Dear Governor Hickenlooper:

Attached is the Consolidated Paycheck Report for the month of May 2011. This report is provided for informational purposes only. The following table provides a summary of state employees paid by the categories of General Government and Higher Education. The Judicial and Legislative Branches are included in the General Government category.

"Exempt from the State Personnel System" includes the Judicial Branch, the Legislative Branch (except for most employees of the Office of the State Auditor), Governor's cabinet and office staff, over half of the employees of the Department of Law, Department of Education, faculty and other higher education employees as defined in CRS 24-50-135.

"Part-Time" means employees working less than a full-time schedule and includes hourly and others such as work-study students. Part-Time employees cannot be equated to a Full-Time Equivalent position from this report. The number of part-time employees is only the number of individuals paid for work.

"Gross Pay" is regular salary and work-study earnings. "Employee Count" represents the number of employees who received a paycheck during the reporting month. An employee holding a position in more than one state agency or institution of higher education is counted twice.

Sincerely,

David J. McDermott, CPA

State Controller
