FOREWORD

Legislation enacted during the year 1937 in Colorado materially changes many of the former legal aspects of the practice of Public Accountancy in this State.

These changes affect the Professional Accountant as well as the rights of the general public who utilize or rely on the work of the accountant.

In view of this situation and for the convenience of all interested persons, the State Board of Accountancy has prepared this Manual of regulations governing the Practice of Public Accounting in Colorado.

The Board is of the opinion that this material is a more complete compilation of existing statutes, Board rules and regulations than has previously been prepared in this State.

It is the sincere desire of the Board that the brochure will prove of service in presenting a better understanding of the qualifications, duties and responsibilities of the Professional Accountant.

RULES GOVERNING THE ISSUANCE OF CERTIFIED PUBLIC ACCOUNTANT AND REGISTERED ACCOUNTANT CERTIFICATES IN COLORADO

CERTIFICATES BY EXAMINATION

- 1. An applicant for a Certified Public Accountant's certificate by examination must possess the following qualifications:
 - a. Be a citizen of the United States or have declared his intention of becoming a citizen.
 - b. Be a resident of Colorado, over the age of twenty-three years, and of good moral character.
 - c. Possess a four-year high school education or its equivalent.
 - d. Must have had five years experience in public accounting, the sufficiency of such experience to be determined by the Board in each individual case. Experience in public accounting is ordinarily construed to mean that the applicant must have been regularly engaged on his own account during usual business hours as a public accountant, or have been employed by a public accountant as a staff auditor or assistant to a staff auditor during the experience period claimed. Exception—Two years' experience allowance will be granted in case applicant is a graduate of a recognized school of higher accountancy.
- 2. An applicant for a Registered Accountant's certificate by examination must possess the same qualifications as shown in Rule No. 1 except he need not have obtained the experience in the practice of Public Accounting required in 1(d). Those applicants who pass the examination will receive a certificate entitling them to practice as Registered Accountants. When they have completed the aforementioned experience requirements, they will be entitled to receive a Certified Public Accountant's certificate. Proof of experience shall be submitted as required by the Board.
- 3. Examinations are held in Denver usually twice each year, in May and November.
- 4. Applications for examination must be made on blanks furnished by the Board, which will be supplied by the Secretary of the Board upon request. Three references for the ascertainment of character must be furnished.
- 5. Every applicant shall file his application with the Secretary at least thirty days prior to the time set for the holding of an examination.
- 6. The examination usually requires two days and may be oral or written, or both.
- 7. The examination will include questions on:
 - a. Accounting Theory and Practice, including Governmental Accounting.
 - b. Auditing.
 - c. Commercial Law.
- 8. Candidates who pass in both parts of accounting theory and practice and fail in auditing and law will be conditioned in the two subjects in which they fail. However, the board will not give credit for passage of any other one subject. Candidates who

fail in auditing and accounting or law and accounting, will be considered to have failed in all subjects. Candidates who are conditioned may be re-examined in the conditioned subject or subjects at any or all of the three consecutive semi-annual examinations following the examination in which the condition occurred, provided the required fees are paid.

- 9. A fee of \$25.00 must accompany each application for examination which includes the cost of the certificate. In no case will the fee be refunded, but the candidate may be re-examined once within two years without additional charge. After that each subsequent fee paid for a re-examination shall entitle a candidate to one additional re-examination, provided that a candidate may not sit at more than two examinations for any one fee in any event.
- 10. The phrase "within two years" means a period during which four consecutive semiannual examinations are held.
- 11. A candidate, to pass an examination, must receive a grade of not less than 75% in each subject.
- 12. An applicant for examination, when so required, must appear before the Board in person to answer any question, or produce additional evidence required by the Board to establish such facts as are necessary to determine the qualifications prescribed by the law and rules.
- 13. The Board at its option may publish or post the names of applicants for certificates.
- 14. Ample notice will be given to each applicant of the time and location selected for holding the examination, and each must be present and prepared to engage in the task promptly at the appointed hour. Failure to do so may be considered as sufficient cause for exclusion from attendance at any session of the examination when once begun.
- 15. A candidate may be excluded for misconduct during the examination.
- 16. The Secretary will communicate to each applicant, in writing, the decisions reached by the Board in his case.

Examinations

- 17. a. Answers must be submitted by the respective candidates on blanks furnished by the Board and must be completed in the time allotted for each subject, which will be stated on the examination papers. Only the examination number assigned the candidate shall be used on his papers for the purpose of identification.
 - b. The writing must be in ink and legible. This Board will not be responsible for the misconstruction of any answer on account of writing difficult to read.
 - c. All question papers, stationery, etc., furnished by this Board shall remain its property and must be returned whether used or not.
 - d. Reference by any candidate during the examination to books or other matter or the exchange of information with other persons shall be considered misconduct sufficient to bar the candidate from further participation in the examination.
 - e. The Board believes that the questions submitted in its examinations are conservative, fair, clearly stated and a reasonable test sufficient to enable any accountant, through the solutions returned, to indicate clearly his ability and knowledge of the principles involved. On this account, and also in fairness to all other persons taking this examination, no explanations relative to the questions will be given.

f. In problems which permit of alternative treatment, the credit given for the answer will depend on the completeness of the answer and the soundness and intelligence of the views expressed. Two candidates offering different solutions may well secure similar markings.

CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES BY RECIPROCITY

- 18. An applicant for a Certified Public Accountant certificate by reciprocity must possess the following qualifications:
 - a. Be a citizen of the United States or have declared his intention of becoming a citizen.
 - b. Be a resident of Colorado, over the age of twenty-three years and of good moral character.
 - c. There is no provision in the law for reciprocity in the case of a Registered Accountant.
- 19. Reciprocal Certified Public Accountant Certificates are issued only to applicants who obtained their original certificates as the result of an examination.
- 20. The Colorado Accountancy Act permits reciprocity as to C. P. A's with any state, the District of Columbia, any Territory of the United States and any foreign nation, when the Board shall be satisfied that their standards and requirements are substantially equivalent to those in Colorado, provided that such other states or nations similarly recognize Colorado Certified Public Accountant Certificates.
- 21. Applications for Certified Public Accountant certificates by reciprocity must be made on blanks furnished by the Board which will be supplied upon request to the Secretary.
- 22. A fee of \$25.00 is charged for a reciprocal certificate to a holder of a Certified Public Accountant certificate of another state, District of Columbia, or Territory of United States and a fee of \$50.00 to a holder of a certificate issued by a foreign country. All fees must accompany the applications.
- 23. Applicants for Certified Public Accountant certificates by reciprocity will be subject to the same requirements as to character and general qualifications as applicants for Certified Public Accountant certificates by examination.
- 24. The suspension or revocation of an original certificate of another state or country on which a Certified Public Accountant certificate of this state was issued, automatically suspends or revokes the Colorado Certified Public Accountant certificate.

ANNUAL REGISTRATION FEE

25. Failure to pay, in December of each year, the annual registration fee as provided by Section 14 of the 1937 Act shall be deemed sufficient cause for the suspension of a Certified Public Accountant's Certificate or a Registered Accountant's Certificate, or the right to practice as a firm.

ANNUAL INFORMATION

26. It shall be the duty of all Certified Public Accountants and Registered Accountants doing business as a partnership, association or in any other manner as a firm, to submit on December 1st of each year to the State Board of Accountancy the names of the partners or owners comprising the firm.

 - (1) Whenever any person shall, as a certified public accountant, or registered accountant, sign or certify any report, schedule or statement relative to the affairs of any corporation, association or co-partnership, in which such person is financially interested or by which such person is regularly engaged as an officer or employee, such signature or certification shall be accompanied by a specific statement setting forth the fact that such person is financially interested in, or is an officer or regular employee of such corporation, association or co-partnership. If such person is both financially interested and an officer or regular employee, the statement shall cover both such financial interest and employment. In the case of a corporation holding a certificate of authority signing or certifying as above, the interest of any of its stockholders shall be disclosed.
 - (2) The board may make and enforce all necessary rules and regulations relative to the foregoing provisions and may determine upon the particular phraseology necessary to carry into effect the provisions thereof.

(B) It shall be the duty of the respective district attorneys to prosecute all violations of the provisions of this act.

Section 16. Penalties. Any person shall be deemed guilty of a misdemeanor, and upon conviction shall be punished by a fine of not more than five hundred dollars (\$500.00) for each offense, or by imprisonment in the county jail for not more than one year, or by both such fine and imprisonment;

(A) Who shall use any other term than certified public accountant or the abbreviation C.P.A. or who shall use any term other than registered accountant or the abbreviation R.A. to indicate that he is a public accountant with a specially granted title; or

(B) Who shall, when practicing under an assumed name, or as a member of a partnership, other than one which is registered under section 12 as composed of certified public accountants, or as an officer of a corporation, announce, either in writing or by printing, that the assumed name, partnership or corporation is practicing as a certified public accountant or certified public accountants; or

(C) Who shall, as a member of a partnership, announce either in writing or by printing that the partnership is practicing as "registered accountants" unless the

partnership is registered as such under section 12; or

(D) Who shall, as an officer of a corporation, permit it to practice as a registered accountant unless it is registered with the board and holds an unrevoked certificate of authority from the board; or

(E) Who holds himself out to the public as a certified public accountant or who assumes to practice as a certified public accountant unless he has received a

certificate as such from the board; or

(F) Who holds himself out to the public as a registered accountant or who assumes to practice as a registered accountant unless he has received a certificate of authority from the board; or

(G) Who shall practice as a certified public accountant or as a registered accountant

after his certificate has been revoked; or

(H) Who shall as an individual, or, as a member of a partnership or as an officer or director of a corporation, practice or permit the partnership or corporation to practice as a certified public accountant or as a registered accountant unless a registration card has been secured for the current year; or

(I) Who shall sell, buy, give or obtain an alleged certificate as a certified public accountant, or a certificate of authority, or a registration card in any other

manner than is provided for by this act; or

(J) Who shall attempt to practice as a certified public accountant or as a registered accountant under guise of a certificate not issued by this board, or under cover of a certificate obtained illegally or fraudulently; or

(K) Who wilfully shall certify to any false or fraudulent report, certificate, exhibit,

schedule or statement; or

(L) Who shall attempt by any subterfuge to evade the provisions of this act while

practicing as a registered accountant; or

(M) Who shall, as an individual, or as a member of a partnership or as an officer of a corporation, permit to be announced by printed or written statement that any report, certificate, exhibit, schedule or statement has been prepared by or under supervision of a certified public accountant or by or under supervision of a registered accountant when the person who prepared the same was not such certified public accountant or registered accountant.

Section 17. Revocation of certificates and registration cards.

(A) The board may, on its own motion, make investigation and conduct hearings and may on its own motion or upon complaint in writing, duly signed and verified by the complainant, revoke or suspend for a definite period any certificate or registration card or officially censure the holder thereof, if it finds that he has violated the provisions of this act or any duly promulgated standard or rule of practice.

- (B) In the case of a corporation or a partnership, it shall be sufficient cause for the revocation or suspension of the certificate or registration card of such partnership or corporation, or for censure of it, if it be found that any officer, director or member thereof has been guilty of such act or omission as would be cause for revoking or suspending a certificate or card to such person as an individual or for censuring him.
- (C) A copy of the complaint shall be served upon the person complained against by personal service or by mailing same to his last known business address and in case the complaint is against a person, who is an officer, director, member or employee of a corporation or partnership, a copy of the complaint shall also be served upon such corporation or partnership. The person so served shall file his answer thereto with the board within twenty days after such service. The board shall thereupon set the matter for hearing as promptly as possible and within thirty days after the date of filing of the answer. Prior to any hearing involving the suspension or revocation of a certificate issued to a registered accountant under section 11 of this Act, the Governor of the State of Colorado shall appoint a person actively engaged in public practice within the State of Colorado as a registered accountant under the provisions of this Act, who shall be present at such hearing and shall exercise the same voting rights and receive the same compensation as the members of said State Board of Accountancy. The defendant and, if there be a complainant other than the board, the complainant may appear at such hearing in person or by attorney or agent.
- (D) No order revoking or suspending a certificate or card or censuring the holder thereof shall be made until after a public hearing or hearings held before the board or any member thereof. Such hearing or hearings shall be held at such places as may be designated by the board. The testimony presented and proceedings had at such hearing shall be taken in shorthand and preserved with the records of the board. The board shall, as soon thereafter as possible, make its findings and determination thereon.
- (E) The action of the board in revoking or suspending a certificate or card or censuring a holder thereof shall be subject to review by a court of competent jurisdiction and should the decision of the board be reversed, all costs shall be paid by said board.
- (F) The display of a card, sign, advertisement, a directory listing, or the issuance of a letterhead bearing the name of an individual, corporation or partnership as a practitioner of public accounting as defined in section 7 shall be prima facie evidence in any hearing or prosecution against such person, that the person whose name is so carried therein is responsible for the same and announcing thereby to practice public accounting. In any hearing or prosecution under this act, the proof of a single act prohibited by law shall be sufficient without proving a general course of conduct.

Section 18. Nothing contained in this act shall be construed to be a revocation or suspension of any certificates heretofore granted by the State Board of Accountancy to various individuals authorizing them to practice as certified public accountants within the State of Colorado; provided, however, that the holders of all such certificates shall enjoy and be subject to all rights, privileges and penalties provided for by law.

Section 19. All acts or parts of acts in conflict herewith are hereby repealed.

Section 20. If any section, subsection, sentence, clause or phrase of this act is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this act. The legislature hereby declares that it would have passed the act and each section, subsection, sentence, clause or phrase thereof irrespective of the fact that any one or more section, subsections, sentences, clauses or phrases be declared unconstitutional.

Section 21. It is hereby declared that this act is necessary for the immediate preservation of the public peace, health and safety.

PRIVILEGED COMMUNICATION STATUTE APPLICABLE TO CERTIFIED PUBLIC ACCOUNTANTS

See Chapter 177, Paragraph 9, Part 6—1935 Colorado Statutes Annotated

Sixth—A certified public accountant shall not, without the consent of his client, be examined as to any communication made by the client to him in person or through the media of books of account and financial records, or his advice, reports or working papers given or made thereon in the course of professional employment, nor shall a secretary, stenographer, clerk or assistant of a certified public accountant be examined without the consent of the client concerned concerning any fact, knowledge of which he has acquired in such capacity.
