Registration fees for motor vehicles, trailers, and semitrailers. Provides for the extension through 1969 of the additional registration fee of \$1.50 imposed on motor vehicles, trailers, and semitrailers. Provides that the payment of the fee may be made to an authorized agent of the department of revenue, and that if payment is so made, then it is turned over to the county treasurer and distribution is made to counties and municipalities as now provided by law. Amounts allocated to a municipality are to be credited to an appropriate fund for construction and maintenance of highways.

S 29 - Effective July 1, 1967 CRS 13-4-5, et seq.

Operators of motorcycles and motor-driven cycles. Provides that special instruction permits and licenses or authority shall be required to operate motorcycles and motor-driven cycles. Such authority shall be by endorsement on existing driver's license. Fees for any such permit, license, or authority are the same as those for instruction permits and licenses for operators of motor vehicles. Such license or authority shall be issued only after passage of an examination which includes an actual demonstration of driving ability conducted on a motorcycle or motor-driven cycle.

S 31 - Effective May 27, 1967 CRS 13-4-23

Motor vehicles - point system. Increases points assessed for eluding or attempting to elude a police officer from 3 points to 12 points.

Motor vehicles - driving under influence of liquor - implied consent. Provides that any person operating a motor vehicle on the public highways of this state is deemed to give his consent to a chemical test of his blood, breath, or urine to determine the alcoholic content of his blood if he has been arrested for driving under the influence of liquor. Any such test shall be given pursuant to rules of the department of health. If such person refuses to submit to such a test, the arresting officer shall give notice thereof in writing to the department of revenue, which shall give notice to the person refusing, to appear at a hearing to show cause why his license or driving privilege should not be revoked. At the hearing, the arresting officer must show he had reasonable grounds to believe the person was driving under the influence, and if that person cannot then show medical evidence that his physical condition made such a test inadvisable, his license or privilege shall be revoked for six months. If the person is subsequently found not guilty of the offense of driving while under the influence, or if the charges are dismissed, his license shall be reinstated immediately.

Provides that upon request, any person submitting to the test shall be furnished the results thereof, and permits the person to have an additional test made by a physician or laboratory of his own choice. Refusal to submit to such a test shall not be admissible in any prosecution for driving under the influence. Provides for judicial review of the department's order of revocation, and for the department to have a court reporter to transcribe the revocation

proceedings. Provides that if the alcoholic content of any person's blood is 0.05% or less, there shall be a presumption that his ability to operate a motor vehicle was not impaired to any extent necessary to sustain a charge of driving under the influence of liquor.

H 1005-Effective March 14, 1967 CRS 13-5-113

a. Inspection stickers issued on or after July 1, 1967, and prior to January 1, 1968, shall, according to rules promulgated by the department of revenue, expire in approximately equal numbers during each of the first 6 calendar months of 1968.
