Source: Colorado Retail Sales Tax Return (DR 0100)

Notes: All tax filing data is subject to change. This table represents a snapshot of the tax returns at the time the data was retrieved. This table includes returns that reported zero sales

NR = Not releasable due to taxpayer confidentiality requirements. Total includes NR data. Per §39-21-113(4), C.R.S., data derived from taxpayer returns is aggregated in order to protect the confidentiality of individual taxpayers. It is the Department's practice to release aggregated data only when there are at least three taxpayers in a given category and none of them represents more than 80% of the total.

<sup>&</sup>lt;sup>1</sup> Number of Returns does not include returns that reported zero sales.

<sup>&</sup>lt;sup>2</sup> May not sum to total due to rounding.
