or ear tag, report the number, color, harvest location and date to CPW and return the radio collars.

HUNTERS USING HORSES

You must contact a veterinarian to get a Certificate of Health Inspection within 30 days before horses enter Colorado. Horses need a Coggins blood test for equine infectious anemia within a year before coming here. Call Colorado State Veterinarian's office, (303) 239-4161. Residents: Horses may require brand inspection before transportation. Call brand inspector, (303) 869-9160.

TURN IN POACHERS (TIPs) PROGRAM

TIPs rewards people who provide information resulting in charging poachers. Awards can be a preference point or license. TIPs licenses do not count toward annual bag and possession limits. Go to cpw.state.co.us/bg/TIPS for more.

DEER

ARCHERY, MUZZLELOADER, RIFLE

Most deer licenses are limited and available only through the draw.

Over-the-counter licenses for white-tailed deer are available in certain units with lower populations. See the map and details, page 30.

WHITETAIL ONLY — OVER-THE-COUNTER LICENSES

LATE RIFLE SEASON

WHAT CAN I EXPECT?

These over-the-counter licenses provide an opportunity to hunt white-tailed deer in a portion of the state where mule deer are the primary species of management interest.

This means there are few white-tailed deer in the area, and hunters can expect to see more mule deer than white-tailed deer when hunting in these GMUs.

WHERE ARE THE WHITETAILS FOUND IN THIS SEASON?

White-tailed deer in these GMUs can be most commonly found along lower elevation river bottoms.

Hunters should focus on these areas to most consistently find white-tailed deer. Much of the white-tailed deer habitat is located on private lands where permission is required prior to hunting.

WHAT METHOD OF TAKE CAN I USE?

The license is valid for any legal method of take. However, because this is a rifle season, hunters are required to follow blaze orange requirements (see page 15), regardless of the type of weapon used.

Some public properties prohibit the use of rifles and/or muzzleloaders. Check property regulations to determine what types of weapons are legal before going afield.

WHAT IS THE BEST WAY TO IDENTIFY A WHITE-TAILED DEER?

The best way to tell the difference between a white-tailed deer and a mule deer is the tail.

White-tailed deer tails are broad and brown from top to bottom with a white fringe.

Mule deer have a white rump patch and tail, with a black tip on the tail.

CAN'T I JUST LOOK AT THE ANTLERS?

Antlers differ between the species, but are not a reliable distinguishing characteristic between white-tailed deer and mule deer.

WHAT IF I SHOOT A MULE DEER ACCIDENTALLY?

Hunters must be certain of their target to avoid killing a mule deer with a whitetail-only license.

However, accidents happen. Please report any mistaken kills immediately to the nearest CPW office (listed in the front of this brochure) or the District Wildlife Manager in the area.

See the "Accidental Kill" section on page 18 for more details.

EITHER-SEX LICENSES AVAILABLE

DATES: Dec. 1-31

LIST: B

VALID UNITS:

48, 49, 56, 57, 58, 59, 69, 84, 85, 86, 140, 481, 511, 561, 581, 591, 691, 851 except Bosque del Oso SWA, and 861

These licenses are sold only at CPW offices and state parks that sell hunting licenses. Hunters will receive more information about whitetail identification when a license is purchased. These are unlimited in number and go on sale starting at 9 a.m. July 26.

ATTENTION HUNTERS: *Whitetails are at low density populations in this area and are mostly found on private land.*

IDENTIFYING WHITETAILS VS. MULE DEER

WHITE-TAILED DEER

- » **PRIMARY CHARACTERISTIC — THE TAIL:** The first thing to look for is the tail. It's broad and brown with white fringe; all white when tail is up.
- » **ANTLERS:** consist of one main beam with three to five tines pointing upward. *Caution: Mule deer with small antlers may appear to have similar antler formation!*
- » **EARS:** smaller in proportion to head
- » **GAIT:** a graceful lope, flag-like tail often held up
- » **RANGE:** common on Eastern Plains, in streamside wooded areas and cropland along rivers

MULE DEER

- » **TAIL:** rope-like tail with black tip
- » **ANTLERS:** fork and fork again, usually very evenly, on older males
- » **EARS:** large in proportion to head on both bucks and does
- » **GAIT:** stiff-legged bounce, tail held down
- » **RANGE:** statewide, in mountain shrubs, foothills, communities

NEED TO KNOW

» **NEW! 4UR RANCH ACCESS EASEMENT (UNIT 76)....** Limited public access to USFS lands for big game hunting is available through the 4UR ranch by permit during rifle seasons only. Hunters must possess a valid GMU 76 rifle elk or rifle deer license. Hunters are selected by random drawing. Application deadline; August 15. Permits not issued by draw will be issued on a first request basis. For information or a permit application, call the CPW Monte Vista Office at (719) 587-6900.

» **NEW! SAN LUIS VALLEY REFUGE ELK PERMITS...** New access permits will now be available for the Alamosa, Baca and Monte Vista National Wildlife Refuges. To be eligible for one of the new access permits, hunters must hold an either-sex archery, an antlered muzzleloader, an antlered or either-sex first rifle, an antlered or either-sex fourth rifle or any limited antlerless license in GMUs 80, 82 or 83. For information on how to enter into the permit drawing, call the CPW Monte Vista Office at (719) 587-6900.

PREFERENCE POINTS

To apply for a point, enter **E-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

You must pay the full license cost, even for a point. If you apply for a point only, your money, minus the \$3 application fee and \$10 Habitat Stamp fee, will be refunded. Hunters may be charged \$40 (or \$30 for resident applicants) if you don't meet criteria for a free preference point.

NONRESIDENTS must pay at least \$469 to apply for an elk preference point, plus a \$10 Habitat Stamp fee. If your second, third or fourth choice is for bull or either sex, or if your unsuccessful option is an unlimited bull license, you must pay \$629, plus the \$10 Habitat Stamp fee.

See "How Preference Points Work" on page 12.

TABLE SYMBOLS

» **AN ASTERISK (*)** in the "Sex" column indicates units that had licenses remaining after last year's drawing.

» **A PLUS (+)** in the "Sex" column is for hunt codes for which an average of at least six preference points are needed for a Colorado resident to draw that license. This is only an average and does not guarantee a license will be drawn. *Calculated on a 3-year period ending with the 2009 drawing.*

TAXIDERMY

If you leave the head of your harvest with its antlers at a taxidermist, you are encouraged to get a receipt from the taxidermist — with date delivered and a description of the antlers — before you take the carcass home or to a commercial processor.

HANDLING ANTLERS IN CAMP

Head or skull plate, with both antlers naturally attached, must accompany the carcass of bulls in camp or in transit, even when the scrotum or testicles are used as evidence of sex.

TIPS FOR SAFELY HANDLING GAME MEAT

Most of the time, properly handled and prepared game meat poses no greater risk than domestic meat of causing or carrying disease that could make humans sick. Hunters are encouraged to contact their local public health department or CPW office for information on wildlife diseases where they plan to hunt. Public health officials recommend the following precautions when handling and preparing game meat:

- Do not handle animals that are obviously sick or found dead. Report sick or dead animals you find to a CPW office near you.
- Keep game cool, clean and dry.
- Do not eat, drink or smoke while dressing game.
- Use disposable gloves when cleaning game.
- Wash your hands with soap and water or use alcohol wipes after dressing game.
- Clean all tools and surfaces immediately afterward. Use hot soapy water, then disinfect with a 10 percent chlorine bleach solution.
- Cook game meat to an internal temperature of at least 165° F to kill disease organisms and parasites. Juices from adequately cooked game meat should be clear.
- Do not eat any raw portions of wild game.
- Do not feed raw wild game to domestic pets.

LEAVE NO TRACE

Hunting is a great American pastime that helped shape many of our first public lands. **THE LEAVE NO TRACE PRINCIPLES** tell how to minimize your impact while hunting:

- 1. PLAN AHEAD AND PREPARE...** get permission to hunt private land, respect road closures, leave gates as found.
- 2. TRAVEL AND CAMP ON DURABLE SURFACES...** good campsites are found, not made.
- 3. DISPOSE OF WASTE PROPERLY...** pack it in, pack it out.
- 4. LEAVE WHAT YOU FIND...** sight-in firearms away from hunting areas, do not use signs for target practice.
- 5. MINIMIZE CAMPFIRE IMPACTS...** use an established fire ring or fire pan, and don't put trash in the fire pit.
- 6. RESPECT WILDLIFE...** never feed wild animals, store your camp food and trash securely.
- 7. BE CONSIDERATE TO OTHER VISITORS...** be aware of the direction you shoot and be courteous to others you see.

The Center respects the tradition of hunting on public lands, expects hunters to abide by state game and hunting laws, and encourages hunters to adhere to the Leave No Trace ethic.

PRONGHORN

ARCHERY, MUZZLELOADER, RIFLE

Archery buck and doe pronghorn licenses are available by drawing and over the counter. All muzzleloading and rifle pronghorn licenses are limited, available through the draw only.

Pronghorn buck by © Wayne Lewis, CPW

NEED TO KNOW

» **NEW! UNIT 48 OPEN TO PRONGHORN RIFLE HUNTING...** A healthy pronghorn population in the area has allowed GMU 48 to open for rifle hunting, offering a great public-land pronghorn hunting opportunity. The rifle season is consistent with archery and muzzleloader seasons for the unit. See page 51.

» **ARCHERY.** Only legal hand-held bows are allowed in archery season. See page 16.

» **MUZZLELOADING.** Only legal muzzleloading rifles and smoothbore muskets are allowed in muzzleloading season. See page 16.

DEFINITIONS

» **SPECIES IDENTIFICATION.** See page 13.

» **BUCK:** A male animal with horns at least 5 inches long from skull to tip, excluding a prong or point between the base and tip. Bucks have a black cheek patch.

» **DOE:** A female has no horns or black cheek patch; young bucks with horns less than 5 inches long and no black cheek patch also are in this category. Fawns of either sex are considered does.

» **EITHER SEX:** A legal buck or doe.

PREFERENCE POINTS

To apply for a point, enter **A-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

You must pay the full license cost, even for a point. If you apply for a point only, your money, minus the \$3 service fee and \$10 Habitat Stamp fee, will be refunded.

Hunters may also be charged \$40 (\$30 for resident applicants) if you don't meet the criteria for a free preference point.

For more, see "How Preference Points Work" on page 12.

TABLE SYMBOLS

» **AN ASTERISK (*)** in the "Sex" column indicates units that had licenses remaining after last year's drawing.

MOOSE

ARCHERY, MUZZLELOADER, RIFLE

DON'T FORGET: You can exchange your moose license for a different method of take. Take your tag to a CPW location before Sept. 10 to exchange it to hunt in a different season.

NEED TO KNOW

» **NEW! ANTLERED MOOSE HUNTING**

OPEN IN UNIT 43... After the completion of a successful moose reintroduction program, GMU 43 is now open for antlered moose hunting. See pages 54-55.

» **NEW! COMBINED AREAS NOW SPLIT...**

In an effort to improve opportunity and harvest, GMUs 49, 50, 500 and 501 have become a new hunt code and GMUs 39 and 46 another hunt code. See pages 54-55.

» **BRAINARD LAKE RESTRICTIONS.** There are boundaries in place for hunting near Brainard Lake. See the tables for details.

» **Unit 20 and 29 moose hunters:** weekday construction closures are planned for the Brainard Lake Road starting Oct. 2016.

» **NONRESIDENTS** must apply by paper application.

» **THE LIFETIME BAG LIMIT** for antlered moose is one. All licenses available by draw. If you've harvested a bull, you may not apply for an either-sex license.

» **UNITS 1, 20, 29, 38, 39, 46, 201, 500 AND 501** have low density moose populations and some moose habitat occurs on private land. Be sure to get landowner permission before hunting on private land.

» **EXPERIMENTAL HUNTS OPEN.** Units 48, 55, 56, 65, 68, 74, 75, 79, 481, 551, 561 and 681 have low density moose populations and are subject to modifications in coming years. Currently, there is very little harvest history for these hunts and any CPW guidance will be limited.

DEFINITIONS

» **SPECIES IDENTIFICATION PAGE.**

See page 13.

» **BULL (ANTLERED):** A male animal with antlers at least 5 inches long.

» **COW (ANTLERLESS):** A female with no antlers. "Antlerless" also means a young male with antlers less than 5 inches long.

PREFERENCE POINTS

To apply for a point, enter **M-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second choice on the same application to apply for a license.

You must pay the full license cost, even for a point. If you apply for a point only, your money, minus the \$3 application fee and \$10 Habitat Stamp fee, will be refunded.

See "How Preference Points Work" on page 12.

MANDATORY MOOSE INSPECTIONS

1. ALL MOOSE LICENSE HOLDERS must complete and return a harvest questionnaire provided by CPW within 30 days after their hunting season ends.

Anyone who does not complete and return it will not be eligible for a future moose license or point, including those who were unsuccessful or did not hunt.

2. ALL MOOSE MUST BE SUBMITTED IN PERSON FOR INSPECTION within five working days of harvest. A mandatory report will be completed during inspection.

Hunters must submit the head of antlerless moose or head of antlered moose with antlers attached to a CPW office during normal business hours.

3. TOOTH EXTRACTION IS MANDATORY. An incisor will be extracted and retained to determine age.

Heads must be unfrozen for inspection.

4. VOLUNTARY CWD TESTING. During inspection, hunters may choose to have their moose tested for chronic wasting disease. Testing cost is \$25.

RANCHING FOR WILDLIFE (DRAW)

COLORADO RESIDENTS ONLY

Read ranch rules at cpw.state.co.us/thingstodo/Pages/RFW.aspx before applying.

RANCH	DATES	SEX	HUNT CODE	LIST

MOOSE LICENSE DRAWS USE WEIGHTED PREFERENCE POINTS

There are three species of big-game animals that use the weighted preference point system to award licenses in Colorado — moose, Rocky Mountain bighorn sheep and mountain goat.

Weighted preference increases your probability of drawing and applies to both bull and cow licenses. Here's how it works:

Hunters can only accumulate up to three points for moose. If you have three preference points and you fail to draw a first-choice license, you will

receive weighted preference.

Weighted preference is calculated by converting your application number into a different, random application number, then dividing that new application number by the amount of weighted points you have, plus one. Individuals with three preference points and no weighted preference will have their application number divided by one.

This generates another new application number. Applications are sorted by this new number from lowest to highest, and low numbers for each hunt code are awarded licenses.

MOOSE

BEAR

ARCHERY, MUZZLELOADER, RIFLE

Black bear by © Joe Maskasky, CPW

NEED TO KNOW

» **RIFLE BEAR SEASON CHANGES.** Hunting bear during the regular deer and elk seasons has changed, giving hunters expanded opportunities. Rules for the new "Concurrent Rifle" bear season are explained on page 59.

These restrictions do not apply to the hunts with hunt codes B-E-083-P1-R, B-E-084-P5-R, B-E-048-P5-R, B-E-058-P5-R and B-E-059-P5-R.

» **INSIDE DENS.** Hunting, harvesting or harassing bears inside their dens is prohibited.

» **CUBS.** Black bears accompanied by one or more cubs cannot be killed. Cubs — bears younger than one year old — cannot be killed.

WATCH ONLINE

As part of your mandatory bear harvest inspection, a CPW wildlife officer will perform a bear tooth extraction. Watch our video to see how it is done.

PREFERENCE POINTS

To apply for a point, enter **B-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

You must pay the full license cost, even for a point. If you apply for a point only, your money, minus the \$3 application fee and \$10 Habitat Stamp fee, will be refunded. Hunters may be charged \$40 (or \$30 for resident applicants) if you don't meet the criteria for a free preference point.

For more, see "How Preference Points Work" on page 12.

TABLE SYMBOLS

» **AN ASTERISK (*)** in the "Sex" column indicates units that had licenses remaining after last year's drawing.

MANDATORY BEAR INSPECTIONS AND SEALS

Hunters must personally present bears to a CPW office (listed on the inside cover) for a free inspection, check report and sealing within five working days after the kill.

Bear heads and hides must be unfrozen when presented for inspection. Seals must be attached to the hide until tanned.

Contact the nearest CPW office or CPW officer for inspection and sealing.

At inspection, the CPW is authorized to extract and keep a premolar tooth. If the head and hide are frozen, the CPW may keep them long enough to thaw so that a tooth can be removed. Hunters can help by

making sure the jaw is propped open with a stick before rigor sets in.

Bears cannot be taken out of Colorado until hide and skull are inspected and sealed.

Having a bear hide without a seal after the five-day period is illegal, and the hide becomes state property.

To transport a bear or parts to a foreign country, you must first obtain CITES documents. Contact the U.S. Fish and Wildlife Service, (303) 342-7430. Do not call the U.S. Fish and Wildlife Service about inspections or seals for bears.

HOW TO GET MORE THAN ONE BEAR LICENSE

ATTENTION: You may submit **ONLY ONE** application per species each year. Additional licenses for the same species must be obtained as leftovers, over the counter or special licenses issued by CPW. Hunt tables on the following pages show whether each bear license is List A, B or C.

GET 1 LICENSE (List A) A	GET UP TO 2 (List B) A+B OR B+B	GET ANY NUMBER (List C) in addition to any List A or B licenses A+B+C+C... / B+B+C+C...
» Check the hunt tables for List A licenses.	» Private-land-only licenses » Rifle licenses in units 35, 36, 43, 44, 45, 47, 361, 444 or 471.	» Over-the-counter licenses for hunt code B-E-087-U5-R » Game-damage, population-management or disease-management licenses » Ranching for Wildlife licenses held for youths or hunters with mobility impairments » One TIPs reward program license a year
HOW TO GET THEM:		
LIST A AND B: You may purchase ONE through the draw, or ONE or BOTH as leftover licenses, at license agents, CPW locations or online while supplies last.		
LIST C: These are issued by CPW locations when available		
OVER-THE-COUNTER WITH CAPS: Sold at license agents, CPW locations and online. After the season opens, these are only sold at CPW locations.

BEAR

OVER-THE-COUNTER WITH CAPS LICENSES
ARCHERY, MUZZLELOADER, RIFLE

WHAT ARE OVER-THE-COUNTER LICENSES WITH CAPS AND HOW DO YOU GET ONE?

Archery, muzzleloading and some rifle bear licenses are sold over the counter with a cap on the number of licenses available. These are either-sex licenses. These licenses are **NOT** available through the draw. If you apply for these hunt codes in the draw, your application will be disqualified. Note: to participate in the over-the-counter with caps rifle bear season, a hunter must also hold a deer or elk license that overlaps with that rifle bear tag by at least one day of the season. These licenses can be purchased at license agents, by phone and online through Oct. 14. Then, they are **only** available at CPW offices.

“With caps” means there are a preset number of these licenses available on a first-come, first-served basis starting at 9 a.m. July 26. Get them at CPW locations, license agents, via telephone at 1-800-244-5613 or online at cpw.state.co.us/bg/buyapply.

The Parks and Wildlife Commission sets the number of “with cap” licenses in May.

EXPANDED BEAR RIFLE SEASON

Rules for hunting bear during the concurrent regular deer and elk seasons. Here's what you need to know...

» **HOW TO GET IT:** You must have a deer or elk license that is valid during the regular rifle seasons. At least one game management unit on your deer or elk license must match ONE unit listed on your bear license.

» **WHEN YOU CAN HUNT:** You may hunt bear anytime during the dates specified in the table at right. There's no rifle bear hunting allowed on: Oct. 20-21, Oct. 31-Nov. 4 and Nov. 14-15.

» **WHERE YOU CAN HUNT:** You may hunt bear in any unit(s) listed in the table for which your bear license is valid. You must use your bear license on private land only if your deer or elk license is for private land only.

FOR EXAMPLE...

» You plan to hunt with an elk license good for Unit 17 (and any other units specified on your elk license) during first rifle season (Oct. 15-19). With this bear license, you may hunt bear in units 4, 5, 6, 14, 16, 17, 161, 171, 214 and 441 (hunt code B-E-004-U5-R).

Whether or not you fill your elk tag during first rifle season, you may continue to hunt bear from Oct. 15-19, Oct. 22-30, Nov. 5-13 and Nov. 16-20, until you fill your bear tag.

If you're a Colorado sportsman, hunting and fishing is more than a hobby or pastime—it's a way of life. It's how you connect with nature and, just as important, connect with others who share your passion for Colorado's wildlife and outdoor heritage.

Now you can unite with other hunters and anglers in a display of pride and support by purchasing a Colorado Sportsmen's License Plate for your vehicle.

Designed by Colorado Parks and Wildlife (CPW), the plates feature bold imagery highlighted against the snowy backdrop of the Rocky Mountains. Elk are silhouetted against a vibrant sunset and a native greenback cutthroat trout is prominently displayed front and center.

Best of all, the plate's simple message, "Hunters and Anglers Fund Conservation," is a great way to educate others about the important

role sportsmen play in wildlife conservation. Hunters and anglers fund more than 70 percent of CPW's annual budget, which helps to protect critical habitat and manage 960 wildlife species.

The plates may be ordered at statewide DMV offices beginning Jan. 1, 2016. The annual renewal is \$25 plus vehicle registration fees. The proceeds from the plates go toward fish habitat, angling access and the development of public shooting ranges.

Show your support by purchasing a Colorado Sportsmen's License Plate today.
