

## MESSAGE FROM THE DIRECTOR

Increased transparency is the goal of a new law in Colorado which will standardize the rulemaking process for all state agencies. Under House Bill 12-1008, departments must identify and work with interested and potentially impacted parties during the process, particularly when new fees or penalties may be involved in the proposed rule change.

For some agencies, this may be a departure from the way business has been done, but for many – including the Division of Gaming – it will formalize procedures that are already in practice. Rulemaking hearings have been publicized on the Gaming Web and are always open to the public.

The Department of Revenue will submit a departmental regulatory agenda each November 1, which will include:

- A list of new rules or revisions to existing rules that the department expects to propose during the next calendar year;
- The statutory or other basis for adoption of the proposed rules;
- The purpose of the proposed rules;
- The contemplated schedule for adoption of the rules; and
- An identification and listing of persons or parties that may be affected positively or negatively by the rules.

The Department of Revenue will also submit a regulatory report each November 1 that includes an update and brief summary of all permanent and temporary rules actually adopted since the previous departmental regulatory agenda was filed.

We look forward to more transparency and always welcome your involvement in the rulemaking process. You can learn more, and download a form to submit proposed rule changes at: <http://www.colorado.gov/cs/Satellite/Rev-Gaming/RGM/1213781235687>

— Laura Manning, Acting Director, Division of Gaming
