November 1, 2007

The Honorable Andrew Romanoff
Speaker of the House
Colorado General Assembly

The Honorable Joan Fitz-Gerald
President of the Senate
Colorado General Assembly

Dear Sir and Madam:

In accordance with CRS 24-75-212, we submit the Report of Federal Assistance for all state agencies for the fiscal year ended June 30, 2007.

The Fiscal Year 2007 federal expenditures are up from the Fiscal Year 2006 expenditures by approximately \$135 million. This increase is primarily the result of a \$103 million increase in Student Financial Aid. Other significant changes include a \$48 million increase in Medicaid and an \$82 million decrease in Highway Planning and Construction. The residual increase comprises a large number of smaller increases.

The attached schedule was compiled from information provided by state agencies and has not been audited or verified by our office. However, the State Auditor will audit the data supporting the schedule as part of the Statewide Single Audit, and any audit adjustments will be incorporated in the final schedule printed in the Auditor's Single Audit Report. If you have any questions concerning this report please contact Hollie Turtle at (303) 866-3894.

Sincerely,

Leslie M. Shenefelt
State Controller

Cc: Todd Saliman, OSPB

STATE OF COLORADO
FEDERAL ASSISTANCE REPORTED BY STATE AGENCIES
FOR THE FISCAL YEAR ENDING JUNE 30, 2007

Note 1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the State of Colorado agencies and institutions of higher education. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Under A-133, an award is considered expended when certain events related to the award occur. These include:

- Expenditure/expense transactions associated with grants, cost reimbursement contracts, cooperative agreements, and direct appropriations. The State of Colorado recognizes expenditures/expenses on the modified accrual or full accrual basis depending on the fund used. See note 5 of the Basic Financial Statements for additional information.
- Disbursement of amounts entitling the state to an interest subsidy
- Use of loan proceeds under loan and loan guarantee programs
- Distribution or consumption of food commodities
- Receipt of property or surplus property
- Disbursement of funds to subrecipients
- The period when insurance is in force
- Receipt or use of program income

As a result of these criteria, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of the basic financial statements.

Note 2. Report Organization - Federal Assistance Reported by State Agencies

The Report is organized first by cash assistance and then by noncash assistance. Within these subgroups, the information is sorted by agency indicator.

Note 3. Other Assistance

Most noncash assistance is reported on the final two pages of the Federal Assistance Reported by State Agencies. The following provides additional information about amounts shown in the report that federal agencies consider to be assistance.

- A. The State Department of Labor and Employment expended \$351,654,152 for grant 17.225 - Unemployment Insurance and 17.Unknown for Federal Employee Compensation Act (FECA) Reimbursable, Federal Extended Benefits and Temporary Extended Unemployment Compensation (TEUC) Benefit Payments. The total expenditure amount includes the federal portion of the grants and the required state match in the amounts of \$50,500,733 and \$301,153,419, respectively.
- B. The State Department of Higher Education expended \$615,425,181 for grant 84.032 - Federal Family Education Loans. Of this amount, \$206,949,406 has been or will be received from the federal government related to incentive fees and reinsurance costs of student loan defaults paid to lenders. The remaining amount is made up of new loan issuances of which \$399,212,031 was guaranteed by the Colorado College Assist, and \$9,263,744 was guaranteed by other entities. The outstanding balance of the Federal Family Education Loan program since its inception was \$12,652,534,697 as of June 30, 2007.

Note 4. Subrecipients

All amounts passed-through to subrecipients are identified in the Report under the column titled Passed to Subrecipients.
