November 1, 2006

The Honorable Andrew Romanoff  
Speaker of the House  
Colorado General Assembly

The Honorable Joan Fitz-Gerald  
President of the Senate  
Colorado General Assembly

Dear Sir and Madam:

In accordance with CRS 24-75-212, we submit the Report of Federal Assistance for all state agencies for the fiscal year ended June 30, 2006.

The Fiscal Year 2006 federal expenditures are up from the Fiscal Year 2005 expenditures by approximately \$493 million. This increase is primarily the result of changes in the reporting of the Federal Family Education Loan Program. Federal standards now require us to report new loans disbursed (\$369 million), as well as, the previously reported fees and reimbursements for loan defaults (\$122 million). Other significant increases include \$40 million in Medicaid, \$37 million in Food Stamps, and \$19 million in Highway Planning and Construction.

The attached schedule was compiled from information provided by state agencies and has not been audited or verified by our office. However, the State Auditor will audit the data supporting the schedule as part of the Statewide Single Audit, and any audit adjustments will be incorporated in the final schedule printed in the Auditor's Single Audit Report. If you have any questions concerning this report please contact Hollie Turtle at (303) 866-3894.

Sincerely,

Leslie M. Shenefelt  
State Controller

Cc: Henry Sobanet, OSPB

STATE OF COLORADO  
FEDERAL ASSISTANCE REPORTED BY STATE AGENCIES  
FOR THE FISCAL YEAR ENDING JUNE 30, 2006

*Note 1. Basis of Presentation*

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the State of Colorado agencies and institutions of higher education. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Under A-133, an award is considered expended when certain events related to the award occur. These include:

- Expenditure/expense transactions associated with grants, cost reimbursement contracts, cooperative agreements, and direct appropriations. The State of Colorado recognizes expenditures/expenses on the modified accrual or full accrual basis depending on the fund used. See note 5 of the Basic Financial Statements for additional information.
- Disbursement of amounts entitling the state to an interest subsidy
- Use of loan proceeds under loan and loan guarantee programs
- Distribution or consumption of food commodities
- Receipt of property or surplus property
- Disbursement of funds to subrecipients
- The period when insurance is in force
- Receipt or use of program income

As a result of these criteria, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of the basic financial statements.

*Note 2. Organization of the Schedule*

Assistance reported in the Federal Assistance Reported by State Agencies is grouped first by cash assistance and noncash assistance. Within these subgroups, the information is sorted by agency indicator.

*Note 3. Other Assistance*

Most noncash assistance is reported in the Schedule of Expenditures of Federal Awards and indicated by an asterisk in the column titled Noncash Indicator. The following provides additional information related to items that federal agencies may consider to be assistance.

- A. The State Department of Labor and Employment expended \$335,494,197 for grant 17.225 - Unemployment Insurance and 17.Unknown for FECA Reimbursable, Federal EB and TEUC Benefit Payments. The total expenditure amount includes the federal portion of the grants and the required state match in the amounts of \$47,792,535 and \$287,701,659, respectively.
- B. The State Department of Higher Education expended \$490,499,651 for grant 84.032 - Federal Family Education Loans. Of this amount, \$121,996,056 has been or will be received from the federal government related to incentive fees and reinsurance costs of student loan defaults paid to lenders. The remaining amount is made up of new loan issuances of which \$356,617,006 was guaranteed by the Colorado College Access Network, and \$11,886,589 was guaranteed by other entities. The outstanding balance of the Federal Family Education Loan program since its inception was \$8,377,914,274 as of June 30, 2006.

*Note 4. Subrecipients*

All amounts passed-through to subrecipients are identified in the Schedule of Expenditures of Federal Awards under the column titled Passed to Subrecipients.
