## SPECIAL PERMITS

The **SPECIAL PERMIT INFORMATION** for hunters with disabilities and mobility impairments was **OMITTED** from the brochure at publication.

3

The text at right is the language that *should have been printed in the brochure.* ►

*The online version of the brochure has been updated with this correction.*

### SPECIAL PERMITS

#### HUNTERS WITH DISABILITIES

Accommodation permits are available to hunters with disabilities.

1. Hunters must have a temporary or permanent disability that significantly impairs major life functions and the ability to hunt. Shooting from public roads is not allowed. All wildlife laws must be observed.
2. Permits from other states are not honored here.
3. Apply for a permit at least 30 days before hunting. Applications are available at CPW locations, on the website or call 303-297-1192.

#### HUNTERS WITH MOBILITY IMPAIRMENTS

1. Some doe deer, cow elk and doe pronghorn licenses are offered to hunters with mobility impairments. Hunters must have a mobility impairment resulting from permanent medical conditions, making it physically impossible to hunt without someone else's help. Evidence includes, but is not limited to, prescribed equipment such as a wheelchair, shoulder or arm crutches, walker or two canes.
2. Applications are available at CPW locations and must be mailed with license fees to CPW, Limited License, 6060 Broadway, Denver, CO 80216. Applications accepted from the Monday after the Parks and Wildlife Commission meeting in May through the end of rifle seasons. Licenses are first-come, first-served until unit and program caps are reached.

## YOUTH HUNT

The **DEER EXTENDED SEASON YOUTH MAP** was incorrect at the time of publication.

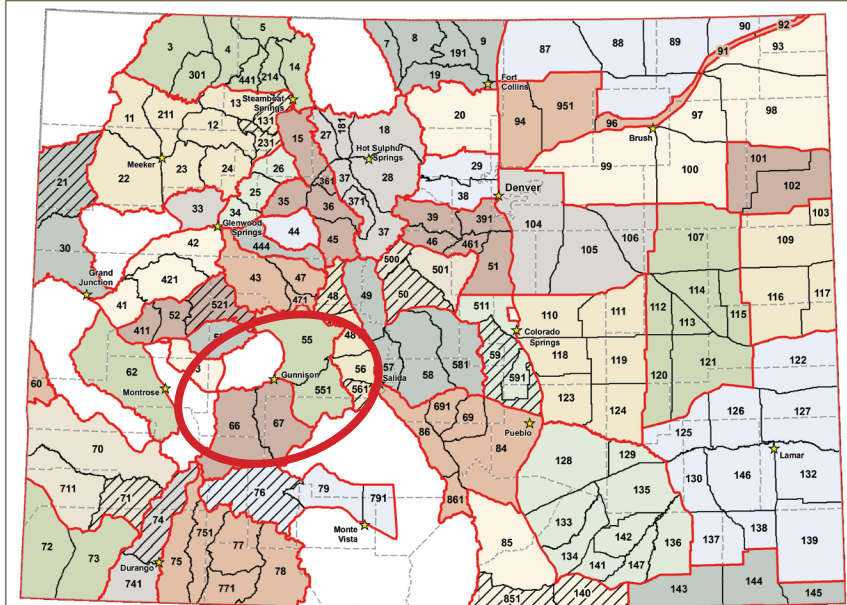

The correct map is available in the online version but not in the printed version of the brochure.

- ▨ No extended season hunts in these units

**BEAR: OVER-THE-COUNTER WITH CAPS**

The **BEAR OVER-THE-COUNTER WITH CAPS** license sales date was incorrect on page 58 at the time of publication.

58

**The correct license sales date is Oct. 12.**

*The online version of the brochure has been updated with this correction.*

## OVER-THE-COUNTER WITH CAPS

### ARCHERY, MUZZLELOADER, RIFLE LICENSES

#### WHAT ARE OVER-THE-COUNTER LICENSES? HOW DO YOU GET ONE?

Archery, muzzleloading and some rifle bear licenses are sold over the counter with a cap on the number of licenses available. These are either-sex licenses.

These licenses are **NOT** available through the draw. If you apply for these hunt codes in the draw, your application will be disqualified. **NOTE:** to participate in the over-the-counter with caps rifle bear season, a hunter must also hold a deer or elk license that overlaps with that rifle bear tag by at least one day of the season. These licenses can be purchased at authorized sales agents, by phone and online through **OCT. 13**. Then, they are **only** available at CPW offices.

“with caps” means there are a preset number of these licenses available on a first-come, first-served basis starting at **9 A.M. AUG 9**. Get them at CPW locations, authorized sales agents, via telephone at 1-800-244-5613 or online at [cpw.state.co.us/CPWshop](http://cpw.state.co.us/CPWshop).

The Parks and Wildlife Commission sets the number of “with cap” licenses in May.

## HABITAT STAMPS

Habitat Stamps are **REQUIRED** for hunters and cost \$10; only one is required per person, per year for anyone ages 18–64. Stamps are valid April 1–March 31.

- You must purchase a stamp before buying or applying for a preference point or a hunting or fishing license.
- A lifetime stamp is \$300.25.
- Anyone who holds a free Lifetime Fishing License, a Veteran's Lifetime Combination Small-Game Hunting/ Fishing License or are approved for the Big Game Mobility Impaired Hunting Program is exempt from the Habitat Stamp requirement.  
See [cpw.state.co.us/Accessibility](http://cpw.state.co.us/Accessibility)
- When you submit your application for the draw online or by phone, a 2018 Habitat Stamp (\$10) will be automatically added if you haven't purchased one already and are ages 18–64. Habitat Stamps went on sale Jan. 10, 2018, and are nonrefundable, even if you are unsuccessful in the draw. *See page 16 for details.*
- Go to [cpw.state.co.us/HabitatStamp](http://cpw.state.co.us/HabitatStamp) for more information.

## PREFERENCE POINT FEES

- **HOW IT WORKS.** If you do not hold an active 2017 annual\* or big-game license, or do not receive a license through the draw for the species, you will be charged **\$40 PER SPECIES** (for deer, elk, pronghorn and bear), for which you get a preference point. This fee applies to residents and nonresidents, except for resident deer or pronghorn: Residents getting deer or pronghorn preference points will be charged only \$30 for each of those. For example: If a nonresident (who isn't exempt from the fee) receives a point for all four species, they will be charged \$160. A resident would be charged \$140.
- **HOW TO AVOID IT.** If you don't want to pay the fee, you have until March 31, 2018, to purchase a 2017 annual fishing, annual small game, annual resident combination fishing and small game, or resident senior fishing license. Customers are also exempt if they

held any big game license the previous year, or draw a license of the same species as which they would be charged the point in the current year.

\* **ANNUAL LICENSES INCLUDE:** annual fishing, annual small game, annual resident combination fishing and small game, or resident senior fishing license. Any returned, refunded or surrendered licenses do not qualify.

**NEW** ► **HOW WILL I BE CHARGED FOR IT?** If you are required to pay the preference point fee, it will be charged to the credit card you have on file in your CPW account (see page 16) after the draw. For example, if you're a resident who is not exempt from the fee and apply for a deer license or preference point and do not draw, you will be charged the \$30 preference point fee after the draw.

## RESIDENCY REQUIREMENTS

### Requirements to qualify as a Colorado resident to buy a hunting license:

3. U.S. military personnel and military personnel of U.S. allies on active duty in Colorado under permanent orders and their dependents qualify. This includes people who were Colorado residents when they entered the military and keep Colorado as their home of record, and their dependents (unless they change their home of record to another state). Also included are personnel of the U.S. Diplomatic Service or diplomatic services of nations recognized by the U.S. assigned here on permanent active duty orders and their dependents. Active duty military does not include reserve status, National Guard or government contractors.
4. Full-time students qualify who are enrolled and attending a Colorado college, university or trade school at least 6 months immediately before applying for or buying a license. ## LICENSE REQUIREMENTS

### WHAT YOU NEED TO BUY A LICENSE AND HUNT

1. **ID.** Secure and verifiable ID. A Social Security number is required for hunters ages 12 and older.
  2. **PROOF** of hunter education. (See left.)
  3. **PROOF** of residency for Colorado residents. (See left.)
  4. **HABITAT STAMP.** A 2018 or Lifetime Habitat Stamp is required prior to applying for the draw or buying a license. (See page 2.)
- ▶ Hunters must have a license to hunt. Sign it and carry the original with you while hunting.
  - ▶ A hunter may hunt only the animal, sex, season, units and method of take authorized by the license. Complete season dates may not be printed on the license because of space constraints. Check the details in this brochure for your specific license.
  - ▶ It is illegal to give false information to obtain a license. It also is illegal to alter a license or to loan, transfer, sell or give your license to someone else.
  - ▶ If you lose or destroy your license, a duplicate is available for half the price of the original license, but not more than \$25. You can get a duplicate before the season opens from any authorized sales agent. After the season begins, duplicate licenses are available only at CPW locations.
  - ▶ Licenses expire on the expiration date printed on the license.
  - ▶ Nonresidents can continue to use their combo fishing license after harvesting a big-game animal, as long as the carcass tag is the only part of the license that has been detached. The rest of the license must remain intact.

## CHILD SUPPORT DELINQUENCY

State and Federal law require a Social Security number to buy a license. It is not displayed on the license but is provided, if requested, to Child Support Enforcement authorities. Hunting and fishing licenses are not issued to those suspended for noncompliance with child support. Any current licenses become invalid if held by an individual who is deemed noncompliant by Child Support Enforcement.

## FELONY OFFENSES & WEAPONS

Colorado and federal law prohibits people convicted of certain crimes, such as domestic violence, from possessing weapons even for hunting. If you've been convicted of a crime, check with the appropriate law enforcement authorities to find out how these laws apply to you.

## SPECIAL LICENSES

Evidence includes, but is not limited to, prescribed equipment such as a wheelchair, shoulder or arm crutches, walker or two canes.
2. Applications are available at CPW locations and must be mailed with license fees to CPW, Limited License, 6060 Broadway, Denver, CO 80216. # LICENSE OPTIONS, AVAILABILITY & DATES

## OPPORTUNITIES TO HUNT

### LICENSE SALE DATES

#### COLORADO OFFERS SEVERAL DIFFERENT TYPES OF BIG-GAME LICENSES AND DIFFERENT OPTIONS FOR PURCHASING THEM:

#### ▶ AVAILABLE IN THE DRAW. APPLICATION & CORRECTION DEADLINE IS **APRIL 3**

##### ▶ LIMITED LICENSES

To get a limited license or preference points, hunters must apply for the draw by **April 3** — this is a process that awards licenses to hunters for specific units and dates. These are distributed through an application and drawing process. They include public-land hunts, private-land-only (PLO) licenses and Ranching for Wildlife (RFW) licenses.

##### ▪ PRIVATE-LAND-ONLY (PLO) LICENSES

PLO licenses through the public draw are valid on private lands within GMUs listed on the licenses, as well as State Trust Lands not leased by CPW, but which have an active private recreational lease through the State Land Board (*hunters should ask the landowner if this applies*). Permission from private landowners is always needed before hunting with a private-land-only license. Please get permission before applying.

##### ▪ RANCHING FOR WILDLIFE (RFW) LICENSES

RFW licenses are available to all Colorado residents. Resident hunters may apply to hunt a specific ranch. Each ranch has specific rules. *See page 10 for more.*

##### ▶ LEFTOVER DRAW OPTION: DEER AND ELK APPLICATIONS ONLY

Deer and elk applicants unsuccessful in the primary draw can have the first chance at the limited licenses that are remaining after the draw by selecting Leftover Draw on the application where it states, “If unsuccessful, send me...”

▪ **HOW TO ENTER:** Select Leftover Draw on your application where it states, “If unsuccessful, send me...” In June, you’ll be sent the leftover list through the email account you used to apply. Instructions on how to apply for the Leftover Draw will be included with the hunt code list. Application deadline is **July 3**.

▪ **BENEFITS:** Youth 12–17 receive priority in the Leftover Draw. By applying through your online account for the Leftover Draw, you can skip waiting in line and secure your license before they go on sale to the public on Leftover day, Aug. 7.

#### ▶ AVAILABLE STARTING **AUGUST 7**

##### ▶ LEFTOVER LIMITED LICENSES

Leftover licenses are the limited licenses remaining after the draw and leftover draw processes. They go on sale in person at authorized sales agents ([cpw.state.co.us/License-Agents](http://cpw.state.co.us/License-Agents)) and by phone at 1-800-244-5613, at 9 a.m. (MDT) on **Aug. 7**. They also are available online on the CPW website at 9 a.m. (MDT) on **Aug. 7**. Leftover licenses are available to both resident and nonresident hunters.

#### ▶ AVAILABLE STARTING **AUGUST 9**

##### ▶ OVER-THE-COUNTER (OTC) LICENSES WITH CAPS

A preset number of licenses are available on a first-come, first-served basis for both resident and nonresident hunters. These are called licenses “with caps.” They are sold online, by phone at 1-800-244-5613 or at CPW locations and authorized sales agents, starting at 9 a.m. (MDT) **Aug. 9**.

##### ▶ OVER-THE-COUNTER (OTC) UNLIMITED LICENSES

OTC licenses are unlimited in number and may be purchased any time until the day before the hunting season begins. After the season starts, they are available at CPW locations only — except for archery elk OTC licenses and plains elk OTC licenses, which can be purchased at any authorized sales agent. These are available to both resident and nonresident hunters. They are sold online, by phone at 1-800-244-5613 or at CPW locations and authorized sales agents, starting at 9 a.m. (MDT) **Aug. 9**.

### NONRESIDENT LICENSE ALLOCATIONS

Nonresident allocations are determined by the average number of preference points a Colorado resident needed to draw a specific license during a 3-year period that ended with the 2009 drawing. (Units with low numbers of available licenses may not have any remaining for nonresidents after resident licenses are drawn.)

1. For elk and deer hunt codes that required six or more points for a Colorado resident to draw, up to 20 percent may go to nonresidents. These hunts are designated in unit tables by a + under the SEX column.
2. For hunt codes that required fewer than six points for a Colorado resident to draw an elk or deer license, up to 35 percent may go to nonresidents.
3. Nonresident allocations may increase if licenses remain after all Colorado resident first choices have been drawn for that hunt code.
4. License allocations do not apply to private-land-only and Ranching for Wildlife licenses.
5. In a group of applications made up of both residents and nonresidents, all nonresidents in the group will count against the nonresident allocation.

## LANDOWNER PREFERENCE PROGRAM (LPP)

### FOR LANDOWNERS:

1. Deer, elk and pronghorn licenses (*in units that are totally limited for all rifle licenses*) are allocated to deeded landowners who own at least 160 contiguous acres of private agricultural land. (*Further qualifications apply — see website.*)
2. Landowner preference quotas are:
  - ▶ **GMUs WEST OF I-25:** 10 percent of the quota of public licenses may be issued as a voucher valid for a specific hunt code. An additional 10 percent of the public quota may be issued as a private-land-only voucher.
  - ▶ **GMUs EAST OF I-25:** 15 percent of the quota of public licenses may be issued as a voucher valid for a specific hunt code. An additional 10 percent of the public quota may be issued as a private-land-only voucher, and may only be transferred to a youth or an immediate family member.
3. LPP applications are drawn just before CPW's public limited drawing. Successful landowners receive a voucher for each winning hunt code. Landowners will be notified at the same time as public applicants.

4. The deadline to register for 2018 has passed. Registrations for 2019 may be submitted through Dec. 1, 2018, at the web address listed below right. Registrations are valid for up to five (5) years.

### FOR HUNTERS:

1. The landowner or designated land manager must transfer the voucher directly to the hunter. A voucher that has been transferred by any person who is not the landowner or designated land manager is void. A voucher that is brokered for another person is void. A hunting license obtained for use with a void voucher is also void. No person shall broker a voucher on behalf of any landowner or person, or use or possess any brokered voucher.
2. The transfer of the voucher occurs when the hunter's name is written on the voucher, or the landowner or designated land manager hands (or mails) the voucher to the hunter.
3. Landowner vouchers may be transferred one time only.
4. If a hunter cannot use a voucher, the voucher becomes **VOID**. The voucher **CANNOT** be reprinted or transferred to another hunter, even if the voucher has not been redeemed for a license.

5. Annual bag limits still apply. Be sure you can legally have the license before acquiring a landowner voucher. List A, B or C is printed on the voucher. *See pages 15, 19, 33 and 48 for details.*
6. The transfer of a voucher by a landowner or designated land manager must include permission to access and hunt all of the registered land for which the voucher was awarded, and for the entire season for which the voucher was awarded, without discrimination among hunters entering the land. Restrictions are not allowed, except for manner of access (*i.e. foot, horseback, vehicle*) reasonably necessary to prevent damage to land.
7. The voucher must be taken to an authorized sales agent or CPW location to be redeemed for a proper and valid license **PRIOR** to hunting. The appropriate license fees are paid at that time.
8. A list of landowners is **NOT** available from Colorado Parks and Wildlife.

# YOUTH HUNTING

ELK, DEER & PRONGHORN OPPORTUNITIES FOR HUNTERS AGES 12–17

## BIG GAME HUNTING RULES FOR YOUTH

### YOUTH EXPANDED HUNTING OPPORTUNITIES

CPW expanded youth hunting by giving kids more opportunities to harvest big-game animals.

Youth may now pursue antlerless deer or elk during any rifle season open to antlerless hunts. Youth hunts are no longer restricted to late seasons as in previous years.

Youth may also still hunt pronghorn does during December.

### HOW TO PARTICIPATE

1. Youth must be ages 12–17 (see Age Requirements at right) and meet hunter education requirements.
2. Youth must have an unfilled limited antlerless deer, antlerless elk or either-sex elk license after their original season ends. Then they may participate in any open rifle antlerless deer or elk hunt that begins after the last day of the season listed on their original license. *(Does not include Ranching for Wildlife.)*  
Youth may hunt in the areas specified on the maps (pages 7–8), and must hunt the same species listed on their original license.
3. Youth with an unfilled either-sex elk license must take the original license to a CPW location to have it converted to an antlerless license before hunting any extended seasons.
4. Youth hunters 12–15 years old *must* be accompanied by a mentor who is 18 or older and also meets hunter education requirements. Youth and mentors must be able to see and hear each other while hunting. Mentors can hunt only if they have a current license valid for the same units and dates the youth will be hunting.

5. Youth must follow all applicable regulations for any hunts and units they select during the extended season, including season dates and geographic restrictions.
6. Antlered licenses, over-the-counter licenses and either-sex plains rifle elk licenses may not be converted for extended youth hunting.

### AGE REQUIREMENTS

1. Youth ages 12–17 are offered reduced-cost licenses for deer, elk and pronghorn.
  2. At age 11, youth may buy or apply for a license if they will turn 12 before the end of season on the license. Youth cannot hunt with the license until they turn 12.
  3. Youth who get their original license when they are 17 and later turn 18 may participate in the extended season hunt. Youth hunting rules still apply, even though the hunter is 18 while hunting.
  4. Youth must be 12–17 at time of purchase to buy a youth unlimited or leftover license.
- NEW** 5. In order to receive a reduced-cost license and/or youth preference in the draw, youth must be 17 or younger at the time of application.

### YOUTH DRAW PREFERENCE

1. A minimum of 15 percent of limited licenses for doe pronghorn, antlerless and either-sex deer and antlerless elk for each GMU shall be available for youth ages 12–17 who meet hunter education requirements.

These licenses are available by drawing for all seasons and methods of take — including early and late rifle seasons. Licenses not drawn by youth are available to the public. *(The Air Force Academy unit and Ranching for Wildlife hunts are excluded from this.)*

2. Group applications are not accepted.
3. If youth enter more than one hunt code on their application, all hunt codes must qualify for youth preference.

### YOUTH OUTREACH LICENSES

Youth Outreach licenses are offered for deer, elk and pronghorn to qualified organizations sponsoring youth hunting activities. Application procedures are on the CPW website, [cpw.state.co.us/YouthOutreachLicense](http://cpw.state.co.us/YouthOutreachLicense).

## YOUTH DEER & ELK HUNTS IN 2018

1

### CHOOSE YOUR SPECIES

Youth may hunt antlerless deer or elk in extended seasons. Youth may hunt only the same species that is on their original license. "Antlerless" means female deer (does) and elk (cows), as well as young males of both species with antlers less than 5 inches long.

2

### CHOOSE WHEN TO HUNT

If a youth does not fill their original limited antlerless deer, antlerless elk or either-sex elk license (see Purchasing and Converting Licenses to the right) — whether it's for archery, muzzleloader or rifle hunting — they may continue to hunt during any of the rifle seasons listed in this brochure, except for Ranching for Wildlife. They must hunt within areas specified on the maps on page 7, and there must be an antlerless hunt going on in the unit and season they wish to hunt.

3

### PLAN AHEAD

To hunt deer or elk in the extended season, youth must buy a limited antlerless deer, antlerless elk or either-sex elk license. If they don't fill their tag during the original season, they will be able to continue hunting in certain areas of the state. Look at the maps on page 7 to make sure you purchase the original deer or elk license within the area you intend to hunt during the extended season.

4

### FOLLOW THE RULES

When participating in the extended season, youth **MUST** follow all the rules of hunting during the rifle season, including wearing blaze orange or pink and using a method of take allowed in rifle season. Youth must also follow all unit restrictions where they choose to hunt in the extended season, including any private-land-only designations and any unit boundary restrictions.

### YOUTH EXTENDED SEASON EXPLAINED ONLINE

A complete list of available hunts for the youth extended season and the corresponding units

### PURCHASING & CONVERTING LICENSES

- ▶ Youth must purchase their original license through the draw or from the leftover licenses list.
- ▶ Either-sex elk licenses must be converted to an antlerless license at a CPW office if the original license is unfilled and the youth wishes to continue hunting an antlerless animal.
- ▶ Over-the-counter archery licenses, OTC whitetail licenses, antlered licenses and either-sex plains rifle elk licenses may NOT be converted to participate in the extended season.

DEER EXTENDED SEASON: YOUTH

WHERE TO HUNT DEER AND ELK

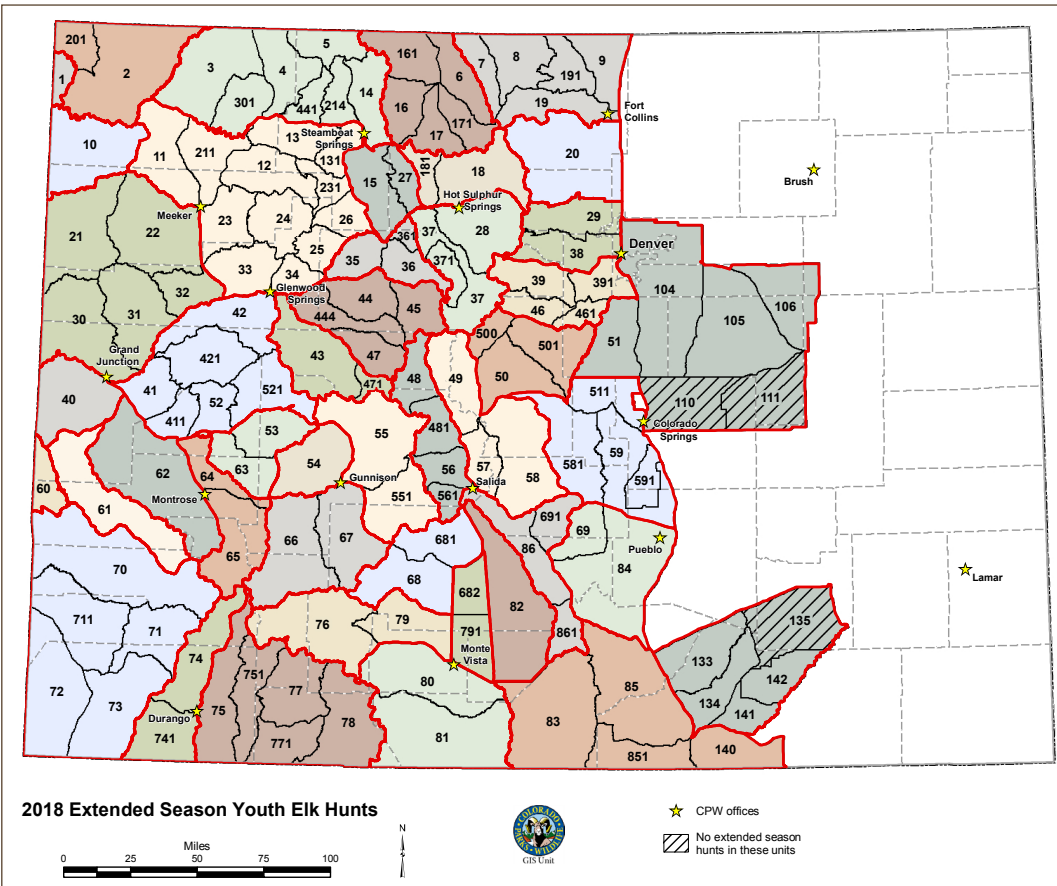

- Youth may hunt in any area on the map within the red boundary that also contains the unit for which they purchased their original license. (*Units with lines through them and blank, white areas are not open to extended-season hunting.*)
- Youth may only hunt the extended season when an open antlerless rifle hunt is going on in the unit they choose to hunt.
- Unfilled antlered elk and deer licenses may not be used to participate in the program. Limited either-sex elk licenses must be converted to antlerless licenses at a CPW office, and are only valid to hunt and take antlerless elk after doing so.

FOR EXAMPLE:

- An original license is purchased in the draw for a youth to hunt either-sex elk in unit 49 during archery season.
- The youth does not harvest during archery season and takes the tag to a CPW office to convert it to antlerless.
- The youth, accompanied by a mentor, may continue to hunt during any of the rifle seasons listed in this brochure for units 49, 57 or 58, as long as there is an antlerless season in progress in the unit the youth wants to hunt.

Look at the rifle elk tables in this brochure to find these hunts, or look at the list of acceptable hunts online at [cpw.state.co.us/YouthHunting](http://cpw.state.co.us/YouthHunting).

- If the youth wishes to continue hunting in unit 49, he or she may hunt Oct. 20-28, Nov. 3-11 or Nov. 14-18. He or she may also hunt in units 57 or 58 from Oct. 13-17, Oct. 20-28, Nov. 3-11, Nov. 14-18 or on private land only during the late season Sept. 24-Jan. 31, 2019.

*Why Sept. 24? The original archery season (Aug. 25-Sept. 23) must be over before the youth can begin hunting the late rifle season.*

- During the extended season, the youth may use any method of take allowed during rifle season. *See page 13.*

## PRONGHORN SEASON: YOUTH

## WHERE TO HUNT PRONGHORN

- ▶ Youth must be ages 12–17.
- ▶ Youth must have an unfilled pronghorn doe or either-sex license for a season anywhere in the state that has ended. If so, then they may participate in any Dec. pronghorn doe season in the following units: 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 143, 144, 145, 146 or 147.
- ▶ Youth with an unfilled either-sex pronghorn license must bring that license to a CPW office to have it converted to a doe license before hunting in a December season.  
 Youth with doe licenses do not need to convert those licenses, the original license is valid for an extended hunt.
- ▶ Unfilled pronghorn buck licenses may not be used to participate in this program.
- ▶ Youth must comply with all regulations that apply to the Dec. season they hunt.

# HYBRID DRAW

## DEER, ELK, PRONGHORN

To expand quality opportunities to big-game hunters, the Colorado Parks and Wildlife Commission offers a “hybrid” drawing for select elk, deer, pronghorn and bear licenses.

The purpose of the draw is to give hunters additional opportunity to draw a license for some of the state’s premier deer, elk, pronghorn and bear hunting areas.

Hunters who normally would not have enough preference points to draw these licenses now have a slight chance to draw a small number of the most coveted licenses through this process.

Nonresident caps apply. *(Units with low numbers of available licenses may not have any remaining for the Hybrid Drawing.)*

### HUNTER QUALIFICATIONS

Qualified hunters wishing to participate in the Hybrid Draw must meet the following criteria and choose from the hunt codes listed at right as their first choice on their application.

1. Hunters must have a minimum of five preference points for the species they wish to hunt to participate in the Hybrid Drawing.
2. Hunters must apply individually; group applications are not accepted.
3. Hunt codes that contain a W are Ranching for Wildlife properties. These hunts are for Colorado residents only.

**NOTE:** There are no qualifying Hybrid Draw hunts for bear in 2018.

### HOW IT WORKS

In hunt codes that require 10 or more resident preference points to draw (based on a 3-year average ending with the 2009 drawing), up to 20 percent of the available licenses may be issued through a random drawing.

Qualified resident and nonresident hunters who select applicable hunt codes (listed at right) and have at least five preference points for that species will automatically enter the Hybrid Drawing.

- ▶ These hunt codes must be entered as your first choice on your application.
- ▶ Winning applicants in the Hybrid Drawing will be selected randomly.
- ▶ Hunters who successfully draw a license in the Hybrid Drawing lose all of their preference points for that species. Unsuccessful applicants will be awarded one point.

# GENERAL INFORMATION

## BIG GAME SPECIES IDENTIFICATION

**1 ID FIRST, TRIGGER FINGER SECOND.**  
Take as much time as is necessary to identify an animal before you shoot. Use your binoculars, not your rifle scope, to make a positive ID on an animal. Then put your finger on the trigger.

**2 STUDY THE BODY.**  
There are telltale ways to tell different animals apart. Don't just look at an animal's antlers, study the entire head and body of an animal before you shoot. This will help distinguish elk from moose, and mule deer from whitetails.

**3 WATCH FOR BABIES.**  
When hunting elk or moose, be careful not to mistake a moose calf for a cow elk. Young moose have a reddish coat, similar to an elk. Also, it is illegal to kill a bear that has cubs with it. Bear cubs younger than a year old cannot be harvested.

**4 MAKE A MISTAKE?**  
Accidents happen. If you've shot the wrong species of animal in the field, don't panic. Call the local district wildlife manager or the CPW office nearest to you listed at the front of this brochure. Admitting a mistake is a hunter's most responsible plan of action.

**ATTENTION!** Moose can be found in the same habitat as elk in Colorado. Elk hunters must know the difference between the two species to avoid accidentally killing a moose.

### ELK

- TRAITS**
- ▶ **BODY:** reddish, lighter brown, darker legs
  - ▶ **NECK:** chestnut brown
  - ▶ **SNOUT:** slender
  - ▶ **RUMP:** pale yellow
  - ▶ **BULLS:** antlers aren't palmated and have obvious brow tines coming off main beam

### MOOSE

- TRAITS**
- ▶ **BODY:** black or dark brown with paler gray legs and belly
  - ▶ **NECK:** large bell (beard) on throat
  - ▶ **SNOUT:** overhanging, bulbous nose
  - ▶ **BULLS:** palmated antlers with tines

**ATTENTION!** It is quite common to find both mule deer and white-tailed deer in the same areas, especially on the Eastern Plains. Since both types of deer have the same general body shape and size, hunters can look for a few key differences to make a positive identification. The primary telltale characteristic a hunter should look for is the tail.

### MULE DEER

- TRAITS**
- ▶ **TAIL:** rope-like tail with black tip
  - ▶ **ANTLERS:** fork and then fork again, usually very evenly, on older males
  - ▶ **EARS:** large in proportion to head on both bucks and does
  - ▶ **GAIT:** stiff-legged bounce, tail held down
  - ▶ **RANGE:** statewide; in mountain shrubs, foothills, communities

### WHITE-TAILED DEER

- TRAITS**
- ▶ **TAIL:** broad and brown with white fringe; all white when tail is up
  - ▶ **ANTLERS:** consist of one main beam with three to five tines pointing upward
  - ▶ **EARS:** smaller in proportion to head
  - ▶ **GAIT:** move with a graceful lope, flag-like tail often held up
  - ▶ **RANGE:** common on Eastern Plains; in streamside woodland areas; cropland along rivers

### PRONGHORN

- BUCK TRAITS**
- ▶ **HORNS:** Prominent, with prong or point between the base and tip
  - ▶ **FACE:** Black cheek patch
- DOE TRAITS**
- ▶ **HORNS:** May have horns less than 5 inches
  - ▶ **FACE:** No black cheek patch
  - ▶ **FAWNS** of either sex are considered does

### BEAR

- TRAITS**
- ▶ **COAT:** Adults have long, thick hair; yearlings may have thin, bleached-looking hair
  - ▶ **EARS:** Small ears and a large head usually indicates a large bear
  - ▶ **FACE:** Narrow face and long noses are a trait of young bears that are not yet adults

## LEGAL BIG-GAME HUNTING HOURS

Legal hunting hours for big game are one-half hour before sunrise to one-half hour after sunset, unless specifically restricted.

The sunrise/sunset chart below lists times for Denver. Subtract 1 minute from opening and closing time for each 12 1/2 miles east of Denver. Add 1 minute to opening and closing time for each 12 1/2 miles west of Denver.

(These changes assume that each degree of longitude equals 50 miles and a change of 1 degree of longitude equals a 4-minute change in sunrise and sunset times.)

## HUNT PROGRAMS

### NEW SHED ANTLER COLLECTION CLOSURE

- **WEST OF I-25 — PUBLIC LANDS:** The public lands west of I-25 are open to collecting shed antlers or horns from May 1–Dec. 31 **ONLY**, except in GMUs 54, 55, 66, 67 and 551, where collecting antlers or horns is further restricted to between legal sunset and 10:00 a.m., May 1–May 15. Possession of antlers/horns on public lands west of I-25 from Jan. 1–April 30, is prohibited.
- **WEST OF I-25 — PRIVATE LANDS:** On private lands west of I-25, any person may, with lawful access, collect shed antlers or horns at any time.
- **EAST OF I-25 — PUBLIC & PRIVATE LANDS:** On any lands east of I-25, any person may, with lawful access, collect shed antlers or horns at any time.

**NOTE:** Public land management agencies may have additional restrictions on use of public lands and removal of shed antlers. Refer to land manager restrictions prior to shed hunting.

### RANCHING FOR WILDLIFE (RFW)

Public Ranching for Wildlife licenses are available only to Colorado residents by drawing. Licenses are valid only for the season and ranch specified.

RFW landowners must provide free access to hunters who draw a public license for their ranch. By applying for a RFW license, hunters allow CPW to provide applicant information to the ranch.

Hunting rules differ for each ranch. Read ranch rules on the CPW website at [cpw.state.co.us/RFW](http://cpw.state.co.us/RFW) before applying.

### GUIDES AND OUTFITTERS

Guides and outfitters must be registered, bonded and insured in Colorado. They also need permits to operate on public land and must register with the Office of Outfitter Registration, 1560 Broadway, Suite 1340, Denver, CO 80202; 303-894-7778; [www.dora.state.co.us/outfitters](http://www.dora.state.co.us/outfitters).

Legal, legitimate outfitters operate around the state and can provide invaluable resources for your hunting trip. Verify an outfitter's registration by contacting the above office or Colorado Outfitters Association online at [coloradooutfitters.org](http://coloradooutfitters.org).

### DREAM HUNT LICENSES

Deer, elk, pronghorn, mountain lion and bear licenses are available to hunters ages 12–21 with a terminal illness or life-threatening disease or injury.

Requested dates for hunting events must occur between Aug. 15 and Jan. 31 each year. **NEW Licenses are now offered in units with at least one hunt code that requires 10 or more resident preference points to draw (excluding Ranching for Wildlife).**

Before a license is issued, hunters must obtain written permission from the landowner to hunt on private land. Sponsoring organizations must request licenses in writing and document the life-threatening or terminal condition, hunting experience, logistical considerations, hunt location and dates. Submit requests to CPW, Hunter Outreach Coordinator, 6060 Broadway, Denver, CO 80216.

### HUNTER SURVEYS HELP ASSESS HARVEST

CPW conducts big-game harvest surveys each year to estimate harvest, hunter numbers and recreation days.

Deer, elk and pronghorn hunters may receive a phone call or email, asking to take part in a survey. This includes questions such as: where you hunted, if you harvested an animal, if you were satisfied with your experience and if you saw overcrowding from other hunters.

Only randomly selected hunters can participate. Participation is not required, but responding — even if you didn't hunt or harvest — is an important part of setting future seasons and license numbers.

If contacted, you can take the survey online at [colobgharvest.com](http://colobgharvest.com), or call the toll-free phone number 1-855-924-4278.

The survey runs 24 hours daily, Oct. through mid-Feb. See the CPW website for details: [cpw.state.co.us](http://cpw.state.co.us)

## GET THE LEAD OUT

SEE THE CDHPE PUBLIC HEALTH STATEMENT:  
[www.colorado.gov/pacific/cdphe/lead-in-wild-game](http://www.colorado.gov/pacific/cdphe/lead-in-wild-game)

From the field to the table, ensuring your next harvest is safe for your family is important. Switching from lead bullets may be an option that's right for you. Science tells us that ingesting lead can cause potential health problems over time. Risks are low for most people; however, you can also:

1. Use lead-free shot or bullets.
2. Choose a firearm with lower-velocity bullets, so the bullet fragments don't scatter as far into the wound. Liberally trim and discard meat damaged by the bullet when you process an animal.
3. Clean your meat grinder between each animal. Lead is soft and can go through your grinder, contaminating an entire batch of ground meat. If you don't grind the meat yourself, speak with your commercial processor about their equipment cleaning process between animals.
4. Avoid eating game meat from animals harvested with lead bullets if you are pregnant. Children younger than 6 should also avoid it.

**CHRONIC WASTING DISEASE (CWD)**

**1 WHAT IS IT?**  
Chronic wasting disease (CWD) is a fatal neurological disease that attacks the brains of deer, elk and moose. It causes animals to become emaciated, display abnormal behavior and eventually die. Infected animals often show no signs of illness.

**2 WHERE IS IT?**  
The map in the back of this brochure highlights game management units in red where CWD has been detected (page 65). CWD has been found in several regions in Colorado, as well as other states and provinces. For deer, infection rates tend to be highest in prime-aged mature bucks.

**3 MANDATORY TESTING 2018**  
In 2018, CPW will require mandatory submission of CWD test samples (heads) from all buck deer harvested during rifle seasons from select GMUs, to better evaluate the prevalence of CWD in herds. There will be no charge for mandatory testing. Find the GMUs and hunt codes selected for mandatory testing on pages 20–29 of this brochure.

**IMPORTANT PUBLIC HEALTH MESSAGE**

Disease in humans resulting from CWD exposure has not been reported to date. However, there may be a small risk from eating meat from infected animals. Consequently, public health officials recommend that people avoid exposure to CWD-infected animals. Please see the Colorado Department of Public Health and Environment website ([www.colorado.gov/pacific/cdphe/prion-diseases](http://www.colorado.gov/pacific/cdphe/prion-diseases)) for the most current recommendations on carcass testing and other preventive measures.

To minimize exposure to CWD and other diseases of potential concern, Colorado Parks and Wildlife (CPW) and state public health officials advise hunters not to shoot, handle or consume any deer, elk or moose that is acting abnormally or appears to be sick. When field-dressing game, wear rubber gloves and minimize the use of a bone saw to cut through the brain or spinal cord (backbone). Minimize contact with brain or spinal cord tissues, eyes, spleen or lymph nodes. Always wash hands and utensils thoroughly after dressing and processing game meat.

**HUNT SMART, STAY SAFE**

**MARK YOUR HARVEST SITE WITH YOUR GPS**

Hunters who have GPS units are encouraged to mark the location of their harvest in the field. This is especially important for hunters who harvest a bear or moose.

During mandatory inspections, hunters will be asked to give a location of their harvest. Having GPS coordinates makes reporting simple and precise. Use your GPS to set a waypoint where you harvest an animal, and save the UTM or longitude and latitude coordinates. Bring that information to record on the check report form during harvest inspections.

**OFF-HIGHWAY VEHICLES (OHV)**

All off-highway vehicles operated in Colorado on public lands, or if traveling on an OHV-designated route, must have a valid Colorado OHV registration or a Colorado OHV permit (except on private property).

Registrations/permits are \$25.25, valid April 1–March 31. OHV Permits (*applicable for nonresidents and street legal/plated vehicles*) are online at [cpw.state.co.us/BG/OHVpermit](http://cpw.state.co.us/BG/OHVpermit), at CPW locations and authorized sales agents. Questions, call 303-791-1920. Renewal registrations are available online and at CPW locations. New registrations and transfers must be done in person or by mail. Visit [cpw.state.co.us](http://cpw.state.co.us) for details.

Contact each public land management agency for their current motor vehicle-use rules, regulations, agency maps and game retrieval specifications and hours. Most areas do not allow off-trail game retrieval with any motorized vehicle. If you witness or observe a violation of OHV misuse on public lands, please report it to any law enforcement officer in that area.

## HERD MANAGEMENT, TIPS

### YOUR INPUT WANTED!

Approximately every 10 years, each big-game population undergoes a Herd Management Plan review process where CPW updates management objectives for that herd. These plans set objectives for population size and the ratio for males to females. Management objectives influence decisions about how many licenses of each type can be set in any given year.

CPW appreciates hearing from all interests to help guide decisions about how big-game populations are managed. Please do not miss these important opportunities to have your voice heard.

Herd Management Plans coincide with Game Management Units (GMUs) and are published on the CPW website. When a Herd Management Plan is being updated, it is announced on CPW's webpage. You can also receive notices by signing up for CPW's Insider Email List from our webpage. Every plan update allows for public comment and review.

### HERD MANAGEMENT PLAN INFORMATION:

[cpw.state.co.us/HMP](http://cpw.state.co.us/HMP)

### TURN IN POACHERS (TIP) PROGRAM

TIPs awards licenses and preference points to eligible persons that report the illegal take, possession or willful destruction of big game or turkey that results in a person being charged for the illegal take, possession or willful destruction of big game or turkey. Advise the charging officer of your interest in a TIPs award. Go to [cpw.state.co.us/BG/TIPS](http://cpw.state.co.us/BG/TIPS) for the criteria to qualify for a preference point or license, or contact CPW for details at 303-297-1192.

## ACCIDENTAL KILL, HAY, EAR TAGS, HORSES

### ACCIDENTAL KILL

Accidental kill is unintentionally killing wildlife not due to carelessness or negligence. You must report big-game animals accidentally killed to a CPW office (*listed on inside front cover*) before continuing to hunt and as soon as practical. Before contacting CPW, field dress the animal. CPW evaluates the circumstances, including shots fired, species and number of animals present, firearms or ammunition, etc. Big game accidentally killed does not count toward annual bag limits.

### CERTIFIED HAY MUST BE MARKED

Hay, straw and mulch are illegal on federal land and CPW property unless certified free of noxious weeds. Hay must be clearly marked by certifying agency. People who transport these materials on public roads crossing CPW property are exempt. For a list of weed-free forage, contact Colorado Dept. of Agriculture, 303-239-4149; Forest Service or BLM; or go to: [colorado.gov/pacific/agconservation/weedfreeforage](http://colorado.gov/pacific/agconservation/weedfreeforage)

### EAR TAGS, RADIO COLLARS

If you shoot a big-game animal with a collar or ear tag, report the number, color, harvest location and date to CPW, and return the radio collars.

### HUNTERS USING HORSES

If you are bringing a horse into Colorado from out of state, you must contact a veterinarian to get a Certificate of Health Inspection no more than 30 days before. Horses need a Coggins blood test for equine infectious anemia within a year before coming here. Call Colorado State Veterinarian's office, 303-869-9130. Residents: Horses may require brand inspection before transportation. Call brand inspector, 303-869-9160.

**960** SPECIES CALL  
COLORADO HOME

CPW manages both game and non-game species, including those that are threatened and endangered.

### NORTH AMERICA'S LARGEST ELK HERD

is an estimated population of 275,000 animals. Maintaining the habitat and long-term health of big game herds is a top priority for our staff and our dollars.

### PUBLIC FISHING ACCESS

to 2,500 natural lakes and reservoirs, and 12,000 miles of streams.

### DIVERSE HUNTING OPPORTUNITIES

**70+** SMALL GAME SPECIES **10** BIG GAME SPECIES

### 90 MILLION SPORTFISH

are hatched and stocked into Colorado waters annually. CPW's 19 state fish hatcheries and rearing units keep them healthy and plentiful.

### BENEFITING WILDLIFE HABITAT

The funds provided by the Colorado Habitat Stamp are required by state statute to only be spent on wildlife habitat and access. CPW works with private landowners, local governments and conservation organizations to provide places for people to enjoy our wildlife heritage.

**The dollars from your licenses are federally mandated to be spent on fish and wildlife management. This means your dollars are spent directly supporting what you love. VISIT: [CPW.STATE.CO.US/FINANCIALSUSTAINABILITY](http://CPW.STATE.CO.US/FINANCIALSUSTAINABILITY)**

## LEGAL FIREARMS & BOWS

Different firearms can be used for big-game hunts during different seasons. The chart below shows which method of take may be used in each season.

### 6. CROSSBOWS

- a. Draw weight must be a minimum of 125 pounds.
- b. Draw length must be a minimum of 14 inches from front of bow to nocking point of drawstring.
- c. Positive mechanical safety device required.
- d. Bolt must be a minimum of 16 inches long, have a broadhead that is a minimum of 7/8-inch wide and with a minimum of two steel cutting edges. Each cutting edge must be in the same plane for entire length of cutting surface.
- e. Illegal during archery seasons.

### 7. HANDGUNS

- a. Barrel must be a minimum of 4 inches long.
- b. Must use a minimum .24-caliber (6 mm) in diameter expanding bullet.
- c. Shoulder stocks or attachments prohibited.
- d. Must use a cartridge or load that produces minimum energy of 550-ft.-pounds at 50 yards as rated by manufacturer.

### 8. CALLS

- a. Mechanical calls are legal, including mouth calls.
- b. Electronic calls, such as amplified audio players or smartphone apps, are prohibited for big-game hunting.

## ILLEGAL ACTIVITIES

If convicted of these felony violations, you can face a lifetime license suspension:

- 1. FELONY OFFENSE:** To kill and abandon big game. It is illegal to remove only the hide, antlers or other trophy parts and leave the carcass in the field.
- 2. FELONY OFFENSE:** To sell, buy or offer to sell or buy big game.
- 3. FELONY OFFENSE:** To solicit someone to illegally kill big game for commercial gain or provide outfitting services without required registration.

### IT IS ALSO AGAINST THE LAW TO:

- 4.** Have a loaded (in the chamber) rifle or shotgun in or on any motor vehicle. Muzzleloading rifles are considered unloaded if the percussion cap or shotshell primer is removed, or if the powder is removed from flashpan. It is illegal for anyone to have a loaded electronic-ignition muzzleloader in or on a motor vehicle unless the chamber is unloaded or the battery is disconnected and removed from its compartment.
- 5.** Carry firearms (except handguns) on an OHV during deer, elk, pronghorn and bear seasons unless they are unloaded in the chamber and magazine. Firearms (except handguns) and bows carried on an OHV must be fully enclosed in a hard or soft case. Scabbards or cases with open ends or sides are prohibited. This does not apply to landowners or their agents who carry a firearm on an OHV to take depredated wildlife on property they own or lease.
- 6.** Establish a permanent structure or plant vegetation on CPW-owned land or waters. Only portable blinds and tree stands for big-game hunting can be erected on CPW land, and no more than 30 days prior to the season during which they will be used. No nails can be driven into trees. Man-made materials for blinds or stands must be removed within 10 days after the season they are used in ends. The owner's Customer Identification (CID) number and dates of use must be visible on outside of portable blinds or underside of tree stands. Placement of blinds or stands does not reserve them for personal use; they may be used on first-come, first-served basis.
- 7.** Hunt carelessly or discharge a firearm or release an arrow disregarding human life or property.
- 8.** Operate or ride a snowmobile with a firearm unless it's completely unloaded and cased, or with a bow unless it's unstrung or cased. Compound bows must be cased, not unstrung.
- 9.** Shoot from or use a motor vehicle, motorcycle, off-highway vehicle, snowmobile or aircraft to hunt, intercept, chase, harass or drive wildlife.
- 10.** Use aircraft to hunt, to direct hunters on the ground or to hunt the same day or day after a flight was made to find wildlife.
- 11.** Use the Internet or other computer-assisted remote technology while hunting or fishing. This includes unmanned or remote-control drones used to look for wildlife. Hunters and anglers must be physically present in the immediate vicinity while hunting and fishing.
- 12.** Hunt under the influence of alcohol or controlled substances.
- 13.** Use artificial light as an aid in hunting.
- 14.** Use poison, drugs or explosives to hunt or harass wildlife.
- 15.** Fail to extinguish a campfire.
- 16.** Fail to make a reasonable attempt to track and kill animals you wound or may have wounded. It is against the law to pursue wounded wildlife that goes on private property without first obtaining permission from landowner or person in charge.
- 17.** Fail to reasonably dress, care for and prepare edible wildlife meat for human consumption. At a minimum, the four quarters, tenderloins and backstraps are edible meat. Internal organs are not considered edible meat.
- 18.** Hunt with rifles, handguns or shotguns firing a single slug, or archery equipment within an area 50 feet on each side of the center line of any state highway or municipal or county road, as designated by the county.

## HUNTER ORANGE & PINK

### HUNTERS MUST WEAR FLUORESCENT ORANGE OR PINK

Law requires hunters to wear at least 500 square inches of **SOLID DAY-LIGHT FLUORESCENT ORANGE OR FLUORESCENT PINK** material on an outer garment above the waist while hunting deer, elk, pronghorn, bear or moose with any firearm license. A fluorescent orange or pink hat or head covering, visible from all directions, is also required.

This includes all muzzleloader hunters. It also includes archery hunters who hunt during rifle season. Archers hunting during a limited bear season, hunting with an archery bear, deer, elk, pronghorn or moose license, or licensed for private land hunting through the Ranching for Wildlife program do not have to wear fluorescent orange or pink, but should consider wearing it to increase safety while in the field.

Auction- and raffle-license holders do not have to wear orange or pink when hunting with archery equipment when no rifle seasons are open. If using a ground blind or pop-up blind, hunters should display orange or pink that is visible from all directions on the outside of the blind.

### CAMOUFLAGE ORANGE OR PINK DOES NOT QUALIFY!

Mesh garments are legal but not recommended. CPW strongly recommends wearing daylight fluorescent orange or fluorescent pink clothes in the field, even if you're not hunting. Wearing orange or pink is for hunter safety, as big-game animals don't see these colors like we do. Movement, sound and smell are what give hunters away.

- 19.** Discharge any firearm or release an arrow from, upon or across any public road.
- 20.** Party hunt (i.e. kill someone else's game or let someone kill yours).
- 21.** Interfere with hunters. This includes distracting or frightening prey; causing prey to flee by using light or noise; chasing prey on foot or by vehicle; throwing objects; making movements; harassing hunters by using threats or actions; erecting barriers to deny access to hunting areas; intentionally injecting yourself into the line of fire. Violators face prosecution and may have to pay victim's damages and court costs.
- 22.** For two or more people on the ground, in a vehicle or vessel to use electronic devices to communicate information that violates any wildlife law or regulation.
- 23.** Use dogs.
- 24.** Hunt big game over bait, whether or not the person hunting personally placed the bait. Bait means to put, expose, distribute or scatter salt, minerals, grain, animal parts or other food as an attraction for big game. Salt or mineral blocks used for normal agricultural purposes are not considered bait. Scent sticks that smell like food are illegal for bears.
- 25.** Kill cubs or bears accompanied by one or more cubs. A cub is a bear less than a year old.
- 26.** Hunt bears in their dens.
- 27.** Have a carcass, hide, skull, claws or parts of bears or mountain lions without a valid hunting license or unless authorized by CPW.
- 28.** Sell, trade, barter or offer to sell, trade or barter bear gall bladders or edible portions of bears.
- 29.** Hunt on private land without first obtaining permission from landowner or person in charge.
- 30.** Post, sign or indicate that public lands, not under an exclusive-control lease, are private.
- 31.** Use State Land Board properties not leased and signed by CPW without permission of lessee.

## BAG LIMITS & TAGGING

- 1. LIMITED LICENSES:** You can submit only one application in the drawing per species, per license year.
- 2. BAG LIMITS, LICENSE PURCHASES:** The bag and possession limit is the total number of animals you can legally kill of each species. Big game killed in Jan. and Feb. seasons set as part of the previous license year's seasons fall under the previous year's bag and possession limit. When a license allows hunting in more than one unit, the unit in the hunt code determines the maximum number of licenses a hunter can obtain per year for that species.
- 3. MOOSE:** The lifetime bag limit for bull moose is one, except for auction, raffle or special management licenses.
- 4. COYOTES:** You can hunt coyotes without a small-game license during big-game seasons if you have an unfilled big-game license. You can hunt coyotes only in the same unit, season and manner of take as on your big-game license. Once you fill your big-game license, you must buy a small-game or furbearer license to hunt coyotes. Harvesting a coyote does not void your big-game license.

## CARCASS TAGS

You must attach a carcass tag to animals you kill per instructions on tag. Tags must be signed, dated and detached from the license immediately upon kill. Tag should be attached to the carcass (not to detached hides, horns, antlers or carried separately) immediately prior to and during transportation in any vehicle, or while in camp or at a residence or other place of storage. Tags must stay on until meat is processed and remain with meat until consumed. It is illegal to sign or tear the tag before a kill. Such tag, when so dated, signed and attached to the species lawfully taken or killed and lawfully in possession, authorizes the possession, use, storage, and transportation of the carcass, or any part thereof.

If you lose, accidentally destroy or detach the tag, you must get a duplicate from a CPW office before hunting and prove the loss, detachment or destruction was accidental. Do not remove other parts of a license except the carcass tag after a kill. Doing so voids the license and you must buy a duplicate.

If you have a nonresident big game/fishing combo license, the fishing license is valid after the carcass tag is detached, as long as the rest of the license is intact.

## EVIDENCE OF SEX

1. It is illegal to have or transport a big-game carcass without evidence of sex naturally attached. It is illegal to have only detached evidence of sex accompany the carcass. If you submit a deer or elk head for CWD testing, leave evidence of sex on the carcass.
  - 2. EVIDENCE OF SEX IS:**
    - A. BUCK/BULL:** Head with antlers or horns attached to carcass; or testicle, scrotum or penis attached to carcass.
    - B. DOE/COW:** Head, udder (mammary) or vulva attached to carcass.
    - C. BLACK BEAR:** Male: testicles or penis.  
Female: vulva.
  3. Heads detached from carcass are not adequate evidence of sex.
  4. If a carcass is cut in pieces or deboned, evidence of sex needs to be attached to a quarter or another major part of carcass. All portions must be transported together.
  5. Evidence of sex is not required if a donation certificate accompanies less than 20 pounds of meat or after the carcass is cut into processed meat, wrapped and frozen, or stored at licensee's home.
- TIP:** If you shoot a young buck or bull with antlers less than 5 inches long, it can be considered "antlerless." But what do you do about evidence of sex?
- ▶ Leave the head and antlers naturally attached to a portion of the carcass to prove it meets the requirement.
  - ▶ Leave the testicles attached to a portion of the carcass, and then you can detach the head or skull plate and carry it out with the antlers intact.

## TRANSPORTING GAME

1. You can be cited for illegally transporting game animals even if someone else made an error. When you transport carcasses or processed meat:
  - a. Carcasses must be properly tagged. You must meet evidence of sex and antler-point requirements. Hunters must keep their own license.
  - b. Carcass tags or donation certificates (*for 20 pounds of meat or less*) must accompany processed game meat.
2. Carcass tags must be securely attached to carcass, not antlers or horns, or must accompany processed meat.
3. To ship by commercial carrier, the license, photocopy of license, carcass tag or donation certificate must accompany carcass or processed meat.
4. Hunters transporting game through national parks or monuments must follow federal regulations. Contact the National Park Service.

## DONATING GAME MEAT

Donation certificates are required for all game-meat donations. Certificates must show names, addresses and telephone numbers of donor and recipient; donor's hunting license number; species and amounts donated; date of kill; donor's signature. The certificate can be a simple note; no special form required. It must stay with the meat until completely consumed. Donor and recipient are subject to bag and possession limits.

**NOTE:** A "like license" is a license for exactly the same species, sex, season and method of take as a donor's license.

1. You can donate to someone **WITH** or **WITHOUT** a like license:
  - a. any amount of processed and packaged game meat, anywhere.
2. You can donate to someone **WITHOUT** a like license:
  - a. up to 20 pounds of unprocessed meat, anywhere.
  - b. more than 20 pounds of unprocessed meat, only at recipient's home.
3. You can donate to someone **WITH** a like license:
  - a. up to 20 pounds of unprocessed meat, anywhere.
  - b. more than 20 pounds of unprocessed meat, anywhere, only if:
    - (1) recipient's license is unfilled, and
    - (2) recipient's carcass tag is on the meat. This establishes recipient's claim to his/her portion of meat and voids his/her license. Donor's tag must remain with his/her portion.
  - c. the entire carcass, if:
    - (1) recipient's license is unfilled, and
    - (2) donor's carcass tag and recipient's like-license carcass tag is on the meat, voiding both licenses.

Thank you. Your hunting and fishing licenses pay to protect Colorado wildlife.

### IMPORTANT APPLICATION & PAYMENT CHANGES

CPW transitioned to a new, integrated licensing, pass and reservation system in Jan. 2018. **ALL** customers will need their CID (Customer Identification number), driver's license or other unique identifier to create an online account. A unique email is no longer required for login, meaning families can now use the same email address for all purchases and applications. While customers can also apply for the draw by phone, creating an online account is strongly encouraged for all customers. Email addresses are used for notification of draw results, payment issues, etc. **Read the step-by-step guide to creating your profile on the insert in this brochure. You can also read the guide online or watch the how-to video at [cpw.state.co.us/CPWshop](http://cpw.state.co.us/CPWshop).** Once you've created your profile, your Account Summary page will show you your preference point levels, active products, draw results and current orders.

► **EXISTING CPW CUSTOMERS:** If you've purchased a license from CPW before, you'll be able to look up your existing customer record by entering your **CID NUMBER** (from a previous CPW license), **DATE OF BIRTH** and an **IDENTIFIER** (for example, your driver's license or passport number) at [cpw.state.co.us/CPWshop](http://cpw.state.co.us/CPWshop). **The email you enter will be used by CPW to send you draw, payment and other notifications, so please be sure your contact information is kept current and accurate!** Current CPW and/or Reserve America customers can log on using their existing email and password; your information is still there, so there's no need to create a whole new profile.

► **NEW CPW CUSTOMERS:** Visit [cpw.state.co.us/CPWshop](http://cpw.state.co.us/CPWshop) to create an account. You will need to provide your **PERSONAL INFORMATION** (name and date of birth), an **IDENTIFIER** (for example, your driver's license or passport number), **CONTACT INFORMATION** and your **EMAIL ADDRESS**, and to create a **PASSWORD** for your new account. You will then receive your Customer Identification number (CID). *You can also call 1-800-244-5613 or go into any CPW office to get a CID number.* As required by law, if you're planning to go hunting or fishing, you'll need to enter some additional information, including your social security number. **The email you enter will be used by CPW to send you draw, payment and other notifications, so please be sure your contact information is kept current and accurate!**

► **APPLY FOR THE DRAW:** [CPW.STATE.CO.US/CPWshop](http://cpw.state.co.us/CPWshop) OR BY PHONE: 1-800-244-5613

**DRAW APPLICATION.** To apply, you will need to enter credit card information in your profile. If you are 18–64, a 2018 (or Lifetime) Habitat Stamp is required to apply for a license. If you have not already purchased one, it will automatically be added to your application. When you submit your application, you will **ONLY** be charged the \$3 application processing fee per species (and the Habitat Stamp, if applicable). The credit card information will be kept on file and **ONLY** charged the license fee if you receive a license from the draw, or if you owe the preference point fee. **Read the step-by-step guide on how to apply for the draw in the new system on the insert in this brochure, or find the guide and the how-to video online: [cpw.state.co.us/CPWshop](http://cpw.state.co.us/CPWshop)**

► **GROUP APPLICATIONS: THE GROUP LEADER MUST APPLY FIRST.** All group members must use the same person as the leader in order to go through the draw as a group. **See group application instructions on page 18, or get the PDF online: [cpw.state.co.us/CPWshop](http://cpw.state.co.us/CPWshop)**

► **DRAW RESULTS:** Posted **JUNE 4–8. BEFORE THESE DATES**, make sure your credit card information is up-to-date in your profile, as well as your contact information. Depending on the species you applied for and if you were successful in the draw, your card on file will be charged between these dates. If we're unable to charge your card for your license, you will be notified via email (*be sure to check your spam folder to make sure these important emails don't go there*). From there, you have several options for paying for your license: you can call the toll-free purchasing line (**1-800-244-5613**), go to any CPW location or go online and reenter credit card information in your profile; you can use a different card if need be.

► **PAYMENT DEADLINE:** The deadline for paying for your big-game license is **JUNE 20**. All successful licenses will be mailed after the payment is received. If we are unable to charge the credit card on file in your account and you fail to pay for your license online, by phone or at a CPW location by the deadline, your license is surrendered, **and you lose both the license and any preference points you used to draw it.**

### REFUNDS, REISSUES, EXCHANGES

1. Check our website for the most up-to-date information: [cpw.state.co.us/Refunds](http://cpw.state.co.us/Refunds)
2. The \$3 application fee and \$10 Habitat Stamp fee are nonrefundable.
3. **To get a refund OR preference point(s) restored, you must relinquish your license and carcass tag at least 30 days before opening day of the season for which the license is valid.** License must be accompanied by a completed request form obtained at a CPW location or the website. Most refunds are subject to a \$15 processing fee.

Preference points are reinstated to a pre-draw level, you do **NOT** receive an additional preference point for 2018.

Requests must be postmarked at least **30 days** before the season starts. If there isn't enough time to request a form, mail your license and carcass tag with a letter to CPW. It must be postmarked 30 days before the season for which the license is valid starts and mailed to CPW, attn: Refund Office, 6060 Broadway, Denver, CO 80216.

A license cannot be recovered once it has been returned to CPW along with a refund or preference point restoration request form.

4. Once there are fewer than 30 days until the season starts, refunds or preference point restorations are limited to extreme medical circumstances of the licensee, death of the licensee or death of the licensee's immediate family member, members of the U.S. military whose service prevented them from requesting a refund or reinstatement on time, or jury duty which overlaps with the season dates on the license.

These requests must be accompanied by evidence that the license has not been used, **AND** circumstances precluded the licensee from being able to make their request 30 days or more from season start.

5. **All license exchanges will be charged a fee of fifty percent of the cost of the original license, not to exceed \$25.** Read the full exchange policy here: [cpw.state.co.us/LCPolicy](http://cpw.state.co.us/LCPolicy)
6. **Limited licenses that are returned may be available for purchase on the leftover license sales list: [cpw.state.co.us/Leftover](http://cpw.state.co.us/Leftover)**

## HOW TO READ HUNT CODES

### HUNT CODES CONTAIN A LOT OF INFORMATION.

Learning how to read hunt codes can ensure that you apply for the right hunt in the limited license drawing each year. Here's a quick how-to:

- 1. THE FIRST LETTER** of the code designates the species: **D=deer; E=elk; A=pronghorn; M=moose; B=bear**
- 2. THE SECOND LETTER** of the code designates the sex of the animal you want to hunt: **M=male; F=female; E=either sex**
- 3. THE THIRD PART (THREE NUMBERS)** designates the unit you want to hunt: **001=Unit 1; 201=Unit 201; etc.** If more than one unit is valid, only the lowest unit number will appear.
- 4. THE FOURTH PART (A LETTER AND A NUMBER)** indicates hunt dates. For example: **01=first season; 02=second season; 03=third season; etc.** **P** is for private-land-only hunts, followed by the season number: **P1, P2, P3, P4 and P5.** **E1=early season; L1=late season; K2, K3=youth-only hunts.** There are also **Ws** or **Js** for Ranching for Wildlife, and **S** for a split unit or season choice license.

**NOTE:** Be aware that the zero (0) in the hunt units and the letter O in the season section look very similar!

- 5. THE LAST LETTER** in the hunt code indicates what manner of take the license is valid for: **A=archery; M=muzzleloader; R=rifle and associated methods**

## HOW TO READ HUNT CODE TABLES

### HUNT TABLES SHOW THE LIMITED LICENSES AVAILABLE.

These are available through the draw or as leftover licenses. (Some hunt tables on pages 58–59 in the bear section include hunt codes for over-the-counter licenses. These are not available through the draw.)

- 1. THE TITLE** above each table indicates the method of take for the hunt codes within that table. Start here to find the method of take you wish to use. Tables are color coded the same throughout the brochure.
- 2. THE UNIT COLUMN** is where you will look next to locate the game management unit you wish to hunt. Please read the unit tables carefully. Some licenses are valid in one unit only, while others are valid in multiple units. Here's how to tell where you can hunt:
  - ▶ If the hunt code for a certain unit is also valid in additional units, the **VALID UNITS** column will list all the units where you can hunt with that same license.
  - ▶ If a unit has the same hunt details and hunt codes as another unit, the chart will read **"SEE UNIT \_\_\_."** Look up the unit referred to for the correct hunt codes for your hunt.
- 3. THE VALID UNIT** column will also display information for each hunt and whether it is private land or has other restrictions. If a hunt is labeled as private land, you should get permission from a landowner in that unit before you apply for that license.
- 4. THE DATES** column lists the applicable season dates when the license is valid. Please look at the rows carefully, as each unit may have multiple hunt dates.
- 5. THE SEX** column indicates which sex of animal can be hunted for that specific hunt code. Please read the information carefully because the sex of an animal that is hunted in a unit may have changed from previous years.
- 6. THE HUNT CODE** column displays the code you will use to apply for the license you desire. Read the information carefully, as there are many possible hunt codes associated with each unit, and they may have changed since the last time you hunted. *Please see section above on how to read hunt codes.*
- 7. THE LIST** column displays what type of license you are buying. There are opportunities to purchase more than one license during the year, as long as the licenses meet the requirements of being List A, B or C. For details, see How to Get More Than One License sections under the big-game species you'd like to hunt in the following brochure pages. When applying in the draw, **DO NOT** include the list letter on the application. *You may submit only one application per species, per year.*

### OTHER HUNT TABLE SYMBOLS

- 1. A SQUARE BULLET (■)** in the **UNIT** column indicates there is a special note about that unit, displayed below the hunt code information (as shown with unit 12 above).
- 2. A PLUS (+)** in the **SEX** column indicates hunt codes for which an average of at least six preference points are needed for a resident to draw that license. This is only an average and does not guarantee a license will be drawn. *These calculations are based on a 3-year period ending with the 2009 drawing.*

## HOW PREFERENCE POINTS WORK

- ONE PREFERENCE POINT IS AWARDED** to hunters who apply properly and are unsuccessful in drawing a license for a first-choice hunt code for big-game species in this brochure. You may apply for a preference point as your first-choice hunt code.
- YOUTH** can apply for a point if they turn 12 in 2018.
- IF YOU ARE ISSUED A FIRST-CHOICE LICENSE**, all accumulated preference points for that species become void and return to zero.
- POINTS ACCUMULATE** until you draw a first-choice license. If an applicant fails to apply for a species or has not purchased a license for that same species during any given 10-year period, all accumulated preference points for that species become void.
- PRIORITY** goes to those with the most points, except when the license quota or nonresident cap would be exceeded.
- GROUP APPLICATION** priority is based on the member with the fewest points. *See section below.*
- SECOND-, third-, fourth-choice, over-the-counter and leftover hunts** don't use or generate points.
- \$40 PREFERENCE POINT FEE.** Hunters will be automatically assessed \$40 per species (*\$30 for resident deer and pronghorn*) for a preference point unless they have purchased one of the following: an annual fishing, small-game, resident combination small-game and fishing, furbearer or a big-game license in the previous year, or a current limited license in the draw for the same species for which they seek a point.  
The point fee is waived for youth, lifetime license holders, free senior annual fishing license holders and residents who are in the military on active duty outside Colorado.
- WEIGHTED PREFERENCE** increases your probability of drawing a moose license. It is calculated by converting your application number into a random draw number, then dividing that new number by the number of weighted points you have, plus one. This generates your draw order number. Applications are sorted by lowest draw order number to highest, with the lowest numbers drawing first.  
You can have a maximum of three points for moose. If you have three and you fail to draw a first-choice license, you receive weighted preference for moose.
- CURRENT PREFERENCE POINT LEVELS** will be listed in your CPW account: [cpw.state.co.us/CPWshop](http://cpw.state.co.us/CPWshop)

### PREFERENCE POINT HUNT CODE

Specific preference-point hunt codes are listed at the beginning of each species section in this brochure.

Entering this hunt code as a first choice on your application automatically awards you a point, if eligible. You can choose other hunt codes as your second, third or fourth choices.

Do not submit a separate application for preference points, or both applications will be disqualified.

If only applying for a point, the credit card you keep on file in your CPW account will be charged \$40 (*\$30 resident deer or pronghorn*) if you don't meet the criteria under No. 8 in How Preference Points Work. The \$3 application fee and \$10 Habitat Stamp fee (if applicable) are nonrefundable.

- PREFERENCE POINTS ARE NOT TRANSFERABLE.** Points are awarded for specific species, not for hunt codes, sex, unit(s), season(s) or method of take.
- ACTIVE DUTY U.S. MILITARY** stationed in Colorado or who claim Colorado as their home of residence and are deployed outside the U.S. are eligible, when they return home, to apply for preference points for any limited license drawings they missed while deployed. Applications will be available at the end of July.

## HOW TO APPLY AS A GROUP

- GROUP HUNTS:** Group applications for any number of people are accepted for all big-game species in this brochure except moose. Group applications entering the draw for deer, elk, pronghorn and bear licenses have priority based on the group member with the fewest preference points. Group members must apply for the same species, hunt code, unit, geographic restrictions, season and method of take for each choice, but may apply for a different sex. All group members must have the same hunt code choices on their applications (other than sex). Each member must list the same first-choice hunt code and the same second-, third- and/or fourth-choice hunt-codes. These choices **MUST** be in the same order on all group applications. If anyone in the group makes an application error, such as providing false proof of residency, everyone in the group is disqualified.
- CHOOSE A LEADER:** One person must be the group leader. **NEW THE GROUP LEADER MUST APPLY FIRST, by selecting "I am a group leader" on the application, prior to other group members submitting their applications. If the leader has no CID, they can create their profile online or call CPW to create one.** If there are differences in the number or order of hunt codes on the applications, the leader's choices are used.
- ENTER LEADER CID NUMBER ON ALL APPLICATIONS:** All group members must select "I am hunting in a group," and enter the group leader's CID number in the Group ID box to be entered as a group. *All group members must use the same person as the leader.*
- HOW GROUPS ARE AWARDED LICENSES:** Groups are assigned a number. If that number is selected in the draw, everyone in the group gets a license.

If the group is selected and there aren't enough licenses for everyone, the group will not get licenses. If the group includes resident and nonresident applicants and the nonresident cap has been met, the group will not get licenses. Group applications are not accepted for the leftover draw. Group members who choose the leftover draw will go through as individuals.

- PREFERENCE POINTS, REFUNDS, NOTICES:** If everyone in the group is successful for their first choice, they all get a license and their preference points drop to zero. If unsuccessful for their first choice, everyone gets a point. Licenses and notifications are sent to each individual.

**DETAILED INSTRUCTIONS ALSO AVAILABLE ONLINE:**

## WHAT LICENSE DID YOU DRAW?

Can't wait to see what license you get in the mail? All big-game licenses will be in the mail by **JUNE 22**, but if you'd rather not wait to find out what you drew, you can find out through your online account:

- **GO ONLINE.** Log in to your account during the week of June 4–8: [cpw.state.co.us/CPWshop](http://cpw.state.co.us/CPWshop)
- **VIEW YOUR DRAW RESULTS.** You will be able to see your draw results for the last several years, as well as your current preference point levels, on your Account Summary page.

**NOTE:** *If you like surprises and prefer to wait until you receive your license in the mail, make sure you open it immediately and verify that all information is correct and that you are familiar with all of the restrictions related to the species and unit(s) you will be hunting.*

See if you were successful in the draw by logging into your CPW account. You can see information on the species you've applied for, if you were successful or not, the license you'll be mailed and your preference point levels.

Hunters that harvest a buck deer in the specified hunt codes (pages 20–29) will be required to submit their deer head to a CPW submission site for testing (listed on inside front cover of this brochure). There will be no charge for mandatory testing. Get more information about where and how to submit a CWD sample: [cpw.state.co.us/CWD](http://cpw.state.co.us/CWD)

## PREFERENCE POINTS

To apply for a point, enter **D-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

If you don't meet the criteria for a free preference point, your credit card on file in your account will be charged after the draw for \$40 for nonresidents (for deer, elk, pronghorn and bear), or \$30 for resident applicants (for deer or pronghorn). The \$3 application fee and \$10 Habitat Stamp fee are nonrefundable. *For more, see How Preference Points Work on page 18.*

# WHITETAIL ONLY: OVER-THE-COUNTER LICENSES

## LATE RIFLE SEASON

### WHAT CAN I EXPECT?

These over-the-counter licenses provide an opportunity to hunt white-tailed deer in a portion of the state where mule deer are the primary species of management interest. This means there are few white-tailed deer in the area, and hunters can expect to see more mule deer than white-tailed deer when hunting in these GMUs.

### WHERE ARE THE WHITETAILS FOUND IN THIS SEASON?

White-tailed deer in these GMUs can be most commonly found along lower elevation river bottoms. Hunters should focus on these areas to improve their chances of finding white-tailed deer. Much of the white-tailed deer habitat is located on private lands where permission is required prior to hunting.

### WHAT METHOD OF TAKE CAN I USE?

The license is valid for any legal method of take. However, because this is a rifle season, hunters are required to follow blaze orange or pink requirements (see page 14), regardless of the type of weapon used. Some public properties prohibit the use of rifles and/or muzzleloaders. Check property regulations to determine what types of weapons are legal before going afield.

### WHAT IS THE BEST WAY TO IDENTIFY A WHITE-TAILED DEER?

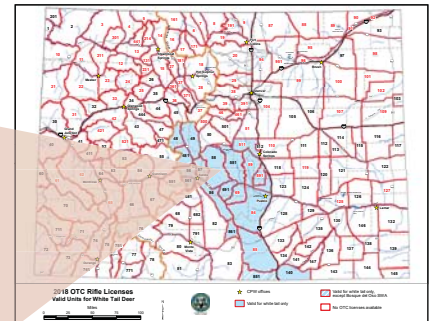

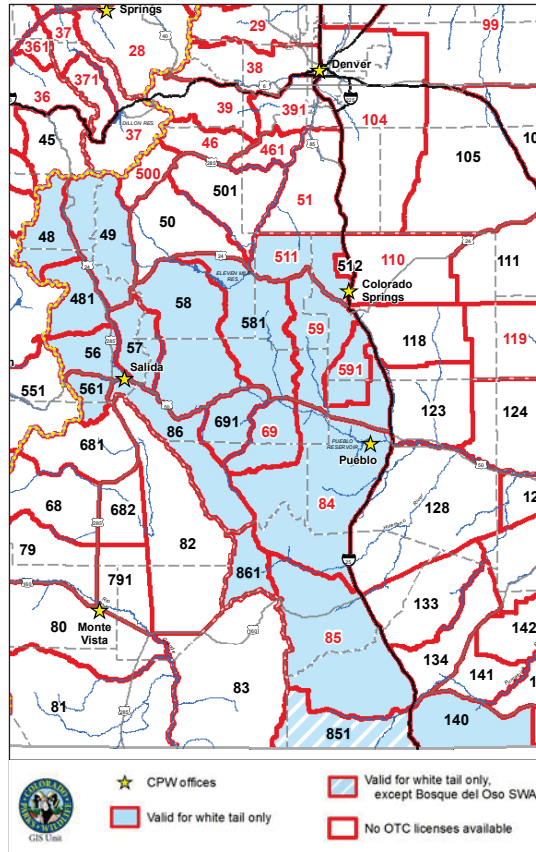

The best way to tell the difference between a white-tailed deer and a mule deer is the tail. White-tailed deer tails are broad and brown from top to bottom with a white fringe. Mule deer have a white rump patch and tail, with a black tip on the tail.

### CAN'T I JUST LOOK AT THE ANTLERS?

Antlers differ between the species, but are not a reliable distinguishing characteristic between white-tailed deer and mule deer.

### WHAT IF I SHOOT A MULE DEER ACCIDENTALLY?

Hunters must be certain of their target to avoid killing a mule deer with a whitetail-only license. However, accidents happen. Please report any mistaken kills immediately to the nearest CPW office (listed on the inside front cover of this brochure) or the District Wildlife Manager in the area. See the Accidental Kill section on page 12 for more details.

**LICENSES:** Either Sex

**DATES:** Dec. 1–31

**LIST:** B

### VALID UNITS:

48, 49, 56, 57, 58, 59, 69, 84, 85, 86, 140, 481, 511, 561, 581, 591, 691, 851 *except Bosque del Oso SWA*, 861

These licenses are sold only at CPW offices and state parks that sell hunting licenses. Hunters will receive more information about whitetail identification when a license is purchased. These are unlimited in number and **go on sale starting at 9 a.m. AUG 9.**

*Unit numbers in red indicate Chronic Wasting Disease (CWD) has been detected in that unit.*

### ATTENTION HUNTERS:

**Whitetails are at low-density populations in this area and are mostly found on private land.**

## IDENTIFYING WHITETAIL VS. MULE DEER

### WHITE-TAILED DEER

- ▶ **PRIMARY CHARACTERISTIC — THE TAIL:** The first thing to look for is the tail. It's broad and brown with white fringe; all white when tail is up
- ▶ **ANTLERS:** consist of one main beam with three to five tines pointing upward. *Caution:* Mule deer with small antlers may appear to have a similar antler formation
- ▶ **EARS:** smaller in proportion to head
- ▶ **GAIT:** a graceful lope, flag-like tail often held up
- ▶ **RANGE:** common on Eastern Plains, in streamside wooded areas and cropland along rivers

### MULE DEER

- ▶ **TAIL:** rope-like tail with black tip
- ▶ **ANTLERS:** fork and fork again — often very evenly — on older males
- ▶ **EARS:** large in proportion to head on both bucks and does
- ▶ **GAIT:** stiff-legged bounce, tail held down
- ▶ **RANGE:** statewide; in mountain shrubs, foothills, communities

### WHAT'S A "COMBINED SEASON"?

The term "combined season" refers to the second, third and fourth rifle seasons, when both deer and elk hunters are in the field at the same time.

### PREFERENCE POINTS

To apply for a point, enter **E-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

If you don't meet the criteria for a free preference point, your credit card on file in your account will be charged after the draw for \$40 for nonresidents (for deer, elk, pronghorn and bear), or \$30 for resident applicants (for deer or pronghorn). The \$3 application fee and \$10 Habitat Stamp fee are nonrefundable. *For more, see How Preference Points Work on page 18.*

### ANTLER-POINT RESTRICTIONS

## TIPS FOR SAFELY HANDLING GAME MEAT

Most of the time, properly handled and prepared game meat poses no greater risk than domestic meat of causing or carrying disease that could make humans sick. Hunters are encouraged to contact their local public health department or CPW office for information on wildlife diseases where they plan to hunt. Public health officials recommend the following precautions when handling and preparing game meat:

1. Do not handle animals that are obviously sick or found dead. Report sick or dead animals you find to a CPW office near you.
2. Keep game cool, clean and dry.
3. Do not eat, drink or smoke while dressing game.
4. Use disposable gloves when cleaning game.
5. Wash your hands with soap and water or use alcohol wipes after dressing game.
6. Clean all tools and surfaces immediately after use. Use hot soapy water, then disinfect with a 10 percent chlorine bleach solution.
7. Cook game meat to an internal temperature of at least 165° F to kill disease organisms and parasites. Juices from adequately cooked game meat should be clear.
8. Do not eat any raw portions of wild game.
9. Do not feed raw wild game to domestic pets.

## OTHER HUNTS

### SAN LUIS VALLEY REFUGE ELK PERMITS

Access permits are now available for the Alamosa, Baca and Monte Vista National Wildlife Refuges. To be eligible for one of the new access permits, hunters must hold an either-sex archery, an antlered muzzle-loader, an antlered or either-sex first rifle, an antlered or either-sex fourth rifle or any limited antlerless license in GMUs 80, 82 or 83. For information on how to enter into the permit drawing, call the CPW Monte Vista Office at 719-587-6900.

## TAXIDERMY

If you leave the head of your harvest with its antlers at a taxidermist, you are encouraged to get a receipt from the taxidermist — with date delivered and a description of the antlers — before you take the carcass home or to a commercial processor.

## HANDLING ANTLERS IN CAMP

Head or skull plate, with both antlers naturally attached, must accompany the carcass of bulls in camp or in transit, even when the scrotum or testicles are used as evidence of sex.

PRESERVE. CONSERVE. ENJOY.  
LEAVE NO TRACE

Hunting is a great American pastime that helped shape many of our first public lands. THE LEAVE NO TRACE PRINCIPLES tell how to minimize your impact while hunting:

- 1. PLAN AHEAD AND PREPARE:** Get permission to hunt private land, respect road closures, leave gates as found.
- 2. TRAVEL AND CAMP ON DURABLE SURFACES:** Good campsites are found, not made.
- 3. DISPOSE OF WASTE PROPERLY:** Pack it in, pack it out.
- 4. LEAVE WHAT YOU FIND:** Sight-in firearms away from hunting areas, do not use signs for target practice.
- 5. MINIMIZE CAMPFIRE IMPACTS:** Use an established fire ring or fire pan, and don't put trash in the fire pit.
- 6. RESPECT WILDLIFE:** Never feed wild animals, store your camp food and trash securely.
- 7. BE CONSIDERATE TO OTHER VISITORS:** Be aware of the direction you shoot and be courteous to others you see.

The Center respects the tradition of hunting on public lands, expects hunters to abide by state game and hunting laws, and encourages hunters to adhere to the Leave No Trace ethic. ### PREFERENCE POINTS

To apply for a point, enter **M-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second choice on the same application to apply for a license.

If you apply for a point only, your credit card on file will be charged by after the draw. The \$3 application fee and \$10 Habitat Stamp fee are nonrefundable.

*See How Preference Points Work on page 18.*

#### MOOSE LICENSE DRAWS USE WEIGHTED PREFERENCE POINTS

There are three species of big-game animals that use the weighted preference point system to award licenses in Colorado: moose, Rocky Mountain bighorn sheep and mountain goat.

Weighted preference increases your probability of drawing and applies to both bull and cow licenses. Here's how it works:

Hunters can only accumulate up to three points for moose. If you have three preference points and you fail to draw a first-choice license, you will receive weighted preference.

Weighted preference is calculated by converting your application number into a different, random application number, then dividing that new application number by the number of weighted points you have, plus one. Individuals with three preference points and no weighted preference will have their application number divided by one.

This generates another new application number. Applications are sorted by this new number from lowest to highest, and low numbers for each hunt code are awarded licenses.

To apply for a point, enter **B-P-999-99-P** as your first-choice hunt code on your application.  
 You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.  
 If you don't meet the criteria for a free preference point, your credit card on file in your account will be charged after the draw for \$40 for nonresidents (for deer, elk, pronghorn and bear), or \$30 for resident applicants (for deer or pronghorn). The \$3 application fee and \$10 Habitat Stamp fee are nonrefundable. *For more, see How Preference Points Work on page 18.*

### MANDATORY BEAR INSPECTION & SEALS

Hunters must personally present bears to a CPW office (*listed on the inside cover*) for a free inspection, check report and sealing within five working days after the kill.  
 Bear heads and hides must be unfrozen when presented for inspection. Seals must be attached to the hide until tanned.  
 Contact the nearest CPW office or CPW officer for inspection and sealing.  
 At inspection, the CPW is authorized to extract and keep a premolar tooth. If the head and hide are frozen, the CPW may keep them long enough to thaw so that a tooth can be removed. Hunters can help by making sure the jaw is propped open with a stick before rigor sets in.  
 Bears cannot be taken out of Colorado until hide and skull are inspected and sealed.  
 Having a bear hide without a seal after the five-day period is illegal, and the hide becomes state property.  
 To transport a bear or parts to a foreign country, you must first obtain CITES documents. Contact the U.S. Fish and Wildlife Service, 303-342-7430. Do not call the U.S. Fish and Wildlife Service about inspections or seals for bears.

**NOTE:** There are no archery or muzzleloader hunts for bear available in the draw; see pages 58–59 for over-the-counter licenses.

# OVER-THE-COUNTER WITH CAPS

## ARCHERY, MUZZLELOADER, RIFLE LICENSES

### WHAT ARE OVER-THE-COUNTER LICENSES? HOW DO YOU GET ONE?

Archery, muzzleloading and some rifle bear licenses are sold over the counter with a cap on the number of licenses available. These are either-sex licenses.

These licenses are **NOT** available through the draw. If you apply for these hunt codes in the draw, your application will be disqualified. **NOTE:** to participate in the over-the-counter with caps rifle bear season, a hunter must also hold a deer or elk license that overlaps with that rifle bear tag by at least one day of the season. These licenses can be purchased at authorized sales agents, by phone and online through **OCT. 12**. Then, they are **only** available at CPW offices.

“With caps” means there are a preset number of these licenses available on a first-come, first-served basis starting at **9 A.M. AUG 9**. Get them at CPW locations, authorized sales agents, via telephone at 1-800-244-5613 or online at [cpw.state.co.us/CPWshop](http://cpw.state.co.us/CPWshop).

The Parks and Wildlife Commission sets the number of “with cap” licenses in May.

## LATE-SEASON BIG-GAME COUNTS

CPW conducts big-game counts with planes and helicopters in late seasons. The counts must occur at this time and may disperse animals.

### 4UR RANCH ACCESS PERMIT (UNIT 76)

Limited public access to USFS lands for big-game hunting is available through the 4UR ranch by permit during rifle seasons only. Hunters must possess a valid GMU 76 rifle elk or rifle deer license. Hunters are selected by random drawing. Application deadline: August 15. Group applications are allowed.

Permits not issued by draw will be issued on a first request basis. For information or a permit application, call the CPW Monte Vista Office at 719-587-6900.

### AIR FORCE ACADEMY (AFA)

Hunters must pay an Air Force Academy access fee and receive a mandatory safety orientation. All hunting is escorted, and is allowed only on the days, areas and by method of take authorized by the Academy. Call 719-333-3308 or visit [usafa.isportsman.net](http://usafa.isportsman.net) for more details.

1. Oct. 1–Dec. 31, unit 512 (specific days determined by AFA): Limited buck and doe deer licenses available by CPW drawing. See unit 512 in deer rifle section for hunt code. Deer hunting on the AFA is conducted to accomplish population management objectives.
2. Limited cow elk licenses, unit 512. Prospective hunters must apply online at [usafa.isportsman.net](http://usafa.isportsman.net) from Jan. 1–May 31 for a random drawing held by AFA. See the AFA iSportsman website for more details.

### NEW CONUNDRUM HOT SPRINGS AREA OF MAROON BELLS-SNOWMASS WILDERNESS (UNIT 43)

Overnight camping permit required for Conundrum Hot Springs area of Maroon Bells-Snowmass Wilderness. Hunters who wish to hunt or scout in the Conundrum Hot Springs portion of GMU 43 should be aware that starting in 2018, a limited number of overnight camping permits will be issued for the Conundrum Creek Valley. These federally-required permits are necessary year-round, cost \$10 and will be available online at [www.recreation.gov](http://www.recreation.gov).

### FORT CARSON (UNIT 591), PIÑON CANYON MANEUVER SITE (UNIT 142)

**ATTENTION HUNTERS!** Access policies for Fort Carson have changed. Detailed requirements are posted on the website below. Limited licenses are available by CPW drawing. Archery either-sex and bull elk licenses for second and third seasons are sold over the counter. A CPW license does not guarantee or authorize access to Fort Carson or Piñon Canyon. Military training has priority, CPW cannot offer refunds after the start of the season if access is unavailable.

Seasons on Fort Carson may be limited to muzzleloader, shotgun or archery. Access to Fort Carson and Piñon Canyon may be limited and subject to closures, call or check website. In addition to CPW requirements, Fort Carson requires other permits and briefings for hunters.

Be advised that both Fort Carson and Piñon Canyon utilize an automated check-in procedure called I-Sportsman. Check the website below for more information.

Hunting regulations specific to this area are in Fort Carson Regulation 200-6. Hunting information, firearms registration form and updates are at [fortcarson.isportsman.net/default.aspx](http://fortcarson.isportsman.net/default.aspx). ## Show your pride, Colorado style

Display your pride and support for wildlife conservation by purchasing a Colorado Sportsmen's License Plate for your vehicle. The plate's simple message, "Hunting and Fishing Fund Conservation," is a great way to educate others about the important role sportsmen play in wildlife conservation. Hunters and

anglers fund more than 70 percent of Colorado Parks and Wildlife's annual budget, which helps to protect critical habitat and manage 960 wildlife species. The plates may be ordered at state-wide DMV offices. Visit: [cpw.state.co.us/Sportsmen-Plate](http://cpw.state.co.us/Sportsmen-Plate)
