INFORMATION

There are eight (8) Trust Funds. The largest is the School Trust Fund. Land and mineral revenues are determined, collected, verified, deposited and transferred by this division into these trust funds. Each trust has two (2) sub-funds. One is named the Permanent Trust (non-expendable) and the other is named the Income Trust (expendable).

Trust revenues are divided into six (6) receipt classes. Each sub-fund is a depository for three (3) receipt classes.

A. Permanent Trust revenues are received from:

1. (a) Sale of Land
(b) Principal portion of Certificate of Purchase Land Contract amortization payments.
(c) Payment received from the Federal Government for land taken under eminent domain
2. Consideration received for Rights-of-Way granted across State Lands.
3. Royalties and bonus received as the result of the depletion or the anticipated depletion of oil, gas, geothermal, coal, gravel, or other mineral resources.

NOTE: Monies deposited into the School Permanent Trust are invested by the Treasurer. The fund is never depleted, it is a constantly growing investment base and provides a perpetual interest annuity for the School Income Fund. The Permanent Fund Investment as reported by the Treasurer for June 30, 1984 was \$131,068,310. Earnings on Investments were \$1,307,274.

B. Income Trust revenues are received from:

1. Rentals for surface land, oil, gas, geothermal, coal, gravel, and other mineral rights given under lease contracts.
2. Monies received for Timber Contracts and Permits.
3. Interest portion of Certificate of Purchase Land Contract amortization payments, plus delinquent interest on late mineral royalty payments.

NOTE: Money deposited in the School Income Trust is distributed pro-rata to the different school districts by the Department of Education.

C. Trust Fund Names are:

- | | |
|--------------------------|------------------------------|
| 1. Public School | 5. Saline |
| 2. Penitentiary | 6. Colorado State University |
| 3. Public Buildings | 7. Hesperus Endowment |
| 4. Internal Improvements | 8. University of Colorado |

D. State Forest Lands acquired by exchange for other state lands consist of the following Trust Fund breakdown:

School	54,589.02 acres
Internal Improvements	8,139.39 acres
Colorado State University	3,821.47 acres
University of Colorado	4,450.90 acres
Total	71,000.78 acres

Revenue from State Forest leases is distributed based on percentages derived from these acreages.

- E. On May 23, 1983, a Notice of Condemnation by the United States of America became effective for State-owned land in Las Animas County. The Civil action stated 27,223.21 acres as taken. The Board of Land Commissioners' records indicate the actual State-owned acreage as 26,736.34 acres. Since the transaction has not been completed, the 26,736.34 acres is being shown in the vacant category in the various Trusts; acreage statistics for Las Animas County.
- F. Effective July 1, 1983 a State Land Board Trust Administration Fund was created. Five percent of **all** proceeds from any state lands controlled by the State Board of Land Commissioners shall constitute the corpus of this fund. All salaries of the commissioners and land board employees and all other expenses necessarily incurred by the board in carrying out their Constitutional mandate and associated duties will be provided by appropriation by the legislature from the restricted revenues in this trust administration fund. Any annual residual balance remaining shall be apportioned among the trust funds from which derived.
