SEX OFFENDER MANAGEMENT BOARD
Colorado Department of Public Safety
Division of Criminal Justice
700 Kipling Street, Suite 3000
Denver, Colorado 80215
Phone: (303) 239-4516
Fax: (303) 239-4491

BACKGROUND

In 1992, the Colorado General Assembly passed legislation ¹ which created the Sex Offender Management Board to develop standards for the assessment, evaluation, treatment and behavioral monitoring of adult sex offenders. The Board issued the document "*Standards and Guidelines for the Assessment, Evaluation, Treatment and Behavioral Monitoring of Adult Sex Offenders*" (hereafter Standards) in January of 1996. The Standards were revised in June 1999. A copy of the Standards is available on request by calling (303) 239-4516 or on our web site at www.cdpsweb.state.co.us/ors/docs.htm.

State statute² prohibits the Department of Corrections, the Judicial Department, the Division of Criminal Justice of the Department of Public Safety, or the Department of Human Services from employing or contracting with, or allowing a convicted sex offender to employ or contract with providers unless they meet these Standards.

APPLICATION PROCESS

Since 1996, the Board has been working to process the applications of Treatment Providers, Evaluators, Plethysmograph Examiners, Abel Screen Examiners and Clinical Polygraph Examiners to create a list of these providers who meet the Standards. Application materials may be obtained by calling (303) 239-4516.

WHAT THE LIST MEANS:

When a provider is listed in the List, it means that he/she (1) has met the education and experience qualifications established in the Standards and (2) has provided sufficient information for a determination that services appear to be provided according to the Standards. In addition, each provider agrees in writing to provide services in compliance with the standards of practice outlined in the Standards.

Being on the List is neither licensure nor certification of the provider. It does not imply that all providers offer exactly the same services. The List also does not create an entitlement for referrals from the criminal justice system.

HOW TO USE THE LIST:

The List is organized in two parts: (1) alphabetically by county of business address of the provider, and (2) alphabetically by last name within the categories below.

¹ Section 16-11.7-101 through Section 16-11.7-107 C.R.S.

² Section 16-11.7-107 C.R.S.

CATEGORIES

Treatment Provider

Full Operating Level: In addition to meeting all the other applicable Standards, a Treatment Provider at the Full Operating Level has accumulated at least 1000 hours of clinical experience with sex offenders in the last five years, and may practice without supervision.

Associate Level: In addition to meeting all the other applicable Standards, a Treatment Provider at the Associate Level has accumulated at least 500 hours of clinical experience with sex offenders in the last five year, and must receive regular supervision from a Treatment Provider at the Full Operating Level.

Evaluator

Full Operating Level: In addition to meeting all the other applicable Standards, an evaluator has conducted at least 40 mental health sex offense-specific evaluations of sex offenders in the last five years. To be initially placed on the list as an Evaluator at the Full Operating Level, the individual must be on the list as a Treatment Provider at the Full Operating Level.

Associate Level: In addition to meeting all the other applicable Standards, an evaluator at the Associate Level has conducted fewer than 40 mental health sex offense-specific evaluations to date and is receiving supervision from an Evaluator at the Full Operating Level. To be initially placed on the List as an Evaluator at the Associate Level, the individual must be on the list as a Treatment Provider at either the Full Operating Level or the Associate Level.

Clinical Polygraph Examiner

Full Operating Level: In addition to meeting all the other applicable Standards, a Clinical Polygraph Examiner has conducted at least 150 criminal specific-issue examinations. They shall have conducted a minimum of 50 clinical polygraph examinations of which 20 must be disclosure polygraph examinations and 20 more must be either maintenance or disclosure polygraph examinations within a twelve (12) month period.

Associate Level: In addition to meeting all the other applicable Standards, a Clinical Polygraph Examiner at the Associate Level is working under the guidance of a qualified Clinical Polygraph Examiner listed at the Full Operating Level to complete at least 50 clinical polygraph examinations in a 12 month period as required for Clinical Polygraph Examiners at the Full Operating Level.

Plethysmograph Examiner

In addition to meeting all the other applicable Standards, a Plethysmograph Examiner has received qualified training in the use of the instrument and the interpretation of test results, and has agreed to comply with the "Guidelines for the Use of the Penile Plethysmograph" published by the Association for the Treatment of Sexual Abusers. In addition, a Plethysmograph Examiner will be required to be on the List as a Treatment Provider at the Full Operating Level under the Standards.

Abel Screen Examiner

In addition to meeting all the other applicable Standards, an Abel Screen Examiner has demonstrated that they are trained and licensed as a site to utilize the instrument. In addition, an Abel Screen Examiner will be required to be on the Provider List as a Treatment Provider at the Full Operating Level under the Standards.
