The Honorable Terrance Carroll
Speaker of the House
Colorado General Assembly

The Honorable Brandon Shaffer
President of the Senate
Colorado General Assembly

Dear Sirs,

In accordance with CRS 24-75-212, we submit the Report of Federal Assistance for all state agencies for the fiscal year ended June 30, 2009.

The Fiscal Year 2009 federal expenditures are up from the Fiscal Year 2008 expenditures by approximately \$1.9 billion. This amount is primarily related to an increase in Unclustered Programs in the amount of \$659 million (primarily comprising Unemployment Insurance, offset by programs now included in separate clusters); a \$378 million increase in Medicaid (of which a majority is from ARRA funds); a \$175 million increase in new ARRA-related State Fiscal Stabilization Funds; a \$121 million increase in the Supplemental Nutrition Assistance Program; a \$148 million increase in TANF, a \$136 million increase in Title I Part A, and a \$123 million increase in Student Financial Aid. The residual increase comprises a large number of smaller increases.

The attached schedule was compiled from information provided by state agencies and has not been audited or verified by our office. However, the State Auditor will audit the data supporting the schedule as part of the Statewide Single Audit, and any audit adjustments will be incorporated in the final Schedule of Expenditures of Federal Awards (SEFA) printed in the Auditor's Single Audit Report.

In order for this report to match the required SEFA presentation, the \$1,190 million shown for Unemployment Insurance in Department of Labor and Employment includes \$196 million of federal support and \$994 million of state match. Included in the federal portion is \$97 million of ARRA related funds.

If you have any questions concerning this report please contact Karoline Clark at 303.866.3811.

Sincerely,

David J. McDermott, CPA
Colorado State Controller

Cc: Todd Saliman, OSPB

STATE OF COLORADO
FEDERAL ASSISTANCE REPORTED BY STATE AGENCIES
FOR THE FISCAL YEAR ENDING JUNE 30, 2009

Note 1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the State of Colorado agencies and institutions of higher education. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Under A-133, an award is considered expended when certain events related to the award occur. These include:

- Expenditure/expense transactions associated with grants, cost reimbursement contracts, cooperative agreements, and direct appropriations. The State of Colorado recognizes expenditures/expenses on the modified accrual or full accrual basis depending on the fund used. See note 5 of the Basic Financial Statements for additional information.
- Disbursement of amounts entitling the state to an interest subsidy
- Use of loan proceeds under loan and loan guarantee programs
- Distribution or consumption of food commodities
- Receipt of property or surplus property
- Disbursement of funds to subrecipients
- The period when insurance is in force
- Receipt or use of program income

As a result of these criteria, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of the basic financial statements.

Note 2. Report Organization - Federal Assistance Reported by State Agencies

The Report is organized first by cash assistance and then by noncash assistance. Within these subgroups, the information is sorted by agency indicator.

Note 3. Other Assistance

Most noncash assistance is reported on the final two pages of the Federal Assistance Reported by State Agencies. The following provides additional information about amounts shown in the report that federal agencies consider to be assistance.

- A. The State Department of Labor and Employment expended \$1,190,654,675 for grant 17.225 - Unemployment Insurance and 17.Unknown for Federal Employee Compensation Act (FECA) Reimbursable, Federal Extended Benefits, Temporary Extended Unemployment Compensation (TEUC) Benefit Payments and Emergency Unemployment Compensation 2008 (EUC08) Benefit Payments. The total expenditure amount includes the federal portion of the grants and the required state match in the amounts of \$196,757,410 and \$993,895,265, respectively. Included in the federal portion are American Recovery and Reinvestment Act (ARRA) funds in the amount of \$97,553,485.
- B. The State Department of Higher Education expended \$677,844,593 for grant 84.032 - Federal Family Education Loans. Of this amount, \$353,222,453 has been or will be received from the federal government related to incentive fees and reinsurance costs of student loan defaults paid to lenders. The remaining amount is made up of new loan issuances of which \$242,339,803 was guaranteed by College Assist, and \$82,282,337 was guaranteed by other entities. The outstanding balance of the Federal Family Education Loan program since its inception was \$13,254,022,448 as of June 30, 2009.
- C. The negative expenditures shown for CollegeInvest reflects amounts due to the Federal government related to loan interest earnings in excess of the current federal allowable rate.

Note 4. Subrecipients

All amounts passed-through to subrecipients are identified in the Report under the column titled Passed to Subrecipients.
