Source: State Sales Tax Return (DR 0100)

Note: This table represents a snapshot of the tax returns at the time the data was retrieved.

NR - Not releasable due to taxpayer confidentiality requirements. Total includes NR data.

¹ Number of Retailers represents the number filing at least one non-zero return in the filing month. As retailers may file in multiple counties, the sum of Number of Retailers values across counties will exceed the total Number of Retailers presented because the total shows the distinct Number of Retailers for the state.

² Number of Returns does not include returns that reported zero sales.
