RE: Annual Report Pursuant to 8-19-104, C.R.S.

Dear Senator Tochtrop, Senator Ulibari, Representative Williams and Representative Ryden:

Section 8-19-104, C.R.S requires the Department of Personnel & Administration (DPA) Executive Director to "conduct a survey and compile the results into a list of which states provide a bidding preference on public works contracts for their resident bidders." DPA works in cooperation with the State of Oregon which maintains a list of bidder preferences for all states. The list can be found at http://www.oregon.gov/DAS/EGS/ps/Pages/detail_a_main_page.aspx and a copy is attached.

Additionally, as required by statute, links to this information were posted before July 1, 2014 on DPA's website. The links can be found in two separate locations.

- Information for non-construction contracts can be found on the State Purchasing Office's webpage: <https://www.colorado.gov/pacific/dfp/procurement-resources>.
- Information for construction contracts can be found on the Office of the State Architect's webpage: <https://www.colorado.gov/pacific/osa/cdnotices>

Respectfully submitted,

Kara Veitch
Interim Executive Director
