Bills enacted by the Forty-Sixth General Assembly (1968 - Second Regular Session.)

Organization and Administration

S 1 - Effective July 1, 1968 CRS 3-7-1, et seq.

"Administrative Organization Act of 1968". Sections 1 through 35 of the act, called the "Administrative Organization Act of 1968", implement section 22 of article IV of the state constitution which requires that all executive and administrative offices, agencies, and instrumentalities of the executive branch of the state government, except the offices of the governor and the lieutenant governor, be allocated within not more than twenty principal departments not later than June 30, 1968. The act creates the following seventeen principal departments to which all existing and newly created administrative offices, agencies, and instrumentalities, other than under the office of governor and lieutenant governor, are allocated by sections 13 through 27 of the act: (1) department of state, (2) department of the treasury, (3) department of law, (4) department of higher education, (5) department of education, (6) department of administration, (7) department of revenue, (8) department of institutions, (9) department of health, (10) department of social services, (11) department of labor and employment, (12) department of regulatory agencies (13) department of agriculture, (14) department of natural resources, (15) department of local affairs, (16) state department of highways, and (17) department of military affairs.

The department of revenue will function with the following at the division level: The division of enforcement, the motor vehicle division, the ports of entry division (formerly called the motor vehicle inspection division), and the liquor enforcement division (formerly under the department of state).

Motor Vehicle

S 16 - Effective July 1, 1969 CRS 13-5-159

Minimum safety standards for motorcycles. Provides that any operator (and any passenger) on a motorcycle or motor-driven cycle shall wear a reflectorized protective helmet, and a protective face shield or eye goggles while operating a motorcycle or motor-driven cycle upon any public highway of the state. Act also provides that the state department of highways shall adopt minimum safety specifications for the protective helmets.

Income Tax

H 1011-Effective April 9, 1968 CRS 138-1-10

Income tax - exclusion of certain amount of military retirement pay. Excludes from Colorado adjusted gross income those amounts received as military retirement pay, to the extent included in federal adjusted gross income, but not to exceed \$2,000 in any taxable year. Act applies to taxable years commencing after December 31, 1967.

H 1024-Effective April 2, 1968 CRS 74-14-1 et seq.

Multistate tax compact - authorization - appropriation. Authorizes the governor to enter into the multistate tax compact. Purposes of the compact are to: Facilitate proper determination of state and local tax liability of multistate taxpayers; promote uniformity or compatibility in significant components of tax systems; facilitate taxpayer convenience; avoid duplicative taxation. The compact allows multistate taxpayers to calculate their tax liability according to state law or pursuant to article IV of the compact. Business income is apportioned to this state, by applying the property value factor, the sales factor, and the payroll factor, applicable to this state; whereas, under existing Colorado state law, only the first two of said factors are used. Provides for a credit for use and sales taxes paid to another state. Compact establishes the multistate tax commission composed of one member from each party state, who is the administrator of the compact from each such state. The director of revenue is designated as this state's representative on the commission. Home rule cities are not bound by the compact. Act requires the governor to appoint a consulting committee of three persons who are representative of subdivisions likely to be affected by the compact. Act also establishes the multistate compact advisory committee which has the duty to consider recommendations of the commission. Appropriates \$2,790 to the department of revenue for the state's membership fee and related expenses of the commission for the balance of the current fiscal year and further appropriates \$7,470 to the department for the fiscal year commencing July 1, 1968.

Provides that the director of revenue must make a limited examination of the application within a specified period of time, and shall determine the amount of the decrease in tax attributable to the carryback. Provides for disallowing the application under certain circumstances. Provides that any decrease shall be applied against any amount of the tax decreased, and any remainder shall be either credited against any tax or installment thereof due, or refunded to the taxpayer. Any such test shall be given pursuant to rules of the department of health. If such person refuses to submit to such a test, the arresting officer shall give notice thereof in writing to the department of revenue, which shall give notice to the person refusing, to appear at a hearing to show cause why his license or driving privilege should not be revoked. At the hearing, the arresting officer must show he had reasonable grounds to believe the person was driving under the influence, and if that person cannot then show medical evidence that his physical condition made such a test inadvisable, his license or privilege shall be revoked for six months. If the person is subsequently found not guilty of the offense of driving while under the influence, or if the charges are dismissed, his license shall be reinstated immediately.

Provides that upon request, any person submitting to the test shall be furnished the results thereof, and permits the person to have an additional test made by a physician or laboratory of his own choice. Refusal to submit to such a test shall not be admissible in any prosecution for driving under the influence. Provides for judicial review of the department's order of revocation, and for the department to have a court reporter to transcribe the revocation proceedings. Provides that if the alcoholic content of any person's blood is 0.05% or less, there shall be a presumption that his ability to operate a motor vehicle was not impaired to any extent necessary to sustain a charge of driving under the influence of liquor.
