

*Every effort has been made to provide accurate and useful maps of Colorado's public library districts as required by Colo. Rev. Stat. §24-90-105 (1)(m). The maps were created using the best GIS data available as of May 2011. As always, due to differences between data, software programs, and GIS methodologies, these maps should not be taken as definitive proof of library district boundaries. For accurate, detailed data about which properties lie within a library district's boundaries, please contact the library district and/or the appropriate county assessor office.*

*Note: any white areas on the map indicate unserved areas, i.e., areas that do not fall within the legal service area of a Colorado public library. Policies on serving residents in unserved areas or between boundaries can vary by library jurisdiction.*

### Penrose Community Library District

**The Penrose Community Library District (PCLD) boundary as specified in establishment documents is coterminous with the Penrose Park and Recreation District excluding certain sections in specified townships and ranges.**

Note: certain properties were inadvertently excluded from PCLD when it was formed in 1992. Since 2006, when this problem was identified, PCLD has been working to include those properties into its taxing authority.
