Provides that the employer or retailer in possession of any such exempt property may be required by the department of revenue to remit tax funds more frequently or to post security for the payment of taxes due the state.

Intoxicating liquors - regulation of licensing. Makes it unlawful for a manufacturer, or importer of vinous or spirituous liquors, to have a financial interest in the business of any wholesale licensee of such liquors, or vice versa, but does not apply to existing relationships. Under classes of licenses, a new class of "importer"

is grouped with manufacturer, and an importer's license with a fee of \$250 authorizes an importer of vinous or spirituous liquors to sell to wholesale liquor dealers and to solicit orders from retail dealers, but does not permit the licensee to maintain stock in this state.

Intoxicating liquors - refusal of state licensing authority to issue a license. Provides that the state licensing authority shall not refuse to issue a state license after a local license has been granted, except upon hearing after 15 days notice. Formerly the state licensing authority could refuse to issue a state license after the local licensing authority had issued a license, without the necessity of a hearing. The notice required must be in writing and set forth the grounds for refusal. If the applicant does not respond within 15 days, the application for a state license is denied. Any hearing conducted on a denial shall be conducted according to the provisions of section 3-16-4, CRS 1963, and judicial review may be had under section 3-16-5, CRS 1963.

In addition to the 2% allowance provided the distributor under the existing statute, an additional allowance of one-half of one percent of the net tax due is allowed to cover expenses of collection and bad debt losses.

Motor Vehicle

H 1469 - Effective January 1, 1970 CRS 13-2-23 and 13-3-30

Vehicle registration fees and taxes. Increases annual registration fees on most motor vehicles; the basis for computing the fees is also changed. For instance a passenger car weighing 2,000 pounds or less will pay a \$6 fee; weighing 4,500 pounds or less, \$6 plus 20¢ per 100 pounds over 2,000 pounds; weighing more than 4,500 pounds \$12.50 plus 60¢ per 100 pounds over 4,500 pounds. The gross ton-mile rate remains the same at eight-tenths of one mill upon each gross ton-mile of empty vehicle weight and two mills upon each gross ton-mile of

cargo weight. The passenger-mile rate remains at one mill for each passenger-mile.

The additional registration fee of \$1.50 is extended through 1971.

H 1300 - Effective January 1, 1970 CRS 13-1-1, 13-3-1, 13-3-2, 13-3-4, 13-3-5, 13-3-8, 13-3-10, 13-3-14 and 13-3-32. 13-1-1(50), 13-3-6 and 13-3-8(2) are repealed.

Motor vehicles - classification - ownership taxes. Creates new definitions and classifications of vehicles and equipment, including equipment weighing over 500 pounds rigidly mounted, including camper coaches temporarily or permanently mounted on motor vehicles. Mounted equipment must be reported within 20 days of attachment to the vehicle, by application for registration or reregistration, and thereupon takes the classification of the vehicle to which attached. Requires the registration of and payment of specific ownership tax on mobile machinery and self-propelled construction equipment.

Rates of tax start at 2.10% of factory list or comparable price and decrease gradually over 10 years to minimum dollar amounts varying from \$3 to \$10, except for mobile homes and trailer coaches which start at 2.30% reducing to a \$25 minimum. Allocation and distribution of taxes collected on the various vehicle classes is specified. The act should be consulted for details of classifications and rates of tax.

Special license plates are authorized for city and county vehicles and for general assembly members, and a reflective material must be used on all plates commencing January 1, 1971.

H 1207 - Effective January 1, 1970

Application procedures and applicants' qualifications are provided, among which are that an applicant has to have liability insurance meeting stated requirements, an established place of business in this state, and employ at least one licensed instructor. The initial application fee for a school is \$100, the license renewal fee is \$50, and licenses expire on December 31 of the year for which issued. Requires the licensing of commercial driving instructors, and numerous qualifications are set forth, among which are a good driving record and successful completion of a department approved driving instructor course. The driving instructor's examination includes a vision test and a test of driving ability. The initial application fee for an instructor is \$25, the renewal fee is \$10, and licenses expire on December 31 of the year for which issued. Certain equipment, such as dual controls and 4-way emergency flashers, is required on automobiles used in driver training instruction. Grounds and procedures are provided for refusing to issue or renew, suspending or revoking, a license.

H 1253 - Effective July 1, 1969 CRS 13-1-1 and 13-5-84

Motor vehicles - school bus operation. Restricts definition of school buses to exclude therefrom private car pool arrangements, and clarifies the law that persons operating, responsible for, or in control of

- H 1398 - Effective July 1, 1969 CRS 13-5-101; 13-5-142 is repealed.
Motor vehicles and other vehicles - submitting lighting equipment to department of revenue for approval. Provides that while certain lighting equipment on motor vehicles and certain other vehicles must be approved by the department of revenue, such equipment no longer has to be submitted to the department for a certificate of approval of a device or an accessory for which a certificate of approval was required for sale or use.
- H 1123 - Effective January 1, 1970 CRS 13-7-3, 13-7-26 and 13-7-36

- S 89 - Effective July 1, 1969 CRS 13-5-30, 13-4-23; 13-5-30(5) is repealed.
Operation of vehicle - under influence or impairment - penalties. A new offense is created, that of driving while ability to operate a vehicle is impaired by consumption of alcohol, and a presumption is created that there is such impairment when the chemical analysis test shows more than 0.05 and less than 0.10 by weight of alcohol in the blood. The act also changes the minimum percentage by weight of alcohol in the blood at which the presumption arises that a defendant was under the influence, from 0.15 down to 0.10. On conviction of the new offense of driving while ability is impaired, the penalty is a fine of \$10 to \$500, or not more than ten days in the county jail, or both. Such conviction results in an assessment of 8 points against a driver's license.
- S 122 - Effective July 1, 1969 CRS 13-4-23
Motor vehicles - suspension of drivers licenses. Provides that the license of a chauffeur convicted of driving under the influence of alcohol or drugs or of leaving the scene of an accident, during the course of employment, shall be suspended the same as if the offense occurred outside the course of employment. Also provides that if a minor operator receives a summons for a traffic violation, the court from which the summons is issued is required to notify the minor's parent or legal guardian.
