

2013 Colorado Fishing

SEASON: APRIL 1, 2013 - MARCH 31, 2014

TABLE OF CONTENTS

- *What's new in 2013*..... 1
- Licenses and Information** 1
 - License fees, season dates, Habitat Stamp
 - Fishing condition reports
- Reference** 2-9
 - *Fish of Colorado*2
 - *Bag and possession limits*3
 - *Fishery programs*4
 - *State records*5
 - *How to measure your catch*5
 - *Aquatic nuisance species, information for boaters, how to clean waders and gear*6
 - *Illegal stocking*7
 - *License, residency and disability requirements*.....7
 - *Special conditions and restrictions*8
 - *Legal fishing methods, glossary of fishing terms*9
- Special Regulations for waters**..... 10-33
- Top Places To....**
 - *Take kids fishing*.....19
 - *Fish for kokanee*21
 - *Ice fish in January*23
- Maps**
 - *Wiper/White Bass & Walleye/Saugeye limits*3
 - *Upper Arkansas River*.....11
 - *Blue River Basin*12
 - *Middle Colorado and Eagle rivers*.....14
 - *Upper Colorado River: Headwaters to Radium*15
 - *Conejos and Alamosa rivers*17
 - *Upper Poudre River Drainage*.....24
 - *Upper Rio Grande Basin*26
 - *Middle Colorado and Roaring Fork rivers*.....27
 - *South Platte River: Cheesman to Chatfield*28
 - *South Platte River: South Park*.....29
 - *White River: Headwaters to Meeker*.....32
 - *Yampa River: Headwaters to Craig*.....33

SMALL THINGS CAN MAKE A BIG DIFFERENCE.

When you purchase a hunting license, 75¢ goes to educate the public on the role sportsmen play in wildlife management.

HUG AN ANGLER[™].com

REPORT OIL SPILLS:

To report an oil or chemical spill in the water, call the 24-hour hotline at Colorado Department of Public Health and Environment, 1-877-518-5608.

BOAT REGISTRATION:

Boat registration information can be found online at: www.parks.state.co.us/Boating/Registrations/Pages/BoatingRegistrations.aspx

CPW OFFICE LOCATIONS

cpw.state.co.us

NEW! All staffed CPW parks and offices now sell fishing and hunting licenses and offer full license services. See the CPW website for a list of locations.

LICENSE FEES

**ANNUAL LICENSES ARE VALID
APRIL 1, 2013-MARCH 31, 2014**

COST
» **Habitat Stamp** \$10
Required for residents and nonresidents, ages 18-64. Add this to license fees below if you have not yet purchased a 2013 Habitat Stamp.

RESIDENTS

» Adult annual (ages 16-63).....\$26
» Senior annual (64 and older).....\$1
For senior lifetime low-income licenses, see page 7
» Small Game & Fishing combo\$41

NONRESIDENTS

» Annual\$56
» Five-day\$21

YOUTH

» Resident and nonresident younger than age 16 (second-rod charge still applies) **FREE**

RESIDENTS & NONRESIDENTS

» Second-rod stamp \$5
The second-rod stamp is available to anyone who has purchased a fishing license and any youth under 16. (See page 7.)
» One-day fishing \$9
» Additional-day fishing..... \$5
Customers buying a one-day or additional-day license are exempt from the Habitat Stamp fee with the first two of these licenses. The habitat fee will be assessed when a third license of this type is purchased.

Prices include 25-cent search-and-rescue fee and 75-cent surcharge for the Wildlife Management Education Fund.

BUY YOUR LICENSE ONLINE

Go to www.bit.ly/cpwlicensesales

LICENSES ARE ALSO AVAILABLE

1. By phone at 1-800-244-5613. Credit cards are accepted for phone and Internet purchases.
2. At CPW offices, state parks and license agents

WHAT YOU NEED TO BUY A LICENSE

1. Current and valid photo ID
2. For residents, proof of residency
3. Habitat Stamp

Licenses are nontransferable. False statements made while buying a license render it void. Lost or destroyed licenses can be replaced by filling out an affidavit and paying a fee. See "License Requirements" on page 7.

SEASON DATES

Colorado waters are open to taking fish, amphibians and crustaceans day and night, year round, except if otherwise stated in the regulation section of this brochure. See pages 10-33.

FREE FISHING DAYS

Residents and nonresidents can fish without a license or Habitat Stamp on June 1-2, 2013. All other rules and regulations apply.

WHAT'S NEW 2013

MASTER ANGLER UPDATES — There are new "Kept Fish" record categories this year for pike and smallmouth bass in waters west of the Continental Divide. See page 4.

NEWLY OPENED TO FISHING — New areas open this year for fishing in northern and central Colorado include three new ponds at River's Edge Natural Area in Larimer County and the Cline Ranch in Park County. See "Special Regulations for Fishing Waters" on page 10.

LAKE CLOSURES — Mower Lake in Jefferson County has been drained and is closed to the public.

Many lakes on the Eastern Plains are affected by water shortages and drought, conditions expected to last through the summer months. When planning a trip, call the phone numbers below before you go to make sure your destination still holds water. Some lakes that are currently dry as of publication of this brochure are listed in the "Special Regulations for Fishing Waters." See "Fishing Conditions" below and regulations starting on page 10.

SWITZER RESERVOIR — CPW will allow the take of carp only at this Delta County lake. See page 30.

WALLEYE PROTECTION IN ARKANSAS RIVER — Pueblo Reservoir is a brood water for walleye. The walleye move from the reservoir, which already has regulations in place, into the Arkansas where they become vulnerable to harvest. New regulations will protect these fish, which contribute to walleye production in many other waters around the state. See page 10.

BEAR CREEK — The lower end of this closure in El Paso County was expanded downstream to Gold Camp Road to protect greenbacks that live in that section of the river. See page 11.

WHITE RIVER — From Taylor Draw Dam downstream to the state line, there are no bag and possession limits for non-native fish species. See page 31.

OUR FISHING MAPS ARE ONLINE — Our color-coded fishing regulation maps are also online. Look them up at www.bit.ly/COFishMaps, or download them to your smartphone and store them for the road!

WATCH FOR QR CODES — Scan the QR codes in this brochure with your smartphone to get Web access to more information.

You can also access the interactive version of this brochure online at www.bit.ly/coloradofishing.

HABITAT STAMP

1. Stamps are \$10 and are nonrefundable. Only one is required per person per year, valid April 1-March 31. A lifetime stamp is \$300.25.
2. Anyone 18-64 MUST purchase a stamp in order to buy or apply for a preference point or buy a hunting or fishing license.
3. **EXEMPTIONS:** Anyone with a free lifetime fishing license, a veteran's lifetime combination small-game hunting and fishing license, or those approved for the Big-Game Mobility Impaired Hunting Program are exempt. See www.wildlife.state.co.us/Hunting/DisabledAccessibility/Pages/DisabilityInformation.aspx for details about those programs.

Get hooked

Ready to learn how to fish?
If you are 5 or 75, we've got instructors waiting for you.

www.bit.ly/COFishingClinics

KNOW YOUR COLORADO FISH

WATCH ONLINE
How to properly release a fish.
www.bit.ly/COFishRelease

HOW TO RELEASE A FISH

If you plan to practice catch-and-release while fishing, follow these steps to ensure the fish returns to the water with minimal damage. Any fish you plan to catch and release **MUST** be returned to the water immediately.

- » **TIME IS ESSENTIAL.** Quickly play and release fish. A fish played for too long will be too exhausted to recover.
- » **KEEP FISH IN THE WATER** as much as possible.
- » **REMOVE THE HOOK AS QUICKLY AS POSSIBLE.** Single barbless hooks can often be removed while the fish is still in the water.
- » **GENTLE HANDLING IS ESSENTIAL.** Avoid squeezing or putting your fingers in the gills or eye sockets. It's best to hold a fish gently by its belly or by the area in front of the tail.
- » **TO REVIVE AN UNCONSCIOUS FISH** hold it upright in the water. Move the fish forward and backward so that water runs through the gills. This may take a few minutes. When it begins to struggle, release it.
- » **WHEN PHOTOGRAPHING A FISH,** hold it horizontally and do not squeeze the fish. Do not put your hands in its gills or hold it vertical by its gills.

HOW TO SAFELY REMOVE HOOKS

Use a pair of forceps, long-nosed pliers or a purposely made hook-out to quickly, efficiently remove the hook.

If the fish is hooked deep in the throat or stomach, cut the line as close to the hook as possible and leave the hook in the fish — it could do more damage trying to remove a deeply set hook than leaving it where it is.

TROUT FAMILY

 RAINBOW TROUT Black spots on a light body and red stripe along sides	 CUTTHROAT (NATIVE) TROUT Crimson slash on either side of the throat beneath the lower jaw
 BROWN TROUT Spotting pattern is made up of black spots and red-orange spots inside light blue circles	 BROOK TROUT Pectoral, pelvic and anal fins often orange, edged with black and white; body is dark with white and red spots inside blue circles
 LAKE TROUT (Mackinaw) Has a white, irregular spot pattern on dark body; veriform markings over back and head. Unlike other trout, they have a deeply indented tail fin.	 SPLAKE Cross between a brook trout and a lake trout
	 GRAYLING Large sail-like dorsal fin, silver body, small mouths and body.

All fish illustrations by © Joe Tomelleri

BASS

 SMALLMOUTH BASS Upper jaw does not extend beyond eye and fish usually has vertical stripes along sides	 LARGEMOUTH BASS Upper jaw extends beyond eye and often has horizontal stripe extending the length of body	 WIPER Hybrid between white bass and striped bass
---	---	---

SUNFISH & CRAPPIE

 GREEN SUNFISH Olive-colored body with short, rounded pectoral fins with yellow trim
 BLUEGILL Opercle (ear flap) is dark to its edge and a dark blotch at the back of dorsal fin rays, small mouth
 BLACK CRAPPIE Black splotches on a silver body, dorsal spines and rays get longer as they approach the tail

PIKE

 NORTHERN PIKE Horizontal rows of light-colored round/oval spots, on dark background
 TIGER MUSKIE Irregular dark colored vertical markings on a light background

PERCH & OTHER SPORTFISH

 SAUGER Spotted dorsal fin, no white tip on tail, darker color	 WALLEYE Large, well-developed canine teeth and large eyes with milky corneas, white-tipped tail
 SAUGEYE Walleye-sauger hybrid with black mottling marks on body	 MOUNTAIN WHITEFISH Mouth is smaller than a trout's and it does not extend to below the center of the eye, as it does on a trout
 YELLOW PERCH Two separate dorsal fins, large vertical dark stripes on yellow sides	 KOKANEE SALMON At the end of their third summer, females develop a red-gray-white pattern, males develop hook jaw and turn brick red

WESTERN SLOPE NATIVE FISH THAT MUST BE RELEASED

Anglers may catch these species if fishing in the Colorado River Basin. These fish must be returned to the water unharmed as quickly as possible. See page 8 for a full list of protected species to be released.

 HUMPBACK CHUB Green to silver and white with an abrupt hump behind the head	 COLORADO PIKEMINNOW Adults may be green-gray to bronze on backs and silver to white along sides and bottoms
 BONYTAIL CHUB Slight hump and a long, narrow tail	 RAZORBACK SUCKER Bronze to yellow fish with a sharp-edge keel behind the head

STATEWIDE BAG & POSSESSION LIMITS

READING THE LIMITS CHART

Statewide limits for species are listed in the chart to the right. Species not on this chart have no bag or possession limits or are restricted or illegal to take. See "Special Conditions and Restrictions," page 8.

Some waters have more restrictive limits than what is listed on the chart. See "Special Regulations for Fishing Waters," page 10, for the area you plan to fish to learn more about specific waters. If a water is not on the list or no bag limit is specified, these statewide limits apply.

FISHING IN STATE PARKS AND NATIONAL PARKS

Fishing is available at 38 of Colorado's 42 state parks. If you plan a fishing trip to these waters, check the website for any additional entrance fees and restrictions that may apply: <http://parks.state.co.us/fishing/Pages/Fishing.aspx>.

National parks also offer fishing opportunities around the state, but may have different bag limits and regulations. One example of this is at Rocky Mountain National Park.

There, you will need a CPW fishing license but restrictions will be specific to the park. Before you plan your trip, check regulations online at: www.nps.gov/romo/planyourvisit/fishing.htm.

DAILY BAG LIMIT

Maximum number of fish you can take in a day, regardless of what you do with them that day.

- » Fish caught and placed on a stringer, in a container or live well, or not returned to the water immediately count in your daily bag or possession limit.
- » Fish released immediately are not part of the limit.

POSSESSION LIMIT

Maximum number of fish allowed at any time, including in the field, transporting, at home or in storage. Transporting live fish without proper permits is prohibited.

- » Fish taken and later smoked, canned, frozen or preserved for consumption are part of the possession limit until consumed.

MAP: WIPER/WHITE BASS AND WALLEYE/SAUGEYE BAG LIMITS

The map below outlines the general areas of the Arkansas and South Republican River drainages (green) and the South Platte and North Republican drainages (yellow). If you are fishing for wiper, white bass, walleye or saugeye in these areas, the daily bag and possession limits are different for the two areas on the map. See the "Statewide Limits" chart at right for details.

STATEWIDE LIMITS		
Type of fish	Daily bag limit	Possession limit
TROUT, ARCTIC CHAR, GRAYLING, SALMON <i>(except kokanee)</i> <i>in aggregate*</i>	4	8
<i>Trout include rainbow, brown, brook, cutthroat, splake, golden and lake trout</i>		
BROOK TROUT <i>8 inches long or less</i> <i>(in addition to trout limit above)</i>	10	10
KOKANEE SALMON <i>angling, snagging or archery</i>	10	10
WALLEYE, SAUGEYE, SAUGER <i>Statewide, in aggregate*</i>	5	5
<i>On Arkansas and South Fork of Republican River drainages, in aggregate*</i>	10	10
BASS: LARGEMOUTH, SMALLMOUTH, SPOTTED <i>in aggregate*</i>	5	5
BASS: WHITE, STRIPED, WIPER <i>Statewide, in aggregate*</i>	10	10
<i>On Arkansas and South Fork of Republican River drainages, in aggregate*</i>	20	20
CATFISH: CHANNEL, FLATHEAD, BLUE <i>in aggregate*</i>	10	10
CRAPPIE: WHITE, BLACK <i>in aggregate*</i>	20	20
BLUEGILL, HYBRID BLUEGILL, GREEN SUNFISH, REDEAR SUNFISH, PUMPKINSEED SUNFISH <i>in aggregate*</i>	20	20
YELLOW PERCH <i>West of Continental Divide</i>	unlimited	unlimited
<i>East of Continental Divide</i>	20	20
TIGER MUSKIE <i>at least 36 inches long</i>	1	1
NORTHERN PIKE, WHITEFISH, BULLHEAD	unlimited	unlimited
SPECKLED DACE, SCULPIN <i>West of Continental Divide</i> <i>in aggregate*</i>	20	20
<i>East of Continental Divide</i>	unlimited	unlimited
CRAYFISH (crawdads), BULLFROGS	unlimited	unlimited
AQUATIC TIGER SALAMANDER LARVAE <i>(gilled and less than 5 inches long)</i>	50	50

SEE "SPECIAL REGULATIONS FOR FISHING WATERS" SECTION FOR WATERS WITH MORE RESTRICTIVE LIMITS. PAGES 10-33.

* *in aggregate* means the limit may consist of one species or a mixed bag of more than one species.

FISHERY PROGRAMS

STREAM SURVEYS HELP BIOLOGISTS MANAGE FISHING

Photo © CPW

Colorado Parks and Wildlife is the state agency responsible for fisheries management of public waters in Colorado.

The primary tool that guides fish management is the lake and stream survey. These surveys periodically monitor fish populations.

During the process, fish are collected using a variety of gear and the necessary biological data is recorded. This gauges the entire fish community rather than a single species.

The collected data is used to track fish population trends, evaluate the effectiveness of management actions such as stocking and regulations, and establish realistic management goals for a given lake or stream.

The fisheries section of CPW conducts hundreds of lake and stream surveys each year.

High-priority and brood waters such as Chatfield, Pueblo and Horsetooth reservoirs and the Gunnison River are surveyed annually. Smaller, more remote, or lightly used lakes or streams may only be surveyed once every 5-10 years.

Most of the survey fieldwork takes place from early June through late September; however, many areas also conduct more specialized sampling beginning right after ice-out and again in the fall prior to freeze-up.

More about how fishery biologists sample fish:
www.wildlife.state.co.us/Fishing/Reports/ManagementandSurveys/Pages/FisheryWaterSummaries.aspx

Fishery data for some of your favorite Colorado waters:
www.wildlife.state.co.us/Fishing/Reports/FisherySurveySummaries/Pages/FisherySurveySummaries.aspx

WILD TROUT & GOLD MEDAL WATERS POLICY
www.wildlife.state.co.us/ParksWildlifeCommission/Policies/Pages/Policies.aspx

GOLD MEDAL WATERS

Gold Medal Waters are the highest quality cold-water habitats and have the capability to produce many quality size (14 inches or longer) trout.

CPW has established criteria and management guidelines to support the public interest in angling, observing and protecting these significant cold-water fishery resources.

Gold Medal Waters are defined as any river or lake which is producing a standing stock of at least 60 pounds per acre, and at least 12 trout that are 14 inches or longer per acre on a sustained basis.

River segments designated as Gold Medal Trout Waters must be a minimum of 2 miles in length and lakes must be a minimum of 50 acres.

The following lakes and streams in Colorado offer the greatest potential for trophy trout fishing:

GOLD MEDAL STREAMS

ANIMAS RIVER: From Lightner Creek to Rivera Crossing bridge

BLUE RIVER: From Dillon Reservoir dam to Green Mountain Reservoir inlet; also from Green Mountain Reservoir dam to Colorado River

COLORADO RIVER: From Fraser River to Troublesome Creek

FRYINGPAN RIVER: From Ruedi Reservoir dam to the Roaring Fork River

GORE CREEK: From Red Sandstone Creek to Eagle River

GUNNISON RIVER: From 200 yards downstream of Crystal Reservoir dam to the North Fork of the Gunnison

NORTH PLATTE RIVER: From south boundary of Routt National Forest to Wyoming (Northgate Canyon)

RIO GRANDE: From Hwy. 149 bridge at South Fork downstream to Rio Grande canal diversion structure

ROARING FORK RIVER: From the Fryingpan River to the Colorado River

SOUTH PLATTE RIVER:

- » From the confluence of the middle and south forks to Spinney Mountain Reservoir inlet
- » From Spinney Mountain Reservoir outlet to Eleven Mile Reservoir inlet
- » From Cheesman Reservoir dam to the south boundary of the Wigwam Club property
- » From the north boundary of Wigwam Club property to Scraggy View picnic ground
- » Middle fork, from the Hwy. 9 bridge to the south fork confluence

GOLD MEDAL LAKES

NORTH DELANEY BUTTE LAKE in Jackson County

SPINNEY MOUNTAIN RESERVOIR in Park County

STEAMBOAT LAKE in Routt County

MASTER ANGLER PROGRAM

The CPW Master Angler Award Program recognizes anglers who catch fish of trophy size and promote conservation.

There are two categories: fish that are kept and fish released. Awards are based on fish length, so fish can be measured and released.

NEW: To promote responsible conservation of fishery resources, CPW will recognize qualifying length northern pike and small-mouth bass caught in waters west of the Continental Divide in the "Kept Fish" category only.

Anglers who catch a fish of qualifying length receive a Master Angler certificate and patch. Those who achieve record status also receive a matching lapel pin.

Anglers can win multiple certificates but only one patch per year.

Only fish caught in Colorado are eligible. Entrants must have hooked, played, landed or released the fish. Snagged fish are ineligible. Fish length is measured from the jaw tip to tail tip.

Entries must be submitted within 60 days of catch. A clear, side-view photograph of the fish must accompany entries with one witness verification. Two witnesses are required for entries without photos.

For an entry form, contact the Master Angler Award Program, Colorado Parks and Wildlife, 6060 Broadway, Denver, CO 80216, or go to www.wildlife.state.co.us/Fishing/AwardsRecords/MasterAnglers/Pages/MasterAnglers.aspx.

WILD TROUT PROGRAM

CPW is responsible for the preservation and protection of native and non-native wild trout populations.

Most mountain streams and some high lakes in Colorado support populations of wild trout.

These resources are important to the integrity of Colorado's trout fisheries; as an indicator of properly functioning aquatic ecosystems; and for their intrinsic value to those seeking a unique, aesthetic and significant fishery resource.

To assure the continuation and availability of wild self-sustaining trout populations the Parks and Wildlife Commission has established specific management guidelines for those aquatic habitats which support all life stages of trout.

These waters are to be managed to the extent possible to maintain these wild trout populations.

G Look for the "G" next to a body of water on pages 10-33 to know that it's a Gold Medal Water.

STATE RECORDS BY WEIGHT

	SPECIES	YEAR	LOCATION and county	WEIGHT lbs. - ozs.	LENGTH in inches	ANGLER

STATE RECORDS PROGRAM

Colorado's original fishing record program, records by weight are tracked in 45 different species.

Potential record holders must have a valid Colorado fishing license or be younger than 16. The fish must be weighed on a state-certified scale and a weight receipt must be signed by a person who witnessed the weighing. The fish, not frozen, gutted or altered in any way, must be examined and identified by a CPW biologist or wildlife manager, who will submit an application to the Sportfish Program Manager in Denver.

Records for the longest and heaviest fish caught can change any time. Current statistics can be found on the CPW website at www.wildlife.state.co.us/Fishing/AwardsRecords/Pages/AwardsRecords.aspx.

An award program is also offered for catch-and-release anglers. Go to: www.wildlife.state.co.us/Fishing/AwardsRecords/RecordsbyLength/Pages/ReleasedFishRecords.aspx.

HOW TO MEASURE YOUR CATCH

Measure your fish from the tip of the snout to the end of the tail. You may squeeze the tailfin together as shown in the bass (illustrated in the first picture below) to obtain a maximum length or you may tilt the tail down (as seen in the lake trout at bottom).

AWARD-QUALIFYING LENGTHS FOR CATCH & RELEASE

Species	length (inches)	Species	length (inches)
Arctic char	18	Lake trout	32
Black bullhead	14	Largemouth bass	18
Blue catfish	30	Northern pike	36
Bluegill	10	Pumpkinseed	8
Brook trout	16	Rainbow trout	24
Brown trout	22	Redear sunfish	12
Channel catfish	30	Saugeye	26
Common carp	30	Smallmouth bass	17
Crappie	15	Splake	20
Cutbow trout	22	Striped bass	28
Cutthroat trout	20	Tiger muskie	40
Golden trout	16	Walleye	26
Grass carp	30	White bass	17
Grayling	15	Wiper	25
Kokanee	20	Yellow perch	12

AQUATIC NUISANCE SPECIES

DON'T LET INVASIVE SPECIES RUIN YOUR FAVORITE FISHING SPOT

Aquatic Nuisance Species (ANS) are a significant and rapidly growing threat to Colorado's fisheries and water supplies. ANS are invasive animals, plants and diseases that are not native to our rivers, lakes, streams and wetlands. Once introduced, most ANS cannot be eradicated and cost millions to manage. Preventing the introduction and spread of ANS is critical to maintaining our fisheries.

Threats to Colorado's aquatic ecosystem and fisheries include zebra and quagga mussels, New Zealand mudsnails, whirling disease, viral hemorrhagic septicemia (VHS) and Eurasian watermilfoil. Help CPW combat these invasive species and prevent new ANS from entering our state by following these guidelines:

1. Remove all plants, animals or mud and thoroughly wash boats, trailers, waders and equipment that have come in contact with the water before leaving a lake or stream.
2. Drain any space or item that could hold water, including live wells, bait containers, bilge, ballast tanks, storage areas, engine cooling systems or any other place on boats or equipment that might hold water.
3. Allow boats, engines, boots and gear to dry completely before moving to other waters.
4. If draining and drying are not possible, wash boats, trailers and equipment carefully and completely with high-pressure hot water (140 degrees F). Stop by the CPW office in Denver or Grand Junction (*listed on the inside cover of this brochure*) Monday-Friday for a free professional ANS inspection or decontamination. Check the CPW website for hours of operation.
5. Don't move or transport fish between water bodies. This can spread diseases and nuisance species.
6. Don't dispose of fish entrails or other byproducts into any body of water.

REPORT IT!

If you find what you think is an invasive species on your boat or in a water body, report it to CPW by emailing ReportANS@state.co.us or call (303) 291-7295.

© CPW
Zebra mussels are just one example of aquatic nuisance species that can ruin fishing waters.

DISINFECTING YOUR GEAR

Disinfect waders or boots between uses. Scrub the bottom of waders with a wire brush and remove all mud, plants and organic materials. Following all label precautions, perform one of the following before going into the next body of water:

OPTION 1 — Submerge waders and gear in a tub filled with 1:15 of Sparquat 256 institutional cleaner (3.1% concentration) (or other comparable institutional cleaning compound) and water for at least 10 minutes, scrubbing debris from gear and visually inspecting the gear for mud, plants or snails before rinsing.

OPTION 2 — Spray or soak gear with water hotter than 140° F for at least 10 minutes.

OPTION 3 — Dry waders and equipment completely for at least 10 days in between uses.

OPTION 4 — Place waders and boots in a freezer overnight between uses.

MORE ON INVASIVE SPECIES

www.wildlife.state.co.us/WildlifeSpecies/Profiles/Pages/WildlifeProfiles.aspx

RUSTY CRAYFISH: AGGRESSIVE AND OPPORTUNISTIC

Crayfish are not native to parts of Colorado, yet they have become established in many waters throughout the state.

Rusty crayfish endanger aquatic native species and sportfish by:

- » **PREYING** on all life stages of fish, amphibians and invertebrates and other species of crayfish
- » **COMPETING** aggressively for habitat and food
- » **DESTROYING** productive habitat in our streams, ponds and lakes

Crayfish can be taken for personal consumption, but care should be taken with their use and disposal.

- » Even though crayfish can be taken live east of the Continental Divide, it is recommended that tails of all crayfish be removed immediately and packed in ice for transport.
- » Do not throw unused bait crayfish, or bait of any kind, back in the water alive.

LIVE TRANSPORT PROHIBITED

FROM WATERS WEST OF THE CONTINENTAL DIVIDE

All crayfish caught west of the Continental Divide must be immediately killed (by removing the head from the thorax) and taken into possession, or immediately returned to the water from which they were taken.

AT SANCHEZ RESERVOIR SWA

Rusty crayfish were discovered last year at Sanchez Reservoir State Wildlife Area in Costilla County. To prevent their spread within and beyond this area, a CPW order prevents the transport of any live crayfish from Sanchez Reservoir SWA.

Learn how to help stop the spread of rusty crayfish at:

www.wildlife.state.co.us/WildlifeSpecies/Profiles/InvasiveSpecies/Pages/RustyCrayfish.aspx

ATTENTION BOATERS

ANS can hitchhike on boats and gear, being introduced into new waters accidentally. Inspect your boat between uses and make sure it is clean, drained and dry.

Colorado has a mandatory boat inspection program. Your boat must be inspected if:

1. The boat has been in any water that is positive or suspect for ANS.
2. The boat has been in any water body outside of Colorado.
3. The boat will enter any water where inspections are required.

STOP AQUATIC HITCHHIKERS!

There are more than 100 inspection stations in Colorado. Check the CPW website or call ahead for important details on hours of operation, ramp closures, fees and reservoir-specific boating policies: www.wildlife.state.co.us/Fishing/Management/MandatoryBoatInspections/Pages/MandatoryBoatInspections.aspx.

ILLEGAL STOCKING: PROTECT YOUR FISHERIES

Stocking waters with fish, unwanted aquatic pets or other species is illegal and can damage a water system.

Illegally moving fish from one river or lake to another can wipe out fisheries, take away fishing opportunities and waste angler dollars.

Anyone caught moving fish illegally may be fined up to \$5,000, can lose hunting and fishing privileges and may be held liable for the costs of eradication or removal. CPW officials are evaluating additional steps to combat this destructive activity.

WHY ILLEGAL STOCKING IS A PROBLEM

- Biologists have stopped stocking fish in some lakes because illegally introduced fish eat most or all of the stocked fish. This wastes your license dollars.
- Illegally stocked fish compete for food and space with the fish that belong in lakes and streams. This can change the whole ecology of

REPORT IT!

If you have information about illegal stocking activity, contact **OPERATION GAME THIEF**. You can remain anonymous and may be eligible for a reward.

game.thief@state.co.us
or call 1-877-265-6648

the system and lessen the quality of fishing overall.

- Once an illegally stocked fish population has become established, the only recourse is to start over by treating the lake to kill **ALL** the fish. Treatments can cost millions of dollars. It also requires money that could be spent on improving fishing opportunities for anglers like you.

- Illegally moving fish from one water to another can spread disease. Some of these, such as whirling disease, can cost millions of dollars to combat.

WHAT YOU CAN DO

- Do not move fish from one body of water to another. Collection and transportation of wild-caught live bait is restricted in the state. Know these rules and follow them if you use live bait.
- On waters that have no bag and possession limits on certain species, you are encouraged to keep those fish. "No-bag" limits are often established to aid in the management of species that were illegally stocked or are no longer desired.
- Report illegal stocking activity to Operation Game Thief.

LICENSE REQUIREMENTS

1. ADULTS — People 16 and older are required to buy and carry with them a fishing license to fish or take fish, amphibians and crustaceans, except as prohibited in this brochure.

2. YOUTH — Those under 16 can take a full bag and possession limit without a license. However, they must have a second-rod stamp if fishing with a second line.

3. SENIORS — Colorado residents 64 and older can obtain an annual fishing license from a CPW location or license agent for \$1, which consists of the 25-cent search and rescue fee and 75-cent Wildlife Management Education Fund surcharge. License must be carried while fishing.

- Free lifetime low-income fishing licenses also are available for Colorado residents 64 or older. For information and eligibility requirements, contact any CPW location.

4. SECOND-ROD STAMP — Anglers can use a second rod, hand line or tip-up by purchasing a second-rod stamp. One stamp is allowed per season and is nontransferable. A second-rod stamp does not entitle an angler to an additional bag limit.

- Those with disability licenses must purchase a stamp if fishing with a second line.
- A second-rod stamp is not required when only using trotlines or jugs.
- Youths under 16 must have and carry with them a second-rod stamp if fishing with a second line.

5. COMMERCIAL LICENSE — \$40; required to take or possess bait fish, amphibians or crustaceans for commercial purposes. Applications are available at CPW locations. License holders must submit an annual report to CPW within 30 days of the license expiration date. Holders are required to provide live fish buyers with a receipt stating the seller's name, date of sale, species and number sold.

6. CHILD SUPPORT DELINQUENCY — State law requires a Social Security number to buy a license. It is provided, if requested, to Child Support Enforcement authorities. Licenses are not issued to those suspended for noncompliance with child support. Current licenses are invalid if held by a person noncompliant with child support.

7. ARMED FORCES EXEMPTION — Colorado residents on active duty with U.S. armed forces out of state

can fish free without a license while here on temporary leave, maximum of 30 days a year. You must carry official leave papers while fishing.

RESIDENCY QUALIFICATIONS

These are the requirements to qualify as a Colorado resident to buy a fishing or hunting license:

- You must live in Colorado at least six consecutive months immediately before applying for or buying a license, and must intend to make Colorado home (except No. 3 and No. 4 below). The residence address you give to buy or apply for a license must be the same as on your Colorado income tax return.
- A valid Colorado driver's license or Colorado ID is proof of residency if it was issued at least six months prior to buying a fishing license. If your ID or driver's license was issued or renewed less than six months prior to purchasing a fishing license, you must provide documentation that proves you have been a resident for the required six month period.
- U.S. military personnel and military personnel of U.S. allies on active duty in Colorado under permanent orders and their dependents. This includes people who were Colorado residents when they entered the military and keep Colorado as their home of record, and their dependents (with Colorado as their home of record). Also included are personnel of the U.S. Diplomatic Service or diplomatic services of nations recognized by the U.S. assigned here on permanent active duty orders and their dependents. Active duty does not include reserve status or National Guard.
- Full-time students enrolled and attending an accredited Colorado college, university or trade school at least six months immediately before applying for or buying a license. This includes students who are temporarily absent from Colorado but still enrolled. Colorado residents who attend school full time, out of state and pay nonresident tuition qualify for a resident license.
- Children under 18 have the same residency status as their parent, legal guardian or person with whom they live most of the time per court order.
- If you have a home in Colorado and another state, call (303) 297-1192 to make sure you comply with

Colorado residency requirements before obtaining a hunting or fishing license.

- Except as in No. 3 and No. 4 above, you lose your Colorado residency if you apply for, buy or accept a hunting or fishing license as a resident of another state or country; register to vote outside Colorado or get a driver's license using an address in another state.

DISABILITY LICENSES

You can obtain applications for disabled licenses on the CPW website or at CPW locations. Send them to 6060 Broadway, Denver, CO, 80216. Licenses are valid only during Colorado residency.

Those eligible for free licenses are:

- U.S. armed forces members, active or retired, who are resident patients of a U.S. armed forces hospital or convalescent facility in Colorado.
- Resident patients of a Veterans Affairs (VA) hospital or state mental institution or mental health institution.
- Colorado residents who are totally and permanently disabled must provide either:
 - Documented proof that shows an entitlement date for Social Security disability benefits that began seven years ago or longer.
 - Or, a physician's statement attesting that the applicant is "totally and permanently disabled." All four words need to be stated on the letter from the physician on the physician's letterhead.
 - Or, a Colorado Division of Workers' Compensation Final Admission of Liability form indicating total and permanent disability.
- Colorado residents who are disabled veterans or Purple Heart recipients can obtain a Lifetime Fishing/Small Game VA Combo License. To qualify, the following documentation must be provided:
 - Proof of a service-connected disability of 60 percent or more, as rated by the VA. An eligibility letter can be obtained from the VA by calling 1-800-827-1000.
 - Proof of hunter education if born on or after Jan. 1, 1949.
 - Purple Heart recipients who can provide documented proof are also eligible for a VA Combo License.

SPECIAL CONDITIONS AND RESTRICTIONS

1. CATCH AND RELEASE — Any fish released upon catch must be released alive and into the same body of water from which it was taken.

2. SOME PROHIBITED FISHING METHODS INCLUDE — Chumming, using toxicants or poisons, stupefying substances, electrofishing.

3. PROHIBITED SPECIES — These species and their viable eggs are detrimental to other fish and habitat in Colorado. Unless authorized in writing by CPW for controlled and experimental purposes only, it is illegal to export, import, transport, stock, sell, acquire and possess for release these species: piranha, trahira, gar (all species), snakeheads or murrels, sticklebacks, walking catfish, tilapia, bowfins, rudd, zebra mussels, quagga mussels, New Zealand mudsnail, Eurasian ruffe, white perch, rusty crayfish, carp (silver, catla, Indian, bighead, giant barb, mrigal, largescale sliver, rohu, black and mahseers), Asian swamp eel, green frog and gobies, fish hook fleas and spiny water fleas.

4. USE AND COLLECTION OF BAIT FISH —

a. Except as otherwise noted in this brochure, in waters east of the Continental Divide and below 7,000 feet elevation, live fish collected for use as bait may only be used in the same body of water from which they were collected. In addition, collection and use is allowed in any man-made ditches and canals within one-half of a mile of the adjoining lake or reservoir. Use of any baitfish collected in those ditches and canals is restricted to only the water from which it was collected and the adjoining lake or reservoir. Baitfish collected under this provision may not be otherwise transported or stored for later use.

b. The collection, use or possession of live fish for use as bait is prohibited in all waters east of the Continental Divide above 7,000 feet elevation and all waters west of the Continental Divide, except in Navajo Reservoir; collection, use or possession of live fish for bait is also prohibited in the Arkansas River above Parkdale (in Fremont and Chaffee counties) and in Watson Lake in Larimer County.

c. In Bent, Crowley, Kiowa, Otero and Prowers counties, live fish collected for personal use as bait may be transported, stored or used anywhere within these counties. Transportation to, or use of, any such baitfish in any other county is prohibited.

d. The only fish allowed to be taken for commercial use are minnows, gizzard shad, white and longnose suckers and carp. All live baitfish from a commercial source and transported by anglers must at all times be accompanied by a receipt from the source. It is illegal to import any live native or non-native aquatic wildlife into Colorado without authorization from CPW or as stated in regulations.

e. The only species allowed to be taken and used for consumption or used as bait (either alive or dead) by fishing, seining, netting, trapping or dipping are minnows, bluegill, hybrid bluegill, carp, sunfish, gizzard shad, sculpin, white and longnose suckers, yellow perch and rainbow smelt. Statewide bag limits apply to sunfish, bluegill, hybrid bluegills and yellow perch.

f. The seining, netting, trapping and dipping of fish is prohibited statewide in all natural streams, springs, all waters in Adams, Arapahoe, Boulder, Broomfield, Clear Creek, Denver, Douglas, Gilpin, Elbert, Jefferson and Park counties, and all public standing waters in Rio Grande, Saguache, Conejos, Costilla, Alamosa, Mineral and Hinsdale counties in the Rio

THREATENED, ENDANGERED AND NONGAME SPECIES

If caught, these species must be returned to the water immediately. Except, taking greenback cutthroat trout is permitted in specific waters and with restrictions as listed in this brochure.

IT IS ILLEGAL TO TAKE OR USE THE FOLLOWING: Arkansas darter, bluehead sucker, bonytail chub, boreal toad, brassy minnow, Colorado pikeminnow, common shiner, flannelmouth sucker, flathead chub, greenback cutthroat trout, humpback chub, Iowa darter, lake chub, mollusks, mountain sucker, northern leopard frog, northern redbelly dace, plains leopard frog, plains minnow, plains topminnow, plains orangethroat darter, razorback sucker, Rio Grande chub, Rio Grande sucker, river shiner, round-tail chub, southern redbelly dace, stonecat, suckermouth minnow, wood frog and Woodhouse's toad.

Grande drainage. This does not apply to fish handled or produced at commercially licensed aquaculture facilities.

g. BULLFROGS AND SALAMANDERS —

Bullfrogs and the aquatic gilled form of the tiger salamander for private and commercial use are permitted. Statewide bag limits apply. Bullfrogs can be taken by fishing, archery, hand, gigs and nets. Artificial light is allowed. Salamander larvae can be taken by fishing, hand, traps, seines or nets.

h. CRUSTACEANS — Taking crustaceans, crayfish, for commercial use is allowed. Take methods include by hand, baited lines, traps, pots, nets or seines for food or bait. The minimum size is 3 inches for commercial food (measured from the tip of the acumen (bony spike between the eye) to the telson (last bony plate in the tail)). Crayfish with eggs attached must be returned to the water immediately. All set pots and traps must be labeled with the licensee's name, address and license number.

In all waters west of the Continental Divide all crayfish must be returned to the water of origin immediately or killed by separating the abdomen from the cephalothorax (tail from body) and taken into possession immediately upon catch.

i. MOLLUSKS — Taking mollusks for personal or commercial use as bait is prohibited.

5. ICE FISHING — The following rules apply to waters open for ice fishing:

- a.** Ice-fishing holes cannot exceed 10 inches in diameter, or 10 inches on any side.
- b.** All fires on the ice must be enclosed in a container.
- c.** No litter allowed on the ice.
- d.** Portable ice-fishing shelters (where permitted) must be removed at the end of the day.
- e.** Permanent ice-fishing shelters (where permitted) must display the name and CID number of the owner or user on the outside of the shelter facing the shore. Writing must be in legible, contrasting color letters at least 2 inches high.

6. RELEASING TAGGED FISH — It is illegal to release tagged or marked fish, except for approved contests, into public waters. Tagged or marked fish can be released in public waters for scientific research with written application and approval by CPW at least 30 days before release.

7. DONATING FISH — You can donate edible parts of fish to like-license holders anywhere or to anyone at the recipient's home. Donor and recipient subject to bag and possession limits. A "like-license" is a Colorado fishing license.

8. TRANSPORTING, EXPORTING FISH — The license holder must accompany any species in this brochure, or parts of game fish, that are transported within or exported from Colorado. Wildlife shipped by common carrier must be accompanied by license or photocopy of license and donation certificate, if needed.

9. ILLEGAL TAKE AND TRANSFER OF FISH —

Only people designated by the U.S. Fish and Wildlife Service may take fish, amphibians, mollusks or crustaceans within the boundaries of any Federal fish hatchery or rearing unit.

a. Molesting, disturbing or damaging gill nets, traps or seines set by CPW is prohibited.

10. EMERGENCY CLOSURE OF FISHING WATERS —

Emergency closure of waters may be authorized for up to nine months when environmental conditions in these waters warrant and fishing could result in unacceptable levels of fish mortality. Public notice will be given if waters are closed and notice will be posted at the site. Closures may occur when any of the following criteria are met:

- a.** Daily max. water temperatures exceed 74° F, or the daily average temperature exceeds 72° F.
- b.** Measured stream flows are 25 percent or less of the historical average low flow for the period.
- c.** Fungus and other visible signs of deterioration may be present.
- d.** Daily minimum dissolved oxygen levels are below five parts per million (ppm).
- e.** When environmental events such as wildfires, mudslides, oil spills or similar events have occurred, resulting in the need for recovery time or remedial action for a fish population.

11. PROTECTED WATERS — Fishing may be prohibited as posted to protect: threatened or endangered species, spawning areas, waters used in CPW research projects, newly acquired access to fishing waters, and the integrity of aquatic wildlife populations.

12. EMERGENCY PUBLIC SALVAGE — If substantial numbers of fish are in imminent danger of being lost, CPW can allow licensed anglers to take fish during daylight hours. Public notice will be given and notice will be posted at the site regarding the catch limit and approved fishing methods.

13. FISHING CONTESTS — Fishing contests cannot be advertised, promoted or conducted without CPW approval if the purpose is to take marked or tagged fish released in waters open to public fishing.

Applications and a \$40 nonrefundable fee must be made 60 days before the contest. Written approval must be obtained from landowners or agencies before applying. Contests are not permitted on streams, rivers, other flowing water or Gold Medal Waters, or commercial or private lakes licensed by CPW. All standard fishing regulations apply.

Contests for tagged or marked trout will be permitted only on waters greater than 200 surface acres and managed as a catchable fishery.

Public fishing areas will remain open during a contest, regardless of contest fees.

Sponsors shall document the number of participants, average time spent fishing and estimated total catch by species in a written report for CPW within 20 days of the contest end.

LEGAL FISHING METHODS

GLOSSARY OF FISHING TERMS

» **ARTIFICIAL FLIES AND LURES** means devices made entirely of, or a combination of, natural or synthetic nonedible, nonscented (regardless if the scent is added in the manufacturing process or applied afterward), or materials such as wood, plastic, silicone, rubber, epoxy, glass, hair, metal, feathers or fiber, designed to attract fish. This does not include anything defined as bait below.

» **BAIT** means any hand-moldable material designed to attract fish by the sense of taste or smell; those devices to which scents or smell attractants have been added or externally applied (regardless if the scent is added in the manufacturing process or applied afterward); scented manufactured fish eggs and traditional organic baits, including but not limited to worms, grubs, crickets, leeches, dough baits or stink baits, insects, crayfish, human food, fish, fish parts or fish eggs.

» **CHUMMING** means placing fish, parts of fish or other material upon which fish might feed in the waters of this state for the purpose of attracting fish to a particular area in order that they might be taken, but such term shall not include fishing with baited hooks or live traps.

» **COMMON HOOK** means any hook or multiple hooks having a common shank. All hooks attached to a manufactured artificial lure shall be considered a common hook.

» **FISHING** is defined as efforts to take fish, amphibians or crustaceans, including by hook and line, handline, trotline, jug, seine, net, underwater spearfishing, archery, snagging or gigging.

» **FLOAT TUBE** means a floating device which suspends a single occupant in the water from the seat down and is not propelled by oars, paddles or motors.

» **GAME FISH** means all species of fish except unregulated species, prohibited nongame, endangered and threatened species, which currently exist or may be introduced into the state and which are classified as game fish by the Parks and Wildlife Commission. This includes, but is not limited to brown, brook, cutthroat, golden, lake (mackinaw), and rainbow trout; splake (lake trout/brook trout hybrids); arctic char; grayling; kokanee salmon; whitefish; sculpin; smallmouth, largemouth, spotted, striped, and white bass; wipers (striped bass/white

bass hybrids); carp; bullhead, blue, channel and flathead catfish; black and white crappie; drum; northern pike; tiger muskie; sacramento and yellow perch; sauger; saugeye (walleye/sauger hybrids); speckled dace; rainbow smelt; tench; walleye; bluegill; bluegill hybrids (bluegill/green sunfish); green, redear and pumpkinseed sunfish; gizzard shad; longnose and white suckers; and minnows.

» **GIG** means a barbed fork with one or more tines which is attached to a handle.

» **JUGS** means floats to which are attached a line and common hook.

» **MINNOW** means all members of the families of fish classified Cyprinidae (carp, chub, dace, goldfish, minnow, shiner, stoneroller and tench), Cyprinodontidae (killifish, top minnow) and Clupeidae (gizzard shad), except those designated as nongame, threatened or endangered, or those designated as nonregulated. *See the box on page 8, and in Chapter 10 and 11 of CPW regulations online.*

» **NATURAL STREAM** is one where water naturally flows regularly or intermittently for at least part of the year. Man-made ditches or other channels are not considered natural streams.

» **NET** means seine, dip net, gill net, cast net, trap net, hoop net or similar devices used to take or as an aid in taking fish, amphibians or crustaceans.

» **PERSONALLY ATTENDED LINE** means a rod and line, hand line or tip-up that is used for fishing and which is under the personal control of a person who is in proximity to it.

» **SIZE OR LENGTH** means the total length of a fish with head and tail attached measured from the tip of the snout to the tip of the tail.

» **SEINING** means the capture of live fish with the use of a net that hangs vertically in the water and is used to enclose fish when its ends are pulled together, or are drawn ashore.

» **SNAGGING** means the taking of fish by snatching with hooks, gang hooks, artificial flies or lures, or similar devices where the fish is hooked in a part of the body other than the mouth.

» **TROTLINE** is a single, anchored line with a float at each end from which droplines are attached.

1. ONE PERSONALLY ATTENDED LINE Each line shall have only three common hooks attached.

2. TROT LINES

- Permitted only on these reservoirs (as listed in this brochure): Adobe Creek, Bonny, Henry, Horse Creek, John Martin, Meredith, Navajo, Nee Gronda, Nee Noshe, Nee So Pah, Queens (North and South), Thurston and Two Buttes.
- No one may use more than one trotline.
- Must be anchored, marked at each end by floats, be no longer than 150 feet with no more than 25 droplines, and shall be weighted to place the line at least 3 feet under water.
- Only three barbed hooks allowed on a common hook on each dropline.
- Trotlines shall be tagged with the user's name, CID number and date set.
- All trotlines shall be personally checked at least once every 24-hour period.

3. JUGS

- Permitted only on these reservoirs (as listed in this brochure): Adobe Creek, Bonny, Henry, Horse Creek, John Martin, Meredith, Nee Gronda, Nee Noshe, Nee So Pah, Queens (North and South), Thurston and Two Buttes.
- Only 10 jugs are allowed for each license holder, each with only one single line and one common hook.
- Must be tagged with the owner or user's name and CID number.
- Must be personally checked at least once an hour.

4. UNDERWATER SPEARFISHING, ARCHERY AND GIGS

Bow anglers are advised to reference the current *State Wildlife Areas* brochure for more regulations on waters that allow archery fishing.

- Underwater spearfishing, archery and gigs may be used statewide for the taking of carp and northern pike, except as prohibited by these regulations or land management agencies.
 - East of the Continental Divide, gizzard shad and white or longnose suckers may also be taken, unless otherwise prohibited in "Special Regulations for Fishing Waters," pages 10-33. Other fish may be taken when authorized for specific waters in the regulation section.
- Archery may be used to take kokanee if a water is otherwise open to snagging. In such cases, the following applies:
 - Bows must have reel, fishing line and arrow attached to bow.
 - Bows must have arrow safety-slide mechanism that keeps fishing line in front of the arrow at all times.
- Additional restrictions apply to underwater spearfishing:
 - CO2 guns or cartridge-powered spears are prohibited.
 - Guns must be loaded and unloaded while the gun is submerged.
 - Divers must stay within a radius of 100 feet of a float bearing the National Divers' Symbol.
 - Spears must be attached by a safety line.
- Archery and gigs are allowed for taking bullfrogs.

5. SNAGGING is permitted for taking kokanee salmon only, on specific waters listed in this brochure. Other species snagged must be returned to the water immediately.

6. SEINES AND CAST-NETS

- Seines are allowed only for bait fish, gilled form of aquatic tiger salamander larvae and crayfish; or if authorized for emergency salvage. *See "Special Conditions and Restrictions," page 8.*
- Seines must be made of a quarter-inch or less nonmetallic square mesh.
- Seines cannot exceed 20 feet long and 4 feet in depth.

7. BY HAND OR WITH DIP NETS

- Allowed for bullfrogs, crayfish and the gilled form of aquatic tiger salamander larvae.
- Fish may be taken by these means or others approved by CPW for emergency salvage.
- Hand-held dip nets may be used for taking bait fish according to restrictions. *See "Use and Collection of Bait Fish," page 8.*

8. LIVETRAPS Cage or box traps, including set pots, shall be used only for the taking of crayfish, snapping turtles and fish captured as bait fish.

9. ARTIFICIAL LIGHT may be used as a fishing aid.

10. BAIT may be used where permitted as fishing aid, except by chumming.

SPECIAL REGULATIONS FOR FISHING WATERS

G = Gold Medal Waters that offer the greatest potential for trophy trout fishing. See page 4 for details.

RED WATER NAMES = Waters listed in red alert you that regulations for that water have changed since last year.

FISHING MAPS ARE ONLINE

PDFs of the maps in the brochure — and more — are available online. Store them on your smartphone for use in the field!

www.bit.ly/COFishMaps

PDF Fish Maps

THE FOLLOWING WATERS AND CPW PROPERTIES HAVE MORE RESTRICTIVE FISHING REGULATIONS THAN STANDARD BAG AND POSSESSION LIMITS, manner of take, fishing hours, etc.

If a specific water doesn't appear in this list, statewide regulations (page 3) apply.

ATTENTION! This brochure includes fishing regulations, such as bag and possession limits. State wildlife areas have additional access and land regulations. If you plan to visit an SWA, you must consult CPW's *State Wildlife Areas* brochure for specific property regulations.

Special regulations are designed to provide the best fishing and maintain the long-term welfare of fish. They include bag limits, size limits and harvest restrictions.

By reducing bag limits and requiring that certain fish be returned to the water, larger fish may result. While many streams and rivers support a daily bag and possession limit, anglers are asked to reduce their harvest by practicing voluntary, selective harvest.

ABRAMS CREEK - EAGLE (MAP, PAGE 14)

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

ADAMS COUNTY FAIRGROUNDS LAKES (PUBLIC WORKS AND MANN-NYHOLT LAKES) - ADAMS

1. Min. size for largemouth and smallmouth bass is 15 inches long.

ADOBE CREEK RESERVOIR (BLUE LAKE) - BENT, KIOWA

1. Trotlines and jugs permitted.
2. Bag and min. size for walleye and saugeye is 5 in the aggregate, 15 inches long.

AGNES LAKES (UPPER AND LOWER LAKES) - JACKSON

1. Artificial flies and lures only.
2. Bag and possession limit for trout is 2.

AKRON CITY LAKE - WASHINGTON

1. Min. size for largemouth and smallmouth bass is 15 inches long.

ALBERTA PARK RESERVOIR - MINERAL (MAP, PAGE 26)

1. Artificial flies and lures only.
2. Bag and possession limit for trout is 2.

AMERICAN LAKES (SNOW AND MICHIGAN LAKES) - JACKSON

1. Artificial flies and lures only.
2. Bag and possession limit for trout is 2.

ANIMAS RIVER - LA PLATA

G FROM THE CONFLUENCE WITH LIGHTNER CREEK TO THE RIVERA CROSSING BRIDGE:

1. Artificial flies and lures only.
2. Bag, possession and min. size for trout is 2, 16 inches long.

FROM THE CONFLUENCE WITH HERMOSA CREEK DOWNSTREAM TO THE STATE LINE:

1. No bag or possession limit for channel catfish, largemouth bass, smallmouth bass, northern pike, walleye, green sunfish, bluegill, bullhead, yellow perch or crappie.

ANTELOPE CREEK, WEST - GUNNISON

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

ANTERO RESERVOIR - PARK (MAP, PAGE 29)

1. Bag and possession limit for trout is 2.
2. Ice fishing shelters must be portable.

APACHE CREEK, NORTH AND SOUTH FORKS - HUERFANO

FROM THE HEADWATERS DOWNSTREAM TO THE USFS BOUNDARY:

1. Fishing prohibited.

ARAPAHOE BEND NATURAL AREA (BASS, BEAVER, CORMORANT, AND SNAPPER PONDS) - LARIMER

1. Min. size for largemouth and smallmouth bass is 15 inches long.

ARAPAHO CREEK - GRAND (MAP, PAGE 15) FROM MONARCH LAKE DOWNSTREAM TO USFS RD. 125:

1. Artificial flies and lures only.
2. Bag and possession limit for trout is 2.

ARCHULETA CREEK - SAGUACHE

WITHIN THE COCHETOPA STATE WILDLIFE AREA (SNYDER RANCH) DOWNSTREAM FROM DOME LAKES STATE WILDLIFE AREA:

1. Artificial flies and lures only.
2. Trout must be returned to water immediately.

ARKANSAS RIVER - CHAFFEE, LAKE

(MAP, PAGE 11)

FROM THE U.S. 24 RIVER OVERPASS DOWNSTREAM TO THE LOWER BOUNDARY OF THE HAYDEN RANCH, AS POSTED:

1. Artificial flies and lures only.
2. Bag, possession and max. size for trout is 1, 12 inches long.

ARKANSAS RIVER - CHAFFEE, FREMONT, PUEBLO

FROM THE STOCKYARD BRIDGE (CHAFFEE CR 102) BELOW SALIDA DOWNSTREAM 7.5 MILES TO THE CONFLUENCE WITH BADGER CREEK:

1. Artificial flies and lures only.
2. Rainbow trout must be returned to water immediately.

WITHIN THE PUEBLO RESERVOIR STATE WILDLIFE AREA:

1. Bag, possession and min. size for walleye is 5 in the aggregate, 18 inches long.
2. Only 1 walleye or saugeye in the aggregate longer than 21 inches may be taken per day.

FROM THE BRIDGE AT VALCO PONDS DOWNSTREAM TO PUEBLO BLVD. (EXCEPT AT PUEBLO NATURE CENTER AS POSTED):

1. Artificial flies and lures only.
2. Trout longer than 16 inches must be returned to water immediately.

ARKANSAS RIVER, MIDDLE FORK OF THE SOUTH ARKANSAS - CHAFFEE

FROM THE HEADWATERS DOWNSTREAM TO BOSS LAKE:

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

EATING YOUR CATCH? CHECK ONLINE HEALTH ADVISORIES

Colorado Parks and Wildlife encourages Colorado residents to go fishing and enjoy eating the fish they catch. Keep in mind that not all fish should be eaten in unlimited amounts. Fish are an important part of a healthy diet. They are a lean, low-calorie source of protein and nutrients. However, some fish meat may contain chemicals that could pose health risks. The Colorado Department of Public Health and Environment, in cooperation with CPW, test fish throughout the state for the presence of certain contaminants (such as mercury, arsenic and selenium) that may be present in some fish. Mercury in fish does not affect water quality. Lake recreation and the consumption of your city's drinking water are both safe activities.

Current advisories are online at: www.cdphe.state.co.us/wq/FishCon/index.html.

AUGUSTORA CREEK - ARCHULETA

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

AURORA (SENAK) RESERVOIR - ARAPAHOE

1. Bag and possession limit for trout is 2.
2. Min. size for largemouth and smallmouth bass is 15 inches long.
3. Min. size for walleye is 18 inches long.
4. Only 1 walleye or saugeye in the aggregate longer than 21 inches may be taken per day.

BARD CREEK - CLEAR CREEK**FROM THE HEADWATERS DOWNSTREAM TO THE CONFLUENCE WITH THE WEST FORK OF CLEAR CREEK:**

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

BARKER RESERVOIR - BOULDER

1. Ice fishing prohibited.

BARR LAKE - ADAMS

1. Min. size for walleye and saugeye is 15 inches long.
2. Only 1 walleye or saugeye in the aggregate longer than 21 inches may be taken per day.

BEAR CREEK - CONEJOS (MAP, PAGE 17)**FROM THE HEADWATERS DOWNSTREAM TO THE CONFLUENCE WITH THE CONEJOS RIVER:**

1. Artificial flies and lures only.
2. Bag and possession limit for trout is 2.

BEAR CREEK - EL PASO**FROM THE HEADWATERS DOWNSTREAM TO GOLD CAMP ROAD:**

1. Fishing prohibited.

BEAR CREEK - JEFFERSON**FROM THE BASE OF EVERGREEN LAKE DAM DOWNSTREAM TO BEAR CREEK RESERVOIR:**

1. Artificial flies and lures only.
2. Bag and possession limit for trout (except rainbow) is 2.
3. Rainbow trout must be returned to water immediately.

BEAR CREEK - MONTEZUMA**FROM THE HEADWATERS DOWNSTREAM TO CONFLUENCE WITH THE DOLORES RIVER:**

1. Artificial flies and lures only.
2. Bag and possession limit for trout is 2.

BEAR CREEK RESERVOIR - JEFFERSON

1. Min. size for walleye and saugeye is 15 inches long.
2. Only 1 walleye or saugeye in the aggregate longer than 21 inches may be taken per day.

BEAR RIVER - GARFIELD, ROUTT (MAP, PAGE 33)

1. Bag limit for whitefish is 4.
2. Possession limit for whitefish is 8.

BEAVER CREEK - GUNNISON

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

**BEAVER CREEK - MINERAL**

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

BEAVER CREEK RESERVOIR - RIO GRANDE*(MAP, PAGE 26)*

1. Snagging kokanee permitted Oct. 1-Dec. 31.

BEAVER CREEK, WEST - GUNNISON

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

BIG BEND CREEK - LA PLATA

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

BIG CREEK LAKE (LOWER) - JACKSON

1. Bag and possession limit for lake trout and/or splake is 3. Only 1 may be longer than 26 inches.

BIG LAKE - CONEJOS (MAP, PAGE 17)

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

BIG THOMPSON PONDS - LARIMER

1. Bag, possession and min. size for largemouth and smallmouth bass is 1 in aggregate, 15 inches long.

BIG THOMPSON RIVER - LARIMER

FROM THE BASE OF OLYMPUS DAM AT LAKE ESTES DOWNSTREAM TO THE BRIDGE AT WALTONIA:

1. Artificial flies and lures only.
2. Trout must be returned to water immediately.

BLACK HOLLOW CREEK - LARIMER

(MAP, PAGE 24)

FROM THE HEADWATERS DOWNSTREAM TO THE CONFLUENCE WITH THE POUDBRE RIVER:

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

BLANCA WILDLIFE HABITAT AREA (BLM PONDS) - ALAMOSA

1. Min. size for largemouth bass is 15 inches long.
2. Fishing prohibited Feb. 15-July 15.

BLANCO RIVER - ARCHULETA

FROM THE BLANCO DIVERSION DAM DOWNSTREAM TO THE CONFLUENCE WITH THE SAN JUAN RIVER:

1. No bag or possession limit for channel catfish, largemouth bass, smallmouth bass, northern pike, walleye, green sunfish, bluegill, bullhead, yellow perch or crappie.

BLUE MESA RESERVOIR - GUNNISON

1. Ice fishing shelters must be portable.
2. No bag or possession limit for lake trout.
3. Only 1 lake trout longer than 38 inches may be taken per day.
4. Snagging kokanee permitted Nov. 1-Dec. 31.

BLUE RIVER - GRAND, SUMMIT (MAP, PAGE 12)

GOLD MEDAL WATERS FROM DILLON RESERVOIR DAM TO GREEN MOUNTAIN RESERVOIR INLET

FROM THE NORTH INLET AT SUMMIT CR 3 (COYNE VALLEY ROAD 3 MILES NORTH OF BRECKENRIDGE) DOWNSTREAM TO DILLON RESERVOIR:

1. Artificial flies and lures only.
2. Bag, possession and min. size for trout is 2, 16 inches long.

FROM DILLON DAM DOWNSTREAM TO NORTH CITY LIMITS OF SILVERTHORNE:

1. Artificial flies and lures only.
2. Trout must be returned to water immediately.

FROM NORTH CITY LIMITS OF SILVERTHORNE DOWNSTREAM TO COLO. 9 BRIDGE OVER THE BLUE RIVER AT BLUE RIVER STATE WILDLIFE AREA:

1. Artificial flies and lures only.
2. Bag, possession and min. size for trout is 2, 16 inches long.

FROM COLO. 9 BRIDGE OVER THE BLUE RIVER AT BLUE RIVER STATE WILDLIFE AREA DOWNSTREAM TO GREEN MOUNTAIN RESERVOIR INLET:

1. Snagging kokanee permitted Sept. 1-Dec. 31.

FROM GREEN MOUNTAIN RESERVOIR DAM DOWNSTREAM TO THE COLORADO RIVER:

1. Artificial flies and lures only.

- Trout must be returned to water immediately.

**BOBTAIL CREEK - GRAND (MAP, PAGE 15)
FROM THE HEADWATERS DOWNSTREAM TO
THE DENVER WATER BOARD DIVERSION:**

- Artificial flies and lures only.
- Cutthroat must be returned to water immediately.

BONNY RESERVOIR - YUMA

NOTE: *At publication, this reservoir is dry.*

- No bag or possession limit for any game fish species.
- Trotlines and jugs permitted.

BOSS LAKE - CHAFFEE

- Artificial flies and lures only.
- Cutthroat must be returned to water immediately.

BOULDER CREEK - BOULDER

**FROM THE UPPER END OF EBEN FINE PARK
(WITHIN BOULDER CITY LIMITS) DOWN-
STREAM TO 55TH STREET:**

- Artificial flies and lures only.
- Trout must be returned to water immediately.

BOYD LAKE - LARIMER

- Min. size for largemouth bass is 15 inches long.
- Min. size for smallmouth bass is 12 inches long.
- Min. size for walleye and saugeye is 15 inches long.
- Only 1 walleye or saugeye in the aggregate longer than 21 inches may be taken per day.

**BRUSH CREEK - EAGLE (MAP, PAGE 14)
FROM THE CONFLUENCE WITH THE EAGLE
RIVER UPSTREAM FOR 2.5 MILES:**

- Bag and possession limit for trout is 2.

**BRUSH CREEK, WEST - EAGLE (MAP, PAGE 14)
IN THE SYLVAN LAKE INLET AND UPSTREAM
FOR 0.5 OF A MILE:**

- Fishing prohibited Sept. 1-Nov. 30.

BRUSH HOLLOW RESERVOIR - FREMONT

- Min. size for largemouth, smallmouth, and spotted bass is 15 inches long.

**BULL BASIN RESERVOIR NO. 1 - MESA
(MAP ONLINE, SEE PAGE 10)**

- Artificial flies and lures only.
- Bag, possession and min. size for trout is 2, 16 inches long.

**BULL CREEK RESERVOIRS NO. 1, NO. 2 AND
CONNECTING CHANNELS - MESA**

(MAP ONLINE, SEE PAGE 10)

- Artificial flies and lures only.
- Bag, possession and min. size for trout is 2, 16 inches long.

**BURGESS CREEK - GARFIELD, ROUTT
(MAP, PAGE 33)**

- Bag limit for whitefish is 4.
- Possession limit for whitefish is 8.

**BUTTON ROCK (RALPH PRICE) RESERVOIR
- BOULDER**

- Artificial flies and lures only.
- Bag and possession limit for trout is 2.
- Fishing prohibited Nov. 1-April 30.
- Additional permit from city of Longmont required. Call (303) 651-8649 for details.

**CABIN CREEK - GARFIELD (MAP, PAGE 32)
FROM TRAPPERS LAKE UPSTREAM FOR 0.5 OF
A MILE:**

- Fishing prohibited.

**CANYON CREEK - GARFIELD (MAP, PAGE 27)
FROM NORTH SIDE OF I-70 BRIDGE DOWN-
STREAM TO CONFLUENCE WITH THE COLO-
RADO RIVER:**

- Fishing prohibited March 15-May 15 and Oct. 1-Nov. 30.

**CARNERO CREEK: MIDDLE, NORTH AND
SOUTH - SAGUACHE (MAP, PAGE 26)**

- Artificial flies and lures only.
- Cutthroat must be returned to water immediately.

CARTER CREEK - GRAND (MAP, PAGE 15)

- Artificial flies and lures only.
- Cutthroat must be returned to water immediately.

CARTER LAKE - LARIMER

- Min. size for largemouth and smallmouth bass is 15 inches long.
- Bag and max. size for walleye is 3, 21 inches long.
- Possession limit for walleye is 5.
- It is unlawful to possess filleted or cleaned fish in boat on lake.
- Snagging kokanee permitted Oct. 1-Dec. 31.

CASCADE CREEK - CONEJOS (MAP, PAGE 17)

- Artificial flies and lures only.
- Cutthroat must be returned to water immediately.

**CASCADE CREEK - HUERFANO
FROM THE HEADWATERS DOWNSTREAM TO
THE USFS BOUNDARY:**

- Fishing prohibited.

CAT CREEK - RIO GRANDE, CONEJOS

- Artificial flies and lures only.
- Cutthroat must be returned to water immediately.

**CAT CREEK, NORTH AND SOUTH FORKS -
RIO GRANDE**

- Artificial flies and lures only.
- Cutthroat must be returned to water immediately.

CATARACT CREEK - SUMMIT (MAP, PAGE 12)

- Artificial flies and lures only.
- Cutthroat must be returned to water immediately.

**CHALK CREEK - CHAFFEE
WITHIN WRIGHT'S LAKE STATE WILDLIFE AREA**

- Artificial flies and lures only.

CHARTIER POND - MORGAN

- Min. size for largemouth and smallmouth bass is 15 inches long.

**CHATFIELD RESERVOIR - DOUGLAS,
JEFFERSON (MAP, PAGE 28)**

- Min. size for largemouth and smallmouth bass is 15 inches long.
- Bag and min. size for walleye is 3, 18 inches long.
- Only 1 walleye longer than 21 inches may be taken per day.
- Fishing prohibited from dam and within 100 feet of dam or walleye spawning nets from 4 p.m.-9 a.m. March 15-April 15.

**CHEESMAN RESERVOIR - DOUGLAS,
JEFFERSON (MAP, PAGE 28)**

- Fishing prohibited Oct. 1 - April 30.
- Fishing prohibited one-half hour after sunset to one-half hour before sunrise.
- Fishing prohibited on dam and around reservoir as posted.
- Ice fishing prohibited.
- Snagging kokanee permitted Sept. 1-30.

CHERRY CREEK RESERVOIR - ARAPAHOE

- Min. size for largemouth and smallmouth bass is 15 inches long.
- Bag and min. size for walleye is 3, 18 inches long.
- Only 1 walleye longer than 21 inches may be taken per day.
- Fishing prohibited from dam and within 100 ft. of dam or walleye spawning nets from 4 p.m.-9 a.m. March 15-April 15.

**CHEYENNE CREEK, NORTH - EL PASO, TELLER
FROM THE HEADWATERS DOWNSTREAM TO
GOLD CAMP ROAD:**

- Fishing prohibited.

CIMARRON RIVER - MONTROSE

- Snagging kokanee permitted Nov. 1-Dec. 31.

**CLEAR CREEK - CHAFFEE (MAP, PAGE 11)
FROM THE GAUGING STATION (APPROXI-
MATELY 0.5 OF A MILE ABOVE CLEAR CREEK
RESERVOIR) DOWNSTREAM TO CLEAR CREEK
RESERVOIR:**

- Snagging kokanee permitted Oct. 1-Dec. 31.

CLEAR CREEK - LA PLATA

- Artificial flies and lures only.
- Cutthroat must be returned to water immediately.

CLEAR CREEK HOLDING PONDS - ADAMS

- Fishing prohibited except for youths in CPW angler education activities.

**CLEAR CREEK RESERVOIR - CHAFFEE
(MAP, PAGE 11)**

- Snagging kokanee permitted Oct. 1-Dec. 31.

CLEAR LAKE - JACKSON

- Artificial flies and lures only.
- Bag and possession limit for trout is 2.

CLINE RANCH SWA - PARK

1. Artificial flies and lures only.
2. Bag and possession limit for trout is 2.

CLINTON RESERVOIR - SUMMIT (MAP, PAGE 12)

1. Bag and possession limit for trout is 2.

COCHETOPA CREEK - SAGUACHE WITHIN COCHETOPA STATE WILDLIFE AREA (SNYDER RANCH):

1. Artificial flies and lures only.
2. Trout must be returned to water immediately.

CONNECTED LAKE - MESA (MAP ONLINE, SEE PAGE 10)

1. Bag, possession and min. size for largemouth bass is 2, 18 inches long.

Upper Colorado River - Headwaters to Radium

Lake Regulations

Statewide regulations apply to all waters except:

Grand Lake - 4 lake trout limit; Only 1 lake trout greater than 36 inches; Lake trout 26 - 36 inches must be released Oct. 1 - June 30; Portable ice fishing shelters only; Gaffs and tail snares prohibited

Lake Granby - 4 lake trout limit; From Jan. 1 - Aug. 31, limit for trout (except lake trout) and kokanee is 4, singly or in aggregate; From Sept. 1 - Dec. 31, limit for trout (except lake trout) is 4, singly or in aggregate; From Sept. 1 - Dec. 31, limit for kokanee is 10; Snagging kokanee permitted from Sept. 1 - Dec. 31 except in Columbine Bay from the inlet of Twin Creek upstream; Gaffs and tail snares prohibited; Portable ice fishing shelters only

Columbine Bay, Lake Granby - Fishing prohibited Oct. 1 - Dec. 31 from the Twin Creek inlet upstream

Shadow Mountain Reservoir - Portable ice fishing shelters only

Williams Fork Reservoir - Snagging kokanee permitted Sept. 1 - Dec. 31; Northern pike from 26 - 34 inches must be released; Use of spearfishing, archery and gigs prohibited for take of northern pike; 8 lake trout limit; Only 1 lake trout greater than 30 inches; Fishing and snagging prohibited Sept. 15 - Nov. 30 from inlet buoy line to Grand Co. Rd. 330 bridge (Williams Fork Bridge Rd.)

Willow Creek Reservoir - Portable ice fishing shelters only

River Regulations

Statewide regulations apply to all waters except:

A - Fly/lure only; All cutthroat must be released

B - Fly/lure only; All rainbow trout must be released

C - 2 trout limit

D - Fly/lure only; All trout must be released

E - Fly/lure only; 2 trout limit

F - Snagging prohibited; Fishing prohibited Oct. 1 - Dec. 31

G - Fishing and snagging prohibited Sept. 15 - Nov. 30; Snagging kokanee permitted Sept. 1 - Sept. 14 and Dec. 1 - Dec. 31; Northern pike from 24 - 36 inches must be released

H - Fly/lure only; All trout must be released; *Non-native fish regulation

I - 2 trout limit; *Non-native fish regulation

***Non-native fish regulation** - No limit for channel catfish, largemouth bass, smallmouth bass, northern pike, walleye, green sunfish, bluegill, bullhead, yellow perch or crappie

Gold Medal Water - Colorado River from Fraser River confluence to Troublesome Creek confluence

For Blue River Basin Regulations Please see Blue River Basin Map

Cutthroat trout © CPW

CUTTHROAT TROUT: HOLDING ON TO A LEGACY

The rugged topography of the Rocky Mountain West has led to stream isolation and, in turn, the evolution of 14 recognized subspecies of cutthroat trout, making it the most diverse and wide-ranging trout species in North America.

The greenback, Colorado River and Rio Grande cutthroat trout still call Colorado home, but all three have endured dramatic reductions in their native ranges, primarily due to the introduction of non-native trout.

Rainbow trout hybridize with native cutthroat trout, while brook and brown trout tend to replace them in streams and rivers where they occur together.

All three cutthroat trout subspecies are either currently listed or have been petitioned to be listed under the Endangered Species Act as a result.

In an effort to preserve the legacy of these prized game fish, multiagency conservation teams have been established for each subspecies. Aquatic biologists on these teams use a variety of conservation measures to reclaim historic habitats and establish new populations.

PROTECTED CUTTHROAT WATERS

Various cutthroat waters, specifically those considered Cutthroat Conservation and Recreation Waters, are protected throughout the state.

In these waters, fishing is allowed by artificial flies and lures only, and all cutthroat trout must be returned to the water immediately upon catch.

These restrictions protect the growing number of cutthroat trout streams and lakes that are being included in conservation and recovery efforts.

COOPER LAKE - HINSDALE

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

CORNELIUS CREEK - LARIMER (MAP, PAGE 24) FROM THE HEADWATERS DOWNSTREAM TO THE CONFLUENCE WITH GEORGE CREEK:

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

CORRAL CREEK - SUMMIT (MAP, PAGE 12)

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

COTTONWOOD CREEK, LITTLE - MOFFAT (MAP, PAGE 33)

FROM FREEMAN RESERVOIR UPSTREAM FOR 0.25 OF A MILE:

1. Fishing prohibited Jan. 1-July 31.

CRAWFORD RESERVOIR - DELTA

1. Min. size for largemouth bass is 15 inches long.
2. No bag or possession limit for yellow perch.

FROM THE FENCE ON TOP OF THE CRAWFORD RESERVOIR DAM DOWNSTREAM TO THE NORTH BOUNDARY FENCE:

1. Fishing prohibited in spillway, stilling basin and outlet canal.

CROSHO RESERVOIR - RIO BLANCO

(MAP, PAGE 33)

1. Bag, possession and min. size for grayling is 2, 16 inches long.

CRYSTAL LAKE - LAKE (MAP, PAGE 11)

1. Artificial flies and lures only.

CRYSTAL RESERVOIR - MONTROSE

1. Snagging kokanee permitted Sept. 1-Dec. 31.

CULEBRA CREEK - COSTILLA

FROM THE COLO. 159 BRIDGE DOWNSTREAM APPROXIMATELY 3 MILES TO THE JAQUEZ BRIDGE:

1. Artificial flies and lures only.
2. Trout must be returned to water immediately.

3. Landowner permission and Colorado Courtesy Card required, available at San Luis Visitor Center.

CUNNINGHAM CREEK - PITKIN

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

DAIGRE LAKE - HUERFANO

1. Artificial flies and lures only.
2. Ice fishing prohibited.

DEEP CREEK - SAN MIGUEL

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

DEER BEAVER CREEK - SAGUACHE

1. Artificial flies and lures only.
2. Cutthroat must be returned to the water immediately.

DELANEY BUTTE LAKES (NORTH, SOUTH, AND EAST) - JACKSON

1. Artificial flies and lures only. Scented flies or lures must be 1.5 inches or longer.
2. Bag and possession limit for trout is 2.
3. Brown trout 14-20 inches long must be returned to the water immediately.
4. Rainbow and cutthroat trout 18-22 inches long must be returned to the water immediately.

NORTH DELANEY BUTTE LAKE:

1. Fishing prohibited in inlet upstream of standing water line.
2. Fishing prohibited from dam and within 100 ft. on dam Sept. 15-Nov. 15.

SOUTH DELANEY BUTTE LAKE:

1. Fishing prohibited in inlet upstream of standing water line.

DEPOORTER LAKE - SEDGWICK

1. Min. size for largemouth and smallmouth bass is 15 inches long.

DIXON LAKE - LARIMER

1. Min. size for largemouth and smallmouth bass is 15 inches long.

DOLORES RIVER - DOLORES, MESA, MONTEZUMA, MONTROSE, SAN MIGUEL

FROM CONFLUENCE WITH WEST FORK OF THE DOLORES RIVER DOWNSTREAM TO THE STANDING WATER LINE OF MCPHEE RESERVOIR:

1. Taking kokanee prohibited except Nov. 15-Dec. 31 when snagging permitted.

FROM MCPHEE DAM DOWNSTREAM APPROXIMATELY 11 MILES TO THE BRADFIELD BRIDGE:

1. Artificial flies and lures only.
2. Trout must be returned to water immediately.

FROM MCPHEE DAM DOWNSTREAM TO THE STATE LINE:

1. No bag or possession limit for channel catfish, largemouth bass, smallmouth bass, northern pike, walleye, green sunfish, bluegill, bullhead, yellow perch or crappie.

DOTY PARK LAKE - MORGAN

1. Min. size for largemouth and smallmouth bass is 15 inches long.

DOUG CREEK - MONTROSE

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

DUKE LAKE - MESA (MAP ONLINE, SEE PAGE 10)

1. Bag, possession and min. size for largemouth bass is 2, 18 inches long.

EAGLE RIVER - EAGLE (MAP, PAGE 14)

FROM THE CONFLUENCE OF THE EAST FORK AND THE SOUTH FORK DOWNSTREAM TO THE CONFLUENCE WITH THE COLORADO RIVER:

1. Bag and possession limit for trout is 2.

FROM THE I-70 EXIT 147 BRIDGE IN EAGLE DOWNSTREAM TO THE CONFLUENCE WITH THE COLORADO RIVER:

1. No bag or possession limit for channel catfish, largemouth bass, smallmouth bass, northern pike, walleye, green sunfish, bluegill, bullhead, yellow perch or crappie.

Conejos and Alamosa River Drainages

Lake Regulations

Statewide regulations apply to all waters except:
Big Lake - Fly/lure only; All cutthroat must be released
Kerr Lake - Fly/lure only; 2 trout limit
Rock Lake - Fly/lure only; All cutthroat must be released

River Regulations

Statewide regulations apply to all waters except:
A - Fly/lure only; All cutthroat must be released
B - Fly/lure only; 2 trout limit
C - Fly/lure only; 2 trout limit, minimum 16 inches
D - Fly only; 2 trout limit, minimum 16 inches

NEW MEXICO

REGULATIONS

EAST PASS CREEK - SAGUACHE

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

EAST RIVER - GUNNISON**FROM THE UPSTREAM PROPERTY BOUNDARY AT THE ROARING JUDY FISH HATCHERY DOWNSTREAM TO CONFLUENCE WITH THE TAYLOR RIVER:**

1. Artificial flies and lures only.
2. Bag, possession and max. size for trout is 2, 12 inches long.
3. Taking kokanee prohibited.

FROM ROARING JUDY HATCHERY OUTLET DOWNSTREAM TO SOUTHERN ROARING JUDY SFU BOUNDARY:

1. Fishing prohibited Aug. 1-Oct. 31.

ECHO CANYON RESERVOIR - ARCHULETA

Good things come to those who wade

COMING SOON

Colorado Parks and Wildlife presents the Colorado Fishing Atlas, launching in mid-April.

Much like the CPW Hunting Atlas, the Fishing Atlas lets anglers use an interactive map program to find out where to fish, what regulations are in effect, and how to plan the best trip to multiple waters.
