SUBJECT: Transfer of FY 2001-02 Community Corrections Funds

In June, 2002, the Division of Criminal Justice will be transferring **\$15,000** from the "Transition" line to the "Day Reporting Center/ 3/4 House" line, and **\$70,000** from the "Diversion" line to the "Day Reporting Center/ 3/4 House" line. Diversion funds support beds for direct sentences to Community Corrections by judges. Transition funds support halfway house beds for prison inmates. Day Reporting Center funds support daily monitoring and services to offenders who are at risk of violating terms of community placement. 3/4 House programs support closely monitored, independent living services for offenders needing residential services. The total amount of transferred funds represents approximately .25% of the original total Community Corrections appropriation.

The purpose of this transfer is to move funds between line items in order for the contractors to maximize use of the community corrections allocation. See attached chart.

This transfer is made pursuant to CRS 17-27-108(5). Please contact me at (303) 239-4446 if you have any concerns or questions.
