## **2008 ANNUAL LOCAL VALE REPORT (January 1 – December 31, 2008)**

In 1984, the General Assembly approved legislation to establish the Assistance to Victims of and Witnesses to Crimes and Aid to Law Enforcement Act (VALE). As currently enacted, the Act mandates a surcharge on fines imposed for felonies, misdemeanors, juvenile offenses, class 1 and 2 traffic offenses, and certain traffic infractions. A flat fee, rather than a surcharge, is collected on cases where fines are not imposed. The funds collected are used for grants to agencies that provide services to crime victims within the local judicial district in which the monies are collected. The Act has been amended several times since its original passage in 1984.

In 2007, the Colorado Legislature passed Senate Bill 07-55, which impacted VALE collections in two ways. First, prior to July 1, 2007, the portion of the surcharge attributable to the increase enacted in 2003 was deposited into the General Fund. Senate Bill 07-55, redirected all future deposits, formerly deposited into the General Fund, to the local judicial districts' VALE fund. Second, the legislation also rounded the surcharge amounts into whole dollar figures. The surcharges that may be imposed are as follows: felony convictions \$163.00, misdemeanor convictions \$78.00, class 1 misdemeanor traffic offenses \$46.00, class 2 misdemeanor traffic offenses \$33.00, and class A and B traffic offenses as outlined in C.R.S. § 24-4.1-119(1)(f).

C.R.S. 24-4.2-108 mandates that each of the local VALE boards submit to the Division of Criminal Justice an annual report detailing: the amount of funds granted to agencies; the number and type of agencies applying for grant funds; and the projects and services for which grants were awarded. This is the twenty-second year that such a summary has been completed by the Division of Criminal Justice.

The graphs and summarizing data in this report provide an overview of the types of grants that were awarded by local VALE boards. The report also breaks down the percentage of funds supporting each victim service and law enforcement category. A detailed chart of each judicial district's awards is also included in the report.

### **LOCAL VALE BOARDS**

The Act provides for a five-member board (appointed by the Chief Judge) in each judicial district. Each local board accepts applications and makes decisions regarding the use of VALE funds in that judicial district.

### **FUNDING SOURCE**

Of the total fees collected by each local VALE program, a maximum of 10% may be used in each district for administrative costs to implement the statute and for preparation of victim impact statements. After the allocation of administrative expenses, 13% of remaining collections are deposited with the State Treasurer for state administrative expenses and for the State Victim Assistance and Law Enforcement (State VALE) competitive grant program. Overall, 88.3% of all collections are used for grants in each of the local districts.

### **GRANT AWARDS**

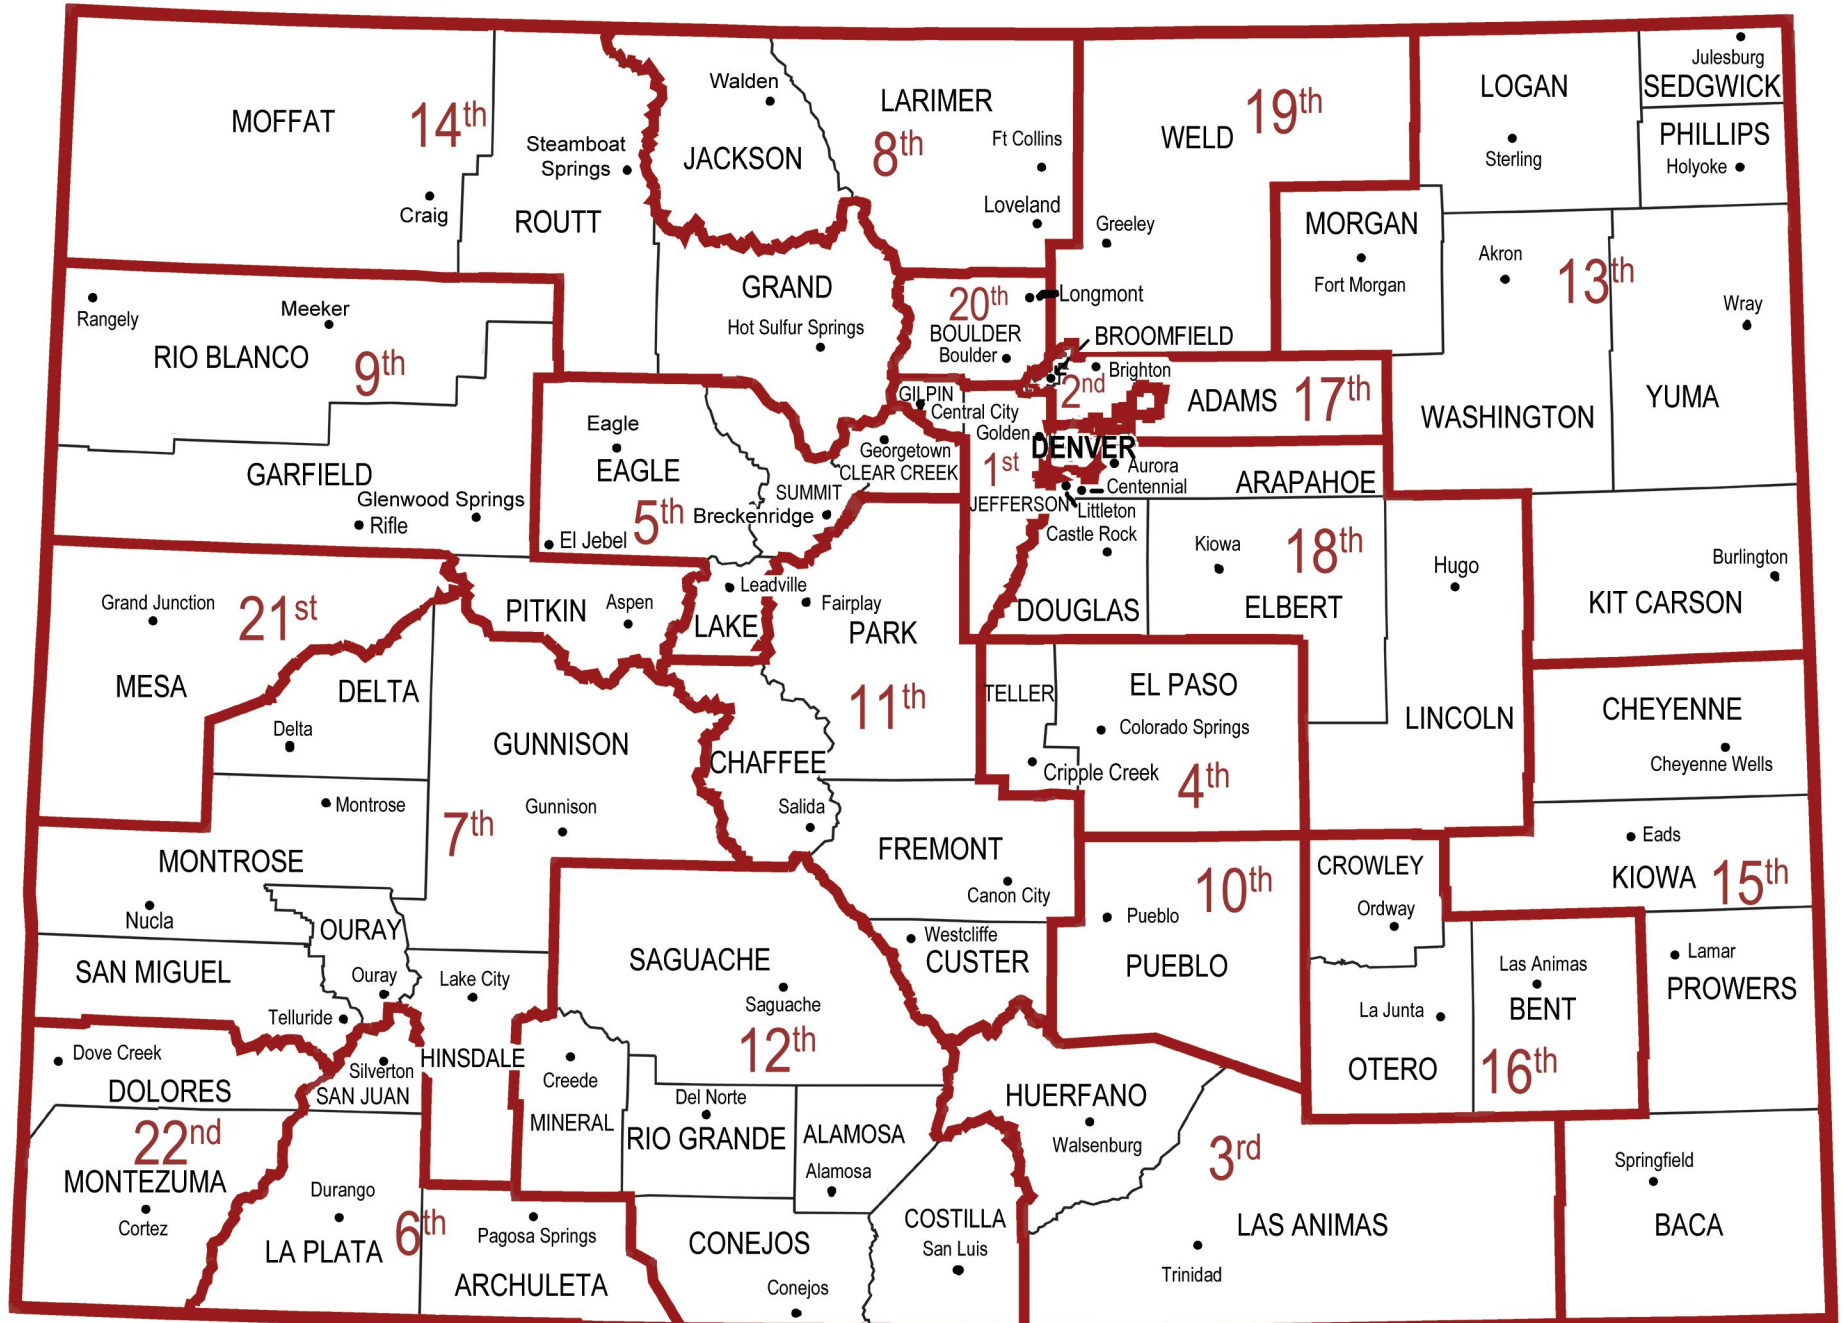

During 2008, 367 grants and 656 scholarships were awarded to various organizations by local Victim Assistance and Law Enforcement boards. These grant awards and training scholarships totaled \$11,926,015.

Since 1986, 14,068 grants and scholarships totaling \$145,851,019 have been approved for funding by local VALE boards.

## **PRIORITY FUNDING AREAS**

There are two priority areas for VALE funding. One priority establishes funding for programs that implement the Victim Rights Act (C.R.S. 24-4.1-302.5; 24-4.1-303; and 24-4.1-304). The other priority is funding for victim and witness services which are listed in the C.R.S. 24-4.2-105(4). These include, but are not limited to, crisis intervention services, referrals of victims to appropriate community services and victim compensation programs, translator services, and counseling.

## SECTION III

### Financial Report on the VALE Fund by Judicial District

Table 8: Collections, Administrative Expenses, Allocations to the State, Other Revenue, and Funds for Grant Program

The financial report that follows is a snapshot of a single year of revenue to the VALE fund, with the statutory allocations for administrative funds and the state treasury included. The State Court Administrator's Office provides the revenue information.

The financial report has additional limitations that should be noted when reviewing the information. For example, it does not record fund balances, actual expenditures of administrative funds, or any refunds to the fund when grant awards are not fully expended.

Despite these limitations, the financial report offers a statewide look at monies collected and deposited to the VALE fund during the period of a single year.

Table 9: Historical Look at VALE Collections

A table is included that reflects the amount of VALE dollars collected in each Judicial District since 2001. This table clearly illustrates that collections have increased over the last five years.

This chart represents an estimate of interest and administrative expenses. The figures listed are calculated on the allowable 10% administrative costs. District Administrators have the discretion to include interest figures in the revenue column.

## A Historical Look at VALE Fund Collections

Table 9

The revenue figures include Court Fines and Surcharges, Model Traffic Code, monies from the Department of Revenue, the Department of Wildlife, Community Corrections Escapees, and Interest. The revenue figures do **NOT** include unclaimed restitution and donations, nor do they reflect monies disbursed to the District Attorney's Administrative Fund, the State Treasurer, or to grantees. These figures are compiled from information submitted by the State Court Administrator to the Division of Criminal Justice.

For each Judicial District, grant awards are listed before scholarships and trainings. The following charts reflect the amount of the grant award rather than the final expenditures. The final expenditures may be slightly less than the amount of the award.
