The Honorable Andrew Romanoff  
Speaker of the House  
Colorado General Assembly

The Honorable Joan Fitz-Gerald  
President of the Senate  
Colorado General Assembly

Dear Sir and Madam:

In accordance with CRS 24-75-212, we submit the schedule of federal funds transactions for all state agencies for the fiscal year ended June 30, 2005. The Fiscal Year 2005 federal expenditures are down from the Fiscal Year 2004 expenditures by approximately \$28 million. This change is primarily made up of expenditure decreases in Unemployment Insurance at the Department of Labor and Employment of approximately \$231.3 million and decreases in Medicaid at the Department of Health Care Policy and Financing of approximately \$33.9 million. These decreases are offset by expenditure increases of approximately \$229.2 million in the Department of Higher Education, Department of Human Services and the Department of Local Affairs. Additional smaller offsetting changes occurred in other department's federal grants.

The attached schedule was compiled from information provided by state agencies and has not been audited or verified by our office. However, the State Auditor will audit the data supporting the schedule as part of the Statewide Single Audit, and any audit adjustments will be incorporated in the final schedule printed in the Auditor's Single Audit Report. If you have any questions concerning this report please contact Karoline Clark at (303) 866-3811.

Sincerely,

Leslie M. Shenefelt  
State Controller

STATE OF COLORADO  
SCHEDULE OF EXPENDITURE OF FEDERAL AWARDS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2005

*Note 1. Basis of Presentation*

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the State of Colorado agencies and institutions of higher education. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Under A-133, an award is considered expended when certain events related to the award occur. These include:

- Expenditure/expense transactions associated with grants, cost reimbursement contracts, cooperative agreements, and direct appropriations. The State of Colorado recognizes expenditures/expenses on the modified accrual or full accrual basis depending on the fund used. See note 5 of the Basic Financial Statements for additional information.
- Disbursement of amounts entitling the state to an interest subsidy
- Use of loan proceeds under loan and loan guarantee programs
- Distribution or consumption of food commodities
- Receipt of property or surplus property
- Disbursement of funds to subrecipients
- The period when insurance is in force
- Receipt or use of program income

As a result of these criteria, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of the basic financial statements.

*Note 2. Organization of the Schedule*

Assistance reported in the Schedule of Expenditures of Federal Awards is grouped first by program clusters as defined in the Compliance Supplement then by federal agency and then by major subdivision of federal agency. Programs not included in clusters are reported under Catalog of Federal Domestic Assistance (CFDA) numbers or other identifying numbers at the front of the Schedule in a section titled Unclustered Programs. In order to determine the total assistance provided to the State of Colorado by an individual federal agency, amounts provided by the federal agency must be identified in individual clusters as well as in the Unclustered Programs section.

*Note 3. Other Assistance*

Most noncash assistance is reported in the Schedule of Expenditures of Federal Awards and indicated by an asterisk in the column titled Noncash Indicator. The following provides additional information related to items that federal agencies may consider to be assistance.

- A. The State Department of Labor and Employment expended \$389,562,478 for grant 17.225 - Unemployment Insurance and 17.Unknown for FECA Reimbursable, Federal EB and TEUC Benefit Payments. The total expenditure amount includes the federal portion of the grants and the required state match in the amounts of \$50,466,516 and \$339,095,962, respectively.

*Note 4. Subrecipients*

All amounts passed-through to subrecipients are identified in the Schedule of Expenditures of Federal Awards under the column titled Passed to Subrecipients.
