Strategic Policy Initiatives

The Department of Personnel & Administration identified several strategic policy initiatives for FY 2015-16 and beyond. For this performance evaluation, the Department updated progress on the initiatives identified in the FY2016 Performance Plan that capture the Department's strategic and operational priorities, and reflect the overall direction as identified by Department leadership. The updates reflect data as of September 30, 2015.

Additional detail for these, and other, strategic policy initiatives is available in the Department's Performance Plan, which may be accessed here.

Improve DPA Customer Service

DPA performs core functions that provide the infrastructure, processes, services, guidance and tools necessary to help eliminate redundancy in State government and help keep costs down. Due to the nature of the Department's business, service to customers is the Department's driving force. The DPA customer base is three-fold; DPA serves government entities, State employees and the public. The Department serves State departments, the General Assembly, Institutions of Higher Education and local government entities. The Department seeks to be the State's leader in service excellence by offering quality services that enhance the success of Colorado State government. The Department aims to improve service to its customers in each and every interaction, to be focused on solutions and to "do the right thing." The Department works to engage its customers and exceed their expectations at every step.

Modernize Business Operations

DPA provides centralized human resources, information, tools, resources and materials needed for the State of Colorado government to function. The Department provides much of the infrastructure by which many agencies in State government operate. The programs and services provided by the Department are vitally important to the efficient and effective operation of State government; and it is therefore paramount that the systems and processes the Department uses are consistent with customers' expectations and enable customers to do their work efficiently and effectively. The Department's success depends upon offering quality and value to customers and stakeholders by providing economically-efficient and sound services while adhering to the highest standards of personal and professional integrity.

Invest in the Workforce

State employees are an essential component of DPA's internal customer base and are the State's most valuable resource. The Department serves tens of thousands of public employees and is committed to ensuring human resources processes provide for the best recruitment, selection, job evaluation, compensation, and retention methods available. One of the Department's most important goals is to develop an environment in which employees can be productive, creative, and function at their highest level. To that end, the Department is focused on investing in the workforce.
