2017 WHAT'S NEW

» CPW LICENSING SYSTEM CHANGES... CPW is in the process of transitioning to an upgraded licensing, pass, registration and reservation system in 2017/18. All customers will need to have an individual email address and password to apply for or purchase CPW products with the new system; make sure your contact information and email are correct now when you apply for your license. CPW is also in the process of going paperless for hunting license applications in 2018. The final year for paper hunting license applications is 2017. Find more information on our website soon: cpw.state.co.us/CPWshop UPDATE YOUR INFORMATION

Please take a moment to correct your phone, email and mailing address information while applying or buying this year. cpw.state.co.us/UpdateInfo

» CHANGES TO LICENSE REFUND, REISSUE AND EXCHANGE POLICIES...

All license exchanges will be charged a fee of fifty percent of the cost of the original license, not to exceed \$25. Read the license exchange policy in full at **cpw.state.co.us/LCPolicy**. Changes to CPW license refunds and reissues became effective April 2016: hunters who need to refund a license will have to do so at least 30 days prior to the start of the season for which the license is valid. Most licenses that have been returned will be made available to the public on the leftover license sales list (cpw.state.co.us/Leftover):

2017 LICENSE REISSUE POLICY

- Any license that is returned to CPW that took 5 or more preference points to draw will be manually reissued to the next eligible person based on the residency status of the returned license.
 - » If a resident license gets returned, it will be reissued to a resident; if a
- nonresident license gets returned, it will be reissued to a nonresident. • For each license returned, CPW will contact the next 5 people from the
- current year's draw order.
- If one of those individuals accepts the license from the manual reissue process, all of that person's preference points will be used.
- If a person has a current conflicting license for that species, they may exchange their current license for the one being offered.
 - » The exchange fee will be assessed, which is fifty percent of the cost of the original license, not to exceed \$25.
- If none of those 5 people accept the license from the manual reissue process, it will be placed onto the leftover list at random intervals.
- Any license that is returned to CPW that took fewer than 5 preference points to draw will automatically be placed onto the leftover list at random intervals.
- Customers who obtain a license from the leftover list will NOT have to use their preference points.

CPW will be making additional adjustments to the license refund, reissue and exchange policies in 2017. Check our website for the most up-to-date information: cpw.state.co.us/refunds

» MANDATORY CHRONIC WASTING DISEASE (CWD) TESTING IN SELECT

GMUs... In order to better gauge the presence of CWD in select deer herds, CPW will require mandatory submission of CWD test samples from some hunter-harvested bucks and does during the 2017 archery, muzzleloader and rifle seasons. Any notified hunter that harvests a deer in the hunts specified (pages 19–28) will be required to present their deer for testing at a CPW facility. There will be no charge for this mandatory testing. Get more information about where and how to sumbit a CWD sample at **cpw.state.co.us/bg/CWD**.

» BIG GAME NOW INCLUDED IN WALK-IN ACCESS PROGRAM (WIA)...

CPW is initiating a pilot big game access component within the Walk-In Access Program for 2017 that will allow public access to some WIA properties for deer, elk and pronghorn hunting, within season dates of Sept. 1–Dec. 31. Information on specific enrolled properties will first be available in the Walk-In Access brochure, out in Aug. 2017. Also check our website at **cpw.state.co.us/wia**.

» THE DEFINITION OF HUNTING OVER BAIT HAS BEEN EXPANDED...

Hunting big game over bait, whether or not the person hunting over such bait personally placed the bait, is against the law. See *page 17 for more details*.

» **BOUNDARY CHANGES TO UNITS 16 & 27...** The unit boundaries for game management units 16 and 27 have changed. *See page 61 for descriptions*.

» HUNTER PINK AN ALTERNATIVE TO HUNTER ORANGE... It is now legal for hunters to wear solid fluorescent pink clothing as an alternative to solid daylight fluorescent orange garments. This law applies to those who take deer, elk, pronghorn, moose or black bear with any firearm. Private Ranching for Wildlife hunters hunting with archery equipment are not required to wear fluorescent orange or pink, although they may wish to consider wearing it if concerned about visibility to other hunters. Read the fact sheet at cpw.state.co.us/thingstodo/ Pages/Hunt.aspx.

» EXEMPTIONS TO HUNTER EDUCATION REQUIREMENTS... There is a test-out option available for hunter education requirements, as well as an apprentice certificate for new hunters. Please see the CPW website for more information or to find hunter education courses: cpw.state.co.us/HunterEd

I LICENSE INFORMATION

WHAT YOU NEED TO BUY A LICENSE

- 1. Current and valid photo ID (see page 18)
- 2. Proof of hunter education (see requirements below)
- **3.** For residents, proof of residency (see page 18) **4.** A 2017 Habitat Stamp (see requirements below)
- 5. For new customers, a Social Security number is required for ages 12 and older

LICENSE REQUIREMENTS

- 1. Hunters must have a license to hunt. Sign it and carry the original with you while hunting.
- 2. A hunter may hunt only the animal, sex, season, units and method of take authorized by the license. Complete season dates may not be printed on the license because of space constraints. Check the details in this brochure for your specific license.
- 3. It is illegal to give false information to obtain a license. It also is illegal to alter a license or to loan, transfer, sell or give your license to someone else.
- **4.** If you lose or destroy your license, a duplicate is available for half the price of the original license, but not more than \$25. You can get a duplicate before the season opens from any license agent. After the season begins, duplicate licenses are available only at CPW locations.
- 5. Licenses expire on the expiration date printed on the license.
- 6. Nonresidents can continue to use their combo fishing license after harvesting a biggame animal, as long as the carcass tag is the only part of the license that has been detached. The rest of the license must remain intact.

HUNTER EDUCATION (SAFETY) REQUIREMENTS

- 1. Anyone born on or after January 1, 1949, must have a hunter education card to hunt in Colorado.
- **2.** A hunter education card is needed to apply for or buy a license. It must be carried while hunting (unless verified and marked with a "V" on your license). • To get your hunter education verified, take your hunter education card to a CPW office.

- person per year, valid April 1-March 31. A lifetime stamp is \$300.25. 3. Hunters ages 18-64 applying for a limited license must purchase a
- 2017 Habitat Stamp to apply in the drawing process. To purchase a stamp with your draw application, include \$10 in addition to your license fee when sending your application. If applying online, it will be added automatically, if needed. Paper applications submitted for hunters who do not have a Habitat Stamp will be disqualified from the draw.
- **4. EXEMPTIONS:** Anyone with a free lifetime fishing license, a veteran's lifetime combination small-game hunting and fishing license or those approved for the Big-Game Mobility Impaired Hunting Program are exempt. See cpw.state.co.us/ Accessibility for details.

PREFERENCE POINT FEES

» HOW IT WORKS. If you do not hold an active 2016 annual* or big-game license, or do not receive a license through the draw, you will be charged \$40 PER SPECIES (for deer, elk, pronghorn and bear), for which you get a preference point. This fee applies to residents and nonresidents. However, residents getting deer or pronghorn preference points will be charged only \$30 for each of those.

For example: If a nonresident (who isn't exempt from the fee) receives a point for all four species, they will be charged \$160. A resident would be charged \$140.

» **HOW TO AVOID IT.** If you don't want to pay the fee, you have until March 31, 2017, to purchase a 2016 annual fishing, annual small game, annual resident combination fishing and small game or resident senior fishing license.

» HOW WILL I BE CHARGED FOR IT? If you are charged the preference-point fee, it will be deducted from your 2017 big-game application refund(s). For example, if you're a resident and apply for a deer license or preference point and don't draw (and you are not exempt from the fee), you will receive a \$1 refund.

* ANNUAL LICENSES INCLUDE: annual fishing, annual small game, annual resident combination fishing and small game or resident senior fishing license. Any returned licenses do not qualify.

LICENSE OPTIONS & AVAILABILITY **OPPORTUNITIES TO HUNT**

➢ | LICENSE SALE DATES

Colorado offers several different types of big-game licenses and different options for purchasing them.

► AVAILABLE IN THE DRAW, APPLICATION DEADLINE APRIL 4

» LIMITED LICENSES

To get a limited license or preference points, hunters must apply for the draw in April — this is a process that awards licenses to hunters for specific units and dates. These are distributed through an application and drawing process. They include public-land hunts, private-landonly licenses and Ranching for Wildlife (RFW) licenses.

- » PRIVATE-LAND-ONLY licenses are valid on private lands within GMUs listed on the licenses as well as State Trust Lands not leased by CPW, but which have an active private recreational lease through the State Land Board (hunters should ask the landowner if this applies). Permission from private landowners is always needed before hunting with a private-land-only license. Please get permission before applying.
- » RANCHING FOR WILDLIFE licenses are available to all Colorado residents. Resident hunters may apply to hunt a specific ranch. Each ranch has specific rules. See page 14 for more.

» LEFTOVER DRAW OPTION — DEER AND ELK APPLICANTS ONLY

Deer and elk applicants can have the first chance at the limited licenses that are left after the draw by checking the "Leftover Draw" box on the application where it states, "If unsuccessful, send me..." (see below).

► AVAILABLE STARTING JULY 25

» OVER-THE-COUNTER LICENSES WITH CAPS

A preset number of licenses are available on a first-come, first-served basis for both resident and nonresident hunters. These are called licenses "with caps." They are sold online, by phone at 1-800-244-5613 or at CPW locations and license agents, starting at 9 a.m. (MDT) July 25.

» OVER-THE-COUNTER UNLIMITED LICENSES

These are available to both resident and nonresident hunters starting at 9 a.m. (MDT) July 25. They are sold online, by phone at 1-800-244-5613, at license agents and at CPW locations around the state. They are unlimited in number and may be purchased any time until the day before the hunting season begins. After the season starts, they are available at CPW offices only — except for archery elk OTC licenses and plains elk OTC licenses, which can be purchased at any license agent.

AVAILABLE STARTING AUGUST 1

» LEFTOVER LIMITED LICENSES

These are available to both resident and nonresident hunters. They are the limited licenses remaining after the draw and leftover draw processes, and go on sale in person and by phone at 9 a.m. (MDT) on Aug. 1. Call 1-800-244-5613. These licenses are sold by different methods at different license agents on Aug. 1. Contact the license agent you plan to go to for details. They also are available online on the CPW website starting at midnight Aug. 2.

ADDITIONAL DEER & ELK OPPORTUNITY

THE LEFTOVER DRAW EXPLAINED

The Leftover Draw gives deer and elk applicants who were unsuccessful in the draw the first chance at the limited licenses that are left once the primary draw is completed.

- » ENTER AUTOMATICALLY: Check the "Leftover Draw" box on your application where it states, "If unsuccessful, send me..." In June, you'll be mailed the list of limited licenses that are still available and another application. Submit this application by mail and you'll go through another draw process called the Leftover Draw, which is similar to the first draw. IF YOU APPLIED ONLINE FOR THE FIRST DRAW, YOU CAN ALSO APPLY ONLINE FOR THE LEFTOVER DRAW.
- » BENEFITS: Youth 12-17 receive priority in the Leftover Draw. You can participate in the Leftover Draw by mail or online, so you can skip waiting in line and secure your license before they go on sale to the public on Aug. 1.

NONRESIDENT LICENSE ALLOCATIONS

Nonresident allocations are determined by the average number of preference points a Colorado resident needed to draw a specific license during a 3-year period that ended with the 2009 drawing. (Units with low numbers of available licenses may not have any remaining for nonresidents after resident licenses are drawn.)

- **1.** For elk and deer hunt codes that required six or more points for a Colorado resident to draw, up to 20 percent may go to nonresidents. These hunts are designated in unit tables by a "+ " under the "SEX" column.
- 2. For hunt codes that required fewer than six points for a Colorado resident to draw an elk or deer license, up to 35 percent may go to nonresidents.

- 5. In a group of applications made up of both residents and nonresidents, all nonresidents in the group will count against the nonresident allocation.

LANDOWNER PREFERENCE PROGRAM

ATTENTION: As of the 2015 license year, all previous versions of landowner preference have been replaced with the Landowner Preference Program (LPP). The Priority Preference Program, Pilot Program and Regular Landowner applications are no longer accepted.

MORE ABOUT THE LANDOWNER PREFERENCE PROGRAM ONLINE cpw.state.co.us/bg/landowner

FOR LANDOWNERS:

- 1. Deer, elk and pronghorn licenses (*in units that are totally limited for all rifle licenses*) are allocated to deeded landowners who own at least 160 contiguous acres of private agricultural land.
- (Further qualifications apply see website.) 2. Landowner preference quotas are:
- » GMUs WEST OF I-25: 10 percent of the quota of public licenses may be issued as a voucher valid for a specific hunt code. An additional 10 percent of the public quota may be issued as a private-land-only voucher.
 » GMUs EAST OF I-25: 15 percent of the quota of public licenses may be issued as a voucher valid for a specific hunt code. An additional 10 percent of the public quota may be issued as a private-land-only voucher, and may only be transferred to a youth or an immediate family member.
- **3.** LPP applications are drawn just before CPW's public limited drawing. Successful

landowners receive a voucher for each winning hunt code. Landowners will be notified at the same time as public applicants.

4. The deadline to register for 2017 has passed. Registrations for 2018 may be submitted through Dec. 1, 2017, at the web address listed above. Registrations are valid for up to five (5) years.

FOR HUNTERS:

- 1. The landowner or designated land manager must transfer the voucher directly to the hunter. A voucher that has been transferred by any person who is not the landowner or designated land manager is void. A voucher that is brokered for another person is void. A hunting license obtained for use with a void voucher is also void. No person shall broker a voucher on behalf of any landowner or person, or use or possess any brokered voucher.
- The transfer of the voucher occurs when the hunter's name is written on the voucher, or the landowner or designated land manager hands (or mails) the voucher to the hunter.
- **3.** Landowner vouchers may be transferred one time only.

- 4. If a hunter cannot use a voucher, the voucher becomes VOID. The voucher CANNOT be reprinted or transferred to another hunter, even if the voucher has not been redeemed for a license.
- **5.** Annual bag limits still apply. Be sure you can legally have the license before acquiring a landowner voucher. List A, B or C is printed on the voucher. *See pages 17, 19, 33 and 48 for details.*
- **6.** The transfer of a voucher by a landowner or designated land manager must include permission to access and hunt all of the registered land for which the voucher was awarded, and for the entire season for which the voucher was awarded, without discrimination among hunters entering the land. Restrictions are not allowed, except for manner of access (*i.e. foot, horseback, vehicle*) reasonably necessary to prevent damage to land.
- 7. The voucher must be taken to a license agent or CPW location to be redeemed for a proper and valid license PRIOR to hunting. The appropriate license fees are paid at that time.
- **8.** A list of landowners is **NOT** available from Colorado Parks and Wildlife.

WIN THE HUNT OF A LIFETIME!

Special auction and raffle licenses are available for moose, deer, elk, bighorn sheep, mountain goat and pronghorn. A total of 18 Auction and Raffle licenses allow one to hunt during extended seasons in any unit open to hunting a certain species. These licenses are offered by participating wildlife conservation organizations that return at least 75 percent of the proceeds to CPW for research, management and education.

Thad McCool won a statewide moose raffle tag in 2015 and spent four months scouting the state in the hunt of a lifetime. "I saw more of Colorado in a few months than I have in my whole lifetime living here. This beautiful state truly has so much to offer for hikers, outdoorsmen, hunters and anglers." YOUTH HUNTING ELK, DEER, PRONGHORN OPPORTUNITIES FOR HUNTERS AGES 12–17

YOUTH EXPANDED HUNTING OPPORTUNITIES

CPW expanded youth hunting by giving kids more opportunities to harvest big-game animals.

Youth may now pursue antlerless deer or elk during any rifle season open to antlerless hunts. Youth hunts are no longer restricted to late-seasons as in previous years. Youth may also still hunt pronghorn does during

December.

| YOUTH DEER & ELK HUNTS IN 2017

1. CHOOSE YOUR SPECIES

Youth may hunt antlerless deer or elk in extended seasons. Youth may hunt only the same species that is on their original license. "Antlerless" means female deer (does) and elk (cows), as well as young males of both species with antlers less than 5 inches long.

2. CHOOSE WHEN TO HUNT

If a youth does not fill their original limited antlerless deer, antlerless

elk or either-sex elk license (see "Purchasing and Converting Licenses," below) — whether it's for archery, muzzleloader or rifle hunting — they may continue to hunt during any of the rifle seasons listed in this brochure, except for Ranching for Wildlife. They must hunt within areas specified on the maps on page 6, and there must be an antlerless hunt going on in the unit and season they wish to hunt.

3. PLAN AHEAD

To hunt deer or elk in the extended season, youth must buy a limited antlerless deer, antlerless elk or either-sex elk license. If they don't fill their tag during the original season, they will be able to continue hunting in certain areas of the state. Look at the maps on page 6 to make sure you purchase the original deer or elk license within the area you intend to hunt during the extended season.

4. FOLLOW THE RULES

When participating in the extended season, youth **MUST** follow all the rules of hunting during the rifle season, including wearing blaze orange or pink and using a method of take allowed in rifle season. Youth must also follow all unit restrictions where they choose to hunt in the extended season, including any private-land-only designations and any unit boundary restrictions.

PURCHASING & CONVERTING LICENSES

- » Youth must purchase their original license through the draw or from the leftover licenses list.
- » Either-sex elk licenses must be converted to an antlerless license at a CPW office if the original license is unfilled and the youth wishes to continue hunting an antlerless animal.
- » Over-the-counter archery licenses, OTC whitetail licenses, antlered licenses and either-sex plains rifle elk licenses may NOT be converted to participate in the extended season.

\approx

HOW TO PARTICIPATE

1. Youth must be ages 12–17 (see "Age Requirements" at right) and meet hunter education requirements.

BIG GAME HUNTING RULES FOR YOUTH

2. Youth must have an unfilled limited antlerless deer, antlerless elk or either-sex elk license after their original season ends. Then they may participate in any open rifle antlerless deer or elk hunt that begins after the last day of the season listed on their original license. (*Does not include Ranching for Wildlife.*)

Youth may hunt in the areas specified on the maps (*pages 6*), and must hunt the same species listed on their original license.

- **3.** Youth with an unfilled either-sex elk license must take the original license to a CPW office to have it converted to an antlerless license before hunting any extended seasons.
- 4. Youth hunters 12–15 years old *must be* accompanied by a mentor who is 18 or older and also meets hunter education requirements. Youth and mentors must be able to see and hear each other while hunting. Mentors can hunt only if they have a current license valid for the same units and dates the youth will be hunting.

- **5.** Youth must follow all applicable regulations for any hunts and units they select during the extended season, including season dates and geographic restrictions.
- Antlered licenses, over-the-counter licenses and either-sex plains rifle elk licenses may not be converted for extended youth hunting.

AGE REQUIREMENTS

- **1.** Youth ages 12–17 are offered reduced-cost licenses for deer, elk and pronghorn.
- **2.** At age 11, youth may buy or apply for a license if they will turn 12 before the end of season on the license. Youth cannot hunt with the license until they turn 12.
- **3.** Youth who get their original license when they are 17 and later turn 18 may participate in the extended season hunt. Youth hunting rules still apply, even though the hunter is 18 while hunting.
- **4.** Youth cannot apply for a youth limited license if they turn 18 on or before Feb. 7 this year. Youth must be 12–17 at time of purchase to buy a youth unlimited or leftover license.

YOUTH DRAW PREFERENCE

1. A minimum of 15 percent of limited licenses for doe pronghorn, antlerless and either-sex deer and antlerless elk for each GMU shall be available for youth ages 12–17 who meet hunter education requirements.

These licenses are available by drawing for all seasons and methods of take — including early and late rifle seasons. Licenses not drawn by youth are available to the public. (The Air Force Academy unit and Ranching for Wildlife hunts are excluded from this.)

- **2.** Youth hunt codes in GMUs 55, 66, 67 and 551 have been replaced with a youth preference set at 50 percent for all antlerless deer licenses in those GMUs.
- 3. Group applications are not accepted.
- **4.** If youth enter more than one hunt code on their application, all hunt codes must qualify for youth preference.

YOUTH OUTREACH LICENSES

Youth Outreach licenses are offered for deer, elk and pronghorn to qualified organizations sponsoring youth hunting activities. Application procedures are on the CPW website, cpw.state.co.us/YouthOutreachLicense.

WHERE TO HUNT DEER AND ELK

- » Youth may hunt in any area on the map within the red boundary that also contains the unit for which they purchased their original license. (Units with lines through them and blank, white areas are not open to extended-season hunting.)
- » Youth may only hunt the extended season when an open antlerless rifle hunt is going on in the unit they choose to hunt.

FOR EXAMPLE:

- » An original license is purchased in the draw for a youth to hunt eithersex elk in unit 49 during archery season.
- » The youth does not harvest during archery season and takes the tag to a CPW office to convert it to antlerless.
- » The youth, accompanied by a mentor, may continue to hunt during any of the rifle seasons listed in this brochure for units 49, 57 or 58, as long as there is an antlerless season in progress in the unit the youth wants to hunt.

Look at the rifle elk tables in this brochure to find these hunts, or look at the list of acceptable hunts online at **cpw.state.co.us/youthhunting**.

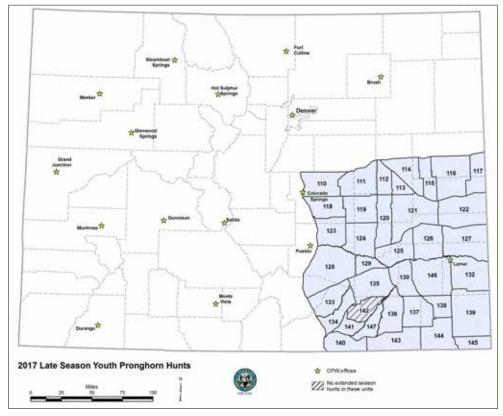

elk rifle table from page 43 of this brochure

- If the youth wishes to continue hunting in unit 49, he or she may hunt Oct. 21–29, Nov. 4–12 or Nov. 15–19. He or she may also hunt in units 57 or 58 from Oct. 14–18, Oct. 21–29, Nov. 4–12, Nov. 15–19 or on private land only during the late season Sept. 25–Jan. 31, 2018. Why Sept. 25? The original archery season (Aug. 26–Sept. 24) must be over before the youth can begin hunting the late rifle season.
- » During the extended season, the youth may use any method of take allowed during rifle season. See page 16.

I YOUTH PRONGHORN HUNTING

WHERE TO HUNT PRONGHORN

1. Youth must be ages 12–17.

147.

- Youth must have an unfilled pronghorn doe or either-sex license for a season anywhere in the state that has ended. If so, then they may participate in any December pronghorn doe season in the following units: 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 143, 144, 145, 146 or
- **3.** Youth with an unfilled either-sex pronghorn license must bring that license to a CPW office to have it converted to a doe license before hunting in a December season.

Youth with doe licenses do not need to convert those licenses, the original license is valid for an extended hunt.

- **4.** Unfilled pronghorn buck licenses may not be used to participate in this program.
- **5.** Youth must comply with all regulations that apply to the December season they hunt.

HYBRID DRAWING ELK, DEER, PRONGHORN

To expand quality opportunities to big-game hunters, the Colorado Parks and Wildlife Commission offers a "hybrid" drawing for select elk, deer, pronghorn and bear licenses.

The purpose of the draw is to give hunters additional opportunity to draw a license for some of the state's premier deer, elk, pronghorn and bear hunting areas.

Hunters who normally would not have enough preference points to draw these licenses now have a slight chance to draw a small number of the most coveted licenses through this process.

Nonresident caps apply. (Units with low numbers of available licenses may not have any remaining for the Hybrid Drawing.)

HUNTER QUALIFICATIONS

Qualified hunters wishing to participate in the Hybrid Draw must meet the following criteria and choose from the hunt codes listed at right as their first choice on their application.

- **1.** Hunters must have a minimum of five preference points for the species they wish to hunt to participate in the Hybrid Drawing.
- **2.** Hunters must apply individually; group applications are not accepted.
- **3.** Hunt codes that contain a "W" are Ranching for Wildlife properties. These hunts are for Colorado residents only.

HOW IT WORKS

In hunt codes that require 10 or more resident preference points to draw *(based on a 3-year average ending with the 2009 drawing)*, up to 20 percent of the available licenses may be issued through a random drawing.

Qualified resident and nonresident hunters who select applicable hunt codes (listed at right) and have at least five preference points for that species will automatically enter the Hybrid Drawing.

- » These hunt codes must be entered as your first choice on your application.
- » Winning applicants in the Hybrid Drawing will be selected randomly.
- » Hunters who successfully draw a license in the Hybrid Drawing lose all of their preference points for that species. Unsuccessful applicants will be awarded one point.

Preference points are reinstated to a pre-draw level, you do NOT receive an additional preference point for 2017.

Requests must be postmarked at least **30 days** before the season starts. If there isn't enough time to request a form, mail your license and carcass tag with a letter to CPW. It must be postmarked 30 days before the season for which the license is valid starts and mailed to CPW, attn: Refund Office, 6060 Broadway, Denver, CO 80216.

A license cannot be recovered once it has been returned to CPW along with a refund or preference point restoration request form.

4. Once there are fewer than 30 days until the season starts, refunds or preference point restorations are limited to extreme medical circumstances of the licensee, death of the licensee or death of the licensee's immediate family member, or members of the U.S. military whose service prevented them from requesting a refund or reinstatement on time.

These requests must be accompanied by evidence that the license has not been used and circumstances precluded the licensee from being able to make their request 30 days or more from season start.

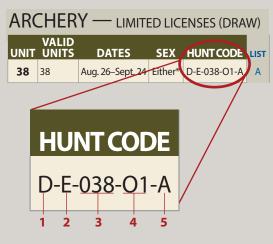

- 5. All license exchanges will be charged a fee of fifty percent of the cost of the original license, not to exceed \$25. Read the full exchange policy here: **cpw.state.co.us/LCPolicy**
- 6. Limited licenses that are returned may be available for purchase on the leftover license sales list: cpw.state. co.us/Leftover

F | HOW TO READ HUNT CODES

HUNT CODES CONTAIN A LOT OF INFORMATION.

Learning how to read hunt codes can ensure that you apply for the right hunt in the limited license drawing each year. Here's a quick how-to:

- **1. THE FIRST LETTER** of the code designates the species: D = deer; E = elk; A = pronghorn; M = moose; B = bear
- **2. THE SECOND LETTER** of the code designates the sex of the animal you want to hunt: M = male; F = female; E = either sex
- **3. THE THIRD PART (THREE NUMBERS)** designates the unit you want to hunt: 001 = Unit 1; 201 = Unit 201; etc. If more than one unit is valid, only the lowest unit number will appear.
- **4. THE FOURTH PART (A LETTER AND A NUMBER)** indicates hunt dates. For example: O1 = first season; O2 = second season; O3 = third season; etc. P is for private-land-only hunts, followed by the season number: P1, P2, P3, P4 and P5. E1 = early season; L1 = late season; K2, K3 = youthonly hunts. There are also Ws or Js for Ranching for Wildlife and S for a split unit or season choice license.
- **5. THE LAST LETTER** in the hunt code indicates what manner of take the license is valid for: A = archery; M = muzzleloader; R = rifle and associated methods.

For example, this hunt code is for: A deer hunt, for either-sex, in unit 38, during the first season for archery.

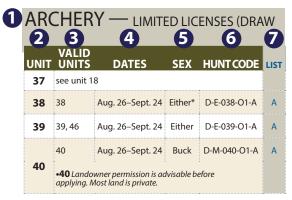

NOTE: Be aware that the zero (0) in the hunt units and the letter O in the hunt dates look very similar!

| HOW TO READ HUNT CODE TABLES IN THIS BROCHURE

HUNT TABLES SHOW THE LIMITED LICENSES AVAILABLE. These are available through the draw or as leftover licenses. (*Some hunt tables on pages 58–59 in the bear section include hunt codes for over-the-counter licenses. These are not available through the draw.*)

- **1. THE TITLE** above each table indicates the method of take for the hunt codes within that table. Start here to find the method of take you wish to use. Tables are color coded the same throughout the brochure.
- 2. THE UNIT COLUMN is where you will look next to locate the game management unit you wish to hunt. Please read the unit tables carefully. Some licenses are valid in one unit only, while others are valid in multiple units. Here's how to tell where you can hunt:
 - » If the hunt code for a certain unit is also valid in additional units, the VALID UNITS column will list all the units where you can hunt with that same license.
 - » If a unit has the same hunt details and hunt codes as another unit, the chart will read "SEE UNIT ___." Look up the unit referred to for the correct hunt codes for your hunt. For example, see unit 37 in the sample chart at right.
- **3. THE VALID UNIT** column will also display information for each hunt and whether it is private land or has other restrictions. If a hunt is labeled as private land, you should get permission from a landowner in that unit before you apply for that license.
- **4. THE DATES** column lists the applicable season dates when the license is valid. Please look at the rows carefully, as each unit may have multiple hunt dates.
- **5. THE SEX** column indicates which sex of animal can be hunted for that specific hunt code. Please read the information carefully because the sex of an animal that is huntable in a unit may have changed from previous years.
- **6. THE HUNT CODE** column displays the code you will use to apply for the license you desire. Read the information carefully, as there are many possible hunt codes associated with each unit, and they may have changed since the last time you hunted. *Please see section above on how to read hunt codes.*
- **7. THE LIST** column displays what type of license you are buying. There are opportunities to purchase more than one license during the year, as long as the licenses meet the requirements of being List A, B or C. For details, see "How to get more than one license" sections under the big-game species you'd like to hunt in the following brochure pages. When applying in the draw, DO NOT include the list letter on the application. You may submit only one application per species, per year.

SAMPLE DEER ARCHERY TABLE

OTHER HUNT TABLE SYMBOLS

- **1. A DOT (•)** in the **UNIT** column indicates there is a special note about that unit, displayed below the hunt code information (as shown with unit 40 above).
- 2. AN ASTERISK (*) in the SEX column indicates units that had licenses left over after last year's drawing. There may be a good chance of licenses left over this year, too, giving you a chance to draw that license as a second, third or fourth choice on your application, or by purchasing as a leftover license.
- **3. A PLUS (+)** in the **SEX** column indicates hunt codes for which an average of at least six preference points are needed for a resident to draw that license. This is only an average and does not guarantee a license will be drawn. *These calculations are based on a 3-year period ending with the 2009 drawing.*

TIPS FOR FILLING OUT PAPER APPLICATIONS:

» USE ONLY APPLICATIONS IN THE CENTER OF THIS BROCHURE. Photocopies and sample applications pictured below are not accepted. Do not cut or fold applications. Remove stubs.

» USE CAPITAL LETTERS AND STAY COMPLETELY WITHIN THE BOXES. Print clearly. Use black ballpoint pen only. Do not use correction tape or fluid, or write over errors. Either get a new application or scratch out the error and write above it without interfering with other boxes.

» REVIEW YOUR APPLICATION. Incorrect applications are disgualified and no preference points are awarded. Photocopy your application for your records. If applying online, print or save your receipt; it is your only record of what you applied for.

» MAKE A MISTAKE? If you've already turned in your application but made a mistake on it, corrections must be made online by April 10. An effort will be made to complete every request; however, CPW cannot guarantee that all requests can be accommodated. Due to time constraints, CPW cannot confirm that your correction has been made. There are optional second, third and fourth choices. You may apply for four total choices. If you receive a license that you've listed as your second, third or fourth choice, you'll also receive a preference point for the following year.

» ATTENTION GROUP HUNTERS: You must enter the same hunt code choices in the same order on every group application.

NPPLICATIONS

NO APPLICATION ERRORS ACCEPTED: Customers will **NOT** be contacted to fix any application errors prior to the draw. Those applications will be disqualified immediately. » Submitting your application online automatically checks for errors and correct payments.

» If you think you made a mistake on your application, fill out correction requests by April 10 at cpw.state.co.us/bg/corrections.

4. FILL IN YOUR RESIDENCY STATUS, HUNTER INFORMATION & SIGN YOUR NAME

» RESIDENCY STATUS AND YEAR

Mark an "X" in the box that applies to your residency. Mark one box only.

If you checked "Resident" or "Resident Youth," you must fill in the "Colorado Resident Since" boxes with the month (MM) and year (YYYY) you began living here. For Colorado military, enter "888888."

» "IF UNSUCCESSFUL SEND ME..."

Place an "X" in the correct box to tell us what to do if you don't draw a license. Unsuccessful pronghorn applicants who leave this box blank automatically get a refund. Unsuccessful deer and elk applicants who leave it blank are entered into the leftover draw.

Your choices here include:

- **a. LEFTOVER-DRAW OPTION:** Deer and elk applicants have first choice of the licenses left after the drawing by participating in the leftover draw. See page 3.
- **b. A REFUND:** If you want a refund, your license fee will be refunded. The \$10 Habitat Stamp and \$3 application fees are not refunded if you choose a refund. Refunds must be requested 30 days prior to the start of the season for which the license is valid.
- c. ARCHERY OR RIFLE OPTIONS FOR ELK: Applicants may select an over-the-counter license. See maps, pages 34–37.
- **d. PRONGHORN ARCHERY:** Applicants may select an over-the-counter license. *See map, page 49.*

» HABITAT STAMP

You must purchase a 2017 Habitat Stamp to apply for the draw or buy a license.

ATTENTION: Applications will be disqualified from the draw if the hunter has not yet purchased a 2017 Habitat Stamp.

If you mail in applications for more than one species, include \$10 with only **ONE** of your applications. If you choose to include the Habitat Stamp fee with an application, put an "X" in this box.

The Habitat Stamp fee is nonrefundable, whether or not you draw a license. Habitat Stamps are also available at license agents, CPW locations or online.

» PREFERENCE POINTS

If you have preference points for this species, mark an "X".

» HUNTER EDUCATION

Put an "X" in this box if you have a valid hunter education card. Proof of hunter education is required in Colorado if you were born on or after Jan. 1, 1949.

» SOCIAL SECURITY NUMBER

Your Social Security number (SSN) is required by federal and state law to apply for licenses. If you have applied before and have already given it to us, leave this blank. The SSN is not displayed on licenses. If you wish, you can contact CPW directly to give your SSN over the phone or in person.

» SIGN YOUR APPLICATION

Read the certification statement carefully, then sign the application. Include a phone number where you can be reached before 5 p.m. MST. Unsigned applications may be rejected.

Include your payment check with your application. See submission details on page 8.

5. ARE YOU HUNTING AS PART OF A GROUP?

» GROUP APPLICATIONS MUST INCLUDE THE SAME CID FOR ALL GROUP MEMBERS Pick one member as a leader of your hunting group.

All members, including the leader, must enter the leader's CID number in this section "For Groups Only." If the leader doesn't have a CID, call a CPW office to get one before applying.

See "Group Hunt Instructions" on page 12 for more information on applying as a group.

| HOW PREFERENCE POINTS WORK

1. ONE PREFERENCE POINT IS AWARDED

- to hunters who apply properly and are unsuccessful in drawing a license for a firstchoice hunt code for big-game species in this brochure. You may apply for a preference point as your first-choice hunt code. Hunters who make an application error, including on first-choice hunt codes, do not get a point.
- **2. YOUTH** can apply for a point if they turn 12 by Dec. 31 of the application year.
- **3. IF YOU ARE ISSUED A FIRST-CHOICE LICENSE,** all accumulated preference points for that species become void and return to zero.
- **4. IF UNSUCCESSFUL** for a first choice, your accumulated points will be listed on your refund, leftover-drawing application or other-choice license.
- **5. POINTS ACCUMULATE** until you draw a first-choice license. If you fail to apply for and have not purchased a license during a 10-year period, all accumulated points for that species are purged from your record and become void.
- **6. PRIORITY** goes to those with the most points, except when the license quota or nonresident cap would be exceeded.
- GROUP APPLICATION priority is based on the member with the fewest points. See section below.

HOW TO APPLY AS A GROUP

1. GROUP HUNTS: Group applications for any number of people are accepted for all biggame species in this brochure except moose. Group applications entering the draw for deer, elk, pronghorn and bear licenses have priority based on the group member with the fewest preference points. Group members must apply for the same species, hunt code, unit, geographic restrictions, season and method of take for each choice, but may apply for a different sex. All group members must have the same hunt code choices on their applications (other than sex). Each member must list the same first-choice hunt code and the same second-, third- and/or fourth-choice hunt-codes. These choices **MUST** be in the same order on all group ap

- **8. SECOND-,** third-, fourth-choice, over-thecounter and leftover hunts don't use or generate points.
- **9. \$40 PREFERENCE POINT FEE.** Hunters will be automatically assessed \$40 per species (\$30 for resident deer and pronghorn) for a preference point unless they have purchased one of the following: an annual fishing, small-game, resident combination small-game and fishing, furbearer or a big-game license in the previous year, or a current limited license in the draw for the same species for which they seek a point.

The point fee is waived for youth, lifetime license holders, free senior annual fishing license holders and residents who are in the military on active duty outside Colorado.

10. WEIGHTED PREFERENCE increases your probability of drawing a moose license. It is calculated by converting your application number into a different application number, then dividing that new number by the number of weighted points you have, plus one. This generates another new application number. Applications are sorted by this new number from lowest to highest and low numbers for each hunt code are awarded licenses.

You can have a maximum of three points for moose. If you have three and you fail to draw a first-choice license, you receive weighted preference for moose.

plications. If anyone in the group makes an application error or doesn't pay the correct amount, everyone in the group is disqualified.

- **2. CHOOSE A LEADER:** One person must be the group leader. If there are differences in the number or order of hunt codes on the applications the leader's choices are used.
- **3. ENTER LEADER CID NUMBER ON ALL AP-PLICATIONS:** All group members — including the leader — must enter the same CID number in the group application box to be entered as a group. If the leader has no CID, they must call CPW to get one. All group members must use the same person as the leader.
- **4. HOW GROUPS ARE AWARDED LICENSES:** Each hunter's application must be submitted

PREFERENCE POINT HUNT CODE

Specific preference-point hunt codes are listed at the beginning of each species section in this brochure.

Entering this hunt code as a first choice on your application automatically awards you a point, if eligible. You can choose other hunt codes as your second, third or fourth choices.

Do not submit a separate application for preference points or both applications will be disqualified.

You must pay the full cost of a license and meet all requirements even if only applying for a point. If only applying for a point, your money, minus the \$3 application fee and \$10 Habitat Stamp fee, is refunded. An additional \$40 (\$30 resident deer or pronghorn) may be deducted if you don't meet the criteria under No. 9 in "How Preference Points Work."

11. PREFERENCE POINTS ARE NOT TRANS-FERABLE. Points are awarded for specific species, not for hunt codes, sex, unit(s), season(s) or method of take.

12. ACTIVE DUTY U.S. MILITARY stationed in Colorado or who claim Colorado as their home of residence and are deployed outside the U.S. are eligible, when they return home, to apply for preference points for any limited license drawings they missed while deployed. Applications will be available at the end of July.

separately. Groups are assigned a number. If that number is selected in the draw, everyone in the group gets a license. If the group is selected and there aren't enough licenses for everyone, the group will not get licenses. If the group includes resident and nonresident applicants and the nonresident cap has been met, the group will not get licenses. Group applications are not accepted for the leftover draw. Group members who choose the leftover draw will go through as individuals.

5. PREFERENCE POINTS, REFUNDS, NOTICES: If everyone in the group is successful for their first choice, they all get a license and their preference points drop to zero. If unsuccessful for their first choice, everyone gets a point. Licenses, refunds and notifications are sent to each individual.

WHAT LICENSE DID YOU DRAW?

Can't wait to see what license you get in the mail? All big-game licenses will be in the mail by June 23, but if you'd rather not wait to find out what you drew, there is a way to find out online.

- » GO ONLINE. Go to cpw.state.co.us/DrawResults on or after June 1.
- » VIEW YOUR DRAW RESULTS. Enter your ID information and you will be able to see your draw results for the last several years, as well as your current preference point levels.

NOTE: If you like surprises and prefer to wait until you receive your license in the mail, make sure you open it immediately and verify that all information is correct and that you are familiar with all of the restrictions related to the species and unit(s) you will be hunting.

FIELD INFORMATION & REFERENCE TOOLS, TIPS AND RESOURCES FOR HUNTING COLORADO

BIG-GAME SPECIES IDENTIFICATION

TIPS FOR IDENTIFYING ANIMALS

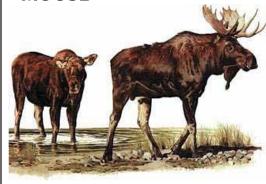

- 1. ID FIRST, TRIGGER FINGER SECOND. Take as much time as is necessary to identify an animal before you shoot. Use your binoculars, not your rifle scope, to make a positive ID on an animal. Then put your finger on the trigger.
- 2. STUDY THE BODY. There are telltale ways to tell different animals apart. Don't just look at an animal's antlers, study the entire head and body of an animal before you shoot. This will help distinguish elk from moose and mule deer from whitetails.
- 3. WATCH FOR BABIES. When hunting elk or moose, be careful not to mistake a moose calf for a cow elk. Young moose have a reddish coat, similar to an elk. Also, it is illegal to kill a bear that has cubs with it. Bear cubs younger than a year old cannot be harvested.
- 4. MAKE A MISTAKE? Accidents happen. If you've shot the wrong species of animal in the field, don't panic. Call the local district wildlife manager or the CPW office nearest to you listed at the front of this brochure. Admitting a mistake is a hunter's most responsible plan of action.

ATTENTION! Moose can be found in the same habitat as elk in Colorado. Elk hunters must know the difference between the two species to avoid accidentally killing a moose.

» BODY: reddish, lighter brown, darker legs » NECK: chestnut SNOUT: slender » **RUMP:** pale » BULLS: antlers aren't palmated and have obvious brow tines comina off main beam

MOOSE

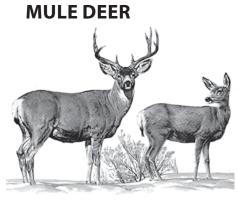

TRAITS » BODY: dark, black-brown with white-gray legs » NECK: large bell (beard) on throat » SNOUT: overhanging, bulbous nose » **RUMP:** pale vellow » BULLS: palmated antlers with

tines

TRAITS

ATTENTION! It is quite common to find both mule deer and white-tailed deer in the same areas, especially on the Eastern Plains. Since both types of deer have the same general body shape and size, hunters can look for a few key differences to make a positive identification. **The primary telltale characteristic a hunter should look for is the tail.**

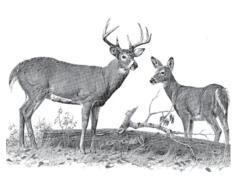

TRAITS

» TAIL: rope-like tail with black tip » ANTLERS: fork and then fork again, usually very evenly, on older

males » EARS: large in proportion to head on both bucks and does

» GAIT: stiff-legged bounce, tail held down » RANGE: statewide: in mountain shrubs, foothills, communities

WHITE-TAILED DEER

with white fringe; all white when tail is up » ANTLERS: consist of one main beam with three to five tines pointing upward » EARS: smaller in proportion to head » GAIT: move with a graceful lope, flag-like tail often held up » RANGE: common on

» TAIL: broad and brown

Eastern Plains: in streamside woodland areas; cropland along rivers

PRONGHORN

BUCK TRAITS

» HORNS: Prominent, with prong or point between the base and tip » FACE: Black cheek patch

DOE TRAITS

» HORNS: May have horns less than 5 inches » FACE: No black cheek patch

» FAWNS of either sex are considered does

TRAITS

» COAT: Adults have long, thick hair; yearlings may have thin, bleached-looking hair » EARS: Small ears and a large head usually indicates a large bear

» FACE: Narrow face and long noses are a trait of young bears that are not yet adults

Legal hunting hours for big game are one-half hour before sunrise to onehalf hour after sunset, unless specifically restricted.

The sunrise/sunset chart below lists times for Denver. Subtract 1 minute from opening and closing time for each 12 1/2 miles east of Denver. Add 1 minute to opening and closing time for each 12 1/2 miles west of Denver.

(These changes assume that each degree of longitude equals 50 miles and a change of 1 degree of longitude equals a 4-minute change in sunrise and sunset times.)

From the field to the table, ensuring your next harvest is safe for your family is important. Switching from lead bullets may be the right option for you. For more, go to the link above. Science tells us ingesting lead can cause potential health problems. Risks are low for most

people, however, you can also:

1. Use lead-free shot or bullets.

- Liberally trim and discard meat damaged by the bullet when you process an animal. Fragments can scatter far from the wound.
- Clean your meat grinder between each animal. Lead is soft and can go through your grinder, contaminating a batch of ground meat.
- Avoid eating game meat from animals harvested with lead bullets if you are pregnant. Children younger than 6 should also avoid it.

| HUNT PROGRAMS

AREAS CLOSED TO SHED ANTLER HUNTING

Shed antler hunting is not allowed from Jan. 1–March 14 on public lands in GMUs 25, 26, 35, 36, 43, 44, 47, 54, 55, 66, 67, 444, 471 and 551. From March 15–May 15, these areas are closed to shed hunting only from sunset to 10 a.m.

RANCHING FOR WILDLIFE (RFW)

Public Ranching for Wildlife licenses are available only to Colorado residents by drawing. Licenses are valid only for the season and ranch specified.

RFW landowners must provide free access to hunters who draw a public license for their ranch. By applying for a RFW license, hunters allow CPW to provide applicant information to the ranch.

Hunting rules differ for each ranch. Read ranch rules on the CPW website at **cpw.state.co.us/thingstodo/Pages/ RFW.aspx** before applying.

GUIDES AND OUTFITTERS

Guides and outfitters must be registered, bonded and insured in Colorado. They also need permits to operate on public land and must register with the Office of Outfitter Registration, 1560 Broadway, Suite 1340, Denver, CO 80202, 303-894-7778; www.colorado.gov/pacific/dora/Outfitters.

Legal, legitimate outfitters operate around the state and can provide invaluable resources for your hunting trip. Verify an outfitter's registration by contacting the above office or Colorado Outfitters Association online at **coloradooutfitters.org**.

DREAM HUNT LICENSES

Deer, elk, pronghorn, mountain lion and bear licenses are available to hunters ages 12–21 with a terminal illness or life-threatening disease or injury.

Requested dates for hunting events must occur between Aug. 15 and Jan. 31 each year. Licenses are not offered in units with at least one hunt code that requires 10 or more resident preference points to draw (excluding Ranching for Wildlife).

Before a license is issued, hunters must obtain written permission from the landowner to hunt on private land. Sponsoring organizations must request licenses in writing and document the life-threatening or terminal condition, hunting experience, logistical considerations, hunt location and dates. Submit requests to CPW, Hunter Outreach Coordinator, 6060 Broadway, Denver, CO 80216.

HUNTER SURVEYS HELP ASSESS HARVEST

CPW conducts big-game harvest surveys each year to estimate harvest, hunter numbers and recreation days.

Deer, elk and pronghorn hunters may receive a phone call or email, asking to take part in a survey. This includes questions such as: where you hunted, if you harvested an animal, if you were satisfied with your experience and if you saw overcrowding from other hunters.

Only randomly selected hunters can participate. Participation is not required, but responding — even if you didn't hunt or harvest — is an important part of setting future seasons and license numbers.

If contacted, you can take the survey online at **colobgharvest.com**, or call the toll-free phone number 1-855-924-4278.

The survey runs 24 hours daily, October through mid-February. See the CPW website for details.

HUNT SMART, STAY SAFE

CHRONIC WASTING DISEASE: WHAT YOU NEED TO KNOW

WHAT IS IT?

Chronic wasting disease (CWD) is a fatal neurological disease that attacks the brains of deer, elk and moose. It causes animals to become emaciated, display abnormal behavior and eventually die. Infected animals often show no signs of illness. State and federal health experts say CWD is not likely transmissible to humans

WHERE IS IT?

The map in the back of this brochure highlights game management units in red where CWD has been detected.

CWD has been found in several regions in Colorado, as well as other states and provinces. In this state, infection rates appear higher in males and older animals. Details are available online

MANDATORY TESTING 2017

CPW will require mandatory submission of CWD test samples from some hunterharvested bucks and does during the 2017 archery, muzzleloader and rifle seasons, to better evaluate the prevalence of CWD in herds. Any notified hunter that harvests a deer in the units specified will be required to present their deer for testing at a CPW office. There will be no charge for this mandatory sampling. Find the specific GMUs and hunts on pages 19–28 of this brochure.

CWD RESOURCES ARE ONLINE: cpw.state.co.us/bg/CWD

HUNTERS MUST WEAR FLUORESCENT ORANGE OR PINK

Law requires hunters to wear at least 500 square inches of SOLID DAYLIGHT FLUORESCENT ORANGE Der FLUORESCENT PINK material on an outer garment above the waist while hunting deer, elk, pronghorn, bear or moose with any firearm license. A fluorescent orange or pink hat or head covering, visible from all directions, is also required.

This includes all muzzleloader hunters. It also includes archery hunters who hunt during rifle season. Archers hunting during a limited bear season, hunting with an archery bear, deer, elk, pronghorn or moose license, or licensed for private land hunting through the Ranching for Wildlife program do not have to wear fluorescent orange or pink, but should consider wearing it to increase safety while in the field. Auction- and raffle-license holders do not have to wear orange or pink when hunting with archery equipment when no rifle seasons are open. If using a ground blind or pop-up blind, hunters should display orange or pink that is visible from all directions on the outside of the blind.

CAMOUFLAGE ORANGE OR PINK DOES NOT QUALIFY! Mesh garments are legal but not recommended. CPW strongly recommends wearing daylight fluorescent orange or fluorescent pink clothes in the field, even if you're not hunting. Wearing orange or pink is for hunter safety, as big-game animals don't see these colors like we do. Movement, sound and smell are what give hunters away.

MARK YOUR HARVEST SITE WITH YOUR GPS

Hunters who have GPS units are encouraged to mark the location of their harvest in the field. This is especially important for hunters who harvest a bear or moose. During mandatory inspections, hunters will be asked to give a location of their

harvest. Having GPS coordinates makes reporting simple and precise. Use your GPS to set a waypoint where you harvest an animal and save the UTM

or longitude and latitude coordinates. Bring that information to record on the check report form during harvest inspections.

Colorado OHV permit (except on private property). Registrations/Permits are \$25.25, valid April 1–March 31. OHV Permits (applicable for nonresidents and street legal/plated vehicles) are online at cpw.state.co.us/bg/OHVpermit, at CPW locations and license agents. Questions, call 303-791-1920. Renewal registrations are available online and at CPW locations. New registrations and transfers must be done in person or by mail. Visit **cpw.state.co.us** for details. Contact each public land management agency for their

current motor vehicle-use rules, regulations, agency maps and game retrieval specifications and hours. Most areas do not allow off-trail game retrieval with any motorized vehicle. If you witness or observe a violation of OHV misuse on public lands, please report it to any law enforcement officer in that area.

- a. Mechanical calls are legal, including mouth calls.
- b. Electronic calls, such as amplified audio players or smartphone apps, are prohibited for big-game hunting.

ILLEGAL ACTIVITIES

» If convicted of these felony violations, you can face a lifetime license suspension:

- 1. FELONY OFFENSE: To kill and abandon big game. It is illegal to remove only the hide, antlers or other trophy parts and leave the carcass in the field.
- 2. FELONY OFFENSE: To sell, buy or offer to sell or buy big game.
- **3. FELONY OFFENSE:** To solicit someone to illegally kill big game for commercial gain or provide outfitting services without required registration.

IT IS ALSO AGAINST THE LAW TO:

- 4. Have a loaded (in the chamber) rifle or shotgun in or on any motor vehicle. Muzzleloading rifles are considered unloaded if the percussion cap or shotshell primer is removed, or if the powder is removed from flashpan. It is illegal for anyone to have a loaded electronic-ignition muzzle-loader in or on a motor vehicle unless the chamber is unloaded or the battery is disconnected and removed from its compartment.
- 5. Carry firearms (except handguns) on an OHV during deer, elk, pronghorn and bear seasons unless they are unloaded in the chamber and magazine. Firearms (except handguns) and bows carried on an OHV must be fully enclosed in a hard or soft case. Scabbards or cases with open ends or sides are prohibited. This does not apply to landowners or their agents who carry a firearm on an OHV to take depredating wildlife on property they own or lease.
- 6. Establish a permanent structure or plant vegetation on CPW-owned land or waters. Only portable blinds and tree stands for big-game hunting can be erected on CPW land, and no more than 30 days prior to the season during which they will be used. No nails can be driven into trees. Man-made materials for blinds or stands must be removed within 10 days after the season they are used in ends. The owner's Customer Identification (CID) number and dates of use must be visible on outside of portable blinds or underside of tree stands. Placement of blinds or stands does not reserve them for personal use; they may be used on first-come, first-served basis.
- 7. Hunt carelessly or discharge a firearm or release an arrow disregarding human life or property.
- **8.** Operate or ride a snowmobile with a firearm unless it's completely unloaded and cased, or with a bow unless it's unstrung or cased. Compound bows must be cased, not unstrung.
- **9.** Shoot from or use a motor vehicle, motorcycle, off-highway vehicle, snowmobile or aircraft to hunt, intercept, chase, harass or drive wildlife.
- **10.** Use aircraft to hunt, to direct hunters on the ground or to hunt the same day or day after a flight was made to find wildlife.
- **11.** Use the Internet or other computer-assisted remote technology while hunting or fishing. This includes unmanned or remote-control drones used to look for wildlife. Hunters and anglers must be physically present in the immediate vicinity while hunting and fishing.
- 12. Hunt under the influence of alcohol or controlled substances.
- 13. Use artificial light as an aid in hunting.
- 14. Use poison, drugs or explosives to hunt or harass wildlife.
- 15. Fail to extinguish a campfire.
- 16. Fail to make a reasonable attempt to track and kill animals you wound or may have wounded. It is against the law to pursue wounded wildlife that goes on private property without first obtaining permission from landowner or person in charge.
- 17. Fail to reasonably dress, care for and prepare edible wildlife meat for human consumption. At a minimum, the four quarters, tenderloins and backstraps are edible meat. Internal organs are not.
- 18. Shoot from or across a public road with a firearm, bow or crossbow. People firing a bow, rifle, handgun or shotgun with a single slug must be at least 50 feet from the centerline of the road.
- 19. Party hunt (i.e. kill someone else's game or let someone kill yours).
- **20.** Interfere with hunters. This includes distracting or frightening prey; causing prey to flee by using light or noise; chasing prey on foot or by vehicle; throwing objects; making movements; harassing hunters by using threats or actions; erecting barriers to deny access to hunting areas; intentionally injecting yourself into the line of fire. Violators face prosecution and may have to pay victim's damages and court costs.
- For two or more people on the ground, in a vehicle or vessel to use electronic devices to communicate information that violates any wildlife law or regulation.
- 22. Use dogs.
- **22.** Hunt big game over bait, whether or not the person hunting personally placed the bait. Bait means to put, expose, distribute or scatter salt, minerals, grain, animal parts or other food as an attraction for big game. Salt or mineral blocks used for normal agricultural purposes are not considered bait. Scent sticks that smell like food are illegal for bears.
- **23.** Kill cubs or bears accompanied by one or more cubs. A cub is a bear less than a year old.
- **24.** Hunt bears in their dens.
- **25.** Have a carcass, hide, skull, claws or parts of bears or mountain lions without a valid hunting license or unless authorized by CPW.
- **26.** Sell, trade, barter or offer to sell, trade or barter bear gall bladders or edible portions of bears.
- 27. Hunt on private land without first obtaining permission from landowner or person in charge.
- 28. Post, sign or indicate that public lands, not under an exclusive-control lease, are private.
- 29. Use State Land Board properties not leased and signed by CPW without permission of lessee.

BAG LIMITS & TAGGING

- **1. LIMITED LICENSES:** You can submit only one application in the drawing per species, per license year.
- **2. BAG LIMITS, LICENSE PURCHASES:** The bag and possession limit is the total number of animals you can legally kill of each species. Big game killed in January and February seasons set as part of the previous license year's seasons fall under the previous year's bag and possession limit. When a license allows hunting in more than one unit, the unit in the hunt code determines the maximum number of licenses a hunter can obtain per year for that species.
- **3. MOOSE:** The lifetime bag limit for bull moose is one, except for auction, raffle or special management licenses.
- **4. COYOTES:** You can hunt coyotes without a smallgame license during big-game seasons if you have an unfilled big-game license. You can hunt coyotes only in the same unit, season and manner of take as on your big-game license. Once you fill your big-game license, you must buy a small-game or furbearer license to hunt coyotes. Harvesting a coyote does not void your big-game license.

CARCASS TAGS

You must attach a carcass tag to animals you kill per instructions on tag. Tags must be immediately signed, dated, detached from the license and attached to the carcass of the animal — not to detached hides, horns, antlers or carried separately. Tags must stay on until meat is processed and remain with meat until consumed. It is illegal to sign or tear the tag before a kill.

If you lose, accidentally destroy or detach the tag, you must get a duplicate from a CPW office before hunting and prove the loss, detachment or destruction was accidental. Do not remove other parts of a license except the carcass tag after a kill. Doing so voids the license and you must buy a duplicate.

If you have a nonresident big game/fishing combo license, the fishing license is valid after the carcass tag is detached, as long as the rest of the license is intact.

EVIDENCE OF SEX

 It is illegal to have or transport a big-game carcass without evidence of sex naturally attached. It is illegal to have only detached evidence of sex accompany the carcass. If you submit a deer or elk head for CWD testing, leave evidence of sex on the carcass.

2. EVIDENCE OF SEX IS:

A. BUCK/BULL: Head with antlers or horns attached to carcass; or testicle, scrotum or penis attached to carcass. **B. DOE/COW:** Head, udder (mammary) or vulva attached to carcass.

C. BLACK BEAR: Male: testicles or penis. Female: vulva.

- **3.** Heads detached from carcass are not adequate evidence of sex.
- **4.** If a carcass is cut in pieces or deboned, evidence of sex needs to be attached to a quarter or another major part of carcass. All portions must be transported together.
- **5.** Evidence of sex is not required if a donation certificate accompanies less than 20 pounds of meat or after the carcass is cut into processed meat, wrapped and frozen, or stored at licensee's home.
- **TIP:** If you shoot a young buck or bull with antlers less than 5 inches long, it can be considered "antlerless". But what do you do about evidence of sex?
- **1.** Leave the head and antlers naturally attached to a portion of the carcass to prove it meets the requirement.
- **2.** Leave the testicles attached to a portion of the carcass and then you can detach the head or skull plate and carry it out with the antlers intact.

RESIDENCY REQUIREMENTS

- Requirements to qualify as a Colorado resident to buy a hunting license:
- 1. You must live in Colorado at least 6 consecutive months immediately before applying for or buying a license, **AND** you must intend to make Colorado home (except No. 3 and No. 4 below). The residence address you give to buy or apply for a license must be the same as on your Colorado income tax return.
- **2.** A valid Colorado driver's license or Colorado ID is proof of residency if issued at least 6 months prior to buying or applying for a license. If your ID or driver's license was issued or renewed less than 6 months prior, you must provide documentation that proves you have been a resident for the required 6-month period.
- 3. U.S. military personnel and military personnel of U.S. allies on active duty in Colorado under permanent orders and their dependents qualify. This includes people who were Colorado residents when they entered the military and keep Colorado as their home of record, and their dependents (unless they change their home of record to another state). Also included are personnel of the U.S. Diplomatic Service or diplomatic services of nations recognized by the U.S. assigned here on permanent active duty orders and their dependents. Active duty military does not include reserve status, National Guard or government contractors.
- **4.** Full-time students qualify who are enrolled and attending a Colorado college, university or trade school at least 6 months immediately before applying for or buying a license. This includes students who are temporarily absent from Colorado but still enrolled. Colorado residents who attend school full time out of state and pay nonresident tuition still qualify for a resident license.
- **5.** Children under 18 have the same residency status as their parent, legal guardian or person with whom they live most of the time per court order.
- **6.** If you have a home in Colorado and another state, call 303-297-1192 to make sure you comply with Colorado residency requirements before applying for or obtaining a hunting or fishing license.
- 7. Except as in No. 3 and No. 4 above, you lose your Colorado residency if you apply for, buy or accept a hunting or fishing license as a resident of another state or country, register to vote outside Colorado or get a driver's license using an address in another state.

SECURE AND VERIFIABLE IDENTIFICATION

As required by the state's "Secure and Verifiable Identity Document Act," residents and nonresidents buying or applying for hunting or fishing licenses must show secure and verifiable ID. For a list of acceptable and unacceptable documentation, go to the CPW website: **cpw.state.co.us/SecureAndVerifiableInfo**

CHILD SUPPORT DELINQUENCY

State and Federal law requires a Social Security number to buy a license. It is not displayed on the license but is provided, if requested, to Child Support Enforcement authorities. Hunting and fishing licenses are not issued to those suspended for noncompliance with child support. Any current licenses become invalid if held by an individual who is noncompliant with child support.

FELONY OFFENSES AND WEAPONS

Colorado and federal law prohibits people convicted of certain crimes, such as domestic violence, from possessing weapons even for hunting. If you've been convicted of a crime, check with the appropriate law enforcement authorities to find out how these laws apply to you.

HUNTERS WITH DISABILITIES

Accommodation permits are available to hunters with disabilities.

- 1. Hunters must have a temporary or permanent disability that significantly impairs major life functions and the ability to hunt. Shooting from public roads is not allowed. All wildlife laws must be observed.
- 2. Permits from other states are not honored here.
- **3.** Apply for a permit at least 30 days before hunting. Applications are available at CPW locations, on the website or call 303-297-1192.

HUNTERS WITH MOBILITY IMPAIRMENTS

- Some doe deer, cow elk and doe pronghorn licenses are offered to hunters with mobility impairments. Hunters must have a mobility impairment resulting from permanent medical conditions, making it physically impossible to hunt without someone else's help. Evidence includes, but is not limited to, prescribed equipment such as a wheelchair, shoulder or arm crutches, walker or two canes.
- 2. Applications are available at CPW locations and must be mailed with license fees to CPW, Limited License, 6060 Broadway, Denver, CO 80216. Applications accepted from the Monday after the Parks and Wildlife Commission meeting in May through the end of rifle seasons. Licenses are firstcome, first-served until unit and program caps are reached.

TRANSPORTING GAME

- You can be cited for illegally transporting game animals even if someone else made an error. When you transport carcasses or processed meat:

 Carcasses must be properly tagged. You must meet evidence of sex and antler-point requirements. Hunters must keep their own license.
 Carcass tags or donation certificates (*for 20 pounds of meat or less*) must accompany processed game meat.
- **2.** Carcass tags must be securely attached to carcass, not antlers or horns, or must accompany processed meat.
- **3.** To ship by commercial carrier, the license, photocopy of license, carcass tag or donation certificate must accompany carcass or processed meat.
- Hunters transporting game through national parks or monuments must follow federal regulations. Contact the National Park Service.

DONATING GAME MEAT

Donation certificates are required for all game-meat donations. Certificates must show names, addresses and telephone numbers of donor and recipient; donor's hunting license number; species and amounts donated; date of kill; donor's signature. The certificate can be a simple note; no special form required. It must stay with the meat until completely consumed. Donor and recipient are subject to bag and possession limits.

NOTE: A "like license" is a license for exactly the same species, sex, season and method of take as a donor's license.

- **1.** You can donate to someone **WITH** or **WITHOUT** a like license: **a.** Any amount of processed and packaged game meat, anywhere.
- **2.** You can donate to someone **WITHOUT** a like license: **a.** up to 20 pounds of unprocessed meat, anywhere.
- b. more than 20 pounds of unprocessed meat, any where.
 b. more than 20 pounds of unprocessed meat, only at recipient's home.
 3. You can donate to someone WITH a like license:
- **a.** up to 20 pounds of unprocessed meat, anywhere.
- b. more than 20 pounds of unprocessed meat, anywhere, only if:
 (1) recipient's license is unfilled, and

(2) recipient's carcass tag is on the meat. This establishes recipient's claim to his/her portion of meat and voids his/her license. Donor's tag must remain with his/her portion.

- **c.** the entire carcass, if:
 - (1) recipient's license is unfilled, and
 - (2) donor's carcass tag and recipient's like-license carcass tag is on the meat, voiding both licenses.

ACCIDENTAL KILL

Accidental kill is unintentionally killing wildlife not due to carelessness or negligence. You must report big-game animals accidentally killed to a CPW office (*listed on inside front cover*) before continuing to hunt and as soon as practical. Before contacting CPW, field dress the animal. CPW evaluates the circumstances, including shots fired, species and number of animals present, firearms or ammunition, etc. Big game accidentally killed does not count toward annual bag limits.

CERTIFIED HAY MUST BE MARKED

Hay, straw and mulch are illegal on federal land and CPW property unless certified free of noxious weeds. Hay must be clearly marked by certifying agency. People who transport these materials on public roads crossing CPW property are exempt. For a list of weed-free forage, contact Colorado Dept. of Agriculture, 303-239-4149; Forest Service or BLM; or go to: colorado.gov/pacific/agconservation/weedfreeforage

EAR TAGS, RADIO COLLARS

If you shoot a big-game animal with a collar or ear tag, report the number, color, harvest location and date to CPW and return the radio collars.

HUNTERS USING HORSES

If you are bringing a horse into Colorado from out of state, you must contact a veterinarian to get a Certificate of Health Inspection no more than 30 days before. Horses need a Coggins blood test for equine infectious anemia within a year before coming here. Call Colorado State Veterinarian's office, 303-869-9130. Residents: Horses may require brand inspection before transportation. Call brand inspector, 303-869-9160.

TURN IN POACHERS (TIPs) PROGRAM

TIPs awards licenses and preference points to eligible persons that report the illegal take, possession or willful destruction of big game or turkey that results in a person being charged for the illegal take, possession or willful destruction of big game or turkey. Advise the charging officer of your interest in a TIPS award. Go to **cpw.state.co.us/bg/TIPS** for the criteria to qualify for a preference point or license, or contact CPW for details at 303-297-1192.

DEER ARCHERY, MUZZLELOADER, RIFLE

Most deer licenses are limited and available only through the draw. Over-the-counter licenses for white-tailed deer are available in certain units with lower populations. See the map and details, page 30.

ATTENTION HUNTERS!

» NEW! MANDATORY CHRONIC WASTING DISEASE (CWD) TESTING IN SELECT

GMUs... To help us gauge the presence of CWD in select deer herds, CPW will require mandatory submission of CWD test samples from some hunter-harvested bucks and does during the 2017 archery, muzzleloader and rifle seasons. Any notified hunter that harvests a deer in the hunts specified in the hunt tables on the following pages will be required to present their deer for testing at a CPW facility. There will be no charge for this mandatory sampling.

» NEW! LATE ANTLERLESS DEER RIFLE SEASON IN GMUs 87 & 88 REINSTATED...

The overall deer herd numbers allow for more hunting opportunities this year. *See page 27.*

TABLE SYMBOLS

» AN ASTERISK (*) in the "Sex" column indicates units that had licenses remaining after last year's drawing. NOTE THAT SEVERAL OF THESE HUNTS DO REQUIRE PREFERENCE POINTS, as some successful applicants return licenses, making them available as leftovers.

» A PLUS (+) in the "Sex" column is for hunt codes for which an average of a least six preference points are needed for a Colorado resident to draw that license. This is only an average and does not guarantee a license will be drawn. *Calculated on a 3-year period ending with the 2009 drawing*.

DEFINITIONS

» **SPECIES IDENTIFICATION PAGE.** Whitetails and mule deer. *See page 13.*

» BUCK (ANTLERED): A male animal with antlers at least 5 inches long. There are no antlerpoint restrictions for deer.

» DOE (ANTLERLESS): A female animal with no antlers. "Antlerless" can also mean a young male with antlers less than 5 inches.

» EITHER SEX: A legal buck or doe.

PREFERENCE POINTS

To apply for a point, enter **D-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

You must pay the full license cost, even for a point. If you apply for a point only, your money, minus the \$3 application fee and \$10 Habitat Stamp fee, will be refunded. Hunters may be charged \$40 (or \$30 for resident applicants) if you don't meet the criteria for a free preference point.

For more, see "How Preference Points Work" on page 12.

WHITETAIL ONLY — OVER-THE-COUNTER LICENSES

WHAT CAN I EXPECT?

These over-the-counter licenses provide an opportunity to hunt white-tailed deer in a portion of the state where mule deer are the primary species of management interest.

This means there are few white-tailed deer in the area, and hunters can expect to see more mule deer than white-tailed deer when hunting in these GMUs.

WHERE ARE THE WHITETAILS FOUND IN THIS SEASON?

White-tailed deer in these GMUs can be most commonly found along lower elevation river bottoms.

Hunters should focus on these areas to improve their chances of finding whitetailed deer. Much of the white-tailed deer habitat is located on private lands where permission is required prior to hunting.

WHAT METHOD OF TAKE CAN I USE?

DEER

The license is valid for any legal method of take. However, because this is a rifle season, hunters are required to follow blaze orange or pink requirements *(see page 15)*, regardless of the type of weapon used.

Some public properties prohibit the use of rifles and/or muzzleloaders. Check property regulations to determine what types of weapons are legal before going afield.

WHAT IS THE BEST WAY TO IDENTIFY A WHITE-TAILED DEER?

The best way to tell the difference between a white-tailed deer and a mule deer is the tail.

White-tailed deer tails are broad and brown from top to bottom with a white fringe.

Mule deer have a white rump patch and tail, with a black tip on the tail.

CAN'T I JUST LOOK AT THE ANTLERS?

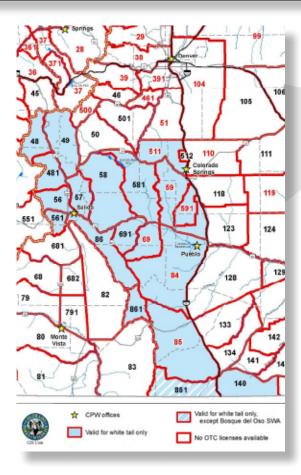

Antlers differ between the species, but are not a reliable distinguishing characteristic between white-tailed deer and mule deer.

WHAT IF I SHOOT A MULE DEER ACCIDENTALLY?

Hunters must be certain of their target to avoid killing a mule deer with a whitetail-only license.

However, accidents happen. Please report any mistaken kills immediately to the nearest CPW office (*listed in the front of this brochure*) or the District Wildlife Manager in the area.

See the "Accidental Kill" section on page 18 for more details.

IDENTIFYING WHITETAIL VS. MULE DEER

WHITE-TAILED DEER

» **PRIMARY CHARACTERISTIC** — **THE TAIL:** The first thing to look for is the tail. It's broad and brown with white fringe; all white when tail is up

» **ANTLERS:** consist of one main beam with three to five tines pointing upward. *Caution: Mule deer with small antlers may appear to have a similar antler formation*

- » EARS: smaller in proportion to head
- » GAIT: a graceful lope, flag-like tail often held up

» **RANGE:** common on Eastern Plains, in streamside wooded areas and cropland along rivers

MULE DEER

» TAIL: rope-like tail with black tip

» **ANTLERS:** fork and fork again — often very evenly — on older males

» **EARS:** large in proportion to head on both bucks and does

» GAIT: stiff-legged bounce, tail held down

» **RANGE:** statewide; in mountain shrubs, foothills, communities

ATTENTION HUNTERS!

MOST LAND IS PRIVATE IN UNITS EAST OF I-25. LANDOWNER PERMISSION IS ADVIS-ABLE BEFORE APPLYING FOR HUNTS IN THESE UNITS.

🗧 | NEED TO KNOW

» **NEW! GMU 54 IS NOW OPEN TO OVER-THE-COUNTER, UNLIMITED LICENSED HUNTING...** OTC licenses are available for the second and third rifle seasons for antlered elk in GMU 54. *See map*

on page 36. **» NEW! ELK LICENSE CHANGES FOR UNITS 59, 511, 581 & 591...** All antlerless licenses in these

units are now list A (except private-land-only); muzzleloader licenses are specified for both cows and bulls; and OTC archery list B antlerless licenses no longer apply for these units.

» ARCHERY. Only legal hand-held bows are allowed in archery season. *See page 16.*

» **MUZZLELOADING.** Muzzleloading elk licenses are limited, available through the draw. Only legal muzzleloading rifles and smoothbore muskets are allowed in muzzleloading season. *See page 16*.

TABLE SYMBOLS

» AN ASTERISK (*) in the "Sex" column indicates units that had licenses remaining after last year's drawing. NOTE THAT SEVERAL OF THESE HUNTS DO REQUIRE PREFERENCE POINTS, as some successful applicants return licenses, making them available as leftovers.

» **A PLUS (+)** in the "Sex" column is for hunt codes for which an average of a least six preference points are needed for a Colorado resident to draw that license. This is only an average and does not guarantee a license will be drawn. *Calculated on a 3-year period ending with the 2009 drawing.*

\Rightarrow | PREFERENCE POINTS

To apply for a point, enter **E-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

You must pay the full license cost, even for a point. If you apply for a point only, your money, minus the \$3 application fee and \$10 Habitat Stamp fee, will be refunded. Hunters may be charged \$40 (or \$30 for resident applicants) if you don't meet criteria for a free preference point.

NONRESIDENTS must pay at least \$484 to apply for an elk preference point, plus a \$10 Habitat Stamp fee. If your second, third or fourth choice is for bull or either sex, or if your unsuccessful option is an unlimited bull license, you must pay \$644, plus the \$10 Habitat Stamp fee.

➢ | TIPS FOR SAFELY HANDLING GAME MEAT

Most of the time, properly handled and prepared game meat poses no greater risk than domestic meat of causing or carrying disease that could make humans sick. Hunters are encouraged to contact their local public health department or CPW office for information on wildlife diseases where they plan to hunt. Public health officials recommend the following precautions when handling and preparing game meat:

- **1.** Do not handle animals that are obviously sick or found dead. Report sick or dead animals you find to a CPW office near you.
- 2. Keep game cool, clean and dry.
- **3.** Do not eat, drink or smoke while dressing game.

- **4.** Use disposable gloves when cleaning game.
- **5.** Wash your hands with soap and water or use alcohol wipes after dressing game.
- **6.** Clean all tools and surfaces immediately after use. Use hot soapy water, then disinfect with a 10 percent chlorine bleach solution.
- **7.** Cook game meat to an internal temperature of at least 165° F to kill disease organisms and parasites. Juices from adequately cooked game meat should be clear.
- 8. Do not eat any raw portions of wild game.
- **9.** Do not feed raw wild game to domestic pets.

➢ | OTHER HUNTS OVER-THE-COUNTER

# Do your part to protect big-game habitat

Invasive species are plants and animals that are not native to Colorado and are capable of causing severe environmental and economic harm. For example, a Montana study showed that dense populations of spotted knapweed reduced available winter forage for elk by 50-90 percent. Elk use increased almost four times after the plant infestations were controlled.

Equipment and vehicles can accidentally transport harmful invasive species into and around Colorado. Follow these few simple steps to protect biggame habitat and stop the spread of harmful invasive species!

- » COME CLEAN: Before leaving home, inspect your vehicles and belongings. Remove plants, seeds, insects, animals and mud from vehicles and equipment.
- » USE WEED-FREE HAY: Use weed-free hay when horseback riding or using hay for other purposes.
- » USE LOCAL FIREWOOD: Invasive forest pests are transported in firewood and wood products. Buy firewood near where you intend to burn it. Don't transport firewood into Colorado from out of state. Burn all firewood before leaving the campsite.
- » LEAVE CLEAN: Before leaving, inspect your vehicle and belongings. Remove plants, seeds, insects, animals and mud. Brush hunting dogs and other pets before leaving.
- » CLEAN, DRAIN, DRY WATERCRAFT: Watercraft, including motors and trailers, should be clean, fully drained and allowed time to completely dry in between each use.

1. PLAN AHEAD AND PREPARE... get permission to hunt private land, respect road closures, leave gates as found.

2. TRAVEL AND CAMP ON DURABLE SURFACES... good campsites are found, not made.

3. DISPOSE OF WASTE PROPERLY ... pack it in, pack it out.

4. LEAVE WHAT YOU FIND ... sight-in firearms away from hunting areas, do not use signs for target practice.

5. MINIMIZE CAMPFIRE IMPACTS... use an established fire ring or fire pan, and don't put trash in the fire pit.

6. RESPECT WILDLIFE... never feed wild animals, store your camp food and trash securely.

7. BE CONSIDERATE TO OTHER VISITORS... be aware of the direction you shoot and be courteous to others you see.

The Center respects the tradition of hunting on public lands, expects hunters to abide by state game and hunting laws, and encourages hunters to adhere to the Leave No Trace ethic.

## » NEW! RIFLE DOE SEASON IN UNITS

110, 111, 118, 119, 123 & 124 EXTEND-**ED...** Healthy pronghorn populations in the area have allowed the Dec. rifle season for pronghorn does to be extended from 9 days to the entire month of Dec. (Dec. 1-31) in GMUs 110, 111, 118, 119, 123 and 124. See page 52.

#### » NEW! PRIVATE-LAND-ONLY RIFLE

HUNTS ADDED... Private-land-only hunts have been added to GMU 135 for bucks and does (Oct. 7-13), and to GMU 951 for does (Nov. 1-Dec. 31). See the hunt table on page 52.

» ARCHERY. Only legal hand-held bows are allowed in archery season. See page 16.

» MUZZLELOADING. Only legal muzzleloading rifles and smoothbore muskets are allowed in muzzleloading season. See page 16.

leftovers.

» SPECIES IDENTIFICATION. See page 13.

» BUCK: A male animal with horns at least 5 inches long from skull to tip, excluding a prong or point between the base and tip. Bucks have a black cheek patch.

» DOE: A female has horns that are less than 5 inches and no black cheek patch. Young bucks do have a black cheek patch; those with horns less than 5 inches long are also in this category. Fawns of either sex are considered does.

» EITHER SEX: A legal buck or doe.

# **PREFERENCE POINTS**

To apply for a point, enter A-P-999-99-P as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

You must pay the full license cost, even for a point. If you apply for a point only, your money, minus the \$3 service fee and \$10 Habitat Stamp fee, will be refunded.

Hunters may also be charged \$40 (\$30 for resident applicants) if you don't meet the criteria for a free preference point.

For more, see "How Preference Points Work" on page 12.

# PRONGHORN SEASON DATES

- » Archery......Aug. 15–Sept. 20*
- » Muzzleloader .....Sept. 21–29
- » Rifle.....Oct. 7–13*

**DON'T FORGET:** You can exchange your moose license for a different method of take. Take your tag to a CPW location before Sept. 9 to exchange it to hunt in a different season.

# 😂 | NEED TO KNOW

#### » NEW! GMU 161 OPEN FOR HUNTERS WITH UNFILLED 2016 LICENSES...

Some, or all, of the 2017 moose license quota may be used by 2016 hunters who want to hunt in 2017. The portion of the 2017 quota available to these hunters will be determined at the Parks and Wildlife Commission meeting in May 2017. Check the website for updates: **cpw.state.co.us**. See the hunt tables on pages 54–55.

#### » BRAINARD LAKE RESTRICTIONS.

There are boundaries in place for hunting near Brainard Lake. **Unit 20 and 29 moose hunters**: weekday construction closures are planned for the Brainard Lake Road starting Oct. 2016. *See the tables for details*.

**» UNITS 1, 20, 29, 38, 39, 46, 201, 500 & 501** have low density moose populations and some moose habitat occurs on private land. Be sure to get landowner permission before hunting on private land.

**» EXPERIMENTAL HUNTS OPEN.** Units 48, 55, 56, 65, 68, 74, 75, 79, 481, 551, 561 and 681 have low density moose populations and are subject to modifications in coming years. Currently, there is very little harvest history for these hunts and any CPW guidance will be limited.

» **NONRESIDENTS** must apply by paper application.

**» THE LIFETIME BAG LIMIT** for antlered moose is one. All licenses available by draw. If you've harvested a bull, you may not apply for an either-sex license.

# DEFINITIONS

**» SPECIES IDENTIFICATION PAGE.** See page 13.

» **BULL (ANTLERED):** A male animal with antlers at least 5 inches long.

**» COW (ANTLERLESS):** A female with no antlers. "Antlerless" also means a young male with antlers less than 5 inches long.

# | PREFERENCE POINTS

To apply for a point, enter **M-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second choice on the same application to apply for a license.

You must pay the full license cost, even for a point. If you apply for a point only, your money, minus the \$3 application fee and \$10 Habitat Stamp fee, will be refunded.

See "How Preference Points Work" on page 12.

# MANDATORY MOOSE INSPECTIONS

**1. ALL MOOSE LICENSE HOLDERS** must complete and return a harvest question-naire provided by CPW within 30 days after their hunting season ends.

Anyone who does not complete and return it, including those who were unsuccessful or did not hunt, will not be eligible for a future moose license or point.

2. ALL MOOSE MUST BE SUBMITTED IN PERSON FOR INSPECTION within five working days of harvest. A mandatory report will be completed during inspection.

#### MOOSE LICENSE DRAWS USE WEIGHTED PREFERENCE POINTS

There are three species of big-game animals that use the weighted preference point system to award licenses in Colorado: moose, Rocky Mountain bighorn sheep and mountain goat.

Weighted preference increases your probability of drawing and applies to both bull and cow licenses. Here's how it works:

Hunters can only accumulate up to three points for moose. If you have three preference points and you fail to draw a first-choice license, you will receive weighted preference. Hunters must submit the head of antlerless moose or head of antlered moose with antlers attached to a CPW office during normal business hours.

- **3. TOOTH EXTRACTION IS MANDATORY.** An incisor will be extracted and retained to determine age. Heads must be unfrozen for inspection.
- **4. VOLUNTARY CWD TESTING.** During inspection, hunters may choose to have their moose tested for chronic wasting disease. Testing cost is \$25.

Weighted preference is calculated by converting your application number into a different, random application number, then dividing that new application number by the number of weighted points you have, plus one. Individuals with three preference points and no weighted preference will have their application number divided by one.

This generates another new application number. Applications are sorted by this new number from lowest to highest, and low numbers for each hunt code are awarded licenses.

ATTENTION HUNTERS! MOST LAND IS PRIVATE IN UNITS EAST **OF I-25. LANDOWNER PERMISSION IS ADVISABLE BEFORE APPLYING FOR** HUNTS IN THESE UNITS.

NEED TO KNOW

» NEW! LICENSES IN GMUs 21, 22, 30, 31, 32, 41, 42, 52, 53, 63, 411, 421 & 521 NOW LIST B INSTEAD OF LIST A... Hunters can have up to two bear licenses for the 2017 season in these units.

» INSIDE DENS. Hunting, harvesting or harassing bears inside their dens is prohibited.

» CUBS. Black bears accompanied by one or more cubs cannot be killed. Cubs (bears younger than one year old) cannot be killed.

℅ | TABLE SYMBOLS

» AN ASTERISK (*) in the "Sex" column indicates units that had licenses remaining after last year's drawing. NOTE THAT SEV-**ERAL OF THESE HUNTS DO REQUIRE PREFERENCE POINTS**, as some successful applicants return licenses, making them available as leftovers.

😂 | WATCH ONLINE

As part of your mandatory bear harvest inspection, a CPW wildlife officer will perform a bear tooth extraction: vimeo. com/35643251

PREFERENCE POINTS

To apply for a point, enter B-P-999-99-P as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

You must pay the full license cost, even for a point. If you apply for a point only, your money, minus the \$3 application fee and \$10 Habitat Stamp fee, will be refunded. Hunters may be charged \$40 (or \$30 for resident applicants) if you don't meet the criteria for a free preference point.

For more, see "How Preference Points Work" on page 12.

BEAR SEASON DATES

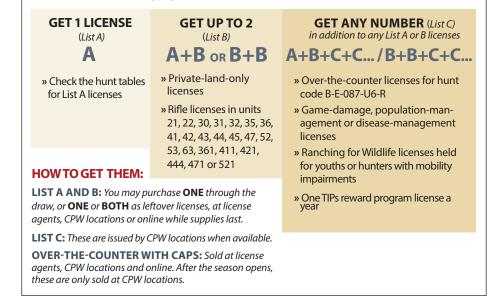

- » Archery (over-the-counter with caps)......Sept. 2-30
- » Muzzleloader (over-the-counter with caps)Sept. 9-17

» Rifle (limited)......Sept. 2-30* » Concurrent Rifle (over-the-counter with caps) Oct. 14- Nov. 19 See "Expanded Bear Rifle Season," page 59, for specifics

*unless otherwise noted in the brochure tables

HOW TO GET MORE THAN ONE BEAR LICENSE

ATTENTION: You may submit ONLY ONE application per species each year. Additional licenses for the same species must be obtained as leftovers, over the counter or special licenses issued by CPW. Hunt tables on the following pages show whether each bear license is List A, B or C.

RANCHING FOR WILDLIFE (DRAW) **COLORADO RESIDENTS ONLY**

Hunting rules differ for every ranch. All legal methods of take are permitted, except when specifically restricted. Read ranch rules at cpw.state.co.us/ **RFW** before applying.

RANCH/ UNITS	DATES	SEX	HUNT CODE	LIST
BUFFALO HORN RANCH 11, 211	Sept. 22–Oct. 6	Either	B-E-011-W1-R	A
TWIN PEAKS RANCH 85	Oct. 15–29	Either	B-E-085-W1-R	A

➢ | MANDATORY BEAR INSPECTIONS AND SEALS

Hunters must personally present bears to a CPW office (listed on the inside cover) for a free inspection, check report and sealing within five working days after the kill.

Bear heads and hides must be unfrozen when presented for inspection. Seals must be attached to the hide until tanned.

Contact the nearest CPW office or CPW officer for inspection and sealing. At inspection, the CPW is authorized to

extract and keep a premolar tooth. If the head and hide are frozen, the CPW may keep them long enough to thaw so that a tooth can be removed. Hunters can help by making sure the jaw is propped open with a stick before rigor sets in.

Bears cannot be taken out of Colorado until hide and skull are inspected and sealed.

Having a bear hide without a seal after the five-day period is illegal, and the hide becomes state property.

To transport a bear or parts to a foreign country, you must first obtain CITES documents. Contact the U.S. Fish and Wildlife Service, 303-342-7430. Do not call the U.S Fish and Wildlife Service about inspections or seals for bears.

56

NOTE: There are no archery or muzzleloader hunts for bear available in the draw; see pages 58–59 for over-the-counter licenses.

➢ OVER-THE-COUNTER WITH CAPS LICENSES ARCHERY, MUZZLELOADER, RIFLE

WHAT ARE OVER-THE-COUNTER LICENSES WITH CAPS AND HOW DO YOU GET ONE?

Archery, muzzleloading and some rifle bear licenses are sold over the counter with a cap on the number of licenses available. These are either-sex licenses.

These licenses are **NOT** available through the draw. If you apply for these hunt codes in the draw, your application will be disqualified. Note: to participate in the over-the-counter with caps rifle bear season, a hunter must also hold a deer or elk license that overlaps with that rifle bear tag by at least one day of the season. These licenses can be purchased at license agents, by phone and online through **Oct. 13**. Then, they are **only** available at CPW offices.

"With caps" means there are a preset number of these licenses available on a first-come, first-served basis starting at 9 a.m. July 25. Get them at CPW locations, license agents, via telephone at 1-800-244-5613 or online at **cpw.state.co.us/bg/buyapply**.

The Parks and Wildlife Commission sets the number of "with cap" licenses in May.

ARCHERY — OVER-THE-COUNTER WITH CAPS

➢ | LAND CLOSURES AND USE RESTRICTIONS

≈ I STATEWIDE RESTRICTIONS

- **1.** Hunting is prohibited within 50 feet of centerline of federal, state or county roads or highways. Land between divided highways is closed to hunting.
- 2. HUNTERS: Be aware that specific restrictions apply on State Wildlife Areas and State Trust Lands leased by CPW. Before hunting on any of these properties, please consult the CPW State Recreational Lands brochure, available at CPW offices, license agents or online.
- 3. Hunting is prohibited in Gore Creek drainage south of I-70 from Lion's Head ski lift at Vail to I-70 and U.S. 24. Hunting is prohibited north of I-70 and within a half-mile of I-70 between Vail and I-70 and U.S. 24.
- 4. Certain counties and national wildlife refuges may have individual restrictions. Consult specific counties and refuges websites for more information.
- 5. National parks and monuments managed by the National Park Service are closed to hunting. Check park websites for more information.
- 6. Research your hunting area before your hunting season. CPW cannot offer refunds after the start of the season if hunting access is unavailable.

STATE TRUST LANDS (STL)

CPW participates in the State Trust Lands public access program, but not all State Trust Lands designated on maps are in the CPW program. Only STL properties in CPW's State Recreational Lands brochure may be open for wildlife recreation.

FOREST SERVICE CLO-SURES

Projects on National Forest lands can impact access any time of the year. Closures of areas can change quickly and your hunting destination or access route may be affected.

Learn about closures and plan alternative routes and areas to hunt. Go to www.fs.usda.gov/

goto/r2/huntnfs-co.

Roads and trails were damaged by the 2013 flood in GMUs 7, 8, 19, 20 and portions of 29, 38 and 191. Motorized and foot access may still be limited. Project work could also impact these and additional GMUs on the Arapaho and Roosevelt national forests. Go to www.fs.usda.gov/goto/arp/ hunting.

4UR RANCH ACCESS PERMIT

(UNIT 76)... Limited public access to USFS lands for big-game hunting is available through the 4UR ranch by permit during rifle seasons only. Hunters must possess a valid GMU 76 rifle elk or rifle deer license. Hunters are selected by random drawing. Application deadline: August 15. Group applications are allowed. Permits not issued by draw will be issued on a first request basis. For information or a permit application, call the CPW Monte Vista Office at 719-587-6900.

AIR FORCE ACADEMY (AFA)

Hunters who are successful applicants must pay an Air Force Academy access fee and receive a mandatory safety orientation. Hunting is allowed only on days, areas and by method of take authorized by the Academy. Call 719-333-3336 for more details.

- 1. Dec. 1-31, unit 512 (specific days determined by AFA): Limited buck and doe deer licenses available by CPW drawing. See unit 512 in deer rifle section for hunt code, page 29.
- **2.** Limited cow elk licenses, unit 512. Prospective hunters must apply on base from May 1-31 for a random drawing held by AFA.
- 3. Unit 511 hunters cannot access the unit from unit 512 (AFA) with firearms, hand-held bows or crossbows.

FORT CARSON (UNIT 591), **PIÑON CANYON MANEUVER SITE (UNIT 142) ATTENTION HUNTERS!** Access

policies for Fort Carson have changed. Detailed requirements are posted on the website below.

Limited licenses are available by CPW drawing. Archery either-sex and bull elk licenses for second and third seasons are sold over the counter. A CPW license does not guarantee or authorize access to Fort Carson or Piñon Canyon. Military training has priority, CPW cannot offer refunds after the start of the season if access is unavailable.

Seasons on Fort Carson may be limited to muzzleloader, shotgun or archery.

Access to Fort Carson and Piñon Canyon may be limited and subject to closures, call or check website.

In addition to CPW requirements, Fort Carson requires other permits and briefings for hunters.

Be advised that both Fort Carson and Piñon Canyon utilize an automated check-in procedure called I-Sportsman. Check the website below for more information.

Hunting regulations specific to this area are in Fort Carson Regulation 200-6. Hunting information, firearms registration form and updates are at fortcarson.isportsman.net/default.aspx.
